WHAT SHEEP DIP

To buy the cheapest is human and to many hard to resist. BUT REMEMBER that to buy the best is the policy of the wise and successful. That every shilling spent on NICOBRAND brings in £1 otherwise lost to you.

NICOBRAND NICOBRAND IS SECOND TO NONE AS AN INSECT SPLENDID DESTROYER FOR AND KILLS THE EGGS FLY. AS WELL, ALSO

does 4 things that all other

(1) BANISHES SCAB PERMANENTLY from any locality where it is generally used Cures Scab in 2 dippings and Never a failure. Cures Scab where other well known Dips have

(3) Produces 30% MORE WOOL than any other Dip. Thus the extra Wool (see Photo) more than pays for the Dip!

(4) Reduces Mortality among Lambs to practically ZERO! (Think of the saving on this point only). IF THE DIP you are using does not produce above results DISCARD IT. (Its very cheapness costs you dear).

Nicobrand Sheep Dip has been approved by the Department of Agriculture after a severe and gruelling test on a flock of Roscommon sheep badly affected with Scab, which were kept under observation from May to vember. Note extract from this report :-

"The sheep have remained free from all symptoms of Scab, and their fleeces are in perfect condition, free from any kind of skin parasites."-(Department's Report six months after dipping with Nicobraud).
