CAPPOQUIN NOTES.

All Ready For The Races—
From the report of the meeting of the Working Sub-Committee of the Cappoquin Point-to-Point Races, which appears in the present issue, it will be seen that the members are leaving nothing to chance, but have carefully attended to every detail which should ensure the most careful and elaborate arrangements for the carrying out of the annual Point-to-Point meeting here on next Thursday, 17th inst. It would be contrary to all precedent if this were not the case this year, because in all previous years the officials and members of this sporting and energetic Committee have won the highest praise from both Press and public for the excellence and completeness of the arrangements for this popular meeting, which are second to none in Munster.

The safety of jockeys and horses has always received their special care, and the safe and admirable manner in which the course has been laid out, and the various fences prepared for next week's fixture, reflect the greatest credit on all concerned.

Few Race Committees in the South offer such valuable and attractive stakes as Cappoquin, because in addition to the substantial sum of £100 for the five races on the card, five valuable Challenge Cups are also offered, which explains why the entries for this popular meeting constitute almost a record each year.

Last year's proud record of nineteen horses in one race still stands unbeaten, as well as the large "fields" in all the other events, but, great as were last year's entries, everything points to their being larger still for next week's meeting, so that big "fields" and high-class racing are bound to be witnessed in the five events.

All the former officials will fill their usual positions this year with the same efficiency and impartiality as in the past, such as Messrs. M. F. Walsh and E. Casey, as Clerks of the Scales, and Mr. S. J. Power, as Starter, while Mr. Ion Vilars Stuart, ex-M.F.H., whose decisions as Judge have given such satisfaction for years, will be partnered by Miss Ann Hickmann, M.F.H., and they will act as Joint Judges this year, which is the only change on the programme.

Messrs. M. J. Sargent and P. Walsh, who have adorned their positions as Joint Hon. Secs., for several years, will still be found in their old positions, and under their able management, assisted by the other active members of the Committee, next week's fixture should provide another record success for Cappoquin.

Successful Auction of Cattle—
On Tuesday, 8th inst., Mr. M. F. Walsh, P.C., Auctioneer, Cappoquin, conducted a most successful sale of dairy cattle for Mr. John McConville, Caherlack, Bellinacorney, who is retiring from the dairying business.

Twenty superior dairy cows, in calf to a Hereford Bull, were first put up for sale, and attracted keen competition amongst the large gathering of leading farmers present from many parts of West Waterford and East Lippitry, with the result that the entire lot were quickly disposed of at prices ranging from £9 5s. 0d. to £15 5s. 0d. each.

Mr. Walsh next offered a quantity of oaten straw, which was sold in suitable lots, and found ready purchasers at the substantial price of £1 per ton, which completed a very satisfactory and profitable auction for Mr. McConville.

At Tallow Races—
At the Tallow Races last week the zesting in the Bar on the Course was admirably carried out by Mr. O'Keefe, "Corner House," Tallow, all the drinks for which were supplied by Messrs. Thomas Power and Co., St. Brigid's Well Brewery, Dungarvan, which is now in the capable charge of Mr. Paul Power, one of Dungarvan's most popular and progressive young business men.

The high quality of the drinks supplied was a striking tribute to the splendid record of this old-established and eminent Firm, which is a credit to the "Old Borough."

Tribute To A Cappoquin Oarsman—
In the "Sports Gossip" column of the "Irish Independent" on Tuesday 8th inst., the following complimentary article appeared which should be of special interest to the members of the Cappoquin Rowing Club—

"Some Dublin Rowing Club will be lucky to enrol Jim Brady, of the Cappoquin Club, who has come to Dublin. This young oarsman rowed in the winning Maiden Eight at New Ross, Waterford and Mill Street, and last year was in the Senior crew, which was narrowly defeated in its races.

LISMORE NOTES.

Point-to-Point Races—
Now that the Point-to-Point Races season is in full swing the Lismore Committee are already active, and at present the course is undergoing a thorough overhauling, so that every jump will prove quite safe for man and beast.

There is no need to pay a tribute to the course as it is a well-established fact that it is one of the best in Munster. However, it is nice to know that this year a few necessary changes have been made by the Committee, giving a much better view of the races.

Death of Mrs. Anne Coleman—
We regret to record the death of Mrs. Anne Coleman, who died at her residence, Carrignagour, Lismore, on Friday and fortified by the rites of the Holy Church.

Deceased was a fine type of Irish Catholic mother, and her associations everywhere, won her the respect and esteem of all. Of a kind and generous heart she never failed to assuage the sorrows and sufferings of others when the chance came her way.

The remains were conveyed from her late abode to St. Carthage's Cathedral, Lismore, and were followed by a large and representative cortege. The funeral to St. Carthage's cemetery on Sunday was of immense proportions.

Rev. T. Murphy, C.C., Lismore, officiated at the graveside.

Salmon Fishing—
The opening of the fishing season 1938 showed a marked decrease compared with other years, probably due to the heavy floods running previous to the opening.

In the Killahalla, Tourin and Campmore districts, many crews have not even caught one salmon as yet. However, with this spell of dry hard weather forecasted they may be compensated with a few good week's fishing.

G. A. A.—
Lismore H. & F. Club—
A general meeting of the above was held in the Town Hall, on Monday night, and it was decided to enter three teams in the coming year's championship.

Owing to the "45 Drive" in Lismore, the Annual General Meeting of the Club was postponed until Sunday. Players and members are earnestly requested to attend at 3 o'clock.

Courtesy—
A great day's sport was the outcome of the Lismore Coursing Club's visit to the Coolcalane district.

About 40 members were in attendance and 15 hares were put up with only one kill. The treat of the day's sport was the excellent way the slippers delivered in every course, and all the courses were visible to everyone. This being probably their last visit to this part of the country this season, they can rest assured of a repetition of Sunday's sport on their visit in September.

NEW TOWN CLERK FOR CARRICK-ON-SUIR
On the recommendations of the Appointments Commission, Carrick-on-Suir Urban Council appointed Mr. Christopher Clarkin, B.A., 31 Haddington Road, Dublin, Town Clerk at £250 a year rising to £300.

WATERFORD CO. BOARD OF PUBLIC HEALTH.

Commissioner Moylan, sat in the Secretary's Office, Home, Dungarvan, Wednesday last, to deal with matters arising under the Board of Health.

Ballingnough Water and Sewerage
The Commissioner referred to the stream running through the village of Ballingnough which is being polluted by sewerage matter and said that the population of the village particularly during the summer months was very large, and the necessity for proper sewerage was very evident.

He referred the matter to Mr. O'Gorman, Engineer, for report.

Demolition of Houses
The Commissioner referred to the ten or twelve dwellings in the village of Ballingnough and said he understood that the owners refused to demolish them, due to some pishogues or superstition attached. He suggested that Mr. O'Gorman, Engineer get permission from the owners and have the houses demolished, as they are a menace to public health.

Letting of Cottages
The following cottages were let:—Carrigeenahaha to Mr. Corbett, Carrigeenahaha.
Derra Lower—To Matt Coffey, Ballydaheen.
Kilmaccoma—To Mr. O'Grady, Knocknagour.
Sporthouse—To Mr. McGee.
Kilnragree—Mrs. Nuno McGuire.

The letting of this cottage was adjourned, there were six applicants.

It was decided to re-advertise the cottage at Adramone and Moneymurry.

Ballingnough Water Supply
Mr. O'Gorman, Engineer, reported on the necessity for providing surface boxes for four sluice valves and two scour valves; also for freeing and oiling all valves on the distribution main, at the estimated cost of £2.

An order was made that the work be done.

Tallow Water Supply
Mr. Doyle, Engineer, reporting on a complaint from the caretaker of the above Scheme is liable for damage and must make it good. If there is delay in carrying out these repairs the Sewerage Contractor should make the necessary temporary connections or connections with new 3" main. He had written him to this effect.

The report was noted.

Knockboy Graveyard
Mr. M. Dee, reported that half a tree in the above was blown down during the recent gale, the remaining portion looks dangerous and in the event of another storm will probably be blown into the graveyard with a possible danger of falling on some of the railings or tombstones. He suggested that it be cut down.

This suggestion was approved.

Extra Remuneration
The following Veterinary Inspectors to the Board, wrote asking for extra remuneration in respect of increased duties entailed in the working of the Milk and Dairies Act 1935. The signatories were Messrs. T. R. Mulcahy, P. J. Walsh, R. P. Byrne, W. J. O'Donoghue and C. P. Hynds.

POULTRY-KEEPING FOR PROFIT

Choice of Breeds
There are so many breeds and varieties of poultry that the list is rather confusing to those who know little of the subject, and the difficulty is increased by the fact that strains, or families of fowls, within each breed, often differ very widely in their useful qualities.

It will help to make the matter clear to say that a breed may be regarded as a race of fowls; a variety as a branch of a breed which differs from the main stock in colour or some other point, such as formation of comb, and that a strain is a family of any given breed or variety that has been systematically selected and bred passed by generations to establish some special quality such as table or eggs.

For all practical purposes, the most useful of our present day breeds are those known as general purpose breeds. In these we have the White Wyandotte, Rhode Island Red, Barred Rock and Light Sussex. Then we also have the light breeds, such as the Leghorn, Ancona, and Black Minorca. All three are very useful where eggs are the main objective, but useless as regards table qualities. Provided stock are got from a reliable source, any of the general purpose breeds will fill the requirements of the average farmer, and a small flock of the lighter breed will prove very useful, especially in summer time when it is natural for the heavier breeds to sit.

As a general rule the keeping of pure breeds is preferable. Mangled fowls are unprofitable, and cost as much to feed as pure-bred stock. Where a flock shows signs of losing constitutional vigour, the introduction of cross-breeding is to be recommended, that is breeding from two pure-breeds, such as White Leghorn and Rhode Island Red, or White Wyandotte and Light Sussex. The latter cross will give what is known as a sex link, that is, the male and females can be discerned at birth. With a cockerel of the sexus breed, all the pullets at birth will show a silver tinge on the head, and all the cockerels will be pure white.

To sum up strain is more important than breed, and good laying strain can be obtained in any of the present day breeds. The value of strain is demonstrated every day in our Laying Trial reports. Although the pens are housed, fed and managed exactly alike, it is found in the final results that the birds of one breeder stand at the head of the list, whilst another pen of birds of the same breed belonging to another owner stands far below at the bottom of the list. This difference in results is purely a matter of strain.

On any of the Egg Distribution Stations in the County will be found reliable strains of poultry. The stock on these stations is specially selected and blood-tested each season, and the cockerels leading the different flocks are housed, fed and managed exactly alike, it is found in the final results that the birds of one breeder stand at the head of the list, whilst another pen of birds of the same breed belonging to another owner stands far below at the bottom of the list. This difference in results is purely a matter of strain.

MAHON-SIDE SNIPS

Much sympathy is extended to Mr. and Mrs. Patrick Power, Bonmahon, in their recent sad bereavement occasioned by the death of their four-years-old child, King Venus, weaned from South to East at the heel of yester-week, and heavy showers of snow fell on the Comerags on Saturday night and Sunday. Despite winter's worst moves to remain in power, spring is in the way, and we will be weeks of warmth in the sweet by and by.

When the Japanese made their final assault on Nanking, Arthur Manken, of Paramount News, stayed behind, the last white man in the whole city, shooting the final bombardment and scooping the world with his pictures of Japan's army marching into the Chinese capital. Stories of these modern heroes, who risk their lives everyday to produce thrills for the jaded picturegoer, is the subject of an exciting article by a gentleman whose grandparents hailed from "Mid-Weise in this month's issue of "World Film News."

A large circle of friends in the district were grieved to learn of the untimely passing away of Mr. Michael Power, son of Mrs. Power and the late Mr. Power, Dunabratton, Annestown. Fortified by the last consoling Sacraments of Holy Church, he died on Sunday evening, after a short illness on his 33rd year.

Deceased was a popular and respected member of the community, a prominent figure in local social and sporting circles. A large and impressive cortege paid a fitting tribute to the esteem in which deceased was held. Following the celebration of Requiem Mass for the happy repose of his soul he was laid to rest in the family plot in Kill Churchyard, amid many manifestations of profound sorrow. Rev. M. Power, C.C., Kill, officiated at the graveside. Sympathy with the family is generally expressed. Beannacht dillus De le n-anam.

M. Kiersey, Carrickbeg, was one of nine competitors (between whom the sum of £50 was divided) who submitted a correct solution to a crossword test of skill, set by a cross-Channel Sunday newspaper.

Kilmae' will soon be equipped with one of the most up-to-date dance halls in Eire. The spacious structure is in the hands of a contractor and work is proceeding apace. It is being erected on the part of the Rainbow Field that fringes the Fair Green. Surely an ideal site in an ideal centre.

Ballynecan Cluain, Finner, Fall, met on Sunday evening last. There was a full attendance of the members, this being the annual general meeting. Mr. M. Morrissey, T.D., attended the meeting and received a rousing reception. The outgoing officers were unanimously re-elected, viz.: Chairman—Mr. M. Lannon; Vice-Chairman—Mr. W. Kiely; Hon. Secretary—Mr. M. Keane; Hon. Secretary—Mr. M. Kiely. A working committee was formed, and several new members were enrolled. A number of projects for the benefit of the district were mentioned to Mr. Morrissey, with a view of having him use his influence towards getting them carried out, and the popular energetic T.D., took a note of these matters and promised he would do his best to push them ahead. In a brief address, Deputy Morrissey referred to the London conversations and to the splendid reception accorded to the New Constitution by all sections of the people. By acting loyally up to this grand charter—by sinking our domestic differences and carrying on all together with right good-will—our great desire, an All-Ireland Republic, will ultimately be realised.

The meeting voted thanks to Mr. Morrissey, who, in acknowledging their cordial reception of him, complimented the members on the businesslike manner in which they had transacted their agenda affairs of that evening.

GREAT MUSICAL FEAST

THE "GEISHA" AT THE PALACE, FERMOY
The Fermoyn Choral Society will present the popular Japanese Musical Play "The Geisha" at the Palace, Fermoyn, during the two weeks commencing February 15. This presentation promises to outshine all the other successes which the Fermoyn Choral Society has had during their period of existence in previous years of the Gilbert and Sullivan Operas.

"The Geisha" is a colourful production containing lilting music which makes an instant appeal, songs rich in beauty, delightful dances, drama and sparkling comedy. Patrons will hum its melodies, whilst its tunes, and sway to its rhythm. It is a delightful combination of mirth and melody which will both amuse and enthrall you.

"The Geisha" as a Musical Play is well worth seeing, and under the production of Mr. L. A. Cranford, who has been engaged as Producer by the Society during the past few weeks patrons are assured of a very finished performance. The scenery and costumes have been supplied by the Firm of R. Sheldon Bamber, Ltd., Glasgow, which should provide an artistic and spectacular setting. The musical worth of the play is enhanced by the fine rendering from finished artists, well-balanced chorus, and an orchestra of 15 performers. The artists taking part include the celebrated broad-casting tenor Mr. Frank Ryan, and also Miss Maureen Payne whom critics admire one of the leading sopranos in Munster.

Seeing this production by the Fermoyn Choral Society, patrons can be assured of a most enjoyable entertainment.

YOUNG PLOUGHMAN'S FEAT
Mr. John J. Loneygan, Cahernane, Newtown, County Waterford, performed the unique feat of winning three first prizes at a ploughing match held last week at Newtown. Mr. Loneygan is a fine specimen of Irish manhood.

GLASNEVIN SUCCESS PEDIGREE OATS
We have a very limited quantity of the above famous Pedigree Oats, grown from seed supplied from the Department of Agriculture. We would ask our customers to book their orders as early as possible, as we anticipate being sold out in a very short time.

Harpur Brothers,
Seedsmen, Waterford

THE LATE MR. EDMUND O'REILLY BALLYPATRICK
The interment of the late Mr. Edmund O'Reilly, Merchant, Ballypatrick, (near Slieveanna) took place on Tuesday at Gammansfield cemetery after Requiem Mass. Deceased was one of the best-known and most popular sportsmen in South Tipperary, and was related to a number of well-known families in the County.

WATERFORD CO. COUNCIL.

ELECTORAL SENEAD

A special meeting of the above was held on Tuesday by Mr. S. J. Moynihan, Commissioner.

Road Works Scheme Consideration of the Road Works Scheme and the County Surveyor's Report was adjourned to Feb. 22nd.

Employment Schemes Vote The County Surveyor was instructed to submit schemes for the employment scheme vote 1938-39.

Application Refused The application from Assistant Surveyor Ormond, for remuneration in respect of Dungarvan Urban Roads, was refused.

Appointment of permanent Clerk in the Secretary's Office was adjourned.

Approved The Commissioner approved of the arrangements made by the Executive Committee under the Diseases of Animals Act for the enforcement of the Warble Fly Order.

County Library The meeting voted the sum of £1,435 to the Libraries Committee for the year 1938-39.

Meeting Adjourned Commissioner Moynihan then adjourned consideration of any further business to a meeting to be held on February 22nd this included the following report from Mr. J. Bowen, Co. Surveyor:—

Dear Sir,—I have pleasure in submitting the Provisional Road Works Scheme for the year 1938-39. It is appropriate that I should refer to the requirements of the scheme and of the roads, the conditions affecting the roads, and the general position of the roads of the county and of the country. It is desirable that the ratepayers and the general public, as well as the taxpayers, should have correct information on such matters, to enable them to follow intelligently the progress of events and to appreciate the difficulties facing those engaged in the effort to provide them with an efficient road system.

The road mileage in this County by you includes:— Trunk Roads—161 miles; Link Roads—100 miles (Main Roads); County Roads—1,172 miles; Urban Roads—10 miles.

For the maintenance of this mileage the following gross sums are estimated for the coming year:— Main Roads—£28,205 0 0; County Roads—£52,921 0 0; Urban Roads—£1,055 0 0. Total—£82,181 0 0.

A brief analysis of these figures is essential. The sum of £28,205 0 0 for main roads includes the sum of £11,162 0 0 estimated amount of "Maintenance Grant," distributed from the Road Fund of the Government, leaving £16,743 0 0 to be provided from the Council's funds, which include Agricultural and other grants in aid of roads. This estimated sum of £16,743 0 0 includes £100 for contingencies, but does not include any "Improvement Works," nor any new steam rolling or re-surfacing works. The maintenance works include removal of corners, easing of camber, a limited amount of surface tarring, super-elevations, etc., of which details appear in Column 9 of the scheme.

The estimated sum of £52,921 for county roads includes £3,500 for repayment of loans obtained in recent years for rolling, £187 for local contribution to supplement relief grant (£63), £900 for contingencies, and a sum of £49,700 for certain essential steam rolling works. This leaves £28,205 for ordinary maintenance work on 1,172 miles of County Roads. No grants towards County Road maintenance are available, so that the whole of the expenditure must be borne by the Council's funds.

The Urban Roads of Dungarvan are estimated to cost £1,055, which includes £250 for repayment of loan. This sum is leviable off the Urban District only. The estimated amount of expenditure is totally insufficient to put the Urban Roads in a proper condition, but a sufficient sum, if imposed on the ratepayers in one year, may prove excessive at the present time. It is hoped that grants may be obtained from time to time to aid in building up the roads and streets to a suitable condition. Furthermore, it is not desirable to lay down expensive surfaces on streets where the underground works are in bad condition.

In the past year the money provided for road maintenance was wholly inadequate. No improvement or rolling work was done out of Council's funds. Increased traffic and increased costs, as well as the accumulated deterioration due to the preceding four years of stagnation in road work were not met by a proportionate increase in funds. For the coming year the estimate coming before you does not provide for the making good of five years of neglect, but allows only for a minimum of maintenance work which is absolutely necessary to keep pace with destruction. No improvement of any magnitude, beyond removal of a few dangerous corners, and such like are contemplated. No rolling of main roads, and only a limited amount of rolling (18

miles) of County Roads is included. If any serious attempt is to be made to overtake the deterioration of recent years, a much more comprehensive programme is necessary, and an increase on the figures given in the Provisional Scheme is required.

The condition of the main roads generally has been maintained without serious deterioration, but no improvement was possible, over the past five years, financed from the Council's funds. Some small schemes have been rolled each year from the "Improvement Grant." No real progress has been made, and no serious contribution towards the provision of an up-to-date road system. The annual effect of the Improvement Grant is too small. Some 15 miles of main roads have never yet been regularly steam rolled.

The position of the County Roads is far worse, and serious deterioration is apparent everywhere. The state of many of these roads is decidedly bad, and not better than twenty years ago. Many miles of these roads were rolled over twenty years since, and are now long past the stage of economical maintenance by ordinary patching methods. At least 200 miles of most important county roads are in this condition, and carrying heavy traffic, both local and tourist. The travelling public have a substantial grievance. Some hundreds of miles of bye roads had practically no work done on them for four or five years, beyond an attempt to keep the floods off. Practically no stone has been supplied on them, resulting in a weak worn out condition, totally unfit for the traffic coming on them.

Not only should adequate maintenance be provided for all main and county roads, but a programme of steam-rolling or improvement of surfaces each year to cover at least ten miles of main roads and twenty miles of county roads. Even with this programme it would take over twenty years to bring our road system up to what might be considered a reasonable standard for traffic. The road surfaces of a century ago are no use with the modern traffic. The public have a right to expect better roads now.

The amount to be expended on the maintenance of 1,172 miles of county roads in the current year, 1937-38, is almost exactly 25 per cent. less than the sum expended in the year 1912-13 on the same 1,172 miles of roads. The past four years have somewhat similar figures. The cost of road work to-day is at least three times as great as it was 25 years ago. The traffic today is probably five times as heavy and destructive as it was then. The cost of other public services and their volume has increased by leaps and bounds. There is no valid reason for reducing the volume of work and expenditure on roads, the most useful and essential service to the ratepayers and taxpayers, to a fraction of what is necessary. It must be clearly understood by all concerned that the days of cheap road-making are long since past, never to return.

As to the Provisional Road Works Scheme, the consideration will be afforded to the requirements of the roads, as distinct from the calls for other services, and that in consequence the full amount of my estimate will be passed, thus making a commencement at bringing our roads back to a proper condition, and providing service to the ratepayers and taxpayers of men who must otherwise seek relief, home assistance, relief, and so-called "employment" on ill timed relief schemes of doubtful utility.

Grants from the "Road Fund" have been referred to. These come under two headings—maintenance and improvement grants—both applicable to main roads only. The maintenance grant is 40 per cent. of the expenditure on main road maintenance, with certain exceptions. Thus the more that is expended the greater the grant. This immediately reduces substantially the cost of main roads on the Council's funds. The improvement grant is distributed from the balance in the Road Fund when the Maintenance Grants and certain other payments have been made. The amount coming to this county for the current year is £8,000. This sum is too small to undertake the arrears of work without substantial aid from Council's Funds. It is further reduced by being given at the wrong season of the year, when efficient work is impossible. Adequate value for money thus cannot be obtained. Heavy work of this nature, in the open, involving the use of tar, should only be done in dry weather with full daylight. Hence, this grant should be given not later than March each year, not in the end of September, as was done this year.

This Improvement Grant of £8,000 for the current year, and a lesser sum in preceding years, substantially reduced in effect by attempting to carry out work in the wrong season of the year, is usually spread over three or four jobs, in different parts of the county, on main roads. These jobs must each be very small in consequence, and the lengths of road improved are short. Machinery and organization have to be arranged to carry out the work, which is no sooner started than it is ended again, and allowed to remain until the following winter. Thus the improvement of some seven miles of the trunk road from Waterford to Tralee will take seven years to complete. By the time the seven miles are completed the earlier sections will have passed through a substantial part of their useful life.

The Road Fund is the proceeds of the Motor Road Taxes and Drivers' Licences. Taxes paid by motorists for cars, parts, petrol, etc., do not go to the Road Fund, but the motorists, as such, and apart from their ordinary liabilities as citizens, are paying more in taxes than the total cost of the roads. Part of their taxes find their way indirectly to the roads by way of increased Agricultural Rates to the Councils, in relief of rates.

Certain relief grants have been made to us in the current and past year, dependent on a local contribution of a proportion of the amount expended, and those are applicable to main, county or urban roads. The value of relief grants is largely determined by the conditions under which they must be carried out. Generally little more value is obtained than the amount of the local contribution.

An entirely new outlook on Road Finance is long overdue, and has been previously advocated. More of the motorists' taxes should find their way into the Road Fund directly. The administration of the fund should be on a new basis, such that will provide in the lifetime of the system, handing it down to future generations as well as some proportionate responsibility for its cost. The fund should make a substantial contribution from Relief Votes, instead of making a payment to Relief Works. The present system has been going on for some time, and is being operated at the rate of £1 5s. 10d., up to November 25th last. He tried working at the Co-Operative Stores twice, but found he could not do it. He also tried for work with various farmers, but found he could not do the work offered.

DUNGARVAN CIRCUIT COURT

WORKMAN'S COMPENSATION

At the Dungarvan Circuit Court on Wednesday week before Mr. Justice Sealy, K.C.

Richard Tobin, Knockmeal, sought compensation for injury received while in the employment of the Knockmeal Co-Operative Society.

Mr. Shannon, solr., Clonmel, for applicant. Mr. Tynan, B.L., (instructed by Mr. E. A. Ryan, solr., defended).

Mr. Shannon, opening the case for applicant said that he had received full compensation up to 25th November, when it ceased.

Richard Tobin, applicant, stated that he was 13 years in the employment of the Knockmeal Co-Operative Society. On 7th March, 1936, while assisting the Engineer putting in a shafting on a flywheel the accident occurred. He has a family of six living with him. Dr. Mullaney attended him after the accident, and after 14 days sent him to Hospital, where he was operated on and the third finger of his left hand was removed. He was paid compensation at the rate of £1 5s. 10d., up to November 25th last. He tried working at the Co-Operative Stores twice, but found he could not do it. He also tried for work with various farmers, but found he could not do the work offered.

To Mr. Tynan, B.L.,—Witness said he was compelled to wear a bandage from the cold. The bandage he was wearing was a new one, that was because he thought the old one he was wearing (producing it from his pocket) was not clean enough to come into court with. He tried box making and trucking sacks of corn, but could not do the work. He is a left-handed man. He tried the box-making until he hit himself on the finger.

He also tried he could not knock the soot stacks up to the roof of the elevator. After trying this work his hand blackened every night, and he got burning pains in it.

Dr. Mullaney, deposed to attending applicant after the accident. At present he is unable to flex his left-hand, due to loss of the finger. The injury will be permanent, as it has not yielded to treatment. He could not make boxes, and in witness's opinion it would not be suitable work, as he could not grip the nails.

To Mr. Tynan, B.L.,—Witness said the more use he would try to put his fingers to the better. Witness never saw the blackness complained of by applicant, but it would be consistent with the injury.

Dr. White said he examined the applicant four months ago, and advised him to use his hand. He saw no improvement in the hand, and he was referred to the four months. A hand with only that amount of amputation should not prevent him from doing various kinds of work. He should be able to do practically everything. His grip at present is bad, but if he is left-handed, it is the hammer used by holding in his left hand and not the nails when box-making.

To Mr. Shannon—Undoubtedly, the hand is bad, and he could not milk a cow.

Mr. T. Callanan, Manager, Knockmeal Creamery, said the applicant was in charge of the maize mill at the time of the accident. Witness offered him his old job, helping another man. Tobin tried it for about five days. He was offered any work on the job when he would be fit for it.

Witness suggested the box-making. He was willing to take Tobin back and give him this work, if he was fit to do it.

To Mr. Shannon—Applicant made an honest attempt to get back to work, but was not fit for it.

At this stage Tobin was recalled, and in answer to his Lordship said he had the use of both hands, he was left and right handed.

His Lordship—Then why did you say you were left-handed?

His Lordship then severely reprimanded the applicant for his statement about being left-handed, by which, he said, he had put himself between the devil and the deep sea.

Addressing Mr. Shannon, solr., for applicant—His Lordship said he would adjourn the case to consider what action he would take.

MASKED FANCY DRESS BALL IN CAPPOQUIN

A Brilliant Spectacle And A Great Success.

For the first time in the history of the town, a grand Masked Fancy Dress Ball was held in the Boathouse Hall, Cappoquin, on Tuesday night, February 11th and provided one of the most brilliant spectacles ever before seen there. It was organized by the members of the Cappoquin Theatrical Society, who deserve the credit of having brought to the town a novel and successful idea of the kind which attended the event was only in keeping with the bold and original idea of the promoters in so energetically undertaking such a heavy task.

The members of the Organising Committee were:—Mr. George Russell, Chairman; Miss Sheila White, Treasurer; Miss Margaret Cahill, Hon. Sec.; Miss May Walsh, Messrs. J. P. Olden, F. X. O'Leary, N.T., M. Whelan, John Regan, Junr.; N. Regan and Liam Ryan, who were instrumental in having the spacious hall decorated on a lavish and artistic scale never before equalled in Cappoquin. While great credit must be given to all the above, in general, special praise must be extended to Mr. G. Russell, Miss Sheila White and Miss Margaret Cahill, who were mainly responsible for all the heavy organizing work, and who acquitted themselves in a particularly brilliant manner which was chiefly responsible for the great success and enjoyment of the event.

The attendance exceeded the most sanguine expectations of the Committee, and there were over 100 couples present, representing most of the leading people in Cappoquin. While large contingents also attended from Lismore, Dungarvan, Fermoy, Cork, Waterford, Tipperary and other distant centres to participate in what proved to be a most delightful night's enjoyment for all.

The "Pat" was the famous No. 1 Dance Band, Cork, had been specially engaged at heavy expense, and rendered a grand programme of dance music during the night which was greatly appreciated by all, while the splendid supper arrangements were admirably carried out by a most courteous and capable staff under the personal supervision of Miss Sheila White and the other ladies of the Committee, who proved themselves most energetic and indefatigable workers throughout the night.

Special cash prizes were awarded for the most original costumes worn by the guests, a prize of £1 being offered in the ladies' class, and a similar prize in the gentlemen's class, while a prize of £2 was awarded for the most original couple present.

The judging took place at 2.30 a.m. The judges were:—Mr. Hickman, Fortwilliam, Lismore; Mrs. Alexander, Ballymartin, Tallow; Miss Ann Hickman, M.F.H., West Waterford Hounds; Miss Dianna Keane, Belleville Park, Cappoquin, and Mr. Ion Villiers Stuart, ex-M.F.H., Dromana.

So varied and original were the costumes and uniforms worn by all, that the Judges had a very difficult task in picking out the winners, and it was an inspiring and colourful scene as the entire party paraded before the Judges to the strains of some lively marching tunes played by the band.

Eventually, the first prize in the ladies' class was awarded to Miss Nellie Kirwan, Dungarvan, who represented "Good Fieck Cigarettes," while Mr. Fred Anderson, Cappoquin, won first prize in the gentlemen's class with his very original costume representing "The Belgica Becom."

The first prize for the best couple was won by Mr. J. Cahill, Cappoquin, and Miss Kathleen Walsh, do., who represented "The Gay Nineties" in the dressing of that period, the various prize-winners being loudly applauded.

At the close of the awards, Mr. F. X. O'Leary, N.T., on behalf of the Committee, conveyed their best thanks to the ladies who had acted as Judges, and also to Mr. Ion Villiers Stuart, for their great kindness in coming such a distance to perform such a difficult task, and said he was sure that all present were fully satisfied with their decisions in the matter. (applause).

In addition to the prize-winners, several other outstanding characters were represented by the following:— Mrs. Hickman (A Washwoman); Miss Ann Hickman (an Egyptian Princess); Sean Quinlan, Lismore, (an Indian Rajah); Miss Lulu White, Cappoquin, (a Crinoline Lady); Miss Sheila Daly, Lismore, (Philo Wireless Sets); Miss Joan O'Donnell, do., (A Soldier); Miss Margaret Cahill, Cappoquin, (a Turkish Princess); Miss Sheila White, do. (A Toreador); Miss Madge Russell, do. (a Fairy Queen); Miss Eily Mullins, do. ("Corks"); Mrs. O'Leary, N.T., do., and Mrs. L. D. Dunne, do. (the Victorian Era); Mr. J. P. Olden (Admiral of the Fleet); Mr. Joe Barron, (An Officer of the French Foreign Legion); Mr. F. X. O'Leary, N.T. (a Judge of the High Court); Mr. C. Kavanagh (a Barrister); Mr. L. D. Dunne, (Mephistopheles from "Faust"); Miss Bridie Murphy, Cappoquin, and Miss A. Walsh, Ballica, (Sailors); Mr. Moss Whelan (Bedtime); Mr. Jas. Ahearn, (Herr Hitler); Mr. J. McCabe, (a "Boozer"); Mr. P. Walsh, Cappoquin (a Tramp); and Mrs. A. Sargent (a Tramp's Wife), the latter two, undoubtedly, being the best-represented characters in the Hall whose perfect disguises could not be penetrated for a long time.

On the whole, the Ball provided a remarkable display of versatility and originality, both in the costumes and uniforms worn by all, and the enjoyable and successful function should be long remembered in Cappoquin.

Amongst those present were:— Mrs. Hickman, Fortwilliam; Miss Ann Hickman, M.F.H., do.; Miss Robin Waters, Hon. Whip, West Waterford Hounds; Miss Dianna Keane, Belleville Park; Mr. Ion Villiers Stuart, ex-M.F.H.,

Special cash prizes were awarded for the most original costumes worn by the guests, a prize of £1 being offered in the ladies' class, and a similar prize in the gentlemen's class, while a prize of £2 was awarded for the most original couple present.

The judging took place at 2.30 a.m. The judges were:—Mr. Hickman, Fortwilliam, Lismore; Mrs. Alexander, Ballymartin, Tallow; Miss Ann Hickman, M.F.H., West Waterford Hounds; Miss Dianna Keane, Belleville Park, Cappoquin, and Mr. Ion Villiers Stuart, ex-M.F.H., Dromana.

So varied and original were the costumes and uniforms worn by all, that the Judges had a very difficult task in picking out the winners, and it was an inspiring and colourful scene as the entire party paraded before the Judges to the strains of some lively marching tunes played by the band.

Eventually, the first prize in the ladies' class was awarded to Miss Nellie Kirwan, Dungarvan, who represented "Good Fieck Cigarettes," while Mr. Fred Anderson, Cappoquin, won first prize in the gentlemen's class with his very original costume representing "The Belgica Becom."

The first prize for the best couple was won by Mr. J. Cahill, Cappoquin, and Miss Kathleen Walsh, do., who represented "The Gay Nineties" in the dressing of that period, the various prize-winners being loudly applauded.

At the close of the awards, Mr. F. X. O'Leary, N.T., on behalf of the Committee, conveyed their best thanks to the ladies who had acted as Judges, and also to Mr. Ion Villiers Stuart, for their great kindness in coming such a distance to perform such a difficult task, and said he was sure that all present were fully satisfied with their decisions in the matter. (applause).

In addition to the prize-winners, several other outstanding characters were represented by the following:— Mrs. Hickman (A Washwoman); Miss Ann Hickman (an Egyptian Princess); Sean Quinlan, Lismore, (an Indian Rajah); Miss Lulu White, Cappoquin, (a Crinoline Lady); Miss Sheila Daly, Lismore, (Philo Wireless Sets); Miss Joan O'Donnell, do., (A Soldier); Miss Margaret Cahill, Cappoquin, (a Turkish Princess); Miss Sheila White, do. (A Toreador); Miss Madge Russell, do. (a Fairy Queen); Miss Eily Mullins, do. ("Corks"); Mrs. O'Leary, N.T., do., and Mrs. L. D. Dunne, do. (the Victorian Era); Mr. J. P. Olden (Admiral of the Fleet); Mr. Joe Barron, (An Officer of the French Foreign Legion); Mr. F. X. O'Leary, N.T. (a Judge of the High Court); Mr. C. Kavanagh (a Barrister); Mr. L. D. Dunne, (Mephistopheles from "Faust"); Miss Bridie Murphy, Cappoquin, and Miss A. Walsh, Ballica, (Sailors); Mr. Moss Whelan (Bedtime); Mr. Jas. Ahearn, (Herr Hitler); Mr. J. McCabe, (a "Boozer"); Mr. P. Walsh, Cappoquin (a Tramp); and

DUNGARVAN URBAN COUNCIL

Mr. M. Morrissey, T.D., Chairman, presided at the weekly meeting of the above. Also present—Messrs. T. McCarthy, Vice-Chairman; S. Hayes, P.O. Dwyer, D. Foley, J. J. Crotty, M. Clancy, J. Dahill, J. Christopher, J. Foley, M. Connors.

Quay Wall Mr. O'Dwyer called attention to the state of the Quay Wall, which was giving away in places. The Borough Surveyor said that the matter would be attended to when the weather was suitable.

Pay Sheet The pay sheet for the week amounting to £12 3s. 8d., was passed.

Oil Skins The light attendant at Ballinacourty, applied for a suit of oil skins. As attendant was a contractor, the request was refused.

Plotholders A letter written on behalf of Mrs. Kelly, asked if the Council intending to take her land at Shandon for the unemployed plotholders. The Clerk said that there were very few applications in.

Chairman—A good many who had the plots last year are employed now and will not qualify for a plot. Mr. O'Dwyer—That does not apply to men working on relief schemes. Consideration was deferred for a week to enable the Secretary of the Plotholders Association to express his views.

Milk and Dairies Act The County Medical Officer of Health notified the Council that two persons who applied for registration as vendors of milk had qualified.

Mr. D. Foley said that the Act was not being complied with, as registered vendors bought supplies from non-registered persons. The Act was a farce. Chairman—They cannot get away with that. They can be prosecuted, and it is a serious matter.

Mr. Crotty—Any farmer can give his children milk and need not be registered. I think there are a lot of loopholes in the Act. Chairman—If the farmer has any regard for his children he will give them proper milk.

Mr. Crotty—He probably thinks his children as good as any one else. Chairman the act is mainly to ensure that poor people get a clean supply of milk.

Mr. McCarthy—I know three cases where people have new and clean churns and they have to do away with them. I think that it is unfair to have those people put to the expense of buying new churns when they have good ones at present.

Mr. Walsh—Milk vendors should not be allowed to get extra milk from auxiliary sources where there is no registration. Chairman—They may do that for a while, but they will find themselves in Court some day.

Mr. Crotty—Who will prosecute? Clerk—The Council, I suppose. Mr. Walsh, S.S.O., said that people who were not registered were being topped in gradually.

Dramatic Performance The Hall was granted to the Abbesside Dramatic Class for a production on Feb. 16th, in aid of parochial purposes. On Mr. McCarthy's suggestion, it was agreed that no charge be made for the hall.

Housing A letter from the Department stated that the Inspector's report on the housing scheme mentioned that the work on the houses should be speeded up as at the present rate they would not be completed within the specified period. It was decided to send the contractor a copy of the letter.

Congested Traffic Mr. McCarthy called attention to the danger caused by the parking of cars at both sides of the street at the junction of Chapel Lane and O'Connell Street. He asked that cars be only allowed to park on one side—that is, the garage side only. The Chairman said that they had nothing in their bye-laws to give them power to enforce any such order. They could only do so by a notice asking people to park on one side.

Co-Operative Societies Mr. Little, T.D., wrote stating that the resolution of the Council's Co-Operative Societies, would have his careful consideration.

The Quay The Chairman stated that he had seen the Minister's Secretary, regarding the repair to the Quay road. He saw the hope of getting a larger than 50 per cent. grant, and a 10 years loan. There was some news of the dressing coming in and it was suggested that this would do a good job at a much lower cost. However, they were advised to rush the matter especially as the present time was not suitable for doing the work. It was a summer job. An Inspector from the Department would come down and report on the matter, then they could see what could be done.

The members agreed that the Chairman had done well in his interview, and it was agreed to defer the matter until the Inspector's report was received.

Employment On Housing After a short discussion, Mr. O'Dwyer withdrew his resolution re the employment of local men at the housing scheme. The resolution had been deferred from last week.

EAST WATERFORD'S FINANCES Convention Ruling Questioned BOARD'S APPEAL TO MUNSTER COUNCIL LOUGHLIN BYRNE'S CASE

"In order to get over the difficulty the club concerned should have the matter raised at the next Co. Board meeting, and have it decided and finished with. It has become almost like an international question." So said the Chairman at the meeting of the East Waterford Divisional G.A.A., held at Lady Lane, Waterford, when he brought to a close a further discussion which took place on the position of Loughlin Byrne, the well-known hurler.

The discussion arose on the report of the referee in regard to the Mount Sion-Erin's Own game played at Portlauric recently. Owing to darkness the game was brought to a close by the referee ten minutes before full time, when the score stood—Mount Sion, 3-2; Erin's Own, 2-4. The referee added to his report the following—"Before the game started, Erin's Own (C. Ware) objected to two Mount Sion players as being illegal, viz., Loughlin Byrne and Patrick Green."

Mr. C. Ware now asked if Loughlin Byrne was illegal or otherwise for the match in question. The Chairman replied he had made exhaustive enquiries in the case, both of the Leinster referee and the Central Council, and the decision he got was that Loughlin Byrne was automatically reinstated if his case was considered by the County Board in accordance with the rule passed at the last Convention.

Mr. P. Duggan (Hon. Treasurer) said the Chairman of the Waterford County Board gave a different ruling to the effect that six months after the date of his suspension Loughlin Byrne became automatically reinstated. Mr. Ware said that as far as he knew the case was never considered by the Co. Board.

Mr. M. Gallagher (Mount Sion) said the Secretary of the County Board had been written to last November on the matter, and no reply had been received. He sought further information from the Chairman regarding the meaning of "automatic reinstatement."

The Chairman answered that he did not see how the County Board could increase the period of suspension since the rule said "suspended for six months." The Loughlin Byrne case was a very interesting one, but he did not think the Co. Board would have any objection to reinstating him. He (Chairman) took it that it was a matter of applying for reinstatement.

Mr. C. Ware, however, opined that the case should go through the usual channels. Mr. Duggan said he thought the club concerned did all they could about it, seeing that they had written to the Co. Secretary last November, and had got no reply. A reply had been received from the County Chairman since.

The Chairman said he thought there should not be so much noise about the Loughlin Byrne case. Whatever club required the reinstatement should put their case before the Divisional Board, where it would be discussed and a recommendation sent forward to the Co. Board if necessary. Mount Sion should have got a decision on the matter, which should have been raised at the County Convention.

The action of Mr. M. V. O'Donoghue, Chairman, at the annual County G.A.A. Convention in Dungarvan on Sunday of last week, when he ruled out a motion formed the subject of a protracted discussion, and it was decided unanimously to appeal to the Munster Council in the matter. Nine clubs out of a total of fifteen were represented, and a proposal that a definite decision in the matter be deferred to a larger special meeting of East Waterford delegates was defeated by nine votes to eight.

Mr. Ware declared that if the Association were to go forward they would have to do something drastic, and he now made the suggestion that they withhold the finances of the Eastern Division for twelve months. If the adoption of this suggestion was not a success, then the Chairman of the County Board was right and they were wrong. He held, however, that they should have an independent body in East Waterford as far as the finances were concerned (applause).

The Chairman, who agreed with Mr. Ware in regard to the efforts made to advance the Association in East Waterford, said that as far as he could judge from the Press reports of the Dungarvan proceedings the Eastern delegates should have got more consideration from the Co. Board Chairman. It seemed to him that there was no use in any number of clubs sending forward a motion if the County Board Chairman felt it should not be there, because the latter was going to rule it out. If the clubs in Congress were overruled, then they could say that it was overruled, but the clubs who ruled on any matter, but if the Chairman ruled it did not give the other clubs a chance of deciding whether that this would do a good job at a much lower cost. However, they were advised to rush the matter especially as the present time was not suitable for doing the work. It was a summer job. An Inspector from the Department would come down and report on the matter, then they could see what could be done.

The members agreed that the Chairman had done well in his interview, and it was agreed to defer the matter until the Inspector's report was received.

Employment On Housing After a short discussion, Mr. O'Dwyer withdrew his resolution re the employment of local men at the housing scheme. The resolution had been deferred from last week.

CAPPOQUIN NOTES

Mount Melleray New Church Building Fund

A most successful Whist Drive was held in aid of the Mount Melleray New Church Building Fund. The event had been organised by Mr. M. J. (Joe) Murphy, Auctioneer, Mitchelstown, who is a past pupil of Mount Melleray Seminary, where he was later a brilliant member of the Professorial Staff for several years.

Mr. Murphy still holds kindly memories of his "Alma Mater," and all the members of the Cistercian Community there, and never loses an opportunity to give practical assistance towards any worthy cause started by them.

The object for which the "Drive" was held, as well as Mr. Murphy's great personal popularity in Mitchelstown, were responsible for the widespread and generous support which it received from all classes, as 46 tables were occupied, representing 184 players, and the result entitled a record for Mitchelstown, both from the point of numbers, and the general success of the function.

Mr. Murphy acted as M.C. and performed his onerous duties with his usual courtesy and efficiency, and after the presentation of the numerous valuable prizes, he thanked all present, on behalf of the Lord Abbot of Mount Melleray, and expressed the hope that Mitchelstown had now set a good headline for other towns and villages in the country. He said that Mount Melleray, in whose hospitality most of them had at some time participated, was a National Institution, and it behooved the people of every place to do their part in helping the Monks to build a Church worthy of their renowned Order, and worthy of their high traditions for religion and culture in the past. He added that the New Public Church now being built would incorporate the Shrine of Saint Philomena, so that it should prove a place of pilgrimage for countless thousands of faithful Catholics from all over the world in the years to come.

As the question was such an important one, Mr. C. Ware proposed that a special meeting be called for next Sunday, to which all the clubs in the division should be asked to send delegates. He did not think they should decide the matter when there were only nine out of fifteen clubs represented there that day.

Mr. J. Foley said that some of the clubs had been up against Mr. Ware himself for the past eighteen years when he was devoting the best years of his life to the G.A.A. Mr. Gallagher proposed, and Mr. Walsh seconded that the matter be discussed and disposed of there and then.

Mr. C. Ware proposed and Mr. P. Roche (Portlauric) seconded, that the matter of a decision be referred to a special meeting to be called on a day to be decided. On a division Mr. Gallagher's proposition was carried by nine votes to eight.

Rev. Brother Bruno thought the result of the vote was too tight to entitle them to decide the question that day, pointing out that the vote of one or two other clubs if represented might completely alter the position.

The Chairman said they could not get away from the fact that the Board, by a majority vote had come to a decision. Mr. Gallagher then proposed that the whole matter be appealed to the Munster Council for a decision, only to be asked by the Chairman on what grounds such an appeal was to be based.

Mr. Gallagher said they could ask the Munster Council if they could ask the County Board to refer the matter to the Munster Council, but he did not think they should do so. The Chairman replied that if they made an appeal to the Munster Council they would have to quote a rule in support of their contention.

Continuing, he said there were various courses of action which might be taken and which deserved to be taken. The authorities knew the position as well as everybody else. They knew that the Gaels in East Waterford were as good as the Gaels to be found anywhere.

Mr. Elliott said they should refer the matter to the Munster Council and ask that body if the Waterford County Chairman was entitled to make rules to suit himself. "It is not the first time he made rules to suit himself," the Chairman replied. After some further discussion it was decided, by a vote of 10 to 5, to appeal to the Munster Council under the terms of Rule 15, the Chairman and Mr. Elliott being appointed to conduct the case for the Eastern Divisional Board before the meeting of the provincial body. The regular Munster Council representatives are Messrs. Pax Whelan and C. Ware.

After the decision had been come to the Chairman announced, amid applause, that they had right on their side, and he was confident something would come out of the appeal.

The rule on which the appeal will be based is as follows—"County Conventions are empowered to make such by-laws as they deem necessary for the better working of the Association within their respective counties. Such by-laws are not to be operative until sanctioned by the Central Council, but the Central Council must sanction or reject same within one month from date of receipt."

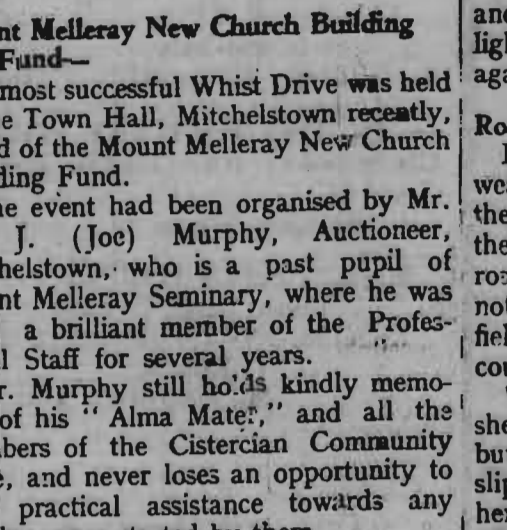

Popular Gentleman's Recovery—We are very glad to learn that Mr. John P. Daly, Lismore, who had been rather seriously ill for some weeks past, has now completely recovered, and with has no doubt resumed his business activities in the best of health and form.

Mr. Daly is father of Mrs. J. Barron, "Barron's Hotel," Cappoquin, and is one of the leading merchants in Lismore where he is extremely popular and held in the highest esteem by all classes. A sound and consistent Nationalist of the old school, he is always been a prompt and generous supporter of every cause for Church and country, while his great business capacity and his cheery and sociable disposition are outstanding traits in his character.

His illness caused great anxiety to his numerous friends in Lismore, Cappoquin and Tallow, all of whom will now be delighted to hear that "Richard is himself again."

Roses Underneath the Snow—In spite of the great severity of the weather, it is rather extraordinary to read the many reports from various parts of the country stating that Cowslips, Primroses and other flowers are in full bloom, not in hot-houses, but out in the open fields and laneways throughout the country. We have sometimes boasted of the sheltered position which this town enjoys, but, so far, we have seen neither cowslips nor Primroses blooming around here, the only flowers which defy the wintry blasts here at present being the hardy and fragrant wall-flowers, which can be seen in profusion at the Boathouse dances every Sunday night.

Cappoquin Race Committee TENDERS FOR BAR A meeting of the Working Sub-Committee of the Cappoquin Point-to-Point Race Committee was held on Saturday night for the purpose of completing all arrangements for the Annual Cappoquin Point-to-Point Races to be held over the popular Ballynoe course, near the town, on Thursday, 17th inst. Mr. Ion Villiers Stuart, ex-M.F.H., Dromana (Chairman) presided, and the others present were Messrs. S. J. Power, Affane, M. F. Walsh, P.C., Cappoquin, F. Anderson, do. and M. J. Sargent, P.C., and P. Walsh, Hon. Secs. Three tenders were received for the bar on the course on race day, as follows:—Mr. J. J. Barron, Barron's Hotel, Cappoquin—£12 12s. 6d.; Mr. J. O'Donovan, Cappoquin, £15 5s. 0d. and the Reps. of the late Mr. J. Lombard, Fermoy, £19 11s. 0d. The latter tender, being over £3 more than the highest local tender, was unanimously accepted. The Secs. reported that they had approached Mr. R. Roche, Foreman in charge of the Sewerage Scheme in Cappoquin, with a view to having all the excavations in the streets of the town closed for race day, and he had kindly promised to have this done, which was considered very satisfactory. It was decided to have a special platform constructed for the measuring of Cobs for the Cobs' Race, all the arrangements for this being left in the hands of the Hon. Secs. Mr. Sargent drew attention to the confusion which had prevailed last year owing to their not having advertised the amount to be charged for Tea Tents on the course, and said it was better make this point clear for the coming races. It was then decided that the owners of all such tents be charged a flat rate of 10/- each this year, the charge for motor cars to remain as heretofore. Mr. P. Walsh reported that all the fences were in excellent condition this year, but they would have a special staff of men working at them during the coming week so as to trim them off, where necessary, and make them as safe for horses and jockeys as they had been in the past. He also stated that a number of horse owners were coming specially to inspect the course next Sunday, so for that reason he suggested that the course should be finally laid out and completed by Saturday, and an order to this effect was made. It was also decided that the closing date for receiving entries, which had originally been fixed for Saturday 12th inst., be extended to noon on Monday, 14th inst., after which hour no further entries will be accepted. Mr. Walsh said they had received a large number of entries for Cappoquin at the Tallow Point-to-Point races on the 22nd inst., and in view of this and the large number of applications for entry forms being received from all parts of the country, he was confident that the number of horses running at this meeting would be the largest seen for many years. It was pointed out that the number Board which they had last year was far too small for the number of horses which they had running here, especially in the first race when they had the record number of 19 starters, and it was decided to have a much larger Board provided for this year's meeting. The question of having the "Run home" properly fenced in was next discussed, and it was decided to procure a strong wire netting for both sides of the finishing straight, and Mr. Walsh was instructed to get quotations for same from Smith and Pearsons, Dublin, the manufacturers of same. Several other matters pertaining to the perfection of all arrangements for the coming meeting having been attended to, the meeting concluded.

ACKNOWLEDGMENT The Parents, Brothers and Sister of late Bertie Lewis, Villierstown, convey their sincere gratitude to the Rev. Father, and the Rev. Canon, for the services rendered to their late son, and to the Rev. Canon, for the services rendered to their late son, and to the Rev. Canon, for the services rendered to their late son. Trusting this will be accepted as a grateful acknowledgment.

LOCAL HAPPENINGS DUNGARVAN PAROCHIAL "45 DRIVE" The final rounds of this year's "45 Drive" will be played on next Sunday, 13th inst., at the Old Technical School, Mary street. All surviving winners are invited to present, or to substitutes. An additional 2/- for which £5 in prizes will be also be held on that night. DUNGARVAN EXCURSION At a general meeting of the recently held at the Town Hall, it was unanimously made far-famed Killee, Co. LOCAL HAPPENINGS.

DUNGARVAN PAROCHIAL "45 DRIVE"

The final rounds of this "Drive" will be played on next Sunday night at 8.15 p.m. at the Old Technical School, St. Mary street. All surviving winners are requested to be present, or to arrange for substitutes. An additional 27-table Drive for which 45 in prizes will be given will also be held on that night.

DUNGARVAN EXCURSION CLUB

At a general meeting of the above Club recently held at the Town Hall, Dungarvan, it was unanimously decided to make far-famed Killee, Co. Clare the venue for their 1938 Tour and the Com- mittee are now making the necessary arrangements to repeat the great success with which their efforts during the past three years have met.

Those wishing to travel are advised to make their reservations at once as the number of seats available is strictly limited.

The date fixed for Tour (31st July) is the Sunday of August week-end so that the travellers will have the opportunity of visiting this resort at the height of the season as well as having the advantage of the following day (August Monday) free from work.

The Club's Annual Cinerella Dance will be held on Sunday night, 20th, February at the Town Hall, Dungarvan, and for this social event the Fethard Twilight Serenaders Accordion Dance Band has been engaged.

THE CAPPOQUIN AMATEUR THEATRICAL SOCIETY

The Cappoquin Amateur Theatrical Society wish to thank all those who so kindly patronised their First Annual Fancy Dress Ball, and in particular Mrs. Dr. W. White, who contributed so generously to the supper. Also the Judges—Mr. Ion Villiers Stuart, Mrs. and Miss A. Hickman, Captain and Mrs. Alexander and Miss D. Keane.

LARGE CONTRACT FOR WATERFORD FIRM

The contract for the complete furnishing and equipment of the New Mental Hospital, Mullingar, has been placed with Messrs. Hearne and Co., Ltd. There was exceedingly keen competition for this valuable contract—no less than eleven firms in Eire sending in tenders. The Minister for Local Government sanctioned the acceptance of Messrs. Hearne and Co.'s tender at 46,096 ros. 10d. being the lowest.

This is, we understand, the largest single furnishing contract ever placed by a public body in Eire.

Mr. J. R. Boyd Barrett, Esq., A.R.L.B.A., F.R.I.A.A., 61, South Mall, Cork, is the Architect in charge of the work.

BRILLIANT LISMORE MAN

A former pupil of the Christian Brothers' Schools, Lismore, who became the holder of a Waterford Co. Council University Scholarship has been appointed Town Clerk and Executive Sanitary Officer to the Carlow Urban Sanitary District. The recommendation of the Local Appointments' Commissioners. He is Mr. Liam MacLoughlin, son of Mr. P. MacLoughlin, of Glencamin, Lismore.

On the completion of his secondary education at the Christian Brothers' Collegiate Schools, Lismore, where he distinguished himself as an Intermediate Exhibitioner, and winner of the Earl of Cork Scholarship, Mr. MacLoughlin secured a Waterford County Council University Scholarship, and after a brilliant course at University College, Cork, he obtained the B.Comm., degree with first-class honours, as well as being awarded special prizes by the Authorities and the Waterford County Council for economic research.

On leaving the University, Mr. MacLoughlin spent some time as a Secondary Teacher at the Christian Brothers' Schools, Lismore, until the establishment of the Agricultural Credit Corporation in 1926 he was appointed to an Executive position on the staff of that organisation.

In 1932, Mr. MacLoughlin became attached to the Editorial staff of the "Irish Press," being promoted later to be London Editor, a position which he held up to last September, when he was appointed Assistant Secretary and Accountant to the Meath Board of Health.

DUNGARVAN FOOT BEAGLES—Meet on Sunday at 12.15 p.m. on the one o'clock.

LATE MR. THOMAS HIGGINS

It is with feelings of regret we chronicle the death of Mr. Thomas Higgins, Ballymacoda, who passed to his eternal reward in the early hours of Sunday last. Deceased was one of the most popular and practical farmers in the locality, and was highly respected in the district.

His funeral, which took place from the Ballymacoda Catholic Church to the local cemetery on Tuesday last, was one of the largest seen in the district for some time, testifying to the respect and esteem entertained for deceased and the members of his family.—R.I.P.

MIDWIVES BOARD

The Waterford and Tipperary County Medical Officers of Health and other witnesses gave evidence before the Central Midwives Board in Dublin on charges against two midwives.

In the first case all charges were proved and the midwife's name was directed to be removed from the roll. In the second case two charges were proved and the midwife was censured and requested to apologise in writing to a doctor for impertinence.

The following members were present—Sir Edward Cosy Bigger, M.D., (Chairman); Miss N. Healy, R.G.N., C.S.N. (Vice-Chairman); Mrs. Martin, S.C.M.; Dr. J. J. O'Kelly, Mr. A. Cox, solicitor, appeared for the Board.

ST VINCENT DE PAUL SOCIETY

The members of above Society would be very grateful for parcels of cast-off clothing to enable them to meet pressing needs of many poor people being visited and relieved at present. Benefactors would facilitate the Conference by sending parcels to the Boys' Club on meeting nights (Mondays 8 p.m.) or on receipt of a note from would-be benefactors. Arrangements will be made for collecting parcels.

DEATH OF MR. PHILIP O'MEARA—Deep sympathy is expressed on all sides with Capt. J. O'Meara, on the death of his father, Mr. Philip O'Meara, Knockboy, Ballinamult, which sad event took place at his residence on Sunday last.

Deceased during his long and honoured life was a sterling Irishman, a kind neighbour and one of the most respected residents of historic Slabh gCra.

The funeral which took place from his late residence to the Knockboy graveyard on Tuesday last, was of very large dimensions, and was representative of all classes of the community from all parts of the County.

Very Rev. J. Cullinan, P.P., officiated at the graveside, assisted by Rev. B. McGrath, C.C., and Rev. T. Ahearne, C.C. (cousin of deceased).—Go ndeanaid Dia troicire ar a anam.

G. A. A.—Sunday next 13th February, starts the G.A.A. playing season in County Waterford. The draw for the first round of the championships takes place in the Town Hall, Dungarvan, at 2.0 p.m. The agenda consists of Affiliations, Entries, Draws and Fixtures, Transfers, Regrading and Reinstatement. A large number of entries are anticipated and those who intend to enter should do so before the date of meeting.

"MEN IN POSSESSION"

Don't miss seeing, "The Men in Possession," at the Town Hall, Dungarvan, on Wednesday night next.

This capital 3-act Play, will be capably produced by the Abbeyside Players who are artists of a very high order.

MONEY VOTES IN DAIL

Eire's Pensioners FIFTY THOUSAND APPLICATIONS BEING DEALT WITH

When the Minister for Finance moved a supplementary estimate in the Dail last week of 210, 500 in respect of salaries and expenses of the Revenue Commissioners, he included in the vote was due to the necessity of replacing cars used by preventive officers which were worn out.

On a supplementary estimate for army pensions, Dr. O'Higgins, complaining of delays, said it appeared to him that some claims were put back behind others who were members of the I.R.A. a body that seemed to have some official recognition.

Mr. Aiken explained the procedure and said that the Referee and the Board did their utmost to get representative committees together in the old brigades to advise and assist.

There were fifty thousand applications and already over five thousand had been dealt with, the majority in the last year. Under the 1924 Act there were 30,000 applications and only 3,000 claims decided.

With regard to members of the I.R.A., and their claims came in the same way and were dealt with in the same manner as the claims of anybody else.

Mr. Dillon was ruled out of order when he said the position was that they would soon have so many pensioners that it would be desirable to set up an inquiry in order to find out how many people were living on the Government.

Co. Waterford Ploughing Championship AWARDS HIGH-GRADE WORK

The County Waterford Ploughing Championship Competitions were held in an ideal field for such tests on the farm of Mr. Patrick Butler, Carrigen, KilmacThomas, and brought together the best ploughmen in the Deise, and from the point of view of high-grade work and widespread interest, the event was, possibly, the best ever held in the County.

Master Thomas Drohan, son of Mr. and Mrs. William Drohan (farmer), KilmacThomas, was author of the following prize-winning composition (appearing under the caption: "A Cake") in a well-known Irish weekly journal of fiction, literature and general information: "The first thing my mother does

when she is making a cake is, she gets flour, bread soda, and some salt. Then she mixes them all together in a basin. She then wets it with buttermilk. Then she shapes it into the form of the oven. She puts it into the oven then, and puts it on the fire. Then she heats the cover and puts it on the oven. She leaves it baking for about an hour.—Bravo Master Thomas!

COUNTY OF WATERFORD
ANNUAL REVISION OF RATEABLE VALUATIONS
DECISIONS ON APPEALS

Notice is hereby given that consequent upon enquiry into the subject matter of all notices received from persons aggrieved by reason of the Valuation or inaccurate statement of area or inaccurate description of any tenement or hereditament the Commissioner of Valuation has on this date transmitted to me a statement of all the cases in this County in which he has altered or refused to alter the Valuation or statement of area, or of any such tenement or hereditament, or otherwise amended the same in accordance with Section 20 of the Valuation (Ireland) Act, 1952.

2. That the said statement will remain open for inspection at my office, and extracts therefrom may be taken between the hours of 11 a.m. and 4 p.m. (Saturdays 11 a.m. to 1 p.m.) during the twenty-one days next after the date hereof, and the owner or occupier of any tenement or hereditament appearing thereon can obtain a copy of the portion of the said statement relating to such tenement or hereditament by applying within the aforementioned twenty-one days to the Commissioner of Valuation, 6 Ely Place, Dublin, or to the undersigned.

3. That any person aggrieved by the Valuation of any tenement or hereditament contained in said statement and desiring to appeal therefrom may within twenty-one days from the date hereof, by post or otherwise, deliver to me a notice in writing duly signed by him, the said person aggrieved, or by his known agent, of his intention to appeal to the Circuit Court in the manner provided under Section 22 of the said Valuation (Ireland) Act, 1952.

Dated this 4th day of February, 1938.

WATERFORD CO. BOARD OF PUBLIC ASSISTANCE

Mr. Commissioner S. J. Moylan, ministering the affairs of the County, Waterford, sat in the Secretary's Office, Home, Dungarvan, on Wednesday deal with business arising under Board of Assistance.

Financial Statement
The financial statement submitted by the Secretary showed a balance to credit at end of January of £4,358 17s. 9d.

Holidays
Nurse O'Keefe, Lismore was granted annual holidays. Nurse B. O'Neil, was appointed subject to sanction to duty during Nurse O'Keefe's absence.

Eggs for Co. Hospital
Only one tender was received for supplies of eggs to the Waterford Co. Hospital, for a month, viz., Ed. Kilmachomas, at 1/3 per dozen. The Secretary said the price is higher than in Dungarvan, where tender is for 11d. per dozen. Being the only one received the tender was accepted for the month.

Number in Co. Home
The minutes of the County Committee were submitted by Mr. Clerk and Storekeeper and approved. The minutes showed the number in County Home and District Hospital, viz., 100; January as follows: Co. Home—admitted 80; born 92; charged 69; died 8. Number remaining 150 women 158; children 27.

Lismore Fever and District Hospital
The Department wrote enclosing a report received from Mr. D. O'Connell, Clerk Lismore Town Committee pointing out that the flushing tank in the Lismore Fever and District Hospital appears to be hopelessly neglected. A letter from Mr. Bowen, Co. Surveyor to whom the matter was referred, read. The letter pointed out that the flushing tanks in question were installed by Mr. Odomde, B.E., at the end of the month. They were not flushed in order. If attention is required any time, it will be given by the Bowen's staff. The letter further stated that it would be well to point out to Town Commissioners of Lismore that they have no function whatsoever concerning the sewers at Lismore, and it is as well to leave the management of the sewers to those whose duty it is to do so. A lot of unnecessary expenditure.

An order was made that a copy of Engineer's report be forwarded to the Department.
Clay Pipes
A letter from the Department was received to complainants from the Home, Dungarvan, regarding the on the part of Messrs. Hanley at Waterford to supply clay pipes priced in Lioista O'Connell, out that the contractors have no deviation from the price quoted in tender form which is 6/- per gross necessary action should, therefore, be taken by the Board to ensure that Hanley adhere to the terms of the contract.
It was ordered that a copy of the report be sent to Messrs. Hanley.

Tender for Pigs
Three tenders were received for pigs at the County Hospital, Waterford, viz., Messrs. N. Phelan and Sons, Ltd., Jas. Grant, Ballybricken, Co. Wick, and Messrs. Cunningham Bros. Co. Wick.
Messrs. Phelan's tender was accepted.

Stocktaking
Two applications were received for stocktaking at the Co. Home and District Hospital, Dungarvan, viz., Mr. Smith, Burgery and Mr. Parks, Dungarvan.
Mr. Smith was appointed.
Mr. J. F. O'Donnell, was appointed Stocktaker at Lismore District Hospital and Mr. Daniel Power, 61 O'Brien Street, Waterford, was appointed Stocktaker at the County Hospital.

Grazing at Kilmachomas Workhouse
The tender of Mr. Nicholas Victualier, at £10 10s. for the grazing of the land attached to the above workhouse was accepted. Mr. P. O'Connell, Dungarvan, tendered at £10 10s.

Nurse Appointed
The Appointments' Committee recommended the appointment of Miss J. B. O'Donnell, Main Street, Dungarvan, for appointment as trained nurse at Lismore District Hospital.

Shamrock for U.S.A.
Those who wish to send shamrock to the U.S.A., should remember that authorities will not permit the shamrock unless the roots are cut and the plants and packing material are free from soil, or unless the shamrock is cut and forwarded in suitable sphagnum or preservative.

WATERFORD CO. COMMITTEE OF AGRICULTURE.
PREMIUMS TO BULLS, 1938

The County Waterford Committee of Agriculture invite applications from persons intending to compete for Premiums to Bulls under the conditions set forth in the Department's Live Stock Schemes 1938 and who are prepared to purchase or exhibit such animals at any of the following Spring Shows or Sales approved by the Department:—
February 23rd and 24th—Cork Munster Agricultural Society's Sale.
March 1st, 2nd and 3rd—Dublin—Royal Dublin Society's Bull Sale.
March 22nd—Waterford—Irish Dairy Shorthorn Breeders Society Sale.

The Premiums of Bulls eligible for Premiums and the Values of such Premiums will be as follows:—
Pure-bred Registered Dairy Bulls (Class A) ... £20
Pure-bred Registered Dairy Bulls (Class B) ... £18
Half-bred Registered Dairy Bulls ... £16
Pure-bred Shorthorn Bulls ... £15
Aberdeen Angus and Hereford Bulls ... £12

In making selections, the Committee shall have regard to the need for securing the location of an adequate number of bulls of the Short-horn (including Dairy Shorthorn) Breed. Towards this end the Committee shall allocate at least one-third of the available Premiums for bulls of that breed.

The Committee require all Applicants for Premiums to deposit with their applications £2, such deposit to be refunded in case the Applicant is not selected by the Committee or if he procures a Premium Bull. In the event of an Applicant failing to procure a Premium Bull, the deposit so made shall be forfeited.

Applications on Forms, which may be had from the undersigned, will be considered at a Meeting of the Committee to be held on the 18th FEBRUARY, 1938.

J. O'DWYER, Secretary to Committee.
Offices—Courthouse, Dungarvan.
