**************************** CAPPOQUIN COURSING CLUB.

MOST SUCCESSFUL FIXTURE

Judge-Mr. Dick Power, Youghal. Slip-per-Mr. Jack Keating, Cappoquin. Com-mittee-All the members of the Club. Under ideal weather conditions the annual meeting of the Cappoquin Coursing Club was held on last Monday and proved a most enjoyable and successful event from every point of view. Brilliant sunshine prevailed during the afternoon, and aleveryone seemed to enjoy the great sport provided, so that the evening passed most pleasantly for the large crowd of specta-

All the field arrangements were admirably carried out by the members of the committee, and it is only fair to say that the large attendance of spectators present kept the best of order and made no attempt to encroach on the field, so that both hares and dogs were afforded the fullest measure of freedom and fair play from start to finish.

Mr. Dick Power proved a most capable and impartial judge, whose decisions were warmly approved of in every case, white in the responsible capacity of slipper. Mr. Jack Keating once again proved his wellknown efficiency by delivering the dogs oz the various courses in a manner which greatly added to his reputation as an excrienced and impartial slipper of a high Fire in Dungarvan

As is usual with the past record of the Coppositin Coursing meetings, the hares stood up well, with one or two exceptions with the result that several very good trials were witnessed, and there was not s single "flukey" course throughout the

IRISH DAIRY SHORTHORN REEDERS' SOCIETY CONGRESS.

The annual Congress of the Irish Dairy Shorthorn Breeders' Society was held at Mallow on Wednesday last. Delegates representing all the Cow-Testing Associations in Munster and Leinster were present in addition to the heads of the Department of Agriculture. Mr. McLysaght (Clare), outgoing president, delivered a strong address. The Earl of Kenmare was elected president for the coming year. | than this Season. a lecture on "The Production of Milk." with Mr. E. J. Sheehy, B.Sc., dealt in a paper "GOLD LABEL HOOSE MIXTURE." with the effect of "Food on the Yield of Milk and of Butter Fat." Mr. G. B. | Cautious Stock-owners keep a 2/3 bottle Ussher, Cappagh, moved a resolution ask- bandy in their homes and ing the Department to co-operate with the Irish Dairy Shorthorn Breeders' Society in issuing propaganda on the work Cattle. It was arged as one of the principal ways of forwarding such propaganda connection with the founding of a Faculty | tried and proven Remedy, of Science at the Cork University College. Mr. Maher, Cashel, said County Committees of Agriculture could do more in that direction than they were doing at obtained in the district. present. The effects of the Cow-Testing associations ought to be compiled and distributed to the dairy farmers of the country. After a brief discussion the motion was unanimously adopted. Dr. Henry Kennedy, Secretary I.A.O.S., read a very interesting paper on "The Effect of Food on the Yields of Milk and Butter Fat." Mr. Heffernan, T.D., moved a resolution to the effect that it was the opinion of Congress that the re-stocking of farms TOP PRICES ARE NOW PAYING FOR where live atock losses had taken place owing to the fluke disease could only be done by means of direct Government loans, and as a preliminary to making financial provision for such loans, that Congress should call on the Government to have an official census of live stock losses taken. It was explained that the CLASSES OF HIDES AND SKINS object of the census was to find out in- HORSE HAIR AND FEATHER BEDS formation as to the exact losses and it was also explained that the farmers who | NOTE ADDRESS: would get such grants would have to pay them back. The resolution was referred to the Executive for their consideration

BIG CREDIT FOR DENMARK.

EFFECTS OF A MISSING COMMA.

A German newspaper relates the following story of the consequence of the incorrect punctuation of a telegram. The wife Hambros Bank has arranged this credit of an American millionaire, who was makwith the "Big Five" banks and Messra. ing a visit to Paris, entered a jeweller's ALSO ALL CLASSES OF FURNITURE M. Samuel and Co. It is similar to that shop, and the proprietor brought out a arranged last year, except that it has no diamond tiars, for which he asked £3,000. The lady hesitated to make so expensive a purchase without her husband's consent, and, like a dutiful wife, she cabled to him. He at once wired his reply: "No, ALL AT VERY MODERATE PRICES. price too high." The telegraph operator however omitted the comma and the message read: "No price too high." She therefore betook herself to the jeweller's and, putting aside the £3,000 tiars, purchased a much more valuable one for

THE EMPEROR OF JAPAN.

The Emperor of Japan died on Christ known Curragh trainer, removes a popular mas morning, and so elaborate is the personality from the Irish turf. He had funeral ceremony prescribed for an E a cocupied Rathbride Manor for 20 years, during which he headed the list of winning trainers on 10 occasions, and turned out a total of 1,216 winners. In his performed. His successor according to be performed. His successor according to equipment on Mondays and Thursdays—8 young days he was a first-class jockey. Japanese law will not be finally crowned hours continuous run. If over-discharges having served his apprenticeship with the late John Connolly. Dawson rode three about August, 1928—in order to have all can have 4 or 5 hours extra on Tuesdays successive Irish Derby winners-Kentish the formalities properly complied with. Wireless Batteries-High or Low Tension Fire in 1891, Roz Neil in 1892, and Bow- The Emperors of Japan have a direct line line in the following year, and was the for about 2,500 years, and the principal only jockey to accomplish such a feat. emblem of office is a kind of chalice which the original Emperor brought down from Heaven with him some 500 years before the time of Our Lord. And as the Japs A Court of Inquiry has just concluded religiously believe that the first Empero
