## Pottermania Grips Dungarvan As 1,700 Gather At Easons

BY KEVIN KIRrane

As the witching hour struck, over 1,700 people who packed Dungarvan Shopping Centre for the Easons spectacular, many of them children enthralled by an evening of entertainment, cheered and queued for JK Rowling's last instalment of the Harry Potter series, 'Harry Potter and the Deathly Hallows'.

The €20,000 plus extravaganza brought out a queue of fans and parents that stretched from inside the shopping centre right outside

### NATION'S BIGGEST HARRY POTTER EVENT

past the entrance to Shandon Medical Centre at 10.30pm on Friday night for what was dubbed the largest Harry Potter event in the country.

Fans, young and not so young alike, dressed in Harry Potter's trademark glasses, black capes, and costumes from their

favourite characters in the book trades largest selling series, were entertained during the wait by members of the Waterford Youth Drama Group, who mingled among the fans in Hogwarts uniforms, along with magicians, jugglers and stilt-walkers.

As the event itself got

underway, with an audible buzz of excitement in the air, people filtered into a radically transformed inner sanctum for the event in front of Easons.

A specially constructed stage had been erected, while several

## Disappointment As Wilkinson Loses Seanad Bid

By Kevin Kirrane

Former Fianna Fail Deputy, Ollie Wilkinson, was eliminated on the 15th count on the Agricultural panel in the Seanad elections, and must now look for a nomination from Taoiseach Bertie Ahern if he is to have a place in the Upper House and secure an early return to the national political stage.

Wilkinson's chances of securing a Seanad seat looked all but gone after a disappointing first count placed him in 17th of the 28 candidates in the agricultural panel.

Mr. Wilkinson secured 28,000 votes in the first count, well short of the quota 89,334. The total number of votes are multiplied by 1,000 to facilitate the calculation of transfers and the

conduct of the second and subsequent counts.

### ELECTORATE

The total electorate for the panel is 1,072,000 (1,072) and consists of all the members of the new Dail, the outgoing Seanad and every member of a county or borough council.

A total of 11 seats are available

### ELIMINATED ON 15TH COUNT

on the agricultural panel.

On the resumption of counting and with the elimination of candidates below him, Mr. Wilkinson received 5,000

transfers taking his total to 33,000, and was eliminated on the 15th count yesterday (Tuesday) morning.

## Pottermania Grips Dungarvan As 1,700 Gather At Easons

(continued from front page) big screen televisions, strategically placed, relayed the events to people at the back.

Heightening the expectations and sense of anticipation of all concerned, a countdown took place every fifteen minutes.

On stage, actors played out the final scenes from the previous Harry Potter book, a magician entertained the younger children, while a number of participants were tested on their knowledge of all things in Harry Potter's magical world.

"We had some fantastic feedback from people after the event," said a delighted Pat White of Dungarvan Easons.

"We gave out 600 books in twenty-five minutes. In the total Eason organisation, which includes O'Connell Street in Dublin, Patrick Street in Cork, Galway and everywhere else we in Dungarvan were in the top five.

"For a small shop in a small town in comparison with those other places it was phenomenal. Easons couldn't believe the volume of books we moved."

Nicola Beresford was the production manager of the events, while Heaton Display did the staging while Dirk Baumann was in charge of sound and lighting.

"In total, by the close of business last night (Monday) we sold 1,200 books. It was a tremendous weekend, a tremendous night of entertainment, and we're really delighted with how everything went off," Mr. White said.

## Mayor Calls For Memorial At New Dungarvan Hospital

By Kevin Kirrane

Mayor Of Dungarvan, Damien Geoghegan has requested that Dungarvan Town Council write to the Health Service Executive, asking that the Doctors who contributed much of their professional lives to the District Hospital in Dungarvan, be commemorated with a permanent memorial, when the new hospital, which is due to begin construction shortly, is finally completed.

The Mayor, who raised the issue at a recent protocol meeting of the Town Council, said: "I believe it is very appropriate that the contribution made by Dr John Hackett, Dr Dan McCarthy and Dr Brendan McCarthy, continues to be recognised into the future in the proposed new hospital.

### STATUE

"There is an existing statue in the hospital grounds, which is dedicated to Dr Hackett along with plaques and photographs of all three doctors, which are currently displayed in the hallway of the existing hospital."

Mayor Geoghegan pointed out that: "The story of Dungarvan District Hospital, and the contribution made by each of the three doctors concerned, is a remarkable one. Dr John Croker Hackett (Medical Director 1896-1930), followed by Dr Dan McCarthy (1930-1951) and later Dr Brendan McCarthy, dedicated their professional lives to the development of Dungarvan District Hospital into a comprehensive, modern hospital comparable to any other of its time.

"Contemporary medical services in each of the major branches of medical practice were offered to the local community, including general medicine, surgery, obstetrics and pediatrics.

### RESPECTED INSTITUTION

"During their stewardship, Dungarvan District Hospital was respected as an institution offering medical care of the

highest caliber to the local community and only major medical problems were transferred to the larger teaching hospitals in the cities"

"I believe the HSE cannot allow this opportunity to slip," Mayor Geoghegan said. "Everybody is looking forward to the new District Hospital

coming on stream, but the early development of The District Hospital, and the role played by each of these Doctors, is a part of the proud history of Dungarvan and the surrounding area. We should not allow our history to be forgotten or ignored and hopefully the HSE will respond in a positive manner."

## Wilkinson Loses Seanad Bid

(continued from front page)

Mr. Wilkinson, who was defeated by a slim margin in the general election, hoped the Senate elections would be a first step in rehabilitating his political career, but is now likely to have to look to be one of Taoiseach, Bertie Ahern's eleven nominees to the Senate.

Deputy Brendan Kenneally, who ironically was the candidate to take Wilkinson's seat in the general election, also lost out in the Senate elections proper five years ago, but was nominated to the Senate by the Taoiseach.

### DISAPPOINTED

"I am disappointed, but not surprised," said Mr. Wilkinson, who is now to seek a meeting with Mr. Ahern over a possible nomination.

"I knew going into the election campaign that my chances were very very limited because of the strength of my Fianna Fail colleagues."

Five Fianna Fail candidates look likely to be elected on the Agricultural panel when counting resumes today (Wednesday).

"They are very strong candidates, and three or four of them have been great Senators before. I had very little space to break out of that circle. In fact I got exactly what I thought I'd get. So it came as no great surprise to me."

### NOMINATION

Mr. Wilkinson was philosophical about his chances

of getting a nomination from the Taoiseach.

"Every defeated candidate in the country is hoping to get nominated," he said, "and of course I would. I haven't spoken to the Taoiseach on it, but I hope to seek a meeting and see what way he'll look at my case. Hopefully, he'll look at it favourably, but there's a lot of pressures on that man too."

The first count in the Agriculture and Cultural and Educational panels began on Monday.

Pearse Doherty topped the poll in the agriculture panel on 103,000 votes, the first Sinn Fein candidate to become a Senator, with the help of a controversial voting pact with Labour. Alan Kelly, a Labour candidate came next with 96,000, also exceeding the quota. Fianna Fail's Jim Walsh, outgoing Senator Jim Moylan and Fine Gael's Paddy Burke are the favourites to follow them in.

### CUMMINS FAVOURITE

At the time of going to press, results were not yet in on the Labour panel where outgoing Senator, Maurice Cummins is regarded as having a good chance of capturing a seat.

Meanwhile, counting will start this morning for the third Co. Waterford candidate, Paudie Coffey who is regarded as being in with a battle for a seat despite a strong showing in the general election.

# The Old Market House Arts Centre filled to overflowing for the launch of new exhibitions

'Sin a bhfuil' showcases the work of Cappoquin based artist Andrea Jameson. Andrea was born in Oslo in 1953, but her home has always been in Co. Waterford. After attending Newtown School, Waterford, Andrea went to study art and languages in Neuchatel, Switzerland and then Florence. She moved to London and joined the City and Guilds School where she studied drawing, painting and sculpture. Andrea comes from an artistic background, her grandmother Joan Jameson was a prominent member of the Dublin painters and her cousin was the famous stained glass artist Evie Hone. Andrea has had numerous solo and group exhibitions and her work is in private collections in Europe, Scandinavia and America. Many people took the opportunity to buy Andrea's much sought after work on the evening.

In the upstairs gallery Market '07 features work by Dungarvan artist Anne Lennon Power, Youghal based artist Eliza Walczyk and Niamh Moran, Kildare.

Mayor Damien Geoghegan in his first official function in the Arts Centre as new Mayor welcomed everyone and wished all the exhibiting artists every success. The exhibitions were officially opened by author and broadcaster Eddie Wymberly who spoke of his long friendship with Andrea and his support for

her creativity and art work. He congratulated Anne, Eliza and Niamh on their beautiful work.

These exhibitions will continue until Saturday 11th August 2007.

The Arts Centre has extended opening hours for the summer months from Tuesday to Saturday from 10am - 5pm. Admission is free agus tá fáilte roimh gach aoinne.

# Massive Employment Success Rate For Árd Dioplóma In Television Production Course

Nemeton Teo has - from its television and post production facility in An Rinn, been supplying programming to both the national broadcasters RTE and TG4 since it was set up in 1993. The announcement on June 23rd 2006 by Minister Cullen that Nemeton Television was to join forces with WIT and Údaras na Gaeltachta to commence delivery of 3rd level courses in Television Production marked the beginning of a new phase in the growth of this Gaeltacht based company.

Since Nemeton opened its training doors last October fourteen students from various parts of the country are now qualified as either directors or editors. Since this was the first year of the Árd Dioplóma the class of 2007 were the pathfinders. It was an incredible year for the students and all involved in training here in Nemeton, having six students nominated for the National Student Media Awards back in April and the showcasing of their programmes in the SGC cinema, Dungarvan in May.

The students were involved in every step of producing a television documentary; creating and developing an idea, pitching

their idea and afterwards realising it as a twenty-five minute documentary. In this way students were introduced to a broad range of skills, with particular emphasis given to training them in the areas of directing and editing. Triona Uí Bhroin, course co-ordinator says, "having the course at Nemeton means the students are immersed in a real working production company environment. This gives the students a feel for the business and allows them the opportunity to make contacts within the industry that may help them in the future". Since completing the course in May, 80 percent of the class are in fulltime employment some for the broadcaster TG4 and more in the independent sector.

The second year of this exceptional course is due to begin mid September, because this course is so unique and industry focused there are only a limited amount of places available and with the majority of them places already filled students thinking about applying are advised to submit an application form as soon as possible.

The level eight Fetac approved

Moira Sweeney, course tutor with Alan Devitt, student.

course will be run through Irish in An Rinn with some modules being delivered on campus at WIT.

For further information on this Árd Dioplóma - contact Triona Uí Bhroin on 058 46499 or triona@nemeton.ie.

# "Between the Jigs and the Reels, Gerard dances thru the ages"

Fair City's Gerard Byrne (AKA Malachy) showed his support for his *Celebrity Jigs and Reels* partner, Paula Goulding, when he showed up unannounced to the official opening of her groundbreaking show *Dancing Thru The Ages*. Gerard and Paula became good friends during the eight week run of the hit T.V. series, which saw them reach the final but narrowly miss out on the *Celebrity Jigs and Reels* title. Paula will now take a pivotal role in the choreography and promotion of *Dancing Thru the Ages* for its two month run

on the Youghal stage.

Speaking during the interval of the show last Thursday, Gerard expressed his delight at being able to attend. "I received the invite but never said if I was going or not, when I turned up it really was a surprise for Paula. I'm delighted I came as it's such a fantastic show, bursting with energy."

*Dancing Thru The Ages* runs every Wednesday and Thursday, July and August at The Mall Arts Centre, Youghal. Booking 02492571086 1280151 www.dancingthrutheages.com

**EMERALD  
FINANCIAL

**Question: I have fallen into arrears on my Mortgage, what should I do?**

**Answer:** First of all it is important to note that nobody wants to go into arrears and nobody sets out this way.

Arrears on mortgages happen for a variety of reasons, ranging from bad management of your finances each month to being made redundant or being unable to work for a period of time due to an accident or illness.

So if you are finding it difficult to make your mortgage repayments, for whatever reason, the first thing you should do is contact your mortgage lender and advise them of your current predicament and circumstances.

A lender will welcome the fact that you are bringing this problem to their attention and will endeavour to work with you to help overcome your current difficulty both in the short and long term. There are many options available to you, here are a few examples:

**Moratorium:** A mortgage lender may offer you a payment break until you get back on track.

**Interest only:** This is where you serve only the interest portion of your mortgage repayment, it reduces your monthly repayment and avoids further arrears.

**Increased Term:** If for example you had 15 years left on your mortgage and the repayments were too high to meet, a mortgage lender may suggest to extend the term out to 20 or 25 years. This would reduce the monthly repayment substantially.

If you had arrears in the past and finding it difficult to get a mortgage now, please feel free to contact Emerald Financial. There are many options available to you. With the past eight mortgage increases, it is certainly getting more difficult to service mortgage repayments. However it is important to talk to us, Emerald Financial have access to 15 lenders, we can advise on all options available to you.

If you have any mortgage or financial queries or questions, please send them to-

## VIEWPOINT

### ILLEGAL REZONING NOT THE ANSWER TO LAND CRUX

Viewpoint was surprised to see the level of criticism directed at both the council executive and the owner of 1.4 acres of land around Abbeyside National School in a debate that threatens to spill from the council chamber directly into the law courts.

A number of councillors have put their name to a notice of motion calling for the land, owned by the Tierneys, to be rezoned from Educational to Open Space.

At the moment the land is worth 1 million; rezoned it would probably be worth half that.

The issue starts in 1999 when the council was considering the Draft Town Development Plan. On a vote, it was decided by 8 to 1 to rezone the land from Residential to Educational. This was done specifically to allow the school purchase the land from the Tierney's. Many of the current councillors on Dungarvan Town Council were on the local authority at the time.

The Development Plan was adopted in 2000 and was warmly welcomed by the school itself, with the principal, Finbarr Keohan even taking the step of writing to the council saying their purposes would be served by the rezoning.

In a further two Development Plans, including the current Plan, the zoning of Educational is included.

But seven years have passed since that first rezoning and Abbeyside National School is no closer to buying the land, leading to concerns about its future at its present location.

However, this is not a reason to either blame the council executive, who – rightly – advised the council that Educational was the correct zoning for the land, or the landowner, who has at all times dealt honestly in regard to the issue, and deserves honesty in return from the council.

The Tierneys have owned and farmed the land for the past 200 years, literally pumping blood, sweat and tears into it to make a living. To effectively cut the ground from under him for the benefit of a wealthy private body – the Catholic Church which owns Abbeyside National School – is not good enough.

In fact, in this whole sorry saga, according to the Tierneys, the school has never even made a single offer to buy the land from them.

Considering that in recent months, Waterford & Lismore Diocese has sold off land for several millions of euro, this is quite strange.

But it appears that instead, the Diocese is content to leave the council make the running on this issue, and that's where the problems emerge. Earlier this year, the council stepped in to CPO the land, but found the independent valuation of €1 million not to their liking, and out of the council's price range.

The council's plan was to purchase the land, and then lease it back to the school. But the question is why?

Viewpoint is repeating himself, but the school is not in public ownership. It's a privately owned school, owned by an extremely wealthy group. Yet, this wealthy body wishes to have it both ways – to gain ownership of a valuable asset, and yet pay well below its value.

Lets face fact's, Viewpoint would be very surprised if the councillors who signed their names to the rezoning motion went ahead with it doubtless as they are in their desire to provide Abbeyside with much needed land to extend onto, as they personally, and not the council as a body, would end up being sued. And in any case, at this point, the council is only acting as a public conduit to put quite unfair pressure on the landowner to sell up at a reduced price.

It's up to the owners of the school to face reality at this point, and make a genuine offer to purchase the land. And then, like in any commercial transaction, which this is, it's up to the landowner to decide whether to sell or not.

By going ahead with this notice of motion, the councillors would not only be, in the view of senior counsel, acting in excess of councillors legal power, but they would be morally and ethically incorrect. All that can be done for the school has been done. The land was rezoned Educational in 1999, and its purposes are served by that zoning. To rezone it to specifically reduce its value would be to grab the land from the Tierneys, and would, according to the Tierneys themselves, bankrupt a family which has already been put through the mill by a campaign of public pressure.

At the end of the day, it's up to the school's owners, and them only, to make a genuine offer to the landowners and to finally solve this longstanding issue once and for all.

### WALTON PARK WILL BE WORTH THE WAIT

Walton Park is perhaps Dungarvan's largest public amenity space, and despite countless delays, including the most recent which puts back its opening to the public from the end of July to sometime in August, according to the designers, the e-project, it will be worth the wait.

The latest delay was caused by the weather, but most of the work has already been done, and it's understood that the work yet to be completed has mainly to do with paving.

It will be a relief to everyone concerned when the park finally opens its doors again. The old Walton Park had become a virtual no-go area late at night, and something needed to be done. With the hedges taken away, and extra lighting put in, hopefully a new and brighter era beckons for the park, which will allow everyone to use it and enjoy it in utter safety.

## People Disposing Domestic Waste In Public Bins

– SAYS TOWN CLERK

“AT NIGHT PROBLEM IS A NIGHTMARE”

By Kevin Korrane

Some members of the public are disposing of their domestic waste in public bins while it's been found that some bins attached to poles become dumping grounds for people to leave bags full of waste beside. Town Clerk, Joe O'Flaherty told the July meeting of Dungarvan Town Council.

He was speaking in response to a question from Labour councillor, Fiachra O Ceilleachair who asked what the criteria was for the placement of public bins.

A newly laid out public car park was developed near King John's Castle, which he said was rightly praised at the previous meeting, but even though it's an area frequented by tourists, no bin has been placed there.

Fine Gael councillor, Damien Geoghegan said he was aware that domestic waste was being put in bins and just recently he saw a business person stuff bags full of domestic waste into a public bin.

“It's a sad state of affairs that we can't leave out a bin,” he said.

Joe O'Flaherty said the problem emerged where bins weren't situated in well trafficked areas.

“At night the problem is a nightmare,” he said.

## Objectors Concerns With Moloney's Stores Plans Resolved

By Kevin Korrane

A turn key development of 5 council apartments on the ground floor of Moloney's Stores is to go-ahead after the issue relating to two submissions from the public consultation phase were resolved.

Town Clerk Joe O'Flaherty said one of the submission had to do with an issue over the management company and another was on the sustainable development of the building rather than any questions about design.

However, Mr. O'Flaherty said the objectors had indicated in writing that the issues that had concerned them were now resolved.

### COUNCIL TO GO AHEAD WITH 5 APARTMENTS

But some criticisms were made of the Town Clerk for not revealing the nature of the submissions until pressed by Labour councillor, Billy Kyne.

“These are issues of concern, and we were not going to be told about them,” he said.

The development was proposed by Fianna Fail councillor, Anne Marie Rossiter and seconded by Fianna Fail councillor, Nuala Ryan.

Sinn Fein councillor, Brendan Mansfield, meanwhile wished it to be put on record that he still had concerns, but Labour councillor, Fiachra O Ceilleachair said the present proposal was far safer in the area than a pub which was originally proposed.

## Stop Encampments At Shandon

– CALLS CLLR. MANSFIELD

BY KEVIN KIRRANE

Sinn Fein councillor, Brendan Mansfield said the onus is on Dungarvan Town Council to take action and prevent future illegal traveller encampments close to council housing estates in Shandon.

Cllr. Mansfield, who was speaking at the July meeting of the local authority, was referring to a convoy which illegally parked at the side of the road close near Sean Dun and Estuary Heights estates.

He said the travellers seem determined to come back every year, and something has to be done to prevent a repeat of the problems faced last month.

A number of claims of intimidation were made by residents, and other crimes, including vandalism occurred in the area over the same week.

“The onus is on us to prevent this from happening again in the future,” Cllr. Mansfield said.

Cllr. Mansfield has already called for the footpath to be enclosed by fencing as one possible solution to the problem.

# Ballysaggart Phonebox Constantly Vandalised

By KEVIN KIRrane

A telephone box near Ballysaggart Church is being constantly vandalised, and should either be repaired or removed.

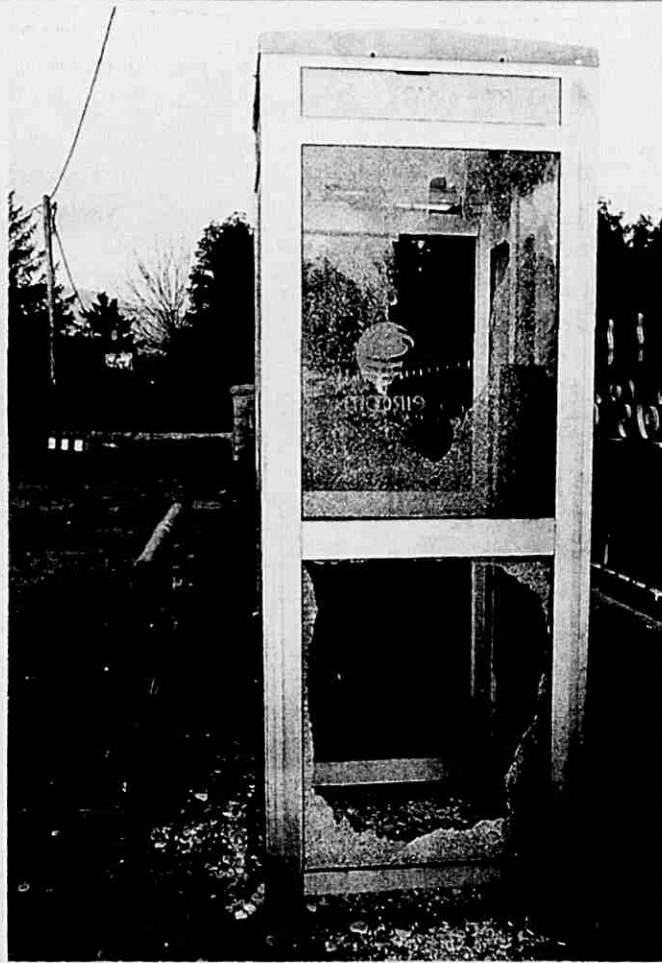

The telephone box, which has been without an operating telephone inside for the past seven years, has been the subject of vandalism since Christmas and is now considered an eyesore.

A local resident, who contacted the Dungarvan Leader, said they made representations to Waterford County Council, the Lismore area office and to eircom. But so far nothing has been done.

"Waterford County Council and the Lismore Area Office say it has nothing to do with them. I was given the number for eircom but it rang out.

"I think at this stage, eircom should either repair it or remove it. There's no telephone in it. So it doesn't even serve any purpose.

"The vandalism started around Christmas, and its been vandalised most Bank Holiday weekends since. It's a real eyesore, and something needs to be done about it."

# Art For Everyone In Joan Clancy Gallery

The group show currently running in Joan Clancy Gallery is a wonderful affirmation to the talent of the local and internationally recognized artists who are participating. And many of the price tags are surprisingly affordable.

Greta Hellstrom-John Betjeman is a group show in Joan Clancy Gallery to mark the centenary of the birth of the late poet laureate Sir John Betjeman who used to visit the Yellow House then owned by the Villiers-Stuarts, on Helvick Head at the tip of the Ring peninsula in the County Waterford Gaeltacht where Joan Clancy Gallery is situated. His poem The Irish Unionist's Farewell to Greta Hellstrom in 1922 has the refrain "...Dungarvan in the rain" at the end of each stanza, and Greta the object of the poet's affections has remained a mystery to many.

The artists participating in Greta Hellstrom-John Betjeman Tribute are Arthur Maderson, Blawnin Clancy, Sinéad Ní Chionaola, Rayleen Clancy, Michael Mulcahy, Andrea Jameson, Olive Watkins, Wishy Martin, Suzy O'Mullane, Rita O'Connell, Katarzyna Gajewska, John Cullinan, Eileen Healy.

Located between Coláiste na Rinne (the Irish Language College) and the Cunnigar Beach, Greta Hellstrom-John Betjeman Tribute is running in Joan Clancy Gallery until Monday July 16th. The gallery is open from 11 to 5pm each day. Well signposted.

# Fingal Walkers Walking Weekend

Fingal Walking Group have expressed their delight with their weekend stay of 23rd to 24th June at the Gold Coast Hotel where 102 walkers were facilitated by Dungarvan Hillwalking Club on three occasions over the weekend.

On Saturday morning, there was a walk of the Cunnigar and later a walk in the Ring area where not only were the walks led by John Browne with the able support of Ann and Peter Mangan but John gave detailed information on the historical background on all the walking sites.

There were further walks of Ballinagoul and Helvick Harbour where club members, Norman Graham, Margaret Kirwan and Reene Palmer proved able and enthusiastic leaders.

There was a very enjoyable walk and historical talk given by local historian, John Young on Sunday morning, which was followed by a final walk on

Cutteen South given on Sunday afternoon.

Mayor of Waterford, Cllr. Billy Kyne has been made aware of how successful this weekend trip was by Fingal Walkers under their leader, Gemma Larkin. Their stay at the Gold Coast Hotel was excellent value, they felt and the interaction with Dungarvan Hillwalking Club and that of local historian, John Young made it a weekend to remember.

Commenting further, Cllr. Kyne pointed out that this linkage between the walking club and local hotel is an asset the council should be developing further as with the popularity of walking there is an opportunity for local hoteliers and the council in attracting more people into the county.

"All in all, this was a very positive weekend for our Dublin visitors and I commend all the people who helped out in making this a weekend to remember."

## THE COMING OF THE DINOSAURS

Dinosaurs lived on Earth for 160 million years. The word dinosaur means 'terrible lizard' and was first used by the British palaeontologist Richard Owen in 1842. We tend to think of dinosaurs as enormous creatures but they came in all sizes. The first dinosaurs appeared over 220 million years ago and were quite small. The smallest of the dinosaurs was Compsognathus which was only 90cm (3ft) long and weighted 3kg (6.6lb). Diplodocus was the longest, in fact the longest animals that has ever lived, with a length of 25m (82ft). The heaviest creature that ever lived was Brachiosaurus which weighted over 50 tonnes.

#### Two Types Of Dinosaur

Scientists have divided dinosaurs into two main groups: Saurischia, meaning 'reptile hipped' because their hips are similar to those of crocodiles and other reptiles; and Ornithischia (bird hipped) because their hip bones are arranged like those of birds. In fact it is quite possible that the first birds evolved from the Ornithischia dinosaurs.

#### Periods Of History

Scientists have divided the last 590 million years of Earth's history into three main era's; the Palaeozoic (meaning old life), Mesozoic (middle life) and Cenozoic (new life). Dinosaurs lived during the Mesozoic era, which is divided into three periods, the Triassic, Jurassic and Cretaceous. In the Triassic period, 225 million years ago, the first mammals appeared and there were numerous reptiles. The Jurassic period, some 195 million years ago, was the age of reptiles and the time when the first primitive bird appeared. In the Cretaceous period, 135 million years ago, mammals and birds became more numerous. Dinosaurs became extinct at the end of this period.

#### First Living Things

Life began in the seas some 2,000 million years ago. The earliest form of life consisted of particles of protoplasm, the basis of all living matter. From this evolved simple single celled organisms, similar to the amoeba, which gradually developed, over many millions of years, into many celled organisms, simple creatures such as microscopic bacteria. More complex creatures, such as sponges and jellyfish, began appearing perhaps 600 million years ago. The jellyfish was one of the first animals to have a mouth and stomach. All life at this time was in the sea and not until around 400 million years ago that simple plants and insects probably began inhabiting the shore line. By 345 million years ago some primitive amphibians were beginning to venture onto land and the first reptiles began developing.

### DID YOU KNOW?

- The oldest animals fossils are about 700 million years old. Human beings did not exist for about another 698 million years!
- ★
- Soft bodied animals such as worms, jellyfish, corals and molluscs evolved 500 million years ago.
- ★
- The first fish had no jaws, and had to such food into their bodies!
- ★
- Many kinds of fish appeared 420 million years ago, including the ancestors of today's sharks.
- ★
- Prehistoric insects were much larger than today's versions. Dragonflies had a wingspan of over 60cm (24in)!

# DUNGARVAN AGRICULTURAL SHOW - 90 YEARS A RUNNING!

At the sponsors night for the launch of this year's Dungarvan Agricultural Show were (l. to r.) Francis Carroll, DSC, Marie Dower, AIB Bank (sponsors) and Caroline Smiddy, Vice Chairperson, DSC.

Thursday next July 26th all roads lead to Cappagh for the 91st running of Dungarvan Agricultural Show. Thanks to the generosity of the Phelan and Buckley families the Show has gone from strength to strength in its new venue - a venue which is very popular with both exhibitors and visitors.

This year's Show has all the usual events - Horse, Cattle, & Sheep Classes, Showjumping in three different rings - In the ridden Hunter section the Bellard Cup is presented for the Champion Hunter of the Show while the Fitzgerald Trophy is presented for the Champion Young Horse. In the Breeding Section the Observer Cup is a coveted Prize while the Pony Classes feature the Ita Carroll Memorial Cup, the Lenihan Cup and the Eamonn Dwane Cup for the Champion Pony in Co. Waterford.

The Showjumping arenas cater for all categories and this year there are a number of qualifiers. In the 128, 138, 148 cm pony classes there are qualifiers for the prestigious Banteer show in Cork, while the horse arenas host the Ballymaloe Relish qualifier and a 130m Horse class. Amateur classes are also keenly contested in Dungarvan.

The Cattle Section in Dungarvan is renowned for the quality of the exhibits and the Maher Memorial Cup and Radley Spire Trophy will be hotly contested. Once again the Glanbia sponsored Super Cow competition will attract many entries.

The sheep section is well supported and the Boolattin Cup is the premier prize in this section.

The Home Industries section has enjoyed great support over the years and the hard working committee headed by Dinah Walsh report good entries in all sections. Remember there is still time to enter - why not ring for a Schedule of Events - (058) 41365. This year we hope to run a "Most Appropriately Dressed Lady" and "Most Appropriately Dressed Gentleman" competition.

2007 sees the second running of the Inter-Hunt Chase which was very exciting last year. Run under the auspices of the Dungarvan Harriers which were founded in 1945 various teams from hunts in adjoining counties will compete over a course comprising cross-country style fences. Sponsored by the Al Eile Stud this event is run in a relay style and always provides plenty of excitement.

Trade stands will be many and varied and this year will incorporate a display of Machinery used in the Second World War. 2007 sees the return of the very popular Cossack Riders display which always guarantees plenty of action.

The Dog Show very generously sponsored by Red Mills attracts lots of different breeds of Dog. Entries will be taken from 1.00 p.m. onwards at the Showgrounds.

Macra na Feirme is synonymous with Dungarvan Show and this year the County Waterford Farm Efficiency Finals have attracted entries from Macra clubs throughout the county.

The Gardai Horse division will once again add a majestic air to the show this year as these beautiful horses parade through the show-grounds. WLR are also present with their outside broadcasting unit. To round off the evening live music will also be present.

**Remember: Thursday July 26th - visit your local show - it is the Show in the County. A free bus will leave the Square Dungarvan commencing at 11.00 a.m. and will run throughout the day.**

## BUY OR RENT?

Ireland has become obsessed with house prices. Given the coverage that the subject receives, it is difficult to be blind to the financial benefit that the steady or surging long-term gains of property ownership brings. It is unsurprising then that young professionals are so keen to get started on the property ladder.

However, thanks largely to rising house prices that make home ownership so appealing, many first time buyers simply can't afford or find it very difficult to get together a deposit of a sufficient size to meet the loan-to-value requirements on most mortgages, or may not qualify for a 100% mortgage based on their income.

So do you continue to rent or buy? For most it is not a tough decision to make. Lets examine this closer and look at the advantages and disadvantages for both:

### Buying Advantages

Property prices are still going up slowly, providing much better returns than any savings product in the market. As you pay off your mortgage monthly, you are increasing substantial equity in your home. Mortgage holders qualify for tax relief, hence reducing your monthly tax bill.

### Buying Disadvantages

Failure to keep up with your monthly repayments will affect your credit rating.

Rising interest rates are reducing peoples net monthly income. Returns from the property market are not as high as they have been over the last number of years.

### Renting Advantages

It is easy to 'up and go' to another address. The worst case scenario is you lose a month's rent deposit.

You do not have the financial responsibility to pay a big Mortgage. The landlord is responsible for the general upkeep of the property, if the plumbing or washing machine breaks down, it cover covered by the landlord.

### Renting Disadvantages

Renting is often referred to as "dead money". Monthly repayments at times are almost the same as a mortgage repayment, however you have no ownership to the property. Whilst paying high rent each month it is difficult to save for a deposit on a new house. Landlord can sell the property within one month's notice, regardless of how long you rented there.

### Note:

Two people first time buyers currently renting for €850 per month could borrow and afford a mortgage of €220,000 when their mortgage interest relief is taken into account.

## SUMMER AND THE SEAN KELLY TOUR OF WATERFORD

The time for waiting is over as with the closing date for entries fast approaching and with ever increasing numbers entering each day, if you want to be part of the Sean Kelly tour of Waterford its time to act. With the long hazy days of summer here to stay, what a perfect way to spend the summer, on your bike preparing for the 'Sean Kelly'.

The Sean Kelly Tour of Waterford is a new event in the sporting, community and social calendar of the county which is sure to provide a unique experience for all who participate. Taking place on Sunday 19th August 2007 the inaugural Sean Kelly Tour of Waterford is a leisure cycle and not a

race. This event will be organised in a fun, safe environment with participation as the key element. There is something here for everyone from the hardcore cyclist to the person who occasionally takes out their bike for a Sunday spin and all in between.

There are three routes for the intending participant to ponder over before they decide to go out and feel the wind in their hair! The 45k 'Kelly Cruise' is the shortest route and will be a brilliant day for all participants. As the lower age limit on this one is 12 years of age it could be a great day out for you and your family. You can amble along Waterford's country roads and enjoy a picnic

(provided by the organisers) along the way. If you are a more seasoned cyclist, then either the 'Kelly Legacy'-100k or the 'Kelly Comeragh Challenge'-160k. The 100k cycle will take you along an undulating route through Dungarvan, Carrick-on-Suir, Clonmel and Ballymacarby as it circumnavigates the mighty Comeraghs. For those taking part in the 160k a good level of fitness is required and numerous ventures off the 'Legacy' route into the heart of the Comeraghs will really test the spirit. All routes start and finish in Dungarvan.

For full route details as well as all of the information on entry see

"<http://www.theseankellytour.com>" [www.theseankellytour.com](http://www.theseankellytour.com). Remember the closing date for entries is 3rd August next. So make a date for Sunday 19th August and come out and enjoy the wonders of County Waterford and in the process pay tribute to the best possible way to our own local hero, Sean Kelly (who will also be cycling on the day along with other celebrities).

## DUNGARVAN AGRICULTURAL SHOW

# The Tradition Carries On!

### TOMORROW THURSDAY JULY 26th

The Showgrounds in Cappagh are buzzing at the moment as the final preparations are put in place for the 91st running of Dungarvan Show. The catalogue is gone to print - with a great turnout in entries in all sections - the marquees are in place and the various show-jumping rings are taking shape.

Tomorrow Thursday is Show Day - From early morning the cattle boxes, horse boxes and lorries will roll on towards Cappagh.

Flower Arrangements, vegetable displays and artistic creations will be carefully transported to ensure they arrive in Cappagh in pristine condition. Young riders competing in the leading rein classes will be up at dawn to ensure that they and their small ponies are ready and dressed for the big occasion.

The 91st show promises to be hectic affair. Donna Coady Show Secretary reports that entries are up. Enquiries about

trade stands are at an all time high and this year the Hunt Chase which generated such excitement last year will take place at 4.00 p.m. Run in a relay form the team which comprises 4 members have to complete a course of natural obstacles which will include anything from gates to styles in a fast time and at the end will have to pass the baton, without dropping it, to their team mate. There will also be a prize for the best turned out team.

As usual Macra na Feirme will generate lots of atmosphere and the showjumping rings will provide plenty of excitement as Ireland's leading riders compete for the honours. The Cattle, Sheep and Horse showing rings hold a particular interest for the breeders and producers.

In the Home Industries marquee Dinah Walsh and her hard-working committee will be presiding over the wonderful colourful and artistic exhibits on

display. Sponsorship for the Home industries is greatly appreciated and includes the IFA Farm Family group, Siobhans Hair Saloon, and Helen Murphy Jones

The Red Mills sponsored Dog Show gets underway at 2.30 p.m. Please bring your dog along. Entries will be taken on the day from 1.00 p.m. onwards.

Other attractions on the day include a Cossack Riding Displays at 1.00 and 4.00 p.m. and WLR are doing an outside broadcast. There is also a Kiddies Zone. The whole event will be majestically policed by the Horse division of the Gardai.

Fringe events include a competition for the most Appropriately Dressed Lady and Gent kindly sponsored by Crazy Daisy Florists who are based in the new Kilmeaden Village Centre. You never know, you just might be going home with a bouquet!

Remember tomorrow Thursday

- come out to Dungarvan Show in Cappagh. There is something for everybody. A free bus leaves the Square commencing at 11.00 a.m. and will run throughout the day.

## Brid Kenneally to Exhibit in Castle Street Art Centre

There are few who have an interest in, or appreciation of art in this locality who will not instantly recognise a painting by Brid Ni Chionnfaolaidh. She has a distinctively bold style, with a clever use of vivid colours which clearly defines her style. Her work is well known as she has exhibited in both solo and group exhibitions and was one of the founders and a driving force of 'Aonach na Rinne', the annual exhibition of arts and crafts in her native place.

A considerable body of Brid's work will form a two week exhibition which she has arranged for the period the 27th July - 7th August, at 2 Castle Street, Davitts Quay, Dungarvan, better identified as the former premises of Eye to Eye Opticians.

Brid comes from a family that is steeped in the history and the traditions of Ring and Dungarvan, a family which has, through at least half a dozen members, become synonymous with art and artistic events in the area. From her early days, Brid revealed an artistic response to her surround-

ings, particularly the activity she noticed around the harbours, beaches and coastline in the area.

In this Exhibition which she has

titled "Taispeántas '07", her inspiration is drawn from the recurring images that appear through the changing seasons - "A cluster of trawlers at sunset", "Reflections on water after a sudden soft shower", "Wild Daisies", "Poppies dancing in the summer breeze" and a host more. Whatever Brid paints, be it boats, flowers, people or places, she identifies and extracts the essential elements, distilling them into a very attractive presentation on canvas.

"I want the viewer to go through the experience with me," she says with the passion of the true artist. "I want them to feel the atmosphere of the busy harbour, to delight in observing dozens of colours in a single bloom, to savour the depth of the shadows of the trawlers at sunset and their reflections on water."

Brid's preferred medium is acrylic on canvas, sometimes adding thin layers of oil colour towards the finish, to accentuate the transparency in areas. She also likes to use mixed media e.g., sand, plaster, paper etc. with the paint to add texture and give

body to my work'. In Ring, Ballinagoul and Helvick, the places of her youth and more recently, Old Parish, Brid has been exposed to some of the most beautiful scenery the magnificent Deise has to offer and it is not difficult to see how she is moved by the beauty around her.

Brid studied at Crawford College of Art & Design in Cork and has travelled extensively in Europe, Russia and America. She established her own private studio in Old Parish in 2001 and has since exhibited regularly in solo and group shows throughout Ireland. Brid has also appeared in several programmes on TG4 and RTE in recent years and her work can be found in many of the major corporate, civic and private collections in Ireland and abroad. Multi talented, highly experienced and an artist to her very fingertips, Brid's new exhibition is a must for anyone with an eye for good composition and may wish to make a wise investment for the future.

## Remove Bushes From Old Railway

— Says Cllr. Ryan  
By Kevin Kirrane

Fianna Fáil councillor Nuala Ryan has repeated her call on Dungarvan Town Council to remove bushes from near the old Railway at Kyne Park.

Speaking at the July meeting of the local authority, Cllr. Ryan said there are ongoing problems with anti-social behaviour in the area, and the residents want the overgrown bushes at one of the house to be removed.

Town Engineer, Tom Rodgers said he would discuss the issue further with Cllr. Ryan to get the exact location of the problem.

## Safe in the Sun

It's nearly the end of July already, and still no sign of the long hot summer that was widely predicted a few months ago. Of course our Irish weather can never really be relied upon, which is why every year many people flock to hot countries (or perhaps just to their local beauty salon) to get that sun kissed look.

Years ago having a suntan was actually considered to be extremely undesirable. In those days, the only people with golden-brown skin were poor farm labourers and servants who had to work outside in all weathers. The aristocrats, on the other hand, could be identified not only by their fine clothes, but also by their very pale skin which resulted from an altogether easier lifestyle.

So the suntan became associated with poverty and hardship, while pale skin denoted wealth and beauty. Ladies in particular would avoid sun exposure and hot fireplaces at all costs, and would even use white powder to accentuate their porcelain complexion. Fashion has changed a lot since those days, but its strange really, considering that tanned skin is in fact damaged skin.

When the skin is exposed to ultra violet radiation, the damage caused triggers specialised cells to produce a brown pigment called melanin which gives a tanned appearance. Repeated exposure to sunlight can lead to malfunction of these cells which results in the appearance of brown spots, patchy pigmentation and an increased risk of skin cancer. The most aggressive type of skin cancer is malignant melanoma which quickly spreads to other organs in the body and is often fatal.

Exposure to UV radiation can also damage the skin in other ways. In the short term there is the risk of sunburn which can be quite severe in some cases. In the longer term, damage to the skin's structure causes a thickened and wrinkled appearance. In some cases, excessive sun exposure can cause a particularly nasty form of eczema called chronic actinic dermatitis in which the skin becomes permanently thickened and inflamed with numerous scabs. So the long term effects of the sun are really not so attractive after all!

Perhaps fashion will change, but in the meantime I would urge anyone planning a holiday to a warmer climate to protect their skin from the sun's harmful rays and to avoid sun beds at all costs. In fact the Irish Cancer Society has recommended a complete ban on the use of sun beds following research which revealed that 7 per cent of Irish people use sun beds.

If you do overexpose your skin to the sun there are some natural ways of helping to repair the damage. Make sure your diet includes plenty of nuts, seeds and wheatgerm which are high in essential fatty acids, zinc and vitamin E which promote healing of the skin. Calendula cream, aloe vera gel or a few drops of lavender essential oil diluted in olive or almond oil are all excellent for restoring the skin after exposure to the sun. Alternatively you can cut open a vitamin E or evening primrose oil capsule and rub the contents into your skin. For best results, all the above ingredients can be mixed together for a very nourishing and effective aftersun treatment.

## Council To Write To Department Over Lismore Fire Station Delay

By Kevin Kirrane

Waterford County Council is to write to the Department of Local Government and Environment over the delays in getting approval to develop a new state of the art Fire Station in Lismore.

The decision comes on foot of a notice of motion from Fine Gael councillor, Declan Doocey at the July meeting of Waterford County Council.

He said the council has acquired a site, and has submitted a design for the station, but now, the Department has requested further information, further delaying approval.

## Unique Exhibition In Lismore Castle Arts

By Kevin Kirrane

Titled/Untitled, the current exhibition at Lismore Castle is an unusual collaborative exhibition bringing together work from the Devonshire Collection and the Rubell Family Collection based in Miami.

The Rubell Family selected works from the Devonshire Collection, while William and Laura Burlington selected pieces from the Rubell Collection. The complex relationships that exist between the collector, the artwork and the passage of time are explored, and the viewer may be prompted to question their own preconceptions of what is meant by the 'historical' and the 'contemporary.'

Many of the works have never been seen in public before, and this exhibition provides an unprecedented opportunity to view work by leading contemporary artists juxtaposed in a unique environment with historical work from the Devonshire private collection. Artists in the exhibition include Darren Almond, Hernan Bas, Thomas Gainsborough, Peter Lely, Joshua Reynolds, Gregor Schneider, and Anthony Van Dyck.

Jason Rubell, son of Don and Mera Rubell comments: "The show is an exciting collaboration, merging the classical and the ultra-contemporary. This opportunity brings together our two families' particular collecting viewpoints and each of our families' relationships to place, time and our geographic positions."

# RECENT DEATHS

## LATE STEPHANIE DOYLE

It is with great sorrow and utter disbelief that we record the untimely death of Stephanie Doyle, 45 Cruachan, Dungarvan and Barrack Street, Tallow following a tragic accident on Wednesday evening 11th July 2007. At the tender age of 16 years, Stephanie was still in the Spring of her life when she was called upon to participate in a greater plan for which we cannot yet concede to.

The much loved daughter of Sharon and David, Stephanie was educated at Tallow National School, Abbeyside National School, Blackwater Community College and Ard Scoil na nDeise.

Stephanie lived life to the full and in her short time on this earth, enjoyed every minute of it. She was an avid reader and loved her sport. Being centre stage never phased her yet she still managed to retain her down to earth approach. A lover of animals, Stephanie embraced every day with a smile and nothing seemed to be too much trouble to one so young.

She loved being involved in things and none more so than

Dungarvan Summer Camp where she attended every Summer for the past ten years and made some wonderful friends during her time there.

Her love of sport also extended to her playing Camogie at all levels for Tallow Camogie Club and her fiercely competitive spirit resulted in attaining two county titles. She had played with all of those players since a young age and those matches and training played a very special part in her life.

The Waterford Senior Hurling Team were also the source of great pride and excitement for Stephanie and she attended virtually all of the matches be they held at Semple Stadium, Paire Ui Chaoimh or Croke Park. Stephanie was to be found following her beloved Blue and White through thick and thin. Her untimely passing has left an irreplaceable void in all our hearts and our personal memories of her will never be forgotten.

Reposing at her residences on Thursday evening at 45 Cruachan, Dungarvan and on Friday evening at Barrack Street, Tallow her removal took place on Saturday morning to the Church of the Immaculate Conception, Tallow where the Funeral Mass was celebrated by Fr. Leader and co-concelebrated by Fr. Callinan, Fr. Moran and Fr. Waldron. The Readings were read by David Doyle and Pat Cremin. Prayers of the Faithful were shared by Robert O'Sullivan, Angela O'Hara, Emer Cremin and Mairead Curtin. The Offertory gifts were brought by Grainne Doyle, Ann O'Sullivan, Kitty McDonnell, Aideen McDonnell and Linda Curley. Both the Tallow Camogie Club and Ard Scoil na nDeise formed very special guards of honour and following prayers and blessings, Stephanie was laid to rest.

The huge crowds which passed

through both houses on Thursday and Friday evening together with those who bade farewell to Stephanie on Saturday morning were a testament to the many lives that she touched.

We offer our deepest sympathies to her parents Sharon and David, step-mum Grainne, step-father James, sister Ella, brother Andrew, grandparents Tom and Angela Doyle and John and Ann Cremin, great-grandmother Maggie Treacy, her special friend Sean, godparents, uncles, aunts, cousins and a huge circle of friends, all of which will miss her dearly.

May she rest in peace. Months Mind Mass Tuesday 14th August at the Immaculate Conception Church, Tallow at 7.30pm.

Funeral arrangements by Aidan Walsh & Sons Funeral Directors, Cappoquin.

## LATE ANN ALLRIDGE

It is our sad duty to convey the news of the passing of Ann Allridge, Knockateemore, Abbeyside at her residence on Saturday last. A Londoner by birth, Ann returned to Ireland in 1970 and was employed at Michael Moloney Hardware for thirty-five years. She was a valued member of the Museum Society, Abbeyside Archives and wrote many articles for the Abbeyside Parish Newsletter.

Our thoughts are with daughters Laura O'Connor, and Marie McWilliams, her sisters Tina Smith (Abbeyside) and Neva Elsdon (England), her brothers-in-law, Alan Smith and Brian Elsdon, grandchildren, great grandchildren, many other relatives and friends. Reposing at the Kiely Funeral Home, removal took place on Tuesday (yesterday) at 9am to St. Augustines Church, Abbeyside for 10 o'clock Funeral Mass. Cremation at the Island Crematorium, Cork took place afterwards.

Full obituary next week. James Kiely & Sons Funeral Directors.

## LATE MARGARET MATTHEWS (NEE DWYER)

Thursday last brought the sad news from Dublin of the passing of Margaret Matthews (nee Dwyer), Sheilmartin Avenue, Marino, Dublin and formerly of 6, Caseyville, Dungarvan at St. Francis Hospice, Raheny. Aged 46 years and a native of Dungarvan, Margaret hailed from one of the best-known local families who are held in high esteem and enjoy the respect of the entire community.

Predeceased by her father, John, brothers David and Pat, Margaret's passing is deeply regretted by her husband, Albert, family Aoife, John and Conor, her mother Mary Dwyer, brothers, sisters and many other relatives to whom we offer our deepest and heartfelt sympathy on their great loss.

Lying in Repose at St. Francis Hospice, Raheny. Mass was offered there on Friday evening last in thanksgiving for Margaret's life. On Saturday morning, Margaret's remains were brought to St. Vincent De Paul Church, Marino for Funeral Mass which was celebrated by V. Rev. Fr. Liam Murtagh PP. Guards of honour were provided by St. Vincent's GAA Club who always enjoyed Margaret's support and loyalty. After Mass with a Garda escort through the

Northside of our capital city, Margaret was brought home to her beloved Dungarvan. Canon O'Mahony PP recited graveside prayers and imparted final blessing as Margaret was laid to rest in St. Mary's Parish Church, Cemetery. The concourse of mourners who had come to pay their respects both in Dublin and Dungarvan left no one in doubt to Margaret's popularity.

Full obituary next week. James Kiely & Sons Funeral Directors handled all funeral arrangements in Dublin and Dungarvan.

## LATE PETER QUEALY

With feelings of great sadness and regret we convey the sad news of the passing at his residence on Monday 9th July after a short illness of Peter Quealy, 82 O'Connell Street. Peter who was a native of O'Connell Street, was in his 79th year, received his formal education at the local CBS and Mount Melleray. Youngest of a family of eight that blessed the marriage of John Joe and Anastasia (nee O'Meara). In his younger days Peter farmed on the Quealy lands on Coolagh Road, although virtually everybody who had the good fortune to know Peter will associate him with his grocery and Bar on O'Connell St. It surely must be one of the oldest businesses in our town, an enterprise that was never bought or sold, simply the baton of ownership transferred from one generation to another.

Over the years, Peter Quealy's became part and parcel of the commercial life of the town. It was patronised by a wide clientele who loved to chat, and debate over a social drink. In by gone days, Peter bottled his own stout and whiskey and bagged his own sugar and tea.

For a period in the early '50's Peter was co-opted on to the local Urban Council where he gave of his best for some time. Peter was a keen horseman, and all his life he rode with Waterford Hunt, West Waterford Hunt and Dungarvan Harriers. He often rode Point to Point particularly at the local meeting in Killosera. He also had a keen interest in greyhounds, although Peter was primarily a horseman, who loved to frequent the various courses throughout the length and breadth of the country. The annual visit to the Cotswolds was also a must.

He had a deep love of the Irish language, a love that was nurtured from his Melleray days. Bhi ard mheas ag Peadar ar an ngaolainn, bhi an tadh leis go raibh oide mar Sean O Curraoin as an Rinn mar mhuinteoir aige. Colaiste Mellaraí fear a bhi tharr barr mar mhuinteoir agus a thug gra don teanga dona daltaí a bhi faoin a churamh.

Only a short few weeks previously Peter mourned the demise of his sister, Tessie Thornton, Drogheda on 29th June.

The passing of Peter Quealy is a milestone for our town, another important chapter in the Old Boro's history concludes. We offer to his wife, Cora, family, brother and many other relatives our deepest sympathy at this time.

Reposing at his residence, Canon O'Mahony PP shared with the family the mysteries of the Rosary on Monday evening. On Tuesday following Prayers recited by Canon Paddy Quealy PE (brother) the removal took place to nearby St. Mary's Parish Church. At church, the Funeral Service was led by Canon Paddy PE. His Lordship, Dr. William Lee presided and a full choir of clergy came to console the bereaved. Canon O'Mahony PP, Fr. Waldron CC, Rev Fr. M Cooney OSA, V Rev Fr. P Cooney PP, Rev Fr. # RECENT DEATHS

## LATE NICHOLAS (NICK) POWER

We learned with great sadness and deep regret of the passing of Nick Power, 31 Lower Main Street, Dungarvan on July 6th at Waterford Regional Hospital after a short period of illness that was borne with true Christian fortitude and courage.

A native of the town, Nick was educated at the Mercy Convent, CBS and St. Augustines College. On completion of his formal education, he took up an accountancy position in the local Leather Factory. Later he transferred to an Administrative Post in Ardkeen Hospital. Snowcream and Southern Refrigeration both based in Waterford also benefited from Nick's expertise. Much of his working life was spent in Dublin where he gave his best for over twenty-five years with Aer Lingus at Dublin Airport. The National Airline could count themselves extremely fortunate to have an employee such as Nicholas Power, his work was his true vocation, he was a great favourite with both management and colleagues alike.

Anybody from Dungarvan or the county who required assistance at the airport, Nick would go out of his way to assist. A true gentleman if there was ever one, no matter how I endeavour to do justice to this fine man in this obituary my words will fall short.

As a Christian Nick was a beacon that provided light to very many who were experiencing dark days. He set up a trust fund for Broken Families in Dublin which provided education and holidays for the children.

A lynchpin in St. Joseph's Young Priests Society he worked tirelessly with the Credit Union movement to assist the underprivileged and downtrodden, and was a friend to those with a drink problem.

A Daily Mass goer he served Mass at the Airport Church, was a Eucharistic Minister and lived the Gospel message in every practical way.

Towards the end of the 80's with the passing of his father, Paddy, Nick returned to his beloved Dungarvan. He was a founder member of the Day Care Centre, supervisor with the local Credit Union, and founder of Care of the Aged in 1991.

A much respected Minister of the Word and Eucharist in the Augustinian Church, every Sunday saw him in Mt. Melleray, a place of pilgrimage where he drew his inspiration and where he deepened his Christian faith.

Highly respected by all, we are all the poorer since his demise, but indeed one of the blessings of life was to know Nick personally.

He loved hurling and football, followed the fortunes of Dungarvan and Waterford with much keen interest. How ironic that the Deise captured a National Hurling title on the day of Nick's

removal to Church.

He was an All-Ireland champion in tenpin bowling, a man who lived a quiet yet very full life who gave so much of himself for the good of others. He loved Dungarvan, and the friends he made in childhood he maintained throughout his life. He enjoyed nothing better than the company of friends at cards in the local Commercial Club. It was a very sad day for those of us who knew Nick, the day of his passing, with his demise we are all the poorer. We tender our deepest and heartfelt sympathy to his brother Fr. Jackie Power OSA New Ross, his sisters Mary, Theresa Blake, Rita Morrissey, brothers-in-law John and Jim, nieces Helen, Mary, Anne, Fiona, Anne and Olivia, nephews Richard and Sean, relatives, extended families and friends.

We gathered on Saturday evening for Rosary and Prayers shared by Fr. Jackie OSA with Fr. Leahy OSA, Fr. J. Hickey OSA, Fr. M. Kelly OSA, Fr. John O'Sullivan OSA, Fr. Seamus Humphries OSA.

On Sunday evening, the Removal from the Kiely Funeral Home took place via Lr. Main Street (Nick's residence) to St. Mary's Parish Church. Fr. Jackie OSA blessed and received the remains assisted by Canon O'Mahony PP, Rev Fr. Paul Waldron CC, V Rev Fr. Ed Cullinane PP, V Rev Fr. P. Creed PE, Rev Fr. J. Curran, Rev Fr. Cooney OSA, Rev Fr. P. Daly OSA, Rev Fr. F. O'Callaghan OSA, Rev Fr. Humphries OSA, Rev Fr. Slaton OSA, Rev Fr. M. Kelly OSA, Rev Fr. M. Leahy OSA, Rev Fr. O'Neill CC New Ross.

On Monday Funeral Mass was offered for the happy Repose of Nick's soul. Fr. Jackie (brother) was chief celebrant with co-celebrants Rev Fr. Gerry Horan OSA (Provincial) Rev Fr. P. Daly OSA, Rev Fr. P. McCarthy OSA, Rev Fr. M. Brennock OSA, Rev Fr. T. Walsh OSA, Rev Fr. Pat Codd OSA, Rev Fr. J. Henneby OSA, Rev Fr. D. Slaton OSA, Rev Fr. M. Leahy OSA, Rev Fr. J. Crean OSA, Rev Fr. K. O'Brien OSA, Rev Fr. N. Cooney OSA, Rev Fr. S. McEvoy PP, Rev Fr. L. Barron PP Mullinavat, Rev Fr. K. Quinn CC, Rev Fr. P. Moran CC, Rev Fr. M. Kennedy PP, Rev Fr. P. O'Reilly OSA, Rev Fr. D. Foley OSA, Rev Fr. P. Waldron CC, Canon O'Mahoney PP, Canon O'Connor PE, Rev Fr. B. O'Brien OSA, V Rev Fr. P. Creed PE, Rev Fr. J. Boyle PE, Rev Fr. J. O'Connor OSA, Rev Fr. Mason OSA.

The Liturgy of the Word was shared by John Blake (brother-in-law), Ann Mullins (niece). Prayers of the Faithful were shared by Fiona Samson, Ann Mullins, Deirdre McMullen, Mary McMullen (nieces) and nephew Sean Blake. The Offertory gifts were brought to the altar by Rita, Theresa, Mary (sisters) and niece Olivia.

A communion reflection was delivered by Br. Declan Power while the huge concourse present included many members of Geraldine O Hanrahans GAA club New Ross and Sean Connick TD New Ross.

It would be remiss of me not to acknowledge the very warm tribute paid to Nick at the Funeral Home by his life long friend and neighbour Billy Goode.

Predeceased by his parents, Paddy 24th Nov 1987, and Ellie (nee Sheehan) 13th Dec 1967 and sister Helen 1947 we know that he has gone to join them in their heavenly home.

Lord, thank you for Nick Power, we ask you to grant him a well and truly merited eternal rest.

Months Mind Mass for Nick Power will be celebrated on Monday September 3rd 10am in the Friary.

James Kiely & Sons Funeral Directors.

## LATE NIALL O'RIORDAN

We were greatly saddened to learn of the passing in Dublin of Niall O'Riordan 89, Childers Estate, Dungarvan and Dublin who was aged 28 years and son of Liam and Siobhan (nee Kirby). Working in Dublin and renowned for his knowledge of computers, Niall was educated at St. Joseph's National School and CBS Secondary School. Niall loved his music and was a disc jockey in various clubs.

He was an avid reader, loved movies and especially of family and friends. He was very much into body building and continually looked for a challenge physically and intellectually. He also had a keen interest in American Touch Football. He travelled quite a lot which was a vital part of his employment. He tried everything from an early age, shooting, fishing, fly tying, calligraphy, scuba diving and rugby. Only the very best was good enough for Niall, he took great pride in his appearance and clothes and his food and wines were also so important to him.

Sadly he has left us all too soon, a person who gave of the best of himself was great company and fun and was noted for his brilliant insightful conversations yet he wasn't afraid to show the soft side of himself which made his family love him all the more.

Reposing at the Kiely Funeral Home the removal took place to St. Mary's Parish Church on Thursday morning last for 11 o'clock Funeral Mass which was celebrated by Canon O'Mahoney, P.P. The Lessons were read by Cormac (brother) Jenny (sister-in-law) and Deirdre (cousin).

Prayers of the Faithful were shared by Marlene Kirby (aunt), cousins Raymond Kirby, Sarah Daly, Deirdre and Claire O'Riordan and girlfriend Susan Farrell.

Beautiful music was provided by Dina Walsh, Ballymacmague. Following Funeral Mass the interment followed in the old Churchyard Cemetery where Canon O'Mahoney, P.P., officiated at the graveside.

We sympathise with his parents Liam and Siobhan, brothers Eric and Cormac, sister Sonia, sister-in-law Jenny, brother-in-law, Mike O'Keefe, grandmother Joan Sandford-Kirby, his uncles Francis Kirby, Joseph, Michael, Oliver, Tom O'Riordan, aunts Marlene and Ena Kirby, Peggy O'Riordan, Maureen Redmond, Kay O'Riordan and Joan

Hancock, his nieces, nephews, other relatives and friends.

# IN MEMORIAM

**COWMAN** — Sixtieth Anniversary — In loving memory of James and Alice Cowman, late of No. 4, Cathal Brugha Place, Dungarvan who died in July and August, 60 years ago.

Isn't it strange that those we need,

Are those we love the best;

And just the ones that God needs too,

And takes them home to rest.

I miss you because I loved you,

To me you were dearer than gold,

No treasure can ever replace you,

Your memory will never grow old.

(Never forgotten by their daughter Birdie).

**CONDON** — Sixteenth Anniversary — In loving memory of my dear Mam, Nora Condon, late of Parkdolia, Tallow, Co. Waterford who died on July 23, 1991. R.I.P. Mass offered.

Memories are the loveliest things,

They last from day to day,

They can't get lost, they can't wear out,

And they can't be taken away.

Will those who think of Mam today,

A little prayer to Jesus say.

(Always remembered and never forgotten — your loving son Jim, grandchildren, great-grandchildren and great-grandchildren xxx).

**FOLEY** (née Moloney) — Sixth Anniversary — In loving memory of my sister, Sheila Foley, late of 32, O'Connell Street, Dungarvan who died on July 30, 2001. R.I.P.

As down the road of memories,

We gently tread today,

Our loving thoughts are with you

As life goes on its way.

Time may heal the heartaches,

Like the smile that hides the tears,

But happy memories keep you close,

Despite the passing years.

(Sadly missed by your sister Ann, Jack, Bryan and Carol).

**FOLEY** (née Moloney) — Sixth Anniversary — In loving memory of my sister, Sheila Foley, late of 32, O'Connell Street, Dungarvan who died on July 30, 2001. R.I.P.

Remembering you is easy,

We do it every day,

Missing you is the heart-ache,

That will never go away.

(Always remembered by your brother Michael and Berna, niece Maria and Tom, grandnieces Michelle and Clodagh).

**IVERS** — Tenth Anniversary — In loving memory of Bridget Ivers, late of 30, Caseyville, Dungarvan, who died on August 1, 1997. R.I.P.

No special day is needed,

For us to think of you,

For you were very special,

And we thought the world of you.

No matter how our lives may change,

Or whatever we may do,

We'll never forget the happy years,

That we spent with you.

(Always remembered by Margaret, John, Aaron, Jamie, Gavin and Seán).

**JOYCE** — Thirteenth Anniversary — In loving memory of a dear father, Michael Joyce, late of 74, Childers Estate, Dungarvan who died 31 July, 1994.

**AFTER GLOW**

I'd like the memory of me to be a happy one,

I'd like to leave an after glow of smiles when life is done,

I'd like to leave an echo whispering softly down the ways,

Of happy times and laughing times, and bright sunny days,

I'd like the tears of those who grieve, to dry before the sun,

Of memories that I leave when life is done.

(Always remembered, your loving son William, Carol and grandsons Kevin and Dylan).

**JOYCE** — Thirteenth Anniversary — In loving memory of a dear father, Michael Joyce, late of 74, Childers Estate, Dungarvan who died 31 July, 1994.

As long as I live I will always be glad,

For a wonderful father I was lucky to have,

A wonderful person with a heart of gold,

His loss to me can never be told.

When I am sad and lonely,

And things are going wrong,

I seem to hear you whisper,

Cheer up and carry on,

And when I see your photo,

You seem to smile and say,

Don't cry, I am only sleeping,

We will meet again some day.

(Always remembered, your loving daughter Mary, Matt and granddaughters Natasha, Clodagh and Aoife).

**JOYCE** — Thirteenth Anniversary — In loving memory of my dear husband, Michael Joyce, late of 74 Childers Estate, Dungarvan who died on July 31, 1994. Anniversary Mass in Clashmore Church on Sunday, July 29, at 11 a.m.

There is no night without a dawning,

No winter without a spring,

And beyond death's dark horizon,

Our hearts once more will sing.

For those who leave us for a while,

Have only gone away,

Out of a restless, careworn world,

Into a "brighter day."

(Always remembered by his loving wife Helen and son Michael).

**JOYCE** — Thirteenth Anniversary — In loving memory of Michael Joyce, late of 74, The Green, Childers Estate, Dungarvan who died 31 July, 1994. R.I.P.

Our thoughts are always with you,

Your place no one can fill,

In life we loved you dearly,

In death we love you still.

We know you walk beside us,

And when our lives are through,

We pray that God will take our hands,

And lead us straight to you.

(Never forgotten, your loving son John, daughter-in-law Margaret and grandsons Aaron, Jamie, Gavin and Seán).

**ORGAN** — Twenty-second Anniversary — In loving memory of a dear brother, Michael (Far) Organ, late of 15, McCarthyville, Abbeyside who died July 23, 1985. Masses offered. May he rest in peace.

It isn't what we write,

Or even what we say,

It's how we feel inside,

As we think of you today,

You always had a smile to share,

A laugh, a joke, a time to care,

No longer in our lives to share,

But in our hearts you are always there,

A wonderful person warm and true,

These are the memories we have of you.

(Always remembered — from his loving family at home and away).

**O'DONOVAN** — Third Anniversary — In loving memory of a dear mother and grandmother, Joan, late of Shrough, Lismore, who died on July 24th, 2004.

You never miss the sunshine,

Till the evening shadows fall,

You never miss loved ones,

Till they are gone beyond recall.

So be forever with him, Lord,

Hear him should he call,

And light a star above his grave,

When evening shadows fall.

In heaven one day I will find you, David,

And all this hurt will go,

I've missed you so.

Away in the beautiful land,

with God,

In a valley of peace so fair,

Some day, some time, dear mother,

We will find you waiting there.

We will know your voice in the heavenly crowd,

And your steps on the streets of gold,

And the same sweet smile on your face,

We knew in the days of old.

Deep in our heart you will live forever.

## Civic Amenity Collections Mark Annual Waste Fee Climbdown

- Says Ó Ceilleachair

BY KEVIN KIRRANE

A new pricing arrangement, whereby waste normally presented for wheelic bin collection, can be presented at the Civic Amenity site in Dungarvan for collection at a cheaper rate, was described as a climb down on the annual waste charge by Labour councillor Fiachra Ó Ceilleachair at the July meeting of Dungarvan Town Council.

Householders had been forced to pay a controversial annual flat fee charge plus the tag for each stream of waste collection.

However, under the new system, householders can present their domestic waste for the cost of a €7 tag without having to pay the annual fee at all.

"In my view, its an

acknowledgement from the county council that they were wrong to implement an annual standing charge because it has obviously lead to people not presenting their rubbish," Cllr. O Ceilleachair said.

"It seems strange that the council would cause so much bother in the annual estimates by bringing in both the standing charge and the weekly charge and then bring in a system whereby you don't have to subscribe to that at all.

"You now have waste lorries passing people's doors that won't pick up your bag there because it doesn't have the correct stickers on it.

"Yet, when the lorry is gone, an hour later, you can go out to the landfill site and actually leave the

bin out at a cheaper rate.

"I see it as the council acknowledging the mistake of having these very heavy charges in place and I also see it as a climb down which might actually work to the benefit of the town in terms of waste management and making sure that as much waste as possible is dealt with.

"It's my view, that the standing charge and the weekly tags are actually punishing people for segregating their waste. And I

also feel that the charges in place are a discouragement as well.

"In as much as it is now cheaper and more possible to bring your own rubbish to the bin, I can see some positives in that.

But ultimately, when it comes to October or November and the council prepares their estimates, I'll be calling for a major change and a major review in the annual standing charge especially."

## Popular Amenity Area Should Be Cleaned Up

BY KEVIN KIRRANE

A popular amenity area should be cleaned up as soon as possible, according to Sinn Fein councillor, Brendan Mansfield who was speaking at the July meeting of Dungarvan Town Council.

The area around Abbeyside Beach needs to be urgently cleaned up, he said. It is popular with walkers, and he himself saw twenty-two people walking in the area in the space of twenty-two minutes.

"It's a popular amenity area but it's in a terrible condition. We need to turn it into a proper and suitable amenity."

Fianna Fail councillor, Nuala Ryan, meanwhile, called for a litterbin to be put in place. She said there used to be a barrel there for people to discard their rubbish but was that was no longer in place. She also was in favour of putting permanent seating on the beach for the elderly.

She went onto call for something to be done at the junction of the soccer pitch road to prevent boyracers from speeding in the area.

Town Engineer, Tom Rodgers confirmed to Cllr. Mansfield that designs for the Beach are being drawn up, and something is hoped to be done there.

Mr. Rodgers also said

Waterford County Council is looking at doing something at the junction to improve the design from a safety standpoint in the long term. He said a design will come before the council for approval.

As for a bin, he said the issue isn't as simple as just putting a bin in place. The last bin was burned down twice, and any new bin is likely to be burned down again. But it is something the council will examine.

## Short Staffed Council Leads To Roadworks Delays

BY KEVIN KIRRANE

Fine Gael Mayor, Damien Geoghegan criticised Waterford County Council for failing to carry out a number of works in the agreed roadworks programme.

He said this included one area, Fenian Place, where it was agreed to carry out roadworks for 2006 but which still haven't been carried out halfway through 2007.

"It's time now for Waterford County Council to get the finger out. We in Dungarvan Town Council are delivering but the county council is not."

He said if this continues Dungarvan Town Council should look to the possibility of putting the tender for roadworks out to contract. He went on to call for a written report on the situation for the September meeting.

Responding to his comments, Labour councillor, Billy Kyne and Sinn Fein councillor, Brendan Mansfield said they would oppose any move to privatise the service.

Meanwhile, Town Manager, Denis McCarthy said he has arranged a meeting with the County Engineer, and it emerged that 3 people looking after the Dungarvan area were all indisposed for some time.

"The council is severely short staffed," he said.

## Serious Parking Problems At Sexton Street

BY KEVIN KIRRANE

Residents of Abbeyside's main thoroughfare, Sexton Street, are forced to park half a mile away from their homes because of the serious parking problems on the street. That's according to Sinn Fein councillor Brendan Mansfield who raised the issue at the July meeting of Dungarvan Town Council.

Cllr. Mansfield called for residents parking permits to be introduced in a bid to fix the problem, which has been ongoing on both sides of the street for a number of months.

## Dangerous Junctions On O'Connell Street To Be Looked At

BY KEVIN KIRRANE

Dungarvan Town Council plans to build out the curbing on three dangerous junctions on O'Connell Street in a bid to resolve the traffic and safety problems.

The junctions at Walsh's Spar to the entrance to Dungarvan Shopping Centre, and the junctions at Whites Orchard and Davis Street will all be looked at under the plans, Town Clerk, Joe O'Flaherty told the July meeting.

His comments followed safety concerns expressed by Fianna Fail councillor, Anne Marie Rossiter.

Designs are being drawn up and it is to go to Part 8 to allow for submissions before coming back to the council for approval. The curbing would be built out to give vehicles a better view, and would be built where there are already existing double yellow lines.

He hoped that something could be put in place by the end of the year.

Meanwhile, a report will be presented to the council about a possible change to the traffic flow in Gratten Square at the next meeting of the Town Council by the Town Clerk.

## Little Angels Pre-School Dungarvan

*Little Angels Spread Their Wings – The Class Of 2007 From Little Angels Pre-School  
Pictured With Jennifer, Catriona and Michaela*

Our children took part in their toddle waddle for their second year running. The excitement of the day saw us journey to the end of the estate where the children each made a wish and tied their balloon to the railings.

They enjoyed throwing a handful of confetti to the wind. The children and their families raised much needed monies for the children's charity Barnardos, www.barnardos.ie. Well done to you all for raising €560 which was another increase on last year.

On behalf of all the staff, Jennifer, Michaela,

Eithne, Valerie and Catriona, we would like to say a fond farewell to all the children who are moving on to primary school, slán, slán. A special thank you to all the parents and guardians for their help and support throughout the year. The children's end of year trip to the playloft was a wonderful outing for everyone.

The presentation of certificates and scrapbooks and picture memories of the year to the children and their parents was a lovely occasion. It's been a wonderful end to a very successful year. Thanks for all the happy memories.

## Mortgage Matters By IFG Mortgages Dungarvan

**Because mortgage interest rates have increased is a fixed rate mortgage a good idea?**

Fixed rate mortgages have become very popular, especially in the last 18 months because of the variable interest rates increasing on eight occasions over this period. A fixed rate mortgage means that the interest rate of your mortgage is fixed for an agreed length of time, this means your repayments will not increase or decrease during this time which is normally 1-10 years and you can budget much easier for your mortgage repayment.

Fixed rates are very competitive at the moment eg lenders are quoting a 2 year fixed at 4.79% a 3 year fixed at 4.84% and cheapest variable rate is 5.10%. Most people would choose a fixed rate when it is very close to the variable rate much higher than the fixed rate.

The disadvantages to a fixed rate are that if rates reduce you are paying more every month than if you were on a variable/tracker rate. The longer the fixed rate term the higher the rate eg a 2 year fixed in the above example is 4.79% whereas a 10 year fixed would be 5.60%. If you were to pay off your mortgage or pay a lump sum off your mortgage during the fixed rate term lenders usually charge a penalty which can be substantial. However, if you want to pay a lump sum you can wait until the fixed rate term is up and then pay off the lump sum without paying a penalty. If you are on a variable rate and want to look at your fixed rate options simply contact your broker IFG Mortgages Dungarvan to discuss your fixed rate options.

Your mortgage broker will show you all the lenders in the market so the best rate is chosen. By going directly to your bank they will not give you impartial advice as they only deal with one lender and one mortgage protection provider. You can change to a fixed rate mortgage at any time when you are on a variable rate. The main advantage you have with a fixed rate is that you have peace of mind because your monthly repayment will stay the same during the fixed rate term and in an increasing interest rate environment this will greatly benefit you.

At present, there are a number of lenders offering customers the opportunity to move their mortgage to them with free legal fees or cash inducements. Make sure that there is a genuine saving in doing this as there are clawback of legal fees and cash if you move your mortgage within a period of time which will end up costing the customer more in the long run.

If you have any questions or queries please contact Peter Quealy @ IFG Mortgages, Dungarvan at 058-20060 or email  
For an all round better deal, why go anywhere else.

## LISMORE CRICKET CLUB

### LISMORE OUTWIT UCC TO ADVANCE TO MINOR CUP SEMI FINAL

In a splendid display of craftsmanship and high quality cricket, Lismore presented a highly professional performance to remove UCC from this years Minor Cup and advance to a semi final berth as they defend last years thrilling success.

With conditions likely to be bowler-friendly, the students took the questionable decision to bat first after winning the toss. Ian Haynes opened the attack with a maiden from the pavilion end, and Brian Power opened from the soccer field end. Power took the first wicket, when one of the openers tried to sweep and hit the ball off the back of the bat. Martin Finn took a good catch at first slip. In Power's next over, the other opener tried the same shot, and this time the top edge fell into the hands of Barry Brady at short fine leg, and UCC were two down. The next pair, Naveed and Patel, consolidated in the face of tight bowling from Power and Jon Russell, who had replaced Haynes at the pavilion end, and after 10 over the students had limped to 11 for 2. Russell bowled with his usual accuracy, conceding just 6 runs off his 5 overs, and was unlucky to remain wicketless, having beaten the bat with regularity. Keith Barry came on from the soccer field end and it was he who broke the partnership with Naveed getting a thin edge to David Campion behind the stumps. Skipper Sunil Monga brought himself on from the pavilion end and he soon had the student in a spin as the clean bowled two and had another LBW to obtain figures of 3 for 3 in his 4 overs. UCC were now in big trouble at 35 for 6 and Patel, fearing being left stranded, hit out at Keith Barry, pulling for 6 to record the only boundary of

the innings. When he tried to repeat the shot later in the over, he found the top edge, and David Campion was quick out of the blocks from behind the stumps to take a good diving catch just before the ball hit the ground. Skipper Monga then re-introduced Power in an attempt to polish off the innings, and soon another top edged pull shot yield a wicket, the skipper taking the catch at square-leg. It was Barry Brady who wrapped the innings up, firstly via a stunning slip catch by Ian Haynes and then by clean bowling the last man to record figured of 2 for 3. UCC were all out for 46, a poor total even in the bowler-friendly conditions.

When Lismore came to bat, opener David Campion was in a hurry to get on with things, and hit 9 runs off 5 balls before giving the wicketkeeper an easy catch from yet another top-edged pull shot. Martin Finn and Killian McLoughlin batted sensibly and brought the total to 34 before Finn was run out for 12 by a direct hit from the boundary going for a second run. McLoughlin and Richard Tonks hit a 4 and a 6 respectively, and a single each brought the scores level. Then the Lismore batsmen got a case of the jitters, with McLoughlin being bowled by Naveed for 11. Two balls later, Mark Arden was out LBW and then Barry Brady was out first ball. Sunil Monga saw off the remaining two balls of the over, but Naveed had a triple wicket maiden and Lismore had lost three wickets with the scores level. Tonks kept his head to hit the winning run in the next over, and Lismore were through to the semi-final. The team was Sunil Monga (captain), David Campion, Martin Finn, Killian

McLoughlin, Richard Tonks, Mark Arden, Barry Brady, Sunil Monga, Brian Power, Keith Barry, Jon Russell and Ian Haynes.

On Saturday a Lismore XI entertained Wickham St. Paul's from Essex, touring Munster for the second consecutive summer. The tourist brought very different weather with them this year compared to when they played in Lismore last July, and given the weather forecast it was lucky that any cricket was played at all. Lismore gave debuts to Ger and Matthew Mulcahy, father and son of a family re-settled near Ballynoe after spending some years in Australia. The tourist sportingly invited Lismore to bat first, and Mark Arden, Ian Haynes, Brian Power and John Ind all reached double figures as Lismore were bowled out for 82 on a difficult pitch. As the players were taking tea, the heavens opened and the rain that had been threatening all day finally came. The downpour was such that the square soon had deep puddles on it. As it was clear that no further play would be possible, the tourist instead decided to sample the hospitality of Lismore's public houses. The team was Mubbin Ashraf (captain), Mark Arden, Lindsey Martin, Ian Haynes, Sunil Monga, Brian Power, Ben Martin, John Ind, Matthew Mulcahy and Ger Mulcahy.

Meanwhile the Lismore Under 11 team started their season last Thursday with a home game to Clonmel. Bowling first, Lismore restrict Clonmel to 63 off the 16 overs, with Patrick Crowther (1 for 14) being the pick of the bowlers. Skipper Rory Turner and Robert Cashman also bowled well, going for 13 and 14 runs respectively off their 4 overs, and

Jessica Haynes gave a very neat display with the gloves. Luck wasn't with Lismore when it came to bat, however. Although opener Ben Willoughby carried his bat for 11 runs, wickets fell at the other end. As the older and more experienced Clonmel team applied the pressure, Lismore could not keep up with the run-rate, and were finally bowled out for 47 to give the Suirsiders victory by 16 runs. Hopefully lesson will have been learnt for the return game on Tuesday evening. The team was Rory Turner (captain), Ben Willoughby, Robert Cashman, Jessica Haynes, Evan Mahon, Patrick Crowther, Ben Hitchman and Jamie Keating.

Next weekend features a Division 3 tie at home to Kerry County, a match that Lismore should win and the following day the home club welcomes Mount Juliet from Kilkenny for a friendly.

Then on Sunday August 5<sup>th</sup>, the real competitive action begins in the form of SUPER 7's cricket and high drama is assured as the teams battle it out throughout the day culminating in an evening final to win the specially commissioned Waterford Crystal SUPER 7's trophy.

This quick fire format means that each team will play one another with each game lasting less than one hour. Food and drink will be served throughout the day as the players and spectators alike soak up the atmosphere and enjoy the Irish conditions. Then the two leading teams will compete in the final in and around 6pm on Sunday evening in the Festival 2007 decider.

As always, all are welcome to attend the games at the Castlefarm which will be free of charge, and a large attendance is expected for the SUPER 7's on Sunday, which will be the highlight of the weekend.

Further details on the various teams are expected in the coming days, and with a scorching August predicted for the South East, Lismore will be the place to be this August Bank Holiday weekend. Until next time, keep the willow swinging (The Nightwatchman)

## LISMORE CAMOGIE NOTES

### UNDER 12 COUNTY FINAL

Our u12s played the County final on Monday evening last in Bushy Park. Their opponents were St. Annes. Indeed this was a very strongly contested game from the very beginning. St. Annes opened the scoring with a point from a free in the first five minutes, this St. Annes team was a much more improved team from the first time we played them in the rounds leading up to the final, both teams fought tooth and nail to get the ball. Five minutes later Lismore opened their scoring from a well taken free from the sideline with a beautiful point from Clara aArrens, this continued to be the pattern for the rest of the first half, with Clara scoring two more points from frees without reply from St. Annes.

The second half began with both teams coming out with all guns blazing, but again it was St. Annes who opened the scoring in this half with a well taken point. Lismores back line were under severe pressure at his stage as St. Annes were beginning to attack this area, before long the ball hit the back of Lismores net, now St. Annes were two points up. It was then Lismores turn to be on the attack, Lismores forwards were fed from mid field on several occasions, but were very unlucky to score as the St. Annes backs were very strong and detremined not to let in a score. The final score was St. Annes 1 - 2 Lismore 0 - 3.

The club would like to take this opportunity to thank all the girls who put in a great effort in this match each and everyone of them worked hard in this game and are proud of them. Thanks to the many supporters who turned up to cheer on the girls it meant alot to them. Finaly thanks to Jo. Jo. and Anne Marie who gave up their spare time to train these girls.

On Thursday evening last we travelled to neighbours Clashmore for a very well organised and enjoyable tournament. In the group stages we had well contested wins over The Brickies and Ardmore which saw us through to the 'A' final against hosts Clashmore, and what a final it turned out to be. Both teams gave their all and there was some terrific hurling, at the end of full time it was impossible to separate the teams with the final score of 2-1 a piece. Two five minute halves of ferocious effort and hurling followed with both teams giving their all. In the end it was Cappoquin who won out by a single point in a game that neither team deserved to lose. Jason Molumby accepted the cup on behalf of the team and gave three well deserved cheers to Clashmore. The panel of players on the night were: Matthew Noonan, Ciaran Power, Jack Coffee, Jordan Carney, Ross Murphy, Laura Murray, Jason Molumby, Tadhg Buckley, Keith O'Sullivan, Cian Murphy, Evan Murray.

## Local Women Take Part In The Flora Mini Marathon

On Monday the 4th of June Sylvia Casey, Gina Dunne, Una McCarthy, Cara McGrath, Breda O'Connell and Michelle Walsh joined the many thousands of women partaking in the Flora Mini-Marathon in Dublin.

The girls have chose the Peter Bradley Foundation for their Charity whose mission is "to enable people with an Acquired Brain Injury (ABI) to live an independent life in the community by providing and maintaining a supportive living environment."

For those of you who don't know - a Brain Injury is for life and is often referred to as a silent epidemic as people often look fine but can have many hidden problems which can affect their ability to resume their previous lifestyle.

A Brain Injury can affect a persons:  
Personality; Understanding of a situation  
Memory; Judgement  
Speech & Language; Mobility

A Brain injury can also affect a persons ability:  
to cope with pressure - to concentrate  
to organise oneself - to handle money

As a result individuals and their families can face enormous financial and emotional strain and there is a huge lack of community support services designed for this distinctive group.

In Ireland over 13,000 people Acquire a Brain Injury per annum. 75% of those with ABI are between the ages of 18 and 35 and are men. With on going advances in surgical procedures and technology more and more people are surviving, those affected by ABI have a normal lifespan.

The girls took in the part in the Mini-marathon to help raise funds for the Peter Bradley Foundation to aid them in their quest for independent living for those with ABI. Though the day was not particularly good, the couple of heavy showers did not sway the girls from their goal. A thoroughly enjoyable time was had by all and a grand total of € 1487 was raised toward this worthwhile cause. Breda, Cara, Gina, Michelle, Sylvia & Una would like to thank all who supported them in their fundraising and will see you all again next year!

## TOURANEENA RACQUETBALL NOTES

### Touraneena Trio Go In Search For European Glory

On Friday morning next, 3 of Touraneena's fine young athletes will fly to the warmer climate of Italy where they will be part of the Irish Senior Racquetball Team that will be competing in the European Championships. Triston Hickey will join forces with the Skehan sisters Julie and Eithne and they will head for the city of Brembate near Milan for what promises to be a highly competitive week of racquetball.

Triston leads up a very strong Irish men's Team where he will play in the first singles slot. His team mates are Adam Neary from Arklow who plays second singles while 17 times National Singles champion, Noel O'Callaghan from the O'Loughlins club in Kilkenny will partner Arklow's Jimmy Gannon in the doubles match. With the event been ran every 2 years, the Irish team will be hoping to win their third team title in 4 attempts. In 2001, they won in Castlebar; they regained the title in Zootemeer, Holland in 2003 while they finished in 4th place in Hamburg in 2005.

Triston will be one of the hot favourites for the Individual Singles title, a title that has never been won by an Irish player. His training has gone very well over the last few weeks and he won't lack confidence on the big stage. In the individual Doubles grade, Triston will partner Adam Neary and again they will feature in a lot of people's top 3 predictions for the eventual winner's trophy.

Julie Skehan, Triston Hickey and Eithne Skehan

Eithne will play first singles for the Women's Team while Julie will play the doubles rubber with Templederry's Helen Shanahan. The final piece of the quartet is O'Loughlins' Bernie O'Callaghan who will line out in the second singles slot. The Irish women will be hoping to record a hat-trick of European titles after recording fine victories in Zootemeer and Hamburg respectfully. In a completely new team from the last victorious team, Julie and Eithne will be hoping to emulate the outstanding success of their club mate, Niamh Coffey who was a member of both of the last 2 victorious teams.

Both players will also play in the Individual Singles grade while they will then team up to compete in the Individual Doubles. Competition will be stiff in both with the likes of Germany's Yvonne Kortes in flying form at the moment but the Touraneena sisters won't shy away from a challenge and could well be there when the athletes step on the podium at the closing ceremony. Eithne will also be eligible to play in the 18+ under singles grade where hopefully she will make it a second consecutive Irish and Touraneena winner of the grade again following in Niamh Coffey's footsteps.

Everybody involved in the club would like to wish the three players the very best of luck in their quest for European glory and hopefully they will all add to their fastly growing list of achievements.

### Happy Holidays Sarah

Happy Holidays to Sarah Ledingham presently on holiday in Germany hope, you have a lovely time Sarah.

### Sympathy

Our deepest sympathy is being extended to Shanacoole lady, Mrs Ann Kelleher, also to her mum Margaret and her brothers John, Don, Anthony, and Norman sisters Mary Carmel, Valerie, and Louise and all her family on the death of her dad, John O'Leary. John died peacefully on Thursday July 19<sup>th</sup> last following a long illness during which he was lovingly cared for by his wife and family.

Reposing at the family home in Knockacur Doneraile, John's removal took place the nearby by church of the Nativity of the Blessed Virgin Mary on Saturday evening. On Sunday morning Requiem Mass was offered for the happy repose of John's soul. In his homily Fr Sheehan spoke fondly of this remarkable man whose high standing in the

community was verified by the huge crowd present. This beautiful post communion reflection, read by John's daughter, Louise, sums up this dearly loved man - who was John O'Leary

### "A Poem about Our Dad"

Here is a poem  
About you Dad  
A man of simple needs  
A gentle, loving caring man  
We learned from your good deeds

Your early years were on the land  
You did not boast you weren't grand

Working hard for all you life  
Beside you was your loving Wife

Then in your shop you'd have a chat

For all who came and went  
A nod, a wink, a laugh, a joke  
Your smile was heaven sent  
"Who'll win the first?"

You used to say  
"I fancy number three"

At Ascot, Aintree,

Leopardstown

And what about Tralee?

Another of your passions

Was playing forty five

"Shuffle the cards", who's deal

is it?"

It made you come alive

You were so strong; you were

so true,

Your life had many parts

You touched our minds, You

touched our lives

Put light in to our hearts.

Following Mass, as the funeral

courage left on its final journey

to take John to his final resting

place in Oldcourt Cemetery,

along the way it paused for a

moment outside the families'

former home - "Bridge House"

- once the residence of the

renowned Canon Sheehan of

Doneraile.

Ar dheis De go raibh a anam.

#### U8 Hurling Tournament

Last Wednesday evening saw six teams participating in the Tournament in which the Pa Cunningham Memorial Cup was played for. There was plenty of excitement during the evening and no doubt some of these hurlers will go on to greater things. The final which featured Clashmore against Affane, turned out to be a battle of epic proportions. At full time, the teams were level, which meant that extra time had to be played. Right up to the last minute we thought that there was going to be no dividing the teams,

however, Affane edged ahead by one point to clinch the title in the dying seconds of the match. The Cup was presented to the winning captain by Babe Cunningham, and also present was Kathleen Collins, both sisters of Pa. Players of this age group would not remember Pa, but he would have been delighted to see the enthusiasm and fun that was enjoyed by everyone last Wednesday evening. Out thanks to the organisers, and also to the tea and sandwich makers for their excellent spread and to everyone who helped on the night. A special word of thanks to Vinnie Coonan of Coonans Quik Pick, Piltown and Clashmore for his very generous sponsorship of the Tournament.

#### Training

There will be no training next week, for the U8 and U-10 as the summer camp will be taking place.

#### VHI CUL CAMP

The summer camp starts in Clashmore on Monday next 30<sup>th</sup> July. The camp lasts from 10.00 a.m. to 2.30 p.m. each day and numbers this year are well up on last year. All children should bring with them a helmet, hurley, packed lunch and plenty of drinks. Make sure that kit bags have childrens names clearly visible, if they are bringing their Cul Camp kit bag with them. Hopefully the camp will not become a casualty of the weather, and that all children will enjoy the camp.

## MODELIGO NOTES

### PATTERN PREPARATIONS

The pattern committee are busily preparing for the annual parish pattern. This year the events will be staged over the 3<sup>rd</sup> weekend of August - Friday 17<sup>th</sup>, Saturday 18<sup>th</sup> and Sunday 19<sup>th</sup>, and the organisers hope that there'll be something for everyone over the weekend. There will be live music at Deckie's on Saturday (Bealtaine) and Sunday (Pat Tobin) nights: on Saturday night there will be a special draw for a Winter Holiday for two to be won on the night, as well as the annual BBQ, which proved such a success in recent years.

On Friday night, a 45 Drive will be run at Deckie's with a guaranteed prize fund of €250. Also on Friday, there will be a Kiddies Disco in the Community Centre, beginning at 7.30pm. Sunday will see the holding of the children's sports/novelty events at the Sportsfield: proceedings will get underway at 1.30pm with the Fancy Dress parade; the suggested topics are: Occupations, Current Interest, Humorous and Characters from Books: so young people get cracking and come up with bright ideas!

### RACE NIGHT

Get your sporting weekend off to a flying start at Deckies on this Friday night (27<sup>th</sup>); Modeligo GAA club are staging a Greyhound "race nite" with €1,000 on offer for correct combination on selected race, also Buster draw will take place on the night. You can purchase your combinations from any club member, so do come along for a good night's craic and lend your support to the club. Comhghairdeachas to club member Tom Lonergan, and his wife Catherine on their recent happy event - the arrival of their first-born, a baby boy, Jack.

### MUNSTER FINAL

The County Intermediate Hurlers left it fairly late at Thurles on Wednesday last before scorching past opponents Limerick. It's their first-ever Provincial title at this level. Congratulations to corner forward Pat Fitzgerald (Newtown) on winning a well deserved Munster medal.

### I-TO-I

I-to-I is an organisation which undertakes development projects in some of the world. Recently Michael Tobin (Chapel Road) travelled with a group of volunteers to Costa Rica to partake in a building programme aimed at providing some basic housing needs for a number of families in a remote part of this extremely poor Central American republic. Tools and materials are of the most basic nature, working conditions are very difficult in an area of fierce heat and monsoons. Best wishes to Michael and his fellow workers who will pass on some basic building skills to the people of the village in which they are based.

### CRANNCHUR AITUIL

Uimhreacha na seachtaine: 2-6-11, no winner. 4X€25 winners: William O'Brien, Kilmolash, Nancy Kiely, Sleady; MI Henneby, Ceapach Chuinn, and Packie Cotter. Next week's jackpot: €3,300.

## Dungarvan Leader - this week in the garden

# What to do with a town garden

MANY people who are too lazy to make an effort in the garden say it is because it isn't big enough to do anything with but that's no excuse!

Follow these top tips on how to make a gardener's paradise out of barely enough space to swing a cat.

Town gardens can be a nightmare to deal with if you don't have the right know-how. Most are small in size and mainly covered with concrete.

But they do have their advantages - because they are surrounded by houses, they are sheltered from harsh wind and rain.

Also, the brick walls and concrete slabs on the ground keep the earth warm, attracting many creatures and plants which thrive on that type of environment. It's all a case of picking and choosing. A lot of plants have dwarf varieties which are more suitable for a town garden environment.

And even vegetables can be grown in tiny areas if you choose the right types and species.

Follow this advice for maximising the potential of an enclosed town garden.

- Trail runner beans up a trellis against a wall, both for the beans and exotic scarlet flowers.
- Sow climbing nasturtium and let it wan-

der among your shrubs; chop the leaves and flowers and use them raw to pep up a salad.

- Train Merton Thornless, a luscious, big blackberry, along rear fences.

- Plant tomatoes, aubergines, cucumbers, peppers, courgettes and lettuce in growing bags or, for an even better display, in 10in tubs.

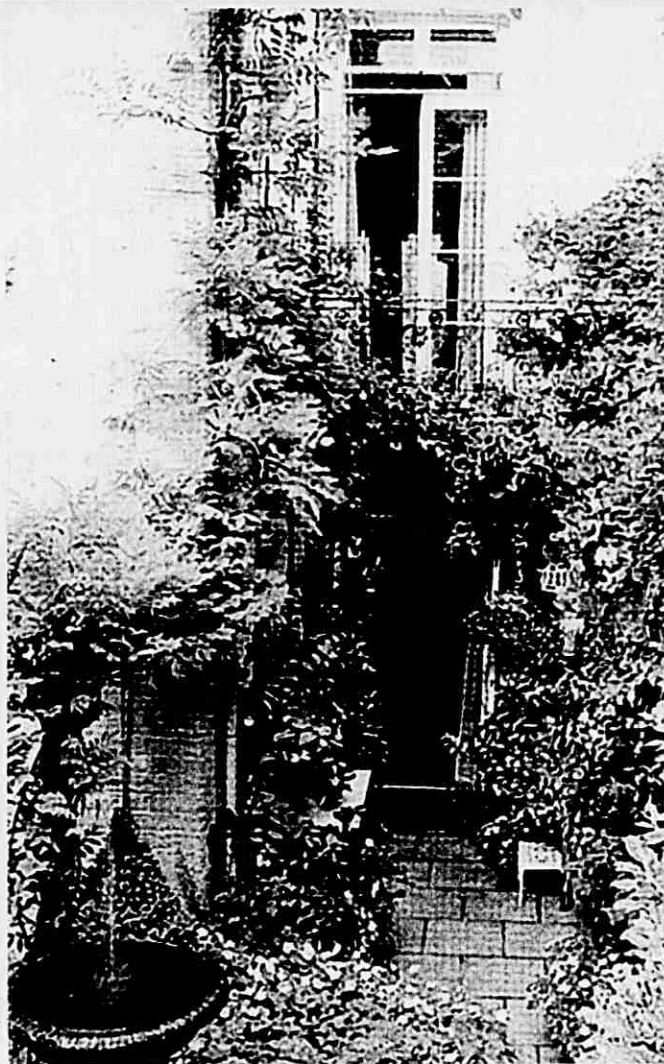

- Set five or six Swiss chard plants in tubs. They'll keep the family supplied with fresh spinach from June until September.

- Grow the sugar pea or mangetout in a container. The plants look particularly good against an edging of decorative herb such as golden marjoram. Oregano Sugar Pod is a good late summer cropper.

- Fill a tub or tower pot with strawberry plants. Wild Alpine varieties such as Red Alpine give summer colour and autumn fruit.

- Use another tub or barrel to grow an early crop of potatoes. After they are harvested, you can use the compost again for a later crop of leeks or onions grown from sets.

- Pot out some herbs. Rosemary, sage, parsley, thyme, mint and chives are all attractive plants. Add a splash of blue with hyssop.

### THIS WEEK IN THE GARDEN

#### Plant Madonna lilies

This is the ideal time to plant *Lilium candidum*, the Madonna lily. It differs from almost all other lilies in making quite a lot of new growth in late summer, and it should be planted before this starts.

Another peculiarity is that the bulbs grow practically on the surface. You should plant them 20cm apart and only cover them with 5cm of soil. After a while they will probably work themselves out until they show; make no attempt to cover them again. This lily prefers a sunny position and reasonably good, but not freshly manured, ground.

#### Lift daffodils and bulbous irises

Daffodils and narcissi, also the various bulbous irises, will now have completed their growth and may be lifted and cleaned off if they are overgrown or you need the ground for something else. Otherwise leave them undisturbed for another year. They do not gain anything by annual lifting and drying, as do tulips and hyacinths. If you do lift them, get them replanted as soon as possible and certainly before the end of September.

#### Cut back helianthemums

Sun roses tend to get rather straggly if left to their own devices, but if cut back a little each year at about this time they can be kept quite neat and tidy. You can do the work with a large pair of scissors or garden shears.

#### Start to feed chrysanthemums

It is a mistake to begin to feed chrysanthemums of any type too early, but you can start now with safety. The more varied the feed the better. Give very small doses every five days or so mixed with plenty of water and used in place of the ordinary water. Liquid manure, made by steeping a small sack of cow, horse, or sheep droppings in a tub of water, can be varied with any good chemical fertiliser.

# WATERFORD COUNTY MUSEUM

## PASSING OF A FRIEND

It is with great sadness that we say good bye to a great friend of the museum, Ann Aldridge-Buttfoy. Ann was a 'working' member of the Society since the beginning, a former secretary to the Museum Society. She was always ready to help with inquiries from visitors and members about military history which was a particular interest of hers. Anne had been ill for awhile, but always she had a love for the Museum Society and kept active throughout her illness. She will be sadly missed by all who knew her, and those she was in correspondence with that knew her only via a text message or two. Sincere sympathy is extended to her family. May she rest in peace.

## LOCAL NOTES

This is an extract from 'A History of Dungarvan Town and District' by Patrick C. Power, concerning the Confederate War in Dungarvan and surroundings:

"In October 1641 the Gaelic Irish of Ulster revolted against the English government and drove out what settlers they could. In the remainder of Ireland there was no response until spring when the Catholic landowners decided to rebel against the government. The Catholic landed gentry rebelled en masse. At this stage they all feared for their lands and the work of the 'discoveres'. Richard Butler of Kilcasj, brother of the Earl of Ormond and a fervent Catholic, captured Clonmel, Fethard and Carrick-on-Suir.

Richard Butler then marched on Dungarvan, the nearest available port, where the Lord President of Munster had appointed Lieutenant Rossington to be governor of the castle. Aready the castle was full of refugees...The rebels had no equipment to besiege it. Then a plan was concocted to offer the ladders of the town for safe keeping in the castle and when they were being delivered, the bearers blocked the open gates. Assailants then rushed in and took the castle. Among those who had refuge there were Mrs Bolt, wife of the Protestant vicar, Henry Davis, a chandler and his wife, William Farmer, an innkeeper, and a Mrs Churton. These English names prove that the plantation and colonisation of the town were already progressing. The new governor of the castle was John Butler from outside Carrick-on-Suir.... The port became very important to the rebels who wished to keep in touch with the European mainland. On the south coast of Ireland Waterford and Dungarvan were the only ports that served the needs of those in arms in Counties Cork, Tipperary and Kilkenny. The ports of Youghal, Cork and Kinsale were never in rebel hands...Sir Richard Osborne's property in the area was attacked. His losses amounted to £ 3,386....his house at Cappagh was burned and Captain Edmund Fennell's men looted the district...10th March his fortress at Knockmaon was attacked and some of his Protestant English tenants were killed who formed the garrison of the castle. Among the slain were Richard Holloway, Thomas Bayley, Ralph Bennet and Robert True senior and his son, all yeomen....Sir Richard Osborne named the attackers as three Fitzgeralds, John fitzThomas of Woodhouse, John fitzTibbot of Clonea (Dungarvan) and John of Farnane in Modeligo, relatives of the FitzGerald who had been dispossessed after the Desmond wars. This castle was of strategic importance to the rebels because it straddled the important road westwards to Cappoquin, Lismore and Cork city and also to the fery at Youghal in these times...Captian Edmund Fennell was appointed governor of the town after John Butler. One William Mullaghane ten years afterward made a statement about some of the events that he witnessed in 1642. He accused Fennell of taking two English girls, twelve and sixteen years of age, when he came on some-business or other outside the town. They were brought to Dungarvan, he said, and lodged in the castle for the night. The following day they were both hanged in the lane outside the west gate. He and one William Murphy, he said, cut the corpses down from the trees and buried them. One Thomas Gough of Dungarvan corroborated this statement. However, when Fennell was tried for this offence in December 1652 at Cork, he was declared nit guilty in a court that was not particularly favourable to him or his friends.

Our senior footballers played their last league game of this years championship on Friday night last when they played the Nire in Bohadon. The Nire opened the game brightly, to open a lead of 0-5 to 0-1, but Kilrossanty reduced the gap to two points at half time. The second half was a lot closer, and with 10 minutes to go only 2 points separated the teams. The Nire added more scores in the closing stages to win 0-12 to 0-6. This was one of the better all round displays by Kilrossanty this year when after a shaky start to the game, some positional changes made all the difference in tightening the defence.

- 80 ml sunflower oil
- 5 pinches dried orange peel, soaked

**FOR THE MARINADE:**

- 2 x 5ml sp rice wine
- 1/2 x 5ml sp roasted szechwan peppercorns
- 1 x 5ml sp ginger, finely chopped

## Top tips for Pancake balls

**Ingredients:**

Makes 6 servings

- 500 g sifted flour
- 160 ml milk
- 1 x 5ml sp cardamom
- 2 x 15ml sp sugar
- 3 egg yolks, beaten
- 3 egg whites
- 250 ml thick sour cream
- 3/4 x 5ml sp salt
- 1 x 5ml sp baking soda
- 2 x 15ml sp melted butter

**Method:**

HEAT a muffin/yorkshire pudding tray to a low heat. Sift together all the dry ingredients in a large glass bowl and make a well in the centre.

Mix together all the liquid ingredients (except egg whites) and pour them into the well all at once. Stir the mixture until well blended and set aside.

In a separate bowl, beat

the egg whites until rounded peaks are formed. Gently spread the batter over egg whites and fold together.

Test the heated tray by dropping on to it a few drops of cold water. If the drops dance around in small beads, the temperature is right. Grease the tray well with butter (about 1/2 a 5ml spoon per well).

Pour the batter into the wells, filling each one about half full.

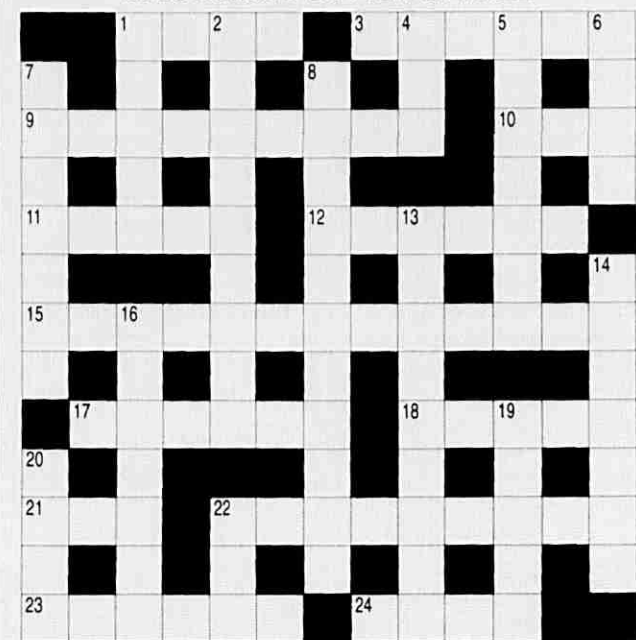

With a fork turn the pancake balls frequently to brown evenly. Do not pierce.

The pancake balls are done when a wooden pick inserted in centre comes out clean.

Serve immediately sprinkled with icing sugar or a tart jam. TIP: For an interesting variation, dice two medium sized apples and add them to the batter before cooking.

## Health Tips from "Remedies"

### Pre- and Probiotics

Probiotics is an excellent daily supplement for keeping the intestines 'sweet', and for regularity. Lactobacillus sporogenes acts as a 'transient' bacterium, which encourages the growth of your native Lactobacilli and Bifido bacteria, while discouraging pathogens. It is also ideal for travelling (where food or drink may be contaminated) because it doesn't need refrigeration. One tablet contains 150 million bacteria, a level determined by scientific studies; more is not necessary.

Additionally Prebiotics or Fructooligosaccharides (FOS) can help to increase the population of Bifido bacteria in the colon. FOS is found in many foods including bananas and most vegetables, wheat, onions and garlic and it is recommended that we consume at least 3 grams per day.

### Put the Calf a Step Ahead.

As the suckler cows supply of milk declines the calf's need for grass increases if growth rates of over a kilo a day are to be maintained. This is achieved much more easily if the calf and cow are not competing on the same territory. Yes, by letting the calves go ahead of the cows they can select the best grass which they need while the cows will be happy to mop up behind. A creep gate or a raised wire is the usual methods of getting calves to go forward. But it will take up to a week for most calves to get the courage to go ahead.

Two further benefits arise from calves grazing ahead:

By grazing ahead for several hours a day the parting of cow and calf has begun. In effect weaning has started and there is scarcely any stress when the final break is made.

By having calves graze ahead meal can be introduced without the use of the ad lib creep feeder.

As the price of meal has rocketed the use of ad lib feeders will be a very expensive method of feeding meal to weanlings this autumn.

### Graze Reseeds before Winter.

Reseeding is a gilt edged investment when you replace an old sward made up of very poor grasses with current top rate perennial ryegrasses. You will find many economic benefits but the ability of reseeds to produce very early grass and the massive yield that can be got year on year are the chief benefits.

Try and get the reseeding done in early August. Two grazings before the winter do wonderful job in thickening the sward.

I walked a reseed recently which was not grazed after sowing last autumn. A cut of silage was taken in late May. The sward is now as "open as a barn door". This sward is now ready to be invaded by weeds and poor grasses. The benefits of the expensive reseeding will be lost in a few years. Remember the all perennial ryegrass mixtures that we use now are very competitive and will not allow any invasion of other weeds and grasses if well managed.

### Grant Scheme for Organics.

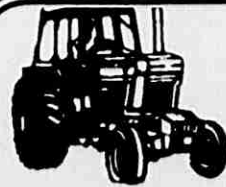

Effective immediately, organic farmers can once again apply for generous grants under a new On-Farm Grant Aid Scheme for the Development of the Organic Sector.

The On-Farm Scheme provides grant aid of 40% of the cost up to a maximum grant of €60,000. The Scheme 2007-2013 is there to help existing organic farmers and processors meet the growing demand for organic food, both in Ireland and abroad, but that is not their only purpose. This scheme has been designed with a view to expanding the number of participants in the organic sector. It is hoped that those who are considering the organic option will examine the possibilities that this scheme has to offer.

Copies of the new Grant Schemes, together with application forms, are available from the Organic Unit, Department of Agriculture and Food, which is based at Johnstown Castle in Wexford - 053-91-63465. They will also be available on the Department's Organic Page at <http://www.agriculture.gov.ie/organics>.

## TEAGASC Adviser Dan Ryan Retires

Dan Ryan, Teagasc Adviser based in the Lismore office has retired having given 36 years of service to the farming community in West Waterford.

Dan, who was born and reared on a farm outside Mallow, began his career in the advisory service with Cork County Committee of Agriculture in 1967. In 1970 he transferred as agricultural advisor to Leitrim and was appointed as Agricultural advisor in Waterford in 1971.

Dan worked with farmers across all enterprises in the early years. As the advisory service began to become more specialised in the 80's and 90's he was very highly regarded as a dairy advisor. In the mid 90's he established a number of dairy discussion groups in the Lismore, Tallow and Clashmore areas and developed a focus on grassland management as the means to maintaining profits on dairy farms.

Also in the early 90's Dan

recognised the need to develop alternative enterprises on farms and he was very productive in establishing a tulip and daffodil production project.

A very large number of farm families in West Waterford benefited from Dan's advice over the years. They respected his professionalism and appreciated his ability to empathise in this situation.

All his clients and colleagues wish Dan well in his retirement.

## WEST WATERFORD JUVENILE ATHLETICS NEWS

# Adventure In Wales Leads To Silver Medal For Thomas

Last weekend the annual Schools International Track and Field Competition featuring young athletes from Ireland, England Scotland and Wales was held in Newport south Wales. Travel arrangements were made months in advance and the plan was to fly all seventy-five athletes to Birmingham and then make a two-hour coach trip to Cardiff University where the athletes were to stay for the weekend. On Friday morning shortly after 5am three young athletes Lisa Houlihan, Thomas Houlihan and Zoe Scanlon set off from Dungarvan to Dublin to meet their teammates. All the team gathered at the airport and had an uneventful flight to Birmingham. At about three o'clock they boarded their coaches and despite the heavy rain falling were in good spirits. Shortly after beginning their journey they began to encounter very heavy traffic and small floods, which at first did not pose any difficulty for the coaches. However as they made their way south through the English countryside the floods began to get worse and several times the buses had to reverse or take alternative routes to avoid flooded towns. The officials in Newport were in constant mobile phone contact with the buses giving updates on the weather the safety of the athletes being their primary concern. At this stage the two buses took different routes to try to get to Cardiff. The boy's bus headed west through Gloucester and eventually at about nine p.m. made it to a motorway service station where the athletes were fed. This however was as far as they got as the police had closed the road in both directions due to heavy flooding and the boys spent the night on the coach getting as much sleep as they could and eventually setting off at 6.30 a.m. the following morning

and arriving in Cardiff after 8.00 a.m. The girls bus headed on a detour eastward to try to avoid the floods going as far as Oxford where they stopped to eat and after very slow start progress made it on to the M4 which runs from London to Cardiff and arrived in at 3.00am.

The teams from the other countries were faring no better. Having driven all the way from Scotland that morning the Scottish team was stuck in the same motorway station as the Irish boys and while half the English team made it before the worst of the weather the second coach did not leave London until Saturday morning. The only full team to make it to Cardiff on Friday were the Welsh team. Indeed some of the officials for the meet had also great difficulty getting to Newport and those due to travel by train never made it as all trains in the region were cancelled.

Saturday morning itself was bright and clear and the organizing committee made the sensible decision to postpone the start of the meet to 2p.m. to give the athletes a chance to rest. The team arrived into the stadium in their Irish gear to be welcomed by the many parents who had travelled over for the event. There was a great camaraderie among the team after their nighttime adventure. Things got off to a great start when Fiona Dennehy from Mercy Waterford won the first event the girls walk and the Irish team went on to record one of their best performances winning six events including the boys 4x100m relay-- the first time in 21 years that England did not win this relay. The Dungarvan athletes were all in good form Thomas Houlihan was second in the Boys Pole Vault equalling his personal best jump of 4.00m. Next up was

Lisa Houlihan who had a new personal best jump of 2m75 when finishing fifth in the girl's pole vault. By the time the Discus started at 5p.m the weather had turned very cold and the first spattering of rain began to fall undaunted Zoe Scanlan recorded a new personal best throw of 32m12 with the heavier 1kg Discus to finish in fifth place. This was a great result for all three athletes who are now looking forward to making the team again next year for the same event, which will be held in Bedford in England. On a parting note the Welsh organizers did remind the athletes that all the floods and bad weather they did encounter was actually in England and not in Wales where the sun shone at least in part for the weekend. And as if to show what a difference a few miles make Mary Ashe, Bro. Lennon and Eadaoin Ashe left Dungarvan on Friday morning with the vaulting poles for the pole vault they had a quiet sea crossing and despite heavy traffic and delays caused by road works and a traffic accident were in Newport track at 5p.m. that evening having encountered little in the way of rain.

# Dungarvan Golf Club Notes

## Pádraig Harrington, Open Champion

What a weekend for Pádraig Harrington at Carnoustie in Scotland! He was the first Irishman to win the British Open Championship since Fred Daly at Hoylake in 1947. And, to top it off for the Irish, eighteen-year old Rory McIlroy from Hollywood, Co. Down won the Silver Medal as the amateur with the best score in the 136th Championship. Pádraig gave us some heart-stopping moments over the final holes. When it looked like Garcia was going to win, and then Romero, Harrington, who was six shots behind leader Garcia after the third round, was in the lead on his own with two holes to play. He survived a double bogey 18th to force a four hole play-off with Garcia. The rest is history: every sporting Irish man and woman must have felt a great swelling of pride and satisfaction that Pádraig finally came good, and won a major in this exciting fashion.

It is timely that Pádraig won this week, as we at Dungarvan G.C. salute our affable and active member Tadhg Harrington, and wish him and his brothers Pádraig and Colm the best as they embark on their recently announced business venture, the 'Pádraig Harrington Golf Academies'. "Putting his money where his mouth is", said Tadhg, referring to his brother's commitment to opening up academies to discover, encourage and coach youngsters in the game. The first two are expected to be in the Dublin area, with negotiations already advanced in Dublin's South County and Fingal; the collective Harrington hope is that these will be followed by an academy in each of the country's cities.

Tadhg tells me that the brothers hope to liaise with clubs and schools, and to have teaching professionals to spot and nurture talent. All golfers will be welcome to use the academies with their state-of-the-art driving ranges, under a programme drawn up by Pádraig and his coach Bob Torrance. The golf academies venture is hot on the heels of the successful Paddy Harrington Memorial Golf Classic, which this year raised €25,000; the money went to the NUI Golf Scholarship at Maynooth and towards funding the fledgling careers of some of our latest golfing hopes, including Michael McDermott and Mark Campbell. Incidentally, Tadhg, who played on our Jimmy Bruen and Brennan Cup teams this year, was on the winning team at the 'Harrington' golf classic with Waterford hurling star Paul Flynn (playing off 2); in a four person scramble they had the remarkable gross score of 16 under. Beat that!

## Senior Cup

Hard luck to our Senior Cup team who went to Tramore on Saturday to take on Cahir Park in the first round. Tom Melody Jr., Kevin Stack, John Reynolds, Paddy Kennedy and Donal Williams proudly represented our club in senior ranks, acquitted themselves well, but had to give best to the opposition. By my reckoning we are now out of all interclub matchplay competitions of this nature, so all we have to look forward to are 'The Ashes' against Lismore and The Jack Lynch Trophy against The Gold Coast and West Waterford.

## Matchplay

The Lady Belle Singles matchplay is as far as the semi-final stage, with Tom Quinlan v Martin Lynch and Ger Enright v Des

Cleary. These matches will be played by August 5th. In the O'Connell Cup Fourball the semi-final pairings are Joe Murphy and John Martin v Martin Lynch and Nick Norris, and holders Paddy Kennedy and Peter Finnegan take on Maurice Troy and Michael O'Connor. These matches will be played by August 12th.

## Wet Weather Golf

Our Open Fortnight was marred somewhat by unseasonal weather, especially wind and rain which we didn't anticipate during the first two weeks of July. During the first week some golfers expected that preferred lies would have to be re-introduced, allowing placing on the fairway and dropping in the rough. I notice some golfers wearing two gloves; on enquiry I was informed that a pair of 'wet weather gloves' may be bought in the pro shop. These gloves ensure that you grip the club in a non-slip fashion. Having tried them I was happy that they were a distinct asset and should form part of any golfer's equipment when playing in our Irish climate. A waterproof cover is also a must: such a cover envelops the bag completely, ensuring that, on the occasion when you are scoring well and feel you must stay out, the bag and clubs are dry at the end of your round. The lads in the pro shop tell me they have plenty in stock and they're going cheap!

## More Rules

A's ball was on the green a long way from the hole; he didn't bother about the flagstick as he took the putt. B ran over and removed the pin when he thought the ball would strike it. Was there a penalty? Yes, a two stroke penalty for B. C was playing very badly (understatement!) while in a stableford competition; D, also in competition felt sorry for C and said "on your next drive, if you get your set-up right and keep your shoulders straight you won't slice". Was D subject to penalty for giving advice? Yes.

## Dungarvan G.C. or Stacks-town!

Hearty congratulations are due to Kevin Stack, playing off a handicap of 2, on winning Golfer of the Fortnight (generously sponsored by Noel Devereux Menswear). Kevin is off to play in the South of Ireland this week-end at Lahinch, unless he is on duty with the Munster Youths Team who play the inter-provincial series during the week in Donegal. A student at U.C.C., where he was awarded a golf scholarship and helped his college win the University League this year, Kevin has a long list of golfing achievements to his name. Apart from the 'stack' of prizes he has won at home over the years - including the 2006 senior Scratch Cup - Kevin won the Kerry Boys Championship in 2005, got to the last sixteen in the West of Ireland 2006, and has represented his club in the Munster Youths final at Dromoland, and in both the Senior Cup and Barton Shield. Currently on the Irish Youths panel, Kevin finished a very creditable 11th in the Leinster Youths at the European Club.

Kevin is a member of a real golf family. Mother Ann plays off 22, father Pat off 12, older brother Tom off 6, and baby brother Eoin, also off 6, plays in the Leinster Boys in Beaverstown this week. To cap it all, Kevin, one of the real gentlemen of golf - always dressed for the occasion and the epitome of good manners - is one of Dungarvan G.C.'s cognoscenti on the Rules of Golf. Well done Kevin, and we all wish

you further success in golf.

## Golf Club Twinning

'Twas a new one on me when I heard recently of golf club twinning. The idea is that two or more clubs in an area would have an arrangement whereby they would swap courses for a day, simply to give members the opportunity to play on a different track. For instance, if Dungarvan G.C. twinned with Youghal G.C. we would organise our own competitions, our usual Ladies' and Gents' event, with our own timesheet, entry list, score checking, prizes and whatever else, but play at Youghal. Similarly, the twinning partners would organise their own event but use our course.

If such twinning was a success in the first year (or two) it might become an annual event, or at least be tried for a few years. Or, perhaps, clubs in an area might have a round robin twinning arrangement with each club in a group of four playing at two/three away courses. Worth thinking about? Feedback to the usual places.

## Niall Mellon Classic

On Friday next 27th July we have the Niall Mellon Township Fund Classic, which is being hosted by our own member and sponsor Noel Whelan. The object is to raise funds to send volunteers to South Africa to build homes and community facilities in the townships. Since its inception in 2003 roughly 1500 volunteers have travelled from Ireland. This year Noel Whelan will be part of an estimated 1300 volunteers who will travel to Cape Town in November with the goal of building 200 houses in just one week. As one who has seen first hand the conditions of those living in the townships, I can say it is a cause well worth supporting.

## The Twos Club

Any day you are playing competitive golf you may put in an extra €2 and take your chances in the 'Twos Club'. This is a Pro shop initiative and it is very popular throughout the year. On any day the 'pot' is shared on all the golfers who score a two - usually at a par 3 - and some find that it pays well to be in. If somebody scores a 'hole in one' he takes the lot. On Saturday 21st there was €116 in the Twos' Club kitty. Liam Fitzgerald and Dery Cotter had two twos each, and the following had one: Joseph Curtin,

Eddie Casey, Francis Power, Michael Leacy, Dermot Kelly, David Pace, Des Cleary, Pat Norris Sr and Tom Conway. The dividend was €9 per two. On Thursday the dividend was €13, and sometimes it is much more. Worth a gamble? Enter at the Pro shop.

## Lotto

Thanks to all who support our club lotto. There was no winner of the jackpot this week, and next week's jackpot will be €7,500. €15 winners this week were: Pat Dineen, Ballycoe, Geraldine Reynolds, Shane Slattery, Kilworth, Ted Dipple, Glendine Drive, and P.J. Maher, Kilcanavee.

## Shane Casey:

What a spectacular game club man Shane Casey played last week in the Intermediate hurling game against Limerick. A personal tally of three goals and five points helped Waterford to another victory over Limerick. Shane has now been added to the Under 21 panel.

## Senior Cup:

Brian O'Connor's Senior Cup team made the journey to Tramore on Sunday last to play Faithlegg in this year's Senior Cup. The team consisted of David O'Connor, David Troy, Willie Morrissey, Pat Power and Ger Kelly. Unfortunately once again we were on the wrong side of a three-two result. Brian asked that we say thanks to all who took part in this year's Senior and Junior Cups and the Barton Shield for their commitment and dedication. To all the players who took part in trials and all who helped out with caddying duties we say thanks. To the officers of the Club who attended at these matches and especially to our Captain, Patsy Walsh, who have been present at every single club match this year. Well done to all concerned.

## Wedding Bells:

Congratulations are in order to two club members who tied the knot last weekend. Shona Duane and Dwayne Birney were married in Dublin last Saturday and on behalf of all the members we wish them a long and happy life together.

## President's Prize:

The President's prize kindly presented by Austin Kiely will be held on the weekend of 24th to 26th August. As we are now putting our notes on the web site and with the timesheets also on line and available to all, the committee has decided that this year no letters would be sent out to members regarding the President's Prize. The timesheet for entering will become available later this week.

## France Qualifier: Change for August:

There is a major change for the August qualifier. It will be played over the weekend of 18th/19th August and the best score over these two days will be the winner. The entry fee will be €10 and re-entry will be €5.

## Marathon

We now have a full complement of teams taking part and next week we will feature

two more of the charities involved. Three hundred rounds of golf will be played at the GoldCoast on the one day starting at 7.30 a.m. This will all take place on Thursday 30th August. The following charities have been nominated by the different teams: Irish Cancer Society, Jonah Project for Children with Autism, Dystonia Ireland, Bone Marrow Trust, Special Olympics, The Stroke Club, MS, Deise Day Care Centre, Alzheimers Home Care, Self Help International and Dungarvan District Hospital. All very deserving causes and we have set our selves a very reachable target of raising over €20,000 towards the above. There are many ways a person can get involved, by playing in a team, by helping out on the day, by sponsoring a player or a particular charity, or by making a contribution direct which will be divided by all the charities. Players from all three local clubs are getting involved and if players who are not already committed to a team wish to take part they can contact the following team organisers: John Coade, Tom Considine, Tom White, Ger Enright, Tony Dunford, Justin Spratt, Fidelama Horsom, Kieran Cullinan or by contacting marathon organiser Brendan O'Brien on 086-8390871.

## Padraig Harrington

Anyone who was watching the British Open on Sunday definitely will have enjoyed the spectacular win by Ireland's Padraig Harrington. It was worth paying the television license alone just for the pleasure of seeing the Claret Jug return to Ireland after a 60 year wait.

## Belvedere Trophy: What's Happening?

It must be five or six weeks since we played the semi-final and there is still no news of who we are meeting in the final. It is a bit unfair to a panel of players who had to play so many matches within such a short timeframe and then be left waiting without knowing what is going on.

## Dungarvan Autumn Pairs:

Following on from the success of the Senior Pairs Classic in April and The Dungarvan Golf International last month, the three local clubs now announce details of the Dungarvan Autumn Pairs Classic. This event is open to all golfers, Ladies and Gents, and teams can be ladies, gents or mixed. It will be played over West Waterford, Dungarvan and the GoldCoast golf courses and will take place on Monday 24th, Tues 25th and Wednesday 26th September. The format will be a two-person rumble, a two-person scramble and fourball betterball. There are different packages available: for players who just want to enter the cost is €86 per person. There is a reduction on this figure for members of the three local clubs. For players who want to come and stay: 2 nights B & B 3 rounds of golf and entry is €170. Further details can be obtained from any of the three participating clubs or by phoning the tournament director at 058 44055.

## Ladies Notes: Open Day:

Another very successful Ladies Open Day was held on

Monday 16th July. This was a most popular three ball rumble and was kindly sponsored by CPC Bonmahon Ltd. (Nicholas and Helena Fitzgerald). A large number of lady golfers took part in the competition and came from all over the country as well as from the local clubs. Many thanks to our sponsors for their very generous sponsorship and congratulations to the winners.

## DAVID C. LEE AN APPRECIATION

On the occasion of the death of David C. Lee MRCVS, South Mall, Lismore, it would be remiss indeed of us to let the sad event pass without recording his special contribution to Lismore Golf Club. He was a founder member who served the club loyally over a long number of years as an officer and advocate. He was president in 1968 and was captain for two consecutive years in 1977 and 1978. He was a most able administrator and his affability made him an ideal figurehead for the infant club. He gave unstintingly of his time and undoubted acumen and with his kind and gentle nature encouraged many a reluctant and dubious beginner. He took an inordinate pride and delight in every aspect of club development and worked assiduously on various committees to enhance the image and reputation of our 9 hole course. Our present day enviable position is due in no small measure to farseeing individuals like him who dreamt a dream and saw it through.

He was no mean golfer himself but in latter years he enjoyed more the company and repartee of the young bloods of the club at the 19th hole. He was a joy in any company with his rich store of hilarious anecdotes of song and dance. We recall his graceful glide across the dancefloor with his devoted wife Dorothea for the first dance, and later sweetly singing his favourite song - "Dublin City In The Rare Old Times" - to the fiddle accompaniment of his great friend, Laurie McDermott. Such singing, such music, such vivacity.

He spent his last years in Padre Pio Nursing Home still showing that legendary tolerance, patience and resignation to God's will which we admired so much. Many the smaller animal he stitched for me and his concern to share the trauma and heartache when a favourite pet was put down was palpably genuine. His kindness will stay with me always - a gentleman and a scholar. We understand the devastation of his family of which he was so proud. Go dtuga Dia leaba imeasc na naomh do.

# Willie John Kiely Part Of West Waterford Revolution At United

## Willie John Kiely Visits Brideview United Summer Soccer School

He's at the apex of the West Waterford revolution at Waterford Utd, setting up Dungarvan lad, Vinny Sullivan for the winning goal in United's 2-1 win over St. Patrick's Athletic on his debut. Here Abbeyside's Willie John Kiely talks to the Dungarvan Leader reporter, Kevin Kirrane, about his time at Scottish Premier Division outfit, Aberdeen, his return home, and his hopes for the future.

Willie John Kiely, one of Waterford Utd's newest and possibly most high profile recruits during the July transfer window, is settling back into life at home in Abbeyside after a three year stint of full time football with Aberdeen.

On the day we meet, he's visiting the FAI's soccer camp at Brideview Utd's grounds in Tallow, talking to the kids, posing for photographs, signing autographs and generally promoting his new club to the next generation.

Later, he will play against Sligo Rovers in the RSC in Waterford - another crucial game in a season of crucial games in the local eircom League side's battle for Premier Division survival.

Willie John knows he won't walk into the side. The 19-year-old says he has to earn a starting eleven place for Gareth Cronin's side. But the disappointment of being released by Aberdeen manager, Jim Calderwood, hasn't tempered his ambition.

He intends to fight to get regular football, something he admits he is without for three months, then begin to rebuild his career.

But, the teenager is grounded enough to know that football is a fickle business, and is currently seeking to become an apprentice electrician as a fall-back.

A son of Ellen and Jimmy of Pinewood, Abbeyside, Willie John who has played alternatively as striker and on the right wing, began playing soccer for Ballinroad AFC, before switching a few years later to Abbeyside FC.

His goalscoring prowess quickly garnered attention in local football circuits, and he was selected for the Waterford League Representative side for the prestigious Kennedy Cup competition.

The Waterford selection was particularly strong that year, and while knocked out at the group stages in the main competition, the team went on to win the Kennedy Bowl competition.

Among his age-groups finest, Willie John was the competitions leading goalscorer that year,

and with a host of scouts looking to feed the youth systems at British clubs with fresh talent, he captured the attention of a number of clubs.

Two of those clubs, Aberdeen and Stoke City vied for the young villagers signature. But Willie John, then 16, liked what he saw in Aberdeen and signed a two-year full time contract with the club.

He was nervous but excited by the move, which would see him leave home, his parents and his friends, for a new life in Scotland, but after a bout of homesickness he settled into life of full time training, and living in digs.

During his time in the Youths, Willie John progressed well, hitting the net 40 times. He also scored 30 goals for the Reserves and in 2006 earned himself a one-year extension. His underage international career was also flourishing, getting caps at all representative levels up to U19 in teams that included the likes of Sunderland's Anthony Stokes.

But, Willie John found opportunities to break into the first team at Aberdeen difficult to come by. In a team boasting a strike force bristling with International talent, he was only able to make two first team appearances, both as substitute.

Then at the start of this summer, Calderwood called in the Abbeyside lad for the dreaded talk when his contract was up, and told him he was surplus to requirements. It was a huge disappointment for Willie John who'd made many friends in Aberdeen.

He had offers to stay in Scotland from teams in the 1st Division and Steven Kenny's recently relegated Dunfermline side, but choose to return home, where the eircom League has proved something of a rejuvenation period for careers. eircom League leaders, Drogheda Utd were among those to offer him a contract.

However, he chose to join Waterford Utd, partnering ex-Glasgow Celtic and Livingston striker, Vinny Sullivan in a Dungarvan-Abbeyside strike-force.

In the long-term, he hopes regular football will see him make another try at football across the water, but he admits that that's something that might come down the line. At the moment he's concentrating on the games ahead, playing himself into full match fitness, and hoping to ultimately form a potent strike-force with Vinny to help Waterford Utd get into a position of mid-table safety, and away from the dreaded drop zone.

FRIDAY JULY 20TH

## Greenview Furry Dominated From The Front

There were two competitive finals down for decision at a damp Kilcohan Park last Friday night. In the first of these the Irishfireworks.com A2 final kindly sponsored by Pat Whelan we saw a worthy winner in the shape of the Edward Furlong owned and Sean Dooley trained Greenview Furry this 5/2 shot making practically every yard of the running to oblige in 28.98. Coming off best after an early duel with Annacurra Jack Greenview Furry (Pinewood Blue-Greenview Beauty) made the long dash for home and while Outandgoodnight was always on his tail a determined Greenview Furry kept on strongly to triumph by a length.

The Last Gasp Syndicate owned and John Kiely trained Crokers Piper (Droopys Scholes-Honey Bev) 2/1 preserved his unbeaten run in this competition with a sound early paced trap to line 29.23 success in the final of the Bernard Mackey Greyhound Supplies A4 Stake. Firing himself clear from trap one Crokers Piper built up a healthy early lead over the close running pair of Ima Cooper Cool and Daphne Lady and while the latter was firing on all cylinders in the final quarter of this final Crokers Piper dug deep to triumph by a neck.

Bannow Wiggler set the early gallop over Kilbunny Kewell in the opening four bender but raling tightly the Castleglen Syndicate owned and Jim Scully trained Castleglen King (Dooopys Vieri-Ballydaniel Brew) 2/1 joined issue rounding the third corner and staying on best up the home stretch Castleglen King went on to account for the always prominent Kilbunny Kewell by a length and a half. Time 29.29.

In a two bend dash Jumbos Velvet moved into a narrow early advantage but accelerating into the lead the Niall Hayes and Paul Quilty owned and Jimmy Frisby trained Reality Fantasy (Droopys Woods-Lady Flow) was soon at the head of affairs and striding out well this 3/1 chance went on to defeat Jumbos Velvet by two lengths in a decent 16.55.

Races three and four were semi finals of the Benefit Meeting N2 Unraced Stake. In the first semi final the Tom Drohan owned Snakehill Joe (Droopys Kewell-Lisnakill Cindy) 2/1 moved over to the rails from his trap four draw and cutting lose down the back stretch Snakehill Joe went right away to defeat Tinahue Titan by seven and a half lengths in 29.79.

The Anthony Dunphy owned and Gerry Kiely trained Foreman Speaking (Top Honcho-Riverside Bella) went a good deal faster stopping the clock at 29.25 in the second qualifier. Taking a flyer from trap one 3/1 shot Foreman Speaking shot clear of Tigroe Honcho and Landing Millie and with this order of running remaining unchanged throughout Foreman Speaking went on to account for Tigroe Honcho by four lengths.

In the fifth contest War General set the early pace up the middle of the track and while Avalon Jo loomed up menacingly at the third bend it was the James Moore owned Minglers Minor (Jamella Prince-Minglers Moth) who quickened into the lead on the fence this 4/1 shot going on to beat Avalon Jo by a length in 29.82.

After first bend crowding Forge Lady was left in a handy lead down the back stretch in the first semi final of the Masters Restaurant A5 event but coming with a sustained run the Tom Colfer owned Ashville Scholes (Droopys Scholes-Newline Valley) 2/1 pounced on the winning line to deny Forge Lady by a neck. Time 29.63.

Trainer Jimmy Frisby enjoyed his second success of the night sending out the Michael Kennedy owned Ballylarkin Shot (Like A Shot-Ballylarkin Boss) 3/1 to a trap to line 29.49 winner of the second qualifier. Wasting no time on leaving trap four Ballylarkin Shot motored into an early lead over Dessies Champion and Betfowl and sticking to the task in hand "Ballylarkin" went on to run out a length and a half winner over Dessies Champion.

The Doubting Thomas Syndicate gave their greyhound Swan Sung Hero (Larkhill Jo-Tain Uladh) a great reception as this 3/1 shot came from behind in a 550-yard contest to credit trainer

Nick Turner with a 30.17 success. After a good buckle lasting the length of the back stretch with the rails running Kingsmill Dubh Swan Sung Hero motored into a narrow penultimate lead which the Model County entry protected all the way to the winning line to beat the persistent Kingsmill Dubh by a length.

In the final race of the session the early paced Kacys King motored into an early lead over Ballygerald Boss but with the leader drifting wide into the home stretch the Pamela Holt owned Ballygerald Boss (Hotshow Ben-Kilcannon Fancy) 4/1 seized the opportunity to come through into the lead before winning out by a length in 28.97.

SATURDAY JULY 21ST

## Ma Ma Blue Upstaged The Hot Favourite

The semi finals of the Michael Delahunty sponsored Hallas Rocket A2 Bitch Stake held centre stage on last Saturday nights eleven race card. The high flying Arpeggio 4/5 was all the rage in the first semi final but she was caught flat footed leaving trap one and was forced to settle for third spot. Meanwhile up front the Tommy Mahoney and Peter Nolan owned Ma Ma Blue (Pinewood Blue-Rockmount Queen) kicked into an early lead over Distant Holly and seeing out the 550 yard trip to the bitter end the Eamon More trained Ma Ma Blue 4/1 went on to defeat Distant Holly by a length with Arpeggio the same distance away in third. Time 30.10.

After a flying start from trap six in the second semi final Sroughville appeared home and hosed but the leader was out on the hare rail the length of the back stretch and emerging out of the chasing pack the Ashgrove Syndicate owned and Joe Murphy trained Ashgrove Mini (Honcho Classic-Murlens Madrid) 4/1 stayed on stoutly up the home stretch to deny Sroughville by a length in 30.19.

Absent owner George Roche missed out on seeing his Is George Gone (Spiral Nikita-Betfivemillion) make every stride a winning one in the opening 525 this 3/1 chance scoring in 29.02. Firing himself clear of Ardera Snodge Is George Gone was never in any danger of losing out eventually crossing the winning line with four lengths to spare over a running on Hookorbycrooke.

The Jim Curran owned and Peter Brady trained Frankl (Man Of Lamancha-Quanns Egret) returned to winning form in a 300 yard sprint this 5/2 shot obliging in a smart 16.31. Breaking smartly from trap four Frankl saw off the early challenge of Glenberrie Mojos before accounting for Lord Jo by a length.

Local owners Niall Hayes and Paul Quilty enjoyed their second success of the weekend as Urbs Intacta (Droopys Woods-Lady Flow) 5/2 came from behind in the third contest to triumph in

29.88. Chilli Chunga led for three quarters of the trip but hugging the rails for in form trainer Jimmy Frisby Urbs Intacta finished much the stronger to defeat Swan Lass by four lengths.

Having run well on his debut the Eamon Halpin and Pat O Shea owned and Ian Seymour trained Magic Patch (Sineads Slaney-Magic Spice) opened his account at the second time of asking producing a bold front running performance to capture heat one of the Tote Intertrack A4 event. in a slick 28.87. Backed in from 4/1 to 2/1 Magic Patch accelerated away from trap four and forging clear of the pack Magic Patch basically won unchallenged by five lengths from Well Nicholas.

Favourite backers rowed in with the lightly raced Saunders Brave (Larkhill Jo-Mt Leinster Beck) in heat two and this 5/4 favourite duly did the business for UK owner Oliver Brown and trainer Peter Cronin in 28.89. Breaking far smarter than in his previous 525 Saunders Brave led around the first bend from Wilcox Monet and making the long dash for home Saunders Brave went on to account for Wilcox Monet by a facile five and a half lengths.

Having his first race for nearly five months the Three J's and One M Syndicate owned and Dick Ryan trained Nice Duke (Toms The Best-Nice Jewel) made a pleasing return to action in heat three this 3/1 chance making every stride a winning one in a best ever 28.96. Showing plenty of early dash from trap four Nice Duke kicked clear of a wide running Paws Special before running out a cosy three lengths winner over the rails running Threads Of Gold.

In the seventh contest Marwood Review got the better of an early duel with Flowing Derwent to head out on to the back stretch with a couple of lengths lead over Redrock Canyon. Quickening the tempo on the run to the second last bend however the Ratpack Six Syndicate owned and Joe Mythen trained Redrock Canyon (Top Honcho-Hawaiian Sand) 3/1 cruised into the lead on the wide outside before racing on to a well deserved two and a half lengths success over Marwood Review. Time 28.98.

Loskeran Post made a solid start from trap four in the eight event over the 550-yard trip but she was swallowed up by the pack at the first bend and subsequent crowding ended her chance of winning. The John Long owned and Michael Power trained Builders Butty (Knockeevan Major-Rightful Flash) 4/1 quickly hit the front at the second bend from Sunfire Scampi before holding a length advantage all the way to the winning line to win out in 30.42.

In the ninth contest Shedfield Sniper was first to show from trap four but running into the first bend he was quickly joined by Cailin Liath but this pair were badly hampered at that point as Willie Drink motored into contention on the fence. Doing well to squeeze his way into the lead the Willie Robinson owned Willie Drink (Willys Toby-Precelly Flash) soon had the measure of Queen Of the Day before proving three and a half lengths to good for Like A Champion in 29.04.

Our pictures show the huge amount of children who attended our Summer Soccer Schools in Cappoquin recently with their respective coaches.

# NIB/FAI Summer Soccer Schools Off To A Flyer

Despite the unpredictable weather the Summer Soccer Schools had a marvellous start this week with numbers showing a big increase from last year. In Cappoquin 111 children turned up on recently, an increase of 48 on last year.

Regional Development Officer for the area Michael Looby was delighted with the increase in numbers, as the *Football fun in the sun* began on Monday. "We expected an increase but are somewhat taken aback at the size of the increase" said Michael Looby. "Local Co-ordinator Joan Cahillane deserves great credit

for her work and we are especially thrilled to have 26 girls on the camp." said Michael "Also this is a tribute to the coaching staff of last year who made the experience a one to remember" he continued.

Head coach John McSweeney was also fulsome in his praise of his staff. "This years camp is going even better and is even more fun. The early feedback is great, which makes all the hard work worthwhile" he said.

Monday and Tuesday were fine sunny days but Wednesday

somewhat showery.

The weather turned bad on Thursday but the Local Cappoquin Community Centre came to the rescue as the camp went indoors for "Futsal". The marvellous new facility was hired for the day by Cappoquin FC and the kids alternated between playing Futsal, watching DVDs and having a table quiz.

Fortunately Friday was fine again and they were back on the pitch for more fun games. With capacity of 120 on this camp there is no doubt that early booking will be a must next year.

## Kissing strangers and backing winners at logic-lacking Galway Races

### THE FINAL FURLONG

WITH PHIL DELANEY

You can't believe everything you read in the papers, hear on the radio or see on television - but delve deep enough and you'll discern a valuable nugget.

"You haven't lived 'til you've kissed a stranger at the Galway Races", says the ad for tourism in the west of Ireland, and isn't that a lovely thought?

Now every man to himself but, personally, I'd prefer to find the winner of the Hurdle and the Plate and maybe have both of them in a Lucky 15, with a 12/1 springer in Monday's GPT Amateur Handicap, and some tip for a claimer in Redcar. Then you've lived.

But if kissing strangers is your thing, Galway next week might be the venue for it. I suggest the Hole in The Wall pub, a five-minute walk from Eyre Square.

From the outside it might look like a little England drinking tavern, but inside those wooden doors it'll be like a webcam live from Ibiza. Quite a few of the jockeys flock there to let off some post-racing steam - and ten pints of cider poured into an eight stone frame sometimes make for a messy chemical reaction.

Of course the cold reality will hit the next morning when the 26 runners in a three-mile handicap hurdle all look to have better than an each-way chance.

At the time of writing the course at Ballybrit is Soft in places and Heavy in others. Winners will be difficult come by. Ensure your selection stays the race distance - plus VAT. (Have you seen that hill?)

In the Flat races don't back Dermot Weld blind. In the National Hunt races, back Dermot Weld blind.

The Galway Races is a great leveller so Val O'Brien will have a winner and Aidan O'Brien will have a few beaten favourites. That's just the way it is. Horses that win early in the week will come out again later in the week and, far from being tired from their earlier ordeal, they'll go and win again.

Logic goes out the window.

Monday, Tuesday and Friday are all evening meetings, with the first race underway at 5.10pm. There's a little comfort left in the early days' racing but Friday has got increasingly busy with a

new crowd coming to Galway for the weekend and taking in the final three days of the festival.

Wednesday and Thursday are the marquee days. Wednesday is Galway Plate day and traditionally it was a day for the farmers from the country. They still come. You'll spot them handy enough among a crowd of 40,000.

Thursday is nuts. It's ladies days as well as Guinness Galway Hurdle day. Wear your best hat if you're a lady; ditch the black Wranglers if you're a fella, and take out the Sunday shoes.

Last year 48,000 people came racing on Thursday. The action on Saturday and Sunday begins at 2.15pm and resemble more of an average day's racing. The crowds are thinner and while there's a bit more comfort, the winners are just as difficult come by.

See you in the Hole in the Wall so.

### SCORPION CAN BE KING

Saturday's King George at Ascot looks like another Ballydoyle benefit. At the time of writing Dylan Thomas, Solider of Fortune and Scorpion are the top three in Betfair's market for the race and that stat is a fair reflection of Aidan O'Brien's domination of the contest.

With Authorized on the 'easy' list until the autumn, only Michael Stoute's Maraahel has a chance of keeping the prize at home. I'm a huge admirer of Dylan Thomas. He carried his head a little funny when beaten by Manduro at Royal Ascot, but I'm not convinced that this signalled any kind of unwillingness on his behalf.

The winner is exceptional and Notnowcato - the subsequent Eclipse winner - was well held back in third. What worries mean about Dylan Thomas is the ground, he must have it fast.

For that reason I'm going to plump for Scorpion in the ante-post market. He found Maraahel too good at Ascot but that was a race that Maraahel bossed and with a more even pace (and a five-pound turnaround) Scorpion can take his turn at the weekend.

13/2 looks a big each-way price - get on.

This camp for BOYS and GIRLS is taking place this week at Ardmore soccer field. There has been a great response for this camp after the success of last year which was a very enjoyable and worthwhile camp. The camp is on daily from 10-30 a.m. to 3-00 p.m. with a 45 min break for lunch. We hope that everyone attending has a very enjoyable time.

### UMBRO CUP

Earlier this year we were pleased to have a number of our schoolboys on the inter-league (Kennedy Cup) squad which performed very well in Limerick and now we have five schoolboy players chosen for the U-13 Emerging Talent Program league squad which will compete in the UMBRO CUP TOURNAMENT in Galway in August. To off-set the expense of their trip, a soccer-thon has been organized for Brideview Park, Tallow on Sunday August 3rd. and the boys have sponsorship cards for this event. The five players are Thomas Mooney, Liam Power, Seamus Keating, John and David Gartland. Your support for these young players would be greatly appreciated.

### JUNIOR SOCCER

Anyone interested in playing with the adult soccer team for the 2007/2008 season should contact Club Secretary Thomas Power on 087 - 8789036, as registration forms must be sent back to the league in the next couple of weeks.

## DUNGARVAN UNITED A.F.C. NOTES

### Pre-Season Friendly

Saturday 28th July- 2pm (tbc)  
Dungarvan United v Blarney United (Cork)

### Pre-Season update

Our friendly v Peake Villa was postponed last Saturday and will hopefully now be played on a different date in the coming weeks. Training continues every Tuesday and Thursday for everyone (Premier, 1a, Youths) at 7pm sharp. All players welcome. This weekend we host Blarney United on Saturday in a friendly on Saturday afternoon.

### Upcoming Friendlies

On Saturday August 4th we welcome Noel Twomey (former manager) back to the club following a request from Noel and his new club Ringmahon Rangers of Cork City to play a pre-season friendly. We are delighted to be able to facilitate Noel and Ringmahon and a great game is assured between the two sides. The following week we will hope to travel to Cahir Park or Peake Villa in our last friendly before the season is due to kick off on August 19th (provisional date).

### Team Applications dependant on interest

The deadline for submitting team applications to the Waterford Junior League is due now so team applications have to be sent in this week. We hope to have two Junior teams this year along with a youth team provided that we have enough interested players registered in time. Basically if we have enough players training and interested in playing football for the club two teams will be entered so if you are interested in playing for the club make yourself available at training this week so we know what numbers we will have in order to submit our teams.

### Club Gear- open night:

A few items of our club gear are still in stock at present. We will be having an open night on Thursday 2nd August at 9pm in the clubhouse. for people to order club gear. (Adults and Kids) Colin will be there to help with sizes, prices, etc. This will be your opportunity to order club gear as only one order a month will be sent in to Umbro. Only items paid in full and at time of order will be processed. Once gear is ordered people should have their items within 2 weeks. Take this opportunity because the next order after this date will be in September. Some gear to order includes Tracksuits, Polo Shirts, Sweat top, training Jerseys, Bench coat, Shower Jackets, hats, shorts, socks, gear bags etc

### Academy on summer break

Our Academy has now taken a well earned break now for the summer and will resume again in early September. Keep an eye on notes for further details. On Saturday the boys and girls enjoyed the 5 a side blitz and had a great day of fun. See ye all in September.

A special thank you to our dedicated coaches - Martin Geoghegan, David Curran, John Ryan, Fran Fraher and David Walsh and our major contributor in many ways - Roy Barton. A big thank you also to the children who attend each week and make the academy what it has become. We look forward to seeing you all again in a months time. Keep your eyes on the notes for details of our return in early September. Our final word is to the children who are graduating from the academy and will move on to the ranks now of Under 11 league football, with their new managers Joe Hart and David Mulvihill. All the children will be contacted shortly regarding the first training session for the U11 team and will also be receiving a Graduation Certificate in the post from the Academy Coaches. Enjoy the break all! Hope the weather improves!

Last Saturday in Kilrush Park, a wonderful day was had by over 80 children, where the God's shone down and not a drop of rain fell for the afternoon. With our Academy taking a well earned break until early September, we finished our Academy with the Byrne's World of Wonder Under 8 and Under 10 soccer blitz. All the children were winners on the day. All our teams had a minimum of 4 games during the afternoon. All players were rewarded with a medal each during our party afterwards. ## County Bord Na nOg Notes

### A WASHOUT

Because of the heavy rain that fell in Waterford City on Saturday last, the officers of County Bord na nOg were left with no option but to call them off on Saturday morning just before 9am. As these notes are been put together no date has defiantly been re-fixed for the finals, although it is possible that some of them could be played by the time these notes appear in print and the other finals could be played this coming weekend. If this is the case, W.L.R.fm will carry details on its sports news and Gaelic Ground programme on Saturday evening.

Butlerstown and Dungarvan qualified for the division one final, Portlaw/St. Mollerans and Sacred Heart qualified for the division two final, Ferrybank and St. Patrick's will play in the division three final and An Gaeltacht and Kilmacthomas qualified for the division four final.

#### Under 11 Ground Hurling Finals.

The under 11 ground hurling county finals are down for decision this coming weekend, but it remains to be seen if they go ahead as planned. In the division one Mount Sion after defeating Passage in the Eastern Final will take on Dungarvan who beat Lismore in the Western Final. In Division two Dunhill/Fenor beat Clonea in the Eastern final and in the west after a replay St. Patrick's came out on top against Ardmore. In division three as these notes are put together the winner in the east of the county is not know, and in the West Ballyduff came out as winners.

#### Congratulations.

Congratulations to the Waterford Intermediate Hurling team on their win over Limerick in the Munster Final last week. Waterford's opponents in the semi final in mid august are most likely to be Galway. The very best of luck is wished to Michael Walsh and his team.

#### Best of Luck

The very best of luck is wished the Waterford Senior Hurlers in this weekends All-Ireland Quarter Finals against Cork. This will be the fifth meeting of the two sides this year in senior hurling and so far Waterford is ahead on wins three to one. This one is the biggest so far and each and every player will have to be at his best if Waterford is going to win.

The very best of luck is also wished to the Waterford under 21 hurling team in their up-coming Munster Final against Cork in Walsh Park. Again this is going to be a big game and each player again will have to be at his very best if Waterford are to advance. Lets hope that by this day next week that we will still have three teams left in Championship action.

**Team Panel:** M O'Neill, W. Barron, E. O'Shea, J. Murphy, M. Cronin, D. Fitzgerald, J. Kennedy, E. Conway, A. Cliffe, S. Keating, T. Tierney, J. Veale, S. Veale, G. Williams, J. Tierney, C. Brien, J. O'Brien

**Under 16 Football Final:**  
 Ardmore played Ring in the final at Fraher field on the 16th July and won on a score of 2-14 to 0-8. This was brilliant performance by our young guns. Leading at half time by two points Ardmore introduced Kenny Murphy in defence and taking immediate command drove Ardmore forward. Towering Shane Leahy at midfield now gave ample supply of ball to the forwards

where they duly converted in to scores. This was a great team performance where the full panel were introduced over the hour. Great credit must go to Pat O'Shea and his selectors for the major improvement he has brought to this team. Mr. Eddie O'Shea Presented the trophy to the winning captain Kenny Murphy. The Club would like to thank The Round Tower Hotel for sponsoring the jerseys.

**Team Panel:** J. McGrath, D. Power, T. Cronin, J. Salmon, K. Murphy, D. Power, C. O'Shea, K. Hurley, K. Conway, D. Carlton, S. Barron, S. Leahy, S. Keating, J. Power, K. Murphy, B. Casey, M. French.

**Best of Luck:** The club would like to wish Waterford Hurlers the best of luck on Sunday next

against Cork. It is a great honour for our club to have three established players on the team and I am sure that Seamus, Declan and Clinton will equip themselves well on the day. Big crowd is anticipated to vacate Ardmore and Grange on route for Croke Park.

**DEISE DRAW:** The next draw is on in Minnies, Abbeyside on Friday night 27th July. All promoters are asked to bring their accounts up to date as this month draw, proceeds goes fully to the County Board Finances.

## Dungarvan Hold Out in Welter of Excitement

Dungarvan 1-13 Ballyduff 0-15

This game played at Cappoquin ended in a welter of excitement as Ballyduff who were favourites tried to bridge the two points gap which separated the sides going into the final minutes. A free taken by Patrick Kearney in the closing minutes sailed over the bar to reduce the gap to a single point, but time ran out for Ballyduff and Dungarvan went through to the semi-final against Lismore.

Referee Tommy O'Sullivan, Cappoquin.

Lismore 1-15 Brickey Rangers 2-8

Here at Fraher field on Friday evening Brickey Rangers certainly put up a stiff challenge to the strong favourites Lismore in a very entertaining first round game.

Lismore who were short a few regulars struggled to stay in front at half time (1-10 to 2-3) and looked to be in a bit of trouble when the scoring gap was reduced to a couple of points late in the second half.

However they rallied and had 4 points to spare at the finish. Towards the end of the match a ball which seemed not to have reached the end line was signalled for a wide during a Brickey Rangers attack. Play continued and a goal was scored but disallowed. Three years ago when the same clubs met at minor level the final score was also very close. Lismore will meet Dungarvan in the semi-final.

Under 21 "B" Hurling.  
St. Olivers 2-19 Clashmore 0-7.

This was a decisive win for St. Olivers who led all the way and were never in any trouble.

The other match which was scheduled for Friday did not take place between Stradbally and Grange as Stradbally were unable to field.

## SARGEANT CUP SH 2006 FINAL

Abbeyside 1-18  
Mount Sion 1-12

It was the final of the 2006 Cup and played at Abbeyside on Sunday, it was a splendid game of hurling and was contested with great earnestness. Both teams were under strength.

At halftime the winners led by 0-11 to 1-4.

Maurice Condon was the referee and the trophy was presented to the winning captain Gavin Breen by county PRO Joe Cleary.

This was the second 2006 trophy won by the club who had earlier won the 2006 under 21 hurling county final.

The club had previously won the Cup in 1963 and 1965.

## GAMES CHANGED

The junior football All-Ireland final involving Wexford and Cork and which was scheduled for Fraher field on Saturday evening next has been changed to Friday because Wexford are engaged in SH against Tipperary in Croke

Park in the refixed quarter final.

As announced through the media, the Kilkenny versus Galway and the Tipperary versus Wexford quarter finals were deferred until Saturday next because of the tragic death of

Mrs. Vanessa McGarry wife of well known Kilkenny goalkeeper James McGarry, who had been killed in a traffic accident on Thursday last.

At her funeral on Saturday evening players and board officials from all over the country

were in attendance. It included several members of the Galway SH team who were to have played against Kilkenny on Sunday last.

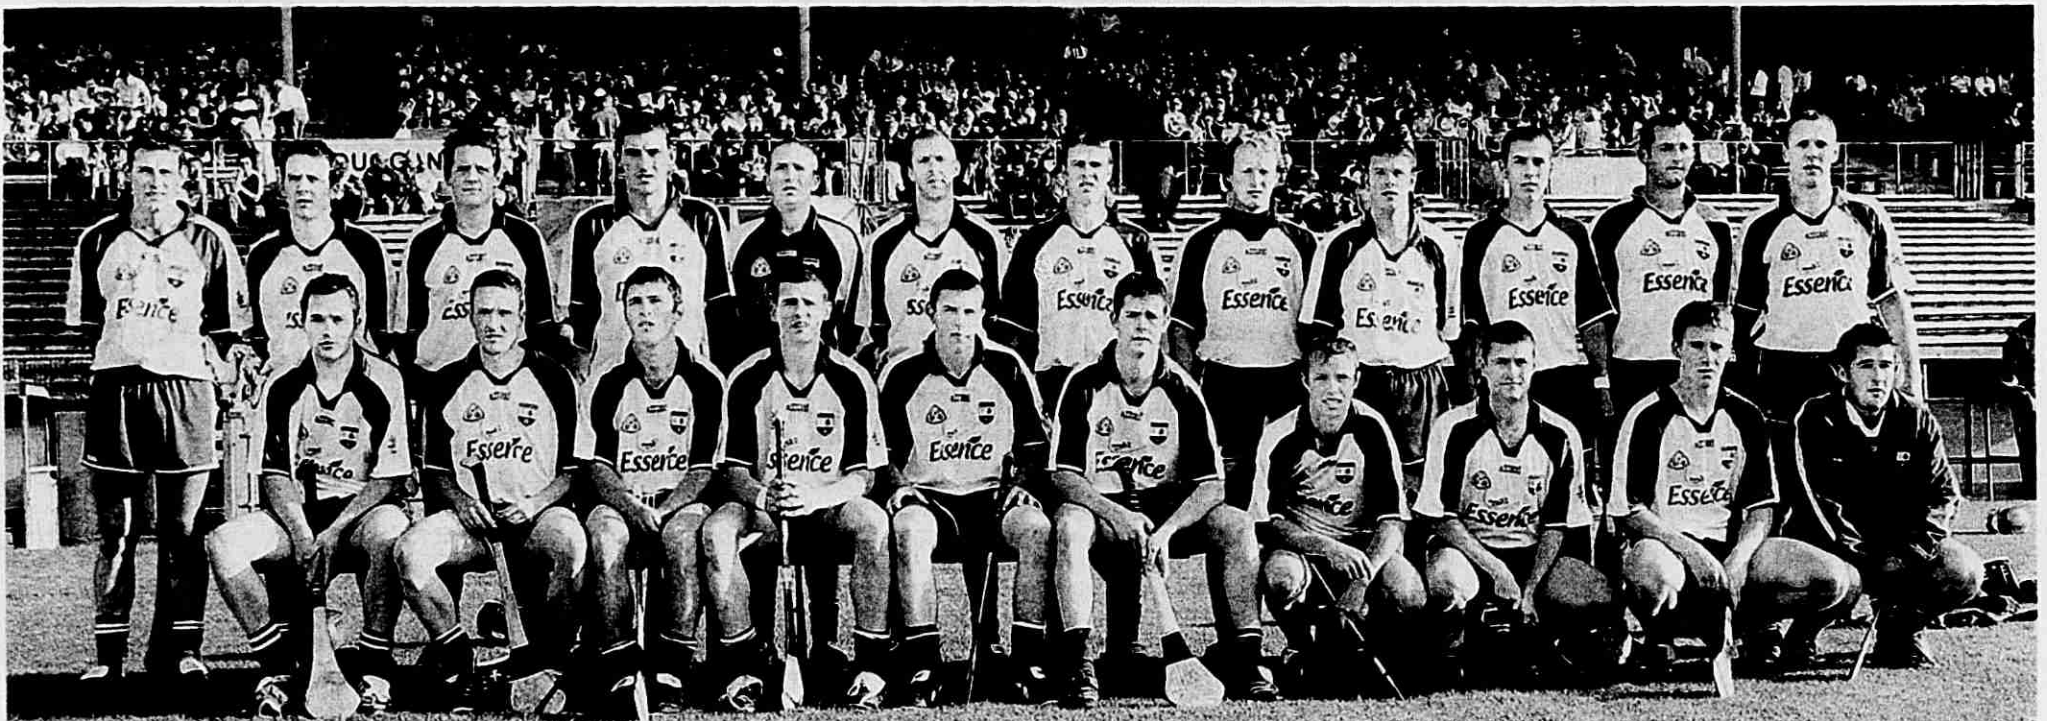

The Munster Council were represented by the chairman, Jimmy O'Gorman.

# History Made At Thurles As Waterford Win First Intermediate Hurling Title

Waterford Intermediate Hurlers Munster Champions 2007

## Waterford 5-11 Limerick 1-12

Deise hurling received another boost on Wednesday evening of last week when the intermediate hurlers took the Munster title for our first time ever when they inflicted a third championship defeat on Limerick within a ten day period. Also it was the first time in our history that we won two adult hurling provincial titles in the same year.

The standard of hurling in this grade was excellent and both teams produced players who seem well qualified for inclusion on their senior panels.

For Waterford every member of the team can take a bow and share in the credit for the victory, but in the few that might be singled out for special mention one must put young Shane Casey top of the list for a super display which saw him strike a total of 3-5 over the 60 min-

utes. The Dunhill player will now surely be added to the under 21 panel and possibly the senior panel also. But this was far from being a one man show and several of the players raised their game from the semi-final against Clare four weeks previously.

Neither was it as one-sided as the final score makes it appear as with 9 minutes of normal time remaining only a single point separated the teams (2-10 to 1-12) in favour of Waterford. The scoring gap at the half-time interval was also a single point in our favour, so it was a touch and go contest for over 50 of the 60 minutes.

The result puts them into the All-Ireland semi-final in which they will play Galway on the weekend of August 11th 12th at a venue to be named. Wexford got the bye and are

through to the final. Waterford supporters outnumbered the Limerick contingent in the 2000 crowd in the stand.

### PLAY

Limerick played with the breeze in the opening half and were first to score when Ruari O'Neill pointed from play in the 2nd minute. They were 2 up in the 4th minute when Richie McVeigh pointed from play. Shane Casey put Waterford on the scoreboard with a nice point in the 5th minute and Donagh O'Sullivan replied with a like score in the 6th minute. In the 16th minute with Waterford trailing by 2 points Shane Casey broke through after a pass from Michael Molumphy for the first of his three goals to give us a lead for the first time. Stephen Barron extended our lead to 4 points with a very well taken 21st minute goal but Limerick fought back to within a point leaving the half-time tally at 2-5 to 0-10.

### Second Half

By the 12th minute each side had added a brace of points to their half-time tally, Eoin Bennett and Ger Power for Waterford and Andrew Brennan and Alan O'Connor getting the Limerick points. A Shane Casey point in the 12th minute was followed with a Limerick goal by Paul Storan who raised their only green flag of the hour. Stephen Barron and Michael Molumphy scored points to restore our lead before Shane Casey's 22nd minute goal gave us a 4 points advantage and sent us on our way. Conor Carey had his goal in the 26th minute and within another minute Shane Casey hit his

third major with goal number 5 and Ger Power ended the scoring with a splendid 60th minute point.

It was a great victory and well deserved, even if a bit flattering as in my opinion Limerick certainly did not deserve to lose by 11 points.

The final score might indicate that the final was won by our forward division, but this was a game in which the defence stood out stoutly and full credit to defenders Ian O'Regan (goal) fullback John O'Leary, centre half back Shane Kearney, who played a captain's role here, Brian Wall, Tom Molumphy, Richie Foley and Wayne Hutchinson. Eoin Bennett and Danny Murphy, Roanmore played well at centrefield before a reshuffle and as well as Casey and Carey, Stephen Barron Michael Molumphy, Ger Power and Pat Fitzgerald each played a very beneficial role in shaping an historic victory.

As well, the five substitutes, John Hartley, Martin Whelan, Michael Kearney, Jason Phelan, David O'Gorman can each feel happy about their contribution to the victory. Well done also to the Management team of Michael Walsh, Dave Barry and Liam Og Daniels and to the back room team Jim O'Keefe, secretary, Jennifer O'Gorman, Physio and Gail O'Sullivan, First Aid.

# An Rinn Through to Knockout Stages

SENIOR FOOTBALL CHAMPIONSHIP — AN RINN 1-7 TRAMORE 1-6

An Rinn 1-7 to 1-6 winners over Tramore in the County Senior Football Championship.

This was played at Fraher field before a very small attendance on Sunday and those who stayed away need have no

regrets as the fare was poor and not of senior standard. An Rinn because of their better display in the second half

took the valuable two points but it must be said also that Tramore were undeserving losers after having been denied a close in free (maybe a penalty) in the closing stages when the teams were level.

An Rinn now have 6 points and are the first club to reach this figure. They are guaranteed a place in the knock out stages. Tramore after three defeats look to be facing a relegation battle. A defeat for them is good news for Kilrossanty who are placed ahead of them on two points.

This was very much a game of two halves with Tramore setting the pace in the opening 30 minutes and leading by 1-5 to 0-2 at halftime.

Their first half goal came in the 23rd minute when Mark Power kicked to the net.

**Second Half**

This half was less than 3 minutes old when Liam O Lonain goaled for the Gaeltacht side and from here on they seemed to dominate, holding Tramore to a single point.

In the 36th minute Seamie MacCraith had a point before David O'Connor sent over Tramore's lone second half score in the 9th minute. The remaining 4 scores were kicked over by Liam O Lonain (3) and Donal O'Murchu.

An Rinn - Tomas O'Caodhla, Lorcan O Muiri, Liam O Cuirin, Eamon De Faoite, Liam De Gras, Cillian O Murchu, Eamon O Crotaigh, Shane O Ceallaigh, Liam O Lonain, Bili Breathnach, Sean O hArthaigh, Donal O Murchu, Padraigh O Murchu Michael O Toibin, Seamie MacCraith.

Tramore - D. Moroney, G. O'Gorman, P. Ogle, C. Whelan, E. Cullinane, B. Power, D. Goggins, M. Whelan J. Hayden, T. Whelan, M. Power, E. Lonergan, B. Costello, G. Walsh, S. Goggins. Sub. David O'Connor.

## SFC RESULTS

There were no shocks or surprises in the three championship games played here over the weekend with wins for Stradbally, Nire and An Rinn.

## Stradbally's Strong Finish The Deciding Factor

**SFC Stradbally 3-10 Mahon Gaels 0-6**

This was exciting stuff for the first 40 minutes while the group side comprising Kilmacthomas and John Mitchels battled gallantly to hold the hot favourites Stradbally now fighting their way back into a challenging position to recover the title which the surrendered to the Nire last year.

A Ger Power goal in the 20th minute gave the winners the lead in a first half that showed absolutely no difference between the sides.

At the halfway stage Stradbally, maybe a trifle lucky, led by 1-4 to 0-3.

For ten or twelve minutes of the second half the game looked to be up for grabs until corner forward Pat Weldon pointed twice in succession to send Stradbally on their way and to win rather comfortably in the end.

**Scorers:** Stradbally - N. Curran 1-2, G. Power 1-0, T. Curran 1-0, P. Weldon 0-3, W. Cunningham 0-2, P. Doyle, T. Connors and P. Foley 0-1 each.

Mahon Gaels - M. Downey 0-2, D. Power 0-2, J. Power and J. Veale 0-1 each.

**Stradbally** - O. Costello, E. Cummins, S. Lannon, T. Walsh, P. Doyle, J. Hearne, T. Costello, R. Ahearne, J. Coffey, J. Connors, G. Power, S. Cunningham, N. Curran, G. Walsh, P. Weldon. Subs played: T. Curran, T. Coffey, P. Foley.

**Mahon Gaels** - N. Cronin, P. Fogarty, N. Barry, P. O'Reilly, M. Downey, D. O'Reilly, J. Hughes, D. Kirwan, P. Behan, Jonno Power, T. Kirwan L. Barry, J. S. Power, J. Veale, P. Kirwan.

Subs played, D. Power  
Referee Donal O'Murchu, An Rinn.

**Nire 0-12 Kilrossanty 0-6**

The county champions, Nire won this tie with something to spare and were never in danger of losing.

Kilrossanty who are hoping to steer clear of involvement in a relegation battle tried hard all the way and were denied a couple of scores because of wayward shooting. The game was played in Colligan on Friday evening.

**UNDER 21 MUNSTER HURLING FINAL**

# WATERFORD PLAY CORK IN WALSH PARK

This very important game is scheduled for next Wednesday evening at the city venue and it will commence at 7pm. Extra time will be played in the event of a draw.

Waterford qualified when defeating Limerick by 2-14 to 2-10 with a 14 man team for 40 minutes.

Cork on the other side of the draw, defeated the holders Tipperary by a single point in a thriller (score 1-14 to 2-10) in Paire Uí Caoimh three weeks ago and on Tuesday evening of last week they travelled to Semple stadium to play and beat Clare on a score of 2-14 to 1-11 and thereby qualified for this final meeting with Water-

ford. Our record against Cork in under 21 hurling is appalling. Last year they defeated us by 3-17 to 2-12 after we had defeated Limerick by 0-11 to 0-10 in Dungarvan.

So far a total of 43 Munster under 21 hurling championships have been played and last year Tipperary went on top of the record list by winning their 18th. Cork have 17 titles and will be hoping to emulate the record held by rivals, Tipperary. Limerick have won this championship on 5 occasions and we have taken the title 3 times. The name of the Trophy is Corn na Casca and it was presented by the Munster

Council to commemorate the 1916 Rising.

On each of our tree winning occasions we defeated Clare. The Banner county have been on the losing side in Munster under 21 hurling finals more often than any other county and they have yet not won the title.

- In 1974 Waterford 2-5 Clare 1-3.
- In 1992, Waterford 0-17 Clare 1-12
- In 1994 Waterford 1-12 Clare 0-12

Here on next Wednesday evening in Walsh Park, we are facing a mighty challenge and it is going to take a super effort to defeat our visitors. To have a

chance of winning the panel must be on top of their form with every player at his best.

Cork having narrowly defeated the holders, Tipperary and then beating Clare by 2-12 to 1-8 will come here as strong favourites to win and equal Tipperary's record. Waterford will go out to prove that they have no fears of the rebels and taking the field in a confident mood who knows what might happen.

The Waterford line out may show a change or two in personnel and maybe some positional changes also and supporters are looking forward to the publication lineout of the over the coming weekend.

# Waterford and Cork Clash in All-Ireland Hurling Quarter Final at Croke Park on Sunday

It is the game that has captured the headlines and the match that they are all talking about - the second championship meeting of the neighbours and rivals in 2007. It is the feature game on Croke Park's most attractive hurling championship programme this season as it also includes the meeting of neighbours and rivals, Limerick and Clare who are billed as the curtain-raiser in their quarter final meeting.

The expected attendance is around 70,000 plus and this will be an all-time record for a non-final hurling programme. The match will be televised live starting at 4 pm and will be broadcast live by WLRfm, radio with Kieran O'Connor and Fergal Hartley.

It is fair to say that nine out of ten Waterford supporters felt certain that Cork would defeat Tipperary in the qualifier and were looking forward to us meeting Tipperary in the quarter final. The general perception was that this would have been the easier route to the semi-final. After the blistering contest between the age old rivals, hurling people everywhere had different views about Tipperary after they had switched off their TV.

Tipperary might have been more dangerous opponents for us?

The 'experts?' on the Sunday Game panel Cyril Farrell and Tomas Mulcahy in a mini-preview of our meeting with the Rebels, each predicted a win for Cork. While I am delighted that those very knowledgeable men made our opponents the favourites, it is not altogether

easy to find the logic behind their reasoning. After all we beat them in the national league semi-final and we beat them in the Munster championship semi-final as well as having defeated them in our section of the league. Those are the facts that one would normally consider when making a prediction.

Not that I have any intention of making Waterford favourites and nobody here in the Deise will want them to be the fancied team.

They will, we know be a different outfit from the side we have played already and now having lost to both their rivals their pride is badly hurt, they are angry and will attempt to play like never before to regain their pride and profile when we meet in Croke Park at 4 pm on Sunday. A journalist told me in Croke Park on Saturday last that he hopes to see Waterford make history by being the first county to beat Cork four times in a row in the same season.

They will have Donal Og Cusack, Diarmuid O'Sullivan and Sean Og O hAilpin back after suspension and Nial McCarthy

will also be fit to resume and their return is no doubt a big factor in switching favouritism to Cork. It might be worth noting here that O hAilpin, Cusack and O'Sullivan were back for the Tipperary match and it didn't seem to matter as the result shows.

Waterford, following their Munster final victory were back into serious training and the veil of total silence which has engulfed the camp is certainly showing a wise approach. No predictions are being made, just a few well crafted comments from the manager.

Their approach and focus for the Munster final against Limerick was right and it seems as if there will be no change in the plan for this vital challenge.

It is conceded that Cork know more about winning important matches than we do. The records cannot be disputed. The Rebels have played in the last three All-Ireland finals and have won two of these. They know that this meeting with Waterford can be the game to prevent them from making it four in a row to Croke Park on the first Sunday in September. Also defeat here may well mean 'curtains' for a few of their players

Over the years Cork have a record for consistency in placing their team in regular positions. Obviously their traditional philosophy is that players will perform better when playing regularly in the one position and close to the same team mates with whom an understanding can be developed, etc.

A continuation of that policy would see Donal Og Cusack in goal behind Brian Murphy, Diarmuid O'Sullivan and Shane O'Neill in the back line and with John Gardiner, Ronan Curran and Sean Og O hAilpin in the half line.

Tom Kenny and Gerry O'Connor will be midfield partners again and up front Nial McCarthy at centre half forward and in between Kieran Murphy and Pat Cronin. Ben O'Connor, Kieran Murphy (Sarsfield) and sharpshooter Joe Deane will complete the rebels attack.

There is an awful lot at stake for Cork here and the prospect of losing for a fourth time in a row this year to the county whom they regard as the greatest challenge to their dominance of the hurling scene in Munster would do irreparable injury to their ego.

Defeat could mean 'lights out' for a number of their players as far as wearing the county jersey is concerned...

## WATERFORD ARE READY

Although there is a veil of silence around the camp, it is known that the Deise are fit and ready with no injury worries. They are reported to be fully tuned up and fiercely determined to atone for the two defeats by Cork in Croke Park over the past couple of years. The burning desire to reverse these agonising defeats will be a factor in propelling the team into the right frame of mind going out in the Park on Sunday.

Such a "now or never" attitude could well be the factor that will shape the result in our favour.

## OUR LINE OUT?

I do not expect to see the team published before Friday morning and even then the named positions are likely to change from what we will see on the match programme. But supporters are getting accustomed to this practice and are more concerned about the final 15.

Here the speculation continues and for the most part focus-

es on the defence where changes are regularly made..

Clinton Hennessey will be our goalkeeper for certain and I'm sure that Declan Prendergast will fill the fullback berth with Eoin Murphy and a choice between Aiden Kearney, James Murray and Tom Feeney for the two corners.

Ken McGrath and Tony Browne will be in the half back line and maybe Kevin Moran.

Team captain Michael Walsh will be again at centre field and will have either Stephen Molumphy or Kevin Moran as his partner.

In attack the line out is likely to be Seamus Prendergast, Dan Shanahan, Eoin Kelly, John Mullane, Paul Flynn and Jack Kennedy..

## THE RESULT

With the bookmakers the counties are each quoted at even money and as far as I am aware from speaking to supporters around the county, that is how everyone feels about the outcome. It is going to be one mighty contest and the game that the nation are looking forward to and I know that luck is going to play a role in the result. But luck apart, I think that Waterford, playing at their best, are good enough to come

## SPECIAL REFEREES MEETING

On tomorrow, Thursday evening a county wide meeting of referees, all grades, is scheduled for Dungarvan. The special meeting is called to discuss the declining standards of conduct (misconduct) and abuse of referees

We have heard of a number of very serious incidents in relation to category (a) offences and of one incident where a very prominent referee who is highly respected in the county, decided to 'call it a day' after refereeing a particular match last week

It is no wonder that the refereeing problem is in a crisis situation in the county. Players who misbehave against referees in a serious way must be treated in a serious way and the clubs to whom they belong must also be punished in some very meaningful way, otherwise our playing activities will grind to a halt altogether. When the situation was discussed at a recent seminar, the problem was described as a four way problem in that in some instances referees are not always blameless as incidents of abuse and misbehaviour are not reported to the relevant boards.

Boards are named as the 4th component in the problem and this refers to cases where appropriate action is not taken for reported misbehaviour

The referees committee now feel that a 'make or break' situation is being reached and I have no doubt but that this important meeting will send meaningful proposals to the appropriate boards for appropriate action to be taken.

## Minor Hurling Championship

### RESULTS Fourmilewater 4-10 Abbeyside 2-6

Fourmilewater were favourites to win here and duly obliged. The game was played at Colligan where the winners kept their slim hopes of remaining in contention alive for a while longer.

In the other "A" minor game, Dungarvan scored a win over Lismore in a top class contest at Cappoquin.

### MH."B"

The two matches played in this grade showed resounding victories for the winners in one sided matches.

Cois Brid scored 6-17 as against 0-7 for Clashmore and in the other tie the game was equally as one-sided with St. Patrick's defeating Stradbally on a 3-17 to 0-1 final score.

### FINAL ROUND UP OF MHC

On this Wednesday evening the final round of the league section in both grades will be

played and after which the officers will meet to arrange the knock out stages in both minor football and hurling.

### Dungarvan v Fourmilewater

This game will take place in Fraher field and unless there is an upset and Fourmilewater win here the survivors should be known this evening. Dungarvan are favourites to win here.

### Cappoquin v Abbeyside At Colligan.

Cappoquin will be hot favourites to win here and confirm their place in the k/o stages of the championship. They are the holders of the title.

It is generally expected that Dungarvan, Cappoquin and Lismore will be the qualifiers in this championship.

### MH"B"

Despite the fact that games must be played this evening it seems that Cois Brid, St.Patrick's and An Gaeltacht are already qualified.

**WATERFORD U21 HURLERS** Congratulations to Waterford u21 hurlers on qualifying for the Munster final v Cork.

Our own Jerome Maher had a solid game at centre back despite being injured in an early collision and the team being reduced to 14 men in the first half. They play Cork on Wed Aug 1st in Walsh Park and we hope Jerome is fit for selection. It's been a busy year for Jerome who earlier this year played centre back for Colaiste Na nDeise in their run to the Harty Cup final.

## Billy Daniels RIP

He well known Dunhill midfielder who helped his club to a couple of titles and who played with the county in a number of grades passed away last week.

Also the very quietly spoken Billy had the distinction of playing junior hurling and junior football for the county on the same day.

May he rest in peace.

## WATERFORD HURLERS

All roads lead to Croke Park for the next game for the Deise Hurlers when yet again, Justin McCarthy's charges will face the Rebels from Cork. Our opponents from over Youghal Bridge will no doubt provide a stern test as Waterford/Cork games seem to be becoming a real rivalry. But hopefully, the lads will repeat their success of the Munster Championship and secure yet another All-Ireland semi-final appearance. Best of luck to all involved from all in Modeligo GAA.

Congratulations also to the Munster Intermediate Hurlers who made it a Munster double with their victory over Limerick last week. And the county's U21 hurlers are also going extremely well at the moment, as they have also secured their place in the Munster Final against Cork. Continued success to you all.

## CLUB HAPPENINGS

With the break in the GAA playing season nearly upon us things on the playing field are at a bit of a lull right now. We haven't seen action in the Junior Hurling competition for some time now, but with two wins to our credit, we are probably in a good position to secure a place in the knockout stages. But with tough tests against both Tourin and Ballinameela we cannot become complacent.

This is also true of our situation in the Junior Football Championship. We actually are through to the Western Semi-Finals in the Premier Grade, but at the time of writing, it is unknown who our opponents will be. However, numbers at training in recent weeks aren't what they should be, so it is hoped that from here on, players will return to the fold and not lapse in their efforts until we get our next fixtures. It is vital that all players in both codes keep informed of training and challenge matches and of course the easiest way of doing this is by actually getting to the field for training. In a year that promises so much, it would be an awful shame to leave all our progress amount to nothing.

## GAA 4 TEENS A GREAT SUCCESS

Last week saw the 1st GAA Camp for teenagers. Held in Fraher Field Dungarvan the camp was open to all teenagers aged 13-16. 43 teenagers took part in the camp from Mon to Thur with guest coaches and coming along to coach along with leagues & skills competitions. Among the guest coaches was Derek McGrath Coach of the DLS Harty & Croke Cup winning teams. Derek put the participants through their paces on Tuesday and showed all how they could improve on their speed of hurling. We were delighted to have 2 Tyrone GAA Coaches give a session to the players. These coaches are coaching Hurling and Gaelic Football in clubs in Tyrone and playing for the famous Moy club, home of Sean Cavanagh and Stephen O'Neill. Both coaches gave Hurling and Gaelic Football Coaching. Waterford Hurling Manager Justin McCarthy was on hand on Thursday to provide some of his expert coaching for all. Justin worked on improving all players striking and movement as well as speaking to the teenagers on his experience at the top level. It was great for all to hear Justin give them advice on what it takes to be a top class player. Waterford Football Star Liam O'Lionain was coaching all week lending his expertise to those participating. Munster Council Chairman Jimmy O'Gorman and Coaching Vice Chair John Landers also visited us. On Friday the group made the long trip to Dublin to visit the GAA Museum and get a tour of the stadium. This was most enjoyable for all involved and rounded off a great week for all. Friendships were made between players from different clubs and many were asking was it on again this week. The answer is yes and the venue is Walsh Park where we will have more of the same.

# Raivis Wins Inaugural Joanne O'Donoghue Memorial Trophy At Autopower Rathgormack 5

Last Friday the Inaugural Autopower sponsored Rathgormack 5 mile road race took place. The race was the second in the Outfield Sports/Asics Summer Series organised by Carrick-on-Suir Road Runners. A good field of 139 runners hit the roads around Rathgormack with 50 walkers also taking on the challenging 5-mile course. All it has to be said done for the very worthy charity The Irish Cancer Society who was the beneficiaries from the participant's involvement. Indeed the tidy sum of 4,000 Euro was raised from the night's proceedings and all those involved must be congratulated on such a well organised event and on the outstanding sum raised.

The winner on the night was Raivis Zakis, West Waterford, who lead from gun to tape. Raivis who also won the first race in the series in Ballyneale had a somewhat easy victory going away from the field at the 1-mile mark he cruised to the finish line in a time of 27.17 on the undulating course. The winner received what can only be described as the magnificent Joanne O'Donoghue Memorial Trophy. Donated to the race by Brunnock family together with Paul, Seán and Darragh O'Donoghue. This specially commissioned trophy was designed and hand crafted by local craftsman Eddie Fogarty. This unique perpetual trophy is made entirely of yew and bog oak. And commemorates the life of Joanne O'Donoghue (nee Brunnock) daughter of John and Maura Brunnock, a native of

Rathgormack, Joanne lost her battle with cancer in December 2001 and this trophy will serve as a fitting tribute to her life. Her husband Paul and two boys Seán and Darragh were on hand on the night to present the trophy to the winner.

West Waterford took the Men's team award with some fine running from Liam Budds, Pat O'Riordan and Garry McCormack. We also had some individual winners when Anne Whelan had a fine win in the Ladies over 40 and Martin Hayes was in the winner's enclosure when taking 2nd over 40.

## Bralitis Takes A Silver And Costin A Bronze At Woodies National Track And Field Championships

West Waterford had six athletes taking part over last Weekend at the Woodie's sponsored National Track and Field Championships, which were held in Morton Stadium, Santry. Sandis Bralitis got Saturday's round off to a good start for the club when taking a national silver Steeplechase medal. Ran over 3,000 meters Sandis recorded a splendid time of 9.12.79 behind winner Mark Kirwan Raheny Shamrocks 9.06.84. Raivis Zakis also took part in this race and he was pleased with his 4th finishing position and he equalled his personal best time for the event when clocking a good 9.34.93. Sandis also took part in the men's 5,000 metres on Sunday and finish 10th in 14.52. Dzintars Klava ran the 1,500

meters on Saturday and was accredited with a good time of 4.03.05, which equals his personal best for the distance. Dzintars also took part in Sunday's 5,000 metres finishing 21st in a time of 15.36. Two more athletes were in action on Saturday when Alan O'Brien ran very well in the heat of the 800 metres qualifying for Sunday's final with his time of 1.56.36. However through injury Alan didn't make the line up on Sunday afternoon, which was a disappointment of him.

Club mate James Ledingham also took part in the heat of the 800 but was unlucky not to qualify with his time of 1.57.56

Jamie Costin was in action on Sunday in the 10,000 metres walk and recorded a fast time of 40.28 which was faster than his winning time of 41.23 in this race last year. Stepping down in distance from his usual 50k event Jamie had to settle for the bronze medal for 2007. Liam Houlihan in the Pole Vault finished a creditable 7th also on Sunday.

Despite the inclement weather over the week end there were two Irish records broken when on the opening day Saturday, Eileen O'Keefe's, K.C.H., smashed the Irish record in the hammer. Her opening throw of 70.68 smashed her own Irish record. But there

was more to come. Second time into the circle she again improved that record with a throw of 72.63. Many athletes would be happy with that, but more was to come still. Round three she launched the hammer even further to 72.57, and then had a massive throw of 73.21 in round four. Round five was a 'modest' 68.50 before ending the

competition with another massive 73.05.

Paul Hession, just a week after claiming the 200m record for himself in Sheffield, was back on the track in this his strongest event. The Athenry Man set himself a new national standard with a superb 20.30, making it a memorable double national record day on the Saturday.

## West Waterford AC Athletes Excel In International Schools

The Schools Track and Field International was held last Saturday in Newport, Wales, and three of the clubs youngsters were on the Irish team representing their schools. Lisa and Thomas Houlihan for St. Augustine's and Zoe Scanlon, Ard Scoil Na Déise. The brother and sister combination of Thomas and Lisa Houlihan were both taking part in the pole vault and they performed admirably with Thomas clearing a super 4 metres to take 2nd overall. Lisa cleared 2.75 and finished 5th.

Zoe Scanlon was taking part in the discus and coming off the back of her terrific win the previous week in the Irish National Championships she was in sparkling form in Newport when throwing the heavier discus she claimed a new personal best of 32.12 finishing 5th in the competition. Club coaches Mary Ashe and Br. Patrick Lennon travelled with the team. Well done to all concerned.

## SUNDAY MORNING LONG RUN

All club runners who take part in the Sunday morning long run from The Crystal Centre are asked to note as and from last Sunday the group now meet at St. Augustine's College at 9.30pm. This change of venue is due to the large turn out recently which has brought its own problems with traffic and parking in The Kilrush Estate. All are asked to co-operate with this matter.

P.S. — To accommodate those travelling Sunday to Croker those interested can come along for the long run on Saturday morning at 9.30 am from the Friary. Those not travelling to the match will do their usual Sunday 9.30 run also from the Friary.

## TQS RUNNING LEAGUE

# Fun Time At St. Augustine's As Ann Gets It Right

A total of sixty-four participants enjoyed the weekly "Guess Your Finishing Time" run in the third stage of the TQS League at St Augustine's College (by kind permission) last Tuesday evening. 24 ran faster than they predicted with 40 others finishing on the right side of the clock.

Despite the soft underfoot conditions (July 17th!) it's fun all the way, especially in the last field on the last lap when everybody gathers for the final effort to the finishing tunnel. Spot on with her time last week was Ann Wright from Modeligo who finished the course in the exact time that she predicted. Ann is really enjoying her running since she joined the club and her victory on the night was both welcome and deserved. No better woman to get it right!

Just one second behind Ann was Pat Connaughton. Pat is really enjoying this league system with Onra Power in third spot which has catapulted her up to second place on the TQS Champions League Table. On the other hand just on the other side of the clock were the two Josie's, Ui Chuirrin (0.01) and Harty (0.03) who narrowly missed out on victory. However its not all bad news for the Josie's as the points they won on the night has moved them from the twenties into the top ten on the league table.

For those of you who are unsure how this particular league works, it is the person that runs the closest to the time that they predict is the winner and not necessarily the fastest person. The winner each night gets 30 pts for their efforts, the next person 29pts and so on down to 1pt. It may happen that on some nights you may not get any points as you may be outside the top thirty finishers on the 'slower than predicted' time on the clock.

The aim of this fun league is to accumulate as many points as possible. For those of you who cross the finishing line before the clock reaches 0.00, you will also receive points. The first person to finish just before the clock reaches 0.00 will get 20 pts. The runner immediately ahead of them gets 19 pts and so on down to 1pt. Everybody, irrespective

of ability, is in with an equal chance of becoming the TQS League Champion. Enjoy the fun!

### STAGE 3 HEROES AND HEROINES

**Men** — Has to be Pat Connaughton. Fastest in his age category and just plain fast. An example to all club runners.

**Ladies** — Amanda Mansfield (3 laps) and Carol Elstead (2 laps). Despite the soft underfoot conditions they made light work of their first time tackling these distances and this will encourage them on their way to fitness.

### TQS CHAMPIONS LEAGUE TABLE

#### O'Muiriosa On Top

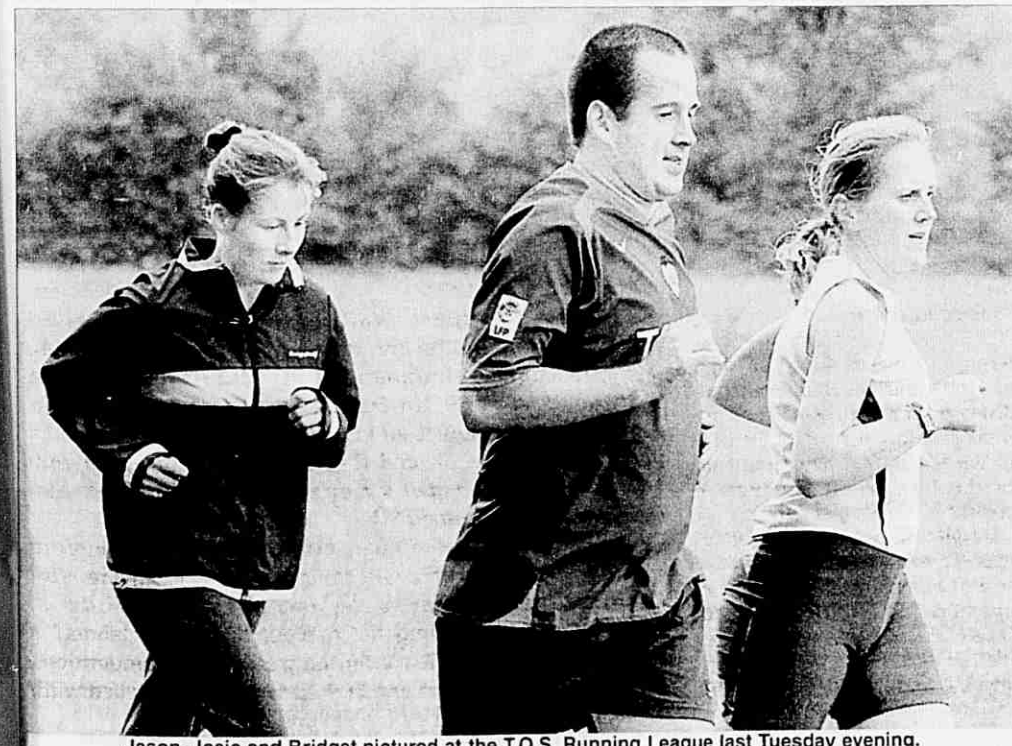

The winning score after eight stages of the TQS league last year was 115 pts. Already after just three stages, Pat Morrissey has gathered 70pts from a possible total of 90. Everybody is watching his moves at the moment agus nil aon cuis iontais e. Pat scored 20pts the first night, 29pts on stage 2 and 21pts last week. A new TQS record points total looks on the horizon.

Pictured is Martina Carver at the T.Q.S. Running League at St. Augustine's College last Tuesday.

Anne, Paddy and Earl with one lap to go at last Tuesday's T.Q.S. Running League at St. Augustine's College.

Jason, Josie and Bridget pictured at the T.Q.S. Running League last Tuesday evening.

However, two women are closing in fast on Pat despite his fine scoring. Onra Power is just three points behind on 67pts and Brid Veale is just a further point behind on 66pts. Earl Navin makes up the top four with a score of 60pts. Last years winner Eamonn Flavin is currently on 40pts. So, don't panic, this years winner may not yet be in top ten, which is as follows:

1. Pat Morrissey (70pts); 2. Onra Power (67pts); 3. Brid Veale (66pts); 4. Earl Navin (60pts); 5. Pearse Moloney (53pts); 6. Hugh O Connor (49pts); 7. Niamh Budds (48pts); 8. Brigid Coffey and Josie Ui Chuirrin (47pts); 9. Josie Harty and Pat Connaughton (46pts).

ROUND TWO OF E.S.B. LEAGUES WEST WATERFORD COMPETES IN CORK.

The club are off Sunday next to Cork I.T. for round two of the E.S.B. Leagues with both our mens and ladies teams competing. Both teams have a fighting chance of qualify for the finals as there is very little between many of the clubs with 12 teams go through to Tullamore on Saturday, August 11th next. It would be a great achievement if we could have both our ladies and mens teams competing at the finals. Our mens team are currently in a healthy position leading division 1 after a terrific day in round one at the R.S.C., Waterford. Our ladies team are currently in joint 11th place but there is very little between table positions in division one here. So with a full turn out on the day we could easily climb into a qualifying position. Transport will leave from the Park Hotel at 10 a.m. sharp. Please contact Tony on 087-7657805 if you require any further information.

NATIONAL MASTERS TRACK AND FIELD CHAMPIONSHIPS

The Masters Track and Field Championships are to be held in Tullamore on Saturday on August 18th next, any member wishing to be entered are requested to contact club secretary Tony Ryan a.s.a.p. On 087-7657805.

# Become Waterford's Next Bainisteoir

## STARS LAUNCH BAINISTEoir - HURLING© GAME AT CROKE PARK

Bainisteoir - Hurling©, the first ever hurling strategy game, was recently launched in Croke Park by Tipperary software company Tailteann Games. In Bainisteoir - Hurling© you can take charge of the Waterford Senior Hurling panel and train and manage players like Ken McGrath, Eoin Kelly and John Mullane through an entire season.

Several top hurling stars were present to launch the computer game including Cork's Ronan Curran, Limerick's Stephen Lucey, Dublin's John McCaffrey and Antrim's Ciaran Herron as well as former Tipperary great and All Ireland winning manager Nicky English. National Hurling Development Officer Paudie Butler and Dessie Farrell, Chief Executive of the GPA also attended the launch of Bainisteoir - Hurling©.

Endorsed by the GPA, Bainisteoir - Hurling© is a management game for the PC which allows you to train and manage your favourite county team through an entire season including challenge matches, the National League and the Championship and experience all the highs and lows as of a real life Bainisteoir.

At the launch of Bainisteoir - Hurling©, Nicky English, All Ireland winning manager with Tipperary, said, "This game imitates every conceivable aspect of a real life senior county Bainisteoir. The attention to detail, particularly in relation to the

planning of training sessions and match tactics adds greatly to the realism and authenticity of the game."

In the game, the role of the Bainisteoir includes negotiating with sponsors, putting together a back-room staff, devising fitness and training regimes as well as selecting your side and the tactics for the weekend's big match. As Bainisteoir, you will also have to deal with the media and cope with player discipline and morale.

"We are delighted to be able to launch Bainisteoir - Hurling©. This game is a culmination of years of work and a genuine love of the game of hurling. We have married our passion for the sport with gaming know-how to realise the end product and we hope that it will appeal to hurling enthusiasts everywhere," said Fergal McDonnell, Technical Director, Tailteann Games.

Tailteann Games was founded in 2003 by Fergal and Pádraig McDonnell from Nenagh, Co. Tipperary. Both brothers are hurling players/enthusiasts who set out to create a unique hurling gaming experience. After four years of growth as a company, Tailteann Games have produced the first ever GAA strategy game. # Dungarvan G.A.A. Club Notes

## UNDER 9 "A" HURLING LEAGUE

Our under 9 team played their first game in the U9 league last Thursday night in the club grounds against Abbeyside. Even though this was the boy's first match together, their performance in the first half was excellent with some great scores coming from the Dungarvan boys. The game in the second half was a lot tighter, but the lads held out for a deserved win. Well done to all the boys that played on the night.

A special mention has to go to one of our U9 stars, who is not feeling too well at the moment. Luca, get well soon from all boys here.

## U-11 "A" GROUND HURLING COUNTY FINAL

A request from Mount Sion sees this match being switched from Saturday to this Thursday night 27th July in our own field at 6.30 p.m.. All support would be appreciated. Best of luck to the boys and girls and hopefully they can bring another underage title to the club.

Western U-12 "A" Football League Championship  
This got under way last night (Tuesday 24th) with a home match against fancied Clashmore. Full report next week.

## U-16 "A" COUNTY HURLING LEAGUE

Our next fixture is against Sacred Heart in our own field next Monday night at 7.30 p.m. The game against De le Salle was postponed last Monday at the request of De le Salle.

## MINOR "A" HURLING LEAGUE

The lads play their last league game tonight Wednesday 25th against Four Mile Water in the Fraher Field at 7.30 p.m. All support will be appreciated and if the lads can win this one they will qualify straight for a western final.

## U-21 "A" HURLING CHAMPIONSHIP

Last Friday night we took on red hot favourites Ballyduff Upper in the first round of the Championship. With a few regulars absent for one reason or another, this was always going to be a big ask for this relatively young team but the experience that they have gained at Minor level stood to them well.

We managed to hold on to a one point win at the end but to be fair, had we converted some of our scoring opportunities in the first half in particular, the margin of victory would and should have been greater. This was our first appearance in the "A" Championship for as many years as I care to remember and it was a milestone victory for the club as it rewards all the work that's been going on at underage level for the past decade or so by a core group of people. Well done to the lads on a good performance. Everyone played their part and their was great support also.

## JUNIOR HURLING CHAMPIONSHIP

Our second string adult team take on Cappoquin in the Junior Hurling Championship this Friday night 27th July at 7.30 p.m. At the moment the venue is Bohadon but this may change.

## SPEEDY RECOVERY

The club would like to wish Polly a speedy recovery from a nasty facial injury that he picked up in a recent league game against Ferrybank.

## BON VOYAGE (TAKE 2)

The club would like to wish Mici Power well on his trip down under. Rumour has it that he changed his flight ticket from last Sunday to this Wednesday 25th so that he could play a league game in hurling. Not surprised. Anyway best of luck Mici for the second time and I hope you enjoy!!

## CLUB SUPER DRAW

Tickets are still available at €5 for our up and coming Super Draw which takes place on 25th August.

## INTERMEDIATE HURLING CHAMPIONSHIP

Dungarvan intermediate hurlers play their last game in the league section of the championship on Saturday night in Fraher Field at 7.30 against Clashmore. We urge all our supporters to turn up on the night and give the lads some vocal support.

## DEISE DRAW

This month's draw takes place this Friday night coming in Abbeyside. Money to be handed in a.s.a.p.

Training for Minors and Juniors on Wednesdays and Fridays at 7pm.

## SYMPATHY

The Club would like to extend its deepest sympathies to Mary Barry of Shandon on the passing of her sister and also to the Dwyer Family of Caseyville on the untimely passing of Margaret. Ar dheis de go raibh siad.

### RESULTS SERVICE

A reminder to all clubs that their juvenile secretary was written to earlier in the year about a G.A.A. results segment that Sean Organ had introduced on his W.L.R.fm radio show on a Monday night. Each club was asked to ensure that results of all their games played during any week were to be with County Bord na nÓg P.R.O. Thomas Keane by 9.30pm on a Monday Night. If results are in by that time, they cannot be read out on W.L.R.fm with all other results. It is no use for clubs ringing W.L.R.fm after results have been read out to complain that their results were not included. Sean has said numerous times that if results are not coming through the relevant P.R.O.'s they will not be accepted. Clubs should text or phone results to 087 2919595.

## An Gaeltacht And Kilmacthomas Must Do It All Over Again

An Gaeltacht and Kilmacthomas must do it all over again in the Waterford G.A.A. Supporters Club Dublin Branch County under 14 hurling Division Four final on Thursday night in Fraher Field after the two sides finished all square at Fraher Field on Monday evening last at Fraher Field.

In the opening half on Monday last, scoring opportunities very limited as both sets of defenders were on top. What chances were given mainly went the way of An Gaeltacht but they failed to take full advantage of the opportunities they had but still managed to go in at the break a point in front. The opening half was a very low scoring affair, just three white flags in total were raised in the opening twenty five minutes. Donal Breathnach playing in the centre of the field for An Gaeltacht opened the scoring after seven minutes of play. Six minutes later Ray O Ceallaigh doubled his sides advantage with another point. The only other score of the half came two minutes before the break when Evan Joy pointed a free for Kilmacthomas to leave the score at the break 0-2 to 0-1 in favour of An Gaeltacht.

The second half was a much more lively affair with scores coming on a much more regular basis. Paul Weldon opened the scoring inside two minutes when he scored Kilmacthomas' first goal of the game. Ray O Ceallaigh and Ciaran O Toibin scored points on three and six minutes to tie up the scoring for An Gaeltacht. Paul Waldron put Kilmacthomas back in front ten minutes into the second

half with a point. Donal Breathnach put the scores back on level terms after 14 minutes, but Kilmacthomas soon raced back into the lead when Evan Joy scored a goal a quarter of an hour after the re-start.

An Gaeltacht from the puck out attacked the Kilmacthomas goal and soon had the scores level again with a goal from Ciarán O Toibin. Five minutes from time Dylan Power who impressed for Kilmacthomas throughout the fifty minutes pointed a sixty-five to put his side back in front. However it was not all over and in stoppage side Richie O'Murchu saw a goal bound effort just rise over the crossbar to tie the scoring. The two sides will re-meet this Thursday evening in Fraher Field at 7pm where if required extra time will be played.

An Gaeltacht — Ian Sanford, Eoghan O Murchu, Cristóir Breathnach, Lucás O Cuirrín, Lorcán O Cuirrín, Odhrán Ó hUallacháin, Donal Breathnach (0-1), Ray O Ceallaigh (0-2), Fergal O Cuirrín, Ciarán Tóibín (1-1), Fergal O Ceallaigh, Richie O Murchu (0-1), Jamie de Barún, Subs Liam Ó Ronán, Conor McDermott, Nioclás Ó Condúin, Dillan Ó Tóibín.

Kilmacthomas — Conor Brown, Adam Walsh, Ciarán Lynn, Jack Dee, Dylan Power (0-1), David Sutton, John Halley, Dylan Moran, Jamie Walsh, Evan Joy (1-1), Ryan Gallagher, Paul Weldon (1-1), Ciara Cronin.

Referee Robbie Whelan (Kilrossanty).

### VHI SUMMER CUL CAMP

Next Monday 30th of July will see the start of the VHI Summer Cul Camps at Ballinameelagh. Times are from 10am to 2.30pm. Prices are €55 per child and €100 per pair. Players must be aged 6years to 13. Suitable playing gear should be worn and all players to bring a hurley and a helmet. Players are also required to bring a packed lunch and if sunny bring sunscreen.

### U-16 HURLING

Well done to our U16 hurlers played Fourmilewater last Mon-

day night who ran out easy winners on a scoreline of 5-10 to 0-7 although it required an excellent second half performance as there was only three points between the teams at half time.

### U-21 HURLING CHAMPIONSHIP

Congratulations to our U-21 hurlers who had a fantastic win against Clashmore last Friday night where they completely dominated the game from start to finish. On a damp and wet night at Old Parrish our lads adapted much quicker to the slippery conditions and quickly went into an

early lead. With everyone on the team working exceptionally hard by half time we were leading on a score of 1-9 to 0-3. As expected Clashmore rallied early in the second half but it was to no avail as our lads dug deep to resist the onslaught and having weathered this early storm we were comfortable winners on a scoreline of 2-13 to 0-7. There were some notable performances on the night with an outstanding display at centre half back by David Phelan. Stephen Fitzgerald who dominated the full back line and by Stephen Kenefick. James O'Brien and Danny O'Keefe who tormented the Clashmore backs throughout the game.

### U-8 HURLING TOURNAMENT

Last Wednesday night our lads took the field in Clashmore for their 3rd tournament of the season. They hadn't had much of a chance to play actual matches as opposed to training so this would be a good change for them.

Even though they played excellently the first two matches in the tournament were not to go their way. Tiernan O'Connell made a lovely score during the first match and so the lads spirits were not deterred by losing. When playing Ballyduff Tiernan scored again along with a wonderful goal by Liam O'Brien. He made sure he was first to the ball and was committed until the ball reached the back of the net.

Sam Hallahan was a wonderful player on the day of the tournament as well, and the goalkeeper Michael made many brave saves throughout the day. It was great to see them all enjoying themselves and committing what they had learned at training and putting it into practice. The St. Oliver team scored points in every match and Liam O'Brien scored the marvellous goal for our side.

### CLUB GEAR

Club hoodies are now on sale in the club. Hurlleys and helmets are also available at much reduced prices than the shops. These are all available through Dave Power 024 96449.

The first draw will take place at the October Delegate Meeting, with a bumper draw for the December Meeting incorporating many Christmas prizes. More anon.

## DELEGATE MEETING

The 1st Delegate Meeting of season 2007/08 will be held at The Red House Bar Lismore on Monday 13th August at 9pm.

Fixture Secretary Noel Hegarty will announce the times for the 1st Rounds of the Tony Bolger Cup which will commence the following Sunday 19th August.

Noel told us the league will kick off weekending 1st /2nd September, and there will be plenty of fixtures played this season on Friday nights, Saturday afternoons and both Sunday morning and afternoon. Noel went on to say clubs have already contacted him to play their games on Saturdays. Noel said this is a great help as it eases the pressure on referees, as we wrote in our notes last week, there is a shortage of the men in the middle this season.

Some clubs will realise sooner than later that they may not have a fixture

every weekend unless they start supplying referees to the league.

Referee's Assessor, Lenny Fraser, will organise a referee's course as soon as he has enough new candidates, and clubs must see this is the only step forward.

Noel also said the management committee of the league is this season putting a lot of effort into the Oscar Traynor Cup team, as the past two seasons have shown how close we came to qualifying for the knockout stages. The same applies to the clubs playing in the Umbro FAI Junior Cup and the Lucozade Sport Munster Junior Cup. So for us all we can look forward to a very busy season ahead.

## AMATEUR INTERNATIONAL AT TURNER'S CROSS

This Wednesday 25th September, the Irish Amateur team play the USA in an international at Turner's Cross with a 7.30pm kick off.

On the following Saturday afternoon at Cooke Park, Tipperary, The Irish Junior Team play the USA in an international, with a 2.30pm kick off.

Both games are a wonderful opportunity to see the cream of Junior Footballers in action, and for some clubs in the WWEC, they will have played against many of the Irish internationals in action in the two games, in both the FAI Junior Cup and the Munster Junior Cup.

For those who love their junior football, either one or both games are a must to see.

## AMATEUR REVIEW

As was mentioned at the Annual General Meeting of the WWEC, and we wrote in our notes recently, the FAI is to carry out a review of the amateur game in Ireland. This will involve consultation workshops throughout the country starting in September.

These forums will give everybody involved with the grassroots game an opportunity to voice their opinion and offer suggestions for its future development. Clubs, players, coaches, administrators, officials etc, will be expected to attend from all the leagues in the country, and they can express their concerns, issues, priorities and what they would like to see done to make their game better.

Football is the highest participation sport in Ireland making it the most widely played game among adults. Most of this participation is in amateur leagues. The FAI, in its development plan, recognises that the foundations of the sport are built at club, school and local level, and as such are committed to the development of a more effective Amateur game structure and the provision of appropriate, organised, quality competitive football opportunities for all involved in the game at this level.

It is an opportunity for all of us involved in amateur football to give our input directly to Genesis on the future of the game.

Two consultation meetings will be held locally, Cork on Wednesday 19th Septem-

ber, and Clonmel on Monday 1st October. It is imperative that all our clubs are represented at those meetings.

## NEW CLUBS PLAYING IN LEAGUE

There has been much speculation in the past few weeks that some new club/s will be playing in the WWEC Junior League next season. We can definitely say that Ballybridge will be back with us after a break of a few seasons. We are all delighted that John McSweeney and his Ballybridge are playing Junior football again John has been working hard at underage level in the past few seasons and the WWEC is delighted that he should be back in the top ranks again.

Both John and Tom Power, Ardmore, have been instrumental in setting up the web site for the league, a web site that is very informative and is proving to be a wonderful success. The web site is [wwec@fai.ie](mailto:wwec@fai.ie)

Last weekend we heard that the prospects of an other team joining the league is imminent, but unfortunately print time did not allow us make time with any of the management committee. Needles to say we will hear more this week.

## TICKETS FOR SUNDERLAND VISIT

Hon Secretary, Paddy Pollard asked to mention in our notes again this week that the League's allocation of tickets for the visit of Roy Keane's Sunderland to Turner's Cross this coming Monday night to play a Cork City Selection are all sold. In fact we understand that the game is a sell out with a maximum 7,000 all seater tickets sold. For every one present it will be an opportunity to see the Sunderland team that will be playing in the Premiership in a few week's time.

Roy Keane has some new signings that will be on view with Kieran Richardson from Man Utd, Michael Chopra from Cardiff and Newcastle, and of course hopefully Sunderland will have signed Scotland goalkeeper Craig Gordon for a British goalkeeping record of 10 million pound sterling, and this will give the Cork attendance the chance to see Gordon making his debut for Sunderland.

Once again, all tickets are sold for the game unfortunately.

## NATIONAL IRISH BANK SUMMER CAMPS

This week the National Irish Bank Summer Camp takes place at Ardmore FC Soccer Ground and commenced last Monday 23rd July and finishes on Friday 27th July. We are led to believe a record number of boys and girls have enrolled for the week.

Three Summer Camps have already concluded and were outstanding successes, Ballybridge, Cappoquin and last week Bride View. The final camp in our league will take place in Castlebridge from the 13th August to the 17th August.

# Stradbally Soccer Notes

## UNDER-13 GIRLS

The league is now coming to an end with just two games to go and we are in a very good position and could be in with a shout. We had a very good win last week and after two years of trying, Maura finally scored her first goal. Great effort by the half time gang who really put in a great effort when they came on. I think Katie must have broken the club scoring record. Valerie in defence had a solid game while Aoife had one of her best games in midfield, Lauren must have been heart broken for the Bohs keeper who just would not let any of her shots past her and full marks to Bohs as they never gave up.

Team: L Condon, N Farrell, D Forsey, A Farrell, V Heffernan, C Crowley, C White, A Power, K White M Power C McGrath, S Curran, M Crowley, M Condon, S Navin, L Kett.

Training for all Under-10, 13 and 16 on Thursday night at 7pm. Best of luck to the girls involved in the GAA championship match on Wednesday evening.

## NEW SEASON

Its that time of the year when the AGM is over and officers and team managers have been assigned and various squads have to be sorted. As it stands our Senior team have no manager and this will have to be sorted out. This team has the ability to do well but changes will have to be made if we are to stand any chance in the league. The team will have to work as a unit. Discipline will have to be enforced and above all players must want to play for the team, it must be your team and not just a team where you turn up as you please. Effectively we will have moved up a division with the restructures of the leagues.

The over-33 team is a new team and while it will cater for those who just want a game, there is no way one can say that a player is over the hill at 33 so it will have a competitive edge to the games and we would welcome a few new faces to this squad and yes there will be training.

Membership for all this season be it players, coaches or members will be 10 euro. Players registration fee will be 70 euro. Therefore a player will pay 80 euro. Students and first year apprentices will pay 40 euro. Players please get your fee in as soon as possible. The insurance will cover a player out of work due to injury up to 600 euro per week for six months with the first four weeks exempt.

All members will be issued with a membership card.

## UNDERAGE

We are fielding two under-11 teams, under-12, under-13, under-14 and under-16. Most teams are ok for numbers but at the moment under-14 and under-16 are struggling. There is no way we can have a team right on the age for every team so players will have to step up a year in some cases in order to get teams together. So please in order that all can be involved in games, we need a few new players in all ages to be catered for. Up to the age of under-13, girls can play on boys teams, we have a good core of girls involved in underage football at the moment. Not all will want to play on boys teams but we hope that some will play.

Please note that all teams will be starting back in the coming week with under-11, under-12 and under-13 are back on Saturdays. Under-14 have already been back this week.

## FAI SOCCER SCHOOL

We wrote here last week of the details of the FAI soccer school in Dungarvan. Unknown at the time but the camp is booked out a good month in advance so it would be advisable that one would book early next year. Also the goalkeeping camp in Bohs, Waterford is also booked out. If one still wants to get onto a camp, there may be the possibility of Carrick for the coming week. One may ring 1890 653 653 to check availability.

## LOTTO

The next draw takes place in Whelans Stradbally. Please support.

## COMMITTEE MEETING

## Waterford Under '16's Camogie

This under 16 Camogie Team have qualified for the All Ireland B Semi Final. They will be playing against Down in Rathcoole on Sunday 29th July time to be announced later.

These girls have put a huge effort in training and have reaped their rewards for this by qualifying for the above game by winning all their matches. Under the guidance of Lar Jackman, Morgan Conroy and Rita McCarthy. They have gelled into a formidable team.

The panel to do duty next Sunday is Aisling Flood Gaultier, Caoimhe Fitzgerald Butlerstown, Carolann Power Gaultier, Catriona McGlone Lismore, Emily Heneghan, Jackie Forbes Tallow, Jean Byrnes Butlerstown, Jenny McCarthy Cappoquin, Jessica Gleeson Ardkeen, Jessica Galvin Johnson Cappoquin, Maire Russell Lismore, Mary Claire Dunphy St Annes, Michelle Tobin Tallow, Niamh Ryan St Annes, Patricia Jackman Gaultier, Rachael Murphy Lismore, Rachael Whelan Lismore, Rosemary Power Butlerstown, Sarah Fenton Lismore, Sarah Smith Gaultier, Shannon Denton Ardkeen, Shauna Kieran Lismore, Tracy Kiely Cappoquin and Una Jackman Gaultier.

## Shamrocks G.A.A. Club Notes

### SUNDAY NEXT

All roads lead to Croke Park when Waterford and Cork clash in the All Ireland Quarter Final with the winners meeting Limerick or Clare in the semi final. We wish our team the best of luck in the game, and we look forward to huge support from all parts of the county.

### CLUB LOTTO

The draw which was to have taken place on last Saturday night was postponed until Monday night July 23rd owing to unforeseen circumstances and we would ask members to contact any promoters with a view to be included in the draw.

### DEISE DEVELOPMENT DRAW

The next draw will take place on Friday night July 27th and we would ask all members from the club to have money with Johnny Baldwin club co-ordinator as soon as possible.

## WATERFORD LADIES FOOTBALL

Waterford enjoyed a good spell in the closing stages of the half and Mary O'Rourke pointed 3 frees to leave Mayo 0-09 to 0-04 at the break.

Try as they did Waterford couldn't get any closer. Stauntan continued to score at will ending with a total of 1-10. Aoife Murphy, Marion Ryan and Mary O'Rourke (2) shot points to leave Waterford 0-014 to 0-08 behind after 50 minutes but Mayo finished strongly, shooting 1-5 without reply.

Very few Waterford players can feel happy with their performance. Grainne Kennelly, Rebecca Hallahan and Michelle McGrath battled hard in defence. Aimee Jordan did nothing wrong in goal and in attack the only threat came from Mary O'Rourke's frees and Cliona O'Keefe tried hard at mid-field.

So next Saturday's clash with Dublin in Dr. Cullin Park in Carlow is a must win game for Waterford. Dublin beat Kerry last weekend and victory over Waterford would assume them a quarter final place.

Waterford-Aimee Jordan, Lorraine Whelan, Rebecca Hallahan, Eibhlis Cooney, Grainne Kennelly, Mary O'Donnell, Michelle McGrath, Fiona O'Reilly, Cliona O'Keefe, Mairead Wall, Linda Wall, Michelle Ryan, Karen Kelly, Mary O'Rourke (0-06), Aoife Murphy (0-01), Subs-Evelyn O'Brien, Niamh Briggs, Marion Ryan (0-01), Niamh Mc Grath and Patricia Fitzgerald.

### U-16 HURLING

Fourmilewater U16 hurlers were beaten by Naomh Brid in the U-16 Championship in the Millfield on Monday week last. Best for Fourmilewater were David Fitzgerald and Jamie Barron.

### CONGRATULATIONS BRIAN

Well done to Brian Wall who was a member of the Waterford Intermediate team who beat Limerick in the Munster Final in Thurles. This adds to the Senior Medal he won in 2004. Well done Brian lets hope you go all the way.

### INTERCOUNTY

All roads lead to Croke Park on Sunday next when Waterford take on Cork in the All-Ireland Quarter Final. It should be some game and one that will go all the way to the wire. A lot of Waterford people are disappointed we are not playing Tipperary but I don't share that point of view. We are better off playing Cork now because if we

are going to win the All Ireland we have to beat them all and no better place to start than Croke Park next Sunday. Up the Deise!

### U-21 HURLING

Fourmilewater U-21 hurlers had an exciting draw with Comeragh Gaels in Fraher Field on Sunday evening last. The score was 2-6 to 0-12. This was a very good performance for a very young side. R Fenton got 0-10, G Guiry 0-1, D Guiry 0-1.

The team was as follows: J Fenton, D O'Donnell, D O'Gorman, JP Fitz, Shane Lawler, P Horkan, A McGrath, M O'Gorman, S Lawler, M Moore, C Guiry, J McGrath, D Guiry, R Fenton, S Byrne. Subs D Coffey, D Mulcahy, S Cooney, E Cooney, G Guiry, T McCarthy.

## Brickey Rangers G.A.A. Notes

Dungarvan were overall winners and advance to the county final.

Panel of players: Conor Whelan, Michael O'Dwyer, Niall McCarthy, Jordan Whelan, Cathal Curran, Cormac Curran, Conor Houlihan, Shane Nugent, Carthach Barry, Sean Curran, Conor Morrissey, Darragh O'Grady, John Blackwell, Diarmuid Gallagher, James Cotter.

## BALLINAMEELA GAA CLUB NOTES

### JUNIOR HURLING CHAMPIONSHIP

We play Ballysaggart in the junior hurling championship on Friday evening next in Cappoquin. This is the third round of this championship and after loosing to Kilgobnet in the last round this is a must win game for us. Ballysaggart have beaten us already in the league this year in what was a very entertaining encounter in Ballinameela. Friday evening's game should be a lively affair, with both teams needing a win. It would be great to have a big support at the corner stone venue for this game. Throw in is at 7.30 pm.

## C.L.G Lios Mor

### CONGRATULATIONS

Congratulations and well done to the Waterford Intermediate Hurlers who overcame a very strong Limerick performance on Wednesday night last in the Munster Final in Thurles. Congrats to all our club hurlers who were involved with the panel and to team captain Shane Kearney who was honoured to collect the cup from fellow Lismorian Jimmy O'Gorman.

### BEST OF LUCK

Best of Luck to Dan, Dave and the Waterford Senior Hurlers as they once again take on Cork in the All Ireland Quarter Finals on Sunday. Hopefully victory will once again be ours!!

### ALL-IRELAND QUARTER FINAL TICKETS

Please note that tickets that were ordered through the club will be distributed at the Community Centre on Friday night between 7.00 and 9.00 p.m. Please note that any uncollected tickets will be returned.

### UNDER 21 HURLING

Our under 21 hurlers had their opening game on Friday night last when they played Brickeys in Fraher Field. Both sides opened well and with unseasonal weather conditions gave their all. The Lismore side gave a very good performance especially in the second half and ran out eventual winners.

### LOTTO

The winning numbers in Monday night's lotto were 14, 21 and 24. There was no winner of the E6,500 jackpot. Next week's jackpot will be E6650. The E15 winners were: Maura Fenton, New Street, Mike Keane, Parks Road, Annette Keane, Parks Road and Delia Cashell, Coolisheal.

### SYMPATHY

Sincere sympathy is extended to the family of the late Stephanie Doyle, Tallow who's untimely death occurred recently. Sympathy is also extended to our new Parish Priest Fr. Michael Cullinan on the death of his brother at the weekend.

## Clashmore/Kinsaleabeg G.A.A. Notes

### TRAINING SCHEDULE

Training will take place on Tuesday night ahead of our championship game on Saturday evening.

### U-21 HURLING CHAMPIONSHIP

#### Clashmore 0-7 St. Olivers 2-14

Played at An Sheana Phobal on Friday evening last on a very wet night for hurling, this was our first and last outing in U21 hurling this year as it is a knockout competition. This is a pity for lads at this grade as it is scant incentive for some to stay playing GAA with only one outing in both U21 hurling and football to show for their year. The system at this grade needs to be either changed or scrapped for an alternative grade.

To the match, and Clashmore were chasing this game from early on as St. Olivers imposed themselves on the game, with Danny O'Keeffe and in particular James O'Brien to the fore with O'Brien scoring three unanswered points between the 10th and 16th minute of the game. We went in 1-10 to 0-4 points down as scores came much easier to the Aglish men, with our lads depending on O'Keeffe frees to keep us afloat.

To their credit our lads made it a lot harder for the opposition in the second half containing Olivers to scoring just 1-4 to our 3 points.

Team: D. Curran, S. Burke, C. Burke, D. Coughlan, K. Dunne, J. Seward, E. Ledingham, P. Griffin, C. O'Keeffe, D. O'Neill, G. Dower, M. Barron, E. Kelly, D. Allen, K. Power. Subs used: A. Trihy, M. Trihy.

On a personal note it was good to see Kevin Dunne back in the Red and Green again after an extended absence.

### MINOR HURLING CHAMPIONSHIP

We played our third game in this championship on last Tuesday night against Cois Bhride, but were not a match for this combined team as we were well beaten. It seems ridiculous though that this opposition (made up of Tallow, Shamrocks & Ballyduff) should be graded in the 'B' division, as it is unfair on smaller clubs and there must be little reward for them in winning matches so easily.

### MATCH FIXTURES

The Munster Senior League tie against Cahir due to be played last night was postponed because our Intermediate Hurlers are now playing their championship tie versus Dungarvan on next Saturday at an unconfirmed time and venue. This is an important game and we urge all of our supporters to come along and cheer on our lads.

Also our Junior Hurlers may be playing their championship match against Geraldines on Friday night, also details of which are not to hand yet.

### CONDOLENCES

The club would like to extend it's deepest sympathies to John and Anne Lafferty, Kilgabriel on the death of Anne's brother, Anthony Clarke in Canada during the last week.. Ar dheis Dé go raibh a h'ainm dlíis.

### DEISE DRAW

This month's Deise Development Draw takes place on this Friday night and can any monthly members owing money please contact your draw promoter regarding same to ensure your entry in the draw. Our luck has been in for the last few draws so here's hoping that will continue.

### MUNSTER FINAL

We would like to extend the best of luck to the Waterford Hurlers and all involved in the upcoming All-Ireland Quarter-Final Tie with Cork next Sunday. Let's hope that lightning will strike twice and may all of our supporters travelling to Dublin have an enjoyable weekend but also a safe one on the roads.

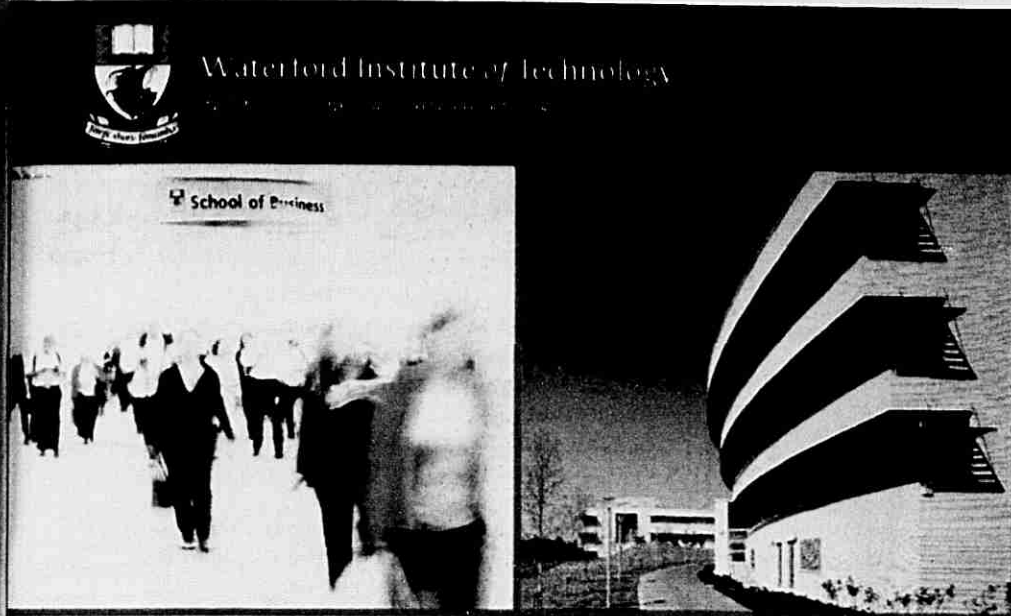

### CLUB WEBSITE

After a very busy month on the interweb, we urge anyone who as of yet haven't had the chance to log on, to have a look on ,where you will find that the website has had a bit of an overhaul and you can find up-to-date news and a new club notes archive. A big thanks to all of our online visitors for their support and for your continued support of our sponsors.

### CLUB LOTTO

There was no winner of last week's jackpot of EUR5,800 when the numbers drawn were 22,25,26 & 27 and the EUR20 consolation prize winners were K. Harding, Dublin; S.Seward, Grange; Declan Condon, Ballinacash; Pat Walsh, Modeligo & Niall Connery, Clashmore. Next weeks jackpot will be EUR5,950 when the draw will be made in Mo's Bar and if you not in you can't win! Thanks to all of you for your continued support of our lotto draw by buying and selling tickets.
