## DUNGARVAN URBAN COUNCIL

### HOUSING TENDER

Mr. M. Morrissey, Chairman, presided at the weekly meeting of the above on Friday last. Also present—Messrs. T. McCarthy, Vice-Chairman; S. Hayes, P. Byrne, D. Foley, J. J. Crotty, J. Butler, M. Clancy, P. Quann, J. Christopher, J. F. Foley, J. Dahill, M. Connors, J. Mansfield and P. O'Dwyer.

#### Acknowledgments

Letters acknowledging resolutions of sympathy were read from Sean Carew and family, St. Garvan's Terrace, Augustine Murray, Abbeyside and Miss Hanon, Kilrush.

#### Presentation From Royal Human Society

A letter was read from Mr. P. J. Downey, who is to be the recipient of an award for the rescue of a lady visitor at Abbeyside last summer and who is at present in London, stating that as he will not be in Dungarvan again until next June, he desired to have the presentation made in London. The Clerk was directed to notify the Society.

#### Water and Sewerage Schemes

A letter read from Messrs. Delapp and Waller stated that they are pressing on with the work of both schemes as fast as possible.

#### Provision of Pound

The letter from Mr. T. A. Colbert, Registration Officer, re the provision of a pound at Dungarvan was next considered.

Chairman—It is pretty certain we will have to supply the pound, and we should deal with it now.

The estimate submitted by the B.S. last July for converting the Council's yard at Cody's Quay into a pound was read. It showed the cost of erecting a shed £50, and concreting the yard £56.

B.S.—The Council at that time decided there was no necessity for concreting the yard.

Mr. Crotty—There is no necessity for concrete. We all hope it will be very little used.

On the proposition of Mr. Crotty, seconded by Mr. Dahill, it was decided to have the required alterations made, advertisements to be issued for contractors.

#### Housing Tender

Mr. M. Whelan, whose tender for the erection of 139 houses was accepted by the Council, was stated that owing to the delay caused by the wages question,

the firm with whom he had agreed to cover the job at the then existing price have now informed him of their inability to do so. As he was not responsible for this delay, he cannot be held responsible for having to withdraw his tender. He thanked the Council for their sympathetic understanding of his case at the last meeting, and will be prepared again to submit in competition a fair tender at the new prices and conditions.

Mr. Butler—The order made at the last meeting was that the Architects were to be asked to be here. Are they to be here.

A member said he was speaking to Mr. Ormonde, who was waiting for Mr. Doyle to arrive.

Mr. Dahill—There is nothing to be done, but to advertise again.

Mr. Clancy—It is a pity the Architects are not here.

Chairman—The position is we don't know where we are at present.

Mr. Clancy—The next tender is £5,000 higher.

Mr. Crotty—It is very hard when you have opened tenders to ask those people to re-tender.

Mr. Clancy—We have an estimate and would it not be well to know what the rents of the houses will be based on that estimate. He was sure the Architects estimate is a reasonable one.

The Council agreed to submit Mr. Whelan's letter to the Department.

#### Detailed Estimate

The Architects arrived later, and submitted the following detailed estimate as follows:—122 Four-roomed houses at £274—£33,328; 10 three-roomed houses at £228—£2,280. Total £37,626. Development of Roads, Footpaths, Sewers and Water Mains—£4,000. Sewer for Thomas Street section to Scrammins Lane—£240. Total £41,866.

This figure does not include, purchase of site, legal expenses, Architects fees, or Clerks of Works salaries.

After a protracted discussion, Mr. Butler asked the Architects if there was anything in the specifications providing that the tiles be made locally.

Mr. Doyle replied there was not.

Mr. Butler said he was very surprised at that, and pointed out that as a result of this omission a very large amount of work would be lost to the working men of Dungarvan. He considered it a disgrace that tiles could be brought into the town whilst men were idle and available to do the work here. He then proposed that the specification be altered to read Dungarvan tiles.

Mr. Clancy seconded the resolution, which was passed unanimously.

#### Use Of Library

Mr. McCarthy brought up the question of the cost of letting the Library room at the town hall for use as a cloak room on

the occasion of dances. He said that the cost of 15/- was too high. He knew that 15/- was charged but was not sure if what he heard, that they wanted 30/- for it. He held that the Library Committee had no right to sublet the room. In his opinion the room was needed for the hall and some other place should be found in town for the library.

The Chairman is to bring up the matter before the Library Committee meeting.

#### Milk Purveyors

A very long letter concerning the sale of milk was read.

Mr. Dahill said it was a fine long letter that no one knew a word about as no member had a cow.

In answer to a question the Clerk said that Mr. Byrne, V.S., had not carried out his extra duties and no report was sent by him except the report sent in through the County M.O.H.

Mr. Clancy—I think Mr. Byrne is under the impression that he is not obliged to carry out the extra duties.

Chairman—One of the duties was carried out under the old salary.

Mr. Christopher—He carried out some of the duties before this Council came here.

Mr. Clancy—Publish the regulations in the local Press.

Mr. Mansfield—Ask the purveyors of milk to get a copy of the Act.

Mr. Quann—You will not have many purveyors after they have read that letter.

It was decided to call the purveyors attention to the regulations.

#### Sunday Pictures

Mr. O'Dwyer seconded the motion standing in Mr. McCarthy's name:

"That the order on the books granting a 6-day licence to Mr. Crotty for his cinema be rescinded, and that a seven day licence be granted."

The Chairman said that they had often discussed the matter and it was always the cause of undue heat. He was sure they all had their minds made up and he would put the matter to a vote without discussion.

Mr. McCarthy said he wished to show something, but would not speak. He then produced a poster showing that Sunday pictures were being shown in Lismore.

The Council were inclined to discuss the matter, but the Chairman insisted that a vote be taken.

The vote resulted:—For the motion—Messrs. McCarthy, Hayes, O'Dwyer, Connors, D. Foley, Christopher and Dahill—(7).

Against—Messrs. Byrne, Quann, Mansfield, J. Foley, M. Clancy, J. Butler, and the Chairman—(7).

The Chairman gave his casting vote against and declared the motion lost.

NATIONAL TEACHERS

Waterford Meeting

That we assert that National Teachers be paid the salary scales embodied in the 1920 agreement...

The resolutions were passed with acclamation at a public meeting of the Waterford County Committee, I.N.T.O., held in the Town Hall, Waterford today.

Mr. Sean O'Grady, in moving the resolutions, said that he desired to state at the outset that he did so with something akin to mixed feelings...

The resolutions, which were passed by Mr. Liam McSweeney, were passed with acclamation.

Mr. F. Desmond Cork, dealt at length with the average question. "On examination of the whole question," he said...

Deep regret is felt in Dungarvan, and throughout County Waterford, at the death of Mr. Patrick MacSweeney, retired Divisional Inspector of Schools.

Mr. MacSweeney was born in Ring 66 years ago. He came to live to Dungarvan when quite a boy. He was appointed Inspector of Schools in 1908...

their power the teacher's fight against the wage-cutting policy of the Government.

Mr. Sean Goulding, T.D., said his position was a very peculiar one. The whole question of a reduction of salaries was a money question.

Referring to the housing conditions in the country, he said they were terrible, and they were also aware, he was sure, of the unemployment prevailing.

KILMACKTHOMAS NEWS.

XMAS—The spirit of Christmas is abroad in Kilmackthomas, the shops on all sides giving evidence of the approach of the festive season.

FROM A FOND FEAR-A-TIGHE—"What do you think it will be best to give me for Christmas?" A very young local father tells with paternal gusto that this was how he was greeted by the baby of the family the other day.

OF A VERITY—There is something of the law of the swings and the roundabouts in the following from a letter to hand from a South African reader (who, by the way, avers that his great-grandmother was a native of the Nire Valley).

MILK—A milkman with a dairy near Tramore, who can always be relied upon to dispense first quality milk, confided to us that he has one client who is an incorrigible growler.

THE "MILKY WAY"—Just before the end of a Waterford city dance in the early hours of a recent rather "raw" morning it was announced that a latch-key had been found on the floor.

TO "PORTLAW READER" (In Reply)—You are quite right. A railway on the moral principle was operated some years ago in the Ballybunion region of North Kerry.

THE LATE MR. M. WALSH, SCART, KILMACKTHOMAS—The following tribute to the memory of the above named gentleman, was written by an old friend of his, who lives at the foot of the Comeraghs, and who was at business in Waterford City for many years.

MENS & BOYS READYMADES—Splendid Value in Gents W.P. Coats, fleeced-lined and Belted, 12/11, 18/11.

A CORONATION JOKE—When a letter from a London firm was read at Carrick-on-Suir Urban Council on Tuesday, offering bargains in Coronation decorations, the Chairman (Mr. Kenny) observed that they might safely postpone that item.

COMPLAINT ABOUT BLIND PENSION CLAIMS DELAYS—Carrick-on-Suir Urban Council has asked the Local Government Department to attend to the complaints made by Pension Committees re delays in granting blind pensions owing to the rule requiring an examination by the Department's eye specialist after the claim has been allowed by the local committee and the local Ophthalmic Surgeon.

(Specially Contributed.)

#### Waterford Band Conductor's Appointment

We understand that Mr. P. Flannery, M.B., the talented conductor of the Barrock street, Brass and Reed Band, has been engaged to train a newly-formed Boys' Brass Band in New Ross. Mr. Flannery has achieved a well-deserved reputation as a painstaking and efficient Band Master, and we are sure that the New Ross Musical combination will make marked progress under his capable tuition.

#### Great G.A.A. Activities in Waterford City

There was great G.A.A. activities in Waterford city last Sunday. An exciting hurling match (a friendly) between the Waterford County Champions, Mount Sion and the Kilkenny Champions Mooncoin, was played in the Gaelic Sportsfield and resulted in a win for the famous Moonharrig hurlers. Mooncoin is the leading traditional hurling parish in Ireland, the youngsters there take to hurling for generations in the same way as children in other parts instinctively play marbles. Owing to the adverse weather conditions the attendance was on the small side.

#### Mr. Liam Lawlor's Resignation

Simultaneously with the hurling fixture in the Gaelic Sportsfield the Annual Convention of the East Waterford Divisional Board G.A.A. was held in the Gaelic League Hall, Lady Lane. General regret was expressed at the resignation of Mr. Liam Lawlor, who has conducted the affairs of the Board, as Chairman, with wisdom and discretion for nine years. Liam is a very sincere Gael, and has always done his part to advance the cause of Irish-Ireland in a very consistent manner. I remember him as a competitor at Feisanna a quarter of a century ago. And as Hon. Secretary for Feis Portlairge, I had the pleasure of handing him many trophies including the 1st prize for the Senior History Competition. He was then a pupil of De La Salle Schools, Stephen street. Go n-eirgid an t-ath leat a Liam.

#### St. Stephen's (De La Salle) Hurling Club—Enjoyable Social

A most enjoyable social function was held in the Gaelic League Hall, on Sunday night by the St. Stephen's (De La Salle) Hurling Club. The attendance including Rev. Brother John, Rev. Brother Jarlath and the officials of the Eastern Division Board. A choice clar of Irish songs, dances and musical selections was provided. In fact, the programme was one per cent Irish-Ireland and the greatest enthusiasm prevailed. Waterford's rising generation of hurlers and footballers are certainly rising to the occasion and are developing brain and brawn on the proper Gaelic lines in keeping with Portlairge's position as Priomh Cathair Na n-Deise. Four medals were presented to the minor football champions by Mr. Liam Walsh, who paid a high tribute to the prowess of the De La Salle boys and to the splendid Gaelic tradition which they had established.

#### Erin's Own Hurling Club—Successful Concert

The Erin's Own Hurling Club staged another successful concert in the Theatre Royal on last Sunday night. There was a very large audience and all the items were well received. Considering that it was only a couple of weeks since the last concert was held under the same auspices it was a tribute to the promoters that they were able to organise a similar entertaining in such a short interval, and draw a crowded house. I think that the quality of the Clar would have been improved with the inclusion of a few Irish songs.

#### 'Bus Trip To Ring College

The members of the Fianne organisation in Waterford City will run the final "turas" for 1936 to Ring College on Sunday next December 13th. The buses will leave the Clock Tower, The Quay at 2 p.m. These monthly trips to the famous Irish College, during the winter months, have been much enjoyed by those participating. The programme includes a sumptuous tea in the College and the Ceilidhe in the New Technical School. The Portlairge contingent bring with them an accomplished piano-melodeon player and other instrumentalists—a travelling Ceilidhe Band that helps to shorten the journey to Ring and provides a first-class accompaniment for the Irish figure dances. A pleasant feature of the day's outing is the visits to the homes of the Irish speakers when the buacaille and callini from the town get an opportunity of having a delightful "Seancas" with native speakers, who in turn greet the visitors with the proverbial "Cead Mile Failte." The monthly trip in winter to the Gaeltacht is a unique enterprise initiated by the Waterford City Gaels.

### LISMORE NOTES.

#### Death of Bartholomew Fitzgerald, Castlefarm, Lismore

We regret to chronicle the death of Bartholomew Fitzgerald, Castlefarm, Lismore, which took place at Dungarvan District Hospital, on Saturday, December 5th inst., after a prolonged illness and fortified by the rites of the holy Church. Deceased had lived more than the allotted span of years laid out for man, and deeply regretted by the many friends, he made during his residence at Castlefarm, he died as he lived in a truly peaceful and happy manner.

The remains were taken from the Dungarvan District Hospital on Sunday evening by motor hearse to St. Carthage's Cathedral, Lismore, and on Monday morning the funeral took place to the Lismore burial ground, where the coffin was laid to rest before a large attendance of mourners. The chief mourners were—Patrick Fitzgerald (brother).

Mr. David Noonan, Lismore, carried out the funeral arrangements in a perfect manner.

#### Coursing

Tallow will be the venue of an important coursing day on Sunday next. Two Cups must be won. The first is confined to the members of the Lismore Coursing Club, and the second to the members of the Tallow Coursing Club. Never before has such interest been created in the Coursing circles from Cappoquin to Tallow. Come to Tallow on Sunday and enjoy a good days sport.

#### DEATH OF MRS. E. M. HOULIHAN, FERNVILLE, LISMORE

The death of Mrs. Eileen Mary Houlihan, which took place at her residence, Fernville, Lismore, on Saturday 5th inst. was received with feelings of deep regret by all classes over a wide area.

The late Mrs. Houlihan was the wife of Guard Houlihan Lismore, one of the most respected citizens of the town. We wish to extend our deepest sympathy in his recent sad bereavement.

Of a quiet and refined disposition, she was ever ready to extend the hand of help to assuage the sorrows and sufferings of others when the chance came her way, and her many acts of kindness and generosity to the poor will long be remembered by those she befriended.

The remains were removed from her residence to St. Carthage's Cathedral, Lismore, on Sunday evening, and were borne through the streets by the members of the Lismore Garda Siochana, followed by an immense cortege.

On Monday morning at 10.30 a.m. Requiem Office and High Mass was celebrated for the repose of her soul.

Rev. T. O'Gorman, Adm. Lismore, was celebrant. In the choir were—Rev. Fr. Fitzgerald, P.P., Cappoquin; Rev. Fr. Corbett, C.C., Tallow; Rev. T. Murphy, C.C., Lismore; Rev. Fr. Lawn, C.C., Lismore; Rev. T. Dunphy, C.C., Cappoquin.

After the conclusion of High Mass, the remains were carried by motor hearse to Ballygaddy cemetery, Co. Limerick, where the interment took place. The funeral was of very large dimensions and a striking tribute to the memory of the deceased lady. The prayers at the graveside were read by Rev. Canon Mulcahy, P.P., Kilmallock, Rev. Fr. O'Connor, C.C., and Rev. Fr. Condon, C.C.

The chief mourners were: Guard C. Houlihan (husband); Anne and Maude O'Riordan, Kilmallock (sisters); John Houlihan, Gerard and James Houlihan, Cahernurphy, Co. Clare (brothers-in-law); Mrs. T. Houlihan (sister-in-law); Miss and Mrs. O'Donnell, John and Mrs. Carroll (uncles and aunts); Mr. and Mrs. Michael Carroll, Killeagh; J. Carroll and N. Carroll, Mountfox, Mrs. C. Ryan, Mrs. Bohan, Ballygaddy; Mrs. T. Leahy, Farstown; James O'Riordan, Bottomstown (cousins).

LOCAL HAPPENINGS.

EDUCATIONAL ACHIEVEMENT—
In our front page today will be found the greatest record of educational achievement by the pupils of the Christian Brothers' Schools.

The Dungarvan Christian Brothers' Schools, stands forth today in all its youthful glory and proclaims to the world that it cares about nobody where high-class education is concerned. To win two high-class Scholarships, some valuable Civil Service Posts, Preparatory Colleges' Scholarship and Pupil Teacher Scholarship, and also an Exhibition to Cork University in face of such keen competition, they recover for themselves that sense of recognition which they proclaim to all as the full rights of their educational fulfillments. As the years roll on, we hope to see our Christian Brothers' Schools, led by its brilliant masters, taught by its brilliant teachers and supported by those bright, cheerful and happy boys, soar still higher in the educational world.

# SOON IT WILL BE TOO LATE TO SOW WINTER WHEAT

A good deal of Winter wheat is already

making satisfactory growth. If you have not yet sown your wheat you still have time to do so—but little time to lose. It is not necessary to wait for the soil to be in ideal condition. The earlier the Winter varieties are sown, the better the prospect of a good crop. Don't lose any time. Avail yourself of the first opportunity to get the seed in and take advantage of the profitable prices guaranteed by the Government for next season's crop.

## ARDMORE DISTRICT COURT.

(Before Mr. G. P. Farrell, D.J.)

### NO LICENCE

Guard Grace, charged Wm. O'Brien, Thomas, Macroom, with driving a tractor without a licence, and his employer James Dromey, with permitting same.

**Improper Tyres**  
There were also charges against Dromey for not having properly shodded tyres on the wheels and similar charges against Patrick and Wm. Casey from the same district.

Supt. Walsh, Dungarvan, prosecuted, and Mr. T. K. Keane, solicitor, Youghal, appeared for all the defendants.  
Guard Grace having given evidence in the matter of the licence, Mr. Keane said that Dromey had come from Macroom to do threshing for farmers round Ardmore. He had been driving for 36 hours and he asked O'Brien to relieve him for a spell. Evidence having been given to this effect, O'Brien, was fined 1/- and Dromey 5/-.

Sergt. Gallagher, Ardmore, gave detailed evidence regarding the tyres of the tractor.

The Justice—What is wrong with all this.  
The Supt.—It is prohibited by the Mechanically Propelled Vehicles Order,

1933.  
Mr. Keane said he had an objection. He referred the Court to Rule 8 of these Regulations, which stated that it would not be necessary to make certain alterations before 1st January, 1936.

The Superintendent said that the point raised by Mr. Keane had been raised at Dungarvan, and overruled.  
After a lengthy legal argument, the Justice said he would take evidence and reserve the question which to his mind, was one of considerable difficulty.

Further evidence was then given by Guard Grace and Ml. Carleton, road overseer.  
Mr. Keane said his clients were going around since 1928.

The Justice—Another question—Why were they not brought up sooner?  
The Supt.—They came from West Cork for threshing operations.

Mr. Keane is the first time they ever heard of the Act.  
James Dromey, stated he had been working the tractor since August 1930. He was never held up before. He did not know it was an offence till he came to Co. Waterford.

To the Court—He worked only 7 or 8 weeks of the year, being idle for the rest. It was his principal means of livelihood.

The Justice—If defendants continue to use those wheels they would leave themselves open to heavy penalties.  
Do you know you would tear up the

road?—We don't do much damage. Ultimately all the cases were adjourned for decision to Youghal Court.

### Unlicensed Stallion

The Minister of Lands and Agriculture, Michael Murray, Knocktoor, with having an unlicensed stallion.

Mr. E. A. Ryan, State Solicitor, Dungarvan, prosecuting, said the defendant admitted the facts.  
Defendant said he was trying to get a permit to use the animal for work. If he didn't get it he could not carry on.

The case was adjourned for 2 months to enable him to get into communication with the Department regarding a permit.

### Housebreaking And Larceny

John Corbett, Dysert, Ardmore, was charged with breaking into the lock-up shop of Messrs. Fleming, Ardmore, and stealing therefrom a quantity of cigarettes value, 17/6.

Supt. Walsh, prosecuted.  
Replying to the charge, the defendant pleaded guilty.

Wm. Foley, Manager, stated that he locked up the shop as usual on 17th Oct. The following morning he found that the money drawer had been taken out and laid on the counter. There was 2/8/4 in it, which had not been taken. The culprit forced back the iron bars in the back window and got in. He was lucky he did not get his head cut off. Witness reported the matter, and the Sergt. and the Guards acted with great tact and promptness in

tracing the guilty man.  
Sergt. Gallagher, stated that the accused first denied the charge, but finally admitted it and showed them where the cigarettes were hidden up the chimney.

The Supt. read a statement made by the accused relating how he got into the shop and saying that he took a 4-naggin bottle of whiskey and about 1/- in coppers out of the drawer.

The Justice—He is not charged with taking the whiskey.  
Mr. Foley said he did not believe the story about the whiskey. If he had taken it he would have been found asleep in the shop in the morning.

Replying to the Court, the Superintendent said there was nothing against the accused previously.  
The Justice said the offence was a very serious one and the accused ought to be sent to jail.

Mr. Foley said he was satisfied that the accused would make good the damage when he got work.  
The Justice said it was with great reluctance he would give accused a chance that time.

He was set out under the P.O.A. in his own recognisances of £20, and ordered to pay 5/- compensation, the cigarettes being returned.

Present—Messrs. P. J. O'Gorman, P.C., Chairman; R. Power, R. Savage, T. Beausang, J. R. Smyth, P.C.; D. McCarthy, E. D. Condon, E. P. Lynch, J. Whelan, J. N. R. Macnamara, solr.; M. Ahern, M. D. Broderick.

Acknowledgment Mr. N. Coleman, wrote thanking the Council for their vote of sympathy to him on the death of his mother.

New Shop For Strand The Town Surveyor returned plans, etc., of shop to be erected on the Upper Strand by Mr. M. Walsh, and expressed his approval.

Mr. Lynch thought that only a certain number of houses were to be erected in that field.

The Clerk said the maximum density was not yet reached.

Mr. Macnamara asked did they observe any town-planning system.

The Clerk said they had certain building bye-laws.

Mr. McCarthy pointed out that the plans were drawn up by the Town Surveyor and submitted to him for approval.

Mr. Power said the applicant was a contractor. There were shops enough on the Strand and he wanted to build another.

Mr. Savage—Mr. Walsh came into Youghal, started building and taking risks, erected a large number of decent structures. Is not that the type of man we want? The shop he proposed erecting was to displace an old shack.

Mr. Power—I have no objection to Mr. Walsh, but as Mr. Lynch has said he is cutting off the view from others.

Mr. Lynch proposed that they have a ruling from the Local Government on the question.

Mr. Power seconded.

Mr. O'Gorman said it was only waste of time. He assured them that the proposed shop was to replace the present shack and the same tenant.

Mr. Broderick—On that understanding I propose that we grant permission for the erection.

Mr. Savage seconded.

On a poll there voted:— For the amendment—Messrs. Whelan, Macnamara, Savage, Smyth, McCarthy, Broderick, Condon, Ahern and the Chairman—(9).

Against—Messrs. Lynch, Power, Beausang and Forrest—(4).

The proposition was therefore defeated.

Acknowledgment Mr. J. Daly, B.E., U.D.C., wrote thanking the Council for their vote of sympathy with him on the death of his aunt.

Mr. Beausang asked the Clerk had he any further information regarding the sewer on the Seaford Road.

The Clerk read (1) a letter from Mr. P. Kennedy, detailing the circumstances under which the sewer was laid, (2) a letter from Mr. J. Murray, Contractor for the Strand Church, calling on the Council to take the necessary steps to give him access from the Seaford Road to the Church Site; (3) a report from the Town Surveyor stating that it would cost £270 to relay the sewer properly.

Mr. Power said it was an extraordinary state of things to lay the sewer in the manner complained of.

Mr. Macnamara said that owing to the death of the then Surveyor, they were not in a position to deal with it.

It being stated that the late Town Surveyor was ill at the time, Mr. Lynch asked to have the Town Supt. called in for question.

The Chairman said they had their solicitor's advice that as there were two houses draining into the sewer, it therefore became a public sewer and the Council were therefore responsible. To put it vulgarly they had their eye wiped badly.

Mr. Savage made a strong protest against putting the ratepayers to an unjust expenditure of £300 in such a manner.

It was decided to ask the Town Surveyor to consult with the contractor regarding the question of access to the site, and to consider the question of laying a large main sewer with the object of relieving the locality for building purposes.

Strand Sluice Mr. Ahern asked who was responsible for the upkeep of the sluice on the main strand.

The Clerk replied the County and Urban Councils and the Railway Company in certain proportion. Both Councils were prepared to do their part, but the Railway Company failed to respond to a call on them.

Mr. Broderick said in view of the fact that the Railway Company derived a big revenue during the season from the visitors to the Strand and that the line would be flooded if the sluice broke down, the Company should be again called on.

This was agreed to, and it was decided to appoint a deputation to meet the C.C. Surveyor on the subject.

Dances A letter was read from a certain Dance Committee, asking for a reduction in the charge as their last dance had been a failure.

Mr. Power—What is wrong is that we grant permission to everybody who applies to the hall for a dance. I suggest we should allow only two dances each week.

The Chairman agreed.

Mr. Broderick said the hire for dances should be paid beforehand.

The Clerk said at two recent dances the condition as to age was not observed. He would like to remind the Council that if there was a prosecution, he would have to be the defendant.

On the proposition of Mr. Broderick, seconded by Mr. Macnamara, it was decided not to grant the hall to the Committee concerned again.

Civil Bills

A large number of undefended civil bills, were first disposed of, Messrs. W. R. Hodnett, T. K. Keane, and J. N. R. Macnamara, solrs., appearing for plaintiffs.

Donnelly v. Hurley This was a civil bill for £8 8s. od. by Mrs. Mary Donnelly, Croom, against Mrs. S. Hurley, Esplanade Hotel, for four weeks wages as cook.

Mr. T. K. Keane (for Mr. H. P. F. Donegan, Cork) for plaintiff and Mr. W. R. Hodnett, for defendant.

Mr. Keane said it was a claim for 8 guineas in respect of hire as cook for one month at £2 2s. od. per week beginning on 2nd September, terminating on 9th September.

Mr. Hodnett tendered and lodged in Court £1 in payment.

Complainant stated she was cook at Ring Irish College last August at 50/- weekly. She saw an advertisement from Mrs. Hurley in the "Examiner" for a cook at 42/- weekly. She replied to days after and had a letter from Mrs. Hurley offering £20 yearly for winter, which she declined. Mrs. Hurley called to Ring and offered her £1 per week, which she refused, and she was then asked to come anyhow. Witness left Ring and arrived at the hotel on the evening of 2nd Sept., and started work on the following morning. Mrs. Hurley came into the kitchen in the morning of the 9th and after some words, witness then packed up and left. Before leaving Mr. Hurley offered her 16/2 in payment, but she refused.

Cross-examined by Mr. Hodnett—Witness said she did not agree to Ring to accept £1 a week. She would not work for less than 35/- per week. September was a busy month in Youghal.

Mr. Hodnett—You should be in Youghal to know that (laughter).

She did not refuse to cook an extra breakfast on the 9th. She tried to keep cool. She told Mrs. Hurley she could not stay under her nagging. Before leaving, Miss Kearney, Manageress, offered her £1.

Mr. Hodnett said he would prove that defendant agreed to come for £1 a week. She dismissed herself.

Mrs. Hurley stated that at Ring Mrs. Donnelly agreed to come for 20/-, she asked for 25/-. On the morning of the 9th witness had to cook breakfast for a visitor as plaintiff refused. Witness did not lose her temper.

Cross-examined by Mr. Keane—Witness said she had the advertisement in on 17th and 18th August, offering 2 guineas a week. That was in the height of the season. Mrs. Donnelly asked for 25/-, but agreed to come for £1. Witness did not ask her to come anyhow. She supposed nearly everybody had a bit of trouble with their cooks and servants (laughter).

Mr. Hodnett handed in a book kept by Miss Kearney, with an entry stating that Mrs. Donnelly, cook, came on 2nd Sept., and started on 3rd at £1 per week. Left on the 9th.

Mrs. Geary, Kilmallock, stated she was present at the interview at Ring. Mrs. Donnelly agreed to come to Mrs. Hurley for £1 per week.

After a very protracted hearing, a decree for £1 and 13/6 expenses was granted.

Swayne v. Fitzgerald This was an ejectment civil bill for non-payment of rent.

Mr. E. Carroll, solr., Fermoy, for plaintiff.

P. Swayne, stated the defendant had held the house in question under a lease which had expired. The yearly rent being £113s. od. He had left the house but would not give up the key. It was in a dangerous state and he was called on by the Urban Council to do the necessary repairs.

A decree was granted.

Unlicensed Stallion In the adjourned case against Cornelius Griffin, Greeneloyne, for having an unlicensed stallion, Mr. D. Casey, State Solr., Mitchelstown, prosecuting, said that, acting on private information, the Department had refused to grant an Exemption License.

Defendant said the animal would not survive the necessary operation, being 7 years old and he badly wanted him for his work.

Mr. Casey said the Department had their Veterinary Surgeons.

The Justice—I only wanted evidence. I am not a V.S. The defendant required the animal to make a living. He got a full license 12 months ago.

Mr. Casey said the Department would not grant the license asked for.

Defendant was fined 7/6 and court costs.

Unemployment Case James Cunningham, Burgess, labourer, was charged on remand with obtaining Unemployment Assistance for days on which he had been at work.

Mr. Casey, prosecuting.

Mr. J. J. Ahern, Manager, Labour Exchange, Youghal, and Guard Nevin, Killeagh, having given evidence.

George Glenton, farmer, examined by Mr. Casey, said he must have made a mistake in his returns regarding the defendant.

The case was dismissed.

Dishorning Bull William Egan, farmer, Knockmonlea, was charged with permitting cruelty to a young bull and Patrick McMahon, Ballinvarry, was charged with dishorning the animal without using an anesthetic.

Supt. Kelly, prosecuting.

Guard Madden, stated that he visited Egan's place and saw the animal, which had been dishorned. The head was sore and running. Egan said he got McMahon

to dishorn the bull, which was 8 or 9 months old, and he cut the horns off with a saw, using no anesthetic. He did not know it was an offence. McMahon said he was a herdsman all his life and used to handle cattle. They tied the bull up and he cut the horns off with a fine saw. He was doing it all his life. He did not cause pain.

The Justice (to McMahon)—Do you mean to say he showed no sign of pain?—Not a bit. He did not refuse his food.

The Supt.—It is a most crude and objectionable method.

A fine of 5/- was imposed in each case.

Motor Case Guard Stack, charged Thomas Donovan, Strancally, with using a motor car without a front identification plate.

Complainant said the excuse was that it had fallen off. He was not the owner.

Fined 5/-.

Larceny Of Potatoes Edward Norris, was charged with the larceny of a bag of potatoes, value 10/-, the property of J. Fitzgerald, Cork Hill.

Supt. Kelly, prosecuting, and Mr. J. N. R. Macnamara, solr., appeared for defendant.

Mr. Macnamara said he was instructed to plead guilty.

Guard Stack stated that as the result of a complaint he interviewed the defendant who admitted the offence.

Cross-examined by Mr. Macnamara—Witness said he knew the defendant to be of rather weak mind.

Mr. Macnamara said the young man sold the potatoes for 6d. They were valued at 10/-. He wanted to buy 'bags'. He did not realise the seriousness of the offence.

Fitzgerald said there were 20 weights at 1/-. He agreed with the boys mother to take 10/-, and she gave him 7/6. But as the Guards took it over he wanted the full value.

The Justice—You went behind the Guard's back and now you will have to stand the consequences.

Defendant was let out under the P.O.A. in his father's recognisances of £5, and ordered to pay the balance of 2/6 agreed on.

The Justice said if there was any more of that kind of thing, defendant would go to jail.

False Pretences George Creagh, of no fixed abode, was brought up in custody, on remand, charged with obtaining money on false pretences.

Supt. Kelly, prosecuting, said defendant was charged with obtaining sums of 2/6 and 1/6 from James Bushie. There were now two further charges, with obtaining 1/3 from John Young and 10/- from Rev. D. H. Ludlow, Methodist Minister.

Creagh represented himself as being a British Army Pensioner with £2 a week, with having money in the Bradford Penny Bank and with having a farm in Canada, worth £1,200.

Evidence having been given by Messrs. Bushie and Young and the Rev. Mr. Ludlow, who said he did not wish to press his part.

Detective-Officer Downes, read a long statement signed by Creagh, admitting the Charges. Arriving from Dungarvan, he complained he had fallen off a trolley and was ordered to the Cottage Hospital. Here he asked for a clergyman, saying he was a Protestant, and the Rev. Mother sent for the Rev. Mr. Ludlow.

Replying to the Court, defendant said it was all due to drink. He was in the Army in India and he came back and went to France and joined the Canadian Army.

The Supt. said there were a large number of previous convictions against defendant for which he got from one month to 9 months.

The Justice—Where were you in 1915?—In France.

The Justice—According to the list before me, you were up before the Ennis Circuit Court (laughter).

He was sentenced to a month imprisonment dating from his arrest.

Larceny Of Turnips A young fellow, aged 14½ years was charged with the larceny of turnips, value 10/-.

Guard Stack stated that he met the young fellow with a bag on his back. Questioning him, he admitted that he took some turnips for his goats from Mr. Fitzgerald.

Mr. Fitzgerald stated he gave nobody permission to take the turnips, but if a boy had asked him, he would have given him some.

He was let out under the P.O.A. in his father's recognisances of £5.

Subsequently, Guard Stack, appeared before the Court and said that the boy's father had abused him.

The father was called up and denied saying anything to the Guard.

The Justice administered a stern warning, saying he would not permit such conduct.

INTERESTING LECTURE

Reminiscences Of Old Youghal

In presence of a large and representative gathering at the League of the Cross Hall, Prof. E. Keane, M.Sc., Econ. H.Dip. Ed. presiding.

Mr. Justin Condon, delivered a lecture on the above subject, which was listened to with marked interest.

Having referred briefly to visits paid to Youghal by Lord Edward Fitzgerald, Joan Wesley, William IV, Thomas Moore and other celebrities, and incidents connected therewith, the lecturer gave statistics of population and trade for the early part of the last century, tracing their growth and decline up to 1883.

From this period, which coincided with the completion of the Metal Bridge joining the Counties Cork and Waterford at the junction of the Estuary and the river Blackwater, the narrative took shape from personal knowledge. He next described the country seats in the locality, and the style maintained by the resident Nobility and Gentry, the Industries such as Brickfields, Potteries and Shipping, Sardine and Fish Curing Establishments were described in detail. Thence to 1886, and the effect of the rejection of Gladstone's Home Rule Bill of that year, and the formation of the Plan of Campaign, the consequences which followed, the evictions on the Ponsoboy and Smith Barry Estates at Youghal and Tipperary, the building of the Hutment, the plight of the town for about 10 years; the passing of the Local Government Act of 1898, and the formation of the first Co. Councils and their Personnel, brought the subject gradually up to recent times. In concluding, the lecturer stressed the necessity for the establishment of new Industries in the town and indicated that determined and combined effort in this direction might be productive of useful results. Personally he did not despair of the prospect of the fairly substantial for unimpaired help, provided a reasonable prospect was put before the townspeople.

Mr. J. N. R. Macnamara, solr., proposed a very cordial vote of thanks to Mr. Condon, and expressed great appreciation of the Lecturer's intimate knowledge of the subject, and of the interesting and capable manner of its presentation. The vote was seconded by Mr. T. K. Keane, who said he had listened with unflinching interest and hoped the lecture would be productive of good results.

Mr. J. Daly, B.E., U.D.C., heartily supported the proposition and added some items of local detail of a very interesting character.

In putting the proposition which was carried with applause, Prof. Keane, said he considered that it would be shameful if the subject matter should be lost. The Lecture had so many points of interest, that it ought to be published in pamphlet form, and preserved as a reference to a most interesting transition period in the history of the ancient town of Youghal.

In acknowledging the vote, Mr. Condon thanked his audience for the patient hearing they had accorded him. He again said it should be the earnest endeavour of all to get an Industry established, and he was quite convinced the old time skill of the artisans of Youghal, many of whom were present, could be used for the advantage and benefit of their old town.

A Great Dance—The dance in connection with the raising of funds for the Lismore Coursing Club for the running off of the Coursing Tournament Competition at Talloo on Sunday next, took place at the Town Hall, on Sunday night, when a brilliant assembly from the surrounding counties, as well as from Waterford city attended. The beauty of the hall, its decorative scheme, and the springing of the floor, a matter of interest to all dancers was favourably commented upon.

Allied to the delightful surroundings was the perfect organisation of the Committee and the general air of gaiety which pervaded the hall.

Nothing was left undone for the comfort of the dancers, and the Lismore Nightingale Orchestra, specially augmented for the occasion were never heard to better effect.

The catering arrangements were carried out by the Committee of the Lismore Coursing Club themselves in a very satisfactory manner and after an enjoyable night's amusement the dancers left after the singing of the National Anthem.
