owns Improvement (Ireland) Act, 1854; THE NEW ENGLISH LAW ABOUT WILLS.

By a King's Counsel.

Experienced lawyers have made mis-(Ireland) Act, 1901, and Technical In- takes in drawing wills. The layman, truction Acts, 1889-1891-1899; Education therefore, should be especially careful to Provision of Meals Acts) Ireland Acts, know to whom his estate will pass should

Classes (Ireland) Acts, 1890 to 1921. The alterations made by the Adminisration of Estates Act, 1925, are very con-NOTICE IS HEREBY GIVEN by the siderable, and are, in the main, improve-Dungarvan Urban District Council that ments. The implied trust for sale and the dates, as hereunder mentioned, are about blending of the proceeds of the real and to be made on the Property situated in the personal estate, the equalisation of the Dungaryan Urban District, rateable under wife's rights with those of the husband. the Provisions of said Acts, namely :-- and of the mother's rights with those of the father, are all to the good. But some of the other alterations made are fairly

Rate in open to criticism. Two of these may here be mentioned. s d First, under the new Act, the husband (or wife) of an intestate is entitled to the deceased's furniture and other "personal 1 8 | chattels"-an expression of which a very wide definition is given-absolutely, and to a first charge on the rest of the estate 1 4 for the sum of £1.000 free of death duty. as well as to a life interest in the residue

of the estate, if any. This may work fairly in the case of sub-2 3 stantial estates, but where an estate is

small injustice may be caused. 1 4 Take the case of a man who dies intescomestic Rate, under the same Act 1 1 tate, leaving a second wife and children by a first wife, and leaving un estate £2,500 in value, of which sum £500 is the 11 value of the personal chattels. The widow would take absolutely the "personal chattels," plus \$1,000 free of death duties, 13 The funeral and testamentary expenses and costs and all death duties would be 1 thrown upon residue. The result in such a case would be that the estate would be exhausted and the deceased's children

would take nothing. Secondly, under the law hitherto preon the demand of the County Council, vailing, where a man dies intestate withunder the Local Government (Ireland) out leaving father or issue, but leaving Act, 1893, for expenses chargeable to the mother and brothers and sisters, the per-Monday, September 28th-Glendalligan for months, ending 31st March, 1926. 8s. 7d. in of the deceased's widow, if any) has in the £ for Union Charges and for County | passed to the mother, brothers and sisters

The period for the service of which such | Under the new Act, however, the Rates are estimated to provide for is from | brothers and sisters in such a case are igthe 31st March, 1925 to 31st March, 1926, noved, the mother taking the whole, and Saturday, October 3rd-Boulattin and Cow- and will be collected in Two Moieties. | this right of the parent, to the exclusion The Estimates, Valuation Lists and Rate of the brothers and sisters, is extended

RAILWAY WORKERS.

In connection with the circular issued by the Chairman of the Great Southern Railway asking each employee on the line to agree to a 5 per cent, reduction in his wage, in order to help the Company ide over its financial difficulties, the several Unions to which the workers of

the railway belong declined to accede to

the request. The Directors say they cannot make the ailway pay, while the employees claim that some effort should be made to recentage of the trade of the country is now borne by larries, and if that trade defianaging Director of F. M. Summerfield, can pay its way in this old land of ours at present. Every concern is said to be run at a loss, and that can only continue for a short time. A public Inquiry into trade and industry is required to find the emedy. Our prescription for our national lls is that which has ever held good, and arnestly. If that were done in every department of public utility we need fear no competition from Denmark, the Argenine or China, and we need not worry over how other people get along. But so long as we sit on the ditch and do nothing, so

THE WATER SUPPLY OF

ong will we go down the hill.

For over three years the people residing in Allen street, Cappoquin, have been without a drop of water from the town supply, although they have to pay rates the same as the more fortunate people living lower down the town. The water tap near Pat Hogan's forge, which was supposed to supply all the inhabitants at the ipper end of the street, has been as "dry" luring the past few years as the members of the Temperance Associations would wish to have Ireland if they got their way. some repairs were carried out to the offending pump during the past few days. so we trust the long-standing grievence of he people will at long last be removed.

EXCURSION FROM CORK.

On last Sunday a large excursion party which arrived at Cappoquin at 11.30 a.m. The excursion was organised by the Cork branch of the National Union of Bailwaymen, and the majority of the excursionists were railwaymen with their wives and families. A good number of the party broke off at Cappoquin and visited Mount Melleray and many of the other interesting and picturesque places around this locality, the beautiful valley of the Blackwater being greatly admired by the people from the banks of the Lee. Most of those who broke off in Cappoquin went to Dun-garvan by the 5.30 train, and all returned from the Old Boro' in great form at 7.30.

possession, are strictly preserved. Any Great Price for Buil.-At the annual person found trespassing thereon in pur- cattle show at Buenos Aires a prize-winsuit of game will be prosecuted. ning Shorthorn bull named Faithful was THOMAS POWER. | sold for 60,000 dols. (£12,000), which is
