MULCAHY'S, DUNGARVAN.

Dungarvan Urban Council.

Mr. M. Morrissey, presided at the weekly meeting of the above on Friday. Also present—Messrs. S. Hayes, J. Dahill, P. Byrne, J. Christopher, T. McCarthy, V.C.; J. Mansfield, P. Quann, J. J. Crotty, J. F. Foley.

PAYSHEETS

The following payments were passed for the week—Harbour £1 6s. 6d.; Water Improvement Scheme £15 6s. 0d.; General Account £19 15s.

RETENTION MONEY

Mr. O'Reilly, contractor to the Loughmore Housing Scheme, appeared before the meeting and made application for the amount of the balance of the retention money. He stated that the scheme was now nearly 12 months completed and he thought it only reasonable that the Council would ask Mr. Murphy, Architect, to come down for the final inspection and give the final certificate. He had given personal supervision to the repairs necessary.

Replying to the Chairman, the B.S. said that owing to water tests, etc., he had not the time to inspect the repairs, but would do so in the morning.

Mr. Byrne—Since Mr. O'Reilly came to superintend the repairs an amount of work is done.

Chairman—The B.S. will have to satisfy the Council that the houses are fit for the final certificate.

The B.S. promised to inspect the houses the following morning and if all the repairs had been carried out he would ask Mr. Murphy to come down.

SLAUGHTERHOUSES

The following report was read from Dr. Casey on the above:—

Mrs. Brennock's, Square, clean and satisfactory.

Mr. J. J. Morrissey, O'Connell St., new building, clean and satisfactory. Instructions should be issued that pigs should not be housed on these premises.

Dwyer and Murphy, O'Connell St., clean and satisfactory.

John Crotty, Thomas street, clean and satisfactory.

Mrs. Queally, O'Connell street, clean and satisfactory.

Mr. Dahill—When will the area be come our property?

Clerk—I could not say how long it will be, it is in your solicitor's hands.

Mr. Christopher—Why not build 30 to 40 working men's houses in the Clearance Area?

Chairman—I think in the centre of the town you should build a better class house.

Mr. Christopher—The better class houses are being built outside the town. If you do that you shift the centre of gravity, and the people in Main street and the Square will lose business.

Mr. Crotty agreed with Mr. Christopher and said a lot of the business is gone to that side of the town.

Chairman—When it was discussed here, it was the feeling that a better class house be built in that area.

Mr. Christopher—That should be left to a full meeting.

Mr. McCarthy agreed with Mr.

to state that before taking any further action for the acquisition of additional building sites the Council should formulate a scheme for building on portion of the lands included in their Compulsory Land Purchase Order, 1934, and for the ultimate clearance and development of all the lands in the order which are suitable as sites for building. When the first portion of this scheme has been started, the Council should compile the following information:—

(1) Number of dwellings required to re-house families to be displaced by the demolition of buildings unfit for human habitation; (2) Number of houses required to relieve overcrowding in houses not proposed for demolition; (3) A map showing the sites which in the opinion of the Council's Technical Advisers should be procured for the balance of the houses under 1 and 2 which cannot be provided in the sites in the Compulsory Land Purchase Order, with due regard to water and sewer services, means of communication, etc. On this map the housing areas already added to the town by the Council's schemes should be marked in distinctive tints, so that it may afford a useful presentation of the position as viewed by the Council's advisers. If extensive development in the Gallowhill district (Dee and McGrath's sites) is required and finally adopted, road connection should be made to O'Connell street from Mitchel street with a spur to Fair Lane. When this information is available, the question of acquiring additional sites can again be considered.

Chairman—This is a reply from the Department, and to my mind it is anything but satisfactory. The housing scheme is already held up a considerable time, through no fault of this Council, and now it looks as if there is going to be a further long delay.

Mr. J. Foley—On the long finger, as they say.

Mr. Christopher—The aim of this Council was to build 100 to 120 houses for the clearance of the slum area, and in this area only 30 to 35 houses can be built, that is a long way off 120. The Council had also in mind the building of better class houses in the Clearance area, houses that would command more rent, when the area became our property.

Mr. Dahill—When will the area be come our property?

Clerk—I could not say how long it will be, it is in your solicitor's hands.

Mr. Christopher—Why not build 30 to 40 working men's houses in the Clearance Area?

Chairman—I think in the centre of the town you should build a better class house.

Mr. Christopher—The better class houses are being built outside the town. If you do that you shift the centre of gravity, and the people in Main street and the Square will lose business.

Mr. Crotty agreed with Mr. Christopher and said a lot of the business is gone to that side of the town.

Chairman—When it was discussed here, it was the feeling that a better class house be built in that area.

Mr. Christopher—That should be left to a full meeting.

Mr. McCarthy agreed with Mr.

Christopher, and said it was not fair to be shoving the workmen out of the town.

Mr. Christopher—The workman has to walk to his work, the others have not.

Chairman—I can see the houses being held up for some months.

Mr. Quann suggested building houses on the same plan as Thomas' Terrace in the Clearance Area, as if you build on the same lines as Loughmore it would be useless.

B.S.—The Department don't like to exceed 12 houses to the acre, but in some cases, especially in the centre of the town such as this case, they may allow 20 to the acre.

Chairman—Even though we were to build 30 to 40 working-class houses in that area, it should not be allowed to interfere with our scheme of 100 to 120 houses. We should go ahead with that scheme and when the Clearance area becomes our property we can decide on building on that also.

It was decided to point this out to the Department.

Mr. Dahill suggested that the Clerk be instructed to write to Mr. Williams to hurry up the perfecting of the deeds, etc., in the Clearance Area.

The suggestion was approved.

SPRAYING

A long circular was read from the Department relative to the supply of free spraying materials to plot-holders.

NOTICE OF MOTION

Mr. Byrne, moved the following motion:—"That the resolution on the books which gives power to Mr. M. O'Meara, to let a house or houses, the property of the Council, be rescinded, and in future the letting of such houses be subject to meeting of the Council."

Mr. Hayes, seconded.

Mr. Crotty—I think Mr. Byrne want to cause trouble (laughter).

Mr. Byrne—Oh, no. The Councilors are responsible to the people who put them there, and they should take on their responsibilities, if not they should not be there.

Mr. J. Foley—in what respect. To differentiate between two neighbours.

Mr. Byrne—That is the responsibility you took on yourself when you came here.

Mr. McCarthy said he was a member of the Board when the Council had the letting of the houses and there was no end of trouble. If there were 20 applicants you could only support one and then the others would say you were against them.

Mr. Dahill said he was very glad the matter was brought up. People came to him asking for houses and would not believe him when he told them the Council had nothing to do with the letting.

Mr. Mansfield said if the motion was passed it would place the applicants in a very ugly position. If you had 20 applicants you would have them all canvassing every member.

Mr. McCarthy—I remember what it was like before, and I don't want it again.

Mr. Hayes said the reason he seconded was, if the Council took the responsibility they could refer all the applications to the doctor, who would

report on the condition of the applicants houses.

Mr. Christopher—That would be only taking it out of one man's hands and giving it to another. I would not agree with that at all.

The Chairman said that he would not care to take the responsibility of letting the houses. The doctor has already reported, and there is a list of names here. He was sure the Collector consults that list before letting a house, and he thought the Collector had always given the houses to the most deserving cases. He would not care to take it out of his hands.

A vote was then taken and resulted: For—Messrs. Hayes, Byrne, Dahill, and Christopher—(4).

Against—Messrs. McCarthy, Mansfield, Quann, Foley, Crotty, and the Chairman—(6).

ANNUAL CORPUS CHRISTI PROCESSION

The Council decided to march in a body at the Annual Corpus Christi Procession on Sunday, and appointed the Chairman, Messrs. Quann, Mansfield and Dahill as canopy bearers.

WORKERS' GRIEVANCE

Four unemployed workmen appeared before the meeting and complained that the men working at the Waterworks were brought back to town to clean up after the fair, they were then sent back to the waterworks and again brought back to-day to prepare for the procession on Sunday. Their grievance was that unemployed men were not taken on.

Chairman—The B.S. is not here now, so we can hardly deal with the matter.

Mr. Dahill said he recommended at the previous meeting that men apart from the men employed at the Waterworks be taken on to clean up after the fair. It appears we are not the bosses at all.

Mr. McCarthy said the deputation certainly had a grievance. There were over 100 unemployed in the town and it was up to them to try and divide the loaf.

The matter was adjourned for the attendance of the B.S.

ANOTHER GRIEVANCE

Mr. Hayes referred to the fact that the contractor for the supply of stones to the Council was taken from that work to draw laurels for the procession, with the result that the stone-breakers were idle.

Mr. Byrne said one horse was not enough drawing stones to five breakers. He thought a horse should have been employed while the contractor was off to keep the breakers going.

Mr. Dahill—Who gave the order to Mr. Condon to go drawing laurels.

Chairman—You must raise that question when the B.S. is present.

SHANDON ROAD

On a proposition by Mr. Dahill, it was unanimously agreed that the Clerk write to the Department as to whether it was their intention to schedule the Shandon Road as a main link road.

CORPUS CHRISTI.

YOUGHAL.

Glorious weather favoured the old town by the sea for its Annual Public Procession of the Most Blessed Sacrament, with the result that the Solemn function was a brilliant success. Up to the very morning of the day, the weather wisecracks shook their heads in doubt and the sudden change for the better was hailed as being somewhat providential. The faithful Catholics of the place were greatly hampered in their endeavours to brighten up and adorn their homes and business premises in honour of the event, many carrying on the good work even in the rain—and the preceding week was the worst of what came of a wretched month of June. Nevertheless, in a couple of hours on the Sabbath morning, the whole town and particularly the route selected for the passing of the August Visitor, underwent a remarkable change, with all kinds of suitable decoration, many of the house fronts being elaborately treated.

It is now 37 years since the function was first held here, having been successfully started by the late reverend Canon Keller, great priest and patriot, and his devoted curates, of whom but one grand old veteran, Very Rev. T. Canon Bowler, P.P., Carrigtwohill, is now left, and it can be truly asserted that the sacred tradition handed down by them has been faithfully upheld, as was demonstrated on the present occasion.

As on the first day, all the local religious bodies, with a fine contingent from the outlying portion of the parish—Gurtroe, assembled in the usual order outside the Church at 1.30 p.m., including school and Convent children, Children of Mary, Men's and Women's Confraternities of the Holy Family, League of the Cross, Catholic Young Men's Society, Society of St. Vincent de Paul, etc., all mustering in their full strength. The children of the Convent schools presented a most striking spectacle, in their white robes and veils. The boys were under the guidance of the Superior and members of the Christian Brothers. The Confraternities, Men's and Women's, marched in their Sections, all wearing their ribbons and medals. The C.Y.M.S., wearing distinctive rosettes, were headed by their Vice-President and Secretary. Three bands, the League of the Cross Brass and Reed Band, the North Abbey Fife and Drum Band and the Pipers Band, took up positions at different parts of the procession, playing alternately a number of beautiful sacred airs and hymns, the latter being taken up heartily by the processionists around. The combined Parish and Confraternity choirs, under the conductorship of Mr. P. M. Egan, B.A., organist, sang the usual Benediction Hymns and a number of others.

The Procession left the Church at 2 o'clock. The Sacred Host being borne by Rev. M. Twomey, D.D., C.C., assisted by Rev. J. O'Connor, C.C., and Rev. T. J. Murphy, C.C. The Very Rev. D. Canon Dinneen, D.P., P.P., presided at the function, with Rev. W. Carey, C.C., and Rev. E. J. Fox, C.C.S., as Masters or Ceremonies.

Among the other priests taking part were—Very Rev. P. Canon Power, M.R.I.A., Rev. D. Duane, C.C., St. Raphael's; Rev. Fr. Cahill, C.C., Knockanore.

Proceeding along the usual route, the processionists lined up around a beautiful temporary altar erected at the Market Quay. Here Solemn Benediction was given for the fishermen, whose boats, all tastefully set out, with greens and bunting, were lined up at anchor in the adjoining dock. At the solemn moment, the bagpipes of the League Band gave out the call with added impressive effect. The procession then reformed and proceeded via the Mall and South Abbey to Green Park, where one of the most striking scenes of the day was witnessed. The whole park was gaily decorated, and in the centre, in the Bandstand, there was an elaborately decorated altar erected under the personal supervision of the good nuns of the Loretto. With all the various bodies taking up a position in the grass plots facing the altar, the total ensemble furnished a most impressive spectacle. After Benediction, and the singing of a number of appropriate hymns, the procession reformed and marching through the grounds of the Green Park Hotel, returned to the Church by a different route, via Friar and the main streets. When all had foregathered in the Church, final Benediction was given.

The Canopy bearers included Messrs. W. J. Broderick, T.D.; M. D. Broderick, U.D.C.; C. Crowley, J. Power, J. Egan, J. Murray, B.E.; M. Foley, J. Whelan U.D.C.; J. R. Smyth, P.C.; M. H. Walsh, P.C.; Town Clerk, P. J. Broderick and J. Webster.

The general public bringing up the rear, was augmented by a big influx of outsiders from all the surrounding districts. Thanks largely to the efforts of the Civic Guards, under Sergeants O'Beirne, and Lupton, perfect order prevailed from the start at 2 o'clock to the return to the Church at 4.30.

MISSION AT KILROSSANTY—

The fortnight's Mission in Kilrossanty-Fews parish, which opened in St. Brigid's Parish Church, on the 14th inst., is being magnificently attended by the parishioners. The Mission is being conducted by the Very Rev. Fathers Nolan and Quinn, of the Redemptorist Order, Limerick, and will be brought to a close on to-morrow (Sunday) night, with the Renewal of Baptismal Vows, etc.

GAELIC GARNERINGS—

The senior football fifteens of Stradbally and Fenor met in friendly rivalry at Bonmahon last Sunday, and a big crowd were treated to a topping exhibition, which wound up with "honours easy" at 2 points each.

All roads lead to the Kilmacothomas playing pitch on to-morrow (Sunday), when the local junior hurling team will face Eire Og (Dungarvan) in their re-play game in the second round of this year's Western Divisional Championship. When they first clashed at Dungarvan, a month ago, the set-to terminated in a draw at 2-1 each. The coming clash promises to be a dinger from start to finish, and granted favourable weather, will be eyed by a record crowd. Be there!

Corpus Christi Procession in Lismore.

AN IMPRESSIVE SPECTACLE

For the first time in its history a public procession in honour of the Feast of Corpus Christi was held through the town of Lismore on last Sunday and provided a scene of piety and religious fervour never before witnessed in the pretty and historic town of St. Carthage.

In previous years the procession was confined to the grounds of St. Carthage's Catholic Cathedral, but on the suggestion of the Rev. Father Coyle, Redemptorist, who with Rev. Father Gormley of the same order, is at present conducting a fortnight's Mission in Lismore, it was decided to hold the first public procession through the streets this year, and the Priests and parishioners have every reason of being proud of the wonderful success of the initial venture.

It was only on Thursday night this decision was reached, and owing to the inclement weather on Friday, nothing could be done towards starting the work of decorating the town, but the weather having improved on Saturday evening, the parishioners at once set to work with a will at this important task, and by Sunday morning the entire town was completely transformed into a beautiful picture of decorations, which for richness of colour and artistic effect easily transcended the brilliant decorations in connection with the Eucharist Congress.

Triumphal arches of evergreen, with sacred mottoes, spanned the Main street, while Chapel street, and the Mall, through which the procession was to pass, were also a blaze of colour with flags and bunting, and the other emblems of Catholic devotion towards the great event. Even in those streets through which the procession was not to pass, notably New street and Church street, the inhabitants had vied with each other in showing their fidelity to the Faith by not only profusely decorating the streets, but in almost every house statues of the Sacred Heart and Blessed Virgin, and Sacred pictures and other appropriate emblems were prominently displayed, while at the end of New street a pretty Shrine was erected against the walls of the Christian Brothers College, which was a credit to all.

Throughout the entire town large Papal and Congress Flags proudly fluttered in the breeze, while a large scroll across the street in front of the Priests' residence in the South Mall bore the words, "Hail, Christ Our King."

A splendid altar had been erected in the open at the junction of South Mall and Fern Villa, which was greatly admired by large numbers, long before the procession was timed to start, owing to the graceful and artistic manner in which it had been finished.

Considering the short time at the disposal of the townspeople, the decorations in every corner were of the most elaborate description, and showed how eagerly and earnestly all had worked during Saturday night, and in some cases into the small hours of Sunday morning. The procession was timed to start at 4.30 (Summer Time), but long before that hour large numbers of the parishioners had begun to assemble in the Church, the people of Lismore town and parish being augmented by very large numbers from Cappoquin, Tallow, Ballysaggart and all the surrounding districts, so that on a modest estimate there must have been close on 1,000 persons present in all the largest gathering ever before witnessed at a religious celebration in Lismore. The proceedings opened with a sermon in the Cathedral by Rev. Father Coyle, Redemptorist, after which the procession was formed up outside, the difficult task of marshalling the various sections into their allotted positions being carried out with the greatest efficiency and expedition by Rev. T. O'Gorman, C.C., Lismore, Rev. Father Murphy, C.C., do., and Rev. Fr. Gormley, Redemptorist.

In this heavy task they received great assistance from Rev. Brother Mullan, Superior, C.B.S., Lismore, and Rev. Brothers Treacy, Mahony, and Murphy, Mr. G. Armstrong, N.T., Ballysaggart, and Mr. J. W. O'Gorman, solr., Lismore, while all the other Marshals worked with the most untiring energy in ensuring that every thing was carried out with the greatest order and precision.

Mrs. K. O'Connell, organist, was in charge of the Cathedral Choir, and Miss Cullen carefully marshalled the girls from the Presentation Convent School and all other parts of the extensive parish. The Children of Mary in their rich blue cloaks and white veils lent a most impressive appearance to the scene, while 30 Girl Guides in their smart and picturesque uniforms, in charge of Captain Gough and Vice-Captain Sheila Daly, and an equal number of Boy Scouts, in charge of Scoutmaster Henry Collins, completed a picture of rare beauty and solemnity in the glorious summer sunshine which prevailed.

The route of the procession was through Chapel street, Main street and South Mall to the altar, and the order of the procession was as follows: Large Banner of Christ the King; Altar Boys; Boys from the Christian Brothers Schools and other schools in the parish; Mens Sodality of the Sacred Heart, all wearing their medals, and all the male parishioners, the Cathedral Choir, Girls strewing baskets of flowers in front of the Blessed Sacrament and Acolytes filling the air with

Dungarvan Harbour Finances.

MERCHANTS AND COUNCIL DISCUSS ACUTE PROBLEM

Arising out of a letter from the Department refusing to sanction an overdraft by the Urban Council for the purpose of helping the harbour finances and pointing out that the Board should increase the dues, a special meeting of the Council was held on Wednesday week. At the invitation the several merchants who had interests in the harbour were also present. Mr. M. Morrissey, Chairman, presided. Also present—Messrs. J. Hayes, P. O'Dwyer, J. Dahill, J. J. Crotty, J. P. Foley, J. Christopher, (Junr.); Mr. J. Curran, Harbour Master, was also in attendance. The merchants were represented by Messrs. J. Christopher, (Senr.); E. Maher, J. Bennett, P. Curran, W. Ryan.

The Chairman said that the meeting was called to try and get some way for remedying the harbour finances which were in a bad state, the harbour was in debt, due undoubtedly to the fallen imports and exports. The present state of things made it impossible to carry on. He saw only two ways out of the difficulty. One was as was pointed out in the Department's letter to raise the dues and the other which of course, could not be considered was to close the harbour. The Council asked the merchants interested to come here to see if they could suggest any way out and to give their views.

Mr. J. Christopher (Senr.) asked what was the amount of salaries other than the harbour master's paid from the harbour account.

Mr. O'Meara, Town Clerk, said that the portion of his salary paid from the harbour was £47 10s., the Borough Surveyor, £25; and Mr. Walsh, S.S.O. £27 10s.

Chairman—The Council are of opinion that the raising of the dues will place a burden on the people, especially the poor people who will have the increase passed on to them. I would like some of the gentlemen present to give us some suggestion.

Mr. J. P. Foley—Who said the harbour should be closed?

Chairman—I was only saying that there were only two ways out—one to raise the dues, and the other, which of course, is impossible, was to shut the harbour down.

Mr. J. Christopher (Senr.) said that in the old days there was no portion of any salary other than the Harbour Master's paid from the harbour account. He would suggest that an inquiry be held to see that the harbour was not over charged.

Chairman—The Clerk has a lot of work to do in connection with the harbour.

Mr. J. Christopher (Senr.)—I am only stating that the old Harbour Master spoke to me several times about the charging of other salaries to the harbour account. The harbour is the principal portion of the town and it is the most neglected. You steam roll Fair Lane, and the other roads in the town are in good order. All except the Quay. Other places have been helped but Dungarvan, which has been badly hit, is getting no help. It would be all right if we had big mills here.

The Clerk stated that in 1926 a flat rate was put on coal, maize and flour. Mr. Maher—What happened when some years ago the harbour had double the imports? Why was not a fund built up?

Chairman—Here are the figures for

the past 5 years—1930, Revenue £256 12s. 8d.; Expenditure £274 12s. 10d.; 1931—Revenue £256 9s. 2d.; Expenditure £274 12s. 10d.; 1932—Revenue £243 15s. 8d.; Expenditure £260 1s. 10d.; 1933—Revenue £209 9s. 4d.; Expenditure £279 14s. 10d.; 1934—Revenue £254 19s. 5d.; Expenditure £281 2s. 10d.; 1935—Revenue £259 11s. 1d.; Expenditure £288 10s. 1d.

Clerk—All the expenditure on the harbour is certified. Some years ago a very big job was done repairing the quay wall and new buoys cost a lot.

Mr. J. Christopher (Senr.)—The Morsby wreck cost a lot of money.

Mr. Maher—The expenditure was very high.

Mr. Christopher (Junr.)—Nearly £1,000 a year.

Mr. Christopher (Senr.)—Have you any information about similar ports?

Clerk—We wrote for information. Mr. Maher—In Youghal coal is 4d. per ton.

Clerk—There was £1,000 borrowed for building the quay and that must be paid at £100 per year plus interest.

Mr. Maher—I suppose that is considerably reduced now?

Clerk—Yes to less than one-half.

Mr. J. P. Foley—Are they any exports?

Mr. Curran, (Harbour Master)—An odd cargo.

Mr. Maher said that they were faced with a big difficulty. If the dues were raised they had to compete with Youghal, Cork and Waterford. They did not want to have an increase passed on to the unfortunate consumer, who already had enough to pay. It is a pity that there are not some of the merchants represented on the Harbour Board. I believe they are in other places.

Mr. Crotty—I agree that they should be represented.

Clerk—I don't know what way the law stands now, but we are working under the old Act of 1863.

Mr. Maher—Were the merchants ever represented?

Clerk—I am not aware that they were.

Harbour Master—Mr. John Moloney was here for several years and represented the shipping interests. He was a member of the Council.

Mr. J. Christopher (Junr.)—I think that the Council and merchants should put their case before the Government.

Mr. Maher—The Department's letter is very definite about the raising of the dues.

Chairman—I agree that there should be some merchants represented on the Council, but to-night we must find a way out of the difficulty.

At this stage the members of the Board withdrew to allow the merchants' representatives to consider the matter.

On resuming, Mr. J. Christopher (Senr.) said that expenses would have to be cut down. If the merchants had any more to pay they would be put out. Have the Fianna Fail members any pull. Where is Dr. Casey? Surely he could get something for us.

Chairman—What do you want?

Mr. Christopher (Junr.)—A grant.

Chairman—The Government have already refused that.

Mr. Bennet said that if the dues were put up the increase would be passed on to the consumer.

The Harbour Master stated that the harbour work had been cut down to a minimum and was, in fact, being starved.

The Chairman put the question to the merchants that if they would concede something, the Council would try in some way to take some of the salaries out of the harbour account.

After further discussion, the matter was adjourned for a week, the Clerk, in the meantime to get information regarding the dues in ports similar to Dungarvan.

QUARANT ORE DEVOTIONS.
The Forty Hours Adoration was begun at St. Anne's church, Ballylameen on Friday morning of last week, with the celebration of Missa Cantata, by Rev. P. O'Farrell, C.C., Stradbally, assisted by a very large congregation. The responses were prayerfully rendered by the church choir, in charge of Mrs. T. McCarthy, who presided at the harmonium. The altar was tastefully decorated with choice flowers and evergreens and lighted candles. A constant stream of pious worshippers visited the church during the Exposition of the Sacred Host which was borne in procession, after the late Mass on Sunday, and Benediction was imparted immediately after by Fr. O'Farrell, bringing the Solemn ceremonies to an end.

ACKNOWLEDGMENT

FITZGERALD—Mrs. Fitzgerald and family, Glen Lower, Modeligo, return thanks to all who sent Mass Cards, messages of condolence or who in any way sympathised with them in their recent sad bereavement, and trust that this acknowledgment will be accepted by all.

LOCAL HAPPENINGS.

TEN NEW PRIESTS.

At the Cathedral, Waterford on the Feast of Corpus Christi, ten students were ordained by Most Rev. Dr. Kinane, who was assisted by Very Rev. Canon Kelleher, President, St. John's College; Rev. W. Coffey, V.P., do.; Fr. Fitzgerald, do and Rev. Dr. Ahearne, do.

Rev. Thomas Draper, son of Mr. and Mrs. Thomas Draper, Church St., Dungarvan; Rev. Wm. Hallinan, son of Mr. and Mrs. M. Hallinan, Scart, Kibbrian and Rev. Thomas Ahearne, Dunmore, were ordained for the Waterford and Lismore Diocese.

AD MULTOS ANNOS.

Fr. Draper, needless to say, belongs to one of the oldest and most esteemed families in Dungarvan, and his elevation to the Altar has received the hearty congratulations of his numerous friends. He celebrated his first Mass in the Mercy Convent chapel on Friday morning in the presence of a large congregation.

Fr. Hallinan, is a member of a well-known Kibbrian family, and is brother of Mr. T. Hallinan, Kilgobinet and Miss H. Hallinan, Square, Dungarvan. He had a brilliant collegiate course at Mount Melleray and St. John's College. He celebrated his first Mass in Kibbrian Parish Church on Friday.

ELECTION OF CHAIRMAN.

At the Annual meeting of the Dungarvan Urban Council on Wednesday, there were present Messrs. M. Morrissey (outgoing Chairman), T. McCarthy, S. Hayes, J. Mansfield, J. De Hill, M. Connors, D. Foley, P. Byrne, O'Dwyer.

VIEW OF BY-ELECTION.

Mr. Wm. Dalton, Ballydonagh, Kilmahonan, writing re recent by-elections in Dublin and Galway says: "At the General Election in 1933 the Parties supporting the Government polled 45,354 more votes in Dublin and Galway than F.F. did at the recent elections. The number of votes cast for U.P. Candidates on the present occasion was 10,224 less than that polled by the Opposition bloc in the constituencies mentioned at the General Election. The fact that both parties combined lost 25,578 in two constituencies proves (1) that the people are becoming sick of the antics of all Parties in the Dail and (2) that the day is fast approaching when this country will cease to be a happy hunting ground for professional politicians.

CORPUS CHRISTI IMPOSING DUNGARVAN PROCESSION. On Sunday last in delightful weather and in the presence of an enormous attendance, the Annual Procession in honour of the Blessed Sacrament was held in Dungarvan. The town was as usual artistically decorated for the occasion. Streamers suitably inscribed, crossed the streets at various points, while from all the windows in the Borough, religious flags were flown. The Square and its approaches were lavishly decorated, and a spacious altar was erected at the Markethouse at which Benediction was given. The Procession took in the full circuit of the town—Square, Main street, Church street, Emmet street, Mitchell street, Fair Lane and O'Connell street—and at various points neat altars had been erected which were much admired. It was a most imposing religious display, and the precision and orderliness of the processionists were perfect. Hymns were sung and the Rosary recited on the way, while the Dungarvan Brass and Reed Band under Mr. McHugh B.M., discoursed a selection of Sacred music. The marshalling arrangements were perfect, thanks to the great organising ability of Rev. M. F. Hearne, C.C., and the loyal co-operation of his assistants. The Blessed Sacrament was borne by Very Rev. Canon O'Brien, P.P., V.F. The following priests were in attendance—Very Rev. J. Gleeson, P.P., Aglish; Very Rev. L. Egan, P.P., Four-Mile-Water; Very Rev. T. Fitzgerald, P.P., Cappoquin; Very Rev. E. English, P.P., Old Parish; Very Rev. N. Dunphy, P.P., Abbeyside; Very Rev. P. Donegan, Def., O.S.A.; Rev. J. Gilmartin, O.S.A.; Rev. J. Duffner, O.S.A.; Rev. M. Power, C.C.; Rev. P. F. McGrath, C.C.; Rev. T. B. Walsh, C.C.; Rev. J. Rea, C.C.; Rev. J. Murphy, C.C., Rev. T. Draper. The order of the Procession was as follows:—Children of the Presentation and Mercy Convents; Christian Bros. Boys; Children of Mary (Abbey-side, Mercy and Presentation Convents); Legion of Mary; Dungarvan Band; Choir, Mercy House Girls; Women's Confraternities; Men's Confraternities (Dungarvan and Abbey-side); Urban Council members, Cross-bearer, Altar Boys, Clergy and Canopy. All along the way the faithful knelt in prayer as the Sacred Host was borne past. Arrived at the Square, Solemn Benediction was given by Very Rev. Canon O'Brien, P.P., V.F. The Procession then re-formed and proceeded via Main street, Church street and Emmet street, to the Parish Church Gate, where another artistic altar had been erected, and at which Benediction was also given. All the windows in the shops and houses on the route of the Procession were fittingly decorated, and were the object of much admiration during the afternoon and evening. The Procession was a tribute to the sound Catholic fervour of our people, and to the esteem and loyalty entertained for our worthy Pastor and his popular Curates.

YOUGHAL URBAN COUNCIL

HOUSING RENTS

Present—Messrs. P. J. O'Gorman, P.C., Chairman, M. Ahern, W. O'Sullivan, T. Beausang, R. Savage, M. Cashman, J. R. Smyth, P.C., J. Daly, B.E.; J. Forrest, D. McCarthy, E. D. Condon, E. P. Lynch, M. D. Broderick, R. C. Farrell, Vice-Chairman; Capt. C. Watson.

Congratulating Rescuer

Mr. Ahern called attention to the gallant action of young Robert O'Connor, O'Neill Crowley street, in saving a youngster from drowning. He proposed that they congratulate O'Connor and bring his bravery under the notice of the proper quarter.

Mr. Beausang, seconded.

The Chairman said he had it from an eye witness that young O'Connor had prevented a very tragic occurrence by his prompt and plucky action. He had just time to throw off his coat and plunge in as the child was sinking. The Clerk would bring the matter before the proper authorities.

League Of The Cross

A letter was read from the League of the Cross, applying for the use of the Green Park, to give a Band Recital on 30th June, from 8 to 9.30 p.m. The application was granted.

Letter From Insurance Co.

The Celtic Insurance Company Ltd. wrote acknowledging the Council's letter recommending that some compensation should be given to the men who helped to extinguish the recent fire at Mr. O'Keefe's. It wasn't a matter for which the Company was in any way liable. However, they had forwarded the Council's letter to the Assessors to investigate "without prejudice."

Housing Rents

The L.G. wrote stating that the Council should themselves fix a rent exclusive of rates, for the 28 houses recently erected by them. He was to add that the Minister would be prepared to sanction a rent of 2/6 per week exclusive of rates.

Replying to a query, the Clerk said the economic weekly rent would be 4/1 with rates 1/2.

Mr. Broderick—Why should we let them less than the others?

The Clerk—The Minister said you should fix the rent. The first houses you built would be 2d. less weekly than these—rent and rates 3/6. In this case you are allowed to charge 2/6 to which you will add rates 1/2, so that the new tenants would be paying 2d. more.

Mr. Forrest said they had threshed all that, fixing 3/6. Leave it at that.

Mr. Beausang—What is the cause of the increase of rates?

The Clerk said the new houses were valued at £6, the previous ones at £2 5s. 0d.

He was directed to write to the L.G. on the matter.

Sand From The Foreshore

Mr. Woodley, District Engineer, G.S.R., forwarded a report from one of the staff at Youghal, stating that there was a lot of sand and gravel being taken from the strand foreshore, and giving the names of parties involved.

Mr. Lynch said the G.S.R., ought get the sluices cleared of the sand and gravel choking them.

The Chairman—That doesn't arise in connection with this matter.

Mr. Broderick—This is a very serious matter. We made an agreement with the Railway Co., and the County Council to protect the Strand, and we should carry it out.

Mr. Forrest said the Co. Council were taking stuff off the foreshore for the roads.

The Chairman—That is outside our jurisdiction.

Mr. Ahern said in view of Mr. Forrest's remarks, it was strange that the Council were expected to prosecute.

A minute was read to the effect that on a former occasion two of the persons named had been detected taking sand and gravel.

The Chairman—This is a very serious matter.

Mr. Savage said it was evident that they were being defied by certain parties, but the question was had they sufficient evidence for prosecution.

Mr. Broderick suggested that if the Railway Co., could provide sufficient evidence of the removal of sand or gravel, the Council would duly prosecute.

This was agreed to.

Housing Plan Amended

The L.G. wrote informing the Council that arrangements were being made for the amendment of House Plan 4 on the lines suggested by the late Mr. Spreadborough.

The Clerk said that letter was the result of the complaint made by the Council regarding the impossibility of getting coffins into the houses as originally planned.

Three Or Four-Roomed Houses

The L.G. wrote stating that the Council had already provided sufficient 3-roomed houses which were not suitable for other than exceptionally small families. The difference in cost between 3-roomed houses according to plan "A" and 4-roomed houses according to plan "1A" was very slight and the latter in concrete would probably be as cheap as the former in Youghal brick.

The Chairman—I take it the Council is adhering to their decision to

build houses with local brick, which is the only industry left us. When advertising we could ask for quotations for 3 or 4-roomed houses and then we will know where we are.

The Clerk—They won't sanction 3-roomed houses.

The Chairman—Are they going to insist on putting a further burthen on the people?

Mr. Forrest—What is the use of building 4-roomed houses, when the poor tenants can't pay the lower rents of 3-roomed ones.

Mr. Broderick—They want to impose a further burthen on the rate-payers while the people are not able to pay the rent.

It was decided that, when the time came, they would advertise and see what the cost would be before committing themselves to anything, it being the unanimous wish of the Council to have local bricks used in the construction.

Tenants For Houses

The L.G. wrote—With reference to your letter of the 11th inst., relative to the allocation of new houses to persons removed from the Clearance Areas, I am directed by the Minister to state that the action to be taken by the Council against defaulting tenants is a matter for them to decide on their own responsibility. With regard to the re-letting of new houses originally allotted to slum clearance tenants, I am to state that in order to qualify for subsidy at the higher rate such houses must be let to tenants removed from Clearance areas or unfit houses. A re-letting of houses to tenants of any other class would debar the Council from a continuance of the higher rate of subsidy. With regard to the selection of tenants for the Clearance Areas on the basis of their ability to pay rents, I am to point out that Local Authorities are under statutory obligation to procure the demolition of all houses in Clearance Areas in respect of which a Clearance Order has become operative.

Mr. Forrest said, in connection with the present scheme of 28 houses he understood that at least eight of the tenants for whom they were intended will not go into them. Were the houses to be allowed remain idle?

The Clerk—They will have to find alternative accommodation and the question is where will they find it.

The Clerk was directed to communicate again with the L.G. on the question.

Speed Of Motors

Mr. Savage said the tourist season would soon be on them and he stressed the necessity of something being done to control the speed of motors, especially on the roads in the vicinity of the Strand, which were so congested with pedestrians during the summer.

The Clerk said they had no power to fix the speed of motors. It was a question for the Guards if they thought the speed dangerous in the circumstances.

It was decided to invite the attention of the Guards.

Town Surveyorship

The L.G. wrote stating that as Mr. Murray, admitted he was an employee of the Firm carrying out a Housing Scheme for the Council, the employment by the Council of Mr. Murray as Acting Town Surveyor couldn't properly be considered.

Some discussion took place on the question of the supervision of the completion of the present scheme of housing, and it was unanimously decided to invite Messrs. Chillingworth and Levie, Cork, who had been acting for the late Town Surveyor to see after the work.

Sympathy

On the proposition of Mr. Daly, seconded by Mr. Beausang, a vote of sympathy was passed to Mr. W. Broderick, Foxhole, on the death of his mother, Messrs. Lynch, Smyth, the Chairman, the Clerk and others associating themselves with it.

On the proposition of Mr. Lynch, seconded by Mr. Beausang, a similar vote was passed to their colleague, Mr. R. Power, on the death of his aunt.

LARCENIES ACT OF PUBLIC MISCHIEF

(Before Mr. G. P. Farrell, D.J.)

LARCENIES

Michael Long, Glendine, was charged with the larceny of 6 lbs. of tobacco, value £3.6s. 0d., the property of Mr. L. Daly, Tallow street, Supt. Kelly, prosecuted and Mr. Wm. R. Hodnett, solr., defended.

The Supt. said that accused dealt with Mr. Daly for groceries and tobacco, and on the 25th May, when the accused came he ordered certain articles including 2 lbs. of tobacco, Daly, while lying in ambush saw the accused take two lots of tobacco and conceal them in a box. Sergt. O'Beirne was sent for and he searched the box and found the extra tobacco concealed therein. He made a statement. When questioned he said it was a mistake.

Mr. Hodnett said it was a fact that he had ordered only 2 lbs., although a greater amount was found in his box. He had intended correcting the mistake, but the Guards came on the scene. There was a certain technical offence and he pleaded for leniency.

The Justice—If there is any doubt he will have to plead himself. Are you guilty?

Accused—I didn't steal it at all. I took it and meant to pay for it.

The Justice—That is a plea of "not guilty."

Laurence Daly, then gave detailed evidence corroborating the Superintendent's statement.

Cross-examined by Mr. Hodnett—He couldn't say if it was the usual custom to go over the order and check it.

Miss Alice Daly, stated that Long

ordered and she gave him 2 lbs. of tobacco.

Sergt. O'Beirne, stated that he found 2 lbs. of tobacco at the bottom of the box, covered with cream of tartar and 4 lbs. more under a lot of Player's cigarettes. In a signed statement witness said he knew he should have ordered 8 lbs., but he had ordered only two.

Accused, sworn, stated that he was 11 years in business and was never in Court before. He told Miss Daly that he meant to take 6 lbs. extra and she said "take what you like." He meant to put it on the order, but he had not time, he didn't mean to steal it.

Cross-examined by the Supt.—He didn't put the tobacco under his coat. He put the straw over it to keep it away from the other things.

Mr. Hodnett handed in letters of reference as to character and asked his Worship to give him the benefit.

The Justice said there were things missed previously. If he was to accept such a defence there would be no border line between honesty and dishonesty. It was one of the meanest and most contemptible cases that came before him for a long time and the defence made it ten times worse. His story was quite ridiculous. He (the Justice) had no hesitation in convicting that man.

Supt. Kelly, in reply to the Court, said there was nothing against him before.

Mr. Hodnett, appealed for leniency, not for himself, but for his family.

The Justice said but for that he would send him to jail.

Mr. Daly—I would plead for leniency, if I may, your Worship.

The Supt.—That is very nice of you. He was let out under the P.O.A. in his own recognisances of £25, the Justice he wanted to make it plain that it was because of his wife and family.

Time Stolen Patrick and Wm. Murphy, Gurtroe, labourers, were charged with the larceny of 2 gold watches, value £10, the property of Ed. Connors, farmer, and their mother, Mary Murphy, was charged with receiving same.

Superintendent Kelly, prosecuted, and Mr. J. N. R. Macnamara, solr., for defendants.

Mr. Macnamara, asked to have all the cases tried together. His instructions were to plead guilty.

Supt. Kelly said that Mrs. Connors died on 4th March last. At that time they had two gold watches, which were kept under a mattress in his wife's room. Patrick Murphy was employed by him and stayed in the house. Mrs. Murphy was engaged about his wife's remains. Some time after Connors missed the watches. They were subsequently recovered at Murphy's.

Ed. Connors, corroborated the Superintendent's statement. Watches were bought in America for £8 and £20. The value now was about £10.

To the Court—He didn't report the matter for three months as he wanted to see if they were around, and he found that Patk. Murphy was selling a gold watch for 3/.

Cross-examined by Mr. Macnamara—Both of the boys as far as you know were very honest?—They pretended it (laughter). I missed very little before.

Sergt. Lupton, gave evidence of finding the watches at Murphy's.

To the Court—They appeared to be somewhat simple-minded.

The Justice—The old gentleman says that was preface (laughter).

Mr. Macnamara—A very subtle judge of character.

Mr. Macnamara said it was the old story of yielding to unexpected and overwhelming temptation. They saw the watches in the room where their mother was laying out the corpse.

All the defendants were let out under the P.O.A. in their own recognisances of £20 and on the payment of 12/- expenses. The Justice remarking it was a very serious offence which might well involve imprisonment.

Sent To Industrial School On the application of Mr. P. Keating, Inspector N.S.P.C.C., a child named O'Brien, was sent to the Cove Industrial School.

Act Of Public Mischief Volunteer Charged Wm. Scanlan, Ballybane, Co. Cork, a member of the Volunteer Force, was charged (1) with damaging a Volunteer uniform and (2) by certain false statements to wit—that on the 16th June, two unknown men, visited his house, that one of them armed with a revolver threatened to shoot him if he didn't hand up his uniform, which they forcibly seized, thereby causing the Guards to investigate the false allegations and rendering citizens in Saorstad liable to suspicion, accusation and arrest and unlawfully effecting a public mischief.

Accused was not represented professionally.

Guard Waters, Ballycotton, deposed that on the 17th June last, he was Station Orderly. At 11.40 a.m. defendant came into the barracks and told him that his volunteer uniform, tunic, cap, leggings, shirt, stockings, gloves, breeches and leather belt, had been taken from his home at Ballybane at midnight old time on the 16th by two unknown disguised men. Witness questioned him and he stated that he answered a knock at the door at the time stated and found two men outside. One of them entered and asked him if he was Volunteer Scanlan and he replied he was. The man asked him had he his uniform there, and he said he had. The man then produced a revolver and said he would blow his brains out if he wouldn't give it

up. That man then went to the bedroom and took the uniform from a suit case and before departing, instructed him not to let the uniform back there anymore. The other man stood at the door all the time. Witness questioned Scanlan as to what the men had on their faces. He said some thing like paint. There was nobody else in the station at the time. The Sergeant being in patrol in the village, and he told him to go look for the Sergt. In a short time he returned with the Sergt.

Defendant asked no question. Sergt. Kennedy, Ballycotton, deposed that on the 17th June, defendant made a report to him at 12 noon. He made a statement already given in evidence by Guard Waters. Witness accompanied defendant back to the Garda Station and told him to give a statement of the facts of the case. Witness then went with Supt. Kelly, to defendant's house. He examined the suit case mentioned. There was no uniform with the exception of a pair of green gloves and a web belt. Witness had conversations with his mother and his brother John and then returned to the station. Witness told defendant that he suspected he was concerned in the taking of the uniform himself and gave him the usual legal caution. He then made and signed the statement produced. (The statement was to the effect that he had worn the uniform while at work since he returned from training. He came to the conclusion that he should pay for a new one and that gave him the idea of doing away with it. He cut it up and buried it in a field, himself and two others. If given a chance he would tell where it was).

Witness then asked defendant to show where he had hidden the uniform. He brought him to a quarry near his house. He took the tunic and cap from a hole in the quarry and gave them to witness. They were covered with stones and old leaves. (Suit case with cut up tunic and cap produced). They then went to a field about 100 yards away and he took the

belt from a hole in the trunk of a tree and gave it to witness. He said he had given the remainder of the uniform to two fellows who were with him. It consisted of breeches, leggings, shirt, stockings and gloves. He said he would not tell the names of the men he gave them to, but would get the articles later and hand them up. Later on 17th June, he arrested the accused on warrant, and charged him with the offences set out in his deposition of the 17th. After being cautioned he said—"I have nothing to say only what I have already said." Witness was engaged from 12 noon on the 17th to 1 a.m. on the 18th investigating defendant's false allegations. Guard Ryan and Windle, were engaged during the same time on the matter. On the 19th he visited defendant's house and he handed up the remainder of the uniform with the exception of the stockings, which he said had got lost.

To the Court—Witness said the uniform was worth about £4. Supt. Kelly said his Worship could deal with that part of the case summarily. Supt. Kelly, Midleton, deposed that at 12.15 p.m. on the 17th June, he arrived at Ballycotton station. Defendant was there. Witness heard him making the complaint before. Later on same day he gave defendant the usual legal caution and he made and signed the statement produced (the statement was a lengthy and detailed account of how he arranged with two young fellows to come to his place late at night, with their faces blackened, pretend they were armed and demand the uniform). Witness was engaged investigating the case from 12.15 p.m. to 2 p.m. on 17th June and from 8 p.m. on 17th to 2 a.m. on the 18th. He was present on the 19th when defendant handed up the articles produced to Sergt. Kennedy. To the Court—The accused is 20 years of age. He was returned for trial to the next Cork Circuit Court, bail being allowed, himself in £50 and one surety of £50.

CO. WATERFORD VOCATIONAL EDUCATION COMMITTEE.

**NEW TECHNICAL SCHOOL
HOSIERY INDUSTRY**

Very Rev. Canon O'Brien, P.P., V.F., Chairman, presided at the monthly meeting of the above. Also present—Rev. M. F. Hearne, C.C.; Rev. Bro. Gibson, Messrs. An Fear Mhor, V.C.; S. Hayes and J. Mansfield.

FINANCE

Payments passed were, salaries—£215 7s. 2d., Petty Cash £20.10s., Sundry Payments £341 6s. 7d.

In reply to a member, the Secretary stated that the sundry payments included a sum of £150 on account to Mr. Bowen, B.E., in respect of fees in connection with the preparation of plans, etc., for the New Technical School.

A letter from the Department stated that as Mr. Bowen was sanctioned as Architect at the usual professional fees the matter of payment was one for the Vocational Committee.

An Fear Mor—Have you any idea how much of the whole this £150 is? Secretary—About one-third. Payment was passed.

SHALL SHE GO OR SHALL SHE STAY!

A letter read from the Department of Education requested the Chief Executive Officer to consider the preparation of an Educational Scheme for the Academic year September 1935 to August 1936, which should be submitted to the Department's office not later than July 31st.

The Secretary said in connection with that matter it was absolutely necessary that he should know what staff would be available. He then informed the members that Miss Ryan, B.Comm., teacher of Commercial subjects, applied for and was appointed by the Dundalk Technical Committee. With a view to having the vacancy filled before 1st September, he asked Miss Ryan if she intended taking up the position in Dundalk to inform the Committee of her decision to-day, but she seems loath to do so. A letter received from Miss Ryan was then read, in which she stated that she had not yet decided to accept the Dundalk position and asked for a short time to do so.

The Committee granted Miss Ryan until July 6th to make up her mind, and if by that time she has not done so the Committee will consider her still a member of the staff.

APPROVED

A letter from the Department approved of the Committee's proposal that Miss French, attend at an Irish College during August, with salary and maintenance allowance.

NEW TECHNICAL SCHOOL

The Secretary reported that Mr. Mansfield and himself waited on Commissioner Moynihan in connection with the increased grant for the new Technical School. They put all the facts before him and he promised to look into the matter, later at a Finance meeting he approved of the matter, and passed the amount required, subject to the sanction of the Department.

On receipt of this information from the Co. Council Secretary, he (Secretary) wrote to the Department asking them to sanction the tender for to-day's meeting but received a wire stating that the tender would not be sanctioned pending sanction of the loan by the Ministers for Local Government and Finance.

ANNUAL CONGRESS

The Secretary gave a resume of the various discussions and proposals put forward at the Annual Congress held at Wexford at which An Fear Mor, and himself attended.

HOSIERY INDUSTRY

The Committee next considered a proposal for the training of four or five girls in the Hosiery Industry at Dungarvan.

The Secretary said the Department's Inspectors were most anxious for such a scheme.

After some suggestions, on the proposition of An Fear Mor, it was decided, subject to sanction, to purchase a hand-knitting machine for use in the school, a teacher to be appointed to teach the subject during the coming session, with a view to training girls for the industry.

A GREAT DISPLAY

A large number of beautiful and artistically turned out articles, by the pupils of the Coolnasmea and Dungarvan Domestic Economy Classes were on view at the meeting, and were much admired by the members. To Mr. Farrell—There are cattle on the land at present, but witness could not say whose cattle they are, or if they belonged to Mrs. Toal. He did not think the land was let.

To Mr. Williams—The defendants had grazing land taken last year. Thomas Burke (one of the defendants), in reply to Mr. Farrell said he had neither cattle nor money. He or his brother had no money in bank.

On the last occasion he was sued for rates he had to borrow the money from his sister and Mr. Hayes. His sister paid him money and he had to pay it back.

The Justice gave a decree for the full amount to be paid in one instalment within 14 days.

ILL-TREATING CHILDREN

Supt. Walsh, charged Patrick Hayes, Kilminion and Kathleen Drummy, do. with wilfully ill-treating, abandoning and exposing their children in a manner likely to cause unnecessary suffering, or injury to their health.

Guard Regan, deposed in reply to Inspector Tobin (who acted for Supt. Walsh) that the accused were living in a house without a door or windows. There was no fire in the house. The four children and two accused slept in one bed.

The Justice suggested withdrawing the present summonses. The Guards could then get a warrant for the arrest of the two accused, who could be remanded in custody to next court and the children be sent to Industrial Schools.

CLOSE OF CAPPOQUIN MISSION

The fortnight's Mission, which had been conducted in Cappoquin by Fathers Leo, and O'Connor, Redemptorist Order, Limerick, was brought to a successful close by Father O'Connor, on Sunday week amidst a scene of solemnity which should long be remembered in the town and parish.

Throughout the entire fortnight the attentances of the faithful attained record dimensions, often in the face of inclement weather which would have deterred Catholics of a less faithful and heroic mould from attending, and both preachers more than once congratulated the parishioners on having so stoically braved the elements in order to prove the depth and sincerity of their great faith. The edifying manner in which the people attended the morning Masses and instructions, and the constant stream of the faithful who visited the Confessionals was calculated to bring joy to the hearts of the good Missioners, as well as affording reason to Very Rev. T. Fitzgerald, P.P., and Rev. T. Dunphy, C.C., to feel proud of being in charge of such an ideal parish as Cappoquin.

The closing sermon was preached by Father O'Connor before one of the largest congregations ever seen in St. Mary's, as everyone in the parish was anxious to listen to the final discourse of this eminent Lismore Missioner who had enjoyed wonderful popularity in Cappoquin during his fortnight there.

Having exhorted the faithful to live up to the teachings of the Mission so as to retain all the graces and blessings which it had showered upon them, he thanked the people of Cappoquin and parish from the bottom of his heart for the magnificent manner in which they had attended the Mission during the fortnight. They had shown wonderful devotion during that period, and he prayed that God's blessing would be with them always owing to their exemplary and edifying conduct. He thanked Father Fitzgerald, P.P., and Father Dunphy, C.C. for their great kindness towards Fr. Leo and himself during their stay in Cappoquin, and for all the good work they had done in helping to make the Mission such a great success, and he hoped that God would reward them for their labours. He could not tell the people how happy and comfortable they made Father Leo and himself, and he would ask Jesus and Mary to bless them and watch over them.

He next thanked the Choir Mistress, and the other members of the choir for the excellent manner in which they had rendered the music of the Masses and Benediction, and he also thanked the altar boys for their loyal and faithful services during the Mission.
