ENTERTAINMENT AT BALLINAMULT.

A very enjoyable and successful Concert, in aid of the Parochial Fund, was held at Ballinamult last Sunday night. The Hall, which was kindly lent for the occasion by Mr. T. Callanan, Manager of Knockmeal, Co-op. Society, was packed to the doors, and judging by the hearty way in which they applauded the different items in the long and varied programme, they must have thoroughly enjoyed themselves.

The programme included two short plays by Dungarvan Dramatic Class. The first was an Irish Play, entitled, "Bairr agus Brod." The following took part in it:—The Queen: Miss Nuala Cullinan; Prince: Miss Dymna Halpin; Brigid: Miss Alice O'Connor; Step-mother: Miss Noirn O'Sullivan; Old man: Mr. Michael Keane; Two old women: Miss Monica Noonan, and Miss Alice Young; Court Ladies: Miss P. Condon; Miss G. Gough, Miss J. Daly, and Miss M. McCarthy.

The English sketch was of a humorous type, and was performed by the following young ladies:—The Mother: Miss Noirn O'Sullivan; daughter: Miss Nuala Cullinan; maid: Miss Dymna Halpin; and uncle: Miss Monica Noonan. Both plays were performed by members of the Dungarvan Dramatic Class, and were very loudly applauded.

In addition to the above, the audience was treated to a varied programme which included the following:—Irish songs: Lahras O Cadhla, Tomas Cundun, Seumas O Cathbhua; Tomas O Cathbhua, English songs: Mr. Sean Kennedy, Ballymacabery; Mr. E. Loneragan, Miss D. Halpin.

Irish Dialogue: Miss Mairead Barron, and Master M. O'Keely. English dialogue: Mr. Stephen Dunford and Mr. P. Crotty, Kilbrien. Recitation: Mr. M. Kiely, Kilbrien.

The following gave selections of Irish music on the violin: Padraig O'Milleadh; The Misses Bridget and Kathleen Whelan; and Miss Rita Mulcahy.

Exhibitions in Irish step-dancing were given by: Miss Peggy McCarthy, Miss Mary Kiely, Old Pike; Miss Rita Mulcahy, The Misses May and Nan O'Flynn, Square, Dungarvan; Miss Berry Barron, Miss M. Walsh, Miss Kathleen Whelan, Miss B. Whelan, and Miss Eileen Crotty. The music for the step-dancing was supplied by Mrs. Hallinan, Padraig O'Milleadh, Miss Eileen Crotty, and Mr. Sean Kennedy. All the Irish items were in the hands of Padraig O'Milleadh.

At the conclusion of the concert the Very Rev. J. Cullinan, P.P., in a well-chosen speech, in which nobody was forgotten, thanked everybody who helped to make the entertainment a success. He thanked the Manager and the Committee of the creamery for placing the building at the disposal of the organisers, and all the members of the staff, especially Mr. W. Hickey, and Mr. Murray for their valuable assistance. He gave a special word of thanks to the strangers, especially the Dungarvan Dramatic Class, who went to such trouble in coming to Ballinamult to assist in the good work. He thanked the musicians, the dancers, and the singers, and every body who helped in the work of preparation for the concert, and of making it a success.

The singing of the National Anthem brought a most enjoyable evening's entertainment to a close.

After spending a pleasant holiday in his native Kilmacthomas, Mr. James ("Boss") Kirwan, returned from there on Wednesday to London, where he holds a good position.

Numerous basking sharks are around the neighbouring seaboard. They arrive at this time every year, but it is not known where they sojourn in the winter.

BALLYDUFF NOTES

MOTOR ACCIDENT.—Two persons were seriously injured and three received slight bruises when a motor car driven by Mr. R. Huntington, Saint Mary's Ter. Cobb, crashed into the shop front of Mr. James O'Neill, Ballyduff last Sunday about 1.30 p.m. At the time of the accident there was a large number of people on the street returning from last Mass and it was very fortunate that none were hurt. The driver and his passenger escaped injury though the car was badly damaged.

Mr. Patrick Whelan, Araglen received injuries to his ribs and Miss Mary Barry also of Araglen had her collar bone injured. After receiving attention from Dr. McCarthy, M.O., the relatives of the injured by Very Rev. Fr. Dowley, in his car.

SEWERAGE SCHEME.—The sewerage scheme for the village is rapidly nearing completion under the capable direction of Messrs. Leahy and Sons, Contractors, Kilkenny. For many years the people of Ballyduff have been agitating for this much needed work to be done and when finished it will be a real boon. Mr. Lamb, foreman of the work has expressed his satisfaction with the local workers employed on the job, and says that he has seldom met a more conscientious body of men. The men in turn, express their appreciation of the kindness and consideration of Mr. Lamb.

FISHING.—Being situated on the banks of the Blackwater and convenient to some of the best stretches of fishing on that river, Ballyduff is specially interested in the fishing industry.

In former years the fishing season was eagerly looked forward to by devotees of the piscatorial art and by the people generally, as it was a source of both pleasure and profit.

Much money was circulated by the many fishing visitors. The salmon have now become so scarce however, that most of the fisheries are unlet with consequent loss of income to riparian owners and unemployment for ghillies and others.

Not so long ago Mooloolag House, and fishing rights were let at £650 for the season, now the house is becoming a ruin as it is impossible to get anyone to rent it owing to the deterioration of its fishing. We have laws passed and proposed. Inspectors Bailiffs and Conservators, but no fish. Reports from the lower reaches of the river, where netting is carried on, are, that an improvement has taken place during the past fortnight and that some catches have been made, some good hauls have also been made at the Killing Hatch, Lismore, but whilst this hatch remains there is not much hope for the Upper Reaches. Fish can escape the nets but none can escape the Killing Hatch. The only hope of fish getting up is from 6 a.m. Saturday to 6 a.m. on Monday when this "fixed engine" is not being operated.

Trot fishing is now in full swing and with the advent of fine weather many followers of his sport can be seen on the banks of the river each evening. The Blackwater is well stocked with trout and it is a glorious sight for the fisherman when he sees the river rippling with trout when the evening lull of fly comes out. What greater thrill is there than hooking a pounder in a strong stream. The whirl of the reel as salmon makes a run, the excitement as he jumps in the air in an effort to get rid of that annoying hook and the satisfaction when he is at last safely netted.

FARMING.—The soft warm rains of the past fortnight have been very welcome to the farmers, who were beginning to fear a recurrence of the drought experienced last year during the spring and early summer months. They sustained such heavy losses that they did not plant such a large acreage of beet and wheat this year. A shortage of winter feeding caused many to put their cattle out on grass earlier than usual, and as grass was scarce due to the dry hard weather and heavy frosts during early spring, the soft rain was indeed welcome.

CARRICK NOTES

BIG CROWDS AT CARNIVAL.

Between 2,000 and 3,000 people attended Carrick Carnival and Fancy Dress Parade on Sunday last. The fancy dress prizes were distributed by Ald. A. Byrne, Lord Mayor of Dublin, who travelled from Dublin specially to present the prizes. The Lord Mayor who was given a great reception said he felt honoured to find himself in the home town of the Davins and Kielys in the county of Charles Kickham. The spirit of unity and the different original items that characterised the carnival was a credit to Carrick-on-Suir. An address of welcome was presented to the Lord Mayor from Carrick C.Y.M.S. Davin Park and Carnival Committee. On the proposition of Fr. Ryan, C.C., seconded by Mr. R. Cleary, Chairman of Committee a vote of thanks was passed to the Lord Mayor who in reply said he was so much impressed by the warm-hearted people of Carrick and the splendid organisation of the Carnival that he would visit Carrick soon again.

LOCAL DEATHS.

The late Miss Theresa Kirwan, Castle St., was last survivor of Misses Kirwan who for 50 years carried on business at Kirwan's Hotel, Carrick-on-Suir. She was sister of the late Rev. Patrick Kirwan, C.C. Blackburn, England, and of Mr. James Kirwan, Castle Street, who survives her. The interment took place in Clonon on Saturday.

The late Miss H. Hickey, dressmaker, New St., was a member of an old respected Carrick family. The interment took place after Office and High Mass in Carrickbeg Friary.

DUNGARVAN URBAN COUNCIL

At the usual weekly meeting of the above, Mr. T. McCarthy, Vice-Chairman presided. Also present were Messrs. Connors, Byrne and Mansfield.

The minutes having been signed a pay-sheet of £18 17s. 8d. was passed.

The Clerk of Works stated that 68 men were employed on the Housing Scheme.

REQUEST FOR RAIL.

The Relief Committee, (British Legion) wrote requesting the use of the Town Hall on an evening during the week. This was granted.

A vote of sympathy to the relatives of the late Miss Mollie O'Dwyer; the relatives of the late Mr. P. English; the relatives of the late Miss Ryan; and the relatives of the late Miss Crotty, was passed unanimously.

NUISANCE BYELAWS.

The Co. M.O.H. wrote in connection with a report of the Council's discussion on the subject of the Byelaws with regard to nuisances, stating that the latest details he had with regard to piggeries in the town were that there were 33 pig keepers in the town. On the 22nd March 1939 the total number of pigs was 206. Of the 33 piggeries 11 are 30 feet from dwelling houses and the remainder vary from approximately 20 feet to 2 feet from dwelling houses.

Having considered this question, he could not advise the Council to make the distance any shorter than 30 feet. In addition, he was of opinion that if the Nuisance Byelaws were adopted without this regulation, the object of the Byelaws would be defeated.

Complaints had from time to time been received from residents of the town regarding nuisances as a result of pigs being kept under improper conditions. Accordingly in the interests of the general public he would recommend that the Council proceed to adopt these Byelaws.

The matter was deferred to the next meeting.

HOUSING SCHEME.

A letter from the Department relative to the Council's 139 house Scheme requested that the Engineers' observations on the defects noted in the report of the Department inspector be furnished as early as practicable.

The matter was referred to the Architects.

KILADANGAN FILTER TANK.

Another letter with regard to the quality of the water in the filter tank at Kiladangan, enquired whether the Council was yet in a position to furnish a report from the Borough Surveyor in connection with the working of the filters and the filtration.

The letter was referred to the Borough Surveyor.

PAYMENT ORDER.

A payment order was made to Mr. Cremin, E.S.B., District Accountant, re account for altering the position of a H. T. Cable at Mitchell Street.

ACCORDION BAND'S REQUEST.

The Chromatic Accordion Band applied for the use of the Town Hall on Wednesday night, 10th inst., to hold their usual Practice Dance from 8 to 11.

BOUNDARY WALL.

Mrs. Egan wrote drawing the Council's attention to the Boundary wall between the Council's property and hers, as it is in a very bad condition owing to the demolition of houses, the Council's property.

WATERWORKS.

Messrs. Delap and Waller wrote stating that they had now completed the calculation for the filling in of the dam amounting to 560.88 cubic yards which had been agreed to by the Contractor.

The Contractor left a negligible margin for shrinkage and the calculations are taken up to designed levels only. Should the dam shrink within these levels during the period of maintenance, the matter of making up to levels would come up for consideration before payment of retention money.

The extra on the filling amounted to £140 4s. 5d. The Contractor was also due £3 18s. 6d. total £143 18s. 5d. Deducting retention money at 7 1/2 per cent, £10 16s. they now certified for £133 3s. 5d.

A payment order was made.

SPECIAL MEETING.

The Clerk said in connection with the Housing Scheme, that the Borough Surveyor and he were in consultation with Mr. Williams, Solr., and had interviewed the Department, and they had decided that a special meeting be held next week, Mr. Williams and the M.O.H. to be present.

It was decided that the meeting be held on Friday night, special notices to be sent out.

CONNECTIONS WITH WATER SCHEME.

Mr. Byrne asked if all the people who were supposed to be connected up with the Water Scheme were connected.

The S.S.O. said he had a list of those who had not been connected up. Special notices had not been issued yet.

The matter was deferred to the next meeting.

THE AMUSEMENT PARK

The following letter was read: Walsh, P.C., Town Clerk, Youghal, Mr. Walsh—Thanks for your letter of 21st inst. The types of amusement proposed using at Claycastle, joints, and amusements. As the Council for the public, it should that our chief concern is to the safety of the public. In frequent not to prevent them. YOUGHAL URBAN COUNCIL

Mr. M. D. Broderick, Chairman, presided at the meeting of the Youghal U.D.C.; also present: Messrs. J. R. Smyth, P.C.; E. P. Lynch, D. McCarthy, J. Whealin, J. Forrest, J. Daly, B.E.; M. Abner, R. Power, T. Beausang, E. D. Condon, T. K. Keane, solr, P. J. O'Gorman, P.C.; R. C. Farrell, Vice-Chairman; Capt. C. Watson.

The Very Rev. D. Canon Dineen, D.D., P.P., wrote: "The main sewer on the road behind the New Strand Church is laid close to the boundary fence of the Church, and is over road level. There will be an entrance to the Church from this road and as the grounds of the Church fall away from this road the sewer is an obstacle to the proper making of the entrance. LABOUR AND WAGES.
On the proposition of Mr. Smyth seconded by Mr. Whealin, cheques for £156 14s. 4d. for labour and wages for the previous fortnight was passed.

THE AMUSEMENT PARK.

The following letter was read: Mr. M. H. Walsh, P.C., Town Clerk, Youghal. Dear Mr. Walsh—Thanks for your letter of the 21st inst. The types of amusement we propose using at Claycastle are: rides, joints, and automatics. As these are intended for the public, it should be obvious that our chief concern is to induce sufficiently large crowds to frequent the place not to prevent them. We cannot appreciate the implication that confirmation of the Council's decision to grant us the use of this site is necessary, as we understood from your letter of the 14th inst. that a decision had been made in our favour. Much less can we appreciate the suggestion that we will probably be charged a rent for the use of the site because our efforts will increase the circulation of money in the locality. If we can induce a greater number of visitors to Youghal, who will spend their money in the local business houses, surely it would be more logical of the Council to offer us payment for the service rather than to expect payment from us. Regarding the suggestion that we can obtain more suitable space across the road at Claycastle, we approached the holder of this ground prior to our application for the use of the communique and the promise made but it is not available. We suggest that the Council should reconsider its last decision regarding the communique, which is more suitable for some of our amusements than Claycastle. No permanent or semi-permanent structures are necessary. As the Council has changed its mind on several occasions regarding its decisions in favour of our projects, we cannot incur the expense of installing amusements on the front unless we have a definite assurance that we will be permitted to use the ground for the entire season. When this Association was formed the Council promised co-operation. On the strength of that promise we proceeded with our programme which would not have been attempted otherwise. In view, however, of the obvious opposition of some members of the Council, and their apparent power to alter its decisions, we will appreciate a definite decision in the matter before we proceed further. Yours faithfully, Youghal Improvement Association, J. V. Hallsey, Organising Secretary.

The letter was referred back for a further reply to the Council's letter.

A RECTOR'S THANKS.
Lt.-Col. H. S. Roth, Woodbine, Rut. wrote: I have been instructed by the Rector and Churchwardens, St. Mary's Collegiate Church to write & thank the Council for their courtesy and kindness in giving gravel for use at the Church. The gravel has already been spread on the church drive and has much improved the appearance of this historic monument which is visited by so many tourists to Youghal during the summer season.

The following letter was read: Commissioner's Office, Dungarvan, 21st April, 1939. In reply to your letter of the 30th inst. in regard to the piling up of siltage at the Youghal quays, I am to inform you that the County Surveyor reports that the suggestion that the embankment at Youghal Bridge is in any way responsible for the silting at the quays is entirely untenable and that the facts do not support this theory. He further states that it is not proposed to extend or reduce the embankment when the new bridge is being erected. Miss Le mas, S. J. Moynihan, Commissioner.

Mr. Farrell said in view of the fact that all the local master mariners were of opinion that the silting in question had occurred since the erection of the causeway

in question, he would like to have the opinion of Mr. Bowen, a very able engineer, as to the probable cause of the silting.

The Clerk stated that the L. G. Inspector's report on his visit to the Council's houses had been forwarded to the Architect, who stated he was taking up the matter with the contractor.

Mr. Power—What about the new scheme of houses?

The Clerk said it was being held up by the Department.

Mr. Power—It is an extraordinary state of things to hold up the scheme so long and so many men idle in the town.

Mr. Daly proposed a vote of sympathy with the husband and family of the late Mrs. Quinn. The family had suffered a severe loss in the cause of freedom by the killing of their eldest son, James M. Quinn, in the adjoining Co. Waterford. The deceased lady was a grand character.

Mr. Lynch seconded said that in the dark days of the trouble Mrs. Quinn proved herself a great Irishwoman. Volunteer J. Quinn was the first to lay down his life for the cause in that area.

Messrs. Power, O'Gorman, Whealin, Beausang and others associated themselves with the proposition.

The Chairman said that in adopting that proposition they expressed the feelings of the whole community. The deceased lady was a model Irish Catholic wife and mother.

The Town Clerk on behalf of the other officials and himself, asked to be associated with the proposition, which was passed in respectful silence.

Mr. O'Gorman proposed a similar vote to Mr. Robert Pyne and the other relatives of Miss Pyne. They came of a good old Youghal stock. Miss Pyne had spent the better part of her life teaching the children at Gurtroo, where she left an esteemed and honoured name behind her.

This was seconded by Mr. Keane, supported by the Chairman and other members and the Town Clerk, and passed.

The Clerk submitted a draft advertisement for the post of rate and rent collector in the room of Mr. J. E. Farrell, resigned. A discussion ensued, during which it was stated that the collector was allowed 2½ per cent. on the rates and 10 per cent. on the rents collected.

Mr. Power—What is the total salary of the collector?

Clerk—Last year it was approximately £320. It would be advisable to appoint a collector before the 31st inst.

Mr. Farrell thought 7½ per cent. sufficient for the rent collector.

It having been suggested that the position might be divided, the Chairman and Mr. Power said in view of the figure given by the Clerk it would not be advisable.

Mr. Daly disagreed. The salary was about £360; 25 new houses would be erected within 12 months, with more to follow. In a small town like this two would live in comfort—one collecting the gas returns and the other the rates, etc. It was on the part-time but pensionable and a permanent post was something in these uncertain times.

After prolonged discussion the Clerk's draft advertisement was adopted by their employees. On the proposition of Mr. Beausang, seconded by Mr. Lynch, Mr. Daly dissenting, the Clerk was instructed to have particulars of the collector's remuneration for the past three years.

A letter was read from the Medical Officer, Collins Barracks, Cork, asking for a special copy of the latest analysis of the local water.

The Clerk said he had forwarded the required information. The analysis was very satisfactory.

The Clerk said he had received a circular letter from Dr. Condy regarding rats (laughter). The circular was being circulated.

Several members said there was a good lot of damage done by the rodents.

The Chief Superintendent Garda Siochana (Cork) wrote stating that none of the samples of milk taken at Youghal was found defective.

The Chairman—That is satisfactory.

CONSCRIPTION.

Mr. Daly proposed that they protest against the threat of conscription in the North. Twenty-one years ago they stood up against it and succeeded, thanks to the militant members of the Irish Volunteers. They assured their friends in the North that they would fight against it again. It was up to the Imperialists to prove their patriotism by joining the Army, but it was up to true Irishmen to defend their own nation.

Mr. Power, seconded, said if the people of the North were really loyal to Britain there would be no necessity for conscription.

Mr. Lynch, supporting the proposition, said the Nationalists of the North were suffering enough, and it was up to the Government to stand up for them.

The Chairman said they would all endorse the resolution.

Mr. Power—The Nationalists of the North owe allegiance to Eire only.

The proposition was passed unanimously.

THE BRIDGE TRAFFIC.

The Chairman said as regards the question of the bridge, he suggested that they should inform the Irish Tourist Association that it was open for traffic, night and day subject to the regulations drawn up by the Co. Surveyors of Waterford and Cork—maximum weight 3½ tons and speed 5 miles while crossing a couple of hundred yards.

The Town Clerk—That is a wise suggestion.

Mr. Power enquired was there any information as to what was being done regarding the project of the new structure.

The Chairman suggested that they ask the Co. Surveyor.

Mr. Daly said he understood that the

four T.D.'s were to approach the Department.

Mr. Power—They were to introduce the Bridge Committee.

The Chairman's suggestion was adopted. Mr. Keane said there was a great deal of confusion regarding the use of the bridge at present. All the local people knew it was open for traffic at all hours subject to the regulations of weight and speed. He suggested that advertisements be sent to the Press with the object of giving information to outsiders as to the present conditions.

The Clerk said that a number of tourists called on him for information. The notices on the bridge caused great misunderstanding, as many approaching motorists thought they referred to lorries only.

Mr. O'Gorman said as the tourist season was approaching they ought to take the necessary steps at once to inform strangers that they were at liberty at all times to cross the bridge provided the weight of their cars, etc. did not exceed 3½ tons and they crossed the bridge at a speed of four miles per hour.

It was unanimously decided to advertise in the local and Dublin press.

STRAND FORESHORE.

Mr. Woodley, G.S.R. wrote stating that he had been informed by their employee T. McCarthy that he had found Thomas Long in a field belonging to Mrs. Slattery, filling sand into a lorry. When questioned, he said he had got permission from Mrs. Slattery.

The Clerk said the field was Mrs. Slattery's.

Mr. Lynch—If you have property can't you do what you like with it?

The Chairman—Not in all cases, nor if it constitutes a danger to the foreshore.

The Clerk said the sand was taken from Mrs. Slattery's field 40 or 50 yards back of the breastworks. Mrs. Slattery said she was selling her own property. She was

paying rent to the Land Commission. No action was taken.

ASSOCIATION OF MUNICIPAL AUTHORITIES.

A letter was read from the Association of Municipal Authorities applying for the usual subscription of 3 guineas for six copies of the Annual Report.

On the proposition of Mr. O'Gorman, seconded by Mr. Smyth, the application was granted unanimously.

AN TAOISEACH.

A letter was read from the Private Secretary of An Taoiseach, acknowledging the resolution which was referred to Headquarters for attention.

LAUDABLE LABOURS.

Since their advent to the pastoral charge of their respective parishes, the Very Rev. Fathers T. Galvin, P.P., Newtown and Kill; J. Crotty, P.P., Killorossanty and Fews; E. English, P.P., Stradbally and Ballylancey; J. Nugent, P.P., Clonsilla-Rathgormack; M. F. Hearne, P.P., Ballyduff-Portlawn, and D. Morrissey, P.P., Dunhill and Fenor, have been responsible for the carrying out of considerable improvements in the way of renovating the churches, schools and cemeteries in these districts, providing an appreciable moiety of much-needed employment to tradesmen and labourers. This is a work of superlative interest. Everywhere around us are the footprints of our early saints; the living traces of our grand civilisation, and this, our Mother Isle, should be, par excellence, the country of beautiful, commodious and comfortable churches and schools and of lovely laid-out and well-kept cemeteries. A spirit of holy enterprise seems the gift of the well-beloved Soggarths just named, and of their good Curates—the Rev. Fathers M. Power and J. Hally, Newtown and Kill; W. Meehan, Killorossanty and Fews; P. F. Walsh and J. Law, Stradbally and Ballylancey; P. Shine and D. O'Byrne, Clonsilla-Rathgormack; T. Power and L. Vereker, Ballyduff-Portlawn, and D. Slattery, Dunhill and Fenor. Whist and "45" card drives and bazaars and plays are being organised by parochial committees for the purpose of furthering and swelling the funds raised to meet the cost of these improvements to parish property, and it is pleasing to note that such functions are receiving a generous measure of support from the parishioners and public generally.

R. I. P.—

News of the death of Mr. J. O'Brien, farmer, Ballyvoile, Stradbally, was received throughout these parts with the most poignant sorrow.

Many fervent prayers were offered up for his soul when the melancholy news became known. The sad event happened at his home on Friday of last week after a brief illness and in the fullness of his years. He will be missed by a large circle of relatives and friends, with whom he lived on the most friendly terms. The deceased was an extensive and most successful farmer. Possessed of a humble, unassuming and homely disposition, he was a universal favourite with all those who had the pleasure of his acquaintance. A numerous cortege accompanied the removal of the remains to the Parish Church of the Exaltation of the Holy Cross, Stradbally, on Saturday evening. After the 11 o'clock Mass on Sunday the funeral took place in the family plot in the adjoining cemetery, in the presence of many mourners and sympathisers. Rev. P. F. Walsh, C.C., Stradbally, officiated at the graveside.

ANOTHER DEATH—

Deep regret was felt at the announcement of the death of Mr. James Power, Main Street, Kilmacthomas, which occurred at the County and City Hospital, Waterford, last week-end, following an illness of somewhat protracted duration and at an advanced age. The late Mr. Power's personality made him a favourite with all classes, young and old, as his sincerity of disposition and charm of manner never failed to touch a responsive chord in the hearts of everybody with whom he came in contact. The remains left the city for Ballylancey Churchyard on Monday afternoon, accompanied by a large number of friends, and as the mournful cortege came through Newtown on its way it was met at various points en-route by relatives and friends anxious to pay a last tribute of respect to the memory of one they loved so well, until ere it reached Ballylancey it was of immense proportions, showing the regret at the demise and sympathy felt with those whom he left behind. Father Walsh, C.C., Stradbally, read the burial service.—The Light of Heaven to his soul.

THE NEW HOUSES.

That the work of building fourteen workmen's houses at Kilmacthomas is being pushed ahead with commendable rapidity is a fact obvious as it is pleasing to publish. Roofs are now being placed on the concrete walls of some of the structures. When the entire job is completed it will

certainly be a credit to the contractor, Mr. B. B. Nolan, Waterford, and his employees.

BY THE WAY—

Mention of the word "concrete" in the preceding paragraph reminds us that the material was the invention of an obscure Leeds bricklayer named Joseph Aspdon over a hundred years ago. But for this commodity we would be without many triumphs of construction all over the world. We are thinking how auspicious it would be if some fertile mind could hit upon a substance that would cement the nations of Europe into one happy fellowship without friction or fortification. Now that the holiday sheets are going the rounds of most offices it seems eminently inopportune that we should be faced with any crusade of a belligerent nature.

GAELIC GARNERINGS.

As advertised in another column, the Mountain Rovers' (Rathgormack) Gaelic Social Club are bringing off a grand gala Cinderella dance at the New Hall, Kilmacthomas, on to-morrow (Sunday) night, and the fancy plot in the adjoining cemetery, in the presence of many mourners and sympathisers. Rev. P. F. Walsh, C.C., Stradbally, officiated at the graveside.

Music will be supplied by the renowned Twilight Serenaders' Band (Fethard), and the usual catering arrangements will obtain. All are cordially invited, so—be there with the rest!

Stradbally's senior and junior football challenges with Killorossanty's first and second strings were set for the seashore venue of Sunday last, but the heavy rainfall on Der Tag forced a postponement of both battles.

The Mountain Rovers opposed Windgap (Carrickbeg) at Clonsilla-Power, in the first round of this year's junior football championship of East Waterford divisional area. Played before a good attendance the game was always nice to watch, with the antagonists at times showing delightful football. The Mountain Rovers were well worth their point win. Result—

Mountain Rovers, 2—3; Windgap, 2—2. Sorry to hear that sterling Gael John Lonergan, of Leamybrien, sustained severe injuries when accidentally thrown off his bicycle returning from Stradbally on Sunday evening last. He was immediately conveyed to the Cottage Hospital, Dungarvan. We wish him a speedy and complete recovery.

Friend "Monnie" Foley informs us that the Faha players are in fine form for their first round junior football championship clash (West Waterford Division) with the Nire—coming off at Faha Field, Dungarvan, on to-morrow (Sunday) evening week at 4.15 p.m. Come on, Faha!

As was generally expected, our inter-county junior hurling representation easily conquered Kerry at Listowel.

CONFIRMATION—

As was briefly stated here last number, Most Rev. Dr. Kinane, Lord-Bishop of the Diocese, attended at St. Brigid's Parish Church, Killorossanty, on the 5th inst., and administered the Sacrament of Confirmation to upwards of 100 children from the schools of Killorossanty and Fews parish. The beautiful sacred edifice was filled to the doors. Holy Mass was celebrated at 11 o'clock by the Rev. W. Meehan, C.C., Killorossanty, who delivered a most impressive and instructive sermon on the Sacrament of Confirmation. Following the impartation of the Sacrament, His Lordship, in the course of a short address, congratulated Father Crotty, P.P., and the parishioners on the sound moral state of the parish. Having paid a glowing tribute to the teachers, he administered the Pledge to the newly-confirmed, to whom he delivered a special word of advice, before imparting his blessing on the entire congregation. The Church Choir prayerfully rendered an appropriate programme of hymns.

His Lordship was attended by the Very Rev. J. Crotty, P.P., Killorossanty; Very Rev. E. English, P.P., Stradbally; Rev. P. F. Walsh, C.C., do; Rev. J. Law, C.C., do; and Rev. J. Hally, C.C., Kilmacthomas.

PIKE HALL CALLING—

In the advt. section of this copy is listed the names of the gifted group of ladies and gentlemen who will contribute at to-morrow (Sunday) night's Grand Celebrity Concert in the well and popularly known Pike Hall. The event, which is under the auspices of the local Amusement Club, bids fair to pan out a real red-letter treat, and a capacity house is confidently anticipated. Following the presentation of the excellently prepared programme, a dance will be held. Be there with your friends!
