Mr. Murphy, solr. (E. A. Ryan and Co.) admitted the offence and said this is a very old error which was licensed up to the end of February.
The case was marked withdrawn as was also a case against Wm. Attridge, Dungarvan, charged with using a lorry at Cappagh on March 30th. A like ruling was made in the case of John Noble, Main St. charged by Guard Deary with driving without a driver's license.

HORSE WANDERING.
Guard Deary charged Thomas Donnelly, Loughmore with allowing a horse, his property to wander on the public road. A fine of 2s. was imposed.

Guard O'Dea had a like charge against N. Beraford, Coolagrove, in respect of two dogs unlicensed.
Mr. Williams, solicitor, for defendant said it was an oversight on the part of the defendant, who licensed the dogs next day. A fine of 20s. mitigated to 5s. in each case was imposed.

The same complainant charged Mr. Hayes, Deelish with a similar offence. Fined 20s. mitigated to 5s. Jas. Dee, Cusham also charged by the same complainant was fined a like amount.

CHANGE OF HOURS.
Mr. L. F. Lanigan applied on behalf of the Dungarvan Golf Club for an extension of hours, on Sunday, May 19th, from 10 p.m. to 2 a.m.

The application was granted.

BOUND TO PEACE.
James Power, Ringview, Ballinacourt, summoned Mary Foley, Kilmintoir for assault on Nov. 3rd, 1939, and sought to have her bound to the peace.

Mr. Farrell, solicitor for plaintiff said the case had been adjourned from time to time. The facts were his client purchased a site consisting of six acres of land for £120 from Mr. John Foley. The Board of Health selected an acre plot on the site and the defendant thought that as well as getting the £120 she should also get the price for the acre from the Board of Health. He (Mr. Farrell) went out there and explained that as the transfer was signed over to his client she had no title to the Board of Health acre.

Plaintiff Jas. Power in reply to Mr. Farrell said that on Nov. 3rd last about 3 p.m. he went to the site he had purchased from John Foley, the defendant came along and was shouting something when witness asked her what she was saying, she went on her knees and cursed him, saying he would be a cripple in the morning. She cut his head with a stone she threw. Witness did not go near the site since and did not send anyone else there as he was afraid she might attack them.

The defendant who did not appear was fined 5s. for the assault with 10s. costs, and continued the Justice—fearing there would be a recurrence of this conduct, she will enter in a bond, herself in a sum of £10 and two sureties of £5 each to keep the peace for 12 months or in default 3 months.

ABANDONED BICYCLES.
Sergt. Vaughan, Ring, prosecuted Patrick Flynn, Leigh, Ring and Ml. Byrne, Lognagoushee, Ring under the Lights on Vehicles Act.

Complainant said that the bicycles were abandoned on the roadside and they took them to the barracks. They found it difficult to ascertain who the owner of one bicycle was. Ml. Byrne subsequently admitted he was the owner.
The case against Patrick Flynn was dealt with under the P.O.A. Byrne was fined 5s. for not having a front light, the charge of not having a reflector was dismissed.
The case was conducted in Irish.

MEDICAL UNION RESOLUTION.
A copy of the following resolution, unanimously adopted at a meeting of the Co. Waterford division of the Irish Medical Union was received from Dr. Michael Casey, Hon. Secretary:—
"That in case of a complaint of neglect of duty made against a medical officer employed by Local Authorities which complaints are often flippant in character, this meeting of the dispensary doctors of the County considers that the proper tribunal to investigate these complaints would be a joint committee appointed from the Board and the local division of the Medical Union."

Dr. Casey went on to point out that many local authorities had already adopted the procedure suggested in the above resolution. The meeting had expressed the firm hope that sympathetic consideration would be given to the suggestion by the Boards of Public Assistance and Health, to each of whom a copy of the resolution was to be sent.

The matter was adjourned.

NEW HOUSE AT KILMINION.
M. O'Neill (Forming and O'Neill, building contractors) applied for permission to tap the water main at Kilminion (Ballinacourty Water Supply), to take in water to a new building which is being erected there.

Permission was granted on the usual condition and that a charge of £2 was made for the use of the water while the building is being constructed.

PAYMENT ORDERED.
It was decided to pay a sum of £21 16s. to the common fund of the Waterford and New Ross Sanitary Authority or 10 per cent. by virtue of the provisions of the Waterford and New Ross Sanitary Order, 1904.

OLD MATERIAL AT LISMORE FEVER HOSPITAL.
Mr. J. Bowen, County Surveyor, wrote stating that there was a quantity of old material from the Fever Hospital recently demolished at Lismore, available for sale, and the best course, in his opinion, would be to hand it to an auctioneer to sell by public auction at an early date.

He suggested Mr. M. F. Walsh, Cappoquin, as auctioneer.

This suggestion was approved, and the material required for shelters for playground, etc. to be retained.

Death of Mother Mary Magdalen Cribben, Convent of Mercy, Kilmacthomas.

We regret to announce the death of Mother Mary Magdalen Cribben, which took place on Monday last, May 8th (Feast of St. John before the Latin Gate), in the 51st year of her religious profession.

It is difficult to write the last appropriate word of the praiseworthy dead, especially when the praiseworthy dead is a nun; more especially when the nun is Mother Mary Magdalen. A native of Nass, Co. Kildare, she was sister of Reverend Mother Aloysius, Convent of Mercy, Kilmacthomas, and was Matron of the local Hospital for a long number of years prior to and up to its closing down under the Amalgamation of Unions Act. Her duties, manifold and onerous, were ever done silently, selflessly, effectively, but ever sweetly. To attempt a panegyric is to risk writing incredible things to those who knew her not, and inadequate to those who did. Besides, one feels it a sort of sacrilege to break into the privacy of that hidden life she loved to live. It is not easy to say the last word of such a lady, and when she died no wonder the community forgot they were nuns and wept. The memory and the example and the work of Mother Mary Magdalen will long remain in the Convent she loved, a benediction, a solace, a boon, a source of joy, her youthfulness, her activity, her mind, seemed to belie her years.

For the nuns bereft of her pleasing, almost indispensable presence, we lament, but for the dear departed one we rejoice; for "Blessed are the dead who die in the Lord."

High Mass was celebrated in the Convent Church on Wednesday morning, and interment was made immediately afterwards in the adjoining Nuns' Cemetery amid many manifestations of profound sorrow—Requiescat in Pace.

Very Rev. Canon Prendergast, P.P., V.F., Carrick-on-Suir, presided at the Office and High Mass. Very Rev. T. Galvin, P.P., Newtown, was celebrant of the Mass; deacon, Rev. M. Power, C.C., Kill; sub-deacon, Rev. J. Harty, C.C., Kilmacthomas.

Murphy, C.C., do., and Rev. M. Murray, C.C., Cahir.

Burial subsequently took place in the adjoining Nuns' Cemetery, and all of the clergy just named again officiated at the graveside.

There was an enormous attendance of the general public at the graveside.

The chief mourners were:—Mr. and Mrs. Fields, Nass; Mrs. Fullam, do. (cousins); Mrs. J. Monahan, Curryhills House, do. (nieces); and Miss Nellie Ennis, do. (grand-niece).

Mass cards received were as follows:—To dear Aunt Magdalen, from all in Woganwood; To Aunt Magdalen, from Jim and Mary; To Mother M. Magdalen, from the Regan family; To Mother M. Magdalen, from Kathleen; To Aunt Magdalen, from Paddy, Mary and the boys; To Mother Magdalen, J. Dorrian; To Mother M. Magdalen, from Mollie Hill, Dungarvan; To Mother M. Magdalen, from her old friends, Madge and David; To dear Mother M. Magdalen, from Minnie and Agnes; To Mother M. Magdalen, from Mrs. Callaghan and family; To Mother Mary Magdalen, from Maureen Kirwan; To Mother M. Magdalen, from Maggie; To Rev. Mother Magdalen, from Pat and Annie Kiersey, in loving memory; To Mother M. Magdalen, from Mrs. Tierney and Mrs. Healy; To Mother M. Magdalen, from the Kirwan family, Kilmaclean; To Mother M. Death of Mr. J. A. Draper.

The deceased young gentleman who was only about 30 years of age was after a brilliant collegiate course attached to the National Bank and served for a number of years in the Dundalk office, recently being transferred to the New Ross branch. Failing health compelled him to go on leave two months ago, but despite the best medical attention he passed peacefully and resignedly to his eternal reward on Tuesday to the inexpressible grief of his young wife, his parents, brothers and sister.

The high esteem in which the late Mr. Draper was held by all sections of the community and the widespread sympathy felt for his bereaved wife and family was shown by the very large and representative attendance at the removal of the remains which took place from his parents' residence, Church Street, Dungarvan, on Wednesday last.

S.F. CHAMPIONSHIPS.

Kilrossanty Take on Mount Sion and Stradbally Face Erin's Own.

Kilrossanty will travel to Dungarvan on Sunday, 12th inst. to take over for 1940 the burden of defending the senior football championship honours which they won last year, from Mount Sion. It is generally believed that Kilrossanty should have no difficulty in defending their position in this first round match and if Mount Sion succeeded in over-coming the seasoned, very championship holders it will be the biggest surprise of the season. Kilrossanty are fielding the fifteen which defeated Stradbally last year at Cappoquin, and it is highly improbable that a better or sounder combination could be found in the Decies this year.

Mount Sion are new contestants in the senior football championship for they are graded senior this year as a result of their victory last year in winning the junior football championship of the county. They will without doubt put up a strong challenge and be eager to establish their right to senior status, so that Kilrossanty will be careful not to underestimate their opponents. The Dungarvan field will suit Kilrossanty best as it is familiar to all their players.

STRADBALLY V. ERIN'S OWN.

The Stradbally senior football fifteen will be at home to Erin's Own on Sunday in their first round tie of the 1940 season. Stradbally would seem to be indicated as winners of this set-to, for their record in senior football ranks for the past few years has been highly creditable and they will probably field the team which held Kilrossanty to a draw in last year's final, and gave the latter a dour and unending struggle for honours in the replay. Erin's Own will have the advantage of good training and experience on the hurling field to assist them, but they are first and foremost a hurling combination and it does not seem likely that they will be able to overcome a team which is steeped in the art of football as Stradbally undoubtedly is. Stradbally are taking no chances and will be at their keenest on Sunday to defend the football traditions of the Cove. The winners meet Dungarvan in the second round.

KILMACTHOMAS NOTES

SOUND ADVICE. A local lad who has recently become an enthusiastic amateur boxer interested your newswriter the other evening when he quoted the words of his instructor—"Never, never pick a fight, and never get into a fight if you can possibly stay out of it."

A SUGGESTION. How about converting the disused work-house at Kilmacthomas into a clinic for sick books? It will surprise many to learn that books have many diseases. The need for such an hospital will be understood when it is stated that sometimes entire libraries on the Continent are destroyed by an inexorable affliction.

LOCAL LADY PROFESSED. The Lord Bishop of the Diocese (Most Rev. Dr. Kinane) officiated at the profession of Sister Mary Conrad at the Ursuline Convent, Waterford, on Sunday last. The newly-professed nun is a daughter of Mrs. Meehan, Killerguile, Clonsa-Power, and the late Mr. Patrick Meehan, do. (who was Munster's leading hurling manufacturer over the past quarter of a century).

DEATH OF MR. M. TORPEY. On Friday, May 3rd, Mr. Michael Torpey, son of Mrs. Torpey, Garrurturnon, Kilmacthomas, and the late Mr. John Torpey, do, died at the County Hospital, Waterford, after a protracted illness in his 29th year, and the news of the sad event occasioned sincere regret over a wide area. Deceased was an extremely and beloved character, and possessed of a very sympathetic and charitable disposition. His mother and sister and brothers have been the recipients of sincere expressions of regret at the bereavement they have sustained. May he rest in peace. A big concourse of neighbours accompanied the removal of the remains on Saturday evening to St. Anne's Church, Ballingown, where they were received by the Rev. P. F. Walsh, C.C., Stradbally, who recited the prayers for the dead. After the 11 o'clock Mass on Sunday interment was made in the family plot in the adjoining cemetery, in the presence of innumerable relatives, friends and sympathisers. Very Rev. E. English, P.P., Stradbally, pronounced the final absolution at the graveside. A number of beautiful floral wreaths were laid on the grave, and many Mass cards and messages of condolence were received. The chief mourners included—Mrs. Torpey, Garrurturnon (mother); Miss Katie Torpey, The Lodge, Carrigbarrahane, Stradbally, (sister); Mr. James Torpey, Glendallan (uncle); Mr. Davé Kiely, Carrigcastle, Bonmahon (brother-in-law); and Masters M. John and Peter Kiely, do. (nephews). Requiem Masses for deceased's soul were offered up during the week.

DEATH OF MISS A. M. KIELY. There are few who knew and appreciated her for her many inherent good qualities, but will learn with keen regret of the demise of Miss Agnes Mary Kiely, second youngest daughter of Mr. and Mrs. John Kiely, Ballingown, Kilmacthomas, which sad event happened on Friday night of last week at the Cottage Hospital, Dungarvan, following a brief illness and in the early age of 21 years. A lady of many kindly and amiable traits of character, she deservedly enjoyed high degree of respect and popularity amongst the neighbours. A most exemplary Catholic, she was a Child of Mary, and was most assiduous in the observance of her religious duties. To her bereaved ones sincere sympathy is extended in their great loss. Peace to her soul. An extremely large and representative cortege accompanied the removal of the remains on Saturday evening to St. Bridget's Parish Church, Kilmacthomas, where they were received by the Very Rev. John Crotty, P.P., do, who said the prayers for the dead. After the 11 o'clock Mass on Sunday, which was celebrated for the eternal welfare of the departed soul, the burial took place in the churchyard, in the presence of a vast assembly of mourners and sympathisers, and amid many manifestations of acute grief. Rev. W. Meehan, C.C., Kilmacthomas, read the burial service. Playing members of the Stradbally Senior Football Team bore the casket from the Church to the grave. Several lovely wreaths were placed on the grave, including one from Mrs. O'Dea, Ballinacourty, Dungarvan (by whom the late Miss Kiely had been employed). Mass cards were received from: "Mary Wall, Mary Street, Dungarvan;" "Her heart-broken parents;" "Her fond sisters and brothers;" "With sincere sympathy from Mr. and Mrs. O'Dea (Ballinacourty);" "To dear little Aggie, from Madge Power (Adramone);" "With deepest sympathy, from Stradbally Gaelic Football Club." The chief mourners were—Mr. and Mrs. John Kiely (parents); Mrs. K. Doran, Ballingown, and the Misses Ciss and Josie Kiely (sisters), and Messrs. Michael, Patrick, Andrew, John and Matthew Kiely (brothers). It would be impossible to give a complete list of the general public in attendance.

taking his departure from there next Tuesday on transfer to Tallow. A native of Kerry and a sterling Gael, he trained the Kilmacthomas Senior Football team which won the County Championship competition last year. Sergeant O'Shea is an excellent officer, and he and his estimable wife will bear with them to the Bride-veined town the very best wishes of all locally for their future happiness and prosperity.

Gaelic GARNERINGS. The members of the Stradbally hurling and football Club, at a specially convened meeting, voted condolence to their colleagues, Mr. Patrick ("Aeroplane") Kiely, Ballingown, on the death of his sister, and Mr. James Burke, Ballyvoile, on the death of his aunt, respectively. Happy to hear that Mick Whelan, who had a nasty fall off his bicycle the while proceeding to work on a recent date, is now fully recovered from the effects of the spill, and will be filling his usual berth in the forward line with the Kilmacthomas Senior Football team in their match with Mount Sion (in the first round of this year's County Championship), coming off at Frater Field, Dungarvan, on to-morrow (Sunday).

Also on to-morrow and in the same round and competition the Stradbally and Erin's Own senior strings will oppose at Stradbally, under the sirens of Mr. Sean Ormond, N.T., Kilmacthomas. The home-sters are not favourites of course, and while feeling sure that they will justify the confidence reposed in them we think Charlie Ware and Co. will be capable of keeping the game lively and interesting all the way. All about the bout will appear in the next number.

The Clonsa-Power senior hurling team were at home to the Carrick Davins in a friendly challenge last Sunday. The game, which attracted a nice-sized crowd, had to be abandoned ere the end of the first quarter, owing to a drenching downpour following in the wake of a violent thunderstorm accompanied by vivid flashes of lightning.

At a special meeting of the Kilmacthomas Football Club a vote of sympathy was passed with the husband and family of the late Mrs. Bridget Morrissey, Knockyelan.

And now to the first-round tie of the current year's East Waterford Divisional Junior Football Championship played at the Gaelic Field, Portlaoine, on Sunday evening last, between—

NEWTOWN AND DUNHILL. A representative attendance witnessed this tussle, which was well refereed by Mr. John Keane (Mt. Sion H. and F. Club). The weather was most unpropitious, as thunder and lightning and heavy showers were experienced during the hour of action. The set-to started at a terrific pace, and Dunhill, who were warm favourites, were subjected to a fierce offensive right away, and the Newtown skipper, Larry Veale, drew first blood when he booted a beauty over the bar after about a minute's play. Newtown kept up the pressure, and the brothers Dunhill and Jim Bluet pointed in turn. Dunhill defenders were being sorely tried and were forced to concede a '50, which Larry Veale drove to the goal-mouth for T. Flynn to fist "through the thatch." At the end of the opening quarter Newtown were ahead by 1-3 to nil. Dunhill raided but were quickly repulsed. Newtown had things well in hand but no further score had come when the arrival of the interval was blown. On re-summing, play was fairly evenly distributed. Entering upon the closing quarter T. Flynn came forward by a point. At this stage, J. Allen (Dunhill) retired injured and was replaced by Ned Moore, who was responsible for a desperate Dunhill spurt, which he crowned by hoisting the white flag. Further dangerous Dunhill attacks were broken up, but the side had the last notch of the contest—a point, per N. Dunphy. When the long whistle went Newtown were worthy winners, the register reading thus:

Newtown, 1-4; Dunhill, 0-2. We congratulate the successful side, for whom O'Connell, Veale, Flynn, Duggan, Dunne, Cummins, and the brothers Wall, Mansfield and Bluet starred brilliantly. Dunhill were best served by Veale, Coffey, Roberts, Dunphy, Casey, Moore, Fitzgerald, Corcoran and the brothers Cheasty. The respective goalies played well. The teams were—

NEWTOWN—L. Veale (captain); J. Power (goal); J. Dunne (vice-captain); J. Cummins, J. Wall, W. Wall, T. Lonergan, R. O'Connell, T. Mansfield, M. Duggan, J. Bluet, J. Mansfield, M. Mansfield, W. Bluet and T. Flynn.

DUNHILL—M. Coffey (capt.); D. Power (goal); F. Skehan, J. Skehan, D. Veale, T. Drohan, E. Casey, P. Roberts, M. Cheasty, Mee, Cheasty, M. Fitzgerald, W. Corcoran, N. Dunphy, J. Barry, J. Allen and E. Moore (sub.). Newtown next meet the winners of the Fenor v. Ballyduff Lower replay.

DEATH OF MRS. B. MORRISSEY. Fortified by the rites of the Holy Catholic Church, to which she was ever devotedly attached, Mrs. Bridget Morrissey (nee Troy), wife of Mr. Thomas Morrissey, Knockyelan, Kilmacthomas, answered the Great Call on Tuesday. Of a charming and charitable disposition, the late Mrs. Morrissey was a woman who had won many friends from every walk of life, and by her death the people of Kilmacthomas and its surrounding districts have lost a genial and sincere friend, and the heartfelt sympathy of all goes out to her respected husband and daughters in their sorrow and loss. The remains were conveyed to St. Bridget's Parish Church on Wednesday evening, and when the coffin was rested on a catafaque before the High Altar the prayers for the dead were recited by Father Crotty, P.P. The cortege on the occasion was an unusual one in its great size and representativeness, and was a truly magnificent tribute of public respect to the memory of departed worth. The sacred edifice was filled to its doors next morning, when Masses of Requiem were offered up, and all that was mortal of the deceased was afterwards interred in the family plot in the adjoining cemetery. Very Rev. Father Crotty, P.P., and Rev. Father Meehan, C.C., officiated at the graveside. Numerous wreaths and Mass cards and messages of sympathy were received. The chief mourners were—Mr. Thomas Morrissey, Knockyelan (husband); the Misses Jamie and Kitty Morrissey, do. (daughters); Mr. Willie Morrissey, Annescourt, Kilmacthomas (son); Mr. Michael Morrissey, Fews (brother-in-law); Mr. Frankie Morrissey, The Hill, Kilmacthomas (nephew), etc., etc.

By the way, a son of the deceased lady, Mr. Paddy Morrissey, is domiciled in New York City. The Light of Heaven to her soul. We respectfully add ours to the many expressions of condolence tendered to Mr. Morrissey and family. (Irish-American newspapers will please copy).

YOUR SCRIBE ARISES TO REMARK. I paid a flying visit to Ardmore last Sunday evening. Bracing and beautiful, it is a delightful spot, and is one of the most impressive parts of the Decies for it harbours the charm and majesty which echoes deep down in the heart. Learned that both the Cliff House and Melrose Hotels are booked up for the Whitsuntide holidays. These prettily positioned spacious buildings are well equipped with all the amenities of the most up-to-date in the whole hemisphere.

Had the pleasure of an introduction to Mrs. Beer-McClean, of "Mount Pleasant," Youghal, who is at present at "Rosary Cottage," on the Cliff Road. One of nature's own genuine gentlewomen, she has a charmingly mannered Youghal nurse staying with her in the person of Miss Nellie Bernadette Collins. Was charmed to learn that both are regular readers of the "Observer"—as also is the genial bean-twig at "Rosary Cottage," Miss Maisie Duggan.

Of a verity Ardmore is a name of magic appeal. . . . Walks of yellow strand. . . . And the celebrated monuments of St. Declan. And Ardmoreians are in their homely speech the sublime poetry which makes a mortal something bigger and grander. Good wishes to all my friends in hallowed Ardmore!

That in the Rathgormack region there is still considerable credence in, or, at least, respect for the old belief that May is an unlucky month for marriages.

That, according to Ancestress Anne, May is the pleasantest month of the year for a wedding ceremony, and brides who defy superstition and arrange their weddings for May almost invariably fare well with the climate clerk?

That the Metal Man strongly recommends rhubarb for its blood-purifying properties?

That Gertie Gravy thinks tinted mirrors are more popular for decorative purposes than the plain ones?

WEST WATERFORD NEWS

FIRST HOLY COMMUNION. On Sunday morning last the children of Clashmore and Ballycurrane National Schools received their first Holy Communion in the Parish Church of Our Lady of Good Counsel, Clashmore.

The Sacrament was administered by Very Rev. Fr. P. Murphy, P.P. NEW SERG. ASSUMES DUTY. Sergt. Kilbride, who has been transferred from Ballyduff, Co. Kerry, has assumed duty at Clashmore station in succession to Sergt. O'Leary, transferred to Kildorrery, Co. Cork. Sergt. O'Brien has taken control of Knockanore station.

Congratulations are extended to Mr. Denis Montayne, Knockanore on having won a prize of £100 in a crossword competition conducted by an Irish Sunday paper. Mr. Montayne, who is a general favourite, is prominent in sporting and social circles.

THE WEATHER AND WORK ON THE LAND. Fine, warm weather has prevailed for the past week. The summerlike conditions are welcomed by all. The country looks its best in its garb of sylvan beauty. Work on the land is well advanced and crops are doing well. It looks as if there will be bumper yields this year. Grass is also plentiful and livestock are in excellent condition. Rabbits are already causing damage to grain crops.

THE FISHING SEASON. The salmon fishing season continues to be fairly slack and the recent improvement has not been sustained as was hoped. During recent years fishermen on the Blackwater and coastal areas have got poor remuneration for their arduous labours.

KNOCKANORE'S WIN. Congratulations are extended to Knockanore on entering the third round of the junior hurling championship by defeating Tallow last Sunday. Knockanore played a fine game and won deservedly. Their performance confirms our prediction that Knockanore are a combination with great potentialities.

Knockanore are now in the final of the Lismore group, having a bye in the third round.

ARMORE V. KNOCKANORE. The meeting of the old sporting rivals, Ardmore and Knockanore, in the second round of the junior football championship is arousing much interest in Gaelic circles. In the initial round Ardmore defeated Aglish and Knockanore won from a fancied Clashmore side. Both teams are in great form and should provide a thrilling contest.

CLASHMORE G.A.A. Clashmore G.A.A. Club have entered a junior football team for the proposed League. This is a matter for satisfaction and shows that Clashmore are not discouraged by their defeat in the championship. There is plenty of first class material in the parish and there should be little difficulty in fielding a useful XV. It is hoped that the best possible team will be selected and that youth will get its rightful place. The correct placing of the team is also important and players should be selected on merit alone. If the rules are adhered to Clashmore should have a useful team in the League.

BIG ENTRIES. Big entries are expected for the junior hurling and football Leagues. All the teams in these parts intend taking part.

ARMORE DANCE. On Sunday night next (Whitsun) the summer dancing season will open in Ardmore when a cinderella dance will be held in St. Declan's Parochial Hall. All arrangements are in the capable hands of Messrs. J. Quaine, W. Mocker and J. Moloney, who can be relied upon to have everything per-

ECONOMY IN FEEDING SWILL.

For the last six years swill, received daily from the school (consisting of 250 boarders), has been found sufficient to maintain and keep in good condition 15 breeding sows. The sows are folded on grass-land on a fairly heavy loam that is rather on the acid side. The swill is first boiled, and then thrown on to the grass, or into troughs, at the rate of about 15 lbs. per head per day.

To avoid unnecessary labour two swill tubs are kept outside the kitchen door. One is used for salt and soda compounds, tea leaves and fish-bones, and the other for table scraps, waste puddings, potato and apple rind, etc. The contents of the first are used as manure for the arable ground, while those of the latter are carefully boiled and fed to breeding sows.

No substitute in the way of meal is given and the sows are fed on swill until they are isolated in their farrowing quarters. A meal ration is then introduced for 3-8 weeks. The sows are always in good condition and farrow down with an excellent flow of milk. An average number of nine pigs per litter has been weaned over a period of five years.

With the outbreak of war came the difficulty of securing sufficient meal for fattening the progeny of the sows. About one hundred in various stages of fattening had to be catered for, with only a small supply of meal available. A scheme for finding food had to be quickly devised.

A note was circulated amongst the village householders of West Lavington to the effect that they would be performing a national service by saving their household waste. This appeal was received with sympathy and enthusiasm, with the result that pupils from the school and evacuee children in the village collect about one ton of waste weekly.

Collection takes place twice weekly, and a small sum of 1s. per month is sometimes paid to householders as a remuneration for keeping apart all injurious substances. The waste varies in its composition, especially with regard to its protein content. To overcome the protein deficiency the waste is mixed with silage in the ratio of 2 cwt. of waste to 1 cwt. of silage. The silage is made by the pupils from lawn mowings in the summer months.

The herbage consists of short grass and clover and is rich in protein. The dry matter of the finished silage in 1938 contained as much as 15.5 per cent. of crude protein and 8.94 per cent. of true protein. Owing to the low fibre content and the shortness of the herbage, pigs are able to consume it without any injurious effect. The mixture is fed to pigs of 100 lbs. live weight and over. Two pounds of meal and 12 lbs. of the mixture are fed daily to each pig weighing 100 lb., with a gradual increase as the pigs get heavier. A net gain of 1 lb. per day has been realized. A pig of 200 lb. live weight will consume with the satisfactory results about 20 lbs. of the mixture daily.

Another economical system was adopted by allowing store gilts to run in the woods within an electric-fenced boundary. The gilts, now 9 months old, live entirely on household waste, with anything they are able to obtain for themselves by foraging amongst the roots and leaves—J.O.T.

Bull a rope clothes line before using to make it tough.

The floor will be specially prepared and carnival decorations will have a picturesque effect. Splendid music will be supplied. A few hours' first class dancing is assured in the lovely hall in historic Ardmore, so be there and bring your friends along.

"Dungarvan Observer,"
SATURDAY, MAY 11, 1940.

A Children's Playground.
A discussion at a recent meeting of the Dungarvan Urban District Council brings home to us once more the urgent need for the provision of a playground for the children of Dungarvan. Because they must prepare for the battle of life by sacrificing glorious hours of sunshine to schoolwork each day, children need some place in which they may relax and occupy their young minds with the health-giving games and pursuits of the normal child, after school hours.
The need of a playground is more obvious still now that summer has come, and it is rather a pity to see children taking grave risks by playing on the roads. It would not be altogether fair to blame the Urban Council for the absence of a children's playground for there are many difficulties in the way, and we are sure that the members of that body would be only too glad to assist in this project in every way, and to do all in their power for that most important section of any community, its children.
With the aid of a Government grant it is to be hoped that the children of the town may soon be provided with a playground where they may enjoy their youth and vigour to their hearts' content.

MID-DEISE MEMS.
SYMPATHY.
Widespread sympathy is extended to the bereaved home-circle of the late Mr. Martin Walsh, Carpenter, Knockturney, Kilmachomas, whose death at a moderately advanced age occurred recently at the County Hospital, Waterford, after a short illness. His funeral to Clones-Power Churchyard was large and representative.—R.I.P.
CONDOLENCE.
Faha Football Club voted sympathy to Messrs. John and Thomas Kieley, Carrigcastle (valued playing members of the Club) on the death of their uncle, the late Mr. Michael Torpey, Garrunturton.
FAHA FOOTBALLERS, PLEASE NOTE.—Practice will in future be held on Monday and Wednesday evenings of each week and all are requested to attend regularly WITHIN THE WEEK.
Mr. James Power, Garrunturton, Kilmachomas, caught in a snare he had set a rabbit and a weasel locked together. Mr. Power told the writer that he saw the weasel closing up on the rabbit and pouncing on its neck just before the heads of both shot through the snare and were killed instantaneously.

Late Mr. Patrick Cahill.
The death took place at his residence "Benaulin," Abbeyside, on Sunday, May 5th, of Mr. Patrick Cahill, M.A.
The deceased, who had reached a fine age, was an outstanding figure in the Educational life of the country. Born at Ballinacorney, Dungarvan, he was appointed to a brilliant scholastic course and was principal of Ballinacorney school. He was later Headmaster in Dublin Schools and in the Cork Model Schools.
On Monday evening the remains were removed to Ballinacorney Church. On Tuesday morning the burial took place at the adjoining cemetery after the celebration of Requiem Office and High Mass.
Rev. M. Power, C.C., Abbeyside, was the celebrant; Rev. J. Hart, C.C., Carrick-on-Suir, deacon; Rev. J. Lavin, Stradbally, sub-deacon.
In the choir were: Very Rev. T. Canon O'Brien, P.P., V.F., Dungarvan; Very Rev. N. Dunphy, P.P., Abbeyside; Very Rev. J. Roche, P.P., Kilmobinet; Very Rev. F. Walsh, P.P., Modeligo; Very Rev. P. F. McGrath, P.P., Ring; Rev. J. J. Power, C.C., Kilmobinet; Rev. T. B. Walsh, C.C., Dungarvan; Rev. W. Flynn, C.C., do.; Rev. P. O'Farrell, C.C., do.; Rev. Fr. Madden, O.S.A., Dungarvan; Rev. Fr. Magee, O.S.A., Dungarvan.

LISMORE DISTRICT COURT.

CIVIL BILLS.
A large number of undefended civil bills were first dealt with, Messrs. Murray, Carroll, T. C. Williams, A. R. Farrell, Murphy (E. A. Ryan & Co.), Hodnett, and Hutch, solicitors, appearing for the plaintiffs.

UNSTAMPED CARDS.
Daniel Collins, Knockanore, was charged with failing to stamp the cards of two employees, to the extent of £3 16s., in respect of national health insurance.
Mr. Murphy (E. A. Ryan & Co.) appeared for the State, and Mr. A. R. Farrell, solicitor, Dungarvan, defended.
The defence was that the two employees were not employees in reality, one of them being a young man who only turned up to help the defendant occasionally, and the other, an elderly man, who was incapacitated and did practically nothing about the place. Neither asked for wages, and received gifts now and again.
After evidence from the defendant's brother had been heard, a decree for the amount requested was given.

RENT.
Dr. Waters, Conna, for whom Mr. Carroll, solicitor, Fermoy, appeared, applied for a decree for £5 9s. for rent against Guard John O'Shea, West Street, Tallow.
After Mr. Conway, agent for Dr. Waters, had given evidence, Mr. Hodnett, solicitor, asked for an adjournment, as he had not all his evidence at hand as yet.
Following involved evidence concerning various payments, the Justice, stating that a genuine mistake seemed to have been made, gave a decree for £5.

DAMAGED SHED.
The same plaintiff applied for a decree for £10, for damages to a shed by Guard John O'Shea.
Mr. Carroll said that the shed on the premises was removed and an inferior one, made of beaten-put tar-barrels and advertisement iron, erected in its place.
Mr. Conway, agent, gave evidence of the extent of the damages. Guard O'Shea said he took down the shed with the acquiescence of the former agent. The original shed's position was causing dampness. He used all the material of the original shed and had to buy some more. He would say that the value of the premises had been improved by the addition. He was aware the old shed had been used to house a greyhound. He put up the new structure for his own convenience.
To Mr. Murray—All the original material of the original shed went into the present one. The new shed was as large as the old shed.
John Curley, Tallow, gave evidence of helping the Guard in erecting the shed. He thought that the first shed had been erected by a former tenant. All the material from the old shed was used up in the second shed, with four or five sheets of galvanized iron extra, provided by Mr. O'Shea. The cost for this work was about 30/- or £2.

Mr. Hodnett (to the Justice)—If you saw this shed you would see that the present tenant is using it.
The Justice—The landlord's agent says that the present tenant wants it cleared away.
Mr. Hodnett said the present tenant had not been brought to prove this.
The Justice said he didn't think the landlord deserved more than £3, for which he gave a decree. There was nothing to be said against the Guard, it was just an infringement which might be caused by any tenant. 2/- expenses were given.

SICKNESS BENEFIT.
A decree for 18/- was given against Wm. Bennett, Coolator, for failure to stamp cards by which his employee Michael Moore lost 18/- sickness benefit.

LARCENY OF LAMP.
Patrick Hannon, Mananary, was charged with the larceny of a bicycle lamp the property of Edmund Noonan, Campfire. The latter stated that he put the lamp, which he had just bought, on his bicycle when defendant came and took the bicycle off him. He went back to the Garda station and returned with Sergeant Ballantyne. The bicycle was still there but there was no lamp.
Sergeant Ballantyne, Lismore stated that at first the defendant denied having taken the lamp, and when he went to search him, defendant asked where was his warrant. Finally he produced the lamp from his pocket. He said he only took the lamp for "blackguarding".
The Justice (to defendant)—Why did you do this?
Defendant—For a joke.
The Justice—I wouldn't try that kind of joke again if I were you. It's too dangerous. It's only by the skin of your teeth that you're escaping being sent away for a joke of a month (laughter).

SCHOOL ATTENDANCE.
John Pierce, Ballyduff, was fined 1/- for the non-attendance of his child at school.

GARDA CASES.
For unlighted bicycles or unlighted motor vehicles the following were fined:—David Quirk, the Bridge; Patrick Morrissey, Patrick Power, Glengarra; Maurice Ahearne, Coolisheal; John McGrath, Church Street; Michael Brennan, Garrycloher; John Corcoran, 3/8 each. Mrs. Harty has every reason to feel proud of her achievement in securing so many prizes, in face of such competition from the huge number of entries received from every corner of Eire.

OPTICAL WONDER INSTRUMENTS.
Our many readers will have read from time to time in the daily Press about the scientific sight-testing apparatus of George Prescott & Son, opticians, 18 Upper O'Connell Street, Dublin. This apparatus is the finest in the world for the accurate detection and correction of eyesight trouble, and has achieved wonderful results in Dublin. Thousands of people all over Ireland have come to Dublin specially for examination, with beneficial results, but Messrs. Prescott's have received countless requests from people living in the country who are unable to come to Dublin; in response they have procured the exact duplicate of the refracting unit as used in Dublin, which they are bringing with them on the special occasion of their visit to this district next week. Full particulars will be found in our advertising columns, and every person having the slightest doubt about their eyes or their glasses should take advantage of this opportunity and call to see Messrs. Prescott's during the coming week.

DANCING.
On the edge of the broad Atlantic, at glorious Ocean View, on Sunday night next, the Dungarvan Foot Beagle Club will hold their grand Whitsun dance. Splendid music will be supplied by Lily Jones and her band of five performers. Bus and hackney cars will leave the Square from 9.30 p.m. onwards. The capable dance committee of the Club are leaving nothing undone to ensure the comfort and enjoyment of all patrons.

FIANNA FAIL NATIONAL COLLECTION.
The above collection will be held at the church gates on Sunday, May 19th, 1940.

THEATRE ROYAL, WATERFORD.
The Clotel-York Company will make a welcome re-appearance at the Theatre Royal, Waterford, commencing Whit Monday, for one week only. They will open on the Monday with that popular play, "White Cargo." Last time the Company were in Waterford they received numerous requests for this record-breaking drama of the tropics. "White Cargo" is a play to be seen by all and, no doubt, many who saw this play when produced last October will again take the opportunity of seeing what has been generally described as the finest drama of all times. It will be presented for one night only. On Tuesday and Wednesday the Company will play the ever popular "Peg o' my Heart." It is no doubt that most theatre-goers of Waterford know that this play was witnessed by over 7,000 people in Cork when produced at the Opera House a few weeks back. As a novel "Peg o' my Heart" was a best seller; as a film it had success seldom known; as a play it is something never to be forgotten. For the last three days that world-famous comedy, which is now being filmed, the ever-green "Charley's Aunt" will be produced. The Company produced this grand comedy at Christmas in Cork, and all that need be said is that the treatise was packed at matinee and evening shows. The capacity of the Opera House being over twelve hundred, one can gauge the popularity of this amazing comedy-farce.

COMING CEILIDHE MHOR.
On Sunday, May 19th, the Dungarvan Branch Gaelic League Ceilidhe Curmann will hold their second grand ceilidhe mhór in the Town Hall. The fullest attention is being paid to the hall decorations, and to the special lighting effects, which were such a feature of the last function, held in January last. Visitors from every part of the Decies will again be present at this big ceilidhe, which promises to be an even greater success than its predecessor, which was voted by all to be superb. Spot prizes, and special prizes for surprise comedy dances, together with a colour spotlight, are listed, and also solo performances of Irish

step-dancing by prize-winning dancers. The dancing commences at 9 p.m. and continues until 2 a.m., and refreshments will be served at moderate charges. The admission price is only 2/- for this real treat of Irish dancing.

D.L.C. WHITSUNTIDE DANCE.
This is the last opportunity we have of reminding you that the Dickens Leather Company Social Club's big Whitsuntide carnival dance takes place on Sunday next, May 12th. One of the most energetic committees in Munster is in charge. It has the best band in the country to play for it. No expense has been spared in lighting effects, spot prizes, spotlights, hats, caps, balloons. Messrs. P. K. Power, and Mr. Hogan, Pierce Hackett and Mr. Curran. Drives commence each night at 8.30 p.m. (S.T.)

GOING NEWS.
Golfers will be interested to learn that as from Sunday next, the 12th inst., teas at very moderate prices will be served in the Clubhouse at Ballinacorney on Sundays and Bank Holidays, between the hours of 4 p.m. and 7 p.m. This arrangement, if we regret to learn, only for convenience of the Clubhouse at any time catering for the general public. We hear that after several unfortunate encounters with the weather the ladies at last succeeded in getting the sun to shine on their endeavours on the 2nd May, when the twice postponed stroke competition was won by Mrs. N. C. Eagar, with a net score of 77. When the seal of the jealously guarded secret net score was broken it revealed the fateful number 88 and thus brought fortune to the lap of Miss B. O'Neill who returned the score nearest that number, how near we are not permitted to say.

WHITESTURCH CALLING ALL G.A.A. FANS.
On Sunday next a capital G.A.A. programme is billed for Whitechurch, where low great challenge matches are to be decided. In Junior Hurling Kinsalebeg-Aglish will meet Seaneachall and Villierstown will line out against the Brickey Rangers in Junior Football. Two evenly contested games should be the outcome. First match starts at 2 p.m. (S.T.) The Villierstown Pipers Band will attend.

Successful Concert at Clashmore.

On Sunday night last a very successful concert and dramatic and variety entertainment, in aid of Parochial Funds, was held at Clashmore. There was a large and appreciative audience including Very Rev. Fr. M. Power, P.P., Clashmore and Rev. Fr. M. Power, C.C., do. All arrangements were perfect in the hands of the Parochial Committee—Messrs. P. O'Donoghue, J. Curran, M. Fitzgerald and C. Curran, who was M.C.

Miss Rita Mulcahy, Crough, then gave a splendid exhibition of Irish step-dancing and the audience admired her admiration in no uncertain manner. Songs by Messrs. James Keohan, Dungarvan, and M. Waters, Abbeyside delighted the audience and they had to come on the stage again and again.

Another play which proved most interesting and held the interest of the audience who cheered the efforts of the talented artists. The cast included Messrs. James, Eddie and Thomas Maloney, Patrick Mocker, and Misses K. Flynn, and Maureen Mansfield.

Delightful songs by Messrs. Keohan and Waters and selections of Irish airs on the accordion by Miss S. Crawley concluded a very successful entertainment.

Rev. Fr. Power, on behalf of Fr. Murphy and himself thanked the artists for their great kindness and help. He also thanked the audience for their patronage and the organisers of the concert for their good work.

THE members of the Clashmore Parochial Committee desire to thank most sincerely all who contributed to the success of the concert which is the last function to be held under their auspices this season.

Special gratitude is due to the artists from Ardmore, Dungarvan and Villiers-town who gave such wonderful help and to the general public who extended such generous patronage, also to Misses S. Mernan, C. C. Connors and M. Curran, who so kindly entertained the visitors.

The dual purpose of these functions is to help Parochial Funds and provide the public with good amusement. For the past two years all such entertainments held in Clashmore have been huge successes and no doubt the functions which it is intended to hold next season will be just as successful in every way.

CLAIM FOR FIRE BRIGADE. Messrs. Hodnett, soles, forwarded the following extract from a letter of Messrs. Walter Hume & Co. Fire Loss Assurers:—"Youghal Council wrote on the 16th ult. to the Guardian Ass. Co. asking for payment of £1 each to eight men, presumably their employees, who helped to extinguish a fire recently, and of £2 for the use of Fire Appliances. You are doubtless aware that no Insurance Co. is liable for such charges and the company concerned can't understand why this communication should be addressed to them.

of improving the Lawn Tennis Courts in the Green Park. Mr. Farrell said it had been stated that it was the ratepayers maintained those courts. He would like to contradict that for they got a substantial revenue from players.

It was decided to carry out certain improvements in the courts. THE FREE LIBRARY. Mr. Power—What about the long awaited Co. Library?

The Clerk—The Council went as far as they could to get it going, they can't go any further. It is now ended up by a dispute between the Co. Council and the L.G.D. about a small cheque for books.

It was decided to write to the Co. Council asking them to expedite the matter. THE QUESTION OF A "FOUND." The following letter was read from the Cork Co. Council—25/4/40. Dear Sir—In connection with the obligation imposed on Local Authorities to provide and maintain pounds in their functional areas, under the Pounds Act 1935, you will be obliged by letting me know whether any steps have been taken by the Council in the matter, with details of the cost of a pound in your area and of the annual maintenance.

In the event of the Co. Rate Collectors and the Co. Sub-Sheriff desiring to use the urban pound for the adjoining rural areas, you would be obliged by stating the proportion of the expenses of provision and maintenance, which in the opinion of your Council should be paid by Co. Authority if an agreement is entered into under Section II (2) of the Pounds Act, 1935.

The Chairman—The matter is receiving attention (laughter). Mr. Power—Put it in the waste paper basket. Mr. Broderick said that the Department could provide a pound at their expense. The Clerk was directed to reply that the letter would receive due attention.

Power; that at the same time and place he unlawfully caused grievous bodily harm to the said Mrs. Elizabeth B. Power.

Formal evidence of arrest was given by Sergeant Thos. Murphy. The accused, who made no statement, was remanded in custody to Waterford District Court. He was subsequently removed to Cork Jail under escort.

KNOCKANORE NOTES

CONGRATULATIONS—
To Mr. Denis Montayne, Miss Johanna Montayne and the entire Montayne family who drew two prizes of £100 (Mr. D. Montayne) and another of £3 17s. (Miss J. Montayne) in an Irish Sunday Newspaper Crossword of a fortnight ago. This is the third time within the space of two years that a big prize has come to the area and people begin to point to Stranally and Knockanore as the places where Crossword problems are handled with effect. It was no small achievement when we consider it as the aim of thousands of crossword enthusiasts who keep on trying and failing.

The occupants of a wide-spread parish and surrounding districts and towns where the name of Montayne is so popular and respected, join in wishing them their heartiest congratulations, better luck, and a long life to enjoy it.

KNOCKANORE v. TALLOW.
In one of the finest junior struggles ever witnessed in a County championship, Knockanore swept Tallow off their feet on Sunday last, at the Gaelic Field, Moorehill.

Splendid weather conditions prevailed and a record crowd of Gaels gathered to see a match which will not easily be forgotten. Knockanore won their way into the third round of the junior hurling championship with one of their best players absent and with another on the sideline. The match had scarcely begun when, owing to a breach of the rules, one of their players was sent off. It was a heavy blow and one which would have staggered a less spirited team but the Knockanore team possess mettle, grit and stamina which will never be put down. Their display on Sunday last was one to be proud of but there is more in them. It cannot be brought out, however, until they have the training and advantages which put others in the lime-light.

THE GAME.
Knockanore won the toss and lined up with a slight breeze to their backs. Following a short melee at centre-field Dave Landers delivered "a fast right to the jaw" and was sent to the line. Something like mutiny prevailed in the spectators but they were calmed and play resumed. Knockanore struck per Mick Landers who lifted a neat ball at centre-field and drove well in to his forwards. Bob McGrath registered two points in starting succession. P. McCarthy (Tallow) drove a good puck out but it was returned again by M. Landers and P. Kelly and Donovan combined to raise the white flag once more. The blue and ambers now saw that though they should stand a tedious hour with four-teen there was a hope for them and they played as they never played before. P. Malone, H. Rohan and Curley figured in the first real attack which Tallow forced on the Knockanore backs. They tried to rush the situation and combined in efforts at stylish hurling. They were disappointed and with a grand hectic dash Murray sent the ball sailing through the air and silenced the attack for a while. A second challenge by Tallow was met half way by Mick Neville who sent well up the field to Revis. Revis having outpaced three opponents doubled on the shot while twenty yards out Bob McGrath lifted the ball and scored it. Shortly afterwards Malone had a point for Tallow and following the puck out he had another. A third was sent over by Condon from a free. Excitement became intense and cheering became incessant. Knockanore were the better team on the turf but Tallow could steal a lead in points, a danger which was all the more confirmed by a loose forward. Then it was that Knockanore started the role which earned for them undying fame as hurlers and sportsmen. Defying all opposition they fought with determination that drew cheers from friends and opponents and dominated play in every part of the field. The Tallow centre-field men were slowly punished in the lengthy strides of Revis and the robust tackling of the Landers brothers. The Tallow backs were far inferior to the swift movements of Donovan and P. Kelly while Bob McGrath piled up the score with deadly accuracy. Tallow were remarkable for quick dashes but in a few cases were they ineffective. Malone and Rohan were responsible for many points while Ned Condon made good use of frees. The issue stood in doubt at the interval when only two points separated the teams.

"COME ON THE FOURTEEN MEN."
The second half was a treat for which many were waiting. Knockanore more than ever asserted themselves and in a fine campaign of brilliant hurling, both teams increased their score considerably. The blue and ambers held the lead throughout and as a vast section of the crowd cheered for fourteen men, each one gave a little extra which made up for the havoc of a loose forward. Fourteen men, but they were men, and well-deserved the applause of spectators who cared little who triumphed but who cheered a good team when they saw them. Every man in both teams did his bit but individual players deserve a little consideration. Where ball control was concerned Mick Landers was the man who excelled. W. Revis held two men at bay during the entire hour and hurled a third, while J. Donovan did most of the "hard work" of hurling. Undoubtedly B. McGrath was responsible for most of actual scoring but Patz Kelly proved himself to be one of the most useful and clever forwards in the county. Each of the backs could be depended on. Now for Tallow, T. McCarthy and N. Condon were the main stays of the team. They were fast but lacked driving power and coolness. Malone might have been a good forward but was slow to avail of opportunities. Rohan was too fond of picking and even the redoubtable "Whack" was beaten. At the final whistle Knockanore were winners by the margin of 4-9 to 2-8.

The Moorehill pitch was all that could be hoped for while the duties of referee were performed in a highly efficient and

N.A.C.A.—GENERAL MEETING IN C.Y.M.S. HALL.

As announced last week, a general meeting of the above took place in the C.Y.M.S. Hall on Saturday night last. The attendance was not very large, yet all present were eagerly interested in the business of the meeting.

Mr. F. X. O'Leary, N.T., on being elected chairman, stressed the importance of having a firmly-established branch of the N.A.C.A. in the town, and said that by organising the club on a sound basis, with competent officials and enthusiastic members a golden opportunity would be given to local athletes to train and prove their worth in the athletic arena. Having explained the objects of the club in detail all present were enrolled as members.

Sergeant Browne suggested to appoint a deputation of three members to interview the Secretary of the Sportsfield, in order to secure the field for training purposes and for holding sports fixtures. He emphasised the importance of proper training, and said that the success of an athlete depended upon his physical fitness, and that prowess or ability did not count if an athlete were not fit. Hence it is, he said, that unless the representative athletes of the club train properly they cannot hope to gain laurels in the field of competition.

On the proposition of Mr. Joe Mason seconded by Mr. L. D. Dunne, Sergt. Browne and Mr. O'Leary were appointed to interview the Secretary of Sportsfield Committee.

Mr. Ned Brady proposed Joe Mason as a third delegate. This was accordingly seconded.

Mr. L. D. Dunne said that Novice Sports could be very monotonous if not properly carried out and suggested an introduction of a few novel items to liven up the proceedings.

Another member suggested that an old age pensioners race, or a veterans walking race. Mr. O'Leary said that these items would indeed provide a source of attraction and amusement and would be considered afterwards, when the date of the sports would be fixed, and when the programme was being planned.

Sergeant Browne said that owing to the danger of accidents it would be better not to consider adding a bicycle road race to the programme. After a short discussion it was decided not to hold a road race.

Mr. J. Foley, Lismore, said that as the Lismore branch of the N.A.C.A. were holding the County Championship Sports this year he hoped that this club would give assistance to Lismore in the matter of stewarding etc. Mr. O'Leary said that there should be an earnest co-operation between the two clubs and that whatever assistance required would be given.

At the conclusion of the meeting Sergt. Browne and Mr. J. McGrath spoke of the excellent performance of the Waterford representatives at the Inter-county Cross Country at Nenagh and said that as some of those would join the Cappoquin Club, they would not lack talent in that respect.

It was decided to hold another general meeting on next Saturday night, May 11th, at 8.30 p.m. (new time).

The following officers were elected, the committee to be enlarged at next meeting if necessary.

Chairman, Mr. F. X. O'Leary; Hon. Sec., Mr. J. McGrath; Treas., Sergt. J. Browne. Committee—Messrs. Joe Mason, L. D. Dunne, Ned Brady, D. McGrath, J. Foley, J. Barry, J. Pendergast and W. O'Donnell.

Big Surprises in Semi-Final Rounds of Bowling Tournament.
Favoured with ideal weather conditions, two semi-final rounds and one second round scores took place at the usual venue on Sunday last. Two competitors who were reckoned to figure in the final made their exit in their respective scores much to the surprise of the bowling judges.

Johnny Regan who had a passage strewn with thorns into the semi-final and whose chances in this year's competition were the subject of much unjust ridicule was decisively beaten by J. J. Sullivan. Regan who deserves great credit for appearing in the semi-final was no match for his youthful opponent Sullivan.

T. Moore, the third competitor in the score did not impress by his performance. John O'Donoghue, another fancied competitor also went under on Sunday last to W. O'Driscoll, whilst the greatest surprise of the day came when Mick Shea defeated John Denn.

There is not much to be said about the semi-final scores except that the bowling was of a high standard and that two competitors, Sullivan and O'Driscoll, completed the course in twenty light bowls.

The big final will take place shortly, and will be contested by the following—J. J. Sullivan, Mick O'Shea and the winner of the score (to be thrown) between Jack Griffin and W. O'Driscoll.

YOUGHAL CIRCUIT COURT.

At the sitting of the Youghal Circuit Court before Judge J. K. O'Connor, K.C., Mrs. Mary Desmond, Elfordstown, Middle-ton, sued Mrs. Margaret Hartnett, of the same address, for £300 damages for slander for that on the 23rd February, 1940, at Elfordstown she (defendant) falsely and maliciously said and published of and concerning the plaintiff to one, Nora Cotter, the words following, that is to say, "she (meaning the plaintiff) is a person of bad character and was going with men in the country during her husband's life-time." By the said words the defendant meant and was understood to mean that the plaintiff was an unchast and immoral woman.

The defendant denied that she uttered or published the words, or at all, or any words of similar import.

Mr. F. Vaughan-Buckley, B.L. (instructed by Messrs. Moloney and Little, solicitors) for the plaintiff; Mr. M. O'Driscoll, B.L. (instructed by Mr. W. St. Clair Rice, solr) for the defendant.

Plaintiff said she was the widow of the late Cornelius Desmond and the defendant was also a widow. Witness was married in January 1927, and went to live on a farm with her husband. Her husband's mother and his sister, Nora, also resided on the farm. After about a year her mother-in-law died. Witness's husband died in 1936, and after his death her sister-in-law brought her sister, the defendant, to reside in the house. Mrs. Hartnett (defendant) gave witness to understand that she was only staying on in the house until she got matters fixed up. Witness added that Mrs. Hartnett had got £600 from her (Mrs. Hartnett's) husband. At the end of last year "unpleasantness" began to take place between Mrs. Hartnett and herself. Witness then described how the defendant used the words complained of to Mrs. Cotter, a neighbour, when the latter came for milk on the evening of the 26th February last, and added that she (witness) then said to the defendant "I told you you have said that once too often before and I'll make you prove it."

Cross-examined by Mr. O'Driscoll, witness said she resented from the start the defendant staying in the house. Witness was being questioned as to her rights in the place. When the Judge asked—"Is there litigation going on in regard to the rights of this farm?"

Mr. O'Driscoll—Yes, my lord.

Further questioned, the plaintiff admitted she knew of the claim being made by the defendant. Witness denied that she accused the defendant of having kept company with a married man.

Mr. Nora Cotter also gave evidence on behalf of plaintiff.

Mrs. Hartnett, the defendant, gave evidence and denied she used the words complained of. Witness added that the plaintiff accused her (witness) of "going with a married man."

Witness was being cross-examined on the question of malice when his Lordship remarked—"I am satisfied that there is any amount of malice between these women and that they hate each other like poison."

His Lordship said he was satisfied that a slander was used and he gave a decree for £10 with costs and expenses, these to be taxed.

CASE SETTLED.
When a case of Murphy v. Fleming was called.

Mr. P. D. Fleming, B.L. (instructed by Mr. J. Burke, solr.) for the plaintiff, in handing a document into court, said the case had been settled, his client agreeing to accept a sum of £50 in settlement of his claim.

Mr. M. O'Driscoll, B.L. (instructed by Messrs. J. L. Keane and Son, solrs.) for the defendant, agreed and said the terms of settlement had been reduced to writing.

His Lordship—It's a slander action?
Mr. O'Driscoll—Yes, my lord.
His Lordship accepted the settlement and made it a rule of the Court.

East Cork Horse Breeder's Son Killed.
Michael Barry (14), son of Mr. David Barry, Dungourney, the well-known horse breeder and owner, received fatal injuries as a result of a fall from a horse on Tuesday evening.

Every effort was made by Dr. T. F. Walsh, Midleton, to save the life of the boy, but without avail.

Deep sympathy will be extended to Mr. Barry on the severe loss he has sustained. He is a prominent figure in point-to-point and hunting circles in the South, being a very well known follower of the United Hunt.

Deputy Coroner W. St. Clare Rice, solr., held an inquest at the Garda Barracks, Dungourney, on Wednesday.

Dr. T. J. Walsh, Midleton, said that he found no external signs other than signs of blood on the right ear and nostrils. Death was due to fracture of the skull and concussion.

Evidence of identification was given by David Barry, father of the deceased, who stated that his son was riding a horse in the ring when the animal gave a kick and a slip and came down on its side, with the result that the deceased struck the ground partly with the side of his head.

The Coroner returned a verdict in accordance with the medical evidence, and expressed sympathy with the relatives of the deceased. Supt. Kelly, Midleton, joined in the Coroner's remarks.

LISMORE NOTES

SUNDAY'S NINE-A-SIDE HURLING TOURNAMENT.

No hurling promotion in recent years has aroused such interest and controversy in these parts as this venture of the St. Carthage Minor Club. They have certainly broken new ground and opened up the G.A.A. activity heretofore. The ambitious programme of putting six crack junior sides in a one-day knock-out hurling tournament has captured the imagination of local Gaeldom. Already camp rivalry is waxing hot and the novelty and lure of this unique Gaelic men has got the public all agog. Fans nowadays like their hurling crisp and lively and the freshness of this non-stop clash of ash has an appeal all its own. The prospects of the six teams engaged are being widely sized up and long odds are quoted as follows:—Lismore 2 to 1 (0); Cappoquin 5-2 (1 and 0); Tallow 4-1; Ballyduff 5 to 1 (0); Faugh-a-Bealagh 8 to 1; Moorehill 100 to 8; The "Cornerstone" nine are very sweet on their chances even though their goal-keeping problem is still unsolved. Their line out is awaited with interest. Ballyduff are all set to avenge their championship defeat at the hands of Lismore, and having raised local reinforcements hope to do the trick. The Mellery boys say that the Lismore pitch will suit their vigorous sweeping movements. Tallow are keen on the medals as a consolation for last Sunday's disappointment. Moorehill are keeping their plans and their prospects to themselves. A bit of wisdom which may get them to the final, while Lismore's great worry is "who to drop" from their huge reserve of junior hurling material. The first game—Ballyduff v. Lismore, starts sharp at 2 p.m. Summer Time, under the whistle of Bill Sheehan. Patrons are requested to come early and to obey the stewards. The members of the St. Carthage Club have completed all arrangements for the day and in order to facilitate all concerned the public should co-operate whole-heartedly. Spectators are warned to keep off the pitch and so permit the time table to function to schedule. Gate crashers—who like the poor are always with us—are asked to pay up their sixpences and forget their usual stratagems. Let them remember that the promoting club is purely minor and is staking everything on the success of next Sunday's Tournament to finance it for the year 1940.

CUP FINAL.

Congratulations to the Lismore C.B.S. hurling fifteen who on Ascension Day, secured a great victory over Carrick-on-Suir in the final of the Bishop Hackett Cup. These young lads have shown that they are capable of great achievements on the playing field as well as in the classroom. They have had their eye on this massive silver trophy with a few years, but it always evaded their grasp. Still, they per-

severed, and made the best use of every available opportunity for training and practise. They received every help and co-operation of the teachers, and we know, that they are proud of the honour won for the school, and in 1940, their efforts are rewarded and they can proudly boast of their feat.

FOURTEENTH PIG MARKET.

There were a large number of pigs offered for sale at Lismore, on Tuesday last. There was a good demand and all were bought at 70s. per cwt.

MONTHLY FAIR.
There was a good stock of cattle of all grades at last week's fair. There was a marked increase in the number of buyers, and on this account trade was exceptionally brisk and many lots exchanged hands at remunerative prices. Dairy cattle were small in numbers, fat sheep were plentiful, but slips and bonhams were exceedingly few.

PRICES.
1 to 14 years £10 11 to £13; 14 to 2 years £12 to £16; 2 to 3 years £16 to £18; fat cows (young) £16 to £17 10s; lambs £10 10s. to £11 15s. Bonhams £1 to 22s. 6d.

COUNTY SPORTS.
It has been decided to hold the County Championships Sports Meeting at Lismore, on June 9th, 1940. A youthful and enthusiastic committee under the guidance of that well-known sportsman, Garda Seamus Byrne, has been formed. Preparations have already begun so that everything will be in readiness as soon as possible for the big event. We can rest assured that no stone will be left unturned to make this meeting a tip-top success, and prove to the critics that the love of athletics and open air feats of strength are not altogether forgotten or dead in Lismore.

Coast To Comeragh Chips.

AMATEUR KNIGHT OF THE FIGSKIN'S DOUBLE.

At Kilmoghany (South Kilkenny) Point-to-Point Races on Thursday evening, universally esteemed Mr. Tom Cheasty, of Ballybrack House, Kilmacshannon, further enhanced his reputation as an amateur jockey of much merit by bringing off a double with Killgrove and Dim Light. We warmly congratulate our worthy friend on the dual win.

A RECORD?
On May Day morning a 28-years-old mare, belonging to a highly respected farmer of the townland of Upper Ballyloneen, dropped its first foal—a fine colt—and the happening is thought likely to be a record in its way in view of the advanced age of the dam. Both animals are well and strong.

PLEASE TO PUBLISH.

JUNIOR HURLING CHAMPIONSHIPS.

Dungarvan Outclass Abbeyside.

Pike Fail at First Attempt.

DUNGARVAN, 6-2; ABBEYSIDE, 0-0. FOURMILEWATER, 8-1; THE PIKE, 1-0.

GATE RECEIPTS APPROXIMATELY £25

At the Gaelic Field on Sunday last, a Pike fifteen, full of grit but lacking experience succumbed to a more seasoned Fourmilewater side in the first round of the junior hurling championship to the tune of 8 goals and one point to one goal.

Playing against wind and sun in the first half the Pike held Fourmilewater scoreless for quarter of an hour. Play was fairly even during this period and the Pike lost golden opportunities of scoring, through very faulty forward work. Fourmilewater succeeded in scoring two goals and one point before "Bill" Fennell replied with a goal for the Pike. Tom Fitzgerald (Pike), retired injured and was replaced by Jimmy Power. Fourmilewater had another goal just before the half-time whistle sounded. The score at half-time was Fourmilewater, 3-1; The Pike, 0-1.

At the interval it was the general opinion that the Pike with the advantage of sun and wind would just get there, but Fourmilewater combining cleverly succeeded in piling up a high score and ran out easy winners. On the resumption Fourmilewater had a goal and the results of experience and training told heavily against the Pike, who did not register in this half. The Pike attacked repeatedly but the Fourmilewater backs proved too sound. Two frees by the Pike within scoring range were saved. Fourmilewater had four further goals before the full-time whistle sounded when the scores were, Fourmilewater, 8-1; The Pike, 1-0.

Outstanding for the winners were Moore, Grant and Ryan. The Pike were best served by Keane, Quinn, Flynn and Burke. Fourmilewater next met Colligan Rockies at Seaneachabhall in the second round of the current year's championship.

The teams were— Fourmilewater—P. Grant, Wm. Ryan, Pk. Ryan, A. Ryan, T. Fitzgerald, J. K. Moore, Pk. Ormonde, M. Fitzgerald, J. K. Halpin, Jas. Power, Wm. Grant, J. McCarthy, J. Power, Wm. Whelan, J. Flynn, W. Fennell.

Mr. J. Goode refereed in his usual impartial manner.

DUNGARVAN v. ABBEYSIDE.

The eagerly awaited and widely discussed clash between the Dungarvan and Abbeyside junior selections took place at the Gaelic Field, Dungarvan, on Sunday last, before a record crowd. The result was to be seen from the score above was a decisive win for the "Blues", but although the Village boys failed to raise a flag they were not by any means disgraced, as for forty minutes it was anybody's game, and hurling of a high order was witnessed. The game, one of the cleanest and fastest seen for some time, was a credit to all concerned.

Mr. M. V. O'Donoghue, Chairman, Waterford County Board had the teams lined up sharp to time. Before starting the game both teams and referee kneeling at the centre-field, offered prayers for the happy repose of the souls of the men who died on hunger-strike recently.

Mr. T. A. Kyne, Secretary Western Board had drafted in stewards from outside clubs, who found their task in maintaining order a very light one as the crowd was a most sporting one.

Play opened at a terrific pace and this was maintained right through the half-hour, twenty-five minutes having elapsed before Dungarvan opened the scoring with a point by J. Riordan. The short whistle found the score sheet reading, Dungarvan, 1 point, Abbeyside, nil. In the second half the superior training and team-work of the Dungarvan boys began to assert itself and the Abbeyside back division were severely pressed but responded gamely for the first quarter, repulsing attack after attack, but the Dungarvan midfield pair J. Moloney and P. Lannon aided by their front line of defence continued to send ball after ball back into the Abbeyside lines, with the result that their magnificent defence crumbled up in the closing stages and Dungarvan ran out goal after goal for a total of six goals leaving the final score, Dungarvan, 6-2; Abbeyside, nil.

The line out was as follows— Dungarvan— W. Burke M. Wade T. Sheridan W. Coleman J. Dwyer M. Landers P. Dalton J. Moloney and P. Lannon T. Murphy J. Riordan J. Foley (Capt.) J. Goode J. Cody M. Kirwan Abbeyside— M. Cashman T. Kieley M. Coleman Jas. Burke S. Curran A. Burke C. Coleman E. Power and C. Power J. Barron F. Houlihan J. Power T. McGovern E. Daly T. Ryan Moloney and Lannon at centre-field had a definite pull over the Abbeyside pair. Landers was brilliant at centre back and was ably assisted on the right and left by J. Dwyer and "Plus" Dalton respectively, whose five were the chief contributors to the downfall of Abbeyside whose defence for forty-five or fifty of the sixty minutes was outstanding.

Jimmy Barron was a hard-working wing forward for the losers. The scorers for the winners were Riordan 0-1, Cody 1-1, Lannon 1-0, Kirwan 1-0, Murphy 1-0, Goode 2-0.

Curry and Dick Roche were illegal, belonging to the Eastern Division. (2)—That the list of players was incorrect as it did not include full christian names. (3)—That P. Curry and P. Quinlan who played were not on the list of players. (3b)—That they were regular members of the Nire Club. (3c)—That they reside in the Eastern Division. The Nire Club were objecting to the addresses of the two players were given as Clononnel, Rathgormack, and Park, Kilsheelan by S. Dalton, Slabh gCua. M. Moloney said he knew for a fact that P. Curry did not play as he was talking to him on the side line. The Nire delegate said he had never seen the two players regarding the boundary between the divisions. When in reply to the Chairman he stated that he did not know where these players lived, the Chairman remarked that he had seen them at the Nire Club. J. Connelly—The Nire played Villierstown in 1928 and they had players from Clonmel and everywhere and 50 per cent. of the Board knew the players. J. Moloney—Mr. Connelly, I appreciate your ironic wit. Mr. Connelly—I'm not being ironic. I'm just speaking the truth. This objection was upheld. No ruling was given on the second objection. The third objection was upheld and Slabh gCua were awarded the match. The Chairman remarked that the Nire had the remedy if they could prove it.

(b)—That two of the Lismore players were not properly attired. (c)—That J. Healy was not eligible to play. J. Connelly, Villierstown said that only the initials of the Christian name of the Lismore players appeared on the list. A long discussion followed and finally the Chairman said that he would rule out the first part of the objection. C. Curran—Does this mean that any player who send in a list of names to the Chairman—The first point is ruled out. The Villierstown delegates remarked "So are" left the meeting, one of them remarking "we're finished with G.A.A. now". The Chairman ruled out the other parts of the objection as the Villierstown delegates left. The Villierstown delegates returned again and said they were appealing against the Chairman's ruling, after which they gates had left.

It was decided that Stradbally and O'Grady were to play jointly. REFEREE'S POINTS. In reply to J. Moloney, the Secretary said that all the referees' reports were on official forms. J. Goode. Kilsrossanty v. Dungarvan at Dungarvan, 30th June. PAYMENT OF FEES. The Secretary remarked that he would like to call attention to the fact that a number of teams in the championship had not paid their affiliation fees which was rather irregular and the Board could not get along if this were allowed to continue. C. Curran, Clashmore, said that strangers would be better to supervise gates and that recently players had given their entry tickets to others. It was decided to make every effort to dispose of these difficulties in the future.

SECOND WAR TIME BUDGET. Introducing his second war-time Budget in the Dail on Wednesday, Mr. Sean R. O'Kelly said that the yield of revenue since the Emergency Budget of November last had been considerably in excess of expectations. He congratulated the country on revenue showing an unexampled resilience despite adverse conditions.

Some economies he had anticipated had not been realised. The Army last year had cost £2,973,000—an increase of nearly 70 per cent on the previous year. Expenditure for the coming year was estimated to cost £35,584,000, while estimated revenue would amount to £32,968,000, so that he had to bridge a gap of approximately two and a half million.

He proposed to provide an extra £100,000 as a subsidy for the purchase of artificial manures to aid farmers in tillage operations. He was recommending an increase in surtax for 1939-40 on incomes exceeding £20,000, from which he hoped to get £12,000 per annum. He proposed to increase wireless licence fees from 10s. to 12s. 6d. and he expected to get from that an additional £16,000. He intended to impose an Excise duty of 1s. per gallon on cider made in Eire and to increase the Customs duty on imported cider by 1s. per gallon.

He was prepared to explore the possibility of reducing the duty on leaf tobacco, so as to bring about a reduction in price to the smoker of the cheaper varieties of pipe tobacco of 1d. an ounce. The total estimated yield from all sources he had mentioned was £33,769,000, while total expenditure worked out at £33,765,000, leaving them with the modest surplus of £4,000.

The resolution that the rate chargeable for surtax on incomes exceeding £20,000 should be 20 per cent, was carried without a division.

75,000 Dollars Abegging. The Town Clerk, Youghal, has received a letter from Houston, Texas, looking for the heirs of Wm. Ellis, born in Ireland in 1835 and having an interest of 50,000 to 75,000 dollars in an estate in Texas. It appeared that Wm. Ellis emigrated to U.S.A. and enlisted in the U.S. navy in 1862 during the Civil War. He was in the battle between the "Kearsarge" and the Confederate ship "Alabama" off France in June, 1864. He married a Texas lady in 1867 and died in 1872. (This news may be of interest to some Ellis family in the district).

and Robin Hood loses no opportunity to thwart the efforts of the tyrants. Whilst Prince John is visiting Nottingham Castle, accompanied by Maid Marian, his brother's ward, he plans an archery tournament in the hopes that it will attract Robin Hood, and he can thus be captured. The plot proves successful, but Maid Marian, who has fallen in love with Robin, warns his hand that he is to be hanged. The archers disguise themselves and snatch their beloved leader from the jaws of death.

Once again Robin and his band range the woods, striking many lusty blows for freedom. Prince John decides to have himself crowned at Nottingham. On the eve of the Coronation his brother Richard returns from abroad, travelling incognito. News of this reaches his brother's ears, and John plans to assassinate him. Here again he is thwarted by Robin Hood and Maid Marian. With the aid of Robin and his merry men, King Richard once more establishes himself firmly on the throne, and proceeds to set right the wrongs committed by his brother in his absence. One of his first acts is to restore Robin to knight-hood.

FACILITIES FOR BATHING. Youghal has unequalled facilities for safe bathing. The beach, a fine stretch of firm strand extending for five miles, is probably the safest and finest in Ireland. It is remarkably level the whole way, shelving gradually to the sea, and there is a complete absence of rocks, sand depths or strong currents. The favoured stretch lies between the Lighthouse and Clay Castle—a high ridge beyond the promenade on the grassy slopes of which bathers love to bask in the sunshine after their dip. Across the Harbour is Monaree, with its lovely hotel, where excellent bathing may also be enjoyed.

FISHING. There is excellent deep sea fishing in Youghal Bay. Trout may be caught on the following local rivers—the Blackwater, the Lickey (at Clashmore), the Finisk, the Tourin, and the Graigech, near Clashmore.

HOTELS. Visitors are asked to note that the principal hotels in Youghal are—Devonshire Arms Hotel, Green Park Hotel, Hotel Monaree, Atlantic Hotel, "Stella Maris" Hotel, Harbour View Hotel, Avonmore Private Hotel, Park View Hotel, the Hotel Pacific, the Adelphi Hotel, Hotel Attracta, Harbour View Hotel, The Esplanade Hotel, "Sunmount," etc., etc.

BOATING. There are unlimited facilities for boating in Youghal. A most popular trip is up the beautiful Blackwater to Cappoquin. The river scenery is unsurpassable and is enhanced by many castles, residential mansions and ancient ruins. Another exhilarating cruise is along the coast to historic Ardmore, famous because of its association with St. Declan, being with Clashmore to be one of the pioneer districts of Christianity.
