## Appeal Expected Against Controversial Quarrying Operation

### OVER 70 SUBMISSIONS MADE TO QUARRY PLANS

By Kevin Korrane

A number of local residents are expected to lodge an appeal against Waterford County Council's decision to grant conditional planning permission for controversial work at one of the largest quarrying operations in the county.

The county council recently granted permission to Whitechurch Quarry, Cappagh, subject to 34 conditions.

But, residents fear the operation could contaminate the local water supply including a regionally important Karstified Aquifer System, and damage local water courses and local habitat.

The permission allows the John A. Woods Ltd. owned quarry to continue quarrying activities including the processing of aggregates, landscaping, restoration and associated works and retention of existing buildings.

#### CONTENTIOUS

The most contentious aspect of the original application is the proposal by Whitechurch Quarry to excavate down to -29 metres, which residents claimed

would contaminate the water supply with silt.

Residents also fear the effect on the River Brickey of the run off of groundwater from the quarry.

#### HISTORIC SPRING

In a number of submissions to the planning process, objectors also warned that a historic spring may be endangered.

St. Cathaldus's Spring in Canty has been a site of veneration since the Saint's birthplace was re-established as being in the small West Waterford townland. Water levels were said by some local groups to have had been affected by the extensive nearby quarrying operations.

# Welcome For Scheme Encouraging Community Use Of Udaras Holdings

By **KEVIN KIRrane** scheme for community groups or other non commercial local projects in regard to the use of Údarás na Gaeltachta properties has been welcomed by the authority's Ring/Old Parish representative Cllr. Fiachra Ó Céilleachair.

Combined Credit Unions of Dungarvan, Piltown and Carrick --on-Suir August Car Draw Presentation — Chrissie Dwan, Piltown Credit Union, Eddie Fitzgerald, Nissan Dungarvan. Mary O'Brien, Carrick on Suir Credit Union, Tess O'Shea, winner of Nissan Almera. The next car draw will take place at the Piltown Show on Thursday 6th September.

Speaking at the Údarás monthly Board meeting, Councillor Ó Céilleachair said: "Many community initiatives of a cultural and social nature are present in the Gaeltacht.

"It's correct for the Údarás to extend beyond its enterprise development role to formally include this sector as regards utilisation of the authority's resources.

"Already, in both Ring and Old Parish, the Údarás has a pro-active role in the promotion of things like childcare, youth camp and youth club activities, adult education, the development of Irish language based enterprise and cultural tourism, nurturing the arts and providing help to sporting and recreational activities.

"It's important also for the Údarás to nurture groups whose aim is to provide employment for those with special needs. This new scheme will cement the role of Údarás na Gaeltachta, in the use of its properties, as a central player in the social and cultural lives of people living in communities like Ring and Old Parish"

## One in ten children suffer from head lice at any one time

As over 450,000 primary school children head back to school in just over a week, pharmacists are issuing a message to parents to be prepared for head lice to help avoid widespread infestations in schools across the country. It is estimated that one in ten children suffer from head lice at any one time with head lice becoming more challenging the longer infestations go undetected. 80% of head lice infestations occur in children between the ages of 4 and 16 and outbreaks can be distressing for children.

According to pharmacists head lice prevention can be accomplished easily through routine screening at home, early detection and thorough manual removal of all lice and nits. Pharmacists are also highlighting the need for parents and guardians to seek advice from their local pharmacist with regard to the best product to use to treat their child. Treating head lice involves the use of lotions and sprays some of which are alcohol-based, which people should be aware of, especially if their child suffers from asthma or other allergies.

Dungarvan Pharmacist Daragh Connolly MPSI said, "We are urging parents to take a pro-active approach in learning what to look out for in the first place, to check their children's heads for head lice and nits regularly and to know how to effectively get rid of the lice in a safe way. Unfortunately this vigilance is not just a once off and there is a need for vigilance throughout the school year."

Pharmacists can advise parents on all cases as well as specific problems which might arise for example, where children have asthma, a pre-existing skin condition or where treatment has failed previously. "Children of all ages are vulnerable to pesticides, especially those who suffer from asthma and allergies. It is always best to be safe and seek advice from a pharmacist or other healthcare professional. Under no circumstances should lice treatment products be used "just in case" a child might have lice or in an effort to prevent them", Mr Connolly said.

The first sign that an infestation is present is usually an itchy head; however older children and adults may not experience any itching. The most reliable means of detection is regular wet combing which is combing wet hair with a nit comb.

What to do:-

1. Check children's hair for lice regularly - once a week. Wet comb

the hair every week. Tie up long hair in a pony tail to avoid hair coming into contact with other hair that might be infested.

2. Treat the hair only if live lice or unhatched eggs are present. Treat the child as soon as possible. Always seek advice from your pharmacist on the most appropriate products to use.

3. Inform the school, contacts and friends when your child has nits. The school can then inform other parents that there is an outbreak, so everyone can check and treat their own children.

For further information on head lice, see [www.ipu.ie](http://www.ipu.ie).

# Massive Turnout On Helvick Pier To Welcome Dungarvan Bay Swimmers

A section of the crowd who attended the annual Ballinacourty to Helvick Head, Dungarvan, Co. Waterford charity swim, in aid of the R.N.L.I. Life Boats. Picture: Michael Kiely.

On Sunday last, Helvick Pier was host to the largest and most successful gathering of people ever assembled in the thirteen-year history of the RNLI Annual Sponsored Swim and Barbecue. Well over one thousand people turned out to welcome the sponsored swimmers on the bunting bedecked pier as they made their way across the mouth of Dungarvan Bay from Ballinacourty. The weather was perfect with hot sunshine and a warm sea breeze blowing gently from the NE. The occasion was a wonderful feat of organizational ingenuity and great community spirit, a fitting tribute to those brave crew members of the RNLI who volunteer their time and services often under dangerous conditions to save life at sea.

The festive atmosphere on the pier was enhanced by the Dungarvan Brass Band, their instruments glinting in the sunshine, the tantalising aromas of hamburgers seductively wafting to the strains of their music and later to The Mad Hatter aka Michael Wright who kept everyone going with his good humour and eclectic mix of foot-stomping songs for all ages. Meanwhile the Ladies' Hospitality & Catering Committee served a huge variety of the most exotic sandwiches, cakes, tarts and beverages to hungry but appreciative punters. Special guests Tom McLeod, ex coxswain of the Ballycotton Lifeboat and his wife Josephine were charmed and delighted to meet up with many old friends from the RNLI and sailing fraternity.

Over on Ballinacourty Pier the excitement was mounting too. There was a large group of supporters, friends and onlookers, many there after Sunday lunch at the Gold Coast; the RNLB Alice & Charles was in attendance and the swimmers and safety boat owners had been briefed by Hon RNLI Fundraising Chairman Christopher Kelly, and blessed by Hon RNLI Chaplain Edmond Cullinan, and were making their way to the starting point of the swim, just under Ballinacourty Lighthouse.

Fairway the lead boat flying the Waterford flag under the captaincy of Kieran Donnelly from DHSC had motored out from Dungarvan Quay with Robert O'Connor and Jimmie Cleary. Kieran asked a question passing Davy Murray "Who was Davy Murray and why did he get a channel marker named after him?" RNLI Hon Press Officer Joan Clancy was also on board enjoying Mary's salmon paté and rhubarb tart, but nobody knew the answer. "Look at that cormorant, he is such a little pet, he is there forever!" said Kieran, savouring the last of the tart.

Now the safety boats and swimmers were at the starting line, and DHSC members Mossie Brennock and Leonard Russel were pleased that the impressive flotilla of over fifty attendant boats were very well spread out, so Mossie in the capacity of Starting Steward, gave the signal which reverberated from his hooter and the 13th Annual Sponsored Swimmers took off for Helvick.

The water was warm in patches, and so clear that the bottom could be seen by the swimmers in some places.

Kiddies on Helvick Pier were enthralled by the magic and balloons of the Wobbly Circus, and by Andrew, Adam and Alanna Carey dressed in colourful costumes, courtesy of Spraoi. Sponsored swimmer James Twomey also entertained as a magician, and then after some secret spell metamorphosed into a colourful and larger than life clown with an enormous blue balloon representing planet Earth over his head. And girls and boys enjoyed having their faces painted in fantastic styles by Fibi Breathnach, Rosemary Clancy, Eleanor Kiely and her daughter Kate. Kiddies Goody Bags courtesy of the RNLI were in great demand, and the RNLI Souvenir Stand did an unprecedented volume of business under the stewardship of Anne Mc Carthy, Connie Kiersey and Pádraigin Ní Cadhla.

Meanwhile the red Search & Rescue Helicopter from Waterford Airport could be heard overhead, and they did a wonderful high line exercise for all the people to see, dropping their winch man expertly down, and winching him up again, displaying an amazing feat of skill and accuracy off Helvick Pier. Everybody was stunned by the sheer size and enormity of the aircraft, and proud that the pilot was a woman. As the swimmers arrived on Helvick slipway, they were welcomed by the cheering throngs and by RNLI Hon Committee Member Pádraigin Ní Cadhla who officially thanked them individually for their participation.

Once all the swimmers were safely ashore Hon Chairman Christopher Kelly welcomed everybody to Helvick "...a testimony to the huge outpouring of support and recognition of the hard work and dedication of the RNLI Helvick Lifeboat Crew, who are always willing to risk their lives to save life at sea.

I'd like to thank the swimmers around whom this whole event revolves. And there are so many people who have helped us in so many ways.

"I would like to thank the Search & Rescue Helicopter for their outstanding demonstration, the Civil Defence Ambulance who are on duty here today, the boat owners and crews who gave up their time, the RNLI crew, the local and national businesses and individuals who have sponsored our food & beverages and raffle including Spar-Paudi Breathnach, Eye Individual Eyewear-Christopher Kelly, Liam Harty, The Mill Restaurant-Michael Pettit, Seanachai Bar & Restaurant-John & Mags Hurley, Lawlor's Hotel-Michael Burke, Páaco-Kareen Jones, Kilkenny Crystal, Davitts Restaurant-Declan Hodman, Tipperary Water-John Kelly, Restaurant Q82-Andrew Quealy, Old Forge Restaurant-Mary Moloney, Irwins-Megavision, Joan Clancy Gallery, The Flynn Family-Park Hotel, Eurospar, Garvey's Super Valu, Value Centre, Centra Abbeyside, Gold Coast Hotel-John McGrath, Dunnes Stores, Morrissey's Super Valu, Glenpatrick Spring Water, Convenience Foods Carrolls Cross, Grehans Centra, The Country Store-Conor Lannen, Willie Bumster, Kathleen Mulcahy, Dungarvan Brass Band, Spraoi, Maurice Butler, Dungarvan Drama Club.

"An Garda Síochána, Waterford Co Council, Dungarvan Town Council, photographer Mary Tobin, Coláiste na Rinne, Michael Wright, and Dungarvan Brass Band have all been very helpful to us.

"I would also like to acknowledge the help and encouragement of RNLI Area Fundraising Manager Anne Sweeney for whom nothing is insurmountable, Hon Station Chairman Ian Walsh for his wisdom and sound advice. And most of all, my hardworking officers and committee members with whom I am justly proud to have the privilege of working. Thank you for a job well done".

Sponsored Swimmers Clare Morrissey, Eddie O'Mahony, James Twomey, Darren Ó Droma, Micheál Curran, Kolette Enright, Eanna Sheehan, Ruth Cahir, Laurence Boland, Joe Harty, Síle Walsh, Mark O'Donovan, Maeve Moran, Aidan Finnegan, David Byrne, Andrzej Siciarz, Donal Buckley, Shane Ryan, John Murray, Ciara O'Mahony, Elaine O'Grady, Una Cummins, Marie Barry, Michael Hanrahan, Emmett Curran.

As the sun went over the yardarm, the festivities continued informally in Tig Murrithé with Disco Nicolás, and people danced the night away to the beat of the music and the mesmerizing spell of the lights, grateful for another successful fundraising event for the Helvick Lifeboat.

# Valuable New Bus Service For Dungarvan

By Kevin Korrane

Dungarvan had been one of the few large towns and cities in Ireland without a dedicated shuttle bus service. That was until Hallahans Bus and Coach Hire from Cappoquin took the opportunity to found a permanent year round service for the people of the town.

It took six months of planning before the new quality service

## DUNGARVAN AND ABBEYSIDE ESTATES SERVED BY NEW SERVICE

officially began on August 1st serving areas that range from Sean Dun, Tournore Park, Ballinroad, Collins Park, Springfield among many other areas.

With traffic congested streets one of the things Dungarvan has in common with other large towns, the service not only appeals to those without their own transport, but for those with cars to leave them at home and travel in comfort and safety.

It has received a great reaction since it started, Monnie Hallahan told the Dungarvan Leader.

"The service has been very popular with people," he said. "It is open to everyone to use and provides a useful service to people living on the outskirts of town who would like to come into the centre to go shopping."

There's a ninety-minute turnaround in the constant day-long service, allowing people to go down town for short periods or a full day depending on their needs.

Over September, they are also looking at bringing in schoolchildren from the outlying areas of the town.

Explaining how the service came about, Monnie said: "Every other major town in the locality has a town bus service. So we thought why shouldn't Dungarvan have one. It's a very useful service for people."

The service costs just €2 each way and brings people from a

collection point in their own estate to a drop-off point between the Civic Offices and the SGC cinema.

The independently run service is so far using one 22-seat bus on the route, but if the service takes off and is well used it may be extended to other routes with more buses.

The service begins at 8.30am with the final bus returning at 6.15pm.

"It's a constant round. It takes place every 90 minutes. It's a very useful service because a lot of people don't have cars.

"The people travelling on the bus at the moment are absolutely thrilled with it."

He said they're hoping in the future with more people using the shuttle service and leaving behind their cars, traffic chaos will be eliminated in the centre of the town.

Timetables of the town service will be delivered to households in the coming days.

Anyone looking for more information on the bus service or a copy of the timetable or indeed anyone with any suggestions for the service can ring Hallahan's Bus and Coach Hire at 058 54065 between 9 am and 1 pm everyday.

## VIEWPOINT

### LATEST RESCUE HIGHLIGHTS IMPORTANCE OF RNLI

The rescue of a young man, trapped on the sheer cliffs of Helvick Cove last week, once more highlights the importance to the area of the local RNLI service.

The lifeboats have been called out on countless occasions over the past year often braving horrendous conditions facing swells, poor visibility and driving storms to bring about rescues.

On this latest rescue, one of the team aboard the Alice & Charles Lifeboat shimmied up the dangerous outcrop of cliff, succeeding in tying a rope around the distressed twenty year-old man in order to secure him to the rocks until the rescue helicopter arrived to winch him to safety.

Sometimes this breathtaking bravery goes almost unnoticed until it affects someone close to you.

But it should not be forgotten. And neither should it be taken for granted.

With the increase in leisure activities on the sea around our coast, the number of callouts has risen in tandem.

This looks set to continue to escalate further in the years ahead with the demographic of seafarers changing from experienced fishermen to seasonal leisure users.

Plans for a multi-million euro marina mean the number of leisure boats will increase, with vessels coming from both the locality and other parts of Ireland in far greater numbers than ever before.

The bad weather over the summer has also been a factor in the remarkable number of rescues this year some of which have involved perilous situations.

The sea has throughout Irish history been a rich provider and a cruel taker.

Thanks to the diligence of the RNLI, which it is incumbent on everyone in coastal counties - in particular - to support, tragedies, which would have undoubtedly occurred this summer without the presence of the local service, have been averted.

## TRAVELLERS RETURN TO SHANDON

The arrival of the fine weather to Dungarvan also heralded the return of other less welcome seasonal visitors.

Last week a small convoy of travellers illegally encamped at Shandon, once more making life a misery for the residents of the nearby social and affordable housing estates of Sean Dun and Estuary Heights.

It's been a long running, and it would seem currently a largely intractable problem.

The fact is the Town Council's hands are tied by its own, and the county council's inaction.

Without a permanent transient site somewhere within the Dungarvan Electoral Area, illegal encampments will continue to occur as will all the problems associated with them including lack of sanitary facilities for the travellers themselves.

It's too simple to just cover every area with large boulders, and cover over lay-byes and green areas. The problem is more complex than that, and the solution rests with the local authority.

The local authority is obliged to provide one transient halting site in the west of the county, one in the Dungarvan area and another in the east.

However, besides for stating in their objectives that this was what was planned three or four years ago, nothing has been moved forward.

The reason for this is simple.

There isn't the stomach for a transient halting site or the planning or legal objections that are almost certainly set to follow the identification of an area for a site.

Travellers themselves need to hold their hands up and admit their behaviour is at least partly to the blame for this attitude among settled people.

The problems at Shandon halting site where the recently built chalets have effectively been trashed by the travellers strike fear into settled people.

Solutions to the problem will be difficult to find in what is a real culture clash between the settled and traveller communities.

But a solution must be found, and soon.

Someone must grasp the nettle for the sake of communities like Shandon who are really suffering because of illegal encampments.

They will continue to suffer directly due to the inaction of the local authority unless properly managed, policed and maintained transient sites are built.

By failing to do so, they are failing their legal and moral obligations, and failing the people of housing estates such as Shandon, whose lives will continually be made hell by intimidation, anti-social behaviour and from health fears due to the unsanitary disposal of waste unless and until they fulfil their duties.

# Abbeyside/Ballinacourty Men to travel to Capetown South Africa with the Niall Mellon Township Trust

Ian Kiely, Sean "Hiker" McGrath and Pat McGrath are volunteering with the Niall Mellon Township Trust to travel to Capetown South Africa in November to build better housing for the vulnerable and less fortunate.

Every year the Township Trust requires volunteers to travel to South Africa as part of the Township Challenge. Since the challenge began, volunteers have helped build over 280 homes. Their work has helped wipe shacks off South African soil and replace them with decent brick homes. In 2007 1000 volunteers will travel in November to continue this fantastic work.

Every year, even after the volunteers have completed the Challenge, work continues. The employment of township residents is a vital component of the Trust's work and has currently a workforce of 175 men and women. Employment offers the township people the opportunity to gain experience, develop skills and enjoy the job and financial stability they so desperately seek and deserve.

In 2007 it is hoped to build 150 houses in one week.

## Colaiste Student Is Number One In Ireland

(continued from front page)

Speaking to the Dungarvan Leader, he congratulated Caitriona on her wonderful achievement and said she brought honour to herself, her family and indeed to her college.

He also complimented her teachers, Deputy Principal, Moira Dunford, who teaches Business Management, Rosemary O'Driscoll, teacher of Taxation and Business Law and Muireann Fitzgerald, who teaches Financial Accounting.

"The standards achieved by both accountancy classes this year were outstanding with several students achieving top marks," Mr. Buckley said.

Colaiste students, Deirdre Colender and Therese Kirby who are in their final year Accountancy examinations were also placed in the top ten in the country.

Mr. Buckley said that most students who had successfully completed their Accountancy course were now in employment or had gone on to further education.

Like the rest of her class, Caitriona returns to the Colaiste to continue her accountancy course in September.

## BellX1 Star To Appear In Heartbeat City

By Kevin Korrane

Irish music star, David Geraghty of BellX1 is to make a personal appearance at Heartbeat City in Dungarvan Shopping Centre next week.

Geraghty, who has launched his own solo career, launches his debut album 'Kill Your Darlings' on September 7th and the day after is to visit Dungarvan as part of a promotional tour.

It will be followed by a limited number of Irish live dates to be announced soon.

After an exhilarating adventure with BellX1 and with time on his hands following the release of the band's third album, Geraghty decided it was his time to explore his own personal musical leanings.

All along he had been collecting songs and decided it was time to take the leap and release a solo record.

The result is Kill Your Darlings, a ten track personal reflection that tips its dark, broody hat to the work of Buckley, Martyn and Drake.

The album features many well-known talented performers: Clare Finglass brings her Julie London style dusty tones to the recordings; drummer Kevin

Brady and double bass man Dave Redmond inject a smoky, backroom feel; and Cora Venus Lunny adds majestic violas and violins.

Kill Your Darlings marks a strong arrival for the solo work of Geraghty, which will continue to co-exist alongside his collaborative work with BellX1.

## Appeal Expected Against Controversial Quarrying Operation

(continued from front page) of Waterford County Council, also suggested that a buffer zone to be retained around the entrance to a system of caves, known as Kilnagreany Caves - which are close to the quarry - was inadequate as the true extent of the underground tunnels is not known.

CONDITIONS

However, significantly, one of the 34 conditions, stipulates that no excavation will be allowed below 10 metres in order to protect the aquifer system and local water supplies.

Whitechurch Cross Roads, which has been the subject of a number of complaints over its condition due to quarry lorries

using the junction, must also be restored.

Meanwhile, a condition in the county council's planning permission also stipulates that Sand Martins who are nesting on the site must be protected.

SUBMISSIONS

Among the 70 submissions made to the council, were observations made by the Brickey Concern Group, a large number of individual local residents, Kathy Sinnott MEP, Dungarvan Town Councillor, Michael Cosgrove of Mount Odell, and Waterford ICMSA.

Residents, who made submissions, are now also said to be considering appealing the decision to An Bord Pleanála.

### Option 2

The second option available to those looking to purchase a property overseas is to raise a mortgage in the country where you are purchasing (Emerald Financial can arrange overseas property mortgages in all locations worldwide).

The amount a bank will advance will vary from country to country, as will the percentage of the purchase price they are prepared to advance, the maximum term they are willing to offer and the interest rates they will offer. Mortgage lenders across Europe will assess your ability to borrow based upon your net income; your total outgoings both at home and with your new loan should not exceed a maximum of 40%-45% of your monthly net income.

# OVERSEAS PROPERTY MORTGAGE OPTIONS

Over the past number of years the number of Irish people who are purchasing property abroad has increased significantly.

People are typically buying overseas for two main purposes.

The first reason is for investment, a number of Irish investors are looking overseas for properties they can rent out to earn a reasonable return.

The second reason is for buyers' own personal use, i.e. holidaying. Whilst you may rent out your property and hope that the rental income will repay the mortgage, you will want to take advantage of your property at some time during the year for you and your family's own use.

Irish People have been purchasing in locations worldwide, and some of the more popular locations have been in places such as the UK, . . . . . and the USA.

### Financing your purchase

When it comes to raising finance for purchasing an overseas property, finance can either be obtained in Ireland by releasing equity on an existing Irish property or it can be raised locally from a bank in the country where you are purchasing.

### Option 1

The majority of Irish lending institutions will not advance funds to purchase a

property overseas. They will, however, advance money to you on an Irish-based property on which they can obtain a legal charge. A lender in Ireland is not interested in the property you are purchasing abroad; they are interested in the property you are using in Ireland to raise the money that will be used to fund your purchase overseas.

### WHAT IS A REPTILE?

Reptiles have been on earth for over 300 million years. They are vertebrates (animals with backbones) and are usually covered with scales, or plates, which are rather like plates of armour. Some have short legs, while others have no legs at all. Reptiles are cold-blooded. This does not mean that their blood is cold, it means that their body temperature depends on their surroundings, so in cold weather, for example, a reptile feels cold. Most reptiles lay eggs, but there are some lizards and snakes, such as rattlesnakes, that give birth to live young.

#### One Reptile Is The Size Of A Paperclip

The smallest reptile is a gecko from the West Indies. At 19mm (3.4in) long, it is a bit shorter than a paperclip. At the other end of the reptilian scale is the reticulate python, which can grow to a gigantic 6m (18ft), long enough to stretch all the way from the ground to the roof of a three storey house. The world's heaviest reptile is the saltwater crocodile, which can weigh as much as 1,000kg (2,200lb).

#### Many Lizards Have A Third Eye

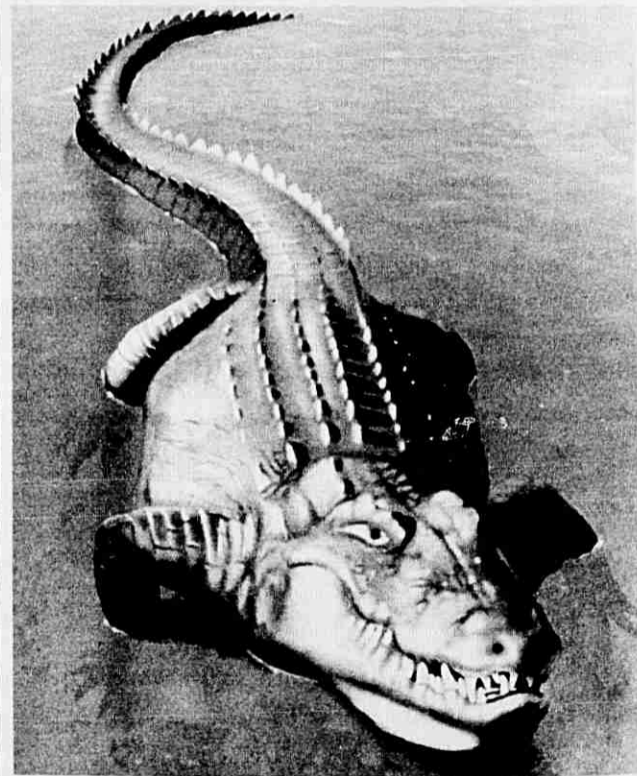

The brains of reptiles are quite small and not very well developed. This means that most lizards move quite slowly, with simple movements. Many lizards have a light sensitive area in the top of their heads just beneath the skin. This area is called the pineal eye, and is sometimes also known as the 'third eye'. It is thought to register solar power and is probably used to control some behaviour that is dependent upon light. Vipers, pit vipers and rattlesnakes have special cells in their heads that can detect heat. The snakes use these cells to hunt their prey in the dark.

#### Different Types Of Reptile

There are about 6,500 species of reptiles in the world. They belong to four main groups, or orders: crocodiles and alligators; turtles tortoises and terrapins; lizards and snakes; and the tuatara. There are three main types of reptile body; lizards, alligators and crocodiles have a long body and a long tail; snakes have a very long body with a very short tail; turtles and tortoises have a rounded, shell-covered body with a short tail.

#### The Tuatara Is A Fossil

The tuatara, which lives on small islands off New Zealand, is nicknamed the 'living fossil' because it is the only living member of a group of reptiles that is related to the dinosaurs. It is olive green or grey in colour and about 60cm (2ft) long. It looks like a lizard but its skull is a different shape.

### DID YOU KNOW?

- ★ The South American snake, the anaconda, is the longest reptile, reaching over 9m (30ft)!
- ★ A tortoise presented by the English explorer James Cook to the Tongan royal family in the 1770's lived until the 1960's. If tortoises could only speak!
- ★ The reptile most eaten by humans is the green turtle.
- ★ The giant Galapagos turtle nearly became extinct in the nineteenth century because passing sailors kept dining on it.

# Waterford Seniors Two Times Better Off Than A Decade Ago

By Kevin Kirrane

A new study has revealed senior citizens in Waterford are twice as well off now as they were a decade ago. According to a Seniors Money study, the leading provider of Lifetime Mortgages in Ireland, which looked at the relationship between property values and the State pension, Waterford residents have never been better placed to look to their own homes and utilise a small element of their equity to boost retirement income. Figures reveal that average property values in Waterford are now running at a staggering 25 times yearly State pension incomes. Contrast this with ten

years ago, when property values here only ran at 13 times the State pension of the time. Pensioners can now take some comfort in the knowledge that their retirement need not have to be the cause of financial worry. John Coade, Seniors Money Consultant in Waterford said, "Although there has been much commentary of late on the recent cooling in the Irish property market, this does not negate the huge increases Irish property values have experienced over the last decade. "And while lobbyists have urged the government to increase pension provision, it is unlikely that we will see radical reforms of State pension in the near

future. "Ireland's ageing population should be made aware of any possible solutions to this equation - while basic state pension will remain the same, many are in the position to boost this income by availing of the consequences of the Irish property boom, and results from Seniors Money latest Index would signal that more and more people in Waterford are doing just that. "A lack of adequate pension provision and a high rate of home ownership underpin the demand for lifetime mortgages which is expected to grow strongly over the medium-long term," he said.

# New Film Exclusively Showing In Dungarvan SGC

By Kevin Kirrane

A new film featuring 'Con Air' and 'Intermission' star Colm Meaney is to show exclusively in SGC Dungarvan cinema. 'Kings', a 15A cert film is in Irish with English subtitles, and is digital presentation. SGC Dungarvan is the only cinema outside America that has all digital projection. The cinema is also equipped with Dolby 5.5 sound with a loop system for the hard of hearing. Written and directed by Tom Collins, 'Kings' is a universal story of disenfranchisement and search for identity. Beginning in the '70's, it follows a group of six young men who leave the West of Ireland for England in the hope of making their fortunes. They all plan to return home, but

flashing forward 30 years, only one, Jackie Flavin makes it home - but does so in a coffin. Jackie's five friends reunite at his wake where they are forced to face up to the reality of their alienation as long term emigrants who no longer have any real place to call home. Collins's long awaited, tender film speaks directly to the dispossessed and disenfranchised who fill our city streets, to those with nowhere to call home and shows us what we call home is always much closer than we think. 'Kings' was produced in association with the Northern Ireland Film and Television Commission, the Broadcast Commission of Ireland and TG4 with the participation of the Irish Film Board.

## Man Bites Dog M'uncail - 3rd Programme In The Céad Seans Series Being Aired Thursday

The third programme in the Céad Seans series is being broadcast this Thursday, 30th August at 8pm. The programme was made as part of the Ard Dioplóma in Tv Production course in Nemeton with Rose-Ann Ní Fhoghlú Donal Foleys niece as director and Julie Flavin as editor.

Man Bites Dog, M'uncail, a documentary about the iconic journalist and writer, Donal Foley, looks back at his life and his work. Twenty five years after his death, Donal Foley is especially remembered for his satirical column in The Irish Times, Man Bites Dog, and for his autobiography, Three Villages. The half-hour programme was made this year to celebrate the impact he had on the Irish Times newspaper and on journalism in general. It looks at the various events in his life, which shaped his writing and his journalism, such as the fact that he was born in the Ring Gaeltacht of Co Waterford in 1922. In the programme Donal Foley is remembered by friends and colleagues, including the writer Maeve Binchy; the Irish Times editor Geraldine Kenney; the film-maker Muiris Mac Conghail; Donal's daughter, Deirdre Morrissey; his nephew, Irish Examiner journalist Donal Musgrave, Eoghain Ó hAnluain a former Irish language lecturer and his two brothers, Seosamh and Breandán Foley. Sadly Breandán passed away recently. The programme is presented by The Irish Times journalist Catherine Foley, Donal's niece.

The second year of the Higher Diploma is due to commence mid September and two more places have been made available. Anybody interested in doing this amazing course is advised to contact Triona Uí Bhroin in Nemeton on 058 46499 or triona@nemeton.ie

## Cork v. Waterford Re-match at Traditional Boats Celebration in An Rinn

Cork got their revenge on Waterford on Saturday last (25th August 2007) in An Rinn - not on the hurling pitch but at sea during the Traditional Boats Celebration organised by Waterford County Council as part of National Heritage Week 2007.

A crew of Cork rowers took on the locals in the second of two naomhóg (or curraich) races organised to celebrate our traditional boat heritage. Members of the Cork city-based traditional boat makers organisation Meitheal Mara travelled to An Rinn with two four-man naomhóga (Rinceoir na Gréine and Magic Brute), which raced each other, with the Cork men crewing one boat and the second boat being crewed by locals. The Cork crew ran out easy winners in the race, which was preceded by a race between two local teams in two local three-man naomhóga - An Manannán and An Columbán. These boats were built by pupils from Meánscoil San Niocás in An Rinn a few years ago as part of a transition year project, under the tutorage of Pádraig Ó Duinnín from Meitheal Mara. The races took place from Baile na nGall pier out the bay almost as far as Heilbhic and back and the spectators enjoyed the race commentary by Micheál Ó hUallacháin, while cheering on the teams in the bright sunshine.

It was back to Meánscoil San Niocás then for the presentation of the prizes of hand-crafted pieces from local glass artist Róisín Ní Chionnfhaoilaidh and Éamonn Turraoin's Críostal na Rinne, with each race participant receiving something for their efforts. The presentation was followed by a most interesting and

informative talk and slide presentation on traditional boats from around the Irish coast, given by Críostóir Mac Cárthaigh from the Folklore Department of UCD. Those attending also had an opportunity to view a variety of exhibitions - (i) 'From Salvage to Salvation', an exhibition on ship wrecks along the coast of Co. Waterford (courtesy of County Archivist, Joanne Rothwell) (ii) a DVD on restoration work on the traditional 'prong' boat carried out by a local community group in Cheekpoint (courtesy of Andrew Doherty) (iii) a selection of historical nautical artefacts from Dungarvan Museum (courtesy of Willie Fraher) and (iv) a slide presentation of old photographs relating to the maritime traditions of County Waterford (courtesy of Silbheastar Ó Muiri).

Waterford County Council would like to thank most sincerely all of those who contributed to a very successful Traditional Boats Celebration to kick-start the Council's National Heritage Week activities. Events to come later this week include:

A talk entitled "Tracing Your Irish Police Ancestors" by Jim Herlihy at Dungarvan Castle on Thursday 30th August at 8pm.

An Archives and Artefacts event in Lismore Library on Sunday 2nd September 2pm-5pm, where a panel will offer free advice on your old photographs, books, maps, drawings, deeds, or artefacts.

To find out more about these events, both of which are FREE, contact the Heritage Officer at 058 21119. For information on more Heritage Week events around Waterford see

## Massive Set Dancing Programme with Helen and Paddy 2007-2008

With September 3rd fast approaching all those who love dancing will wait in anticipation for Monday the 3rd. Helen and Paddy will commence the set dancing season 2007-08 with their programme of events starting at St. Mary's Hall Presentation Convent on Monday September 3rd 8.30 - 10.30 pm. Crotty's, Leamybrien Tuesdays 8.30 - 10.30 pm. Cappoquin Community Centre, Wednesdays 8 - 10 pm. Home venue at Old Parish Thursdays 8 - 10 pm.

Helen and Paddy have built a custom built venue at their home in Ballinroad, Old Parish to cater for the expanding numbers of dancers from every age group.

During the summer months they held regular dances on Thursday nights. This was enjoyed by large numbers of dancers from all over Co. Waterford and South Kilkenny, East Cork. As usual the cupán tae was provided with beautiful refreshments that many enjoyed.

### Charity Fund Raising

Over the past twelve months

Helen and Paddy have raised huge sums of money for many local charities.

This is a novel way to raise funds for the charities involved.

Many of the dances are two hand dances and a large number of Waltzes are included in each

nights programme.

For 2007-08 the "Gathering" in Killarney is the highlight of the set dancing programme nationally.

Again in 2008 the Costa Del Clonea weekend of dancing is a must for dancers who travel from

near and far.

Many book the whole weekend and the enjoyment and hospitality has to be experienced to be believed.

So come dancing for fun and as Helen says "Keep smiling and dancing".

## Environment Today

TAKE PRIDE IN OUR COUNTY  
BE SEEN TO BE GREEN BY  
HELPING TO KEEP IT CLEAN

Recent statistics on litter in Ireland indicate that the majority of our towns and cities are "heavily" or "very heavily" littered.

We in County Waterford need to be aware that littering around the county reduces the attractiveness for tourists and citizens alike, as does illegal dumping in the countryside and scenic areas. While surveys show that we are concerned about littering problems, they also show that many of us admit to having littered ourselves. Changing our personal habits is the only permanent way to tackle this problem.

Litter does not simply happen-it is caused

### Think Tidy.

Make a habit of thinking tidy from now on and you take the first step towards lessening litter.

### Pick up

A little effort can make a lot of difference to the appearance of your home, your school, your workplace and their surroundings. It only takes a moment to pick up a piece of litter and put it in the bin.

### Take home

The only proper place for refuse is in the bin. But if you are out and about and no bin is available, take it home for disposal.

### Speak out

It is your environment that is being damaged so you are entitled to speak out. If you see someone dropping litter, comment politely but firmly. If you come across illegal dumping then report it to Enforcement Section of Waterford County Council.

This section has a very informative leaflet available which explains who you should contact and what you can do to help resolve environmental problems.

See *Something? - Say something!* (name of leaflet).

E mail: [environmentalcomplaints@waterfordcoco.ie](mailto:environmentalcomplaints@waterfordcoco.ie). Tel 058 21113

Litter Hotline. 1800 201 501

### Get involved.

If there is a Tidy Town competition, National Spring Clean event or anti-litter campaign in your area - support it. If there is none, perhaps you can get one going with your neighbours or community.

IT'S EASY TO MAKE A DIFFERENCE.

## Mortgage Matters @ IFG Mortgages Dungarvan

### Re-mortgaging - Can You Really Save Money?

If you are tired of paying interest of up to nearly 20% on your credit cards as well as high rates on your car and personal loans, then maybe it's time for some shopping that could save you money.

We all have our financial weak spots, with many of us having recently overspent on our summer holidays - and this is exactly why it's important for all of us to undergo some type of financial check up each year to ensure that we're not paying more than we need to on all that money we owe.

A re-mortgage involves a review of your current debts and an assessment of whether it would be beneficial to restructure your finances. Moving your mortgage from your existing lender to another lender can provide you with a lower rate together with a more flexible and suitable mortgage package tailored to your requirements. This is getting ever more cost effective with more lenders now offering free switcher options.

The first step is to get realistic and genuine advice - and while banks and building societies will fight for your custom - your best chance of getting real advice for your situation is through your local independent mortgage broker such as IFG Mortgages Dungarvan.

Over 50% of people taking out mortgages in Ireland use independent brokers - it has become the first choice for people simply because they know they will get more choice by doing so.

It will come as no surprise then that re-mortgage plans that are drawn up to individually suit your situation will save you money, time and hassle. Because the mortgage market has grown so much in Ireland over the last few years, independent brokers are able to offer free advice to assess your situation - before you need to make any decisions. They can then in turn, offer you the best fitted products to suit your re-mortgage type, and invariably offer you the best rates.

Re-mortgaging, as a financial option will suit many people. From people wanting to roll their debt into one manageable payment to those looking to build onto their home or invest in a property - most people who do re-mortgage think of it as step one in getting more for your money.

The example below will give you a better idea of how re-mortgaging works;

Example is based on a 30 year facility at a rate of 4.45%

Loan	Existing Monthly Cost	Debt	New IFG Mortgage
Mortgage	€485	€75,000	€100,000 (including €10,000 cash back)
Car Loan	€198	€6,000	
Personal Loan	€119	€5,000	
Credit Union	€68	€4,000	
Total	€870	€90,000	New Monthly Cost €454

In addition, a significant percentage of savvy consumers are choosing to wrap all of their debts under a mortgage

with an interest rates as low as 4.45%, and many selecting dual repayments terms. This typically results in lower overall payments while ensuring that their short-term spending splurges don't become long-term debt.

Over a quarter of all mortgages taken out in Ireland are re-mortgages, so if your finances could do with an overhaul, maybe it's time you spoke to an independent mortgage broker about your options.

Lending criteria and terms and conditions apply. Security and insurance required. The maximum mortgage is normally 92% of the property value. As a general rule, loan amounts are subject to monthly repayments not exceeding 30% to 40% of the borrower's disposable income and will vary according to individual circumstances. A typical variable rate mortgage of €100,000 over 20 year costs €677.55 per month (APR 5.4%). The cost of your monthly repayments may increase. A 1% interest rate rise will increase this repayment to €734.23 (APR 6.5%). This is an increase of €56.68 per month. If you do not keep up your repayments you may lose your home. Information correct as at 09/07/2007.

Bank of Ireland and Bank of Ireland Mortgage Bank, trading as Bank of Ireland Mortgages, are regulated by the Financial Regulator.

### DAIRYING Teat Dip a Must Do!

Takes 1-2 seconds per cow to do.  
It is the most cost effective way of preventing mastitis.  
It reduces by 50% new infections.  
It must be made up correctly daily.  
Mix a fresh sample daily as it loses its disinfectant ability with time after mixing.  
Any contamination with milk or dung (if using teat dip cups) reduces activity.

Use water of very high quality.  
Best to use cooled water from the water heater.  
Include glycerine to improve teat skin condition.  
It replaces that proportion of water when mixing.  
How much teat dip do you require daily for a 50 cow herd?  
If using a dip cup, you need 10 mls / cow, or 0.5 litres for 50 cows (10x50 = 500 ml)

If using a spray, you need 20 ml / cow, or 1.0 litres for 50 cows (20x50 = 1000ml). This is so important because most farmers are not using adequate quantities to disinfect the whole teat.

If the instructions (read them) say to use 1 part iodine with 3 parts water and you are spraying 50 cows per day, the following is the calculation:

#### Solution

You need 2000 ml (20x50x2 milkings) or 2.0 litres of solution daily.

Mixing disinfectant and clean water  
1 part iodine to 3 parts water (1+3 = 4)  
2.0 litres solution divided by 4 = 0.5 litres multiplied by 3 = 1.5 litres water

Therefore, you need 0.5 litres of iodine  
To make things easy on a 2 litre container, put a mark (permanent marker) where 1.5 litres of water must go and then top up with disinfectant.

Make sure to write on the container which is water and which is disinfectant

Use this principle for your own situation  
By doing it as advised you will:  
know you have mixed the solution correctly, and  
know if you are using adequate quantities of teat dip daily (90% of farmers are not)

If you wish to add 10% glycerine to the teat dip solution without adversely affecting the concentration of the disinfectant, it is mixed as follows:

10% of the water portion is 0.15 litres (1.5 x 10/100)  
Therefore, the new mixture will be 0.5 litres of iodine, 0.15 litres of glycerine and 1.35 litres of water.

### SHEEP

**Buy early, buy carefully**  
Reduce the risk of bringing a new disease onto your farm by buying replacement ewes & rams early & from a reliable source. Buying early also gives you more choice. Give all sheep a thorough physical examination before buying. No matter how careful you are you still need to guard against bringing disease onto your farm. So vaccinate & treat where necessary & operate a quarantine period. Buying stock well before the breeding season gives you an opportunity to operate a 4 week quarantine period. It also gives vaccines a chance to become effective before mixing with the rest of the flock. During this time keep a close eye on them for any signs of disease & footbath regularly. While many diseases have a longer incubation period than 4 weeks it does help to reduce the risk. Problems that arise during this time need to be nipped in the bud to avoid infecting the main flock. The main problems are scab, resistant worms, footrot, enzootic abortion, fluke, orf & CLA.

#### Sheep scratching

From September to March of each year there is an increase in the number of reports of sheep scratching & losing their wool. If a number of sheep appear to be scratching then the problem is usually scab, lice or both. In the absence of a specific diagnosis, the surest & simplest way to treat scratching is to dip. This should be done after all replacement ewes & rams have been purchased.

#### Pre-mating trace elements

Some of these mixtures cost over €1 per dose with 2 doses per ewe pre-mating often recommended. Apart from cobalt there are little real benefits from these tonics. Even with cobalt there will only be a response if there is a deficiency on your own farm. General recommendation for ewes in cobalt deficient areas - two doses, one three weeks pre-mating & the second at ram introduction.

#### Better late than never

Some sheep farmers still have not given their breeding ewes & rams a proper check for health & body condition. Others have gone through their flock but, have not taken the actions required. The fact that you know your ram is lame (& you have done nothing about it) will hardly inspire him to up his performance at mating time. Ideally the ewes & rams should be checked & given corrective treatment at least 8-10 weeks before mating. Even with only 4-6 weeks remaining before rams go out to many mid-season flocks there is still time to get some things sorted or at least improved. Better late than never.

#### Certificate in Agriculture (Part-Time for Adult Farmers):

The course commences in Kildalton on 1st October 2007. The course will be delivered over a 3 year period on a part-time basis. Lectures take place on Mondays and Wednesdays (7.00 p.m. to 10.00 p.m.) at Kildalton from October until May each year.

Students will be required to attend for practical skills training on 1 to 2 days per month (9.30 a.m. to 4.30 p.m.)

Applicants must be at least 23 years of age on 1st January 2008. On successful completion students are awarded the FETAC Advanced Certificate in Agriculture Level 6. This meets the training requirement for Stamp Duty Exemption and for Installation Aid. Applications should be made directly to Kildalton College or to your local Teagasc office.

## IFA News in Brief

### GLANBIA HOLDING BACK OVER €5 MILLION IN MILK PAYMENTS TO SUPPLIERS - WALSH

IFA President Pdraig Walshe has accused Glanbia of withholding over €5m in milk payments due to its suppliers for the 2006 KPMG milk audit top-up and the July 2007 milk price increase.

"Average suppliers have now been left short by about €1,300 in milk payments due from Glanbia. This is money that farmers are entitled to and need, and suppliers are angry that Board members can stand by and allow this to happen."

Pdraig Walshe said "it is totally unacceptable that Glanbia's 4,000 suppliers have not yet received the top-up payment of at least 1.3c/gal, arising from the 2006 KPMG audit. The top-up is worth at least €780 to a 60,000 gallon producer. In the past, this top-up payment was always issued by way of a second cheque in June or July, as soon as the audit was published."

### WATERFORD IFA EXECUTIVE MEETING

Waterford IFA County Executive meeting will be held on Tuesday 4th September in Lawlor's Hotel, Dungarvan at 8.30p.m.

All welcome to attend.

### REPS SLURRY SPREADING DEROGATION NECESSARY DUE TO BAD WEATHER

IFA Deputy President Derek Deane has called on the Minister for Agriculture Mary Coughlan to introduce a derogation for REPS farmers who cannot meet their slurry spreading requirement due to poor land conditions as a result of the recent bad weather.

Under REPS conditions farmers have up until the end of August to empty their slurry tanks but this is proving very difficult as land conditions are not conducive to spreading slurry he said.

Meanwhile at a meeting with Department of Ag officials recently IFA has got further clarification on key aspects of the new REPS 4 scheme.

Mr Deane has welcomed the reduction in the number of inspections, which will take place under the REPS scheme. He said this reduction is necessary as the linkage with Single Farm Payment inspections as there will be a linkage with Single Farm Payment in the future. He also confirmed that the Department has introduced greater flexibility for tillage farmers who do not reduce their inputs by 30% but must have a linnet area not greater than 6% or a maximum of 2.4 hectares.

### IFA CRITICAL OF FAILTE IRELAND'S DECISION TO STOP SELF-CATERING APPROVAL RATINGS

IFA Rural Development Committee Chairman Pdraic Divilly has criticised Failte Ireland's decision to cease certification of the 3,500 self-catering facilities throughout Ireland.

Mr Divilly said "this decision will have a negative impact on rural tourism. The majority of visitors to Ireland want to stay in accommodation that has been officially approved by Failte Ireland. As a result many farms will lose out on vital additional income that their self-catering units generate."

### GLANBIA GRAIN PRICE OFFERS ARE DERISORY - WALSH TO SEEK MEETING WITH MALONEY

IFA President Pdraig Walshe is seeking a meeting with Glanbia Chief Executive John Maloney following what he described as "their derisory offer for grain this harvest."

The IFA President said, "Glanbia's on account prices of €170/t for barley, €180/t for wheat and €185/t for oats (at 20% moisture exclusive of vat)

are derisory and this move is clearly designed to undermine the market for green grain by €15 to €20/t."

Mr. Walshe said, "It is clear that the timing of the announcement by Glanbia and a number of other co-ops is designed to dampen farmer expectations at a time when competition for green grain has intensified."

### IFA REJECTS SCAPEGOATING OF FARMERS FOR WATER POLLUTION

Waterford IFA Chairman Michael Keane has said "the vast majority of farmers are fully compliant with water pollution legislation, and have made or are making major ongoing investments to meet rising environmental standards".

Mr. Keane described some reporting of new regulations being introduced on foot of the EU Nitrates Directive as "misleading and inflammatory."

"The reality is that farmers have invested over €1.4bn in the past decade in upgrading their waste management facilities. No farmers set out to pollute rivers with slurry. The same cannot be said for many local authorities and some industrial plants who actually have licences to pollute from the EPA."

## Annual Camp 2008 - Montseny, Spain

For those not familiar with JEKA, JEKA are just starting their 46th year (5 years in Ireland) of organizing, value for money holidays for youth groups. They ran their first summer camp to the Lech Valley in the Austrian Tyrol back in 1960. Since then they have added many new destinations, and over 800,000 young people have travelled with them to one of JEKA's European Summer Camp locations. JEKA now provide accommodation in over 120 centres in 10 different European countries, each location specially chosen with young people in mind. Founded as a non profit making organisation, our concept has always been to arrange youth group holidays at affordable prices and that are real value for money.

Each group is allocated in their own individual accommodation centre. You are free to choose your own programme of activities and excursions, assisted by the detailed information that JEKA provide. You will find JEKA friendly and efficient at all times, and genuinely interested in making sure your group has a great summer camp.

Situated in the province of Catalunya 60 miles south of the French border and just 40 miles north of Barcelona lies the National Park of Montseny. JEKA's centres are located both within and just outside the park boundaries. This is an unspoilt part of Spain away from the over crowded tourist traps and a place where you can experience the true Spanish way of life. Just thirty minutes drive away is the Mediterranean coast and the fishing port of Arenys de Mar and the town of Calella. Flying into Girona, Barcelona just an hour's drive to the centre.

A parents meeting will be held on Saturday 15th September 2008. A Rep from JEKA will be present to answer questions.

## Annual Camp 2007 - Larch Hill

### Continued from last week

Saturday - with another activity packed day ahead everyone was out of bed by just after eight, some people take long to find their way out of their sleeping bags than others. When everyone was fed, washed and loaded up with packed lunches, it was straight to the bus stop and the journey into O'Connell Street and a Cinema to watch the New Harry Potter Film 'Order Of The Phoenix'. This was a most enjoyable film even if someone different decided it was a good time to catch up on their sleep. When the film had finish it was across to St Stephens Green, via Moore Street, Half Penny Bridge and Temple Bar to have our lunch before we went on our Viking Splash Tour of Dublin City.

St Stephens Green was just as busy as O'Connell with Groups of Students, Visitors and Dubliners all taking in the rare bit of sunshine while having their lunches.

Just outside one of the side entrances to St Stephens Green was where we caught the Vehicle for our tour. It was a WW2 transport vehicle used to supply troops, it had been converted to suit passenger tours and is amphibious, can travel on land and water, which we would find out later. Our tour brought us around many of the noted sights

of Dublin both old and new. We were instructed by our Viking Guide on how to greet some of the people we would meet during our tour. This was with a very loud roar while raising our arms. The reactions to this greeting varied from jumping with surprise to fits of laughter, and even roars back. For the water part of the tour that was in the north quays we all had to put on lifejackets. We were shown the recording studio of U2, a RNLI lifeboat used during the rescue of survivors from the Lusitania, as well as some of the new developments that is now part of the docks.

Back on dry land and heading back to where we had started and someone lost one of the Viking Helmets, made in china by the way!

It was back to Nutgrove where food for the test meal was purchased. And as soon as everyone was back at the Campsite it was down to the very serious business of cooking the Test Meals. Each group had different Curry's on offer. The Ventures being a bit more creative with a starter of Brown Bread, with Smoked Sea Trout, Pate, served with Lettuce. The main course was, Thai green curry with Noodles, dessert was a, biscuit base with yougart and chocolate and Tea or Coffee to finish.

Tide up as always carries a large portion of the marks, but everyone did their best. Eagle Patrol, Patrol Leader Joe, served their courses with very little time between each, starter of Melon, Main Course of Chicken Curry and Boiled Rice, with a dessert of fresh fruit salad finishing with Tea or Coffee. Tiger Patrol, Patrol Leaders Aaron and Tom started with Melon, with a Main Course of Chicken Curry and Noodles with a dessert of Chocolate Log, with tea or Coffee.

It was down to the Camp Fire Circle, and the fire that Kieran and David had lighting. A few drops of rain fell but it did not dampen the voices. We were joined by Cubs from Rush, who sang their song that they learned on Wednesday Night. The night was getting late and as the Camp Fire was drawing to a close the Scouts and Ventures made some presentations. Thanks Guys.

Sunday - all to soon we were on the last day of Annual Camp 2007, Larch Hill. Leaders David, Kieran and Michael today did flag up. After breakfast it was down to the serious business of getting everything packed. As always we were fighting the clock. With all the patrol tents and leaders tents packed, but would need an airing when we got back to Abbeyside. The marquee was next to be taken down and as always the last item to be removed from the Camping field is the Flag. All gathered around the Flag Pole and Eamonn presented everyone with their Air Activities Badge, this is to be worn on the right sleeve at the top of the shoulder. Brendan said a few words, thanking everyone for all their help, before calling the Troop to 'Alert' the order to 'Salute' was given as the Flag was lowered and the flag pole taken apart by the three Section Leaders present, Venture Scouts Sandy Griffin, Cub Scouts Gearoid Fraher, Scouts Brendan Kiersey. A final walk through was done in the field to ensure all we left was foot prints .....

Down in the Car Park the final bits of gear were loaded up before hitting the road for home. Some of the Group were heading to Croke Park to see our Hurlers battle against Cork. We stopped in Carlow for some Lunch before driving on home listening to the match on the radio. We arrived in Abbeyside to be greeted by Parents and family. With the gear unloaded it truly was the end of Annual Camp 2007 plans were already underway for Annual Camp 2008 ..... Where would it be? We now know SPAIN!

Thanks - I would like to thank everyone who has help to make this Years Annual Camp 2007 possible. To all my fellow Leaders who have given up their time to come on Annual Camp and worked so hard over the last Scouting Year, by going on Training Courses, Leaders Meetings, County Meetings, Weekends Away, Weekly Meetings, and having to listen to me. All the Leaders involved in Scouting not just Abbeyside are voluntary and with the help and support of the Parents make Scouting in Abbeyside what it is. Our Leadership Team has grown over the last two years and that is thanks to Group Leader Brian 'Muller' Mulvihill. We have started a Venture Scout Group, whom we hope will continue to enjoy and grow with Scouting, and may in time go on to become Leaders themselves. Thanks to John Hallahan Bus Hire and his driver John O'Shea for their help and great service. To Jim for driving the Van. To Ciaran for his help on Camp. To all the Scouts and Ventures for making Annual Camp a one to remember, hope you all enjoyed you time in Larch Hill. We look forward to seeing you all on Annual Camp 2008. -Brendan.

# RECENT DEATHS

## LATE LIAM O'KEEFFE

The locality learned with great sadness on Friday, August 3rd of the passing of Liam O'Keefe of West St., Tallow and High Rd., Ballyduff Upper after a short period of illness which he bore with great courage.

Liam was a member of a well known Ballyduff Upper family and moved to Tallow fourteen years ago to be near his beloved partner Helen and his son Stephen and step daughters Caroline and Hazel.

Liam was well known and highly respected in the locality and surrounding areas, having worked as a plumber for a number of years. He was held in high esteem by all who had the pleasure of his acquaintance. He loved life and lived it to the full even in the last few months of his illness.

Among his many interests was his great love of all kinds of music and a great love of the stage, which was portrayed by his involvement with his native Ballyduff Drama Group, in which he was actively involved in backstage duties and lighting effects. During his time with them he won many awards for his efforts.

Liam possessed a wonderful personality and loved nothing better than a good discussion or debate on any subject, of which he always loved to come out tops.

In the later years Liam's family were his priority and he loved to spend quality time with them. His

illness was borne with great fortitude and courage and he never complained. The huge attendances at his obsequies, leaves no doubt as to his popularity. His passing has indeed left a void that will not be filled. May he rest in peace.

Rosary was recited by Kevin Ryan, Lismore on Friday evening in the presence of family and close friends.

Following rosary on Saturday evening recited by Fr. O'Farrell and Fr. O'Donovan Liam's remains were removed from Ryan's Funeral Home to the Church of the Immaculate Conception, Tallow, where they were received and blessed on arrival by Fr. O'Farrell and followed by an immense cortege of mourners.

On Monday morning requiem Mass was celebrated by chief celebrant Fr. O'Farrell and cocolebrants, Fr. Condon, Fr. Lamasney, Fr. Cullinan, Fr. Leahy and interment took place in the adjoining cemetery, again in the presence of a large and representative gathering. The Lessons were shared by Hazel O'Donovan (step daughter) and Ailish O'Gorman (niece). Prayers of the Faithful were recited by Tony Roche (nephew), Brian Roche (godchild), Margaret O'Gorman (niece), Noelle Dunford (niece), Joan O'Mahony (niece) and Carol O'Keefe (niece).

Offertory gifts were presented to the Altar by Stephen O'Keefe (son), Caroline O'Donovan (stepdaughter), Ella Murphy (step granddaughter), Karen O'Keefe (niece), Mairead O'Gorman (niece), Geraldine Clarke (niece), Killian O'Keefe (nephew) and was narrated by Claire O'Keefe (niece). Much appreciated music was provided by some members of the Ballyduff Drama Group Brendan Dunlea, Tony Dunne, Kate Canning and John Joseph Donovan. A guard of honour was provided by members of the Ballyduff Drama Group and members of Ballyduff

Community Council, of which Liam was an active member for a couple of years.

The chief mourners were Helen (partner), Stephen (son), Caroline and Hazel (step daughters), his mother Margaret, brothers Pat, Noel, Joe, John, Michael and Henry, sisters Bridie, Mary, Phil, Ann and Margaret, his brothers-in-law, sisters-in-law, nephews, nieces, step granddaughter, grand nephews, grand nieces, relatives, neighbours and friends.

### I'M FREE

Don't grieve for me for now  
I'm free  
I'm following the path God laid  
for me,  
I took His hand when I heard  
Him call,  
I turned my back and left it all,  
I could not stay another day,  
To laugh, to love, to work or  
play,  
Tasks left undone must stay that  
way,  
I found that peace at close of  
day,  
If my parting has left a void,  
Then fill it with remembered  
joy,  
My life's been full,  
I've savoured much,  
Good friends, good time,  
A loved one's touch,  
Perhaps my time seemed all too  
brief,  
Don't lengthen it now with  
undue grief,  
Lift up your hearts and share  
with me,  
God wanted me now, He set me  
free.

Ryans, Funeral Directors,

### JUNIOR FOOTBALLERS

The footballers thrilled their loyal band of supporters with an excellent performance and a fine victory in their Western semi-final victory at the Fraher Field on Friday evening last. The defence was rock solid in repulsing the danger posed by the Shamrock's attack early on, and the attack moved the ball with speed and accuracy. Walter's rocket to the roof of the net early in the second half put the dampers on a threatened Seamroga revival, and eventually Modeligo ended up 7 point winners. Next up it's the turn of the hurlers: come along and support the team on this Sat. evening against Tourin.

### CHARITY CYCLE

Brothers and Modeligo GAA players Kieran and Brian McCarthy (Coolaneen) are to take part in the Colm McCarthy memorial cycle from Dungarvan to Ennis. The event, which is being staged to raise much needed funds for the Oncology Day-ward attached to the Waterford Regional Hospital, takes place on Sat. Sept 8th, any organisations or indeed individuals within the parish wishing to contribute to the fund, can contact any of the participants, or through the specially opened bank account.

### NA DEISE

Our U12's travelled to Bohadoun last Tuesday evening to play Ballymacarby. After a tough first half we held a narrow 2 point lead. Our second half performance was excellent, we ended up 3-7 to 2-4 winners. Congrats to all the players, now we're looking forward to the semis. Team: Liz Devine; Claire Curran; Roisin Cahillane; Karen Condon; Maura O'Donovan; Laura Duggan; Aoife Landers; Mary-Kate Morrissey; Jessica Troy; Shannon Dunford; Laura Barry; Roisin O'Flynn; Michelle Condon; Emma Qually; Ashleigh Dalton; Sara Knightly and Hannah Murphy. ### MODELIGO PARENT AND TODDLER GROUP

The group will be meeting back again in the usual place - Modeligo Community Hall - on Friday, September 7th at 10.30.

We would welcome any new parents and babies/toddlers who are interested in paying a visit and to see what we're all about and of course we look forward to seeing our old friends back again after a long and not so hot summer. We also wish the very best of luck to our little friends who are taking the giant leap forward to big school.

Modeligo Parent and Toddler group acts as a self help and mutual support group for parents and carers of babies, toddlers and pre schoolers. We provide an environment where both adults and children are able to interact positively.

**QUESTION:** What exactly is stamp duty?

**ANSWER:**

Stamp-duty liabilities can be as high as 9% of the price of a property so it is very important to understand how stamp duty works and to take this into account when buying your home. Stamp duty is the tax payable to the government for changing the documents that specify who owns a particular property. Thanks to the changes in the 2007 finance bill First-time-buyers will not have to pay any stamp duty on 2nd hand or new homes. (Previously first time buyers were only exempt on 2nd hand properties below €317,500 or new homes below 125 sq. m). Any stamp duty already paid by a first time buyer after 31 March 2007 can be claimed back from the revenue commissioners.

**2. Second-Hand Homes** (i.e. Previously occupied homes) The stamp duty due on the purchase of a second-hand home depends on whether you're a first-time-buyer or not and the price of the property being purchased. The table below will help you work out your stamp-duty liability:

Price of property:	First-time-buyers:	Owner-occupiers/Investors:
€0 - €27,000	0%	0%
€127,001 - €190,500	0%	3%
€190,501 - €254,000	0%	4%
€254,001 - €317,500	0%	5%
€317,501 - €381,000	0%	6%
€381,001 - €635,000	0%	7.5%
€635,001+	0%	9%

### 3. New Homes

If you are a first time buyer no stamp duty is payable. For everyone else the stamp duty on new homes depends primarily on the size of the property. If the property is under 125 square metres and you're an owner occupier (i.e. you plan on living there, but it is not your first home purchased) NO DUTY is payable.

Who: Duty	(Area under 125 m <sup>2</sup> ):	Duty (Area over 125 m <sup>2</sup> ):
First-time buyers:	<b>EXEMPT - 0%</b>	<b>EXEMPT - 0%</b>
Owner-occupiers:	<b>EXEMPT - 0%</b>	(see below)
Investors:	(see below)	(see below)

Otherwise, if the property is over 125 square metres or you're an investor, the stamp duty is calculated from the table below using whichever of the following two values is greatest:

A. The cost of the site **OR**

B. 25% of (the cost of the site + the building costs less VAT @ 13.5%)

Value:	Non-investors:	Investors:
€1 - €127,000	0%	0%
€127,001 - €190,500	0%	3%
€190,501 - €254,000	0%	4%
€254,001 - €317,500	0%	5%
€317,501 - €381,000	0%	6%
€381,001 - €635,000	0%	7.5%
€635,001+	0%	9%

When closing the sale, your solicitor will calculate the exact stamp duty due and you will be required to pay this amount to the Revenue Commissioners. Your solicitor will usually arrange this payment.

# IN MEMORIAMIS

**BYRNE** — Second Anniversary — In loving memory of the late Sylvia Byrne, late of 60 Oliver Plunkett Terrace, Clonmel, who died on 1st September, 2005. I lost my life's companion, A life linked with my own, And day by day I pray for you, And I walk through life alone, The house you left is lonely now, And I am lonely too, Those left behind are good and kind, But no one replaces you, To me you were so special, What more is there to say, Except I wish with all my heart, That you were here today. (Loved and remembered always by your loving husband John).

**BYRNE** — Second Anniversary — In loving memory of my dear grandmother Sylvia Byrne, whose anniversary occurs on September 1st. R.I.P., late of Oliver Plunkett St., Clonmel. To Nan, Two years have come and gone, Since the time we had said goodbye, I have missed your presence, Your smile, your laugh, But most of all I have missed you, I am privileged for the times that I had spent with you, Listening to your stories, Seeing you go about your everyday life, And care for the ones you loved, You had a great passion for life, And everyone who knew you was in awe of your beauty and your courage, You always saw the best in people, And made the most of any given situation, You are truly missed by all your loving family and friends, It would be selfish of me to want you back Nan, As you are in a better place now, Free from pain and suffering, I love you Nan and I look forward to the day that we will meet again. (Love always, your granddaughter Joanne).

**BYRNE** — Second Anniversary — In loving memory of my dear mother Sylvia Byrne, late of 60 Oliver Plunkett Terrace, Clonmel, who died on 1st September, 2005. You heard the Angels call, You took the hand of Jesus, And quietly left us all, For the rest of our lives, We will miss you Mum, Our secret tears will flow, How much we really loved you, No one will ever know. We wish we could see you, Mam. Sitting in your chair, We wish we could go home, And find you waiting there, Memories are precious, They don't fade away, We think of you always, Especially today. (Sadly missed by your loving daughter Teresa, son-in-law Colin, grandsons Matthew, Jason, Owen and great granddaughter Holly).

**BYRNE** — Second Anniversary — In loving memory of my dear mother and grandmother Sylvia Byrne, whose anniversary occurs on September 1st. R.I.P., late of Oliver Plunkett St., Clonmel. The hardest thing in life to bear, Is to want your mother and she's not there, Behind the smile there's many a tear, For the mother I trust and loved so dear, My heart is broken as I whisper low, I love you Mum and miss you so, So put your arm around her Lord, Treasure her with care, For you have in your Kingdom, A mother beyond compare. (Always loved and remembered your loving son Michael, daughter-in-law Sharon, grandsons John and Mikey, granddaughter Laura and great granddaughter Leanne).

**COLLINS** — Third Anniversary — In loving memory of Jeremiah Collins, late of 105 Childers Est., Dungarvan who died on 4 September, 2004. Today, tomorrow, our whole life through, We will always love and remember you, Gone are the days we used to share, But in our hearts you are always there, Look after him Lord, in your garden of rest, For in this life he was one of the best. Forever in our thoughts. (Always loved and remembered by your loving wife Nellie and sons Patrick, Mike and John Paul).

**CUNNINGHAM** — First Anniversary of our precious Dad, Noel Cunningham, who departed this life on August 31, 2006. Dad's First anniversary Mass in Abbeyside Church on Sunday, 30th September at 12 o'clock. DAD We'll always remember, That special smile, That caring heart, That warm embrace, You always gave us, You being there, for Sarah and I, Through good and bad times, No matter what, We'll always remember you Dad because, There'll never be another one, To replace you in our hearts, And the love we will always have for you. (Lots of love — Casey and Sarah XXX).

**COLEMAN** — Twenty-Seventh Anniversary — In loving memory of our dear father Thomas Coleman, late of 7 Parks Road, Lismore whose anniversary occurs on 31 August. R.I.P. Like falling leaves the years go by, But memories of you will never die. (Always remembered by your loving family at home and England).

**DUGGAN** — Fifth Anniversary — In loving memory of Mary Duggan, late of 1 Keating St., Dungarvan whose anniversary occurs on September 3rd. Isn't it strange that those we need, Are those we love the best; And just the ones that God needs too, And takes them home to rest. We miss you because we loved you, To us you were dearer than gold, No treasure can ever replace you, Your memory will never grow old. (Always remembered by your loving family at home and abroad).

**HICKEY** — In loving memory of Paul Hickey, Ballinakill, Ballinamult whose tenth anniversary occurs on 30th August. Anniversary Mass in Kilbrien Church on Friday, 31st August at 7.30 pm. Quickly and sadly came the call, Without farewell you left us all, A sudden call from God on high, You had no chance to say goodbye, Without farewell you fell asleep, But memories of you we'll always keep, We did not know that morning, What sorrow that day would bring, It broke our hearts to lose you, But you did not go alone, For part of us went with you, The day God called you home. (Always loved and remembered by Mam and all the family).

**HURTON** — Third Anniversary — In loving memory of Mary Hurton, Coolbagh, Clashmore whose anniversary occurs on September 1st. I once had something special, That money could not buy, I had a special Mam, But I had to say goodbye, My heart still aches with sadness, My secret tears still flow, What it meant to lose you Mam, Only I will ever know. (Your loving son Denis, daughter-in-law Helen, grandchildren Pasc, Donna and Kelly and great grandchildren Courtney and Shannon).

**HURTON** — Third Anniversary — In loving memory of a dear mother and grandmother, Mary (Lil) Hurton, late of Coolbagh, Clashmore, Co. Waterford who died on September 1, 2004. R.I.P. Each day is blessed by a memory of you, A glimpse of the past and the joy that we knew, Those loving thoughts are ours to treasure, Gone from our lives, but in our hearts forever. (Sadly missed by your loving daughter Eileen, John and family).

**KENNEALLY** — Fourth Anniversary — In loving memory of Bridget Kenneally, Deerpark, Lismore, whose anniversary occurs on 29th August. R.I.P. A tribute of love to someone dear, So close to our hearts each day of the year, Deep in our hearts your memory is kept, To love, to cherish and never forget. (Remembered always Nora, Pat and children, Maggie, Catherine and Jean.)

**KEYES** — Twelfth Anniversary — In loving memory of our dear father, Patrick Keyes, late of Old Road, Barrack Street, Tallow, who died on August 26, 1995. Masses offered.

Quietly today your memory is kept, No need for words, we will never forget, Will those who think of him today, A little prayer to Jesus say. (Loved and remembered always — your loving daughter Carmel, son Pad and son-in-law Sean, also Neil, Sylvie and families in Warwickshire).

**LANIGAN** — First Anniversary — In loving memory of Rosie Lanigan, 10, Garranbane Green, Ballinroad, who died on September 4, 2006. Anniversary Mass will take place in Ballinroad Church on Saturday, September 1, at 11.30 a.m. It was a sudden parting, Too bitter to forget, Those who loved you dearly, Are the ones who can't forget. We often sit and think of you, And think of how you died, To think you could not say goodbye, Before you closed your eyes. Your life was one of kindly deeds, A helping hand for others needs, Sincere and true in heart and mind, Beautiful memories left behind. The blow was hard, the shock severe, To part with one we loved so dear, Our loss is great, we'll not complain, But trust in God to meet again. Two tired eyes are sleeping, Two willing hands are still, The one who worked so hard for us, Is resting at God's will. Our family chain is broken, Nothing seems the same, But as God calls us one by one, The links shall join again. (Always loved and sadly missed by your husband Pajo and Melissa, Stevie, Patrick and Seánie).

# IN MEMORIAMIS

**MEEHAN** — Third Anniversary — In loving memory of my dear husband Tomás, late of Toor, Aghlish, Cappoquin, whose third anniversary occurs on Thursday, 30th August. Mass takes place in Mount Stuart Church on Sunday, September 9th at 9.45 am.

I remember a smile I would love to see,  
And a hand I would love to touch,  
I remember a voice I would love to hear,  
Because I loved you so very much,  
A lot of things have happened,  
That I wanted you to share,  
So many times I needed you,  
And wished that you were there,  
May the winds of love blow softly,  
And whisper for you to hear,  
That Tomas I love and miss you,  
And wish that you were here,  
I wish I could still see you there,  
Sitting on the chair,  
I wish that when I go back home,  
I'd find you waiting there,  
No words can heal the heartache,  
Or stop a silent tear,  
Or take away the memories,  
Of a husband I loved so dear.  
(Deeply loved and very sadly missed by your loving wife, Nellie. R.I.P.)

**MEEHAN** — Third Anniversary — Treasured memories of our wonderful Dad, late of Toor, Aghlish, Cappoquin whose third anniversary occurs on Thursday, 30 August.

Daddy, our thoughts are always with you,  
Your place no one can fill,  
In life we loved you dearly,  
In death we love you still,  
Your resting place we visit,  
There we stand and pray,  
But no one knows the heartache,  
As we turn and walk away,  
If tears could build a stairway,  
And memories a lane,  
We'd walk our way to heaven,  
And bring you back again.

(Always remembered by your loving daughters, Chrissie and Trish and son Thomas).

**MEEHAN** — Third Anniversary — In loving memory of Thomas Meehan, late of Toor North, Aghlish whose anniversary occurs on 30 August.

Sad are the hearts that loved you,  
Silent are the tears that fall,  
But living our lives without you,  
Is the greatest heartache of all,  
May the winds of love blow softly,  
And whisper for you to hear,  
That we your family miss you,  
And wish that you were here.

(Sadly missed by your son James, his wife Yvonne and grandchildren Blaitthin and Eadaoin).

**MOYNIHAN** — First Anniversary — In loving memory of Mary Bridget Moynihan, 41 Caseyville, Dungarvan whose anniversary is on August 31st.

We lost a mother with a heart of gold,  
How much we miss her can never be told,  
She shared our troubles and helped us along,  
If we follow her footsteps, we will never go wrong,  
What she suffered she told but few,  
She did not deserve what she went through,  
Tired and weary she made no fuss,  
But tried to hard to stay with us,  
We prayed for a miracle all in vain,  
That God would make you well again,  
But God knew best, we had to part,  
It eased your pain but broke our hearts.  
We cannot bring the old days back,  
When we were all together,  
The family chain is broken now,  
But memories live forever.  
She was a mother so very rare,  
Content in her home and always there,  
On earth she toiled, in Heaven she rests,  
God bless you mother you were one of the best.

(We miss you Mam, from your daughters, sons, grandchildren and family).

Memories I keep one by one,

Missed in a thousand and one little ways,  
Around every corner a memory stays.

(Always remembered Marie, V. J. and kids X).

Your place no one can fill,  
In life I loved you dearly,  
In death I love you still,  
Your resting place I visit,  
There I stand and pray,  
But no one knows the heartache,  
As I turn and walk away,  
If tears could build a stairway,  
And memories a lane,  
I'd walk my way to heaven,  
And bring you back again.

(Always loved and never forgotten by your loving wife Mary).

Or even what we say,  
It's how we feel inside,  
When we think of you today,  
We think of you with love,  
But that is nothing new,  
Because we thought about you yesterday,  
And the day before that too,  
Your memory is our keep sake,

Our hearts are full of memories,  
We treasure them with care,  
But the way you had to leave us,

And now that it is your anniversary,  
We would like to let you know,  
How much we love and miss you,  
And wish you could come home,

In silence I stand in sorrow,

# BIRTHDAY REMEMBRANCES

**FEHILLY** — Birthday Remembrance of Jason Fehilly, 92 Springfield, Dungarvan whose birthday is on 1st September.

## YOUR PRESENCE

I hear your voice,  
I see your face,  
I reach out to touch, but you are not there.  
In the lonely hours of heartache and tears,  
Remembering the happiness we shared,  
I hear a whisper in my ear,  
Saying:  
"How's it Mom? I am here",  
I reach out to touch you, but you are not there.  
I sit and listen to your music,  
I read your letters of the past,  
The wonderful memories, the photographs,  
I reach out to touch you, but you are not there.  
As I gaze across the valley,  
To the graveyard where you lie,  
I feel your presence all around me,  
I reach out to touch you, but you are not there.  
People say that life goes on,  
I know that to be true,  
But we also know without you,  
Life will never be the same,  
I know we will meet again,  
In God's heavenly home above,  
And when I reach out to touch you,  
You will be truly there.  
(Sadly missed, your loving Mom and Dad and sister Trudy).

**FEHILLY** — Birthday Remembrance of Jason Fehilly, 92 Springfield, Dungarvan whose birthday is on 1 September.

There is always a face before me,  
A voice I would love to hear,  
A smile I will always remember,  
Of a brother I loved so dear.  
As the days go on without you Jason,  
And the weeks turn into years,  
They hold a million memories,  
And hide a million tears.  
When I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping,  
We'll meet again some day.  
Treasured memories are all I have left,  
Of a brother I love and will never forget.  
(Always remembered and never forgotten, Mark and family).

**FEHILLY** — Birthday Remembrance of Jason Fehilly, 92 Springfield, Dungarvan whose birthday is on 1st September.

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,  
Are the ones who can't forget.  
We often sit and think of you,  
And think of how you died,  
To think you could not say goodbye,  
Before you closed your eyes.  
Your life was one of kindly deeds,  
A helping hand for others needs,  
Sincere and true in heart and mind,  
Beautiful memories left behind.  
The blow was hard, the shock severe,  
To part with one we loved so dear,  
Our loss is great, we'll not complain,  
But trust in God to meet again.  
Two tired eyes are sleeping,  
Two willing hands are still,  
The one who worked so hard for us,  
Is resting at God's will.  
Our family chain is broken,  
Nothing seems the same,  
But as God calls us one by one,  
The links shall join again.  
(Still loved, still missed, your brother John).

**FEHILLY** — Birthday Remembrance of Jason Fehilly, 92 Springfield, Dungarvan whose birthday is on 1st September.

## MY BROTHER

Brother, you will always be the best,  
There are years of love and friendship,  
Sad times and happy times behind us,  
And although we are parted,  
I still feel the love we had.  
And neither distance nor time,  
Can take away the bond we forged as children,  
Words cannot say the way I feel,  
How much I miss you and wish you were here.  
But today, dear God, please tell my brother,  
How much I really care,  
And thank him for all he is to me,  
I could never ask for, want or need,  
A better brother.  
Because I had the best in him,  
And remind him how much I love him.  
(Missing you forever, your brother Kevin, Tracey and Sasha).

**FEHILLY** — Birthday Remembrance of Jason Fehilly, 92 Springfield, Dungarvan whose birthday is on 1st September.

There's something inside,  
It's hurting us now,  
So painful, so raw,  
At our souls,  
It does claw.  
The tears that we cry,  
Is your soul through our eyes,  
Our hearts now like stone,  
Can't bear that you've gone.  
For you're always with us,  
Every breath that we take,  
Through the darkest of nights,  
When we're lying awake.  
For you're always with us,  
Every beat of our heart,  
Holding our hands,  
As our lives,  
We restart.  
Our darling brother,  
Our beautiful boy,  
So handsome, so clever,  
So young,  
Full of joy.  
(Love you and miss you lots, your sister Lorraine, Con, Chantelle, Shannon and Leigh).

**BUCK** — Birthday Remembrances of our dear mother, May, whose birthday occurs on August 25.

Never more than a thought away,  
Loved and remembered every day,  
We hold you close within our hearts,  
And there you will remain,  
To stay with us throughout our lives,  
Until we meet again.  
You had a smile that hugged us,  
Laughter that healed our heartaches,  
And words that lifted our spirits,  
Those memories still bring that smile,  
You're in our hearts Mam, all the while.  
(Sadly missed by your loving family).

**FOLEY** — Birthday Remembrance of Maurice Foley, late of 85 Congress Villas, Dungarvan whose birthday occurred on the 28th August, 2007.

Softly the leaves of memories fall,  
Gently I gather and treasure them all,  
Unheard, unseen, you are always here,  
Still loved, still missed, still very dear.  
(Sadly missed by your loving son Austin, daughter-in-law Joan, grandchildren and great grandchildren).

**O'BRIEN** — Cherished memories of Sonny O'Brien, Barrack St., Tallow whose birthday is on Saturday, 1 September.

As we look upon your picture,  
Sweet memories we recall,  
Of a face so full of sunshine,  
And a smile for one and all,  
Sweet Jesus take this message,  
To our dear brother up above,  
Tell him how we miss him,  
And give him all our love.  
(Always remembered by your loving sisters Molly and Teresa, nephew John Paul and Aine).

**IVERS** — Birthday Remembrance of Bridget Ivers, late of 30 Caseyville, Dungarvan which occurs on August 28th.

No birthday card can I send you Mam,  
For there is no address,  
Only a beautiful garden,  
Where you have gone to rest,  
There never is a moment,  
When I don't think of you,  
Or a day that passes,  
When your face is not in view,  
And when I'm feeling lonely,  
And tears come to my eyes,  
I think of you at peace mam,  
And I know I should not cry,  
So I try and hide the heartache,  
As you would want me to,  
And when I shed my tears Mam,  
No one knows but you.  
(Never forgotten by Josie and Jimmy).

**O'RIORDAN** — Birthday remembrance of Michael O'RIORDAN, Kilossera whose 21st birthday occurs on the 27th August.

Birthday wishes sent above,  
Filled with kisses and our love,  
But there are no words that will ever reveal  
How much we loved you and always will  
Unseen, unheard you walk by my side,  
Our love is too strong for death to divide.  
(Love always, your sister Sharon and nephew Scott Michael).

**O'RIORDAN** — Birthday remembrance of Michael O'RIORDAN, Kilossera Dungarvan, whose 21st birthday occurs on August 27.

Candles are burning for you today,  
In the church where you used to pray,  
And as we light them we pray God above,  
To keep you in His eternal love.  
Will those who think of you today,  
A little prayer to Jesus say.  
(From Mary, Johnny and Ann, Janet and John).

We cannot bring the old days back,  
When we were all together,  
But memories keep us close to you

You only lived for those who you loved  
And those you loved remember.  
Happy 21st birthday Michael

**O'RIORDAN** — Birthday remembrance of our dear grandson, Michael, late of Kilossera Dungarvan, whose 21st birthday occurs on August 27.

Our hearts are full of memories,  
We treasure them with care,  
But the way you had to leave us,  
Will always seem unfair.  
We never knew that morning,  
What sorrow the day would bring,  
When a heart of gold stopped beating,  
And we couldn't do a thing.  
(Still loved, still missed — Nannie, Grandad and uncle Mark).

**O'RIORDAN** — Birthday Remembrance of Michael O'RIORDAN, Kilossera, Dungarvan, whose 21st birthday occurs on August 27.

As down the road of memories,  
We gently tread today,

## U-21 HURLING CHAMPIONSHIP

### Tulach an Iarainn 2-13 An Gaeltacht 1-08

Tallow were slow to get into this game and An Gaeltacht looked much sharper throughout the first half picking up breaking ball. We had just three points to show for our tame first half effort, all from the stick of Thomas Ryan - 2 frees and a beauty from play. "Hammers" was unlucky with his first time effort coming back off the post. An Gaeltacht led by 6 points to 3 at the break and were full value for it.

Tallow were a different team for the second half and took control of the game. A few positional changes paid dividends with Kieran Geary and Ciaran Herlihy dominating at midfield. Eoin Aherne, Ken Kearney and Brian Harnedy batted down the hatches on the half back line and our full back line mopped up anything that leaked through, limiting An Gaeltacht to just three scores in the second half.

The work rate of our six forwards was rewarded on the scoreboard as they notched up 2-10 in the second half. Tommy Ryan finishing with a personal tally of 9 points. Kieran Geary, Ciaran Herlihy and Eoin Condon added a point apiece while Mikey Curley and "Hammers" were our goal scorers with two well taken efforts.

Our second half performance was encouraging but a lot of work remains to be done, before our next game which is a Western semi final against Stradbally.

Tallow: Kevin Henley, Eric Hickey, Eamonn Forbes, Ciaran Herlihy, Kieran Geary, Ken Kearney, Brian Harnedy (capt), Eoin Aherne, Cathal Herlihy, Luke McCarthy, Eoin Condon, Shane Harnedy, Tommy Ryan, Mikey Curley, James Hampton, Donnchadh Mulcahy, Peter O'Callaghan, Barry Moroney, Kevin Curley, Tom Feeney.

Note: Great to see Eoin Condon back hurling. This lad is a tower of strength and has a lot to offer with a bit of hard work.

### MATCH REPORT

My thanks to U21 manager James Beecher for his match report. The PRO cannot attend every game so if selectors want a match report published on the notes please record the details and pass them on. E-mail: or drop a note in the letter box.

### Tallow GAA Lotto - Supported by

#### Kearney's Restaurant

Numbers Drawn 3,4,9,24. No jackpot winner. Consolation prizes to Shane "Gleannaghlough," Una Geary, Angela Doyle, Carmel McDonnell. Promoter Tallow Post Office.

Jackpot now stands at €8,100. Results next week.

### Injury List

Stuart Barry sustained a serious injury in our junior football game against Shamrocks, which will keep him out of action until the New Year. Dinny Martin suffered a broken thumb at training recently which will rule him out for the rest of the junior and senior hurling campaigns. Both lads are members of the senior hurling squad and are key players on our junior team. They are a huge loss to us. We wish them well and hope for a speedy recovery.

### Duirt Siad

"Some of ye have been standing on that ditch for years.

Ye'd have no where to stand if we took it away."

Milo expresses concern for the "hurlers on the ditch" if the obstacle between the Gaelic and soccer fields is removed.

"This is kangaroo court style stuff. They had the people to do the execution and if they didn't do it they probably would have executed themselves."

Tony Considine on the Clare County Board.

### Discussion Document

The apparent indifference of clubs and club players to Paraic Duffy's discussion document is a bit perplexing. The points raised directly affect clubs and club players. If we are constantly complaining about club fixtures, with good reason, then doing nothing ourselves is not an option. If, as appears to be the case, the county board has not made the document available to clubs as in other counties, there is an onus on us to acquire it, read it carefully and offer submissions. I'm glad to report some of our senior players and management have shown an interest in contributing. E-mail: if you cannot get hold of the document.

When contacted Paraic Duffy expressed disappointment, that Waterford clubs had not received the discussion document and in the circumstances agreed an extension until Sept 7th for submission.

### Senior Hurling Championship

Our remaining championship game in the group stage against Fourmilewater has been fixed for Sunday September 9th at 2pm.

### Junior Hurling Championship

**Ballyduff 0-15 Tallow 1-10**  
A warm summer's evening of the type we are unaccustomed to, with two local parishes pitting their skills on a well cut hurling field; hard to beat and maybe this type of local rivalry is what has been lacking in club hurling in Waterford in recent times.

With home advantage and having won a previous encounter in Tallow with relative ease, Ballyduff would have been hot favourites to win this junior hurling group semi final last Friday evening. Those of us involved with Tallow however knew our lads had not done themselves justice in that first meeting and were capable of much more. They certainly proved that on this occasion and could be considered very unlucky not to have salvaged at least a draw from this keenly contested and very sporting semi final clash.

This was junior hurling grade but the level of skill on display from both sides belied this categorization. Luke McCarthy opened the scoring for Tallow with an exquisite point from play. Young Luke turned in a fine performance on the night and if he applies himself will be pushing for a place on the senior team before long. Eamonn Forbes' display at centre forward would also have caught the attention of our senior manager Bubbles who himself was giving no quarter in the full back line.

Our forwards always looked dangerous when in possession and closed down well when not. There was little between the sides throughout the first half and Ballyduff led by a single point at the break (0-9 to 1-5). Lukey (0-

3) Mikey Curley (1-01) and Shane Feeney (0-1) accounted for our first half scores. Mikey and Colum Geary were unlucky with a couple more efforts.

The second half was a tight affair again. Brian Henley was coming into his own at centre back and Tallow created the better scoring opportunities but weren't rewarded for their efforts. One controversial decision on whether the ball had crossed the Ballyduff goal line didn't go our way but we had other chances besides. Tallow edged in front at one stage but Ballyduff, driven on by the irrepressible Paudie Pender yet again, regained the lead to win by two points.

The best of luck to them in the final.

Tallow: Kevin Henley, Pat Cunningham, Colin Cunningham, Will McDonnell, Noel McCarthy, Brian Henley, Eric Hickey, Stephen Pratt, James Hampton, Luke McCarthy (0-5), Eamonn Forbes, Maurice O'Brien, Mikey Curley (1-02), Colum Geary (0-2), Shane Feeney (0-1), Terence McSweeney, Tom Feeney, Kevin Curley, Eoin Condon, Barry Moroney, Ross Livingston, Bob McCarthy.

This junior squad has made good progress in the last few years. Despite the absence of three of our more experienced players, Stuart Barry, Dinny Martin and John Cunningham, through injury we had enough quality on the field to have won this game. We had a good squad of 25 or 30 players to work with and have played as many as 20 games between challenge and championship this year. Our thanks to all the players especially the younger lads who were always available which enabled us to take mid week challenge games when other lads might have been working. Some of these young lads may not have featured in the championship games but their turn will come.

I think all players in the club are well aware of the value of our medical officer Georgina Cunningham. We thank her for her continued invaluable service.

Now that we have finished our 3 year term it is an opportune time to thank my fellow selectors Tom Kearney, J.P. and especially Brendan Hartigan who put a lot of time in. Not forgetting James Beecher and young Seany Barry who helped us out and of course our best supporter Tom McSweeney.

## TALLOW U-16 CAMOGIE

Tallow u-16 camogie players continued on their winning vein when beating Dungarvan in Tallow on Monday evening last, the score was 2-6 to 0-4. Well done to all the girls, we were missing a number of our regular players so congrats to all for a good win.

Next fixture is against Tramore on Wednesday evening next - 28th August, 2007 in Tallow

Our fundraiser on Saturday morning last was a wonderful success. Thank you most sincerely to everybody who contributed so generously to our camogie club. The remaining cards are to be handed to any member of the committee on next Wednesday evening.

### Results

Tue 21st Brideview A 3-2 Araglen. Fri 24th Brideview A 6-0 Inch

First Division Side, Wed 22nd Brideview B 1-3 Castlebridge, Sat 26th Brideview B 5-3 Glenview

### Brideview Utd A

The A side had two terrific wins over the week and their efforts came to fruition with other results going their way and unless Araglen defeat Inch by five goals or more Brideview will be into the semi-final of the Tony Bolger Cup. The Araglen V Inch game will be on tonight Wednesday 7pm in Tallow. In the first game Brideview raced into a 2-0 lead with goals from Thomas Ryan and Paul Kearney and lead until half time on that scoreline. The second half Araglen piled on the pressure with Ian Farmer having to make six or seven top class saves to keep United in it. In the 80min disaster struck when incessant pressure from the away side paid off and United conceded a goal through an OG from a corner and United had barely time to recover when Araglen forced the equaliser in the 87min. From a cruising position to two all United were rattled as hopes of a semi final place even in the plate competition seem dead and gone. With time ticking away and the game petering away to a draw the Tallow side made one last effort and the ball fell to Thomas Ryan and he hammered the ball into the top corner to win it for the homeside on the stroke of fulltime. A few nights later Brideview entertained Inch with both teams short a few regulars. I arrived with 20mins on the clock and enquired about the score if there was any and I could hardly believe that United were leading 4-0 with Paul O'Brien after bagging a hatrick with Inch conceding the other through an own goal. Thoughts went back to Brideviews biggest ever win 14-1 against Inch back in 1988 and would we emulate it. Paul and Aidan Kearney got on the scoresheet shortly before half time and it was 6-0. The Inch side came out in the second half and defending resolutely and had even a few chances but the game was over as a contest and neither side added to the scoreline and Brideview ran out six nil winners.

### Brideview Utd B

A very young B side togged off against Castlebridge last Wednesday and found themselves 3-0 down against a strong side. They fought their way back into it and had a few chances before Kieran Geary found the back of the net from a free outside the box. The final score was a 3-1 loss which was an improvement from the 6-0 defeat the weekend before but the further

improvement came against Glenview when they won 5-3. United conceded early and fought hard to get back into it through a Brian Donnelly goal on 20mins.

Further goals from a Donnelly penalty and Clive Good the elder statesmen of the team and the homeside were coasting at 3-1. Glenview never gave up and pulled a goal back but Brideview broke away and scored another penalty through Donnelly to give him his hatrick. Minuted later it was 5-2 when the lightning quick Andreas scored the penultimate goal of the game before Glenview made it 5-3. As already said it was a young Brideview team with many Under 16 and 18 players on the side and with the likes of Barry Moroney, Thomas McGrath, Thomas Daly, Donnacha Mulcahy and Shaun O'Sullivan in the side the future looks bright for Brideview. This side will be at home in their first home league game next week against Lismore at 6.30pm on Saturday.

### Fixtures

Premier Division - Sunday 11.30am, Clashmore Ramblers V Brideview Utd.

First Division - Saturday 6.30pm Brideview Utd V Lismore

### Preview

The league starts next weekend at the premier side are away to newly promoted Clashmore Ramblers who recently defeated our B team 6-0. They have been promoted twice over the last number of years and will be looking to put one over on the experienced Brideview side. United last played Clashmore in the cup three seasons ago and ran out 3-1 winners with a brace from William Henley and the other coming from the boot of Michael Norris. Brideview havent tasted league success since 2000/1 season and the seven year itch is starting to kick in. This years squad is the strongest we have had with a while with competition for all places and with the right start I believe we can go all the way this year.

The first division squad entertain local rivals Lismore who on their day can beat anyone and should have too much for the young United squad. Although with restructuring between the A & B team squads with the A team having to be whittled down to 14 players some of the more experienced players will be able to take the drop down to the second string to add a bit of stability.

### Sympathy

The club extends its deepest sympathy to the Condon family of Townspark West on the sad passing of Mary. May she rest in peace.

### Congratulations

To Thomas Sheehan and Natasha Rooney who got married on Saturday last. Best wishes to both for a happy future together from all in Utd.

### Defeat for the Blues

Waterford Utd's up and down form continued last week. First on Tuesday night came a great display in Sligo when the Blues advanced to the quarter final of the Ford FAI Cup. Then on Friday evening Cork City took on the Blues and defeated the homeside by 3-0.

### U-11 League

#### Brideview Utd 6 Castlebridge Celtic 3

Our U11 team got off to a winning start at home on Monday night last with a home win. They travelled to Ardmore on Monday night last. Let's hope they got another win.

# TALLOW SENIOR CITIZENS

The Lord was very good to us on the day of our summer outing. After weeks of rain we had the finest day of the year for our day out in Killarney. Our bus with every seat occupied left the Square at nine am. Our first stop was Muckross House and Gardens which looked splendid in the sunshine. We spent a few hours there and had lunch before we boarded the bus and headed into town. The shopping was enjoyed by all and judging by the

numerous bags brought back to the bus the traders in Killarney had a very profitable day. We left the town at six o'clock and headed back to the Walter Raleigh Hotel in Youghal where we had a very nice dinner served up to us.

Red and Mick provided the music for the dancing and there was no shortage of singers to entertain us until midnight when we headed home to Tallow. 27/8/07, numbers drawn: 16, 18, 22, 23. No jackpot winner.

Consolation prizes to: J.P. Delaney, Mary McGrath (Kilbeg), John Buckley, Mary Navin. Promoter: Tom Doyle.

### Deise Draw

Please ensure all Deise Draw returns are with Liam Moroney or Donna Buckley in time for this months draw.

### Club Meeting

Our monthly meeting will take place this Thursday at 9 in the club rooms at Pairc Eamonn De Paor.

### ALL IRELAND INTERMEDIATE FINAL

Once again luck deserted Waterford when Wexford won by two points in Nolan Park on Saturday evening. So a year that promised much for all our county hurlers has ended in disappointment. We thank all our teams for all the efforts they have put in over the year and let's hope that next year will be kinder to us.

## STRADBALLY NOTES

### CLOCH AN EIBHINN

The weather conditions were not favourable enough for the outdoor Mass at Cloch an Eibhinn to be held in its proper location on Monday evening, 20th August. It would have been possible to get down to the rock but the return journey would have caused many problems. The answer was to hold the Mass on firm ground and a good attendance were present with Fr. Jerry Condon as chief celebrant assisted by Fr. Michael Enright. The reader was Anthony Fennell with his younger brother Seanie as Altar server. Thanks to the Fennell family for their kindness and help in organising everything, and also to the ladies committee who provided refreshments for everyone. It was good to have held the Mass especially since it did not take place last year, it would have been a pity to let the tradition fall away.

### SYMPATHY

Sincere sympathy is extended to the Coleman family of Ballylynch on the death of Pat who passed away peacefully at his residence on Monday morning, 20th August after an illness borne with dignity and courage at a relatively young age. Pat is survived by his mother Mary, sister Margaret, brother-in-law Ben Butler, brothers Jamie, David and Tomas and the extended Coleman and Mason families. The remains were removed from his residence on Tuesday 21st to Sacred Heart Church, Faha and were received and blessed by Fr. Jerry Condon assisted by Fr. Michael Enright. Requiem Mass for the happy repose of Pat's soul was offered on Wednesday 22nd August and burial took place in the adjoining cemetery. Large crowds of sympathisers attended both the removal, and the burial in Faha both local and further afield, a testimony of the high esteem in which Pat and his family are held.

Sincere sympathy is extended to Maureen Power, Currabaha West on the tragic death of her niece in a traffic accident in Wexford. Sympathy to Gaye McCormack, The Comeraghs on the death of her uncle John Keohan, late of Avondale, Waterford city.

### MASSES

Mass on the first Friday in September will be at 10 am in Faha and 7.30 pm in Ballylaneen.

### TIDY TOWNS NEWS

## ABBEYSIDE REFERENCE ARCHIVE

### THURSDAY

Last Thursday was a bit special for the Archive. In the morning a man came along and gave us money for display at the Archive. It consisted of two well worn notes. One was a twenty pound note, the other a fifty. These will add greatly to our money collection.

In the evening another man gave us a cardboard box containing six white clay pipes. Some were just bowls but two were almost complete. On one of the bowls were the words Doyle's - Irish Clays, Waterford.

We thank both men for thinking of us.

This Sunday evening Sarah Mullarkey will be at the Parish Office 2.30 - 5.30 pm minding all the treasures.

## RAILWAY SOCCER CLUB NOTES

### Under 14 Railway 6 St Saviours 2

The start of the new season was eagerly awaited, unfortunately for Railway there was very few of the under 14 squad available, so many thanks to the under 12 players who made up the team.

Railway went behind to a decent St Saviours after about 10 minutes. However a 25 yard free kick by Liam O'Hanlon leveled the match just before Brendan Dwyer put us in front with a fine header from a corner. Railway were now playing some fine soccer and Gary McNamara scored Railways third when he lobbed the keeper, then Liam got his second and Railways fourth after latching on to a loose ball in the box.

The second half started slowly and St Saviours were awarded a dubious penalty which they scored. But Railway were not to be denied, and a fine through ball from Shane Dunne allowed Jason

O'Keefe to score, and then Gary got his second with a fine individual goal.

Team: Shane Kenny, Tom O'Hanlon, Stevie Halley, Brendan Dwyer (captain), Aiden Dwyer, Rian Reddy, Liam O'Hanlon, Shane Dunne, Kieron Kelly, Jason O'Keefe, Gary McNamara.

## TRAGIC DEATH OF KEVIN SEXTON

A tragic accident in Youghal claimed the life of Kevin Sexton on Thursday morning last August 23rd. A very experienced and a life long biking enthusiast it is believed Kevin lost his life after his bike was in collision with a dog before going out of control and hitting a parked car. Our deepest sympathy is extended to Kevin's son Mike - who is a pupil here in Clashmore School and to Mike's mum Joke and all of Kevin's family and many friends on the loss of this quite unassuming man whom they all loved so dearly.

Reposing at Cobh Hospital Mortuary, following rosary on Friday evening Kevin's removal took place to St Coleman's Cathedral Cobh, following requiem Mass on Saturday afternoon Kevin was laid to rest in the Old Church Cemetery. May he rest in peace.

### Under 12's

Training continues every Monday and Thursday at 7.15pm to 8.15pm at the GAA grounds. The county fixtures committee have recently met and now we await to see who are semi final opponents will be. All players will be informed at training. A very special thank you to Waterfords current allstar Mary O'Donnell for taking a recent session with the under 12's. The panel really enjoyed their workout and also wish to thank Mary!

### Under 14's

There is a county board meeting to decide the date and venue for the county final on Monday the 27th August. Training has recommenced every Tuesday and Thursday at 7.30pm in the GAA grounds. The O'Brien tournament has been scheduled for September the 9th. Further details will be given at training.

### Under 16's

As with the under 14's the county meeting will

decide a date and venue for the final. The Troy tournament has been scheduled for Friday the 31st of August with Clashmore being the opponents. This could be a useful warmup for the final.

### Under 10 Blitz

Training continues every Monday at 7pm in the gaa grounds. The under 9's played in a blitz on Saturday the 18th of August organised by the comeragh rangers club. With teams from Clonmel (Moyle rovers), St Pats/Na Deise, Ardmore & Grange and the hosts all matches were really competitive and a really high standard of football was on display from each team. The under 10's are due to play in another blitz also at comeragh rangers on the 1st of September.

### Committee Meeting

The last committee meeting was on the 28th of August and any news from this will appear in next weeks paper.

# Horoscopes with Ali

This week's horoscopes are provided by Ali, one of Ireland's most gifted mystics.

For a more complete reading dial the 1550 number listed beside each star sign.

**ARIES**  
Mar 21 to April 20  
It is time to take a journey that is long over due. A line made in the sand is still causing difficulties. Perhaps it is time to test boundaries? Important news gives the sense that anticipated change is on its way. Old memories give way to exciting family plans. If someone is looking for an argument, look the other way. ☎ 1550-920-257

**LEO**  
July 23 to Aug 22  
Before you say "make mine a double", perhaps you need to consider if you have had enough already! You are prone to excesses and need to know your limits. In work, business or important projects, take your best shot. In love, don't name names. Everyone is entitled to privacy. At home, you may have given the wrong impression. ☎ 1550-920-261

**SAGITTARIUS**  
Nov 22 to Dec 23  
Precision and detailed organisation are required in the work place. Home changes prove necessary and positive. Be slow to divulge private thoughts or sensitive information. This week, the sun shines on all endeavours. Get set to enjoy an exciting time when just as you think you have missed the boat, your ship comes in! ☎ 1550-920-265

**TAURUS**  
April 21 to May 21  
Rules are rules but some are more bendable than others! Mark an important anniversary. You will be disappointed if you just let it pass by. Someone is set to make a return journey. Comings and goings are unsettling to those who remain rooted! In work or business, sell, sell, sell. Make that hay whether the sun shines or not! ☎ 1550-920-258

**VIRGO**  
Aug 23 to Sept 22  
If someone has had a rough day, go easy even if you have a point to make. A little bit of sympathy goes a long way. Your situation is certainly no picnic but by developing the capacity to adapt, you can endure. You cannot rewrite the past but you can prevent it from happening again. You are strong and intelligent. ☎ 1550-920-262

**CAPRICORN**  
Dec 24 to Jan 20  
Widen your horizons and avoid seeing someone as "not your type". Don't let a snub get under your skin. Consider the past and see what is limiting your current actions. Learn from previous mistakes and don't allow old patterns of behaviour to hold you back. In a confusing matter it is time to demand clarity. Safeguard important papers. ☎ 1550-920-266

**GEMINI**  
May 22 to June 21  
Breaking news sounds unbelievable and calls for direct action. If you don't like changes, opt for a peaceful protest and you can make headway. Partnerships are positive but only if there is an emphasis on understanding and respect. Monitor money and you will come up with some interesting insights. Learn a valuable lesson. ☎ 1550-920-259

**LIBRA**  
Sep 23 to Oct 23  
An opportunity is not to be missed. Make the most of what is offered on a plate but be prepared to bring something to the party. An empty handed approach will create a bad impression. When someone is inconsiderate, say something about a pattern of behaviour rather than continue to ignore what is obvious. Take responsibility and play your part. ☎ 1550-920-263

**AQUARIUS**  
Jan 21 to Feb 19  
Financial matters improve, allowing you to meet expenses. Now that you are back in the black, perhaps it is time to start a saving scheme! Concentrate on details and avoid judging situations on face value. Personal relationships continue to be the centre of your attention and appropriately so. Be sure to finish what you have started. ☎ 1550-920-267

**CANCER**  
Jun 22 to July 22  
Someone is certainly making their presence felt and is hard to ignore. Do your best to go about your business. A discussion could get quite heated and when it does, you are the person who can cool it down. Socially, join in. You may be busy but you deserve and need some down time. Besides, your friends miss your company. ☎ 1550-920-260

**SCORPIO**  
Oct 24 to Nov 21  
You are in touch with your anger, expressing what is on your mind and finding it therapeutic. At home, you are ready to demand an explanation that is long over due. Professionally, you are on the mark and about to make a difficult call. In love, a special someone is set to add more stars to your sky. Enjoy the romance. ☎ 1550-920-264

**PISCES**  
Feb 20 to March 20  
This is an excellent week for sorting out money matters and getting on top of things. In some situation, it may be time to cash in your chips rather than risk further losses. Stop being so fair to others that you are unfair to yourself. Don't let someone's moods effect you. Expect an interesting invite from a blast from the past. ☎ 1550-920-268

## Grow plants in chimney pots

PERIOD chimney pots look great, make superb planters and also create a focal point in your garden.

Chimney pot planters can be placed just about anywhere to achieve that statuesque effect.

Try a single pot at the end of a pathway, or use them in pairs either side of an arch or doorway.

In borders, they provide height and colour, and because they are separate from the main flower beds, you have the opportunity to change the planting as flowers come into season.

Try also using a chimney pot planter to mark the number of your house.

If you would like to try this use a simple plant, and plant it in gravel mulch. This will not only look good but also help retain moisture and is better suited to a stand-alone pot.

Planting a chimney pot can be a lot of fun - let yourself go and use plants in an abstract way to create a theme.

For example, using red and darker coloured plants can create fiery or smoky effects.

The height provided by the pots makes them ideal for trailers and climbers, or for bringing specimen plants nearer to eye level.

You can buy chimney pots from architectural salvage yards or garden centres and builders' merchants that deal in reclaimed materials.

They are not usually expensive, but prices can rocket for decorative and exceptionally large pots.

Before planting, prepare the pot by cleaning out any soot or debris using a stiff brush and mild disinfectant.

Position the pot on firm, even ground and make sure it is stable.

Short chimney pots can be filled directly with compost.

With taller ones, fill the inside with rocks or old bricks. This not only means that you do not have to use so much expensive compost to fill the pot, but it also adds much needed weight to ensure your expensive pot is not blown over by the wind and smashed.

You can then fit a plastic pot inside the top to hold compost for planting.

This method also makes it easy to swap over the display, changing the plant theme as and when you wish.

## THIS WEEK IN THE GARDEN

### Start to plant evergreen shrubs

From now until mid-October is the ideal time for planting hardy evergreen shrubs lifted from open ground. You cannot do this if the weather is very hot or the ground is dry, but neither condition is likely to continue for long at this time of the year.

Plant firmly and stake all big specimens. Later on, if winds are very cold and drying, erect temporary shelters of hurdles, evergreen boughs or sacking between stakes to protect the shrubs, particularly on the north and east sides.

### Plant violets in frames

Violets growing outdoors since April should now be removed to frames for winter flowering. The frames must stand in a sunny and fairly sheltered position and be filled with good loamy soil to within 20cm of the glass. Plant the violet clumps almost touching one another. Water them freely, but do not close the frames yet.

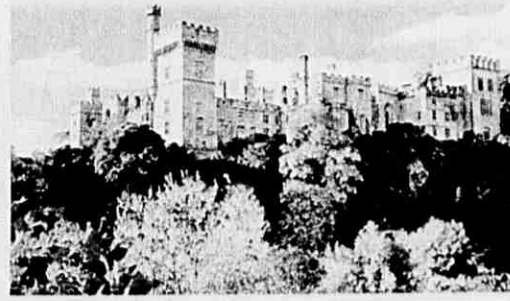

### Plant rooted carnation layers

Carnation layers pegged down at the end of July should be well rooted by this time. Scrape away a little of the soil and see how things are.

If there are plenty of fibrous roots around the cut area, sever the layers from the parent plants and a few days later lift them - each with a good ball of soil - and transfer them to their flowering quarters or pot them in 10-13 cm pots, place them in a frame, and plant them out next March.

## LISMORE PARENT AND TODDLER GROUP

Dear friends, our long and not so hot summer is drawing to a close and time to get our group back together again. Firstly, lets wish our little friends moving on to big school the very best of luck, and we can't wait to hear all the stories. And secondly, lets welcome all our old friends back again, and enjoy comparing how much our little ones have grown

during the summer months. Also we'd like to extend a welcome to anyone who hasn't visited before, or even if you have - try another visit. Some days are busier than others and we try to provide as welcoming an environment as possible, but I think all our members will agree, that what you put into the group you get back ten fold.

Finally a special word of love to one of our nearest and dearest who is working hard at personally making sure our numbers increase in 2007! Best of luck in the next few weeks to Ann, we're thinking of you.

The parent and toddler group acts as a self help and mutual support group for parents and carers or babies, toddler and pre schoolers. We provide a positive environment for both adults and children to interact and support each other. The children get a healthy snack, grown ups have a cup of tea and the morning is finished off with some robust exercise for the little ones. Fun assured!

We meet at Lismore Community hall (upstairs) and our next meeting will be Thursday 6th September at 10.30 am.

Pictured at Lismore Ladies Golf presentation sponsored By Eimear Enright, 'Revival', Dungarvan were front row left to right: 1st Katherine Moynihan, Eimear Enright (Sponsor), Hannah Lucas (Captain). Back Row Left to Right: Best Gross Joan Cahillane, 2nd Nora O'Leary for Siobhan Moroney.

## LISMORE SOCCER CLUB NOTES

Yes, the soccer season has kicked off again, and Lismore AFC were back in action, in defence of the Tony Bolger Cup won in such dramatic fashion last season. The Tony Bolger cup is being played on a group basis and Lismore were drawn in a group with Cappoquin, Inch B and, this seasons new arrivals, Ballybridge. Our first game against Inch B was moved to the Valley Rangers pitch due to the Castle farm pitch being unplayable, and the club would like to take this chance to thank Valley for the use of their facilities. In a very sporting contest the holders came through on a score line of two goals to nil with Kevin O'Donoghue netting twice, to give the new manager a winning start to a season in which the club would be hoping to challenge for promotion back to the premier division. Next up was Ballybridge, back in the WVEC league after a gap of a few years. Lismore travelled to this game

with the bare eleven and ten minutes in were reduced to ten when Kevin Landers succumbed to a hamstring injury, however in a great display, on a perfect day for a match, Lismore dominated and came through on a score line of 9 goals to 2. With Ian Kearney scoring four on his first appearance of the season, Eddie Pollard with 2, Kevin O'Donoghue with 2 and Colin Houlihan with 1.

These wins have guaranteed Lismore's progress through to the next stages of the competition, whether it is the Cup or Plate competition will be decided by our match against Cappoquin. All in all a good start to the season and lets hope it continues.

The League programme commences this weekend when we travel to near neighbours Bride View, please check the WVEC notes for details for this fixture. The committee are currently trying to organise astro-turf training, players will be notified when the time is finalised.

# COOKERY CORNER

## Caramel lamb with a redcurrant sauce

CARAMELISED lamb chops with sweet redcurrant sauce and sharp minty green beans.

**Ingredients:**

- Serves 4*  
 4 thick lamb chump chops  
 Salt and pepper  
 50g granulated sugar  
 1 x 15ml sp cooking oil  
 Butter  
 1 medium onion, thinly sliced  
 100g mushrooms, thinly sliced  
 1 x 15ml sp flour  
 2 x 15ml sp red wine vinegar  
 2 x 15ml sp redcurrant jelly  
 210ml lamb stock  
 1 or 2 fresh sprigs rosemary  
 Dash of Worcestershire sauce  
 25g butter (to fry beans)  
 200g green beans  
 1 x 15ml sp mint sauce

**Method:**

Preheat oven to 200°C/400°F/Gas Mark 6. Season chops with salt and pepper and coat with sugar. Heat oil

in a frying pan, add chops and fry for five minutes, turning halfway through until golden. Remove chops and place on a greased baking tray. Bake for about 12-15 minutes.

Meanwhile, melt a knob of butter in the pan and fry the onion and mushrooms until softened. Add the flour to the pan and cook for one or two minutes. Increase the heat, add red wine vinegar and boil to reduce.

Add the redcurrant jelly, stock, rosemary and Worcestershire sauce, and bring to the boil. Cook until thickened and season to taste with salt and pepper.

For the minty green beans, heat the butter in a frying pan, add the green beans and mint sauce. Fry for 2-3 minutes then season with salt and pepper.

To serve, spoon the minty green beans into the centre of four plates, place a lamb chop on top and spoon the sauce over the top.

## Healthy hake with beetroot

HEALTHY, low fat, fast food. A tasty meal which won't pile on the pounds.

**Ingredients:**

- Serves 4*  
 250g cooked beetroot, cut into matchsticks  
 Fine strips from one orange  
 Juice of one orange  
 4 hake fillets, approx 100g each  
 30ml fresh, chopped herbs, dill, chervil and tarragon  
 Salt and freshly ground black pepper

**Method:**

Pop the beetroot strips into a pan with the orange strips and half the orange juice. Heat gently for eight to 10

minutes or until piping hot, stirring frequently.

Arrange hake on a grill rack, and sprinkle with the remaining orange juice.

Cook for 3-4 minutes or until the fish is cooked through.

Divide the beetroot between four warmed plates. Carefully arrange the hake on top and sprinkle with herbs and seasoning.

## Meringues and whipped cream

WHO can resist a light, sugary snack that melts in the mouth?

**Ingredients:**

- Makes 6*  
 3 medium egg whites  
 180g caster sugar

**FOR THE FILLING:**

- 450ml double cream  
 50g icing sugar, sifted  
 1/4 x 5ml sp vanilla extract

**Method:**

Preheat the oven to 110°C/225°F/Gas Mark 4. Line a baking tray with baking parchment.

Whisk the egg whites with an electric whisk until they are stiff - this will take about five minutes.

Check that the egg whites are stiff enough by turning the bowl upside down. If the egg whites

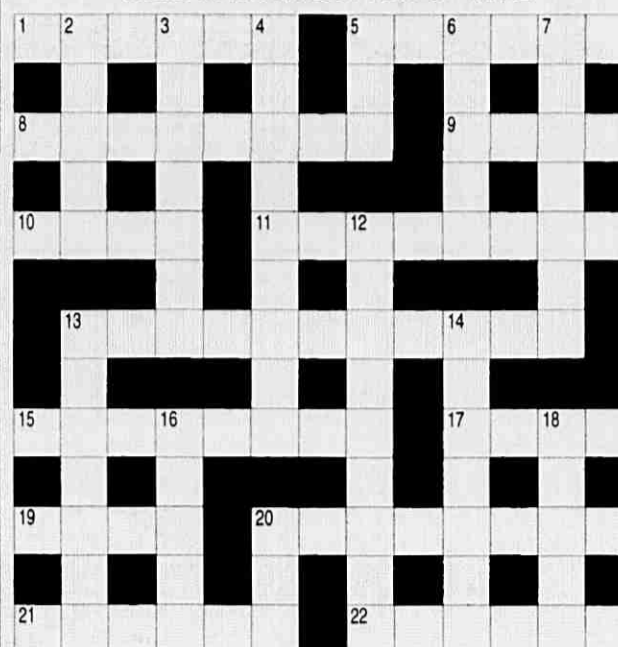

stay in the bowl, then it's the right time to add the sugar. The mixture should be stiff and glossy. With the whisks running, add the sugar a tablespoon at a time, making sure that all the sugar is absorbed before adding more.

Using two dessert spoons, spoon the meringue mixture on to the prepared baking sheets - there should be about 12 mounds of meringue in total. Bake in the oven for 1 1/2 hours, or until dry and crisp. Turn off the oven and leave meringues to cool in the oven.

Lightly whip the cream, and fold in the icing sugar and vanilla extract. Spoon the flavoured cream on to the flat surface of the six meringues. Top each with a plain meringue. Serve in paper cases.

## Health Tips from "Remedies"

### FIGHT THE BLOAT - Part 1

Many people seem to feel that maintaining a healthy digestion is too much of an effort. They feel tired and sluggish but instead of eating sensibly they try to brighten themselves up with the wrong type of diet, expecting their bodies to cope. But a bad diet can affect the immune system, increasing the chances of falling foul of viruses. Improving things couldn't be simpler:

- Drink 1.5 to 2 litres of plain water daily
  - Drink herbal teas or Bambu rather than coffee, tea and fizzy drinks
  - Boost circulation with exercise, at least a brisk 10 minute walk in the fresh air daily to get the lymphatic system and lungs working.
  - Cut down on processed foods and alcohol. Eat more fruit, vegetables and wholefoods.
  - Relax. Unwind for at least 30 minutes before going to bed to encourage better sleep.
  - Repopulate the good bacteria in your gut.
- Nowadays, most people know that not all bacteria are bad for you. In fact the good bacteria in the gut are essential for digestive health. There are many things that can create an imbalance - a diet full of sugary, processed foods or a course of antibiotics being two of them. Some people believe that if gut bacteria have become imbalanced, all that is needed is some friendly gut bacteria in the form of a probiotic. In reality a poor gut environment will not sustain good bacteria, so before trying to repopulate with the good bacteria you have to provide a good environment. Available at .....

## Dungarvan Credit Union Cycling Notes

### WEEK 3 VICTORY FOR ENDA AND HUGH

On Wednesday last, August 22nd Enda Donnelly and Hugh Mulhearn secured victory in week 3 of our annual Ger Wyley Team Time Trial. On a night suited to good times they completed the Whitechurch route in 36:15, a full 45 seconds inside their predicted time. In second place was the foursome Benny Flynn, Pádraig de Búrca, Richie Power and Davey Tobin who went round in 38:51 and secured a PB for several on the team. Dane Power, Frank Browne and Micheal Whelan completed the course in 44:47.

On Week 2, the winners were Damien Travers, Enda Donnelly (again!) and Michael Moloney as they raced around in 37:51. Very impressive cycling indeed!

Just a reminder to everyone that the final event in this series will be tonight, Wednesday August 29th. All cyclists who sign-on at Kilrush at 6:45 will be put on a team, so even if you haven't been on a team in this competition in previous weeks, don't let it stop you from participating! This is our last event of the season... so come along and

enjoy the fun!

### THE SEAN KELLY TOUR

All the talk during the past week has been on how wonderful the Sean Kelly Tour of Waterford proved to be. It was wonderful to see how proud all the cyclists were of their achievements, and indeed there's already lots of anticipation for next year. Well done to all involved. A special mention must to the staff in Waterford County Council, and in particular Richie Walsh and Johnny Brunnock. Take a bow there! They were very ably assisted in running the show by Rosarie Kealy and Karen Phelan in Waterford Sports Partnership. Thank you ladies. And finally, a very big thank you to Sean, for helping to make this wonderful event a reality.

### WEEKEND SPINS

Both days of the weekend were ablaze with sunshine, and those who were out on the bikes enjoyed good spins: on Saturday to Ballyduff and camphire; and on Sunday to Bunmahon, Kill, Carroll's Cross and home via the N25; while some of the group decided on a more leisurely trip to Lismore. On the bikes were: Francis Barry, Eddie Moore, Damien Travers, Frank O'Rourke and Frank

Browne, Colin Organ, Eamonn O'Doherty, Keith Radley, Mark Power and Mark Power, Pádraig de Búrca, David Cummins, Davey Tobin, Brian O'Mahony, and Jim. Well done to Brian who completed a 70k on Saturday, and came back for more on Sunday, having been only a short few weeks on the bike!

## STRADBALLY SOCCER NOTES

### LOTTO

The numbers called at the recent lotto in the Bally Inn were 2, 16, 21 and 23. With no claimant of the jackpot, the following won 25 euro each, Patsy Organ, Joe Sheehan, Ollie Lawlor and Liam Connors as promoter. Next draw in a fortnight in Whelans, please support.

### GIRLS NIGHT

Calling on all girls from under-10 to under-16 who were involved in the league over the summer, Friday week the 7th of September in the Bally Hall is our social night for all the players and parents. This was our first season for girls football and a wonderful time was had by all. We had a total of over 50 girls playing over the summer months and over 30 matches played by the three teams.

### SENIORS

We are competing in the 1B league this year after moving up almost each season from division four a few years ago and winning one league and three cups along the way. But now we are at a high level and it would be fair to say that we would do well to hold our position in the league this season and then see our strengths for next season. We have a lot of new players this year, some have packed up the game while age has caught up with a few. We are re building our team and we still welcome any new player to the club. We hope to learn from every game. We played top side Ferrybank last week and were beaten 3-0 after holding our own till the last twenty minutes when we showed signs of tiredness. It's the passing of the ball at this

level that we have to get used to but we have a good gang, so in time!!

### OVER THE HILL GANG

Also known as the over-33 team. Gathering of these lads on Wednesday next, the 5th of September at 8pm in the field. Try and be there as we need to sort out team squad. Are you over 33? Have you played before, why not make that come back that you always dreamed of, you know the one that you score with your first touch when you come on, you know you want to play so come along to the field of dreams on Wednesday night.

### ACADAMY

Academy is back on Saturday the 8th of September so all our young players are welcome to come along. New members are very welcome.

### UNDERAGE

We will have three teams competing in the Waterford School-boy league. We are competing at U-11, U-12, U-14 and U-16. While we have a great gang of people looking after them, we still need whatever help is available out there. All are welcome.

### RUBBISH

Over the past couple of years the amount of rubbish that has been left at our grounds is unbelievable. People seem to have a more carefree approach when they come to any sports field when it comes to disposing of plastic bottles or packaging. This has to stop. We want to get it into everyone's mind that when they bring drinks or foodstuffs to our grounds, please take away the rubbish. We can't put bins in place as the experience of most clubs is that they are ideal when cleaning out the car. So the message is, you are very welcome but not your rubbish, take it home.

### DEVELOPMENT

Just to update you on the development at present. Great to see the name plate donated by Philly Connors in place at our entrance in our language. Thanks to Ollie and Pats for this and after getting more stone, the wall is now being completed. On the building itself the joicing and floor upstairs is completed with a number of members burning the midnight oil last Friday to complete it. The windows and doors have been ordered and we should have them in a fortnight. Plumbing and electrics will be worked on over the coming week or two and plastering in the next fortnight as well. So it is moving at the moment on the inside.

## BLACKWATER FC NOTES

# Defeat At Home In The Tony Bolger Cup

Following the Tuesday fixture against Inch and a 4-1 result for Blackwater, hopes were high that a positive result against Araglan would see the home side advance to the semi final of the Cup. Although there were a few absences from the home side M. Ware and B. O'Connell could call on a fairly strong side with again a great squad turning up on the warm Saturday evening for the 6 o'clock kick off.

It didn't take Blackwater long to settle in to the game and they took a deserved lead after only 10 minutes when C. Radley was again on the score sheet after a neat pass from S. Cotter to header in to the back of the Araglan net. The first half turned into a real midfield battle with neither side showing great vision to break the other team down. At about the 35 minute mark Blackwater was to have a lucky escape

when goalkeeper P. Donavon went down bravely to prevent the on rushing Araglan player to score a certain goal.

Araglan finally got what they were threatening to do 2 minutes before the interval when the broke down the right and the advancing P. Donavon was beaten low to his right. The sides went in level 1-1 at the break.

Blackwater were forced to take the groggy P. Donavon off at ½ time to be replaced by R. Ronayne. J. Radley was also replaced at the break by G. Ronayne. With all the early pressure in the opposing half K. Barry was brought on for S. Cotter in attack on 57 mins.

After 60 mins. An Araglan attack resulted in a speculative shot that beat keeper R. Ronayne at the near post which made it 2-1 to the visitors. Try as they might after this Blackwater did not fair

any better and in truth never looked like they were going to get anything from the game once they went behind. Araglan defended their lead well and never gave the home side an opportunity to equalise.

The final score of 1-2 has left us in a difficult position and now relying on other teams to do us a favour to ensure our progression to the next stage.

With League action to commence Saturday 1st September at home to Cappquin a big improvement is required by managers Ware and O'Connell to ensure a good start to life in the Premier Division. K.O 6.00pm supporters welcome.

Team: P. Donavon; A. Landers; D. Cullane; J. Healy; F. Cotter; J. McGrath; J. Radley; K. Cotter; Jason Radley C. Radley; S. Cotter. Subs: R. Ronayne; G. Ronayne; K. Barry

# County Bord Na nÓg Notes

## Under 16 Hurling.

The final round of games in the Waterford G.A.A. Club - Dublin Branch Sponsored County under 16 hurling championships are down for decision this coming Monday night. The fixtures are listed below.

As can be seen from the league tables also shown below, there is still a large amount of games to be played which were called off over the past few weeks. At an officer meeting of County Bord last week it was unanimously agreed that the County Finals will go ahead as planned and that clubs would be responsible for ensuring that they have all there games played to meet the semi finals dates which are pencilled in for Monday September 17th.

Over the past few years the same problems have happened time and time again with the running of the County under 16 hurling championships. Whoever is responsible for running the competition in 2008 will have to be insured that the same problems do not rise.

In 2008, should an all-county under minor hurling championship go ahead some careful planning will have to be done to ensure that the two championships are not run side by side, or if they are clubs will have to be told that games at either level will not be called off to accommodate a fixture on the other age level.

One solution is to begin the Bord na nÓg year with the Under 16 championships and to play the minor championships in the second half of the year. This has been suggested to club at juvenile level in the past and was rejected. Maybe it would be worth thinking about for 2008.

## County Finals

At a county Bord na nÓg Officer meeting last week it was decided that the County Under 12 football championships would go ahead on September 8<sup>th</sup>, the outstanding County under 14 hurling finals would go ahead a week later and that the County under 16 hurling finals would be played as arranged.

## Terry Cup

An Aoine seo chaite d'imraiomar an dara cluiche sa Terry Cup in aghaidh Lisgoold ó Co.Chorcaí. Bhí tosach maith againn agus bhíomar ag bhuachaint le cúlín amháin ag leath am - 0.7 go dtí 0.6. Ach sa dara leath bhí Lisgoold i bhfad ró-maith dúinn. Fhuair eadar trí cúl bhog sa dara leath a chriochnaigh an cluiche. An Sean Phobail 0-12 Lisgoold 3-11 an scór deireadh a bhí ann ar an oíche, ach bhí dhá cluiche sa craobh seo agus thar an dhá cluiche bhí an bua ag na "shocks" le seacht pointe. Míle buíochas do Lisgoold dos na cluichí crua.

Last Friday evening we played Lisgoold in the second leg of this year's Terry Cup final. An Sean Phobail got off to a good start, however we never pulled away from Lisgoold, with the half-time score reading 7 points to 6 in favour of the "shocks". The second half was a completely different story as Lisgoold put three goals away to run out easy winners. The final score was An Sean Phobail 0-12 Lisgoold 3-11. However, over the two legs we were the better team and we beat Lisgoold by 7 points on aggregate. Therefore, the Terry Cup was returned to An Sean Phobail captain Pádraig Ó Céithin. Hopefully it won't be the only silverware Pádraig picks up this year.

An Foireann: M.Ó Lallaigh, P. Ó Céithin, E.De Paor, D. Ó Mhurchú, D.Ó Bhrian, C. Ó Inneadúin, S. Ó Conbhuidhe, T.Ó Mathúna, S. De Paor, P.Ó h-Ealaithe, R.De Paor, B. Ó hÓgáin, S. Uada, D.Ó Fathaigh, M.De Paor.

## Campa Samhraidh

Míle buíochas le Áine Uí hÓgáin a d'eagraigh campa iontach arís i mbliana. Bhain gach duine a raibh taitneamh as an seachtain, a críochnaigh an Aoine seo chaite le lá spóirt.

Congratulations to Áine Uí hÓgáin and her helpers on another successful summer camp.

## Underage Update

Comhghairdeachas le foireann mionúir na Ghaeltachta a bhuaigh craobh an Iarthair sa pheil an tseachtain seo chaite. Ar an oíche cluiche fisiciúil a bhí i gceist in aghaidh Chill Rosanta. Bhí na foirne ar chomhscór ag leath-am. Ach tar eis an breise bhí an lámh in uachtar ag Chill Rosanta agus seacht noiméad ón deireadh bhíodar pointe chun tosaigh. Fhuair An Ghaeltacht 4 pointe in ndiadh a chéile chun an cluiche a bhuachaint. Sa deireadh bhí 3 pointe idir na foirne. Bhí cúigear ón Sean Phobail ar an panéil. Daithí Ó Bhriain, Brendáin Ó hÓgáin, Cormac Ó Inneadúin, Morgán Ó Mionbhail agus Seamus Ó h-Ealaithe. Bhí an scór deireadh: An Ghaeltacht 0-8 Chill Rosanta 0-5.

Last week An Ghaeltacht beat Kilrossanty in a very tough and tense minor Western Final. An Ghaeltacht started well and lead by 3 points to 1 midway through the first half. However, they were pegged back as the teams went into half-time level. Kilrossanty took control in the second half and it looked as though the game was beyond An Ghaeltacht's reach. However the game swung when An Ghaeltacht goalie, Jamie Breathnach, made a full length save from a penalty. There was still a lot to do as An Ghaeltacht trailed by a point entering the final minutes. But the boys stepped up a gear and kicked four unanswered points to win the game by three.

Well done to the Waterford Under 14 team on winning the Tony Forristal Competition on Sunday last at Walsh Park. Representing the club were Peter O'Keefe and Ray Barry. Peter O'Keefe contributing four points in the final while Ray Barry in goals kept a clean sheet throughout the tournament.

FRIDAY AUGUST 24TH

## Celtic Charmer In A Thriller

The feature race on last Friday nights WGOBA promoted Irish Guide Dogs Association benefit meeting was the final of the Benefit Meetings N2 Unraced Stake and this four bender went all the way to the wire. Quanns Blackbird the evens favourite broke well from trap five but when he opted for a middle course rounding the opening two bends the Con O'Sullivan owned and Perry Aylward trained Celtic Charmer (Top Honcho-Mulcair Millie) 4/1 drove into a narrow lead on the fence. Celtic Charmer made the best of his way home from that point on and while Quanns Blackbird renewed his challenge in the closing stages Celtic Charmer dug deep to triumph by the minimum distance in 29.17.

In the opening race the Laurence Byrne owned and Nick Turner trained Betfowl (Just The Best-Lifes Beauty) 2/1 to 2/5 surpassed all her previous moderate efforts to post a clear-cut success in a smashing 28.63. The layers knew their fate early on with this lady and keeping up a strong gallop she went on to account for Avalon Layla by all of ten and a half lengths.

The connections of the previous runner up enjoyed better fortune in two later races as Deans Pride 4/5 and Mount Annville 3/1 credited trainer Paddy Gaffney with a nice training double. In a 300 yard sprint the Bridget Kearney owned Deans Pride (Larkhill Jo-Duhallow Lady) had Blackforest Milo for company up front but when the latter appeared to loose his footing Deans Pride galloped clear to register an easy six lengths win over Comeragh Mags in a decent 16.40.

In race four Windgap Nelly went to the front early on but she was joined in the lead over the final two bends by the well-backed Big Boy Blue. The David Harding owned Big Boy Blue (Honcho Classic-Much Nicer) 4/6 stayed on the stronger in the closing stages for trainer Eamon O'Donovan to open his account by two lengths over Windgap Nelly. Time 29.22.

In the fifth event the Tom Kearney owned Mount Annville a litter brother to Deans Lady returned to winning ways with a deserved 28.90 success. Track newcomer Garden Raven broke well from her middle draw but heading out onto the back stretch Mount Annville moved up a gear to strike the front on the run to the second last bend. It was all Mount Annville from that point on as he went on to record a length win over a gallant Garden Raven.

In the sixth contest over six bends the Mary Kenny owned Group Statement (Larkhill Jo-Group Special) 4/6 made a winning race debut coming from some way off the pace to triumph in 41.44. In the early stages Yellow Belly gave way to October Surprise but recovering well from a moderate start Group Specialist accelerated into the lead at the entrance to the back stretch. October Surprise did her best to stay with Group Specialist but the latter lengthened his stride to win out by four lengths.

In the seventh contest Maxs Delight, Sydney Harbour and Cry Wolf all attracted market support. It was the early paced Huggies Lord who cut out the early running however from trap six but he was tracked throughout by the evens favourite Sydney Harbour. With Huggies Lord drifting wide into the home stretch the D Fraser owned and Eamon Moore trained Sydney Harbour pounced up the inside to come through for a three and a half lengths defeat of Huggies Lord. Time 29.02.

In race eight over six bends the Willie Brennan owned Ardera Spice (Royal Impact-Stageys Delight) 5/2 produced a gutsy front running display to lead all the way in an ultra fast 40.68. Dashing into an early lead Ardera Spice had Sparta Maggie snapping at her heels throughout but refusing to wilt under pressure Ardera Spice forged clear in the closing stages to run out a clear cut four and a half lengths winner over Larkins Lady.

Races nine and ten were semi finals of the Masters Restaurant A3 Novice 730 yard stake.

In the first semi final the Ray Causer owned Dravid (Top Honcho-Wilcox Jet) 2/1 provided trainer Eamon O'Donovan with his second success of the night making practically every yard of the running to score in 41.27. Shaking off the early challenge of Gallows Morning Dravid went on to defeat a slow starting but staying on Group Hirroller who tasted defeat by seven and a half lengths.

In the second qualifier the Donal O'Brien owned and Phil Gough trained Newline Honey (Spiral Nikita-Manuka Honey) the evens

favourite went a good deal faster to land the spoils in a speedy 40.88. Aglis Ciara powered clear from trap four but the eventual winner was soon in the leaders slipstream. Bounding into a third bend lead Newline Honey was never in any danger thereafter racing on to a two lengths defeat of a running on Kishlawn Ten.

In the final race of the session over the 550-yard trip the Four For The Road Syndicate owned and Tom Barron trained Call To Arms (Clover Hare-Garas Trail) 4/1 to 2/1 landed some nice wagers en route to a clear cut 30.14 success. Grabbing a second bend lead from Star Kav Call To Arms upped the tempo on the back stretch to lead from the well backed Sydney Surrounds and it was all Call To Arms thereafter as he went on to defeat Star Kav by four lengths.

## Sylvia Was Top Of The Pops

There were four finals up for grabs in Kilcohan Park last Saturday night. The first of these a 550-yard stake kindly sponsored by Kelly and Dollard saw the Sylvia Curtis owned and Peter Brady trained Sylvias Topper (Man Of Lamancha-Youre A Topper) justify 6/4 favouritism with a smooth victory in an excellent winning time of 29.75. Driving into the lead between the opening two bends a rails running Sylvias Topper was soon well in command of matters and keeping up a strong gallop up front Sylvias Topper went on to defeat a running on Wollombi by five lengths. It was a double triumph for the winning trainer as he stands the winners sire Man Of Lamancha at his Waterford base.

The Julie Power owned Distant Darkie (Blackjack Tom-Autumn Gift) won her third marathon on the bounce this 4/6 favourite capturing the Nick Turner sponsored Birchtree Kennels D4 Marathon event. The early paced Mountkeeffe Lark led early on from the close running pair of Distant Darkie and Hold Tough. Distant Darkie went to the head of affairs at the third bend and quickly established a four lengths back stretch advantage. To be fair to Mountkeeffe Lark she renewed her challenge up the home stretch but Distant Darkie was home and hosed obliging by one and a half lengths in 41.06.

The previously unbeaten River Tom 4/5 was confidently expected to continue the winning run of the favourites in the Michael Hoban Construction A3 decider but he was badly impeded at the first corner failing to clear Hollylake Tom who bumped Shirleys Memory who in turn cannoned into the favourite. Hollylake Tom was left in a clear lead down the back stretch from Ballycahane Band but mounting a strong challenge up the home stretch the Andrew Sinnott owned Ballycahane Band (World Class-Tullerboy Lass) 4/1 finished with a flourish to outstay Hollylake Tom by two lengths in 28.89.

Chasing her third win in a row at the venue the Des and Elliott Whyte owned Oran Majestic (Daves Mentor-Droopys Lauren) was despatched as the red hot 4/7 favourite to capture the final of the Pierce Hire A1 event but a fast starting Kingsmill Dubh certainly put it up to the favourite in the early stages. Oran Majestic showed her class however at the entrance to the back stretch accelerating into the lead. Kingsmill Dubh refused to go down without a battle however and Oran Majestic could not afford any slip-ups on her way to a hard fought length success over Kingsmill Dubh in a cracking 28.40.

Racing commenced with the four first round heats of the Peter Cronin sponsored Dairyland Cuisine A3 500 yard event.

Heat One — The opening qualifier is easily described as the Monday Evening Club Syndicate owned and John O'Flynn Junior handled Kildrenagh Forge (Teds Jo-Kildrenagh Woods) 6/4 after a slick start made every post a winning one. Dictating matters from

the outset Kildrenagh Forge led early on from Reality Fantasy before eventually accounting for Local Touch by a length and a half in 27.55.

Heat Two — The fast starting and rails seeking Befola Cheetah made a slick exit from trap five but just beyond the second bend the leader gave way to the Brendan and Michael McDonald owned Ballymurn Shark. 2/1 chance Ballymurn Shark (Top Honcho-Biddythe Cracker) was never subsequently headed en route to a smooth four and a half lengths success over the relative novice Little Jerry. Time 27.49.

Heat Three — The penultimate qualifier produced a clear cut ten lengths winner in the shape of the Irishtown Syndicate owned and Thomas Cormack trained Rabras Rambo (Rabras Banjo-Caviat Emptor) the Tipperary entry slamming the opposition in 27.64. With a 2.82 split on his card at Clonmel Rabras Rambo was sure to race up with the pace and leaving first bend crowding in his wake the winner was left in the clear from Ballylarkin Shot. After early crowding hassle Tinrah Jo did well to fill the runner up spot at the finish.

Heat Four — With the 1/1 favourite Ascot Steve badly crowded at the first bend the Joseph Moloney owned and David Flanagan trained Lassana Midclare (Droopys Woods-Lassana Kitty) quickly took control of matters on the fence from Mullaghmore Fire and a slow starting Southlodge Lily. Making the best of his way home Lassana Midclare defied his 5/1 starting price en route to a length win over Mullaghmore Fire. Time 27.76.

Races seven and eight were semi finals of the Bet With The Tote A4 Stake. In the opening qualifier Sydney Warratah made a gallant effort to lead all the way but with the winning line in sight Sydney Warratah was nabbed by the fast finishing Fahee Agassi (Droopys Agassi-Fahee Lantern) this 2/1 shot timing his run to perfection for owner Phil O'Neill. The winning margin in favour of Fahee Agassi was a head in 28.85.

The early paced Ankle Basher (Droopys Vieri-Lady Princess) ran out the trap to line 28.87 winner of the second qualifier. In the vanguard throughout the Paul Lanigan owned and Dick Ryan trained Ankle Basher held a narrow advantage over the early paced Wilcox Monet but at the winning line it was a slow starting Queen Of the Day who was travelling best of all to move within three quarters of a length of Ankle Basher with a gallant Wilcox Monet a length further back in third.

Earlier winner Oran Majestic will be one of the leading fancies to lift the Droops Stud Munster Oaks (starts Saturday September 8th) but she certainly wont have matters all her own way judging by the best of night clock of 28.38 recorded by the Cash The Cheque Syndicate owned and Maria Byrne trained Diva Sue (Droopys Vieri-Dysert Diva) in the final race of the night. After a moderate break from trap five (better suited to an inside draw) Diva Sue showed plenty of early dash to motor into a challenging position behind Ma Ma Blue and Tinahue Spring. Forging into the lead on the run to the third bend Diva Sue quickly opened up a handy lead which extended to five lengths at the winning line from a fast finishing Sparta Bluebell.

# Dungarvan Projects Benefit From Rose Lanigan Funds

Three Dungarvan based projects have been significantly boosted by the donation of €15,000 – proceeds from the Rose Lanigan Golf Classic held in Dungarvan earlier this summer.

Rose Lanigan (nee Doherty) a native of Thurles but living in Dungarvan died last year following a short illness. Married to Pa Jo Lanigan of Cormackstown, Holycross she worked in the nursing profession and was hugely popular in both Thurles where her brothers and sisters and her mother and father still live, and Dungarvan.

Rose's family and friends decided, shortly after her death, that something should be done to help keep her memory alive in both towns. It was decided to hold a major Golf Classic and a committee drawn from both

communities, was established.

The response was overwhelming with scores of teams converging on Dungarvan for the three day event. In total 145 teams played in the classic and €35,000 was raised. The funds were divided between Dungarvan and Thurles based projects and considering Rose's connections with the caring and health professions it was natural that projects in this field should benefit.

With that in mind €10,000 was donated towards Dungarvan Alzheimer Group, and €2,500 each was donated to South East Radiotherapy towards transport for cancer sufferers, and Dungarvan MS branch for special needs holidays.

In Thurles similar projects have been funded from the proceeds.

The Dungarvan based members

were: Rodgie O'Connor, David Walsh, Dave Mahoney, Paddy Kennedy, Pa Jo Lanigan and Eamon Moore while the Thurles based members were: Cllr. John Kennedy, Jackie Lanigan, Ken Doherty, Tony Lanigan, Tomas Ryan and Larry Doherty.

Pa Jo Lanigan and the extended Lanigan and Doherty families and the organising committee would like to express their appreciation to all those who took part in the classic and offered support.

"We wanted people to know exactly where the money we raised has gone to.

The projects are very worthwhile and it is a very fitting way to remember Rose. People were very generous and supportive of the Golf Classic." Jackie Lanigan (Pa Jo's father) said.

Pictured handing over a cheque for €10,000 to Dungarvan Alzheimers Group is Pa Jo Lanigan making the presentation on behalf of the Rose Lanigan Fund.

## Causeway Tennis Club Notes

There was a real summery feeling in the club this week-end.

A great sun greeted the players on the courts for the entire Vet tournament and Saturday night barbecue with music from Ollie White, was a real success.

### CLUB NIGHT

Our Club Night will be running every Wednesday night heading into the Autumn/Winter.

It is very well supported by new members, however we are hoping some of the more longstanding members will participate.

There is no need to arrange matches. You can come down to the Club House and play with whom ever is there on the night. We are introducing a peg system that will help to mix and match people. It is a good way of getting to know other members.

Any query contact Brendan O'Hara: 087 2118863.

### VETS TOURNAMENT

Well done everybody who played in the Vets. A great sun greeted the players on the courts and there was a great atmosphere. The results will be available next week in this section.

We wish to thank our sponsors, Nissan Chevrolet Dungarvan and Minnie's Bar.

### SUMMER BARBECUE

Our Summer Barbecue took place last Saturday and was a real success.

We thank everybody who helped with the preparations.

### SPONSORS

A list of sponsors is available in the Club House and we encourage our members to support them.

### JUNIOR OPEN

Congratulations to everyone who played in the Junior Open, which was run over the bank holiday weekend. The Causeway players competed really well against visiting players from Waterford and Tramore and are now playing confidently in other tournaments in the area.

Many thanks to everyone who helped out during the junior tournament – those who umpired the matches, made tea/coffee, dropped off and collected the children and those who stayed to support the players.

A word of thanks to our regular sponsors – The Allrounder Sport Shop, Fitzgerald Insurances and to Baumann's Jewellers who provided the prizes. These events are difficult to run without sponsorship and we would ask our members to support our sponsors.

### FUN COMPETITION

The long awaited "Parent and Child" competition will be in the afternoon of Sunday, September 9th – one parent and one junior member of the same family will play in a fun tournament.

We will have 2 groups – one with non-tennis playing parents and one for the "pros". We will be encouraging the juniors to pester you to play in this, so get the old runners out and find that wooden racket. Entry Forms are available at the club.

### FRIENDLY MATCH

We have been invited to Hillview in Clonmel for a friendly match on Sunday, August 26th (probably in the afternoon). Anyone interested in going, please text Ray (087 2276755) and he will get the list together. Obviously, if we have lots of people, he will need a few volunteer drivers.

We had to postpone the return friendly against Tramore – this will be rescheduled. St. Anne's

in Waterford and Carrick-on-Suir have both agreed to matches.

### MEMBERSHIP

Ray have been asked to remind parents that all children attending Saturday tennis must be members of the tennis club. Membership forms are available in the clubhouse and any further enquiries should be directed to Club Administrator, Claire Scanga (clubhouse, Monday to Thursday 10.30am to 1pm. Tel: 058 42813).

### CLUB CLOTHING

Some people have expressed an interest in getting tennis clothing with the club logo. I have been in contact with the company who produced the hoodies and showerproof jackets for the Munster Squad. The quality is good and anyone interested should contact the club.

### NEW JUNIOR MEMBERS

Any parents who want their children to join the Tennis Club and avail of the supervision in the afternoons, all you have to do is telephone Claire at the Clubhouse at (058) 42813 for an application form or alternatively call into her to complete the application. West Waterford/East Cork Junior League

## League Commences This Weekend

# Plenty Of Goals In Bolger Cup

What a feast of football we had in the past week and played in glorious sunshine as an added bonus!

The Tony Bolger Cup, sponsored by Dungarvan Leader, continued with games played Tuesday, Wednesday, Friday, Saturday and Sunday. The weather was ideal to draw the crowds to the various venues, and it was a pleasure to stand on the sidelines in summer attire and not the normal winter rain gear.

We must compliment the management committee of the W.W.E.C. for reverting back to playing the cup in groups, with goal difference coming into play in the event of teams finishing level, as it made for a goal scoring competition. So far with 19 games played, a total of 88 goals have been scored.

Last Sunday, pride of place went to Lismore who scored 9 times against newcomers Ballybridge Utd, while on Saturday night Araglen caused a shock by defeating hot favourites Blackwater in Ballinameela, and must now defeat Inch A by at least 5 goals to qualify for one of the semi finals, cup or plate.

Elsewhere, Bride View scored 6 goals against Inch A, while in the group of death, Mogeely defeated Ardmore and are in the Cup semi final, with Valley in the plate. Lismore and Cappoquin meet this Wednesday to decide which team play in either cup or plate.

The big game last Sunday was in Castlebridge where Clashmore came out on top in a 3 goal

## LISMORE SCORE 9 BRIDE VIEW SCORE 6

thriller.

### MOGEELY 3 VALLEY RGS 0

Playing their first competitive game of the new season, Mogeely were much too strong for an understrength Valley Rgs team last Wednesday night. After a scoreless 1st half the home side scored three goals thanks to a brace from Johnny Donovan and one from Dave Horgan.

### ARDMORE 1 MOGEELY 4

Needing only a draw on Sunday morning to qualify for a cup semi final, Mogeely got all points in Ardmore.

Brian Keane scored for the home side, while Jake O'Shea and Dave Horgan had the visitors in the lead at the break, but further goals from O'Shea and M J Crowley in the 2nd half gave Mogeely all three points and top of the group with Valley Rgs in runner up spot.

### BLACKWATER 1 ARAGLEN 2

Blackwater were many peoples favourites to win the group, but Araglen had other ideas last Saturday in Ballinameela. In a cracker of a game, Camen Radley gave the home side the lead, before Paddy Kenneally

equalised to leave the sides level at the break. In the 2nd half Cian O'Mahony scored a wonderful goal for the visitors and leave them needing to win their final group game by at least 4 goals to qualify for a semi final spot.

### CAPPOQUIN 3 INCH B 0

Leading at the break through a Pat Morrissey goal, Cappoquin went on to score 2 more goals through Morrissey again and Jake Bray, to leave them level on points with Lismore whom they play this Wednesday night with the winners in the cup semi final and the losers in the plate.

### BALLYBRIDGE UTD 2 LISMORE 9

Hapless Ballybridge came up against a Lismore team who knew they had to score goals to keep in touch with Cappoquin and score goals they did. As a contest the game was over at the break when the visitors led by 4 goals to one, and the 2nd half was a replica of the opening 45 mins, with Lismore always in control.

Scorers for Lismore were Ian Kearney with 4 goals, Eddie Polard and Kevin O'Donoghue 2 goals each and Colin Houlihan 1 goal.

### CLASHMORE 4 GLEN VIEW 0

Clashmore continued their good start to the season with an impressive win over a very much understrength Glen View last Wednesday night. J P Carey opened the scoring and Dec Gleeson added a second before the break, and scored again straight after the break. Roger Ryan got the 4th goal.

### BRIDE VIEW B 1 CASTLEBRIDGE 3

Three goals in the opening half by Lemac, Mike Hegarty and J J Murphy had the visitors in the driving seat and the game as a contest over. Bride View did pull a goal back before the final whistle.

### CASTLEBRIDGE 1 CLASHMORE 2

This was winner takes all game, with the victors through to the Cup semi final and the losers in the plate. Roger Ryan gave the visitors the lead in the opening half when he converted a penalty. Barry Coleman increased the lead early in the 2nd half. Castlebridge pulled a goal back when Frankie Shortt scored with a header and try as they might the home team could not force an equaliser.

### BRIDE VIEW B 5 GLEN VIEW 2

Both sides finished off their group section with a very entertaining game on Saturday night in Tallow, with the home side coming out on top against a youthful Melleray combination.

Both sides were level at the break on 1 goal each, and in the 2nd half Bride View got on top.

The home side scorers saw Brian Donnelly with a hat-trick, Charlie Goode and Andres Simkins a goal each, while John Broderick with 2 goals and William Rotte one goal, the scorers for Glen View.

### BRIDE VIEW A 6 INCH A 0

Played in Tallow on Friday night, the home side's 1st team proved much too strong for an Inch team very much understrength on the night. Paul O'Brien had a hat-trick, while Aidan and Paul Kearney had a goal each with the 6th an o.g. This victory has Bride View in the driving seat in their section and almost certain cup semi finalists.

# Venue And Date Of Amateur Review

The FAI have contacted us to pass on to the clubs in the league the venue, date and time of the review of the amateur/junior game. We in the W.W.E.C. have a choice of two, Wednesday 19th September at Rochestown Park Hotel Cork commencing at 7pm, or Monday 1st October at Clonmel Arms Hotel Clonmel, commencing at 7pm.

All clubs are advised to attend at either of the two venues as this review affects all of us involved in junior football, be it players, coaches or administrators and we will be given the opportunity to express our views directly to the FAI on the future of junior football and these meetings are the best chance for all of us to have our voices heard.

Reading a recent ESRI report lately, football is the highest participation sport in Ireland,

9% of the adult population plays the game making it the most widely played team sport among Irish adults.

The FAI is committed to the development of a more effective grassroots structure and the provision of quality competitive football opportunities for all involved in the game at this level.

So we ask all clubs to be in attendance at one of the venues.

## DEATH OF OLLIE BYRNE

While attending the Cobh Ramblers versus Shelbourne 1st Division game at St Colman's Park last Saturday night, we made enquiries from one of the Shelbourne officials as to the health of Ollie Byrne. We were told he was very ill, but it still came as a shock when he died during Saturday night.

Described by so many as a larger than life figure in League of Ireland Football, Ollie love in football centered around his beloved Shelbourne and Tolka Park. Over the last 15 years, Shels have won the league on 5 occasions and the cup 4 times. Ar dheis de ar anam.

# W.W.E.C. PREVIEWES

This Wednesday night we have the two final games in the Bolger Cup, and both are crucial, while the weekend will see the kick off to the W.W.E.C. Junior League.

### Cappoquin v Lismore

Neighbours Cappoquin and Lismore play each other in the final game of Tony Bolger Cup, and both already through to the semi finals of either Cup or Plate. At present Lismore have a better goal difference, but much will depend on the result. This game takes place at the Affane venue and maybe Cappoquin will come out on top.

### Araglen v Inch A

A game with the result of much importance to three teams, Araglen, Blackwater and Bride View A. A win here for the home side by at least a 4 goal margin will see them in a semi final, with Blackwater losing out, otherwise Araglen are the losers. Araglen to win, but by how much?

### Blackwater v Cappoquin

The visitors kick off their league programme with a visit from neighbours Cappoquin. Newly promoted Blackwater with many new signings, will want to start off on a winning note, and especially at home. However Cappoquin will want to continue where they let off last year and finish in the top 4 of the league. A draw maybe the result here.

### An Ghaeltacht v Inch

An intriguing contest here with the home side playing their first competitive game of the season. Inch on the other hand have had the benefit of playing in the Bolger Cup, but we think the home side, if at full strength will come out on top.

### Clashmore v Bride View

What a game for the promoted champions, the visit of one of the top teams in the league and more especially as Bride View have expectations of regaining their glory days with their young team. It could be our match of the day and is certain to draw a crowd to Pablo Park. Both teams went well in the Bolger Cup, both reaching the semi finals, and we have to make the more experienced Bride View favourites on Sunday. If we are proved wrong, Vinnie will be happy to tell us so!!

### Kilworth v Ardmore

The home side make their first appearance of the season and may not be strong enough to curtail an Ardmore side already having played in the Bolger Cup, but without a victory.

We think Ardmore will return to winning ways on Sunday.

Accrington also play their first competitive game of the season on Sunday when they entertain Mogeely, who have qualified for the Bolger Cup semi final and in the process have scored 7 goals and conceded just one.

### Mogeely to win.

### Valley Rgs v Araglen

This could be a cracker of an opening game with Valley Rgs wanting to be the 1st team to retain the league title since the great Bride View side of the 90's. No club have been able to win back to back titles since Bride View won 4 consecutive titles. Araglen, like Valley, have the advantage of playing in the Bolger Cup, and we will not be surprised if the visitors take at least a point home from Conna. A game worth seeing.

### Bride View B v Lismore

Relegated after a play off last season, Lismore have gone back to basics with their young squad and with Pa Cummins as manager will expect to challenge for promotion at the end of April. Bride View will relish this local derby and we are guaranteed plenty of flowing open football from those two sides. We predict a draw.

### Cappoquin v Castlebridge

The home side will be playing their first competitive game, while Castlebridge have the advantage of playing 3 Bolger Cup games. On form alone, Castlebridge must be favourites to collect all three points.

### Pinewood v Ballybridge

Newcomers Ballybridge make the long journey to Ballymacarby on Sunday morning to play the home team making their first appearance of the season. Ballybridge have already played three games in the Bolger Cup and will know what is expected of them, but it is difficult to see them getting a result here. Pinewood to win.

### Valley B v Glen View

Two teams already in action in the Bolger Cup, and a game that can go either way. We saw Glen View in action already last week and saw potential in their young squad. We think a share of the points might be the result.

### Modeligo v Inch

Another team playing their first game of the season, Modeligo will want to put last season behind them as after encouraging league start they fell down the table in the latter part of the season. Inch have played three games already and may prove too strong for the home side.

### RESULTS

Div 1A — Kilmac 4 Southend 1

A winning start to the season for a new looking team with a number of player changes being made over the summer. It was clear from the start of this match that both teams were looking forward to the start of the new season as the game took off at lightning speed with both sides on the attack from the very first whistle.

Kilmac were first on the score sheet after 15 minutes when a long ball by Anthony Power released Tony Kirwan, who beat the off-side trap, to chip over the advancing keeper.

Southend's response was almost immediate as they forced a corner kick. The cross from the corner kick was headed clear only to a Southend player on the edge of the 18 yard line to volley the ball back on goal, forcing a marvellous save from Darren Mulhearn, who pushed the ball onto the crossbar having seen the shot very late.

Southend did get on the score sheet just before half time when they were awarded a penalty after "Wheeler" was adjudged to have fouled the center forward, leaving the sides level at half time.

The second half continued where the first had finished with Martin Sutton and Martin Coffey's darting runs giving the Southend defence plenty of headaches and the home side took the lead when Martin Coffey crossed from the wing for Paudie Kirwan to head home.

Kilmac continued to apply the pressure with "Crockey" taking over for Martin Sutton and they were rewarded with a goal for Paudie Pender and a second for Tony Kirwan towards the end of the match.

2nd Div — Kilmac 2-5 MV Celtic

Having lost 5 players to the 1A team, it will take the lads a bit of time to settle as the team has a whole new look about it. They came up against a very determined Mullinavat side in the first match of the season and were behind 4-1 at half time, Anthony Power scoring a penalty after being fouled in the box.

An injury to Tommy McGrath shortly into the second half forced further changes to players and positions but they continued to carry the game to their opponents with Johnny Power scoring the second for the Kilmac side.

### SCHOOLBOY RESULTS

U-14 — Kilmac 0-5 Villa

Missing a number of players still on holidays or gone to "Mosney" with the community games, they lost influential keeper Dillon Power with a broken nose and so struggled against a strong Villa team. Everyone in the club wish's Dillon a speedy recovery and hope to see him back between the posts before too long.

U-16 — Southend 0-3 Kilmac

Having won their division last year this team continued their winning ways over-coming Southend by 3 goals to nil, a brace for Stephen Lynn and one for Eoin Walsh.

# MANCHESTER UNITED SUPPORTERS CLUB

### MEETING

There will be a meeting on this Friday night in Lawlors Hotel at 8.15 pm sharp. It will be preceded by a committee meeting at 7.30 pm sharp. A full attendance is requested for both meetings.

### LAST FEW TICKETS SNAPPED UP

The last remaining tickets left between now and Christmas were snapped up during the last few days. We would encourage all those who would like to still go to certain matches to contact the secretary as we have a provisional list in case anyone drops out or defaults on the "ONE MONTH RULE" for tickets. As agreed a few meetings back as you apply for match tickets you must also pay and it will be "NON REFUNDABLE" in the event of any member not travelling. Similarly if you have your name down for a match prior to the new rule being agreed you have "one month" before the game to pay for your ticket.

### CITY COMMENT MIXUP

Having read the Man City notes in last weeks edition I would like to clarify that the comment "COUNCIL HOUSE" was a reference to the home ground of Man. City who rent the ground

## WATERFORD BRANCH

from the Manchester City council therefore making City tenants. It was not meant as a derogatory comment to anyone living in a council house and we can agree that many a good person has come out of a council house. At least we know they read our notes!!!!

### SPURS RANT ON AND ON

It is understandable having never won at Old Trafford in the premiership that Spurs fans will clutch at straws in the hope of getting a result. Just as the ball never crossed the line when Roy Carroll made that wonder save, the new rant is for a penalty everytime they get in United's half (all 5 times). Just remember if the referee doesn't give it, it is not a goal, if he doesn't give a penalty, it is NOT a penalty. Take it on the chin and give over moaning!

### RETURN OF KEANO THIS SATURDAY

This Saturday sees the eagerly awaited return of Roy Keane "THE MANAGER" and as was the case with Robbo, Bruce and Sparky I expect he will get a huge reception. To those travel-

ling enjoy and anyone else is invited to John Keane's under the branch flag to soak up the atmosphere that will be there.

### FAMOUS OR WHAT

There is a new film being made in Manchester starring new Man City owner "Mr. Myagi" and the new side kick Erickson "DANIELSON". Unlike the other Karate Kid films this will watch a team go from top to bottom in less than 6 months. While the real twist becomes reality AGAIN when the "RAGS" turn the screw and claim another title. How many years now boys!

### CHAMPIONS LEAGUE DRAW

This Friday sees the much awaited draw for the Champions League group stage. The fact all 4 English sides are seeded will keep them apart and further the chances of a clash when it comes to the nitty gritty of the knockout stages in March.

### ALL FOR LAUGHS

The mickey taking of other premiership teams in these notes is all part of the banter that is associated with Football season so enjoy the craic or pack it in alto-

gether. It swings both ways — we have had a serious August of slugging with results not matching some of the football we have played. As Jose would say "CHIN UP" and get on with it.

### NEW MEMBERS WELCOME

New members are always welcome and as I was approached in Keane's on Sunday the answer is turn up to a meeting or contact the secretary on 086 3925677 who will give you all the assistance you need i.e. forms etc., Just to clarify it doesn't have to be an A.G.M to join up.

## Clashmore Ramblers FC

### SOCCER ACADEMY

the soccer academy will continue this Saturday September 1st at Pablo Park at 4.00pm sharp until 5.00pm. €2 per child. All children aged from 6-12 years welcome.

### CLASHMORE RAMBLERS Clashmore Ramblers 4 Glenview 0

A header from JP Carey from a corner and another from Decy Gleeson gave us a 2-0 halftime

lead.

In the second half we finished the game off when Decy completed his hat-trick, his second in 2 games, with two well taken goals.

### Clashmore Ramblers 2 Castlebridge 1

Roger Ryan scored his third goal in 3 games from the penalty spot to leave the score 1-0 at half time.

Barry Coleman scored after the restart to put the score 2-0. With

a bit of nery defending Castlebridge scored to make it a tight finish with 20 minutes left.

We had plenty of chances to put the game out of sight but couldn't put them away. In the end we held out to win 2-1 and now go forward to the Bolger cup semi final after 3 wins out of 3 and topping our group.

First premier division game next Sunday at home v Brideview A. Kickoff 11.30am so come out and support the lads.

## JUNIOR ROUND UP

The 1st division side commenced their campaign last Tuesday away to Red Star. Due to the league starting very early we were very understrength on the night and went down by 4-1. Hopefully this side will be a lot stronger in the future and hopefully push for some points against Stradbally and Portlaw this week.

Last Wednesday evening our Premier side won their second game of the season with a hard fought 3-1 win over Johnville at Kilrush Park. Our goalscorers on the night were Tommy Butler, Micheal Downey, and Ross Power (pen).

We travelled to the city on Sunday morning to face Waterford Crystal at the Crystal complex in what is always a very difficult place to go. The Blues were denied a blatant penalty early on when a Crystal defender clearly handled the ball inside his own

penalty area — astonishingly the ref ignored the pleas and waved play on. Tommy Butler opened the scoring for the Blues on 40 mins. after both sides had squandered some early chances. After the break both sides seemed to be cancelling each other out in midfield. Watson then equalised after stabbing home from close range for a very soft equaliser. Gizzy was sent off on 65 mins. after a mini scuffle in the middle of the park much to the disgust of the Blues players. It was backs against the walls time then and just when the Blues thought they were going to hang on for a well deserved point Fitzzy was adjudged to have fouled the Crystal striker and the controversial referee pointed to the penalty spot. Sheridan slotted home the penalty to claim all three points for the Glass.

The result was a huge disappointment for the lads and relief once more for a very fortunate Crystal side. The lads felt hard done by in the game and hopefully they will bounce back in their next couple of games.

Our next game is a massive game now which sees us travel to Tom Drohan Park, Coolnamuck to face double winners Carrick United this Friday evening with a 6.30pm kick off. We will need a huge performance again here if we are to pick up any points from the league favourites. Let's hope the lads can put their disappointment from the Glass game behind them with a huge performance here.

The following Wednesday night we host seaisiders Tramore at Kilrush in another difficult assignment.

# Mixed Fortunes For Dungarvan Premier Side

## DUNGARVAN UTD 3 JOHNVILLE 1

Johnville were visitors to Kilrush Park last Wednesday night and Dungarvan made it two wins out of two following a well deserved win. The homes side dominated for most of the game and Leo Barry, Tommy Butler, Micheal Downey and Ross Power all went close before Butler opened the scoring in the 33rd minute following a flick on by Downey.

Johnville rocked the Blues in the 44th minute when they scored from close range after the Dungarvan defence failed to deal with a left wing cross. Trevor Crotty was introduced at half time and his pace caused Johnville a lot of problems. Dungarvan were back in front on the hour mark when Micheal Downey got onto the end of Tony Fitzgerald's free kick and scored from 15 yards. Eight minutes later Ross Power sealed the points when he scored from the penalty spot after Trevor Crotty had been taken down in the area.

Dungarvan could have added to their tally in the closing stages but were content with a second win in a row.

Team: Alan Landers, Niall Barry, Christy Ross Power, Tony Fitzgerald, Colin Walsh, Leo Barry, Pat Quinn, Mark Crotty, Ross Power, Micheal Downey, Tommy Butler. Res: Trevor Crotty for Colin Walsh (45 mins), Owen Morrissey for Pat Quinn (69 mins), Gavin Crotty for Tommy Butler (69 mins).

## WATERFORD CRYSTAL 2 DUNGARVAN UNITED 1

A large crowd came to watch this top of the table clash at a sun drenched Crystal complex last Sunday and after a very competitive game Crystal moved to the top of the table after an injury time winner.

Dungarvan enjoyed the better of the early exchanges and Micheal Downey shot wide in the 15th minute before Alan Landers made an excellent double save to deny Watson. Dungarvan went ahead in the 37th minute when Tommy Butler got onto the end of Michael Downey's flick and lobbed the advancing keeper for a well taken goal.

After the interval Crystal pushed more men forward and were rewarded in the 58th minute when Walsh scored at the back post. Shortly afterwards Dungarvan were reduced to 10 men when Mark Crotty was dismissed for a foul. After this the visitors were forced to defend for long periods but they looked very solid with the centre back pairing of Tony Fitzgerald and Christy Ross Power particularly impressive. As the game entered injury time it took a

dramatic twist as Tony Fitzgerald took down Joe Watson in the area and Keith Sheridan duly sent Alan Landers the wrong way to clinch the three points.

# DUNGARVAN GAA CLUB NOTES

**U.8 and U.10 Football**  
The boys and girls in this group played challenge matches against near neighbours Brickiey's last week in our field.

This was a very enjoyable workout for all of the kids and the games were played at a very good standard.

## U.12 Division 1 Western Football Champions

Last Sunday morning our U.12 footballers took on age old rivals Ballinacourty in the Western Div. 1 Football Final. The build up to this game was intense as both teams had cruised through the group stage, and semi-finals with ease. A great game was anticipated then by the sizable crowd and boy did both teams deliver. I know the under 12 championship was only introduced in Waterford a couple of years ago but I think it will be a long time before you will see a game of this standard again. It had everything you would expect to see at adult level, let alone say 10, 11 and 12 year olds. Excellent scoring, goals and points; fantastic fielding of the ball, and some fine individual performances in both teams. Courty were well served by centre back Looby, centre forward O Connor and full forward Mulhearn who played particularly well in the first half.

However, some match winning positional changes in the Dungarvan line out for the second half paid off handsomely for the Old Boro team.

The second half saw a much improved performance and in the end we ran out convincing winners. In fairness to Ballinacourty though, they battled away till the very end and certainly played their part in what was a scintillating game.

This means that we are

western champions in hurling and football and with the county title in hurling already secured, the lads are going for the county double also. Can they repeat the feat of last years U.12 team. Only time will tell!

Team: Ryan Davies, Michael Harty, Jack Morrissey, Shane Duggan, Darragh Lyons, Gavin Power, Billy Egan, Lee Donnolly (Capt.) Joseph Allen, Patrick Curran, Kevin Daly, Fionn Hallahan, Rian Reddy, Rian Crotty, Eamon Ryan. Subs: John Havens, Mark Power, Christopher O'Donnell, Adam Houlihan, Sean Kiely, Denis Mc Grath, Richard Forsey, Cierán Dee, Eoin Collins, Donnacha Kirwan, Aaron Donnelly, Darragh Hayes, Tadgh Mc Coomb.

## U.14 Football

Our first game of the league championship gets under way this Friday night against Killrossanty away at 7 o'clock.

## U.14 Tony Forrestal All-Ireland Champions

Well done to the Waterford Tony Forrestal team who pulled out all the stops last weekend to win the elusive first title in this prestigious national competition since its inception 26 long years ago. No Waterford All Ireland Winning team would be the same with out a Dungarvan presence and the club was ably represented by the young Cathal Curran. Under age again next year, Cathal has gone where no man from the club has gone before (including his older brothers Cormac and Colm who respective teams lost out in previous finals - sorry lads but I'm sure Cathal will be reminding ye of that any way). Well done Cathal and all the team and managers.

## U.16 Hurling

We took on Mount Sion last

Monday night in our field and unfortunately came out on the wrong side. The loss of Kenneth Moore, who sustained a very bad break to his hand while playing for Waterford last weekend, was enormous and will undoubtedly have a huge effect on our chances of reaching the knock out stages of this championship. We wish Kenneth a speedy recovery and look forward to seeing him back playing soon.

## U.21 Western "A" Hurling Semi Final replay

This much awaited fixture is down to be played in

Cappoquin this Saturday at 2.30 in Cappoquin. All your support will be appreciated.

## Intermediate Football

We secured another win at this grade last weekend when we over came Stradbally's second string team at the Fraher Field. Not the best of performances but a win is a win and we keep marching on towards a Western Semi Final place with one match left to play. Ballinameela provide the opposition here and this game is down to be played Friday night week the 7th September.

## All-Ireland Final

Commiserations to the Waterford Intermediate Hurlers and to all involved in the effort, on their narrow loss to Wexford on last Saturday evening in the All-Ireland Final on a scoreline of 1-11 to 1-9. ## Under 12 Football: Sponsored by Brendan Tobin:

On Sunday last the Division 1 and 2 Western final were played in Fraher field. In the division 1 final Dungarvan took on neighbours Ballinacourty. Dungarvan proved too strong for the Ballinacourty side in an excellent final. However Ballinacourty stayed in touch until well in the second half when Dungarvan dominated with Fionn Hallahan and Ptk Curran picking off the scores. In Division 2 Brickies who finished bottom in the league in-group 2 were too strong for the favourites Ardmore. Early goals from Brickies made the difference here but in fairness to Ardmore they played their hearts out but were unable to catch up on this strong Brickiey side.

It was great to see a large turnout for both finals and thanks to Bord secretary Tricia Walsh for her organising in ensuring the smooth running of the games. A special word of thanks to Brendan Tobin of Tobin Livestock agents for his generous sponsorship, much appreciated Brendan. The Bord would also like to thank Fraher field committee for making the grounds available for the finals. Thanks to all Drummy for having the field in excellent order for the games.

The Div 3 final goes ahead on this Wednesday evening at 7pm in Fraher field when St. Oliver's meet Stradbally.

## MINOR FOOTBALL

On Wednesday evening last we travelled to Cappoquin to take on the Nire in the Western Final. On the night we were short four players and unfortunately our request for a postponement fell on deaf ears and it will be interesting to see when the County Final will be played. However we could have no arguments with the result of the game as we were defeated by a fine Nire outfit who we wish the very best in the county final. The management team of Frank Sweeney, Willie Kiely, Jason Donovan and John Kiely have put a huge amount of work into this team and we thank them for all their efforts.

Team: R Ryan, D Henly, T Hanrahan, C Enright, C Kinghorn, E McCullagh, J Ryan, J Mahoney, S Kearney, J Organ, C Maloney, D Power, J Power, S Enright, J Healy.

# Dan Shanahan Receives Tower Hotel Excellence Award for July

High-scoring Waterford hurling star Dan Shanahan has received the Tower Hotel Excellence Award for July, a month when his goals helped Waterford add the Munster Senior Hurling Championship to the National Hurling League title they won earlier in the year.

Shanahan scored 3-03 against the Shannonsiders in the Munster final, winning him the 'Man of the Match' award and a third winners' medal.

Later in July, the Lismore man scored 1-03 against Cork in the drawn All-Ireland quarter-final with his 2-01 in the replay a week later setting up the semi-final which saw Waterford play a third game at Croke Park in 14 days.

Presenting the July award, Alicia Maguire, General Manager, Tower Hotel Waterford said, "While they ultimately missed out on their own target of reaching and winning the All-Ireland final, the Waterford hurlers again brought great joy to the city and county through the summer and Dan was a real hero with his goals helping Waterford through so many tight, tough and thrilling games.

"You get an idea of the sort of commitment required of what we can sometimes forget are amateur sportsmen like Dan when considering that he - along with the rest of the senior hurling panel - took part in some 130 training sessions up to Waterford's All-Ireland semi-final appearance.

"I know Dan and the rest of the panel were devastated to lose out

in the semi-final after such a hectic run of extremely competitive games but I'm also sure that they'll be back in 2008 with another very serious challenge for National Hurling League, Munster Championship and All-Ireland honours. The hurlers make great role models and everyone in Waterford can be very proud of Dan but this is of course especially true for the people of Lismore."

The Tower Hotel Waterford Excellence Awards were established in 2003 with the monthly awards recognising excellence and achievement in six categories: Politics and Public Affairs; Business; Sport; Education; Arts, Culture & the Media and the Voluntary & Community sector.

The independent judging panel consists of Gabrielle Cummins, Chief Executive, Beat 102-103; Peter Doyle, Editor, *Waterford News & Star*; Paddy Gallagher, Editor, *Waterford Today*; Liz Reddy, News Editor, WLR FM and Kieran Walsh, Editor, *Munster Express*.

## Gaelic Games Coaching Corner

### Waterford Wins Tony Forristal for 1st time

In the words of captain Gavin O'Brien "the famine is over" as Waterford on the Tony Forristal tournament for the 1st time last Sunday in Walsh Park. After defeating Kilkenny and Wexford to win the group earlier on Saturday it was back to Mt. Sion on Saturday evening for a gripping semi final against Galway. Waterford led by 0-8 to 0-2 at half time but Galway came back strongly and had the margin down to a minimum with 5 minutes left. However these Waterford players are made of hardy stuff and responded like true champions with a goal by James Cuddihy and 3pts to seal a place in the final. Walsh Park was the venue on Sunday on a perfect day for hurling. Tipperary has won through to the final and it was going to be some battle. The opening exchanges were tight with both teams taking a few minutes to settle. However 2pts from Peter O'Keefe opened up at gap for Waterford, which was never closed. A superb 2nd half display by all ensured Tipperary could never peg back the lead and when the whistle finally blew at five past two Waterford were champions. It made up for the heartache of losing the last 3 finals and the victory will be a boost for everyone involved in GAA in Waterford at club and county level. The support the team got all weekend was brilliant and drove the players to perform to such high levels. The cup was finally presented to a Waterford man and how Tony Forristal himself must have been smiling as he looked down at the joyous scenes in Walsh Park. A great win for a special group of players well done to all concerned.

#### No luck for U15's in Cork

The U15 team traveled to Cork hoping to go one better than the runners up they were in last year's Tony Forristal. However it was not to be on the day, as lady luck was not shining on the team at all. An early defeat against Cork left them with a hard task of qualifying. Despite good performances in the remaining 3 games there was to be no repeat of last year. Although disappointed all players and management gave great commitment and will be back next year for further development.

#### U16's Go Close

The U16 team was in Tipperary for the Nenagh Coop tournament. Some great displays early on in the day saw them top the group and go through to a semi final meeting with Dublin in Holy-cross. Alas it was not to be as Dublin won through with a very good display of hurling. Injuries to key players disrupted the day and all involved wish Kenny Moore a speedy recovery from a broken wrist he suffered in the group stages. Some of these players will go on to Minor next year and it is hoped the remainder will make the panel the following so the future looks bright for all.

#### I.F. RESULTS

##### Dungarvan 4-11 Stradbally 0-4

With a score like the above the contest requires little describing and the 19 points gap is a fair reflection of the difference in standards between the sides.

Stradbally represented by their 2006 junior county champions began well and looked to be strong contenders but as the championship progressed and they lost a number of players to their senior side, their challenge weakened considerably. Dungarvan are the only unbeaten team in the championship so far and now look to be on course for the title which was won by Brickey Rangers last year.

The Old Boro team are an evenly balanced outfit and look to be heading back to senior status.

Donal O'Murchu, An Rinn was referee.

##### Geraldines 2-12 Ballinameela 0-4

This was a comprehensive win for the Geraldines who gave one of their best performances of the season and kept their hopes of being involved at the finish alive.

It was a woeful experience for Ballinameela who never got into the game with a chance.

##### Sliabh gCua -10 Emmetts 1-6

It was a good and well deserved win for Sliabh gCua where Johnnie Kearns was outstanding and a big disappointment for the Colligan based team who never produced the kind of form when saw them defeat Geraldines in their previous match.

#### JUNIOR FOOTBALL

##### Modeligo 1-12 Geraldines 1-5.

This game was switched to Fraher field as Cappelquin venue was not available on Friday evening. Modeligo who have been making no secret of their determination to go one better than last year, were clearly the better side here and scored a win which will guarantee them a place in the final.

#### SFC

##### Brickey Rangers 0-16 St. Saviours 0-12

This was a cracker of a game between sides of equal standards and giving what was arguably their best display since being promoted senior, Brickeys made themselves safe from the threat of relegation. St. Saviors are now in the relegation zone and may be heading for the drop.

##### Nire 1-16 Tramore 0-8

This game was moved from its original date and ended up being played in Ballymacarbry.

The final score exposed the gap in standards and the county champions without being at their best, were never in any danger.

Tramore must live in fear of a having to survive a relegation battle for a while longer.

#### Under 21 Hurling Semi-Final Replay

### Lismore and Dungarvan to Meet In Cappelquin

This very interesting replay is due to be played on the coming weekend and is fixed for the afternoon of Saturday. With nothing between them in the drawn match, this is also sure to be a tight and close game that may again go down to the wire.

Extra time must be played here if required.

#### IHC

The two games down for decision in this championship will see Brickey Rangers in action against Shamrocks at Cappelquin on Friday evening and Clashmore will play Geraldines at Fraher field on Saturday. With this championship (league section) coming to the closing stages, the results here are vital to all clubs.

#### IFC

##### Ballinameela v Sliabh gCua

This tie is fixed for Colligan on Friday evening and unless there is a reversal of form on both sides, the Touraneena team should emerge winners here.

#### Junior Football

In this championship Dungarvan are down to meet Geraldines in Fraher field on tomorrow (Thursday evening) and Kilgobnet and Sliabh gCua have a date in Colligan on Saturday.

#### JHC

##### Modeligo v Tourin

This is a very important game for both clubs and the survivors will be fancied to go the distance. It is scheduled for Lismore on Saturday evening. As Tourin are not the force they were two seasons ago, Modeligo can come out on top here.

##### JHC Cappelquin v Brickey Rangers.

This game in the intermediate section of the junior championship is set for the Clashmore venue on Saturday and the fixture completes a hectic weekend of activity in the west.

STUBBORN WEXFORD WIN THEIR FOURTH TITLE

# Waterford Second Best in Thriller at Nowlan Park

INTERMEDIATE HURLING ALL-IRELAND FINAL — WEXFORD 1-11 WATERFORD 1-9

Waterford's Intermediate hurlers, beaten by Wexford 1-11 to 1-9 in the All Ireland final in Nolan Park. —(Photos: Sean Byrne Photography).

It was the last cast of the dye for Waterford and our last chance of taking a hurling title in 2007 so it was not surprising that a huge crowd of white and

blue supporters travelled to the Kilkenny venue in hope and expectation on Saturday night last. In fact there was a great air of confidence that we would

win our first ever intermediate hurling championship and at the same time perhaps gain some consolation for the loss to Limerick two weeks previously.

Waterford having travelled via the tough route to the final were regarded by most people as having a favourites chance and thereby completing our record of a win in every grade of hurling since the start of the Association.

Wexford, who won their third title in this grade two years ago in Fraher Field, Dungarvan, qualified after only beating Kilkenny in the Leinster final and we having beaten them in a challenge in the early part of the season the feeling was abroad that history would be made here on Saturday night in Nolan Park.

**GREAT CONTEST**

It was a tremendously tight contest and only once during the hour did three points separate the sides. This was in the ninth minute when Kieran Carey had a goal to put Waterford in front by 1-1 to 0-1. Wexford came back to level twice during the half before we edged in front again to give us a one point lead at half time.

In the second half Wexford played a more direct hurling and with their defence strengthened managed to hold Waterford to just two points over the thirty three minutes. We did fight back to within a single point of the Leinster side in the fifty-eight hminute but a late score increased this lead to two points to give the Leinster side a deserved win. Understandably Waterford's very big support were very disappointed but nevertheless satisfied that the team had done everything possible and that winning was just beyond them on this particular occasion.

**PLAY**

Conditions were ideal for the game and the ground was in excellent condition when referee

Eamon Morris from Dublin got the competition under way as the Angelus rang out in Kilkenny.

Pat Doran (son of the legendary Tony Doran) pointed a third minute free to give the Leinster team an early lead. Shane Casey who by his standards had a quiet game brought us level from a free in the 5th minute - then a Waterford attack saw Conor Carey goal for Waterford in the 9th minute to give us a badly needed boost. David Redmond brought a point back to Wexford in the 11th minute and John Breen with a great point from play brought their total to three in the 12th minute. A minute later the same player brought the sides level at 0-4 to 1-1. Two pointed frees from Pat Doran in the 16th and 18th minute gave Wexford a two point lead before a Shane Casey free and a Mike Molumphy point in the 21st minute brought us level.

In the 24th minute Redmond Barry pointed Wexford back into the lead and a minute later Pat Fitzgerald with a splendid point levelled the game once more. Then Ger Power who was doing a lot of hard work in the centre of the field pointed us back into the lead in the 30th minute and a Stephen Barron score in the 31st minute extended our lead by two points. The final score in the half came in the 33rd minute to leave the half way tally at 1-6 - 0-8 in our favour.

**SECOND HALF**

The David Howard point left us two points in front before the games top scorer Pat Doran reduced the leeway for Wexford. Nicky Jacob with a point from play gave us our second last score of the game and disaster struck when corner forward Ciaran Lyng goaled for Wexford in the 53rd minute. We were now one point in arrears and the chips were really down when John Roche extended his

sides leads to three points with only four minutes of normal time remaining. Two minutes later a splendid point from play from Shane Kearney brought the gap down to a single point and extra time looked to be a distinct possibility before a 65th minute free which accurately hit by the one and only Pat Doran to leave a two point gap when full time was called.

The loss of Mike Molumphy very early in the second half was a major blow to Waterford as the Ballyduff forward was proving a threat to the Wexford defence at the time of his retirement

**Wexford** — D. Flynn, S. Lawler, B. Kenny, D. Morton, J. O'Connor, B. Malone, L. Prendergast, R. Barry, D. Redmond, J. Roche, J. Breen, P. Doran, N. Kirwan, S. Branville, C. Lyng Subs: B. O'Connor for J. Breen, C. O'Connor for B. Malone

**Wexford Scorers:** P. Doran 0-6; D. Lyng 1-0, G. Breen 0-2; D. Redmond, R. Barry, J. Roche 0-1 each.

**Waterford** — Ian O'Reagan, Brian Wall, John O'Leary, Tom Molumphy, Kenny Stafford, Shane Kearney, Wayne Hutchinson, Ger Power, Eoin

Bennett, Pat Fitzgerald, Conor Carey, Mike Molumphy, Pat Kearney, Shane Casey, Stephen Barron Subs: N. Jacob for C. Carey, D. Howard for E. Bennett, R. Foley for G. Power, J. Hartley for M. Molumphy (injured), R. Foley for G. Power.

**Waterford Scorers:** C. Carey 1-0; S. Casey 0-3; M. Molumphy, G. Power, P. Fitzgerald, S. Barron D. Howard and N. Jacob 0-1 each.

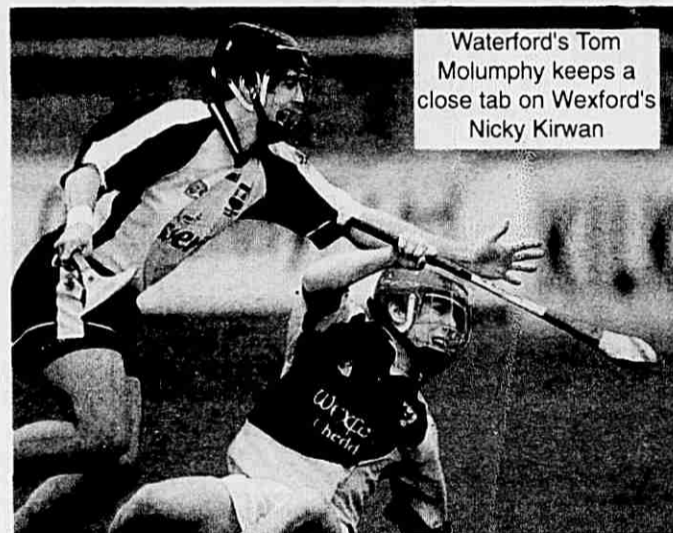

Referee: Eamon Morris (Dublin)

**A DISAPPOINTMENT.**

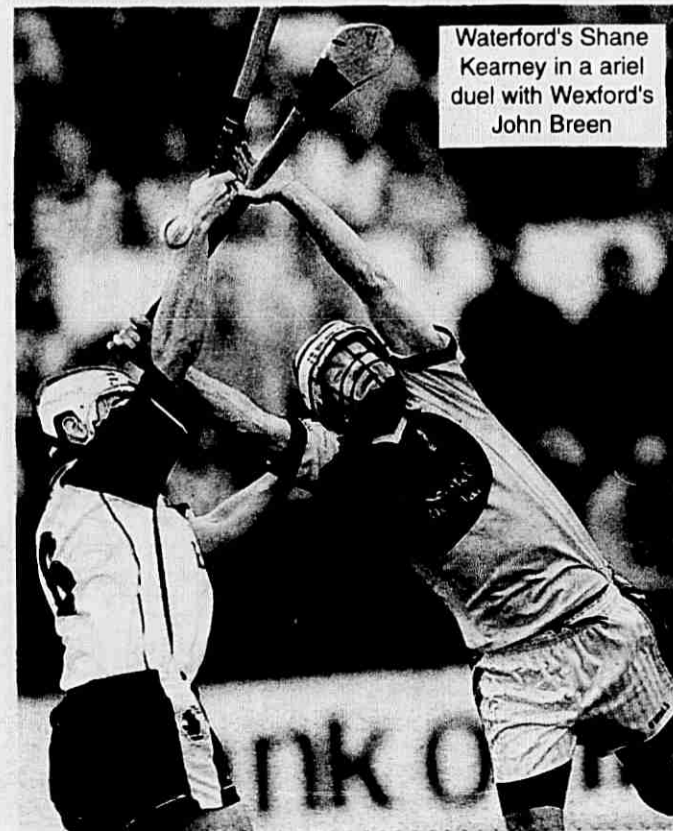

Losing is always a big disappointment and we should remember that in many, if not in most cases, it results from being too optimistic or too confident.

This team gave us many hours of great enjoyment when defeating the likes of Clare, Limerick (Munster final) and Galway (All Ireland semi-final) and with a little luck ( which we just did not seem to have), we might have beaten Wexford.

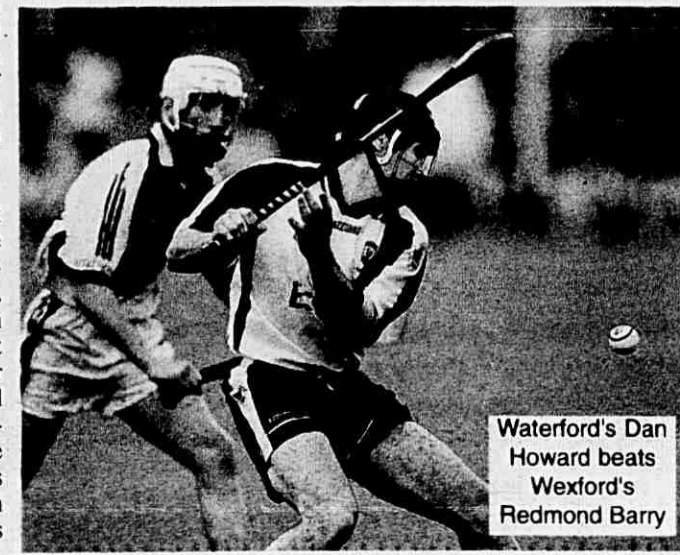

In making this comment we must also acknowledge the input of team manager, Michael Walsh, Ballyduff, Liam Og Daniels, Dunhill, Dave Barry, Lismore and team secretary, Jim O'Keeffe, Ballygunner.

# Nire Win Western MF Title

## West Minor Football Championship Completed

The minor "A" and "B" football championships have been completed since our last notes and we have new champions in both.

### The Nire 3-10 Ballinacourty 0-8

This was the result at Cappoquin where the above clubs each gave it their all and treated a fair crowd of supporters to a splendid contest in which the Nire emerged as deserving winners who will prove worthy representatives of the division in the county final in Fraher Field next month.

The winners looked to be the strongest minor football side to win the title for a very long time and from the start they never looked as if they were going to lose this one.

At the halfway stage they led by 5 points again an early second half goal saw them into an unassailable lead.

Ballinacourty were without a number of players on holidays and must be given credit for having tried all the way. It was only in the closing eight minutes that they got a grip on the game but the super defence of the winners kept the losers from making an impression.

#### First County Title.

Amazingly, the Nire footballers, even though having produced some great teams throughout the ages, have yet to win a county title in the minor grade.

Back in 1974 in a splendid county final against John Mitchels played at Portlaw, the Ballymac sice suffered an ago-

nising defeat when losing by a single point (2-4 to 1-6). Not until this Wednesday evening will the Eastern Board know what the shape of things will be like in this championship.

It is certain that the winners to face the Nire, will come from De La Salle, St. Saviours or Gaultier.

## BY "COMMENTATOR"

## Waterford Win Tony Forristal Tournament

A touch of history was made at Walsh Park on Sunday last when for the first time in the 26 year history of the competition, it was won by a Waterford team.

This victory over Tipperary in the final came as a result of much preparatory work by a dedicated group of mentors and coaches. See Bord na nOg notes for details.

## COUNTY TEAM NEWS

With the feeling of disappointment continuing to dissipate, many are beginning to talk about 2008 and what the county scene is going to be like. The speculation about the managerial position and about retirements from the panel have already begun.

There is some speculation about Justin being offered the Cork managerial job after Gerald's season without success. There is also the feeling that he wants to stay on in Waterford. People close to the scene here in Waterford talk about five or six players from the intermediate panel who are earmarked for a call up to the senior panel. It is all going to be so interesting over the coming months while we advance with the club championships.

## RACE NIGHT IN TRAMORE

The annual event which is a fund raiser for the hurlers was given good support on the third evening of the annual festival two weeks ago. Most of the senior hurling panel were present as guests and were greeted by patrons, etc. There have been complaints about the lack of publicity for the event and a colleague of mine described it as the best kept secret of the season

## COUNTY BOARD MEETING

The September meeting of the senior board has been fixed for next Monday week, September 10th. With no meeting having taken place since July there is certain to be a long agenda of the normal routine business to be disposed of.

In addition there will be decisions to be taken on the proposals submitted by the special sub committee who have examined the whole minor structure in the county following the passing of a motion earlier this year. All clubs have been given a copy of the report and will have discussed this at club meetings.

Now that our whole intercounty programme had been completed the overall cost of the operation will be given and this will certainly be the highest ever in the history of the county.

Also the share-out of our allocation of the rent monies received from the IRFU and the FAI is likely to be discussed.

## JUNIOR HURLING SEMI- FINALS

Both Junior Hurling Semi Finals in the senior section were played over the week end and each was a thrilling contest with some excellent scoring by all four teams.

### Abbeyside 3-21 Fourmilewater 2-10

The final score here does less than justice to the losers who contested every ball and never gave up even when the game was out of reach. A score of 2-5 by David Ryan was a major part of their final tally but in the overall Abbeyside were deserving winners on the day. The half time score was 2-9 to 2-5 in favour of the winners.

### Ballyduff 0-15 Tallow 1-10

As the final score line suggests this was a thrilling contest with the result in the balance right up to the final whistle. It was a game that could have gone either way but Ballyduff shooting being more accurate they managed to get to the final of this new championship.

## Junior Hurling Western Final (Senior Section)

This final, the first adult final of the 2007 season involving Abbeyside and Ballyduff will be played at the Cappoquin venue on Sunday evening next and it is expected to be a tremendously tight and close contest between two very fit and well prepared teams.

With both clubs engaged on the previous night and again on the following week-end the board had little option but to fix the game for the All-Ireland final date.

The Park Hotel Sports Star of the month for July is Dan Shanahan. He scored a fabulous three goals and three points in the Munster final victory over Limerick and went on to score one goal and three points against Cork in the All Ireland quarter-final in Croke Park. Pierce Flynn presented Dan with his award at a celebratory luncheon in the Park Hotel last Wednesday. At the Park Hotel July Sportstar award presentation were l to r: Justin McCarthy, Manager Waterford Senior Hurlers, Dan Shanahan, Award winner, Pierce Flynn, Park Hotel and Fr. Pat Moran, Adjudicator. (S. Byrne Photography)

## Senior Hurling Championship Resumes This Weekend

### Mount Sion v. Ardmore on Friday.

The county champions Mount Sion will be strongly fancied to win this game.

Players on both sides, Tony Browne and Ken McGrath, Mount Sion and Clinton Hennessey, Declan and Seamus Prendergast, Ardmore, will all be having their first outing since the Limerick game and here their exertions will help to shake off some of the pain of disappointment.

In the opening round, Mount Sion had 5 points to spare over Ballyduff East, (3-9 to 0-1-3) and on the same afternoon, Ardmore went under to De La Salle on a score of 1-17 to 1-10.

It will be nice to see so many of the county team players back in action again.

### Abbeyside v. Ballyduff Upper at Cappoquin

This second round game is scheduled for the Cappoquin venue on Saturday evening and the expectations are that it will be one of the better contests of the championship so far.

Going into this game, Ballyduff have a cushion of two championship points having annihilated the 2006 intermediate county champions Clonea by 4-23 to 0-7 in the opening round. Abbeyside on the other hand are pointless after losing to Ballygunner by 1-13 to 1-8. The fact that Clonea ran Ballygunner to a few points in their meeting augurs well for Ballyduff here.

So based on recent form, most followers will see Ballyduff as favourites in this game

even though they will be without Mike Molumphy who sustained a nasty hand injury against Wexford on Saturday night.

The far west club are undoubtedly a rising power in hurling in the county and according to sources in the club, they are quietly confident of doing very well this year in the S/H championship.

Adrian Power will be in goal (surprisingly this long striking 'keeper was not the first choice in any of the county games this year). In defence, Patrick Molumphy, Tom Molumphy, Tom Feeney S. Cunningham Michael Drislane and Ger Feeney will face a stiffer test than they did against Clonea and at centre field, the reliable John Twomey and Seamus Hannon will play a vital role in their bid to continue unbeaten.

Jamie, Shamie and Pa Kearney with Brendan Hannon, Stephen Molumphy will be their strong players in attack.

Abbeyside who were doing very well against Ballygunner until the closing stages were obviously not fully fit for that test and will likely have prepared better for this vital test.

Their line out will see Darrell Ryan in goal and Joey Mullen, Gavin Breen and Brian Scallan in the full back line and Richie Foley, Shane Briggs and Patrick Lynch completing their defence. John Phelan and Mark Fives will likely team up as midfield partners and in attack, John and Mark Gorman, John and Patrick Hurney, Mark Ferncombe and Laurence Hurney, will likely complete their line out.

As I have written it should be a sparkling contest and may be

recorded as one of the better matches of this championship.

Going on form, one will have to fancy the chances of Ballyduff, but at the same time I cannot rule out an Abbeyside win.

### SHC Fourmilewater v Stradbally

This game is fixed for Fraher field on Saturday and here the football super powers will be clashing for their first time since the county football final last year.

In their opening match Fourmilewater suffered a heavy defeat (4-10 to 0-9) when losing to an in form Lismore side in the opening game of the championship. Fourmilewater were not at full strength here and will be a different proposition here.

Stradbally are also in search of a win as they went under to Tallow (2-15 to 2-11) in round one. This was a splendid contest and even though beaten, Stradbally played some very good hurling.

I would rate Stradbally as favourites here.

## ALL-IRELAND SENIOR HURLING FINAL

About 600/700 hurling followers who are fortunate enough to obtain a ticket from the county allocation will make the journey to Croke Park on Sunday, mostly to see how Limerick will fare against the hot favourites, Kilkenny.

As one Waterford official put it - Limerick took our place in the All-Ireland final and for this reason alone, we will have a special interest in the outcome.

Having spoken to people outside the county I find that most people out there believe that we would certainly have fared better than Limerick will. But I suppose this is just speculation and when we are not there we will never know?

## SPECIAL CONGRESS

A special Congress will be held in Croke Park on Saturday September 28th to discuss the format for the 2008 championships and other matters relating to competitions. The discussion is certain to touch on such matters as counties meeting twice in the championship, as happened on a big scale this year when the Leinster pairing Kilkenny and Wexford having clashed in the Leinster final, were drawn to meet again in the All-Ireland semi-final. Also Waterford and Limerick who played in the Munster senior hurling final were also drawn to meet in the other semi-final and now as a result of the Kerry victory in Croke Park last Sunday, they will meet their Munster opponents, Cork, this time in the All Ireland final in football.

## Letter to the Editor

# Salute This Great Team, Please!

A Chara,

Last Sunday week's defeat of the Deise hurlers is water under the bridge. Recrimination is futile and utterly undeserved. Better to look back in pride and forward in hope. Last Sunday week's display was untypical as the Deise have recently surged to new heights. Why are we disappointed nevertheless? Simply because the Deise hurlers by their deeds on the fields have made our expectations soar; this is the measure of change. This is the great change. It's simply wonderful. We expect more because the team has become more. Sport mirrors life hence setbacks will occur. Sunday's defeat is a signal that there's some final fine tuning/tweaking to be done. There's many a slip between Cup and apprenticeship. A jokey definition of unlikelihood surfaced recently namely, knocking Cork out of the Hurling Championship. The Deise did it and learned a lot from those great masters of the universe of hurling. Thanks Cork. On the graph of progress, regress or collapse is a typical episodic thing; it passes. Also high expectation may be good, low bad, but realistic expectation is best of all.

An All Ireland or two can be won soon though, they are not the measure of all progress; rather is the progress towards them the measure of All Ireland's. There must be no panic retirements of players or management.

Ken McGrath, Tony Browne, Paul Flynn, Dan the Ma, sorry Dan the God and John Mullane are true giants of the modern game; the ultimate reward will come if they need it. The team needs to rest now; fatigue beat them last Sunday and hype – the latter subliminal and hence hard to guard against. And to celebrate their success, the most important element of which is their new achieved ability to compete with authority at the highest level. A gold standard has been reached; it needs but plating. Players and management take a bow, walk tall, even strut a bit. Also, fans acknowledge the success, the 'added value' of recent, the joy.

A final point or two: take the Leagues and Munster titles and the All Irelands will follow. You Deise hurlers, you are now quite top flight – skill, belief, dedication etc. A seasoning of patience may need to be added (fans too, please copy) and our old friend luck, but the latter usually happens when preparation and opportunity coincide. Hence, you'll be granted lady luck. Molaimid thú agus beir bua más féidir ach I gcónaí beir beannacht agus spraoi. Beidh laethanta eile ag na Paoraigh!

Le meas agus muinín dhearfa....

## Fourmilewater/Nire G.A.A. Notes

### MINOR FOOTBALL

The Nire minor football team had a great 3-10 to 0-8 win over Ballinacourty in the Western A final which was held in Cappoquin on Wednesday night. This was a well deserved victory in which the Nire team played excellent throughout the year. It was a just reward for all the training that has been done throughout the year. It was great to see captain James McGrath lift the Cup. A great reward for that young man's dedication. Well done also to Mickey Joe Ryan who has done great work with his team. We now look forward to the county final.

The team was as follows: Pat Horkan, B. Whelan, D. Fitzgerald, E. Cooney, J. McGrath (captain), Paul Horkan,

A. McGrath, C. Guiry, R. Fenton, T. Walsh, S. Lawlor, G. Guiry, D. Guiry, J. P. Fitzgerald, D. Nugent. Subs: S. Cooney, P. Cooney, B. Carroll, S. Ryan, D. O'Donnell, A. Condon, P. Meehan.

### SENIOR FOOTBALL

The Nire seniors beat Tramore in the championship and have now topped their group and have qualified for the knockout stages.

### ALL IRELAND HURLING

Hard luck to Brian Wall who was on the Waterford intermediate team who lost narrowly to Wexford in Nolan Park on Saturday evening last. Knowing Brian it will drive him on to bigger and better things.

### SENIOR HURLING

Fourmilewater senior hurlers resume their championship

campaign when they take on Stradbally on Saturday evening next. They were well beaten by Lismore in their first match but it was so long ago it hardly gives any guidelines as to the outcome on Saturday night like all Stradbally/Fourmilewater games it should be a hard fought contest.

### UNDER-9

The U-9 hurlers will take part in the annual Roanmore tournament on Saturday the 8th September. This is a very good competition and it's well worth a visit.

### JUVENILE MEETING

Fourmilewater Juvenile committee will hold a meeting in Doocey's on Thursday night, September 6th at 9 o'clock. All members are requested to attend.

Played at Fraher Field last Friday evening where we faced a fit Modeligo team who had a 7 point victory 1-12 to 1-5 after a good clean game. We offer them our best wishes in the final.

## Modeligo GAA Notes

### WESTERN JUNIOR FOOTBALL SEMI FINAL

#### Modeligo 1-12 Shamrock's 1-5

On Friday evening last, Modeligo's junior footballers bridged an eleven year gap by securing a place in a Western final in this grade for the first time since 1996. Only five players from that time are still involved with the current squad, but this panel wrote their very own piece of history by overcoming a much fancied Shamrock's side, who played in the Intermediate grade last year.

Right from the throw-in, it seemed that the Shamrock's were to prove themselves as the favourites, as they dominated the early minutes of the game. Luckily for us, they failed to capitalize on this period of play, and despite our defence being under a lot of pressure, the Knockanore men failed to score.

When play eventually did swing into the other goalmouth, Modeligo's forwards made no mistake, with Willie Morrissey, Shane Troy and Tom Byrnes all raising a white flag before the Shamrock's finally put over their first score. We then extended our lead to 5 points to one before the Shamrock's got their second. A placed ball from straight in front of the posts gave them their third. However, another Modeligo attack led to another pointed free by Shane Troy and Patrick O'Donovan kicked another before half time to see us lead 0-7 to 0-3 at the break.

A different, more direct approach was taken by the Shamrock's during the second half as they battled hard to bring themselves back into contention. They attacked again and again, and despite the best efforts of our defence, they always looked likely to steal a goal. When they eventually did manage to goal, they were actually nine points adrift at that stage, as

some fantastic running from midfield saw Walter stick the ball under their crossbar for a goal of our own a few minutes prior to theirs. Shiner scored a lovely point, as did Willie Morrissey during this period, and when Shane Reddy pointed a free in the final minutes, the result was sealed in our favour. Despite this ame arriving just a little sooner than we expected, we carved out an excellent result, and now advance for a shot at the Western title. Our opponents will be the winners of the Ballyduff/Old Parish tie, which goes not go ahead until September 15th. So there will be a few weeks of hard training, ahead as we await to see who we will face in the decider!

A notable feature of this game was the support for Modeligo on the night. Although the crowd at the game was small in numbers, there was no doubt as to which side held the majority of the support. Many thanks to all of you who made the effort on the night, as the support gives great encouragement to the team. And of course, well done to Paudeen, Tom and Joe in the efforts to getting this panel into a final which we have battled to reach for so long.

#### FIXTURES

The focus next weekend returns to the Junior Hurling Championship, as Modeligo will Tourin, who are having another good year in this grade. The game goes ahead on Saturday night next, September 1st at the Lismore venue at 6.30 pm.

#### SPEEDY RECOVERY

Every single person involved in Modeligo GAA Club would sincerely like to wish a speedy recovery to club player, Gavin Foley, who sustained a nasty injury as a result of an accident in the workplace recently. Gavin's injury has since required a prolonged stay in hospital and from us all, we wish him all the best with his recovery to full health. Knowing Gavin, he will do

his utmost to get back on the playing field before long!

#### MODELIGO GAA CLUB PRESENTS "THE STACKS" IN CONCERT

Modeligo is the venue for a night not to be missed on Saturday, September 8th, when the Community Centre will play host to the top local band "The Stacks".

"The Stacks" whose reputation as highly talented singers and musicians is now widely known, will be accompanied on the night by very special guest, Sinead Kiely.

Tickets are on sale now, but are in great demand. They are available from all players and committee members and can be ordered from club secretary J. P. Ryan on 087-58288834, priced 15 euro. However, there are only a set amount of tickets available due to the hall's capacity, so act fast to guarantee your seat!

#### MODELIGO PATTERN 2007

Unfortunately we yet again failed to recapture the Fitzgerald Cup over the Modeligo Pattern weekend, as a match we definitely should have won was left slip away, resulting in a one point win for a young Geraldine's side. This was however, the only major disappointment of what was otherwise a very enjoyable and well run Pattern 2007. Well done to the committee and all those concerned for your efforts. Maybe in 2008, we'll win our own cup back for a change and give everyone something else to celebrate.

#### MODELIGO NATIONAL SCHOOL

Best wishes to Michéal, Norma and Martha for the coming school year in Modeligo N.S. as the kids return to their desks on Thursday, August 30th. Here's hoping that one and all have a happy, and successful term. This also means that the indoor hurling is only around the corner, so we'll keep you informed of the clubs plans for this year in the near future.

## St. Olivers G.A.A.

**Under 12 Football** — St Olivers U-12 footballers qualified for the Western Final on Sunday last by virtue of a marvellous semi-final win over a strong An Gaeltacht side. Having gone down to An Gaeltacht in the league section earlier in the season we knew we were up against it, playing a direct and fast moving brand of football, our lads showed that they meant business from the start and lead at half time 1-2 to 0-1. We were first out of the blocks in the second half and started to knock over points at will, with every player showing a great hunger for the game. Our full panel of players were used and all accounted for themselves admirably, a side is as strong as its full panel. Final score St Olivers 2-8, An Gaeltacht 0-2.

We have now qualified to meet Stradbally in the Western Final on this Wed. 29th of August in Fraher Field Dungarvan at 7.00p.m.

Having gone down to Stradbally in the league section earlier in the season, we will need to be at our best once more to overcome this hurdle, so we urge all parents supporters and club members to come out and support our charges and drive them on to a much deserved western title, for some this will be their third western final this year and still not have tasted success.

**Under 9 Hurling** — Our under 9 hurlers play a challenge match against Abbeyside in Abbeyside at 6.45 on this Thursday August 30th. There will be no under 9 training on Friday night.

**Under 8 Hurling** — Under 8 hurling training takes place this Friday night in Ballinacella at 6.30 p.m.

**Under 16 Hurlers** — Our under 16 hurlers had a good win over Kilrossanty in a fine game of hurling played in Ballinacella on Monday evening. This team is through to the C grade county semi-final at this stage.

**Tony Forristall + Sonny Walsh Under 14 Hurling** — Well done to our own Kevin Phelan for being involved with the Sonny Walsh under 14 county team at the weekend. Congratulations to the Waterford under 14 team for winning the Tony Forristall trophy for the first time in its 26 year history. There is no doubt but that we are heading in the right direction in this county slowly but surely.

**Under 15 County Hurling** — Well done to Tom Curran who played with Waterford in the Munster under 15 county hurling tournament at the weekend.

**Liam Griffin food for thought** — On this weekend when we hoped to be travelling to Dublin en masse we might reflect on Liam Griffin's views.

"Without a shadow of a doubt this has been the best hurling championship in living memory"

"Surely now proper guidance and training must be provided by Croke Park to ensure that County Boards are equipped to cope with the complex demands placed on them"

"Striking the appropriate balance between club and intercounty activities is crucial. Reducing the emphasis on the intercounty scene would not be a good solution and would lead eventually to the lowering of standards at all levels ..... all that's needed is vision and will, new days and new ways".

## ANNUAL TONY FORRISTAL TOURNAMENT – DIVISION 1 FINAL

# Waterford Secure The Tony Forristal Cup

## WATERFORD 0-12 TIPPERARY 0-4

On Sunday morning last at Walsh Park, the sun shone down on Waterford in more ways than one. When Gavin O'Brien lifted the Tony Forristal Trophy and proclaimed that "the famine was over", this often used phrase, was on this occasion a fitting one, much to the delight of the thronged masses of Waterford supporters around the ground.

After 26 years of hosting this tournament, and in particular three consecutive years of heartbreak, the young hurlers of Waterford finally annexed the Division 1 title for the first time since the foundation of the competition. It was a wonderful performance by this exceptional Waterford side who did not just display individual skill but showed an awareness and team work which belied their tender years. Full credit for this must go to the coaching staff.

With both teams having come through testing campaigns on Saturday, the scene was set for a titanic struggle and supporters were not disappointed. This match featured everything one could hope for, superb fielding, hooking, blocking, free taking and side line cuts all to the highest standard. It was played at a high tempo which was remarkable taking into account the exertions of Saturday and the heat of the weather, which once

more shone favourably on the tournament.

The match opened with Tipperary scoring from a placed ball through Liam McGrath. Waterford responded however with a succession of points from Peter O'Keeffe, Jake Dillon, and Cathal Curran. The match continued in a tight fashion with space at a premium but Waterford continued to edge matters to lead by 6 points to 2 at half time, having played with the aid of the stiff breeze.

The second half started with Jack Dillon pointing an excellent free from under the stand to increase Waterford's lead and try as did Tipperary could not get any change out of a Waterford defence that was superbly marshalled by Damien Ahern at full back and Evan Connolly at centre back. At this point the midfield pairing of Gavin O'Brien and Ian Kenny were totally in control and the lively movement of the forward line

brought a succession of frees that Jake Dillon continued to punish. Tipperary did manage a further two points, with all four of their scores coming from placed balls converted by Liam McGrath, but at the end of this match there was only ever going to be one winner. Full time score of Waterford 12 points Tipperary 04.

Full time brought scenes of uncontrolled joy both on the field and in the stands as Waterford Captain Gavin O'Brien ascended the steps to accept the Tony Forristal Cup on behalf of his team from Niall Forristal. Shortly afterwards Gavin returned to the podium to receive the Man of the Match award which was certainly a tight contest.

This was a superb match watched by a large attendance estimated again to be in the region of 3,000 spectators.

The referee for the final was Pat Keogh (Wexford), who had a splendid game.

### APPRECIATION

Everyone played their part in what turned out to be another superb weekend of hurling entertainment. Events such as this do not just happen, and special appreciations to the following:

**The ladies Committee of Mount Sion GAA club** – who somehow managed to feed the multitudes at all venues during the tournament, with great success.

**The Groundsmen** – at each venue who worked so hard to have their facilities in superb condition, a fact acknowledged by all visiting teams.

**The co-ordinators and officials including umpires and linesmen** at each ground who ensured the smooth and efficient running of the tournament.

**The Order of Malta and Civil Defence**, who attended each venue looking after the well being of our young visitors.

**Sponsors** – to our Main Sponsors Waterford Crystal Ltd., and the financial support from Croke Park, and also to all our subsidiary sponsors

**Programme Sponsors** – the souvenir programme proved a great success and many thanks to our programme sponsors who helped make it happen. So to the end of another very successful tournament and already looking forward to next year.

## TOURIN GAA & NEIGHBOURHOOD NOTES

### JUNIOR HURLING CHAMPIONSHIP

Tourin will play Modeligo this weekend at Lismore – 6.30 pm throw-in. Good luck to all involved. They are scheduled to play Ballinameela on the weekend of the 14th September at Lismore.

### HURLING CHALLENGE

Tourin played a selection from Drangan last weekend. It was a useful workout in preparation for this weekends match against Modeligo.

### POSTPONED

The Car Boot Sale scheduled

for Sunday, 9th September has been postponed until October. More details will appear in later notes.

### CLEAN UP

There will be a clean up at the hall on Saturday, 9th September. Please make an effort to help out on the day.

### ALL IRELAND INTERMEDIATE FINAL

Waterford were unlucky to lose this final to Wexford due to a misfortunate own goal that killed off their chance of a win. Shane Kearney (Capt), Pat Fitzgerald & Wayne Hutchinson

displayed some fine hurling. Commiserations to the team & mentors. On the plus side, Shane Casey finished at the top of the table in scoring in this All Ireland Intermediate series.

### ALL IRELAND HURLING FINAL

Will Kilkenny be able to put away the Shannonsiders in the Final on Sunday? Kilkenny have the skill and panel but Limerick will not be found lacking and will not fear the black and amber kittys!

### OTHER GAMES

Dublin came up short against

Kerry in the All Ireland semi final. It was a very competitive and physical game and if the Dubs concentrated more on their game rather than 'gesturing' to their opponents, they might have at least made a draw of it. Kerry will now play near neighbours Cork in the final. In the minor semi final Laois and Derry must play again. In the U-21 hurling championship, Galway beat Cork in extra time.

### SCHOOLS REOPEN

The majority of schools will be opening in the area this week and we wish all the students a happy

## Launch of Waterford Sports Partnership's Five Year Strategy

Mr. John Treacy, Chief Executive of the Irish Sports Council launched the Waterford Sports Partnership 2007-2011 Strategy on Saturday 18th August at Dungarvan Sports Centre.

Those present for the launch, from the many clubs, schools, older adult groups, community groups and agencies that have worked with Waterford Sports Partnership over the past five years, were welcomed by Mayor of Dungarvan Mr. Damien Geoghegan. Waterford Sports Partnership is unique in that it is the only dual Local Authority Sports Partnership in the country covering the jurisdiction of Waterford City and County. John Treacy was also joined on the podium by the Mayor of County Waterford, Mr. Billy Kyne, Deputy Mayor of Waterford City, Mr. Tom Cunningham, Mr. Sean Kelly, International Cyclist and Board Member of Waterford Sports Partnership and Mr. Ray Ryan, Chairman Waterford Sports Partnership. In launching the strategy, John Treacy said that 'I hold Waterford Sports Partnership up as a model of good practice around the country and I am proud as a Waterford man of the way all the partners from the City and County have worked together to produce such great results over the past few years. We have an example tomorrow of that partnership in action with Waterford Sports Partnership, Waterford County Council, local cycling clubs and many, many volunteers coming together to put on a huge event that will see young and old, male and female take on a personal challenge at their own chosen level of sporting ability'.

Rosarie Kealy, co-ordinator of Waterford Sports Partnership said 'This is a really big weekend for us with the launch of the strategy and our involvement in the Sean Kelly Tour. It allows us to acknowledge the work of the first four years and marks the start of the next five. It is another step along the way to an active Waterford.'

Ray Ryan gave a presentation on the review of the work of the Partnership in the first four years 2003-2006. The review identified the key achievements as quality programmes targeting groups such as children, women, older adults and non-Irish nationals. Ray also emphasised the hugely positive impact of the Waterford Sports Partnership Training & Education programme which particularly targets club volunteers and coaches and also the many strong relationships developed with key stakeholders. The Review, which was carried out by Irish Leisure Consultants, recommended that much of the core work of Waterford Sports Partnership should continue but that there should be a greater strategic focus on building relationships and networks to encourage greater collaboration, thereby increasing sustainability. The work of the Partnership for the next five years will focus on four key areas

- creating opportunities for the Participation of key target groups through targeted programmes
- supporting a Quality sporting environment for clubs, coaches and volunteers through appropriate training & development
- effective Communications for marketing & promotion, information provision and influencing policy and
- a focus on Partnership Growth to increase the strength and depth of the Partnership and its impact.

Mr. Sean Kelly, board member of Waterford Sports Partnership said that 'I recognise the huge contribution the Sports Partnership makes to sports development in Waterford. In particular I acknowledge the involvement of the partnership in the organisation of the Sean Kelly Tour of Waterford which is happening tomorrow. This will be a great day and I would like to thank the huge number of volunteers that have offered their help on the day'.

Many of the speakers also spoke of the great lift and sense of pride the Waterford hurlers have given to the people of Waterford this year. John Treacy, in particular, acknowledged the wonderful sense of pride, identity and sense of community which sport can provide. Waterford Sports Partnership has a huge role to play in the development of sporting participation and opportunity.

Rosarie Kealy, thanked all who contributed to the strategy consultation, Humphrey Murphy of Irish Leisure Consultants, Printmaster for design and print and John Treacy and the staff of the Irish Sports Council for their ongoing support. She gave particular mention to the board and staff of the Partnership for their dedication and commitment over the past four years.

### LETTER TO THE EDITOR

## A Unique And Privileged Experience

I would just like to share with you the readers, the unique and privileged experience that was bestowed on me over the three weekends that our fabulous Waterford Senior Hurlers were in action in Croke Park.

As the official driver of the Waterford Hurling team for the past six years, it was a position I always considered an honour to hold.

When Justin McCarthy asked me would I like to travel on the train with the team, he did not have to ask me twice, as I considered it an honour. I have known all these players personally and individually over this past number of years. The format this year at the quarter final stage was changed as Croke Park (Headquarters) was the venue. It was decided that the team would travel by train on the Sunday morning of each of the matches. They would only require a bus in Dublin for a short period of the day of the match. The bus journey was from the Train station to the Hotel and then to Croke Park.

#### Sunday, July 29th.

Each of the three Sundays followed the exact same routine. I would meet Roger Casey, Kit Manager at the Granville Hotel on the Quay at 8.15 am. We would have breakfast first, before any of the official party arrived. Then we would transfer all the hurling kit, the various fruit, jaffa cakes and several slabs of three different drinks direct to the train station and proceed to load it on the train, (we had the end carriage reserved).

Then go back to the hotel, and just after 9 am the players would start to arrive, all in good spirits and looking forward to the game. The fans that were passing the Hotel all wished the players the

best of luck, and they appreciated it. The cars heading up the Quay with their blue flags, honked their horns on seeing the players as they were heading out of the city and onward to the capital. It was a great feeling to be part of it and everybody was happy.

Then we had to wait for the appropriate time to transfer the special and professionally prepared food that was provided by the Granville Hotel. Again, all of this was with precision timing and done before the players boarded the train.

The atmosphere on the train was relaxed and everyone was focused on the job in hand. At 11.45 am the players had their food and the journey ended at Connolly Station at around 1.15pm. The bus journey was only ten minutes to the Hotel, where we stayed until 2.30 pm and then the journey to Croke Park.

In the fifteen minute journey, it was great to see the fans in all their colours, with flags and hats and waving as the team bus passed. As we approached Headquarters the scenes were of fans in joyful mood and it would bring a lump to your throat. This team is held in the highest esteem by these fans and they are so proud of them and their achievements to date.

I took my seat in the Hogan stand as the players focused on the job of taking our arch rivals, Cork out of the equation. In an exciting game as you are likely to see (we just don't get dull games from these counties anymore) we got the much deserved draw when all seemed lost.

The journey home on the train was a happy panel of players, mentors and all concerned.

The very same procedure was enacted on the following Sunday.

The game was just as exciting as the first, and this time we were victorious, as Cork were put to the sword. The scene on the way home, in the train was of a very happy group of players, mentors and supporters alike.

#### Sunday, August 12th

So Sunday, August 12th arrived and our semi final date with Limerick. It was to be a repeat of the Munster Final where we were victorious over our Munster rivals.

The train arrived on time at Connolly Station and we then proceeded to the Hotel. We left the Hotel for Croke at the same time as the two previous Sundays.

I would honestly say, that on the journey to Dublin, the players looked just as relaxed as they followed the same routine. The match started and ended as we now know, losing by five points. Like the rest of the fans this was a cruel defeat to take. I sat there in the Hogan Stand for fifteen minutes after the game and looked at the scenes that followed and thought of what might have been. It was devastating to take and I was numbed. I thought about the players within the squad who had not been beaten in five All-Ireland semi finals in ten years. Was there any justice in this game of hurling? What a bitter pill this was to swallow for all concerned. Limerick had avenged their Munster Final defeat, and so booked their place in the All-Ireland Final for 2007.

The scene in the dressing room after the game, will live with me forever. Everyone was devastated and you would hear a pin drop. Here was the team that had given us so much excitement, pleasure and such memorable memories in this summer of 2007. The Munster

Champions and National League winners had brought such enjoyment to the Deise fans from the city to the county and the neutrals from all over the country. This team entertained us all and we should be so proud of their achievements in 2007.

Yes, the journey home on the train was different to the previous two Sundays. But even in their lowest hour, there were a number of things that caught my eye on our homeward trip with these players. Yes, there was disappointment all round as we started out from the Capital. Shortly after departure, the door leading to our carriage was opened and the continuous flow of young Deise fans started. They all had jerseys, programmes and cameras and they went through the entire carriage, asking their heroes for autographs and to have their pictures taken with them. What a scene this was to see the happiness on these young kids faces, as their heroes, disappointed as they were, obliged them all with their various requests. There was not one refusal from any player that I could see, or heard of after.

This to me emphasised what a wonderful squad of players they are, we should be so proud of them. They gave their all in the search for the Holy Grail. This team will not give up until that goal is achieved, of that I have no doubt. There is character, experience, spirit, bravery and lots of passion in this team. They are all so proud to wear the "3 Shippes" on their jersey as they represent this famous county of ours.

As I stepped off the train in Waterford's Plunkett Station, and to see the fans that had gathered to greet them, even in defeat, I was so proud of them, their achievements and to have been a part of the roller coaster ride that was the summer of 2007.

To all concerned, thanks for letting me be part of it....

Yours in Sport

**GER WYLEY SPORTS / NIKE SUMMER SERIES**

# Sandis And Sinead The Best By Some Distance

Our 10 race programme which made up this year's Summer Series, the club's premier series event starting with the Marine Climb last April, came to a fitting end last Friday week with the An Tobar Ardmore 5. The overall series was, as usual, sponsored very kindly by Ger Wyley Sports and Nike and hosted by West Waterford Athletic Club.

The series this year again saw a significant increase in the numbers taking part over the ten race programme keeping the event up there as one of the premier road racing series in the country and the incidentally the only one with a ten race programme. It is a credit to all concerned from the club and our overall sponsors plus, of course, our individual race sponsors. Thanks to all involved under the guidance of road racing co-ordinator Gerry Cantwell. Those who looked after entries, results, timing, marking out the various courses putting out the race signs for each race, on lead van and P.A. etc, all the stewards for stewarding the various race courses without them we would

have no series. Thanks once again to the Garda for their help and co-operation at all ten races, and, of course, the man who had the difficult task after each race of sorting the tables and divisions Dermot Dwyer, without the help of all of the above the series would not have been the success that it was.

**OUR SPONSORS**

The success of any event organised by a voluntary organisation depends mainly on the sponsorship attained. West Waterford A.C. has been more than fortunate to have the best sponsors any organisation could wish for and non more so than our sponsors of the summer series Ger Wyley Sports and

Nike. The club are indebted to both our sponsors of this series for the huge contribution to the success of the series, our thanks also to Ger Wyley for his attendance at the final race in Ardmore to present all the various category winners with their prizes. At the presentation Ger spoke of the great friendships made over the years at the various races and of course the various down the field battles which take place at each event. He congratulated all the participants and congratulated all the winners. Of course we mustn't forget also that we have superb sponsors of each of the ten individual races and with out them the series couldn't take place either, to anyone who sponsored any kind of prize during the course of the series much thanks.

**TEN FROM TEN AS SANDIS BRALITIS RATAINS MÍCEAL O'HOGAIN CUP**

The recipient of the Míceal O'Hogain Cup for the 2007 series was West Waterford's Sandis Bralitis. Sandis was retaining the cup he won in 2006 when on that occasion he ran eight of the ten race series programme and he attained a 100% record when he won all eight races. Well this year he even went two better when he recorded ten wins from ten starts an achievement never before reached and unlikely to be achieved by anyone else in the near future. A very important player on the recent club's Track and Field team national success Sandis has been a revelation for our club since joining us two years ago and we are delighted to have such a talented athlete among our large membership.

Retaining this prestigious title for another year is richly deserved and he will be an odds on favourite even at this early stage to hold on to his title in 2008.

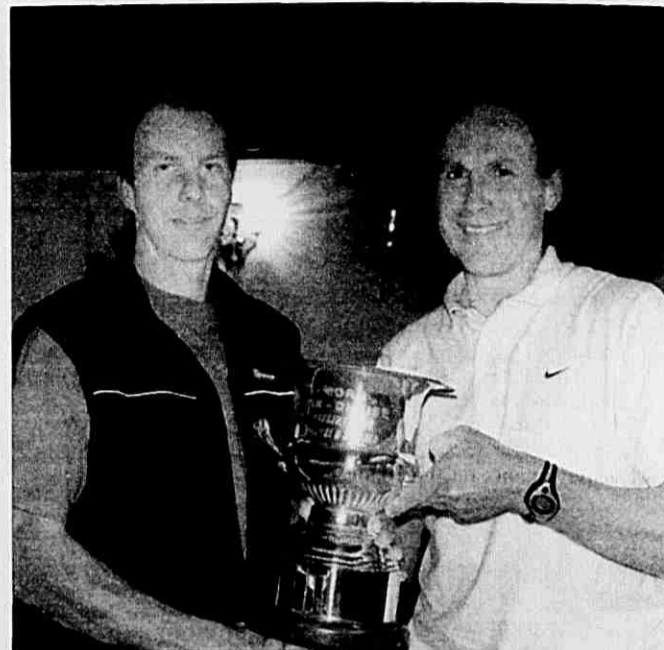

For the third year in a row host club West Waterford have provided the overall mens winner of the series as in 2005 Raivis Zakis took the honours, having to settle for third in the series last year Raivis has gone one better this year as he finished a very good second to his Latvian team mate Sandis.

Sandis finished with a total of just 6 points, bearing in mind that its your best six races to count from ten starts. In second place was Raivis with 12 points and third went to two times winner previous of the series and the only athlete not running with West Waterford to finish in the premier division Peter Duggan, St. Joseph's, Kilkenny, with 23 points. Fourth was another West Waterford man Seán Stilwell who had some terrific runs this year in the series. Sean finished with 23 points also. Trevor Mason kept the auld flag flying for Cappoquin when finishing 5th overall with 63 points and Joe Kelly was in the top ten when taking 6th overall with 72 point. The final four placing's in the premier division were seventh was Martin Hayes 93 points. Liam Budds 93 points was eight, Patrick O'Riordan with 119 points ninth and Garry McCormack with a tally of 140 points filled the final top ten opposition.

West Waterford AC filled nine of the top 10 placings in the premier division this year.

**DIVISIONAL HONOURS**

There were five separate over 40 divisions and three under 40 divisions in the mens categories outside of the premier division. Here West Waterford figured greatly among the winners taking seven of the eight titles on offer. In the mens under 40 it was a

clean sweep by the host club taking all divisional titles on offer. Division one the winner was young Alan Lyons who finished with 225 points with Martin Mullarkey a good second with 298 points closely followed by John Flynn with 306 points in third. In division 2 for men under 40 we go to one of our city members Liam Cuddihy who won easily with a tally of 398 points, second was Pat Morrissey 551 points and third went to Seán Dwyer who finished on 565 points. The final under 40 divisions was won by the living legend Albert McGrath who took the top slot with 903 points from Liam Crowe who was second with 1088 points well done to both.

In the mens over 40 section it was almost a clean sweep for West Waterford AC again bar one division. In division 1 Billy Maguire was the winner on 125 points from club mate Michael Dunford who finished with 134 points while St. Josephs athlete Jack Duggan took third spot with 137 points. The division two winner was Pat Coffey, Clonmel A.C. and Pat has the distinction of being the only divisional winner not from West Waterford in this year's entire series, so well done to Pat. He won with 223 points with Seán Flynn, Waterford, second with 270 points and Andy Dollard, St. Senans AC was third on 278 points. The third division winner was Liam Kavanagh again from host club West Waterford with 403 points. Liam has the distinction of being the only person to take a divisional win two years in a row as he also won this division last year. (You can't bate local knowledge.) Second here was Con Kelleher who finished with 407 points and third went to Jim Duhig on 450 points. Division 4 saw Ray Moore came out on top of what was a very close division for most of the series Ray finished up with 678 points winning from Michael Wade 696 points and third here was Clonmel's Tom Halley 714 points. The final division but by no means the least was won by Liam Sandford with 880 points from Clonmel's Michael Brannigan 976 points. A total of 74 men completed 6 or more races to each claim a 25 Euro Ger Wyley/Nike voucher. Well done to all.

## GER WYLEY SPORTS / NIKE SUMMER SERIES

# Sinead Crotty Queen Of The Highways And Byways

There were seven separate ladies divisions in the series this year and West Waterford's Sinead Crotty took overall honours, indeed it's fair to say that she was the Ladies sensation of this years series and won six of the ten race programme over the summer months. Many of the series events are held around the highways and byways of Dungarvan and County Waterford and no matter what type of terrain came the Abbeyside woman's way she took them all in her stride.

We must not forget also that Sinead took the series win from the grasp of a great champion Kilmore's Jackie Carty who had won this title the last Four years in succession, Jackie was and is a great champion and was the first to congratulate the young pretender Sinead Crotty on her super achievements on the road racing circuit this past summer. Jackie was to finish up 3rd overall this year with 17 points.

Two positions in the Ladies premier table was filled by two Waterford city athletes who are both very much improved and improving runners on the road racing circuit this past year both are now regulars at all our races up the West. In 3rd place was Mary Burke with 19 points and in 4th place went to Brenda Lowe with 26 points.

Another young lady making a big impact on the running scene this year is West Waterford's Marie Delaney. Marie was rewarded for her efforts when finishing 5th overall in the Ladies premier division recording 36 points. Well done to her.

### LADIES DIVISIONAL TITLES

In the other Ladies divisions West Waterford's provide four separate divisional winner and Waterford AC two. In division 1 Ann Fitzgerald did the business for the City Ladies when she finished on 52 points just two clear of Ann Dunford 54 with Anne Whelan third with 64 points. Like wise in Division 2 it was Waterford's Suzanne Rath with a tally of 84 points filling the top slot from Josie Ui Chuirrin 91 points and Brigid Coffey third on 104 points.

### NEXT BIG LOCAL EVENT

## Elite Paintball One Lap League

The next big local event on the local athletics calendar is the popular one lap challenge for beginners, improvers and regulars. This league starts on Tuesday, September 11th at St. Augustine's College, Duckspool (by kind permission). We are also delighted to announce this week that we now have a new sponsor for this league in the guise of Elite Paintball. The League will now be known as the Elite Paintball 1 Lap Challenge. On behalf of the club we sincerely thank Marie and Jeff Allan of Elite Paintball for their kind sponsorship of this league, which will continue each Tuesday evening for six weeks. Starting time each week will be 7 pm.

Now that you have established yourself into a routine running wise, the upcoming leagues are the perfect way to maintain this routine and increase your stamina and fitness into the bargain — precisely what the name suggests, it is a running

league whereby all participants run a lap of the Friary. You do not have to be able to run the full lap, you are most welcome to come along and walk and to try running a little bit each week and before the league concludes we guarantee that you will be running the lap without stopping. Entry fee is just €2 each night. As well as the one lap challenge on Tuesday nights we also have the ever popular Autumn League on Thursday nights beginning at 6.30 p.m.

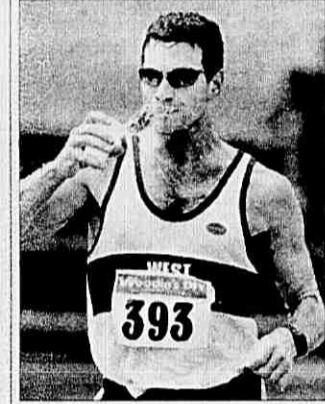

This league begins on Thursday, September 13th and will consist of one, two, three or four laps of the Friary. If you are a newcomer beginning the one lap challenge on the Tuesday nights, the Autumn League on Thursday nights will be perfect to help you get some extra practice in to achieve that goal of running one lap without stopping.

So don't hang up the runners just yet, there is plenty going on to get you fit and healthy throughout the autumn. The entry fee is also €2 per night.

### JAMIE COSTIN TO COMPETE AT WORLD CHAMPIONSHIPS IN OSAKA

All at his club West Waterford A.C. extend best wishes to Jamie Costin who competes in Osaka Japan in the World Track and Field Championships. The championships will get under way last Friday August 24th and continue until this Sunday September 2nd. Jamie will contest his favourite 50k distance and the race gets under way on Saturday next September 1st and has an early 7 am starting time, which is ideal for such an energy-sapping event such as the 50k walk.

Jamie qualified for the championships and indeed next year Olympic Games in Beijing by way of his terrific performance on 20th May last in Lemington Spa England when he was well inside the 4 hour qualifying mark with his time on the day clocked at 3.53.30.

It is somewhat of a heroic tale that Jamie is walking never mind his determination of getting back to the sports of race walking after his horrific car accident which shattered his Olympic dream in Athens three years ago days before he was due to compete. However that's all behind the Ring man now and he has trained like never before for these upcoming championships and is in the shape of his life. All at his club wish him the very best on Saturday next.

## West Waterford Athlete Of The Year Update

With the table below showing the top 20 contenders for this year's athlete of the year club competition last year's winner is odds on favourite to retain his crown, his closest contender is Seán Stilwell who is 7 points behind with 44. This table, of course, shows the points up to the end of July and have the month of August to be added, which it must be said was a very busy month for Raivis. Currently in third place is Liam Budds who has also put in a huge effort this past 7 months Liam is still well

in the frame just one point behind Seán with 43 points. The leading ladies include former winner of the award Ann Dunford who has 42 points along with Triona Wall who also has 42 points. So the question is who can catch Raivis at this stage of the competition or

more to the point can he break the magic 100 points mark. Me thinks his up for it. The competition rules are simple, one point every time you represent the club in an event and a bonus point will be awarded if it is in championship competition

### PRESIDENT'S PRIZE WEEKEND A GREAT SUCCESS

From 12 noon on Friday when Tom Fennell, Paddy Hannigan and George Hogan teed off right up to 12 noon on Sunday when Ger

Kelly, Tony Condon and Tom Walsh teed off, everything just fell into place perfectly. The weather couldn't have been better and there was plenty of sunblock being used around the course. Tom Walsh posted a great score of 42 points to take the early lead on Friday and this was to hold until Tony Condon also came in with the same score. They were closely followed by Ger Kelly and Tom Landers with 41 pts while John Kiely and Diarmuid Henley both shot 40 pts.

The President put a lot of thought into the course layout for the final round and the course at full stretch with some very unusual pin positions made it a very daunting test for the 60 players that qualified. Again it was played in the very best of conditions. The guests led out the field and the winner here was Pat Norris who just happens to be the husband of our Lady President. By 3 p.m. one could feel a sense of tension as many of the favourites started to fade and with Joe Meade playing the golf of his life the writing was on the wall. Well done to Joe who finished with a score of 43 points to clinch the title by a margin of 5 points from Tony Condon, with Derek Larkin in 3rd place just ahead of Billy Power. Ger Kelly pipped Pat Power for the gross prize.

The presentation of prizes took place at 9 p.m. on Sunday night and it was great to see so many present for the occasion. Both Austin and Sheila welcomed their families and guest and members and the presentation was handled in a most professional manner. One must

mention our wannabee Elvis who gave us his own particular version of 'The Wonder of You'. All in all a great weekend and well done to both Presidents for all the effort they put into making it all happen.

### CHARITY MARATHON

# DUNGARVAN GOLF CLUB NOTES

## ASSISTANT PROFESSIONAL'S CHAMPIONSHIP

The Professional Golfers' Association (PGA) Irish Region will hold their annual Assistants' Championship at Dungarvan GC next week, starting with a Pro-Am on Tues 4th. Local men Donal Considine and Ian Prendergast, affable and able assistants to David Hayes, have awaited this week since it was planned many months ago. The Pro-Am on Tuesday is expected to attract several teams of three amateurs with one assistant. The cost for the three amateurs, which in many cases will be borne by sponsors giving customers and friends a day out, will be €250 to cover the golf and a meal. Two scores will count at each hole, and there will be a handicap limit of 22 for men and 30 for ladies. Considering the array of prizes on offer the entry fee is a snip, and the Pro-Am is seen as an ideal way to kick off the week. (Ring 058-44707 to get your team on the time-sheet).

In the Assistants' Championship the first two rounds of stroke play will be on Wed 5th and Thurs 6th, with the top 36 plus ties - qualifying for the remaining 36 holes on Fri 7th. Eighty Assistants Pros from around the country are expected to participate, and, in the event of a tie there will be a 'sudden death' play-off over the 10th, 11th and 12th. The prize fund will be €6,000 (including the Pro-Am).

This is a major event in the club calendar, and it has been planned in detail by David Hayes, Michael McCumiskey, PGA Regional Secretary and Peadar McParland, PGA Tournament Controller. Course matters - tees, pin positions, any GUR, need for extra Local Rules etc. have been decided in consultation with our Course Manager Michael Mermin. I expect that many of our members will turn up to play in the Pro-Am or to watch the golfing talent on show during the week. We all wish David Hayes, Donal Considine and Ian Prendergast the best, confident that the championship will be another opportunity to showcase our excellent course, facilities and club.

## HOLLOW TINING

the often-heard plaudits from members and visitors to Dungarvan G.C. over several years. It is well deserved, as Michael and his staff work so hard and diligently to keep up the standards they set for themselves. The 'down side', however, is that the job of hollow tining must be done at least once annually. What is involved?

This layman's version is that thousands of tines - cores of soil about the size of my little finger - are removed by machine from each green. The aim is to address thatch and compaction while improving the drainage and aeration of the soil and roots.

Once the 'fingers' of soil are removed they must be filled with a top-dressing sand, which is laid thickly on the surface and brushed in. This part of the procedure is repeated, and the whole operation should be done while there is strong growth in the grass. The work continued all last week, carefully sandwiched in our busy golfing schedule. Once the President's Prize was over it was 'all systems go', to ensure that the job would be done in a few days, and that the greens will have recovered on

time for the PGA Assistants' National Championship which we host next week. We had to cancel one or two competitions and grant an extension to the Lady Belle Singles finalists - Martin Lynch and Des Cleary; but we were back in action for Friday evening's Social Scramble, the club competitions on Saturday and Sunday, along with the annual left-handers event. The result we expect is that our greens will be back in shape very soon and, by the time September Open Week starts the hollow tining will be forgotten.

Hollow tining or not, pride of place this week must go to Kevin Stack for his wonderful golf on Sunday. In the prizes regularly throughout the season, Kevin surpassed himself with an outstanding 45 points playing off a handicap of 1. His 3-under front nine was followed by a 5-under back nine. He had birdies on 3, 5, 7, 11, 12, 13, 16 and 18 and pars on the remaining ten holes. I wonder how long more Donal Considine's course record - off the blue tees - will last with Kevin around. Congratulations Kevin as you play yourself towards Scratch and beyond, and we all wish you well with your studies and your golf at UCC for the coming academic year.

## MATCHPLAY

Martin Lynch and Des Cleary have beaten all-comers to get to the final of the Lady Belle Singles. Des had to pull out all the stops - or the shots - to beat in form Ger Enright with a birdie on the 19th. Meanwhile Martin broke Handicap Sec. Tom Quinlan's heart by finishing him off on the 17th. Whatever talents Martin possesses he seemed to be only toying with Tom in a 'ding-dong' affair, leading observers to speculate on a handicap cut!

In the O'Connell Cup Fourball Martin Lynch and Nick Norris beat Joe Murphy and John Martin to reach the final, while holders Peter Finnegan and Paddy Kennedy had to await the outcome of the other quarter-final. They will meet Maurice Troy and Michael O'Connor in the semi-final, with the final expected to take place by mid-September.

We hope that more of our members will enter the match-play competitions in 2008. "Matchplay is real golf" I hear them saying, having tasted the joy of playing head-to-head over 18 holes. So, look out for notices in the Spring, giving details of

the competition schedule and how to enter. You can expect to have at least three weeks between rounds, and all matches not played by the due date decided by the toss of a coin.

## RULES CORNER

On Thursday A's ball was in a bunker. B played and his ball went into the bunker, hitting and moving A's ball. What happened next? Under Rule 18 - Ball at rest Moved - A's ball had to be replaced without penalty (if he didn't replace it, A then played from the wrong place). When it was replaced it was just beside B's. B was entitled to ask A to mark and lift the ball as it was interfering with his play. A lifted his ball but had to be careful not to clean it in any way; if he did so he was subject to a 1-shot penalty. B took his shot and A argued that his lie had been adversely affected. A was entitled to recreate his lie before replacing his ball; indeed, if A's ball had been in a heel mark he would be obliged to make a heel mark before replacing the ball. Ask Tom if that was what they did!

On Saturday C hit her second shot on the 10th into the lake. "I'll play a provisional" she said as she dropped a ball and played on. Was that o.k.? Presuming she penalised herself there was no real problem except that you may not call it a provisional if the first ball is in the hazard. Usually we drop the ball near the hazard, but there is no reason why she couldn't play from where she took her last stroke. Rule 26 is about Water Hazards; Rule 27 addresses the topic of the Provisional Ball.

During the President's Prize D played a shot in a bunker, but only put it 4 metres forward in the bunker. Before playing his next shot he raked the area he had played from. E claimed D was subject to penalty? There was no penalty 'provided that the lie of the ball is not improved and the player is not assisted in his subsequent play of the hole'.

Remember, we are all expected to know the rules, and there is no substitute for looking in the Rules of Golf booklet.

## SEPTEMBER OPEN WEEK

September Open Week is always the 'next big thing' once the President's Prize is over. This year the Open Week starts on Sat 8th with a Gents 3 man cross cards and a Singles competition for the Ladies. On Sun 9th there

is an 18 hole singles s'ford for both Gents and Ladies. All of the competitions throughout the week are generously sponsored, and there will be something for everybody, with Mixed Fourball on Monday 10th, ladies' Singles on Tues 11th, Gents Singles v Par on Wed 12th, Gents Singles Stroke on Thurs 13th, Gents 3-Person Rumble on Fri 14th, Gents Fourball on Sat 15th and Sunday 16th, and Ladies 2-Person Rumble also on Sat 15th and Sun 16th.

Also in September we have the Open Inter-Pubs Classic from 20th-22nd, followed by the Dungarvan Pairs Classic 24th-26th.

## ORDER OF MERIT

The Golfer of the Year competition, generously sponsored by Allied Irish Bank, is nearing a conclusion. Only two of the eight competitions remain, i.e. Clonea Cup on Sun next September 2nd, and the E.A. Ryan Cup on Sun 23rd. This prize is decided by a golfer's six best scores from eight, with points awarded to the top thirty in each. At the moment Pat Breen is leading with 109 points, with Michael Leacy next on 104, Maurice Conway on 87, Maurice Terry on 85 and John Reynolds on 84.

## SIXTY.COM AND MORE

There was a big crowd of retired folk on Wednesday afternoon last, with the only condition that players were over sixty. (Birth certs are no longer required). The winner of the 9-hole was Pat McGovern off 20 who had 17 pts on hollow tined greens. Best Lady was Ita Fahey (21) with 14 pts and Best Gent was her husband Jackie Fahey (20) with 16 pts. They go at it again on Wed 29th at 2 p.m., and a great social afternoon is assured.

The scramble was as popular as ever last Friday; it was won by Louise Fleming, ably assisted by Jamie Nagle and Carl Fay on 26. Runners-up were Una O'Connell's team of Cormac Behan and Tom Conway with 27. The 'dream team' of Brian Morrissey, Gary Burke and Michael Brennan - fresh from their fourball prizes at Fota - didn't make any impression in the scramble with four birdies, but they say they'll be back.

The Fifty-somethings group are about to re-convene, with their next 9-hole competition on September 5th at 2 p.m. Be there or have a watertight excuse for Breda!

## CAPTAINS AND PAST-CAPTAINS

The South-eastern region of the Captains and Past-Captains will play for the P.J. Burke Memorial Trophy at Carrick-on-Suir GC on Monday September 3rd. This 18 hole Stableford competition is generously sponsored by Bank of Ireland, The Quay, and Waterford Shoes, Patrick St. Waterford. There will be a 3-tee start at 12 noon, playing in fours, with complimentary tea/coffee and scones from 11.30 a.m.

## LOTTO

Thanks to all who continue to support the Dungarvan GC Lotto which is drawn in the clubhouse each Sunday night. There was no winner of this week's Jackpot, which will be increased to €8,250 for next week. The numbers drawn were 5, 7, 9, 17, and the winners of €15 were: Michael and Finola Kelly, P.J. ## DUNDALK COSTS

35 million Euro is the cost associated with transforming the old Dundalk racecourse at Dowdallshill on the outskirts of the town into a modern stadium, which now caters for both greyhound and horse racing.

Successful Kilkenny-Waterford Alliance

Kieran Purcell was a top class player when he hurled for his native Kilkenny and has successfully turned his attention to training racehorses in the last number of years. His most recent success arrived in the bumper on the opening day of the Tralee racing festival as Galway runner up Duartin went one better in the concluding bumper. In the saddle for this win was none other than Waterford amateur Joe Burns. Joe is excellent value for his seven-pound claim and should really be given more opportunities.

## ONE TRACK FOR KERRY

With the future of Tralee racecourse in the balance trainer Jim Bolger has called for the three Kingdom racecourses namely Killarney, Listowel and Tralee to pool their resources and built a state of the art racetrack in the county.

## REDUCED CLAIM

English born amateur James Jenkins who rode Coppervega to victory over fences at Tramore recently had his claim reduced to five pounds as a result of this win. James rode fourteen winners in his native England and Coppervega was his first winner in this country. Incidentally Coppervega is a valuable mare as she is a half sister to Grand National winner Montys Pass.

## VALUABLE COLT FOAL

Three times Melbourne Cup winner Makbe Diva recently had a

colt foal by Galileo.

## PACO ON TRACK

The Joe Crowley trained Paco Jack a winner of two recent hurdle contests by wide margins will now head to the Listowel Harvest festival to contest a winner of two event.

## OFF TO THE BREEDING PADDOCKS

## PEEPING FAWN TREAT

The Aidan O'Brien trained Peeping Fawn produced another top-drawer performance to run away with the Yorkshire Oaks at York last week and in doing so captured her fourth Group 1 event inside the last eight weeks. Peeping Fawn is a late developer and was unraced as a two year old.

## PURPLE MOON FOR AUSSIE LAND

After running out a well-backed winner of the Ebor Handicap at York last week for rider Jamie Spencer and trainer Luca Cumani Purple Moon could well head down under to take in the Melbourne Cup.

## TRAMORE GROUND CONDITIONS

The dust has now settled on the August Festival of racing in Tramore but one should not forget the part played by the ground staff in ensuring the four day meeting went ahead uninterrupted. Remember on the Wednesday Gowran Park were unable to race and that's only a little over thirty miles from Tramore and while they had a lot less ground to play around with compared to other tracks Tramore managed to get through the week providing a fresh strip of ground on each day of the festival. A job well done by the ground staff.

## WEDDING BELLS

Well-known national hunt jockeys Richard Johnson and Noel Fehily were married last Saturday to Fiona Chance daughter of trainer Noel Chance and Natasha Chappel respectively.

## WORTHY SPONSORSHIP

Trainer Jim Bolger sponsored all admission charges to Tralee races lat Friday and in return he requested racegoers to make a donation at the track to the St Vincent De Paul.

Buckinghamshire based trainer Alan Jarvis has placed his Tyford stables on the market for £3.5 million. His daughter is married to Yorkshire trainer Karl Burke and 68 year old Jarvis is toying with the idea of moving to Yorkshire to

act as assistant trainer to his son in law.

## YOUNG JOCKEYS TO SHINE

Lester Piggott Day, sponsored by Victor Chandler at Newmarket on Saturday, September 22, will begin when a host of aspiring Lester Piggott's from all over Europe showcase their riding talents in the VCBet.com European Association of Racing Schools Crepello Apprentice Handicap. The co-ordination of the teams of apprentice jockeys is being organised by The British Racing School where the riders are also being accommodated.

Three leading apprentice jockeys from Europe's five major racing countries – the UK, Ireland, France, Germany and Italy – will ride in the 1m 2f contest, looking to catch the eye of the greatest jockey of them all. Lester will present a special prize to the winning rider following the race named after Crepello, the horse on which he won the first of his seven Guineas exactly 50 years ago.

Two of the three UK apprentices will be selected from those who are attached to the British Racing School at Newmarket, where over half the UK champion apprentice jockeys in the last 15 years have learned the art of race riding, with the third coming from the Northern Racing College at Doncaster.

As with the Dubai Duty Free Shergar Cup at Ascot last weekend, the apprentices will race in team caps with the pride of their country at stake in an overall team competition.

Rory MacDonald, Chief Executive of the British Racing School, said: "This race, which has evolved from the European Association of Racing Schools, is now in its fifth year having previously been run in France, Italy, Ireland and at Doncaster.

"We are extremely grateful to Newmarket Racecourses for enthusiastically supporting the race which will be a great experience for these young riders."

Michael Prosser, Newmarket Racecourses' Director of Racing, commented: "There could be no more appropriate start to the day in honour of the greatest jockey of them all than for the best young riding talent from across Europe to be competing on racing's most historic stretch of turf.

"I'm sure it will be a great thrill for the young jockeys to know that Lester is watching them and it will be fascinating to see if the great man can spot one or two stars of the future."

## THE FINAL FURLONG (IN ASSOCIATION WITH BETFAIR) WITH PHIL DELANEY

Maybe they're just mimicking the way the people around them live their lives, but Irish horses are never really in that much of a hurry.

Not alone the manner in which they lope around the place, but also the way in which they race. It's been put up as one of the reasons Irish horses sometimes struggle in the UK and in the US. In America it's all about 'fractions,' speed through the first quarter and the second, foot to the metal from the flag-fall.

In England it ain't as bad, but they still race quicker and race earlier in races over there than they do over here. It means that when Irish horses go across the water – even Aidan O'Brien's stable stars – they're sometimes rushed off their feet in the early stages.

All of which made last Saturday's Group 2 Futurity Stakes at the Curragh a remarkable race to watch. It was billed as a match between O'Brien's Henrythenavigator and Jim Bolger's New Approach. Henry had lost his unbeaten record two weeks previous when heavy ground was blamed for his narrow defeat in the Phoenix Stakes. New Approach was unbeaten in two – and Bolger had sent him on a programme followed by Teofilo last year.

Nowhere is there less heed for hype or as little room for sentiment as there is in the betting ring, and bookmakers made Bolger's colt the odds-on favourite to put another dent in Henrythenavigator's reputation.

As usual they were right but that tells only half the story.

In the five runner race, New Approach and Warsaw (O'Brien's second string) set off on a trailblazing pace. If Warsaw was there to soften up New Approach, it didn't work. The field were remarkably strung out for a seven furlong two year-old race and at half-way and nobody would have been surprised should the leaders have come back to the field.

Instead Kevin Manning aboard New Approach looked more than comfortable and once he had Warsaw burned off – and Henrythenavigator never got to within a length and a half – he settled down to put

the issue beyond doubt by the furlong pole to go and win by three lengths.

Considering the ground (soft), the pace, and the fact that he had to lead from over two out, this was a two year-old performance worth noting. Bookmakers – some of them still spending burnt ante-post Teofilo dosh – were quick to slash New Approach's odd for next year's 2000 Guineas. At the time of writing he's as low as 5/1 for Newmarket 2008 with Skybet, and double that with Betfair.

Like Teofilo, New Approach is a Galileo colt and Bolger is one of the biggest fans of the Coolmore stallion. His latest star is by the Derby winner out of the talented race mare Park Express who has already produced winners like Dazzling Park, Alluring Park, Shinko Forest and Tycoon King. Bolger went almost 300,000 Guineas to back up his hunch at the sales.

Bolger is fascinated by Galileo, and seems to have decided to go down the path of breeding off him even before the Teofilo express arrived in town. His homebred Group winner Heliostatic is by Galileo, as is Heliostatic's more famous brother, Irish Derby winner Soldier of Fortune.

His winner of the fillies maiden at Dundalk on Sunday, Solas Na Greine is by Galileo out of a half-sister to Eva Luna. Another filly of his, Prima Luce, was earmarked as one with Oaks potential by Bolger after winning a useful race at the Curragh on Saturday. Again, she is by Galileo and once more the Master of Coolcullen went to 270,000 Guineas at Tattersalls for her last winter.

Fillies Teacht an Earraig, Angels Story and Beyond Compare, and the colt Via Gallilei are all unraced Galileo two year-olds that have yet to see a racecourse and all are highly rated by the stable.

Aside from his support of the American sire Mr Greeley (father of his two Group 1 winning fillies Finsceal Beo and Saoirse Abu) it seems that Bolger has taken a remarkable punt on Galileo, whether that means sending his own mares to Coolmore or buying up Galileo stock at the sales.

No trainer in Europe is going out on such a limb with one sire but right now it looks like Bolger's going to collect.
