CO. COUNCIL CHAIRMAN'S APPEAL TO JUDGE.

APPEAL TO JUDGE.

At Tipperary Circuit Court, before Judge Sealy, Mr. P. L. Ryan, Chairman of the South Riding

Constitution of the South Riding Crease the costs or cut them Chairman of the South Riding County Council, addressing Judge Sealy, said he represented the County Council and County Committee of Agriculture, who dealt with matters he had to put before him. It was no great pleasure to him to take up his Lordship's time, but when he heard the facts be considered that the county Court county Court them down. That would be remedied, he thought, shortly, when the Circuit Rules were published, because any case that came inside the District Court jurisdiction and the plaintiff went in to the Circuit Court, he would only get District Court costs, which would be considered. he thought his Lordship would be on a lower scale than Circuit agree he was justiged in doing 30.
From time to time recently the County Council and County Committee of Agriculture have had before them the manner in which the Land Commission and Board of Works decrees had been collected and passed a strong resoluof Works decrees had been collected, and passed a strong resolution on the matter. They had succeeded to a certain extent, inasmuch as the Land Commission had reverted to the practice of giving six days' notice before instituting proceedings for the recovery of annuities; but they had not succeeded in the matter of costs, and had asked him to assist them in righting it in some way, as it affected thousands throughout the Free State. In one case there was a decree for £1 9s. 3d., and when it came to be paid there were £2 10s. 8d. costs. At the last Sessions his Lordship gave decrees for £5 10s. 6d. and £1 6s., the last instalment due by a poor fellow to the Board of

### OVERLAND-WHIPPET

A high-grade closed Car for £220, with luxurious coachwork, affording ample accommodation and leg room for five passengers.

A product of modern engineering, the WHIPPET embodies all the latest chaesis improvements evolved from recent Motor Car building experience in Europe and America.

The powerful, smooth-running engine offers comfortable, trouble-free motoring at an unequalled price and on the most economical lines. With a speed range of 5 to 55 miles per hour "on top," it is still a miser on fuel and lubricant. Its 35 miles per gallon of petrol makes old style engines extravagant and wasteful luxuries. Its perfect pressure-feed oiling system delivers 1,500 miles of delightful motoring with every gallon of oil consumed.

The OVERLAND WHIPPET has all of the engine refinements characteristic
