### BALLINAMULT NEWS

A very successful entertainment was held in the Mill Hall, Ballinamult, on St. Patrick's night under the auspices of the Parochial Committee. Long before the curtain went up the hall was packed to its utmost capacity. The programme was a long and varied one and the artists taking part acquitted themselves very creditably. At the conclusion of the concert Rev. Fr. Casey who was received with applause said he wished to return his most sincere thanks for the grand attendance at this musical concert. Fr. Casey also thanked the artists taking part and the committee who so kindly lent their services. The singing of the National Anthem brought a pleasant evening to a close.

### Shamrock For Aboard

This year there had been a record number of shamrocks for America and other countries from the district around Ballinamult, and for some time back there has been a great rush to procure same in the country side. Shamrocks were scarce probably due to the harsh weather and the heavy frosts of the last couple of months and the task of collecting any quantity had involved travelling farther than the usual limits.

### Extra Demand

There are many explanations put forward for the extra demand, probably the real reason is that increased emigration to England, within the past couple of years and mostly those who have gone are anxious to keep up their associations with home, and to sport the Shamrock with them, and to sport the Shamrock in America there is a continuing interest in Ireland, and the Irish Republic of New York's World Fair has already aroused much interest and recalled to many exiles thoughts of home that they are reminded that Ireland's great day is approaching and that they will want their little sprig of shamrock for they would enter into the spirit of the celebration in New York and other cities in the United States.

### Recent Deaths

The death took place at a comparatively early age of Mr. James O'Brien, at his residence, Ballinacorney on Sunday, March 19th. Deceased had undergone an operation quite recently and hopes were held for his recovery until last week when his condition worsened. Warm hearted by nature and of a bright and genial disposition the deceased gentleman was held in the highest regard by those who knew him. His unfeigned loyalty and never-failing good humour were always in evidence. He took an active part in the Sinn Fein and Volunteer movement and was a staunch supporter of the present Government since its inception. His home was always a haven of rest during the troubled times, and many a tired and weary limb was lodged after in the home of James O'Brien. He was a pious Catholic and maintained in the last hours of his life a most fortitude born of great faith and died with all the consolations of his religion around him.

### The Obituaries

The remains were removed to the Parish Church on Sunday evening followed by a large concourse of people and the funeral on Monday was one of the largest seen in the district which bore ample testimony of the popularity of deceased. Very Rev. J. Cullinane, P.P., and Rev. B. McGrath officiated.

The chief mourners were: Mrs. O'Brien (mother), E. O'Brien, Mrs. L. Kieley, Mrs. D'Meara, and Mrs. Brennan (sisters), P.K., and John Prendergast (nephews), E.K. and Peggy Prendergast (nieces), Capt. J. D'Meara and L. Kieley (brothers-in-law), James and Mrs. Hackett, James and Mrs. Kieley, James and Mrs. Keane, Edmond and Mrs. Walsh, Willie and Katy Hally, Edw. McCann, and Miss Kelly (relatives).

The following were: Miss Cards—Mother and Nell, Katy and Jack, Jo and Laurence, Peg and Anna, James Hackett, and Lily and Patrick Prendergast and family.

The funeral arrangements were in the capable hands of Mr. J. Kieley, Undertaker, Dungarvan.

### Reception of Young Lady

The reception took place at the Novitiate of the Sisters of Saint Joseph at Cluney, Galen Priory, Ferbane, County Offaly, of Miss Bridget Kieley in religious Sr. M. Cora, of the Blessed Sacrament. Miss Kieley is only daughter of Mrs. and Mr. Kieley, Cahermellegee, and niece of Mrs. Downey, R.T. Sean, Sallydoff.

### Whist Drive Winners

At the whist drive held in Cappoquin on Sunday night last, our local representatives, Miss Margaret Walsh and Mr. J. O'Keefe were the first and third prize-winners respectively. We congratulate both.

### Farming Activity

The present spell of fine weather has brought forth feverish activity on the farms here and an attempt is being made to make up for the time lost during the bad weather of the late autumn, winter and early spring. The area sown considerably from the rain-soaked wheat has been sown to anything like the extent which had been seen last year, and only small plots of winter wheat are being put in now in the hope that the harvest season will in some way recompense for the bad weather.

### YOUGHAL NOTES

Na Fool—  
Meads, we are told, "nothing doing" and this is how it has been here from the news point of view during the past week. Owing to the unusual pressure of office work the Council did not hold their usual weekly meeting in order to give the town clerk an opportunity of clearing off some of the arrears. Then along came Friday which was the National Festival and of course there was no sitting of the usual weekly court, so there we are minus our two best sources of stuff for the press.

St. Patrick's Day—  
Was as quiet and uneventful as any one could wish it to be just like an ordinary Sabbath day with the exception of one interesting innovation. In addition to the usual sermons at the Masses, dealing with the life and labours of our Patron Saint, for the first time in Youghal Parish Church the evening devotions conducted by Rev. D. Duggan, C.C., S.T.L., were all in the native language, and Fr. Duggan gave a brief but very interesting sermon, appropriate to the occasion in Irish. Irish was also used at the devotions in other Churches.

The G.A.A. swailed of the holiday to give an enjoyable and successful evening in the Town Hall on St. Patrick's night. The Sweep—  
At long, very long last, Youghal broke her ill luck in the Sweep this time. For year's past this town has drawn blank after blank. It is real pleasure to be able now to record a regular "double" in one case a popular young lady hailing from West Waterford—Miss Margaret Foley, Coolbagh, Clasterod, drew Takoor Pascha with a ticket sent her by a friend in New York, coupled with the condition that she should visit the U.S.A. metropolis if successful. The second successful ticket is held by Mr. Wm. Lehane, N.T., Christian Schools, who drew Royal Prince. His good luck is shared in by a few friends.

### G.A.A. CONCERT ON ST. PATRICK'S NIGHT

#### GOOD ENTERTAINMENT IN DUNGARVAN

STIRRING ADDRESS BY PRESIDENT, REV. T. B. WALSH, B.A., C.C.

The annual concert under the auspices of the Dungarvan Hurling and Football Club was held in the Town Hall, on St. Patrick's Night.  
The wonderful support extended to this annual event in former years was more than ever in evidence this year, as about five minutes before the Concert was due to start every available seat was occupied and the Committee had no option but to close the doors and refuse admission to numbers of people. The Concert was most successful, the enthusiastic reception which each artist received provided ample testimony of its brilliant success.

The Concert was opened with two Irish airs, harmoniously rendered by the Concert of Mercy Secondary School Choir. Master Phelan, Clonmel danced a hornpipe for which he received well-merited applause. A humorous monologue entitled "Dr. Shallow" was recited by Miss B. McGrath, this was followed by Mr. J. Conroy, N.T., Villiersstown, whose sweet tenor voice was heard to advantage.

Master Seamus Henneberry, Kilkenny was loudly cheered for his faultless execution of a hornpipe, and in response danced a jig with his brother Sean.

Mr. T. Cooney, Waterford (Sass) sang a Lullabye. "Just for today" was sung with expression by T. Mullane, Waterford.

The Abbeyside Troop of Catholic Boy Scouts under L. E. Langan, Scoutmaster, rendered some Irish songs in chorus as well as individually for which they received unstinted applause, and next came Mr. Michael Ryan, (Baritone) who sang "Travel the road" and "Bacac buide na Leige."

Masters Boyle and Mansfield executed a reel and jig in facile style for which they received a great ovation, and they were followed by Master G. Cody, Waterford (Soprano) who sang two Irish airs. Danny Hobbs (Cork Comedian) literally brought down the house with his rollicking mimicking turns. Mr. A. Burke, Abbeyside, danced a hornpipe in faultless fashion. Miss G. Enderless, A.L.C.M., delighted the audience with her rendering of a selection on the violin accompanied by Miss M. Deane, A.T.C.L. A.L.C.M. A hornpipe danced by the Waterford City ladies was executed in masterly style. Mr. B. Power, Graiguarah, with a beautiful tenor voice was next heard to much advantage. Miss Wheelast, Ballinacorney, cleared the "Covers of Daisies," the music being provided by her sister. These two accomplished young

### COUNTY TIPPERARY SHOOTING TRAGEDY

#### Accused Remanded at Dungarvan Court.

At a special court held in the Court-house, Dungarvan on Monday last, before Mr. Farrell, B.L., D.J., Michael Ryan, Farm-labourer, Kilkenny, Tipperary, who is charged with the murder of James Lynch, Charleville, Linnis, was remanded by the Criminal District Court on 27th inst. Supt. T. J. O'Sullivan, Tipperary, in making application for the further remand, said that from what he has ascertained in the course of inquiries, he expects to be able to give evidence connecting the accused with the offence. Some question has already been taken, and it is intended to proceed with the taking of further depositions. He therefore asked for a remand to Clonmel, on March 27th.

Justice—Does the accused wish to ask any questions?  
The accused, who had remained in custody, taking no interest in the proceedings, was approached by a G.W.P. Guard to make him stand up.  
Justice—"It's all right, the accused declines to ask any questions."  
The Justice then made the order sought, and remanded the accused to Clonmel, Co. Gal.

The so-called North and South, had regret we shall ever feel until our land is reunited once and for all, as is her right and destiny, and until the names of St. Bridget and St. Patrick and the Provincial Sec of his successors, His Eminence Cardinal MacLory, and all the sacred and historic places, now under foreign domination, are restored to us. To those of our fellow countrymen who are suffering from this unnatural division and tyrannical rule, we extend to-night our sympathy, and pray that the day is not far distant when they shall be with us again.

Concluding the Rev. President again thanked the performers for their excellent performance, and the audience for attending in such large numbers to this pleasant entertainment on St. Patrick's night of the National Apostle.

**Report on Agricultural Conditions in February, 1939**

**Weather and Work**—The spell of comparatively fine weather experienced towards the end of January continued a little beyond the end of the first week in February. This was followed by somewhat unsettled weather until the final week of the month when extremely wet, cold and stormy conditions prevailed. During the fairer periods considerable progress was made with the sowing of winter wheat. Stocks of seed held by merchants were quickly cleared and fresh supplies had to be obtained to meet the demand in full. Some ploughing was done in preparation for the sowing of spring wheat. Other seasonal work such as the re-handling and sorting of potatoes in pits and the clearing away of roots from the land received attention.

**Food Supplies for Wintering Live Stock**—Pastures afforded very little keep during the past month. Owing to the scarcity of grass and to the wet and cold weather conditions serious inroads were made on reserves of hay, straw and roots. The strictest economy will, therefore, need to be exercised in order that supplies of Cereals—While a larger proportion than usual of oats had been retained by farmers for feeding to live stock supplies suitable for seed purposes were limited in parts of the county, but arrangements were made for supplementing supplies of seed in which the necessity arose. The principal grain marketed during the month was oats. A quiet trade tended to keep price levels within reasonable limits. Feeding oats were around 7s. per cwt. or 12s. per barrel (14 stones). Prices for good commercial samples of seed oats ranged from 10/- to 12/- per cwt., with somewhat higher rates for special lots. Winter wheat for seed purposes sold at 30/- to 45/- per barrel (20 stones), and seed of spring varieties 40/- to 50/- per barrel. Small offerings of barley returned up to 14/- to 20/- a barrel for seed purposes.

**Flax**—The scrutching of the flax crop was approaching completion at the end of the month and the yield was estimated at about 32 stones of scrutching fibre to the statute acre. The quality on the whole was reported to be fairly good and current prices were 9/- to 10/- per stone.

**SPECIAL OPEN RAZOR BARGAIN**—If you use an open razor do not think that there are only a few men like you. There are hundreds around Waterford who claim that an open razor is best and would not think of using a "safety." A 10/6 open razor for 4/6 is the bargain offered at Harpur Bros. and it is certain that the stock will be exhausted. First come, first served, so hurry. These razors are of the finest German Hollowground Steel. They are in perfect condition, ready to give any man a perfect shave. They are the remainder of an old stock AND THERE ARE ONLY 47 LEFT. **KILMATHOMAS COURT**

(Before Mr. F. J. McCabe, D.J.)  
 Civil Bills

Decreases for full amounts claimed, together with the costs of each application, were granted in a long list of undefended civil bills dealt with. The solicitors engaged were:—Messrs. E. A. Ryan, Dungarvan; J. F. O'Gorman, Lismore; M. M. Hally, Waterford; Dr. Counihan, do. P. J. O'Connor, surr., do., and T. Kiersey, Kilmathomas.

**Local Garda Sergeant's Claim**  
 Sergt. M. Herity, G.S. Kilmathomas, sued John Joseph Joy, threshing-set owner The Square, do., for the sum of £8 due in respect of a Morris Cowley motor car he sold him at that price.

In the course of his evidence the applicant said the sale was closed after he had given the respondent a trial run in the car and from Carroll's Cross, when, at Mr. Joy's request, he delivered the car to him, leaving it in his shed, and respondent then promised to pay the £8 in the course of a few weeks when he would have collected money owed to him by farmers whose grain harvest he threshed. Applicant forwarded the registration book to the authority in Dungarvan, showing the transfer of ownership. Some two or three weeks later Mr. Joy came to the barracks and said he had some difficulty in getting the car insured. Applicant offered to put him in touch with the insurance company that covered it for him, and Mr. Joy immediately switched off to the tyres on the car. On the 5th January last he (Sergt.) got the registration book back. Mr. Joy still has the car.

Replying to his Worship, Mr. Joy, who was not professionally represented, said the trial run was only four miles. He didn't know much about motor cars, but had since discovered that he couldn't get tyres or fittings for the Sergeant's car, which they had to shove for some distance along the road after a stop in the course of the trial run. He couldn't use the car, being unable to get it insured. He kept the car in his shed as there were seven inches of water where it was previously housed.

Respondent at this stage handed a letter to the Justice, which, he said, was written by an inspector who had examined the car for him.

Returning the letter, after reading its contents, the Justice asked Mr. Joy what did he expect for £8. "Surely not a Roll's-Royce," went on Mr. McCabe, amidst laughter.

A decree for the amount claimed was granted.

**Garda Prosecutions.**  
 Guard M. Boyle, Kilmathomas, v. Edmund Coyne (70), Garranamilion, who was charged with the larceny of a pair of boots, by finding at Kilmathomas, on the 24th ult. Defendant, who was present in Court, pleaded guilty.

Remarking that he sometimes let off youth, he now gave the benefit of same to Coyne because of his age.

Dr. D. R. Counihan, surr., who appeared for the complainants being:—Sergt. Herity, Kilmathomas, Guard J. A. Rice, do., Guard M. Boyle, do., Guard E. Novlan, Kill, Guard M. McGrath, do., Guard P. Fitzgerald, do., Guard M. Leahy, do., Guard M. Connam, do., and Guard P. Whyte, Portlaur.

**Unemployment Insurance Cases.**  
 The Minister of Industry and Commerce prosecuted Thos. Kiely, Ballinlough, Kill, for an alleged having made false representations for the purpose of obtaining unemployment benefit on the 6th, 13th, 20th and 27th of July last, and again on the 3rd of August last, on all of which dates he was in the employment of Mr. Frederick Boyle, Whitestown, Kilmathomas.

Mr. Ryan, State Solicitor, told the Court that the accused had received £2 17s. 6d. benefit.

An official of the Labour Exchange, Waterford, informed the Justice that the full amount was since deducted from defendant's cards.

Admitting the charge, accused said that when he signed on he was pressed for rates. He was married and had three children, the eldest of whom was aged 13 years. He is a County Council worker and was in regular employment since December 2nd last, prior to which he was a year idle.

District Justice—You're a bad case. You appear as a man with a grievance against the Court, not as one who is guilty. Kiely was fined 5s. and allowed a month in which to pay.

**Same v. Daniel Kiely, Ballinlough, Kill.**  
 A similar charge, covering from 9th to the 16th of July last, when accused was in the employment of Mr. Frederick Boyle, Whitestown.

District Justice—(to Mr. Ryan, State Solicitor)—How does his case stand?  
 Mr. Ryan—Between the 9th and 16th of July last he received 12/3, that is at the rate of 1/9 a day.

District Justice—Was there any amount taken from him?  
 Mr. Ryan—No, there was nothing done in his case.

District Justice (to defendant)—Have you anything to say, Kiely?  
 Accused—I was getting 10s. a week. I had seven children to support, and to pay 2/1 per week rent. I got a constant job and I gave up signing. Only I had to do it I wouldn't have done it.

Mr. Ryan—It seems to me that this is a more deserving case than the other.  
 Accused—No man could carry on in my case.

Mr. Ryan—You look very healthy. If I had only 10/6 a week, and had seven children to support, I would not sustain any length (laughter).  
 His Worship dismissed the case under the First Offenders' Act.

**Instalment Order Sought.**  
 William Fitzgerald, Ballynabanogue North, and James Brett, licensed vintner, Ballynaneen, do.

Mr. O'Connor, surr., applied for an instalment order on behalf of Fitzgerald and stated the amount of the debt was £32 1/10 for weekly payments to date, under the Workmen's Compensation Act.  
 Respondent, cross-examined by Mr.

**Well Known Public Official's Death.**  
 The death occurred on St. Patrick's Day, after a brief illness, of Mr. John Drohan, Ballydine House, Carrick-on-Suir.

Deceased was income tax collector for Carrick, Piltown and Portlaur areas. He was a first division Civil Servant at Somerset House, London, for a number of years. He retired about twenty years ago.

He was appointed income tax collector. He was a devoted and popular and respected and was most efficient and courteous official.

**1/- a Gallon for Free Milk.**  
 Carrick Urban Council has accepted a contract for supply of free milk in town for 1939-40 at 1/- per gallon. The contractor is Mr. Thomas Ryan, Sir John's Road. Last year's contract was 10d. per gallon.

**Another Large Grant for Carrick.**  
 The Local Government Department has written to Carrick-on-Suir Urban District Council stating that a grant of £4,000 for road work will be available for the Urban District for one year, March 1939 to March 1940. The Council will be required to add £270 from local rates. The Council decided to accept an offer of £1,530 of £4,000 for Spring and Summer work and to add £70 to £1,530. The spending of the balance of the Grant will be dealt with at a future meeting.

**Two Burial Urns found near Mothel Co. Waterford.**  
 Dr. O'Riordan, Professor of Archaeology U.C. Cork has visited the residence of Mr. D. Power, Kilenabeg near Mothel, and has inspected with much interest two burial urns found on Mr. Power's land by Mr. L. Irwin, N.T. Mr. Irwin and Mr. Power deserve great credit for the intelligent interest they took in connection with the find. Mr. Irwin communicated with Mr. O'Riordan and gave him valuable assistance in locating the place in which the urns were found. It is understood that a further search will be made and that further treasures of archaeological interest may be discovered. Urns were part of a hoard of cremated bodies were held of burial equipment in Pagan Ireland.

**TALLOW NOTES**  
 Point to Point Races—The general arrangements for this popular fixture which takes place on Monday week, April 3rd are now almost complete.

The all-grass course at Springfield is situated in an ideal hunting setting, and from the natural grand stand a magnificent view is available, of all the races, practically from start to finish, and judging from the number of entries so far received the programme will be a very full one, provided weather conditions prevail, racing at its best must ensue.

The Committee extend a cordial invitation to owners and trainers to inspect the course, and see for themselves how it has been laid out; they also wish to point out that entries will close at 12 noon on Friday next.

**Annual Race Dance.**  
 The Committee in charge of the above, issue cordial invitations to all dance enthusiasts, to reserve Easter Monday night for attendance at the Cinema Hall, Tallow, where the gala night's entertainment has been arranged to take place. All interested will find full particulars in our advertising columns.

**Death of Miss J. O'Brien.**  
 We regret to announce that during the week a member of one of the oldest and most respected families in the town, in the person of Miss J. O'Brien, passed to her eternal reward at an advanced age. The attendance at the funeral and interment were striking testimony to the regard in which she was held.

**Congratulations.**  
 Again it is the pleasure of his fellow townspeople to offer congratulations to Munster's leading tenor, Mr. Frank Ryan, on the success which he achieved at the Albert Hall, London, during the St. Patrick's Day celebrations, and the recognition bestowed on him by the B.C.C. in featuring him in their well known Saturday night's programme "In Town To-night."

**LISMORE NOTES**

**National Festival.**  
 Bright sunshine with a fresh March breeze favoured the National festival at Lismore which was observed with due solemnity. In conclusion of the Novena to the Patron Saint many hundreds of communicants approached the altar rails at the 1.30 Mass which was celebrated by Rev. T. O'Gorman, C.C., at St. Carthage's Cathedral, who delivered a very nice sermon on the life of the National Apostle. At the conclusion, the hymn, "Hail the Glorious St. Patrick" was sung. The local troop of Boy Scouts paraded and marched to 12 o'clock Mass. Sprigs of shamrock were displayed by young and old.

At the evening devotions there was also an immense congregation. The annual collection for the Irish language took place outside the Church gates at the final of the 12 Hour Cup which took place in the afternoon between North Monastery and Mt. Sion.

The chief amusement provided for the people at night was the annual concert by the local Branch of the Gaelic League in the Town Hall.

It was truly reflective of Irish sentiment in music, song, dance, and histrionics, some Waterford artists lending their aid to local talent.

Dancing devotees divided their patronage between dances at Ballyduff, Tallow, and Cappoquin.

**Cattle Cheaper.**  
 Owing to the severe weather and scarcity of hay, cattle at Waterford markets have dropped in value during the past week. Stores, except where exceptional condition is shown are hard to sell, except at reduced values, and yearlings short of flesh, as many are now, are scarcely making prices obtainable last January.

**Potato Market.**  
 The annual potato market held at the Market Yard on St. Patrick's Eve showed no scarcity of potatoes, as I forecasted in two previous issues of this paper. Potatoes were bought as low as 6d. and 7d. per stone and many were unable to sell.

**Tillage.**  
 Not a sod has yet been turned in most of the tillage fields, and, judging by the present condition of the soil, nothing can be done for a considerable time. Both early potatoes and main crop sorts can be sown together whenever the weather does clear up, but probably nothing can be done until April.

**Lenten Devotions.**  
 The evening devotions held in the Church here attract large congregations. The Holy Season is being observed according to the best Catholic traditions.

**In-calf Heifers.**  
 Although the opening markets gave promise of record sales for in-calf heifers, trade has considerably eased off and buyers have apparently got cautious about paying big money for heifers and cows. Nice useful heifers, quite good enough for the average dairy farmer, have been bought for from £15 to £17 during the week. The severe weather appears to have an influence on this section of the industry also.

**Fowl Market.**  
 Hens 5d. to 5½d.; eggs 9d.; Chickens go to 10d. There was a good supply on offer, and hens and chickens were in great demand.

**Handball.**  
 Some years ago a committee was formed in Lismore for the purpose of reviving handball in the town, but seemingly it had no success. It is a pity that this game should have relapsed, as there is an excellent ball court in Lismore, built by the Duke of Devonshire, and in the early days the greatest of handballers played there. Lots of collections were made for its renovation but it ended there. It is to be hoped that handball enthusiasts in Lismore will make a strenuous effort this season to revive the game.

**Foxes.**  
 There is an exceptionally large number of foxes in the district this present season and the meets of the West Waterford Hounds have invariably resulted in plenty of good runs.

Unfortunately, however, Reynard is taking his toll of the poultry and raids on farmyards resulting in the loss of a number of birds are recorded.

**Dr. Harty Cup—Semi-Final.**  
 North Monastery (Cork) 8-5.  
 Mount Sion (Waterford) 0-1.  
 North Monastery scored a runaway victory over their Waterford rivals in the Dr. Harty Cup senior hurling quarter.

final on St. Patrick's Day at Lismore. They now meet Limerick C.B.S. in the semi-final.

Although the above score suggests a one-sided match, it was a scientific display throughout. North Monastery were superior in stamina, and had the wind in their favour in the first half.

They set a tremendously fast pace in the first moiety, whose ground play was a feature of the game, and by the splendid challenge in splendid fashion, and having worn down the opposition, then, crashed home a series of goals relentlessly.

The half time score:—  
 North Monastery . . . . . 2-2  
 Mount Sion . . . . . 0-1

**Dr. Hackett Cup—First Round Tie.**  
 St. Augustine's . . . . . 3-5  
 St. Carthage's . . . . . 0-2

St. Augustine's (Dungarvan) and St. Carthage's (Lismore), fought a strenuous hour for honours in the first round of the Dr. Hackett Cup, at Lismore, on Thursday last.

During the first half play was evenly distributed and both sets of backs were tested time and again, and the Lismore goalkeeper gave a fine display.

St. Augustine's were the faster team. It was noticeable throughout the game that the Friary boys played a ground game and not a player lifted the ball. At half-time matters were looking rosy for St. Augustine's who had their full score to a Lismore blank sheet. From the restart St. Carthage's began to play with rare dash. For twenty minutes they had St. Augustine's defending but their forwards failed to break through.

To the end St. Augustine's were pressing. Madden, Lordan, and Walsh were outstanding for the visitors, while Pollard, Vaughan and E. Foley helped Lismore in their attacks.

**Lismore Sports Club.**  
 The annual dance of the above club will be held at the Town Hall, on Easter Sunday Night, when the distribution of the 1938 Junior Hurling Championship medals will take place. Nothing will be left undone by the committee to make the dance a success. A first class orchestra will supply the music, and it is expected that a large crowd will patronise the function.

**Trout Anglers' Licences.**  
 There is a difference of opinion among trout anglers in Lismore concerning the contemplated five shillings licence on trout anglers.

The majority are not in favour of the licence, as anyone interested in fishing in the locality can't afford it. Besides when we recall the good old times when the Duke of Devonshire controlled the river when all anglers were treated with equality—it paints a different picture from present day times.

**DISEASES OF ANIMALS COMMITTEE**

A special meeting of the Diseases of Animals Committee was held on Tuesday, March 21.

**Appointments.**  
 Mr. Foley, Clerk stated that a communication had been received from the Department of Agriculture, approving the appointment of Mr. O'Neill as Warble Fly Inspector, but stating that the appointment of Mr. Fleming could not be approved. The meeting had been called as a further communication had been expected, but none had been received.

Mr. Thomas Flynn, Vice-Chairman, proposed the following resolution:—"That we, the Executive Committee, under the Diseases of Animals Act, again request the Minister to sanction the appointment of E. Fleming as Warble Fly Inspector, for rate-collector Harty's area. He, having a life-long experience of cattle, is in our opinion, fully competent for the position."

The resolution was seconded by Mr. J. Cunningham, and passed unanimously.

CAPPOQUIN NOTES

As we go to press we learn with regret the passing of two of the oldest and most respected residents of Cappoquin, in the persons of Mrs. Kelleher, Shanally, and Mr. Thomas Daly.

National League Match—Waterford v. Tipperary—All roads will lead to Cappoquin on Sunday for the National League senior football encounter between Waterford and Tipperary, which promises to be one of the best and most exciting football matches ever witnessed in Cappoquin.

Special mention must be made of the members of the Cappoquin Hurling and Football Club who have carried out wonderful improvements in the Sportsfield, and who took formal possession of it just a month ago, and these are bound to meet with general approval.

Teams from the above districts met at Cappoquin on Sunday last, in the first round of the junior football county championships. There was a very large attendance and the field arrangements in the ends of the local club were perfect.

Play was only a short time in progress, when the Aglish team brought the ball into their territory, and succeeded in scoring a goal. Following the kick-out, the ball was transferred to the other end of the field, and there most of the play remained, following continually pressing.

On the second moiety, play was much more spirited, and Aglish saw much more of the ball. Tallow made several dangerous movements, but no score resulted.

Successful Whist Drive—The organizers of the Whist Drive held at the Boathouse Hall, on last Sunday night, have every reason to be satisfied with the result of their labors, for it is a long time since any event of its kind received such wide patronage.

As a general speech, Rev. Fr. Dunphy thanked the many who had attended the drive, and he was glad to note that some of those who had come from distant areas had been successful in winning prizes.

The National Festival

The Feast of the National Apostle on Friday last was duly celebrated not only in the Old Land but everywhere in the Kingdom, and it is all over this old globe. Here at home the day was observed in the best traditional style and the sprig of shamrock was worn by all.

In all the Churches special sermons were preached on the life and work of St. Patrick and what he did to make us Green Isle the "first flower of the earth and first gem of the sea."

Lisnakhil Point-to-Point Races

Next Thursday 30th March the Waterford Hunt Point-to-Point Races will be held on the 1000 acre Lisnakhil Course. From the top of the hill the magnificent view, not only of the race but also of the countryside is well worth a trip to this annual event.

The course and conditions of the races will be the same as last year, except in the Combed Hunt Race which is to be run on the lines of the original Point-to-Point races. Competitors in that race will not know what the course is until the start, when they will have to judge in the distance.

It is hoped that all the best going in motor-cars will show that they are true sportsmen by taking their cars to the track on the day. What divides between a motor-load, five shillings for afternoon's sport is not much to have to pay.

Munster Win Railway Cup Hurling Final—Munster hurlers made an easy victory over the Leinster section in the Railway Cup Final, played at Croke Park, Dublin, on St. Patrick's Day. In the football final Leinster defeated Ulster after a close and thrilling game.

He also informed them that a very successful fund-raising party was held at the Vassar Castle, New York, on Saturday last, the proceeds of which together with the contributions to a subscription list were forwarded to the 7th Battalion Memorial Committee.

The list of contributors as well as the amounts subscribed from every source, will be published before the end of the month. It is hoped that both memorials will be erected and unveiled within the present year.

FAST CORK JOTTINGS

ing Match at Castlemartyr— On Sunday last in the Castlemartyr club grounds, Ballymacoda and Castlemartyr were in their tie for the Bishop Roche Cup. It was the third meeting of the teams in as many weeks in this competition, and as they had already a win to their credit the first game of the series aroused much interest locally, and this no doubt accounted for the fairly large attendance at Sunday's match. The pitch—though level enough—was a bit on the rough side and makes it difficult for the players to judge accurately the flight of the ball. It is a pity that during the very soft weather of which we have so much, it did not get a very thorough mowing. This would have been a great improvement. Both teams on Sunday appeared to be minus the services of some of their usual players, but this did not take away the interest in the match as good representative fifteen were fielded. Ballymacoda won the toss and played with the wind at their backs. Castlemartyr lined the offensive at once and pressed hard but Donnelly, who held the goal, Ballymacoda beat them back and again sent well down the field. Shaugnessy sent a stinger all the way to Castlemartyr goalkeeper, but Wade, Hennessy and Kelleher were ready and repelled the invaders. Jack O'Brien held to a Castlemartyr rally and was at mid-field for some time. Ballymacoda appeared to have slightly the edge of the argument, but a free to Castlemartyr, taken by White just across the Ballymacoda goal posts, in the wrong side was soon afterwards Ballymacoda awarded a severely but without recourse. Chris O'Brien tried hard for a score for Castlemartyr but Donnelly held his net. Power, Shaugnessy and Shanahan were prominent for Ballymacoda but their best efforts were nullified by the tactics of Wade, Hennessy, J. and C. O'Brien, and Barry. For fully twenty minutes neither side succeeded in penetrating the defence of the opposition though both ends were severely tested. Ballymacoda looked like regaining their aggressiveness on the part of a forward lost a good chance and the ball went dead. They again sent attacking, and this time their efforts were rewarded by the scoring of a lovely goal. Once again he used the short whistle west, they succeeded in using the green flag and half-time left score:— Ballymacoda 2-0; Castlemartyr 0-0.

changing over Castlemartyr attacking vigorously and in less than a minute had registered a goal. This they did like repeating a few minutes later they were frustrated by a sound defence of Walsh and Donnelly. Hennessy scored a seventy to the square but the do was too good. Ballymacoda had a penalty which Power controlled well, but cleared and the ball went wide. Power, because of an injury to his leg, went to goalkeeping for Castlemartyr. Soon afterwards Ballymacoda lost the services of Shaugnessy who retired owing to an injured hand. Ballymacoda soon afterwards got a point off a free per Power. Castlemartyr redoubled their efforts and they were beaten back repeatedly. Power again returned to the attack, and they were to the joy of their supporters they through for a spectacular goal. In excitement gripped the crowd, and a shrewd ash from broken hurley flew at the pitch Castlemartyr were all their opponents, and looked like a goal team, but the scorers were puffed and awarded the home-side's vital victory. Barry, Wade and O'Brien sent them. From this on there was no further and the long whistle left the result. Ballymacoda 2-1; Castlemartyr 2-0. P. Barry, Castlemartyr, was the re-

Ardmore Dance— On St. Patrick's night the annual big dance was held in St. Declan's Parochial Hall, Ardmore. Over 100 couples attended from all parts of West Waterford and East Cork, and all had a very enjoyable time. Splendid music was supplied by Nancy Curran's Dance Band, the floor was in perfect order and carnival decorations added to the picturesqueness of the scene. General arrangements were perfect, as usual, in the capable hands of Messrs. J. Quinn, W. Mocker, J. Crowley and J. Moloney.

Dancing concluded at 3 a.m. with the playing of the National Anthem.

Ardmore G.A.A.— Ardmore G.A.A. Club is at present busily engaged making arrangements for the opening of the championship. The new club promises to be one of the most successful in the division and has plenty of material at its disposal while a grand enthusiastic spirit prevails amongst its members. The players are young and inexperienced but should develop into first class players in a year or two.

In the hurling championship Ardmore meet Faugh-a-Ballagh (Mellary) in the initial round while they line out against Knockanore in the football championship. The football match will be played at Clashmore with Mr. Thomas Cotter, Aglish, as referee.

Ardmore Cellidie— On Easter Sunday night a big Cellidie will be held in St. Declan's Parochial Hall, Ardmore under the auspices of the local G.A.A. organisation. Ballymacoda, Thursday, March 16th— Hanrahan's Ray yielded a fox which ran over the Clonnel road by Ballymacoda and veering to the left passed Vicarstown school, through Tourah by Ballymacoderry to go to ground nearby.

Beary's Cross, Monday, March 20th— This meet provided the best run of the season. A wonderfully strong fox took a large field on a twenty mile run from Lackenarra to Ballymacoderry. Several followers stated that it was the finest run they ever experienced.

It was a nine mile point, twenty miles as bounds ran and lasted for over two hours. During the run the master received a bad spill and was removed to a Cork hospital for treatment. This meet finished a very successful season—foxes were plentiful and large fields turned out regularly.

Mr. Harry Myles— The continued success of the West Waterford Hunt is in no small part due to the wonderful work of Mr. Harry Myles. In season and out of season he has worked assiduously and unselfishly in the interests of the hunt and to day he is one of the most popular figures in West Waterford. His name is a household word and we hope that for many years he will remain in his present position. His presence is a guarantee that the hunt will go from success to success.

Kinsalebeg Match— At Kinsalebeg on Sunday last, under ideal weather conditions, Clashmore and Youghal in an interesting challenge football contest. Play was of an even nature but eventually Youghal proved superior and emerged victorious. The Youghal team were faster and showed better training. Clashmore, on the other hand, had a young experimental XV which had no opportunity of practice during the winter months.

For Youghal, Healy, O'Loughlin, Ring and McCarthy starred, while O'Flourke, Cunningham, O'Brien and Hogan were best for Clashmore.

Mr. M. O'Sullivan, Youghal, retired. Congratulations are extended to Miss M. Foley, Coolahill, Clashmore, on her success in the Grand National Sweep. Miss Foley, who is sister of Rev. Fr. James Foley, Mayothe Mission to China, is accountant at Broderick's Drapery Stores, Youghal.

EARLY SPRING— Successful gardeners plan ahead—that is one reason why they are successful. An early Spring does not catch them unprepared. The have settled beforehand the seeds, plants and bulbs that they intend to grow. They have decided the number and kind of garden tools that are required. Some garden experts have predicted an early Spring, so, like good campfollowers, they have purchased their simple tool needs already and the assurance of July weather in March would not flurry them a bit. They are prepared. You too may need a spade, a rake, a digging fork or a trowel. A spade saves so much work when anything more than a bucketful of earth has to be moved; a rake saves you the back-aches and so many minutes that can be turned to productive work; a digging fork is indispensable for it saves you, literally, from cutting away the roots of your parable companion of the digging fork and the necessary small brother of the spade. Why not get one or more of these tools at Harpur Bros. and be prepared. Harpur Bros. have everything for the garden at all prices. Harpur Bros., Quay, Waterford.

# WATERFORD SHOW AND SALE

## INCREASED ENTRIES.

### High Quality of Exhibits.

The Fourth Annual Joint Show and Sale of Bulls under the auspices of the County Waterford and County Wick Branches of the Dairy Shorthorn Breeders' Society was held at Killohan Park, Waterford, on Tuesday last and proved most successful.

The quality of a great number of the animals on Show (which showed an increase of 40 over last year) was in the opinion of the judges, Messrs. T. O'Sullivan, Crookthorn (Dairy Shorthorn) and T. J. Murphy, Macroom (Aberdeen-Angus) of a class fit to be shown even at the Royal Dublin Society's world famous fixture at Ballsbridge. Thirty eight Premiums were awarded by the Department of Agriculture, being the same number as in 1938.

Mr. T. O'Sullivan, who judged the Dairy Shorthorns, spoke in terms of high praise of Rev. Father Furlong's exhibit. Even in Dublin, he said, this fine bull would be bound to attract the notice of the judges. The prize winning and premium bulls in the different classes were, Mr. O'Sullivan declared, equal to any he had seen this year in Cork or elsewhere, and this, he added, applied both to the pedigree and non-pedigree exhibits.

According to Mr. Murphy, who adjudicated in the Aberdeen-Angus and Hereford sections, there were at least a dozen bulls of superior quality on display. The remainder, however, he thought did not reach the same degree of merit.

The Silver Challenge Cup presented by Mr. J. D. Palmer, M.L.A., Waterford, for the best Pure-bred Registered Dairy Shorthorn Bull not more than 20 months old was won by the Very Rev. James Furlong, Kilmore, with Royal Butterfly together with 1st prize in the class, and a Department Premium.

The Presto Challenge Cup (presented by Fluke Maize Ltd., Waterford) for the best Non-Pedigree Registered Dairy Shorthorn Bull not more than 20 months old on date of sale, was won by the Rev. Mother, Presentation Convent, Mooncoin, with Sunrise.

The Silver Cup, presented by the Irish Aberdeen-Angus Society for Best Aberdeen Angus Bull at Show was won by Mr. Richard Crotty, Ballinacloy, Tramore, with Hector of Ballinacloy.

The recently appointed Secretary, Mr. James O'Regan, Coolin, Portlaoine, on whose shoulders fell the brunt of the organisation of this important fixture had all the arrangements perfect and the smoothness and dispatch with which both the judging and the sale were carried out was due almost entirely to his untiring efforts. He was ably assisted by Messrs. D. Coughlan, Hon. President, J. J. Drohan, Vice-President, and Patrick Morrissey, Hon. Treasurer, of the Waterford Branch of the I.D.S.B.S.

Messrs. Flahavan, Harty and Co., M.L.A., Waterford, and Messrs. Kilmacdonagh, were once again the auctioneers at the sale, which was characterised by brisk bidding, and, as compared with other similar fixtures throughout the country, very satisfactory prices.

Townland overdraft at the end of February is only a little more than half what it was on the same date in 1934, notwithstanding all the expenditure on the necessary works aforementioned.

This is due to better payment of Rates and the Public is requested to co-operate with the Council by paying rates promptly. In this connection I would refer to recent demands for de-rating. Those who talk about de-rating so lightly might first of all consider where the money to de-rate was going to come from. It would have to be found in one of two ways or both a huge increase in Income Tax or indirect taxation, or a tax on food etc. It is most unlikely the cost of de-rating will be imposed on the already laden tax-payer. I mention this so that rate-payers may not entertain any false hopes in this regard and should pay their rates promptly. The practical solution of the farmers' difficulties is better prices for his commodities when the payment of his rent and rates will form a very small part of his out-goings.

I congratulate the Secretary on the able manner in which he presented his estimate. It was a pleasure to examine them.

### ROCKFIELD RACES

Yesterday, March 23rd, the Rockfield annual races were held at Rockfield in very favourable weather conditions, and before a record crowd, although rain fell towards the end of the event, it did not have any appreciable effect on the conditions underfoot, which were all that could be desired.

The members of the committee in charge were Messrs. Michael Asher, Daniel Walsh, Edward Walsh, D. Kelleher, Michl. Tobin, James McGrath, Thomas Hackett, Thomas Scanlon, Jas. Fitzgerald, Michael Wall, Thomas Ducey, T. Flanagan, A. Flanagan, J. Flanagan, M. Flanagan, John Power, John Stack, J. Ryan, T. Brown, and P. Browne (hon. treasurer).

A special word of praise is due to Messrs. P. McCarthy and E. Flanagan for their efficiency and their praiseworthy efforts to make the races a success. The satisfaction of all present at the sport provided is in itself a fine tribute to these fine sportsmen.

Mr. Michael McGrath as Judge, and Mr. James McGrath as starter, were extremely painstaking and capable officials, to whom much of the success of the event is due.

The results of the races were as follows:—  
First race—The Committee Plate, open hurdle race (distance 2 1/2 miles)—M. Buckley's Brown Bess, 1; T. Hackett's Tipp. Tim, 2.  
Second race—Subscribers' Plate (Flat), for cobs 142 hands and under (distance 2 miles)—A. O'Hanlon's Little Kit, 1; E. Walsh's Kilmannon Rambler, 2.  
Third race—Finnisk Plate (Flat), open hurdle race (distance 3 1/2 miles)—Reginald McGiver's Coolleen, 1; James McGrath's Handy Andy, 2.  
Consolation race (distance 2 miles)—Tipp. Tim, 1; Rock Star, 2.
