## Dungarvan L.S.F. Notes

Everybody in town seemed to have turned out last Sunday afternoon to see the local uniformed Group "A" parade through the streets with arms and it apparently was the general opinion that the smart appearance and precision of movement which was evidenced left little or nothing to be desired from the military point of view. It has certainly been a long time since such a fine body of young men paraded our streets and the more often we see them the better.

When the boys had parades at the Garda Barrack Square, they were inspected by Assistant District O.C. M. Shalloe and the other District Officers who then handed over to Group Leader M. Morrissey for their route march. Subsequently at Ballyduff Cross much practice at inspection was carried out so that our boys ought to be in their best form for Sunday next when An Taoiseach will take the salute at the County demonstration to be held in Waterford.

Nearly 200 armed men are expected to leave Dungarvan for Waterford and the District O.C. of Transport (Mr. D. Lynch) is having a very busy time completing the arrangements for the day. Everything is getting into ship shape and it only remains now for the Weather Clerk to be in good humour to make the day a perfect one for the Parade.

Some of the District Officers went to Clashmore on Friday night last and had important discussions with the local officers of the Clashmore L.S.F. who are under Group Leader J. Donovan. A very efficient unit already exists under capable officers here but as Clashmore occupies such an important strategic position endeavours are being made to get as many recruits as possible to bring the L.S.F. up to its fullest strength in this area and with this object in view it is hoped that as high a percentage as possible of the local men will come forward and put their united strength to the National Endeavour. Uniforms for all will be available as quickly as possible and more frequent arms drill is being arranged.

The popularity of the Force in Clashmore was evidenced in the packed house which attended the L.S.F. Dance in the School House last Sunday night when all the dancers who travelled from far and near had a delightfully enjoyable night as the officers in charge left nothing to be desired.

At Killishal School on Saturday night Mr. M. Keane, B.E., gave the first of a series of lectures in brilliant style to members of the Cappagh District Group who are under Group Leader P. O'Farrell. The subjects dealt with included explosives and road blocks and judging from the rapt attention given to the lecturer it was evident that the lecturer was speaking from expert knowledge and experience. It is hoped that, whenever possible, similar lectures will be made available throughout the District as the technical knowledge thus acquired would be of undoubted benefit to the Groups in case of an emergency.

The Dungarvan Group are now pretty well supplied with arms so that in future there can be no excuse for any member being behind in arms training as a rifle is available for every man.

The first visit of the District Officers to the Ballinacourty District resulted in the formation of the nucleus of an active local L.S.F. Squad under the leadership of a Squad Leader. The Military at Ballinacourty House will help in the training of the Squad and it will not be long before sufficient recruits will have offered their services to provide a strong and energetic Section for this area.

And here are all the final arrangements for Sunday next. Each Section will parade under the Section Leaders at 11 a.m. sharp at the Garda Barracks and get supplied with rifles and then march to the Station and board the train leaving Dungarvan at 11.40 a.m. sharp.

On arrival at Waterford Sections are to proceed immediately to the Jail buildings at Ballybricken where they will receive their orders for Parade. Overcoats, scarfs, etc. will be accommodated at the Jail during the Parade and immediately after the whole Group will return to Ballybricken to recover their belongings and be free of the City until the time of departure of train to Dungarvan at 7 p.m.

It is absolutely essential that everyman be in his place on time so as to prevent a likelihood of any hitch whatever. It is also advisable that each member should bring with him some light refreshments as if may be late in the afternoon before refreshments would be available in the C.K.Y. As advertised the train fare from Dungarvan to Waterford will only be 3/5 return.

Look out for these notes next week when detailed particulars of the County Parade will be given and until then here's hoping that the Dungarvan boys will again prove a credit to the Old Boro.

## DUNGARVAN G.A.A. NOTES.

Lismore had an easy victory over our hurling team on Sunday. The game was almost a walk over due to our side being made up of almost all minors. Those who had attended anticipating a good hurling game were very disappointed and not a few gave expression to their feeling since. To the spectators who attended and to Lismore team I offer the apology without reserve but I feel it only fair to point out to the public that circumstances over which the Club had no control caused an absence of about 50 per cent. of those listed to play. Had the committee been aware of other engagements of members on this date we would never have agreed to play the game. To those who responded at the last minute to the call to fill the gaps I have nothing but great respect, especially the minors. The officials in charge who managed to get some kind of a team out when confronted with over half the original team absent deserve the appreciation of the Committee.

Training for the final is now in full swing. Some players have secured the permission of their employers to get off at 5 p.m. and put in an hour's training before dark. That's the spirit that will carry us through. The Committee are grateful to the employers who have helped. All will not be able to get this concession, but all should try and arrange to get some training done each night. The 8th December is coming near and remember that all training finishes on the Thursday before the match. The field will be open for practice on Thursday afternoons and Sunday mornings. A full practice is expected for Sunday next after Mass.

Those who intend travelling on the bus to Portlaw should book at once. The fare is 3/- and there are only a few seats left. Don't wait until the day of the match to see if it's going to be fine. Wet or fine the game goes on and if you wait you won't be able to get a seat. I make a special appeal to our lady supporters to travel. Come or get the boy to bring you. The buses will all return not later than 7 p.m.

Our minors will be surprised to hear that Cloncha have objected to Dungarvan being declared 1940 minor champions. The objection is, I understand, based on two points (1)—That the team included over age players. (2)—That our list of players was deceptive and misleading due to the omission of the mothers' maiden name of one of the players. As regards No. 1, I can make your minds easy. All our minors were under 18 years on 1/1/40. As required by rule, P.—and V.—will have two new birth certificates free of cost after the hearing of the objection. Point No. 2 is somewhat of a mystery I can't recommend the defence suggested to me by a bright minor that perhaps the player had no mother. We have tried a lot of things but I can't see the Co. Board accepting such a startling statement without some sort of proof. I hear that N.—is all hot and bothered about the list. Fewer mind old man didn't you give it to two "knowalls" to check. That's what I call "slipping the buck." The minor Committee have consulted with the Club officials and if what I hear is correct a counter that will show results is to be expected. I wouldn't worry about that list lads.

The Club has applied for the use of the Town Hall for St. Patrick's night next. The intention is of course to run the annual Gaelic Night for club funds. We hope that as in the past the public will support the concert and by doing so help to keep the G.A.A. Club going in the town and make St. Patrick's Night an Irish night as it is kept the world over.

The following have been honoured by inclusion on the Co. Selection to meet Cork on Sunday in N.H. League match, J. Mountain, P. Dwy, C. Maglary, W. Barron and Thos. Curran. Dec 30th being on the injured list could not play. The Club are proud to see five of their seniors honoured and players should appreciate this and endeavour to be worthy of it.

The annual general meeting of the Club has been arranged for December 11th. The Agenda includes selection of officials and committee to run the Club for the year. Unless the proper men are checked the Club cannot go ahead. Think over this, and try and put forward men who are ready to give their best services to the Club. I understand a number of officials are not going forward again.

I have been asked to make two special announcements—(1) that the Gaelic Field will be open from 7.30 p.m. to 8.30 p.m. (S.T.) each evening up to Thursday, December 5th, and those who are unable to train at any other hour can avail of this (2) that the committee are arranging for a special bus to Portlaw, and those who intend going should wire names and cash (3/-) to my Wednesday, December 4th. If the bus is not fixed by that date, it will be cancelled.

At the committee meeting of the Club, held on Thursday evening, November 21st, the following resolution was passed in silence, the members present standing— "That this Committee, on behalf of the club members, extend to our parish priest, the Very Rev. Canon O'Brien, P.P., V.F., Dungarvan, and through him to the priests of the parish, our sincere sympathy with them on the loss to the Parish of Dungarvan of the death of the late Rev. W. J. Flynn, C.C., Dungarvan." Proposed by T. McArthur, T.D.C., and seconded by Jas. Dwyer, Hon. Secy.

DUNGARVAN DISTRICT COURT

CIVIL BILLS.

A large number of undefended civil bills were disposed of. Decrees were granted in some, while others were adjourned to the next civil bill court.

Messrs. T. C. Williams, A. R. Farrell (Messrs. Farrell & Morrissey), Mr. Kenny (Messrs. E. A. Ryan & Co.), Mr. L. F. Lanigan, solr., and Dr. Counihan, State Solicitor, were the professional gentlemen engaged.

INSTALLMENT ORDER MADE.

David Riordan, Shandon, Dungarvan, sought instalment orders against Messrs. Patrick Humble, Fair Lane, Joseph Power, St. Mary Street, and James Butler, St. Garvan's Terrace.

Mr. Farrell, solicitor (Messrs. Farrell & Morrissey) appeared for applicant; Mr. Kenny (Messrs. E. A. Ryan & Co.) appeared for Messrs. Humble and Power; and James Butler was not professionally represented.

Mr. Farrell, in opening the case, said it was an application for an instalment order against the defendants, on foot of a decree with costs, amounting to £250 16s. Both the applicant and the defendants were plasterers, and the defendants intended with applicant's employment at the building of a recent housing scheme in Dungarvan.

Applicant brought an action against the defendants, which was undefended, and the Circuit Court Judge gave him a decree for £150 with costs. The case was appealed by the defendants, and was, after a hearing, dismissed. They did not pay anything to the applicant, and an examination order was got and a statement of means by the defendants was now before the Court.

David Riordan, the applicant, in reply to Mr. Farrell, said that the defendant Humble is a fully qualified plasterer and is entitled, according to union rate, to £4 a week when working. During the past 12 months Humble worked nearly the whole 12 months. Applicant then gave details of work done by the defendant Humble at the Friary, the Golf Clubhouse, Garranbane Church, Messrs. A. Moloney & Sons, Messrs W. & G. Hadden's, Mountain Villas, etc., and said that his (witness's) knowledge defendant was working up to last Saturday. Before that he had worked 15 to 18 months on the housing scheme at £4 a week. He owns his own house and does not pay any rent.

As regards Butler, he is a married man with a family, who is entitled to £4 a week. He is working at present on the Bank of Ireland with 2 months, and before that at the Presentation College about 4 weeks. Jos. Power, the other defendant, did only about a fortnight's work during the past 12 months. He (witness) thought Mr. Humble must have plenty of money.

Mr. Kenny, solicitor, said a statement of means was filed by Mr. Humble.

To Mr. Kenny, Riordan said he would not be sure of the time Humble worked, as he was working himself. He could not say if it was 3 weeks Humble worked in Ballinacourty, and is not in a position to give the dates on which Humble was employed.

Mr. Patrick Humble, in reply to Mr. Kenny, said the statement of means submitted by him showed that he worked a period of 30 weeks at £4 a week from August, 1939, to November, 1940, of which the details were given. He had a National Health Card (handed in to Court). Applicant had seized a wireless set the property of witness. Witness then gave details of the work done and the number of days worked.

Mr. Kenny said the average earnings of Humble over a period of 16 months was £1 13s. 6d. a week.

To Mr. Farrell, solicitor, witness said that he had 6 weeks' work at the Friary in May last at £4 (£24). He agreed he got a contract for the Friary for £37 7s. 6d., and a further contract for £13. By the Golf Club he was paid a sum of £17. From the Secretary, he had labour to pay out of these monies, which left his earnings at roughly £4 a week. He did not work at A. Moloney & Sons' on Monday last, as he was working for Mr. Going. He put in a water tank there. He did 3 hours' work at Messrs. Hadden's.

Asked by Mr. Farrell if and what he is prepared to pay Riordan, witness said he will pay him if he wins the sweep. (Laughter.) He has no money to pay Riordan. He had the money himself to pay for the appeal. He had no money saved after the housing scheme, and has not a bank account.

Mr. Farrell asked witness if he worked as a gardener at Mountain View where idle. Witness—Who told you that? (Laughter.) I never worked as a gardener. He plastered Mr. Keane's house in Mary Street. That was about four years ago.

Mr. Kenny said there seemed to be a discrepancy between the figures given in the statement of means and the figures mentioned as contracts. He wanted to explain that Mr. Humble had to pay the labour in these contracts.

Mr. James Butler, examined by Mr. Farrell, said he was working presently at £4 a week. He could not afford to pay Riordan anything, as he had a number of bills to pay.

He could not put up the money to fight the case against Riordan, but he would have fought it if their union had taken up the case. He got very little work and is practically all the year signing at the Labour Exchange. He has two children and is paying a rent of 9/5 a week. He is not in a position to pay anything as he has a lot of bills to meet.

Mr. Farrell—You won't agree to pay anything to a man with a wife and five children who you kept out of work for 18 months?

Witness—I could not.

Mr. Jos. Power, replying to the Justice, said that the appeal of the case cost him £17 10s. This he got from two free policies. He had nothing to pay.

The Justice said he is satisfied that Power had not anything, and it is obvious Butler had enough to do to support his family and he has a big rent to pay. Humble is a man with no family and no rent to pay, so in his case he would make an order for the payment of £1 a month.

OCCASIONAL LICENCE.

Mr. Morrissey, solicitor, acting for Mr. Williams, solicitor, was granted an occasional licence on behalf of Mrs. Ahearn, Park Hotel, on the occasion of a dance by the Dickens Leather Co.'s Social Club on the night of January 1st and morning of January 2nd, 1941.

SCHOOL ATTENDANCE CASES.

Guard L. Farrell, school attendance officer, prosecuted a number of parents for failing to keep their children at school. The usual orders were made.

ACCIDENT AT KNOCKMAUN.

Supt. Walsh charged—Long, a temporary G.S.R. lorry driver, and William O'Donoghue, Knockmaun, under the Road Traffic Act.

The case was a sequel to an accident on the Knockmaun road on 18th September, when a lorry driven by Long knocked down and injured a cow the property of O'Donoghue, as a result of which she had to be destroyed.

Mr. Kenny, solr., appeared for Mr. O'Donoghue.

A young lad named Frank O'Meara said he was employed by Mr. O'Donoghue up to about a month ago. On the 18th September, about 7.45 p.m., they were driving two cows to Mr. Walsh's place. They were both behind the animals. They came from a bye-road on to the main Aghish road. One of the animals went in a gap and witness and Mr. O'Donoghue went to drive her out. The lorry came along as the cow went out the gap and struck the cow. The lorry was driven very fast. The driver was speaking to O'Donoghue after the accident. The cow's leg was broken and she had to be destroyed.

Mr. Kenny said that the defendant Humble is a fully qualified plasterer and is entitled, according to union rate, to £4 a week when working. During the past 12 months Humble worked nearly the whole 12 months. Applicant then gave details of work done by the defendant Humble at the Friary, the Golf Clubhouse, Garranbane Church, Messrs. A. Moloney & Sons, Messrs W. & G. Hadden's, Mountain Villas, etc., and said that his (witness's) knowledge defendant was working up to last Saturday. Mr. Farrell—You won't agree to pay anything to a man with a wife and five children who you kept out of work for 18 months?

Witness—I could not.

Mr. Jos. Power, replying to the Justice, said that the appeal of the case cost him £17 10s. This he got from two free policies. He had nothing to pay.

The Justice said he is satisfied that Power had not anything, and it is obvious Butler had enough to do to support his family and he has a big rent to pay. Humble is a man with no family and no rent to pay, so in his case he would make an order for the payment of £1 a month.

OCCASIONAL LICENCE.

Mr. Morrissey, solicitor, acting for Mr. Williams, solicitor, was granted an occasional licence on behalf of Mrs. Ahearn, Park Hotel, on the occasion of a dance by the Dickens Leather Co.'s Social Club on the night of January 1st and morning of January 2nd, 1941.

SCHOOL ATTENDANCE CASES.

Guard L. Farrell, school attendance officer, prosecuted a number of parents for failing to keep their children at school. The usual orders were made.

ACCIDENT AT KNOCKMAUN.

Supt. Walsh charged—Long, a temporary G.S.R. lorry driver, and William O'Donoghue, Knockmaun, under the Road Traffic Act.

The case was a sequel to an accident on the Knockmaun road on 18th September, when a lorry driven by Long knocked down and injured a cow the property of O'Donoghue, as a result of which she had to be destroyed.

Mr. Kenny, solr., appeared for Mr. O'Donoghue.

A young lad named Frank O'Meara said he was employed by Mr. O'Donoghue up to about a month ago. On the 18th September, about 7.45 p.m., they were driving two cows to Mr. Walsh's place. They were both behind the animals. They came from a bye-road on to the main Aghish road. One of the animals went in a gap and witness and Mr. O'Donoghue went to drive her out. The lorry came along as the cow went out the gap and struck the cow. The lorry was driven very fast. The driver was speaking to O'Donoghue after the accident. The cow's leg was broken and she had to be destroyed.

Mr. Kenny said that the defendant Humble is a fully qualified plasterer and is entitled, according to union rate, to £4 a week when working. During the past 12 months Humble worked nearly the whole 12 months. Applicant then gave details of work done by the defendant Humble at the Friary, the Golf Clubhouse, Garranbane Church, Messrs. A. Moloney & Sons, Messrs W. & G. Hadden's, Mountain Villas, etc., and said that his (witness's) knowledge defendant was working up to last Saturday. Before that he had worked 15 to 18 months on the housing scheme at £4 a week. He owns his own house and does not pay any rent.

As regards Butler, he is a married man with a family, who is entitled to £4 a week. He is working at present on the Bank of Ireland with 2 months, and before that at the Presentation College about 4 weeks. Jos. Power, the other defendant, did only about a fortnight's work during the past 12 months. He (witness) thought Mr. Humble must have plenty of money.

Mr. Kenny, solicitor, said a statement of means was filed by Mr. Humble.

To Mr. Kenny, Riordan said he would not be sure of the time Humble worked, as he was working himself. He could not say if it was 3 weeks Humble worked in Ballinacourty, and is not in a position to give the dates on which Humble was employed.

Mr. Patrick Humble, in reply to Mr. Kenny, said the statement of means submitted by him showed that he worked a period of 30 weeks at £4 a week from August, 1939, to November, 1940, of which the details were given. He had a National Health Card (handed in to Court). Applicant had seized a wireless set the property of witness. Witness then gave details of the work done and the number of days worked.

Mr. Kenny said the average earnings of Humble over a period of 16 months was £1 13s. 6d. a week.

JUST COMMONSENSE. YOU need not be an Expert to realise that a Genuine Overhaul cannot be done on your Car for a few shillings. As a Motorist you would not expect a super performance from a badly worn engine, or trust your life to a ruin salvaged from a junk yard. Yet there ARE Motorists who toy with the idea of saving a pound or two on their Overhaul, the one item concerning which parsimony is unwise to the point of foolishness. Have your Car Overhauled in one of the best-equipped Garages in the South. Over 200 Engines Re-bored in two years, and still going strong. D. POWER & CO., GARAGE, DUNGARVAN.

WEST WATERFORD NEWS. CLASHMORE L.S.F. DANCE. The first annual all-night dance under the auspices of the Clashmore L.S.F., held on Sunday night last, was a huge success, and there was a very large attendance from all parts of West Waterford and East Cork. Mr. James O'Donovan, Group A leader, was a very capable M.C., and other arrangements were perfect in the hands of Messrs. M. Collins (treasurer), J. Barron, T. Bagge, T. Harding, R. Russell, and C. Curran (secretary), while valuable assistance was given by Messrs. W. Lennon, W. Murphy, M. Fitzgerald, and other members of the local group. Splendid music was supplied by Mr. Steve Sheehan's Dance Band, and the catering arrangements were in the hands of Miss W. A. Weckliam, Youghal. The spacious hall was artistically decorated for the occasion, the national colours being prominently displayed, while there was a large L.S.F. crest at the top of the hall. A number of Irish dances were included in the programme. Amongst those present were Senator Sean Goulding, Messrs. M. Morrissey, T.D., M. Shalloo, E. J. Keyes, and a party of military officers. During an interval Mr. Morrissey addressed those present. He congratulated the organising committee on the success of the night's function—the attendance was an indication of the support which the L.S.F. commanded in that district. The strength of the local group could, however, be more satisfactorily. In the present crisis it was the duty of every individual to do his part. He made an appeal to the young men of the parish to join the L.S.F. and prepare themselves for the defence of their country. Officers could assist by joining the Red Cross and assisting the parish council. DISTRICT LEADERS ATTEND CLASHMORE L.S.F. MEETING. At a meeting of Clashmore Group A L.S.F., Mr. James Mansfield, district leader, and Mr. E. J. Keyes, district adjutant, attended and addressed those present. In the course of his address Mr. Mansfield stressed the necessity for increasing the strength of the local group at once, and stated that any man who couldn't join the Force should be a member of the Force. A discussion took place on matters of importance, including defence, transport, communications, intelligence and observation, etc., and it was decided to make an effort to get more recruits. The question of the position of those who do not join the Army or L.S.F. was referred to, and it was pointed out that in the event of an emergency every man of military age would immediately come under military law. THE WEATHER. Broken weather has prevailed during the past week. Last week-end there was a torrential downpour and severe flooding occurred in many areas. PRAYERS FOR PEACE. On Sunday last prayers for peace were offered up in all West Waterford churches and large and devout congregations attended the different devotions. In the Church of Our Lady of Good Counsel, Clashmore, Exposition of the Blessed Sacrament was held during the day, and during the afternoon there was a steady stream of worshippers. Holy Hour devotions were held on Sunday night, when there was a crowded congregation. SPECIAL TRAINING FOR L.S.F. L.S.F. Groups throughout this area are at present receiving a special training at the hands of N.C.O.s from Youghal Military Barracks. New American rifles are being used for instruction. All L.S.F. groups will be supplied with these rifles in the near future. L.S.F. TO ATTEND WATERFORD PARADE. Ardmore and Clashmore L.S.F. are travelling to Waterford on Sunday next to attend the meeting to be addressed by Mr. de Valera, Gen. Mulcahy, etc. The members of Clashmore group will parade to Mass on Sunday morning and later proceed by car to Waterford. SEAMAN DROWNED AT KILLAHALA QUAY. A seaman named William C. Bolt, a member of the crew of the m.v. "Purbee," with an address at 22 North St., Parkstone, Dorset, England, was drowned under tragic circumstances at Killahala Quay, near Cappoquin, on Saturday night. The vessel had arrived only that day, and the deceased and other members of the crew went to Lismore to do some shopping, returning about 10.30 p.m. It appears that when going aboard the vessel, Bolt accidentally slipped off the gangway and fell into the water between the vessel and quay. A fellow seaman, G. Clarke, plunged in to rescue him and having succeeded in doing so, brought him ashore, but despite every care, he died in a few hours. At the inquest into the circumstances of his death, Coroner D. T. McCarthy, M.D., presided, and the foreman of the jury was Mr. Wm. O'Brien. Giving medical evidence, Dr. D. Healy, Lismore, stated that death was due to shock and cardiac failure, caused by immersion in the water. A verdict of accidental death due to shock and cardiac failure was returned. The Coroner highly commended the brave action of Clarke and the other members of the crew, and expressed sympathy with deceased's family, the captain of the ship and the crew. Sgt. J. Brovase, G.S. Cappoquin, and Mr. E. Carroll, solr., Ferny, associated themselves with the expression of condolence. The deceased, who had been a seaman all his life, took part in the evacuation of Dunkirk, and was torpedoed during the last war. The remains were removed to Lismore en route for England. BADMINTON CLUB DANCE. All roads lead to Cappoquin on Wednesday night next, December 4th, for the local Badminton Club's all-night dance in the Boathouse! This promise to be the leading social event of the season, and a large and fashionable attendance is assured. With all arrangements in the capable hands of Messrs. Fred Anderson (treasr.), M. J. Sargent, P.C. (hon. sec.), J. P. Daly, and a hardworking organising committee, the success of the dance is assured, and the maximum of enjoyment is guaranteed to patrons. There will be a high-class musical programme by the ever-popular Twilight Serenaders' Dance Band (reheard), which will be conducted by Mr. Tom Sluochan, and specially augmented for the occasion. There will be special patronage, by the lady members of the Badminton Club. It will surely be the fumes of the season—do not miss it. L.S.F. DANCE. There was a large attendance at the

CAPPOQUIN NOTES. L.S.F. ON MANOEUVRES. Cappoquin L.S.F. took part in the extensive manoeuvres which were held on Sunday last. The operations were carried out under the control of the district staff and group leaders. The different sections carried out in a most satisfactory manner the tasks allotted to them, and the exercises served the desired purpose, that of giving members of the L.S.F. practical experience of defensive warfare. On Sunday night a conference of military staff officers, umpires and L.S.F. leaders took place in Cahir, when there was a frank and interesting discussion on the day's events. Tributes were paid to the efficiency of the L.S.F. R.A.F. MAN PROMOTED. Pilot Officer H. Barron, R.A.F. a native of Cappoquin, who some months ago was awarded the D.F.M. for distinguished service, has been appointed instructor at the Great Empire Training School, Ottawa, Canada. Mr. Barron is son of Mr. James Barron, Cardiff, and nephew of Mr. J. Barron, a most popular Cappoquin citizen. His many friends and well-wishers in Cappoquin district join in congratulating him on his promotion to such a responsible post. LATE MR. W. BYRNE, KINSALEBEG. We regret to announce the death, which occurred on Sunday last, of Mr. William Byrne, Rath, Kinsalebeg. The deceased, who was a general favourite, was a member of a well-known and widely respected family, and was brother-in-law of Canon D. Walsh, P.P. Clonmel. He was a large and practical farmer and one of the most extensive cattle buyers in the county. To his bereaved son, daughters, brother and relatives deepest sympathy is extended in their sorrow. The funeral to Clashmore Parish Church was of very large proportions, while there was also a very large and representative attendance of the general public at the internment, following Requiem Masses in the local cemetery. The chief mourners were: The Rev. Mr. (son); Miss Byrne (daughter); Patk. Byrne (brother); M. J. Kennedy and Mrs. Kennedy, John Kennedy, T. O'Halloran, J. O'Halloran, J. Conner, Matthew Fitzgerald, Patk. Fitzgerald, Mrs. Walsh, T. Hanrahan, E. O'Donnell, E. Curran, J. Quinn, Mrs. Flavin (cousins and relatives). Very Rev. Father P. Murphy, P.P., officiated. Numerous messages of sympathy were received. SEAMAN DROWNED AT KILLAHALA QUAY. The Kilmachomas and Kibrossarty Units will be figuring at full strength in the L.S.F. parade in Waterford on tomorrow (Sunday), at which the salute will be taken by Mr. de Valera, who will be accompanied by General Richard Mulcahy, T.D., a member of the Defence Conference.

THE SHORTAGE OF BAR IRON TO-DAY. Is appalling, and the price prohibitive, and this applies especially to Horse Shoe Iron. Anticipating this scarcity we purchased early last year a tremendous quantity of Swedish Horse Shoes every size and size. We need not remind you that Swedish Horse Shoes are the finest in the world, and give wonderful wear, and the price will be less than half the present-day prices. We would appeal to every farmer to purchase half a dozen sets to carry him over the winter. We cannot advise you too strongly on giving this matter your serious attention, as we know that in a very short time it will be impossible to purchase any class of horse shoes, or the iron to make them. Send us your order at once while the quality is good and the price reasonable. Remember we deliver all goods free to your door—HARVEY BROTHERS, Ironmongers and House Furnishers, Waterford.

### WATERFORD HOUNDS

Last Tuesday, 19th, these hounds met at Feddians Cross in the Rathgormack country which provided so many good hunts last year, but this was a disappointing day; scent being poor and foxes not inclined to run. After hunting a fox in Ballinacourty for about 30 minutes, he finally broke covert but was rolled over after a few fields. Mottel Gorse was blank and a fox in Ballyneal got to ground. A fox found in Moore's Glen and ran out towards Mottel, right handed parallel to the Clonea-Curraghmore road into Old Grange where hounds checked, but Thatcher held them on, hitting it off again they ran to Lowry's Bridge where they were stopped as the fox had gone into Curraghmore. Nothing could be done with a fox in Ballydurn Creamery Gorse.

The mixed pack was at Durrow on Thursday 21st and had a very nice hunt from Durrow Bog; finding a brace of foxes at once in the Bog, hounds went away across the Durrow road to Durrow House, where hounds checked near the Railway bridge, but a clever cast by Thatcher soon put them right and they ran to Fox's Castle where the fox was viewed a field in front of hounds. They then hunted across the Leamybrien Road through Robertstown, on by Downey's Cross, under Carrigmore through the Ballinavouga bogs and into Englishtown covert, however, the fox had gone on, so hunted back to Durrow Bog and to ground on the Ballykerogue side of the bog after a grand hunt of 1 hour and 10 minutes.

From Kilmeaden Station last Saturday hounds found in Ballyduff Bog, ran through Ballyduff Wood, close by Kilmeaden Creamery into Amberhill, where the Huntsman's horse was badly cut and little more could be done.

### LINES IN MEMORY OF DAN COONEY

(Who died August 5th, 1940).

He died far from his native place,  
In Cork's fair city by the Lee;  
No more we'll see his pleasant face,  
Or hear his voice so gay and free.  
The manly heart is stilled in death—  
Until we draw our latest breath  
We'll always think of you, dear Dan,  
The heart that loved his fellow man.  
And when the shades of even's night  
And when across Dungarvan Bay  
White gulls are circling 'neath the sky,  
And when the sands of time have run,  
And when at last this life is o'er,  
And when, please God, the victory's won,  
We'll meet upon that happy shore.

A FRIEND.

### UNIVERSAL PRAYER.

At St. Patrick's Church, Fermoy, on Wednesday the solemn observance of the day of universal prayer as decreed by His Holiness the Pope took place. At First Mass which was celebrated by Rev. E. J. Fox, Adm., there was an enormous congregation, practically all of whom approached the Altar, and the same prevailed at the 9.30 o'clock Mass which was celebrated by Rev. D. F. Duggan, C.C. Mass at Noon was celebrated by Rev. M. Walsh, C.C., after which Exposition of the Most Blessed Sacrament took place until the evening Devotions which were given by Rev. Fr. Fox. There was again a very large congregation and during the day many hundreds of people visited the Church to pray for the intentions of Our Holy Father. The Altar during the Exposition of the Most Blessed Sacrament was magnificently decorated with the choicest flowers and plants and the work was performed by the Ladies of the Altar Society.

### AN APPALLING SCOURGE.

The latest statistics have shown that the amount of damage done by rabbits has risen to an alarming rate. Thousands of acres of cabbage, oats, wheat, barley and every description of green crop have been destroyed, and the effect in the coming winter will be felt to an alarming extent. We have thousands of the newest type of Rabbit Traps in stock, and we are offering them at a very reasonable price. In addition, we are offering guns, rifles, cartridges, nets, snare wire, and have seen that our stocks are increasing, so that nobody will be short. Owing to the food shortage it is now possible to dispose of rabbits at a good price, and we understand that the price may increase very considerably in the very near future. Get in touch with us if you wish to rid yourselves of this very alarming pest, and you can do so at a profit—Harper Brothers, 48, Quay, Waterford.

### Co. Waterford Vocational Education Committee.

Dungarvan Gets £0.2 Per Cent. For Art.

An Fear Mor presided at a meeting of the above held at Scoll na gCeard, Dungarvan, on Tuesday last. Rev. Fr. T. B. Walsh, B.A., C.C., Professors O'Hara and O'Cuinn, and Mr. Liam O' Miodhchain, and Mr. S. O'Lanagain, C.E.O., were also in attendance.

ART CLASS.  
A letter was read from the Department regretting their inability to agree with the resolution adopted by the Committee on the 24th September, as the present timetable provides an improved and more properly balanced programme of instruction.

An Fear Mor—It is a question then of knocking out drawing!  
Professor O'Hara—What is the function of the Technical School. They are cutting out drawing and putting in English and Irish.

An Fear Mor—Drawing in my opinion is one of the subjects that should be taught. I don't think we're advancing in the right way by cutting out art.  
Mr. Lanigan stated that out of £8,754 Vocational Education expenses, £20 were allotted to art.  
Mr. O'Cuinn proposed that art stand at £66, the old price, instead of £20.  
Fr. Walsh proposed that they ask the Department to compare the sum allotted to Art in Clonmel and Waterford with the amount given to art in Dungarvan. He

also added that besides being a Pastime Art was a universal language.

It was finally decided to ask the Department to reconsider the letter under the circumstances.

The Department of Education returned the conditions of appointment of Miss A. Brody, as whole-time Domestic Economy Instructors, which are generally satisfactory.

A letter from the Department approved of the appointment of twelve part-time teachers for 1940/41.

### LECTURE.

Mr. M. Murphy, Barrington Lecturer, Dairy Accountancy Department, University College, Cork, inquired as to the holding of a lecture at Dungarvan in the second week of December.

### APPRECIATION.

"Dungarvan Observer" SATURDAY, NOVEMBER 30, 1940. THE ONLY ANSWER. The clouds of war drape the horizon so thickly and so darkly that it needs more than an ordinary share of faith and hope to believe that the obscurement of light is not eternal.

Some truisms become sermons by repetition, and it cannot be said too often that the peoples who are at war are only so many automatic machines set to action by levers they do not see, and controlled by forces they do not understand; that they have hearts which feel, souls which aspire, bodies which suffer, does not take from the truth, only adds to its horror; and they—full of quivering, passionate life, with organisms so minutely ganged by nature to the dart of pain—should be hurled against inanimate monsters belching forth hellish fumes and fires, and that they accept willingly their part in the gargantuan mockery of a duel is only a further expansion of a truth made more than familiar by the daily papers.

All through the ages there have been wars, with their inevitable day of reckoning; but in the summing up individuals had something to say for themselves independent of blind forces; they could estimate gains and losses, and whatever the slaughter and the massacre they could, without bitterness, wipe the slate clean. Even in the shop of prodigious encounters man felt he had to do with man—the primitive and natural stimulus of struggle was felt. One cannot imagine any such reckoning where the present war is concerned; whatever the issues, it is inconceivable that millions of suffering human beings will remain questionless over the horrors of which they have been victims. They are now in the grip; however ruthless the methods, however immense the sacrifice, there is nothing to have done but to fight to the uttermost; let the pressure be what it may, it must be kept up by ever increasing human weight until the hour when tension breaks. The hour is approaching—some say it is near, some that it is still far off. Whether near or far, the thought of it is the only relief possible as we lie inarticulate through the nightmare of the present.

In all directions men's eyes are turning to the future, and the strongest and most virile minds all agree that the giant of Democracy will take new bearings; that the experience of his bondage to the Lilliputian forces of Autocracy and Diplomacy will make for new safety and peace. It must be so. Unless every hope and aspiration towards progress were false, the people of Europe can give but one answer when they come to review the madness which played as regardlessly with living bodies as does the wind with dust on a summer's day. The answer can only be, "Never Again."

D.L.C. SOCIAL CLUB VARIETY CONCERT This concert is being held on Wednesday, December 11th, in the Town Hall, Dungarvan, Dungarvan and promises to be the best show of its kind staged in the Town to-date. The energetic committee of this club are putting on every form of variety entertainment possible and has engaged some very well-known artistes, many of whom are appearing for the first time in Dungarvan. The high light of the programme is that great personality star of radio and record—Della Murphy. This lady has appeared on every stage of note in this country and this opportunity of hearing her in the Town Hall, should not be passed up by anyone. Mick Delahanty and his Harmony Band have often played to the dance-going public of Dungarvan to the content of their hearts' and feet, so now let them play to your heart's content at this concert. The appearance of that famous impersonator "Abdulrah" is going to bring the "house down" as he is one of the greatest of his kind in Ireland. The O'Keefe Bros. on the unsupported chairs, the only act of its kind, are going to make the audience spell-bound with their amazing performance. These boys have toured the British Isles and are just about to start on another tour so take this opportunity of seeing them. Many other artistes of note, local and otherwise are taking part in this great show, details of which will be given next week in this paper. The place is the Town Hall, Dungarvan; the date is December 11th, 1940; the time—doors open, 7.30 p.m., commencing at 8 p.m. (S.T.). Admission prices—3/- reserved, 2/-, 1/6 and 9d. Reserved seats may be had from P. Ryan and J. J. Glanville.

YOUGHAL URBAN COUNCIL

Present—Messrs. M. D. Broderick, Chairman; E. D. Condon, R. Power, E. P. Lynch, R. Savage, P.C.; P. J. O'Gorman, P.C.; J. R. Smyth, P.C.; R. C. Farrell, Vice-chairman; T. K. Keane, solr.; W. J. Broderick, T.D., and Capt. C. Watson. Messrs. T. H. Wain, B.E., Town Surveyor; and Wm. Dunne, Harbour Master, were also in attendance.

LABOUR AND WAGES. A cheque for £61 5s. 7d., labour and wages for week was passed.

RELIEF SCHEME. The Clerk said they would be glad to hear that the Department had at last sanctioned the relief scheme. The method of recruitment of labour would be the same as before, except as regards the procuring of stones. Except where it was impracticable, stones should be got from unemployed men.

The Chairman—How is a man drawing the dole to supply stones? That is ridiculous.

Mr. Power—In the name of goodness how could he do it?

Mr. Wain said as regards quarrying stone, it would cost about £300 more. The only quarry (Gleeson's) was overgrown with briars, etc.

The Clerk said that Mr. Wain and he went into the matter and they found it would cost 11/9 per ton from the quarry as against 5/- per ton in town.

The Clerk was directed to put the facts before the Department.

Replying to a question, Mr. Wain said he proposed to start concrete work next week. There were six applications for the position of ganger, and the following were accepted for one month each: Messrs. James Cashman, James Hennessy, M. Kelleher, Wm. Nunn.

LIBRARY SCHEME. Regarding the county library branch at Youghal, it was stated that owing to the crowds patronising the Library on the three nights on which it opened, the Clerk said he had written the acting county librarian suggesting that the Library should open for children from 4 to 6 on Wednesdays, and it was agreed to.

G.S.R. SHED, ETC. The G.S.R. wrote that the company would supply the Council with the quantity of corrugated iron necessary to put the railway shed and refreshment rooms at Youghal Station into repair, and to pay the Council £10 a year towards the cost of painting, etc.

The Council unanimously expressed themselves satisfied with the result of their negotiations with the G.S.R.

ACKNOWLEDGMENTS. A letter was read from the Department of An Taoiseach acknowledging the Council's resolution re the neutrality of Eire. The Cork Corporation and other bodies also acknowledged the resolution.

SPECIAL TRAIN ON 1st DECEMBER. A letter was read from Mr. D. H. Lennihan, stationmaster, stating that a special train had been arranged for Middleton on 1st December in connection with the National Hurling League match, leaving Youghal at 2.15 and returning at 5.45.

OLD AND NEW TIME. A long discussion took place on the question of new versus old time.

It was unanimously decided to adhere to the time fixed by the State for the present, and to appoint a deputation to wait on the parish priest and the schools with reference to the school hours.

ACTION AGAINST COUNCIL. A letter was read from Mr. J. N. R. MacNamara, solicitor, on behalf of J. Kiely, Cork Hill, applying for £300 compensation for an injury to his daughter, Mary, who got her leg broken while playing at Dunne's Park in the absence of the caretaker.

The letter was referred to Messrs. Hodnett, solicitors.

TALLOW STREET. Replying to Mr. Power regarding the proposed drainage of Tallow Street, Mr. Wain said that he had met and consulted with Mr. D. Flynn, assistant county surveyor, on the question, but they had not yet concluded their deliberations.

ALLOTMENTS. The Department of Agriculture wrote stating that certain people shouldn't get allotments this season as they had neglected their allotments last season.

The Clerk said that a number of last season's allottees had joined the Army, and the Department stated that members of the Defence Forces couldn't be deemed to comply with the Allotments (Unemployed Persons) Regulations, 1934, and therefore couldn't be regarded as unemployed persons for the purposes of the Acquisition of Land (Allotments, Amendment) Act, 1939.

GREEN PARK. In connection with the relief scheme, the Department wrote asking for further details regarding the figures dealing with the labour content to be employed on the proposed concrete platform at Green Park.

Mr. Wain gave particulars of the method he had adopted in estimating the "labour content" with which the Council agreed.

Mr. Smyth—They are a lot of donkeys down here in the country. (Laughter.) Mr. Wain said it would take him a considerable time to give all the minute details wanted by the Department. They asked for a regular quantitative estimate.

It was decided to get into touch with the Department again on the subject.

LIBRARY. Mr. Savage said they were all delighted to hear of the success of the library scheme. It was one of the greatest boons secured

by Youghal for a long time. Owing to the overcrowding of applicants for books, the Librarian has a most difficult task, and should get some assistance to keep order. The Chairman and others agreed. Mr. Power suggested that they should appoint a deputation from the Council to see how things worked, and they could then report to the County Library Committee. This was unanimously agreed to. ACKNOWLEDGMENT. Mr. A. J. Fowkes wrote on behalf of the family thanking the Council and the Clerk for their kind vote of sympathy. DUNNE'S PARK. A letter was read from Mr. P. P. Gornall, Headmaster, Technical School, stating that he had suggested to the Town Superintendent, the advisability of not erecting goal posts, etc., in Dunne's Park for the present, as they might be likely to get damaged and broken. He could assure the Council that the students of the school would do everything possible to keep the place clear of litter, etc. He wished to convey to the Council his sincere thanks for the use of the Park and for the other facilities they had so kindly granted. SYMPATHY. The Chairman referred in feeling terms to the sad death of Rev. P. McSwiney, C.C., Kinsale, who had done wonderful work for technical instruction and other praiseworthy causes. Mr. O'Gorman proposed a vote of sympathy to the relatives. He had acted on the County Technical Committee with Fr. McSwiney for many years and he cordially endorsed the Chairman's remarks. He was instrumental in securing for Kinsale one of the finest technical schools in Ireland. This was seconded by Mr. W. J. Broderick. Mr. O'Gorman proposed a similar vote to the relatives of the late Capt. and Mrs. J. McCarthy, who died within a week of each other. They were members of well-known Youghal families. Mr. Broderick seconded. Mr. Power proposed a like vote with Mr. M. O'Keefe, Cork Hill, on the very sad death of his wife. This was seconded by Messrs. Smyth and Lynch. Mr. Savage proposed a similar vote with the relatives of the late Nurse Milton. This was seconded by Mr. Smyth. The Clerk said on behalf of the other officials and himself, he wished to associate himself with the proposer and remarks regarding Fr. McSwiney, who was a most sincere and useful member of the community. Mr. Lynch said he was for a time in Fr. McSwiney's parish in Liverpool, where he did great work for his fellow countrymen. A letter was read from Mr. J. C. Condon, joining in the expression of regret at the death of Fr. McSwiney. The Clerk said he had received 13 applications for the use of the ballroom for dances, etc., for the coming few weeks. It was decided that for the future the persons responsible for the conduct of the dances should place a man outside to prevent conduct of the kind complained of.

**KNOCKANORE WIN I.F. CHAMPIONSHIP.**

**Newtown Defeated in Final.**

**KNOCKANORE, 2-2; NEWTOWN, 0-1.**

Last Sunday was the day for which Gaelic enthusiasts of Waterford and surroundings, all lovers of the good old game of football, and all interested in the welfare of our local team, have waited. It was the day on which a vast crowd of followers, young and old, rallied to see their team, clinch all previous successes with a stout performance at the Shandon Field. After a gruelling hour of fast, thrilling and unbroken football Knockanore defeated a grand Newtown combination for the County championship. We congratulate them. As a team who have plied their way through a series of matches with sheer physique and determination, and who have lacked the training by which other teams shoot out on top. They are not to be ignored, and they have only repaid the reward of many a hard-fought game, clean and sport-like. The weather was ideal and a good line of spectators greeted the opening whistle. Mr. J. Goode, Dungarvan, was a capable and impartial referee.

**THE GAME.**

Knockanore won the toss and played with a slight incline. Soon after the throw-in Knockanore broke away and a good movement by T. O'Neill and Barry left P. Kelly in possession but his shot was defended uselessly by a slippery sod. A second movement also resulted in a wide. A long kick out was strengthened by Veale who sent his forwards attacking and following a sound defence by the Knockanore backs (Neville Brothers, Donovan, Barry, etc.) Newtown opened the scoring with a point. Play became more lively and extended to the wings. T. Donoghue, Loneragan, Veale and Revins fought hard for the leather. Donoghue centred to J. O'Neill who sent over the bar for the equalising point. Excitement rose to their feet while forced the pace. A 50 to Newtown was taken by Larry Veale, a long low ball was cleared by P. Neville, and T. O'Neill led a second attack which resulted in a major. Knockanore were now on their feet and they never looked back. A third attack was ward off by Newtown at the expense of a 50. A "feeler" by Mick Neville sailed over a number of "backs" but was saved in good style by the Newtown goalie. The latter sent to Nugent who drove a high ball into the danger zone. The Knockanore back line was now at its best and Donovan (who was playing the game of his life) combined with J. Neville for a powerful clearance. Knockanore were now the chief attackers. Playing with tact and skill which was hitherto unknown in them, they excelled in every part of the field and introduced football well up to senior standard. Tom O'Neill fielding about all opposition drove a hard low ball to the wing. Cunningham trapped and shot and started a first class movement which P. Kelly finished with a stinger to the net. Knockanore had now a comfortable margin but Newtown went yet fresh and dangerous. Until the half time whistle play was uneventful though hard and fast. At the interval the teams stood: Knockanore, 2-1; Newtown, 0-1.

**WHEN WEST MEETS EAST.**

Newtown, favoured with the hill broke away quickly and issued a series of promising attacks, but they were up against a back line second to none and their last hopes were shattered in the sure fielding and prompt delivery of Baldwin in goal. Wides and side lines were common. Following a long puck out by P. Neville, Larry Veale led another spirited rally for the boys of Newtown. Cheer after cheer greeted him as he carried the ball from toe to hand down the field and drove a beauty to the square but hardly had the cheer subsided when Mick Neville fielded the ball, carried it to the wings, and saved the situation with a solid drive. Barry crossed to Donoghue who started in a passing movement and Cunningham dodging two opponents raised a white flag, the only score of the half. P. Kelly (Knockanore) was down injured but resumed. A high ball by Nugent gathered the Newtown forwards who were feeling the pressure and Knockanore asserted themselves once more and retained their lead until the final whistle. Knockanore, 2-2; Newtown, 0-1. Hardly to one player more than another can the victory of Knockanore be attributed. Every player gave of his best but a few are worthy of special mention, Mick Neville, as a "back" should be a match for any of our arduous senior forwards. The same applies to Donovan and T. O'Neill in their positions. Cunningham was the best defender of the thirty. For Newtown, Larry Veale, the skipper, was a fine player while Loneragan, Nugent and Bransfield were also outstanding.

**DEATH OF MR. P. WHELAN.**

Mr. Peter Whelan, farmer, Boolatlin, Kilmacshom, answered the Great Call on the 23rd inst., after a lingering illness borne with true Christian fortitude and resignation, and at a moderately advanced age. Deceased, who was a familiar and popular figure at Kilmacshom, Dungarvan, and Carrick-on-Suir fairs and markets, was a most interesting, entertaining and cultured conversationalist, and a warm-hearted, broadminded and charitable neighbour. Peace to his soul.

**DEATH OF MR. P. WHELAN.**

**KILMACSHOMAS NOTES**

**THE LATE REV. W. J. FLYNN, C.C., DUNGARVAN.**

This dear departed Soigarth was a member of a highly respected Mid-Waterford family. He was a man as quiet and unostentatious of habit as he was energetic and resolute of purpose. An ideal priest, his zeal, humility and charity were outstanding characteristics of his all-too-brief career. They were accompanied by so many qualities of human affection that we are apt to think more of the lovable character of the man than of the saintliness of his life. His memory will be always fondly harboured in the hearts of all who knew him. The remembrance of heroic and knightly character that had given its beauty and its strength to the service of his Creator. We are happy in the thought that Father Flynn's soul took its flight to join the ranks of the palm-crowned Irish priesthood in paradise.

We respectfully wish to express our sympathy with our beloved Bishop, Most Rev. Dr. Kinane, and with deceased fellow-priests of the Diocese in the great loss they have sustained. We also wish to offer our sincere condolences to deceased's brothers and sister in their sad bereavement and loss.

**R.I.P.**

At both the 8.30 and 11 o'clock Masses in St. Anne's Church, Ballylonean, on Sunday last, prayers were offered up for the happy repose of the soul of the late Mr. Maurice Crowe, formerly of Bonmahon, who died recently in Worcester, U.S.A.

**DEATH OF MRS. M. FITZGERALD.**

Fortified by the rites of the Holy Catholic Church, to which she was ever devotedly attached, Mrs. Margaret Fitzgerald, widow, Ballynabogue, Kilmacshom, passed peacefully and resignedly away into her eternal reward last week-end, after a protracted illness and at an advanced age. Worthy member of a far-flung local family, she was sister of Mr. Thomas Walsh, Ballynabogue, and Mrs. Marianne Crowdie, widow, do. A grand type of Irishwoman of her generation, she had enjoyed a very wide circle of friendships and her demise is deeply deplored by all. She was mother of Messrs. Maurice Fitzgerald, Ballygorty, Kilmacshom; William Fitzgerald, Ballynabogue, do.; James Fitzgerald, Carrigcastle, Bonmahon, and Richard Fitzgerald, Brenan, do.

**THE LATE MRS. FITZGERALD HAD LIVED TO BE A GREAT-GRANDMOTHER, AND WITH HER BEHAVED ONES SYMPATHY IS UNIVERSAL.**

An enormous concourse of neighbours accompanied the removal of the remains on Sunday evening to St. Anne's Church, Ballylonean, where they were received by Rev. P. F. Walsh, C.C., Stradbally, who recited the prayers for the dead. Following the celebration of Requiem Masses next morning, all that was mortal of the deceased lady was reverently laid to rest in the family plot in the adjoining cemetery, in the presence of innumerable relations, friends and sympathisers. Father Walsh pronounced the final absolution at the graveside. (Irish-American will please copy.)

**DEATH OF MR. M. POWER.**

We regret to announce the death of Mr. Maurice Power, son of Mrs. and the late Mr. M. Power, farmer, Kilmoylan, Kilmacshom, which sad event happened at his home on Saturday night of last week, to the inexpressible grief of his good mother and brothers and sisters (one of whom is a nun). Deceased, who was only in his manhood's early prime, had been in failing health for some time past. His spiritual and medical requirements were most assiduously attended to, and he died a holy and a happy death. Deceased was noted for his quiet and unassuming manner, his fine and manly spirit of sportsmanship, which made him extremely popular amongst all classes and sections of the whole wide community. All who enjoyed the acquaintance and friendship of Mr. Power will feel a particular poignancy at this parting. The light of Heaven to his soul. The funeral which took place at the family burial ground in Newtown Churchyard on Monday evening, was one of the largest and most representative seen locally for a long time, and was, indeed, a fine tribute of public respect to the memory of departed worth. Very Rev. T. Galvin, P.P., Newtown, recited the last prayers at the graveside. The chief mourners included: Mrs. Power (mother); Mr. R. Power, O'Connell St., Waterford, and Mr. N. Power, Kilmoylan (brothers); Mrs. O'Sullivan, Whitechurch, Kilmacshom, (sister); Mr. Richard A. Dee, O'Connell St., Waterford (uncle), etc., etc. A number of beautiful floral wreaths were laid on the grave, and shoals of Mass cards and messages of condolence were received. It would be impossible to give a complete list of the general public present at the interment.

**HIGHLY SUCCESSFUL CARD DRIVE.**

A magnificent muster of players of the good old card game of forty-five were right comfortably accommodated in the National School, Kilmacshom, on Sunday night last, when the final rounds of the local drive (for Parochial purposes) were decided. Many districts in and out of the Decies were represented in the happy humoured hosting, for whom the function proved a delightful social, and we gladly note that the drive was a pronounced success in its every phase. At the interval in the competition a lovely tea was served by a special committee of local ladies. The drive was won by partners John Walsh and Patrick Harris, of Fewes (each receiving £3). Partners David Power, Carrigbarahane, Stradbally, and Thomas Burke, Ballyvoile, do., were runners-up (30/- each). The £1 prize for householder where winning card was played went to Mr. Richard Walsh, of Fewes. Father Meehan, C.C., on behalf of the Parochial Committee, thanked all who had supported the drive. He was deeply grateful to the local Ladies' Committee for their appreciable assistance, and to those non-residents of the parish who had taken part in the competition. We understand that another drive for the same laudable object will be launched early in the New Year.

**LEAMYBREEN HALL.**

Dancing will be resumed in the above hall on to-morrow (Sunday) night, and it is expected that all who patronised the weekly dances held there throughout the previous winter will again be favouring the series arranged for the present season, which will be "musiced" by an excellent dance band.

**SYMPATHY.**

The many friends and well-wishers of most estimable Mrs. Fielding (nurse), widow, Kilmacshom, will sincerely sympathise with her in her bereavement occasioned by the death of her brother-in-law, the late Rev. James Kieran Fielding, which sad event occurred at Mountain Grove, Templemore, South Kilkenny, on Thursday evening of last week. A "Moon-dharrig" man by birth, Father Fielding was for nearly half a century one of the most outstanding Irish priests in Chicago.

**HYGIENE IN THE HOME.**

The problem of preventing infection during sleep has long occupied the attention of the scientific and medical worlds. It is a known fact that germs of colds, influenza and other ills remain in ordinary mattresses to propagate and re-infect. Second-hand restored mattresses are serious carriers of disease, and so important is this matter that in the U.S.A. the sale of second-hand bedding is prohibited by law. Not until the invention of the Sanitized Mattress was there a safe, and this process was discovered after prolonged scientific research, is now incorporated in the O'Dearst Sanitized Mattresses. It renders them, in addition to being supremely comfortable, actively antiseptic, self-sterilizing, odourless and permanently germ-proof. No amount of ordinary shaking, airing, brushing, or dry cleaning can weaken this effect, and continued hygienic cleanliness is consequently ensured. More and more progressive people are replacing their old mattresses with the O'Dearst Sanitized, and thus enjoy sounder sleep and sounder health. Because this famous mattress is made only from brand-new raw materials, and because it incorporates this revolutionary health feature, sleeping on one is equivalent to having a new mattress every night. We hold full stocks in every size and colouring. Prices very reasonable.—Harpur Brothers, House Furnishers, Waterford.

**Fattening Worms Instead of PIGS?**  
Mr. M. J. Crotty, Lochness, Co. Wick, writes: "I had 11 pigs, and although I gave them the best feeding their condition became very poor. One died and the others were thin. I then bought a box of your Fattening Worms and they all passed worms. Immediately there was an improvement in their condition, and after a few more boxes of your Fattening Worms all the pigs were in splendid condition. I would recommend your Fattening Worms to all pig raisers." We rather asked for our post for the above.

**OBITUARY.**

We regret to announce the death of Mrs. Maria Baldwin, formerly of Barrack St., which sad event took place at the County Hospital, Dungarvan, on Sunday morning. Relict of the late Mr. Matthew Baldwin, fruiter and grocer, deceased was for a long number of years identified with the business life of the town, and her passing removes one of the oldest inhabitants of the town and district as she was 95 years old at her death, and to her immediate relatives sincere sympathy is extended by their many friends and neighbours. During her active years she took a deep interest in Catholic affairs and was always ready to assist in furthering the cause of the Catholic missions in particular. The remains were removed from the hospital on Sunday evening to the parish church, quite a large and representative cortege of mourners and sympathisers accompanying them. Very Rev. Fr. Kehoe, P.P. and Rev. Fr. Corbett, C.C., received the remains on arrival at the church gates, and preceded the removal to the church, where the customary prayers for her happy repose were recited.

**REQUIEM MASSES WERE OFFERED ON MONDAY MORNING IN THE CONVENT CHAPEL AND PARISH CHURCH, AND THE INTERMENT TOOK PLACE LATER IN THE DAY IN THE FAMILY BURIAL PLOT IN THE CEMETERY ADJOINING THE CHURCH.**

**"45" DRIVE.**

Under the auspices of the Coursing Club, a very successful 45 drive was held on Sunday night, at which there was the usual good attendance of supporters. Some exceptionally keen and spirited contests were witnessed during the course of the play, and the semi-finals and finals proved most intriguing. The eventual winners were: 1st prize, Messrs. James Dahill, Coolowen, and Thomas O'Sullivan, Tallow; 2nd prize, Messrs. W. Aherne, Tallow, and Con Walsh, Carriglass; 3rd prize, Messrs. R. Hannigan and P. O'Mahony, Tallow.

**SPECIAL DAY OF PRAYER.**

In compliance with the Holy Father's request that Sunday last be devoted to a special day of prayer for peace, the response of the parishioners as a whole in Tallow was worthy of the highest traditions of the Catholic fervour that permeates throughout the country as a whole. The congregation which attended the first Mass on Sunday morning was reminiscent of the best remembered mission Sunday, and practically the whole congregation approached the altar rails for Holy Communion. Equally large numbers filled the Church for the 11 o'clock Mass, following which Exposition of the Blessed Sacrament took place, and throughout the day there was a continuous stream of worshippers passing to pay homage to their Redeemer, and to pray for the Pope's special intentions. The Holy Hour devotions in the evening, at which there was a capacity congregation, brought the beautiful ceremonies associated with the occasion to a close.

**FORTNIGHTLY PIG MARKET.**

Owing to the uncertain state of the bacon market generally, the number of pigs offered for sale at Tuesday's market was anything but good, and general dissatisfaction was to be heard everywhere, from both feeders and buyers, as to the unsatisfactory state of affairs that presently exist in the industry. A guard of honour composed of 16 members of the Catholic Boy Scouts marched at either side of the bier. Immediately after the bier were the chief mourners, followed by many hundreds of mourners. As the sad cortege passed slowly through the streets, all business premises were closed, and the route was lined by hundreds of the townspeople who reverently prayed for the happy repose of the soul of one who, during his time among them, had found a warm place in the hearts of all.

The chief mourners were—John and Pierce Flynn (brothers); Mrs. Phelan (sister); John and Wm. Flynn, Wm. and

"Lucky Combination's" Victory.

Here's to brave old Andy, who gained such great renown. By his wonderful achievement near old Kiltobinet town. We knew he was stout-hearted and would not ever fail. But who'd have thought such flyers could only view his tail?

It was, indeed, a victory of which we may feel proud: No wonder the cheering was so vigorous and loud. He beat them as he met them, with comfort and with ease. Who'd ever think he could have brought such champions to their knees?

Though he was the oldest of that chosen thirty-two. He ran just like a youngster and made them all look blue. He's the Champion of Ireland, from the Foyle to the Lee. He's the dog of the century, our mighty "Lucky C."

When the coursing was over and the champions were whacked. The boys all went drinking and their lips they often smacked. Yet the name that was foremost in every sportsman's mouth Was that of our champion, the Pride of the South.

As this much coveted trophy was being borne proudly back. The bonfires were blazing to light the homeward track. Though the rain it was pouring, the crowd did not flinch. But awaited their Hero and his trainer, Tommy Lynch. T. POWER.

DUNGARVAN URBAN COUNCIL'S SYMPATHY.

At the weekly meeting of the Dungarvan Urban Council, held on Friday last, on the proposal of Mr. J. J. Crotty (Chairman), seconded by Mr. Patrick Quinn, the following resolution of sympathy was proposed and passed in respectful silence. Resolved: "That we, the members of the Urban District Council of Dungarvan, desire to place on record an expression of deep sorrow and regret on the occasion of the death of Rev. W. J. Flynn, C.C., our beloved and respected priest. Father Flynn by his unflinching devotion to the duties of his sacred office, his charity and sympathy for the poor, endeared himself to the people amongst whom he laboured. He was, indeed, the ideal priest, the typical saggart aron, and his memory will be held dear for ever in the hearts of the people of Dungarvan. We desire to extend our sincere sympathy to Most Rev. Dr. Kinnane, Bishop of the diocese; to Canon P. O'Brien, P.P., and to the relatives of the late Fr. Flynn. Further, that we adjourn this meeting without transacting any business, as a small tribute of respect to his memory."

Irish Red Cross Society.

Waterford Co. Committee Meeting.

A meeting of the Waterford County Committee of the Waterford County branch of the Society was held in the Mayor's Office, City Hall, Waterford, on Wednesday, 20th November, 1940.

In the absence, through illness, of the chairman Ald. Jas. Aylward, the vice-chair, the Marchioness of Waterford presided. Apologies for inability to attend were received from Mr. J. H. O'Sullivan, and Dr. M. Cusack. In attendance were Mrs. Shipsey Miss Garroway, Mrs. Richardson, Dr. M. Shipsey, Dr. O'Farrell, County M.O., Dr. Maughan, City M.O., F. N. The organisation of the County into sub-branches came under view and it was noted that this work of the Committee had now been completed as sub-branches had been established at Waterford, Ferrybank, Dungarvan, Tramore, Lismore, Cappoquin, Portlaoine, Kilmacthomas, Ardmore, Dunmore East, Tallow, Ballyduff, Passage East, Kill, Ballinacaela, Ballymacarbery.

The County Committee had purchased supplies of materials to enable the Work Depots of the County branch at Waterford, Tramore, Curraghmore, Lismore, Ferrybank, Dungarvan, Kilmacthomas, Ardmore and Cappoquin to make the necessary bandages and dressings for the County's needs. Due to the magnificent work of the various depots these supplies were now complete and had been distributed as follows:—

TRIANGLE BANDAGES: Waterford and Ferrybank 1,000; Dungarvan 350; Lismore 250; Tramore 250; Cappoquin 200; Portlaoine 200; Ardmore 100; Kilmacthomas 100; Tallow 100; Ballyduff Upper 100; Dunmore East 100; Stradbally 50; Woodstown 50; Passage East 50; Kill and Bonmahon 50; Boatstrand and Annetstown 50; Ballymacarbery 30; Ballinacaela 30; Ballyduff Lower 30; Cheepknot 30.

Further supplies made by the depots are being held in reserve. The Society has also provided 92 stretchers for use in the County and these have been allocated to the following sub-branches:—

Waterford and Ferrybank 30; Dungarvan 10; Tramore 7; Lismore 5; Portlaoine 5; Cappoquin 5; Kilmacthomas 5; Tallow 3; Dunmore East 3; Ballyduff 3; Ardmore 3; Passage East 1; Ballymacarbery 1; Cheepknot 1; Woodstown 1.

Added to the above supplies the County committee has distributed Cotton Wool and Lint to the various sub-branches as well as supplies of Styptic Pens, etc.

TRAINED FIRST AID WORKERS. First Aid classes have been held in all the sub-branch areas and examinations have been held in several districts with results as follows:—Waterford and Ferrybank, 115 passed examination; Dungarvan 31; Lismore 18; Ballyduff Upper 9; Kilmacthomas 18; Dunmore East 17; Portlaoine 17; Passage East 16.

Classes are still to be examined at Tramore, Cappoquin, Tallow, Ardmore, Waterford City, Ballymacarbery, Kill, and Ballinacaela. To date there are 241 trained First Aid workers certified in the county. The Committee expressed its satisfaction at the state of organisation reached in the county and felt that the Society had fully and faithfully carried out the work demanded of it in this state of emergency.

Correspondence was read from the Central Executive stating that the Government were to establish First Aid Posts at Waterford City and Dungarvan. It was pointed out that the First Aid Services came under the A.R.P. Scheme for Waterford City. The Society undertook to supply the necessary Bandages, Dressings, Stretchers etc., as well as trained personnel. This the Society had done and disappointment was expressed that the A.R.P. Scheme in the City had not yet provided the First Aid Posts. The Committee felt that this need should be met immediately by the Municipal authorities on their establishment depended the whole organisation of the City's First Aid services. Delay in establishing these First Aid posts meant that the Society's trained workers were in the position of being trained and certified but not allocated, to any post, and the opportunity of keeping up practice in their First Aid training was denied them through lack of premises at which they could meet. It was unanimously agreed that a deputation consisting of the Marchioness of Waterford, Dr. Shipsey and Mr. Roland I. Gallagher, County Hon. Sec., should wait on the City Manager with a view to have the establishment of the Posts accelerated.

AMBULANCES. The meeting was informed that an Emergency Ambulance, presented by the President of Ireland had been received in Waterford. Arrangements were made to provide for the Ambulance going out on hire. It was pointed out that only in this way could the ambulance be made pay its way.

It was noted that an ambulance, which the County Board of Public Assistance had decided to sell had been handed over to the Dungarvan sub-branch for the period of the emergency.

Arrangements for the official handing over of the Ambulance presented by the President of Ireland were deferred. The Committee decided to ask his Lordship,

CLASHMORE PARISH COUNCIL.

A meeting of the Clashmore Parish Council was held on Tuesday night last. Rev. Father M. Power, C.C. (Vice-Chairman) presided, and also present were Messrs. T. Harding, G. Kennedy, M. Foley, T. Bagge, W. Dover, E. Flaherty, M. Collins, and C. Curran (secretary). Several matters of importance were discussed. For the purpose of raising some necessary funds, it was decided to hold a dance in the near future.

LECTURE ON FOOD PRODUCTION. In the National School, Clashmore, Mr. D. Hurley, B.Agr.Sc., County Committee of Agriculture instructor, delivered an interesting lecture on food production. There was a large attendance of farmers and others. In the course of his address Mr. Hurley pointed out how war conditions had affected the supply of many requirements for agricultural production. It was probable that during the coming season there would be a scarcity of certain types of manures and seeds. This applied particularly to potash manures and mangel seeds. Some foodstuffs may also become scarcer. Farmers were advised to continue pig rearing. He also advised the use of lime as a dressing for land, and outlined the scheme for improvement of agricultural holdings. Similar lectures have been delivered at other centres.

KNOCKANORE COUNTY CHAMPIONS. Knockanore made history on Sunday last by annexing the Waterford County Championship for the first time since the formation of the club. By their victory they have proved themselves to be a first-rate team, and will make worthy champions. Their success is due to their determination, perseverance, and concerted effort. Their success has caused satisfaction in West Waterford Gaelic circles, and we join in congratulating them on their victory.

THE L.S.F. During the next week or so, those who have not yet joined will have an opportunity of becoming members of the L.S.F. The position of those who have not joined has now been made clear. If an emergency arises every man of military age will be under military law. This will ensure that no one can evade the national duty, and that those who have rallied to the national call will not have to fight other people's battles.

SCARCITY OF BUTTER. There is an unprecedented scarcity of butter in these parts at present, and householders are finding it difficult to obtain their requirements. It is hard to understand a scarcity of butter in an agricultural country with a small population.

Most Rev. Dr. J. Kinnane, Bishop of Waterford and Lismore to bless the Ambulance at the presentation ceremony.

REFUGEE STATION. A report of the activities of the Society in connection with the reception of refugees at the Waterford Station was before the meeting. The report stated that since 10th September when this branch of the Society's activities was inaugurated Red Cross workers reported for duty at Waterford station on 98 occasions. Approximately 20 ladies and 8 men attended the arrival of the trains and 6 ladies and 4 men their departure the following morning. Owing to the irregularity of the times of arrival, and the difficulty of getting information sufficiently long in advance, the attendance of the night workers meant that their whole evening had to be given up to the work. The morning helpers reported for duty at 6 a.m. It demonstrated clearly the earnestness of the workers who so willingly made this sacrifice of time to further the humanitarian work of the Society. To date 2,992 meals had been served and accommodation overnight for 686 women, 652 children and 21 men, a total of 1,369 being provided with beds. Together with these activities the Society was responsible for sending many who could not afford to do so themselves by providing them with the necessary railway vouchers. Bedding had been provided to accommodate some 65 people. The Committee expressed its appreciation and thanks to the G. S. Railway officials for their constant kindness and to the Diocese for providing Rest Rooms and Canteen at the Station. Appreciation was also expressed of the usefulness of the Red Cross workers from the various sub-branches of Waterford City and Ferrybank who were carrying out this work so diligently. Sincere thanks was expressed to all those who contributed in money and kind to aid the work of the Waterford Refugee Station.

RESIGNATION OF HON. TREASURER. Mr. F. N. Kelly, B.A., Hon. Treasurer, stated that owing to pressing other duties, he felt that he could not give the time which this office warranted after 31st December, 1941. The Committee reluctantly accepted Mr. Kelly's resignation. Mr. E. M. O'Grady, M.P.S.I., was unanimously elected to fill the vacant office of Hon. Treasurer after December 31st.

L.S.F. PARADE ON DECEMBER 1ST. It was decided that these members who were First Aid trained members of the Society would parade as First Aid Units on December 1st, and it was decided to ask those trained members from the sub-branches which were outside the city to send in contingents. It was decided also that the Society's ambulance should be used in the parade.

ITEMS FOR PAYMENT. Items for payment, including a sum for the cost of materials for the County's supplies of dressings and bandages were passed for payment.

DANCE IN AID OF SOCIETY'S FUNDS. It was unanimously agreed to organise a dance to be held in January. The dance will be run under the auspices of the Waterford County Committee and it is hoped will be representative of every sub-branch in the city and county. The organisation of the function was entrusted to a sub-committee consisting of Mr. B. M. Cassin, Mr. D. O'Dwyer and Mr. R. I. Gallagher, County Hon. Sec.

Blackwater Fisheries. Conservators' Meeting.

A meeting of Lismore Board of Fishery Conservators was held at the Grand Hotel, Fermoy, on Wednesday evening, The Chairman, Mr. R. G. Annesley, presided. Others present were Miss G. Montgomery, Lieut.-Col. E. M. Pennefather, Messrs. R. Sheehan, J. Hackett, J. Kennedy, M. Shanahan, A. Davidson, C. N. Deane, W. Dunne, J. Kent, Inspector J. Kenny was also present.

A letter was read from Mr. A. Scannell, B.T., assistant group leader, L.S.F. Fermoy, requesting that Mr. John Fanning, an employee of the Board, be allowed off duty for five days, commencing 2nd December, to undergo a course of military training for officers of the Force. Representation had been made to all employers to give leave with pay for five days.

It was decided to grant the application. A letter was read from Mr. Jas. Hackett, St. James's Place, Fermoy, thanking the Board and Clerk for their expression of sympathy on his recent bereavement on the death of his father.

A letter was read from Messrs. W. Ronan, solicitors, Cork, stating that the Defence Forces had taken over Castlehyde House and grounds and asking that the fishery rate be remitted as the Castlehyde Estate could not now exercise their fishing rights. Mr. Sheehan said that surely the military had not occupied the whole bank of the river, which was rated.

Mr. Shanahan said they would probably fish it anyway.

It was decided not to take any action.

A letter was read from the Department of Fisheries informing the Board that for this season it had been arranged to limit as far as possible the quantity of ova that may be drawn from Lismore Fish Hatchery for transference to waters outside the Blackwater system.

A further letter was read from the Department in reference to the Lismore Weir which was at present under consideration in connection with section 29 of the Fisheries Act, 1939, and stating that officers of the Department proposed to carry out an inspection of the weir, and that the Board's Inspector had been communicated with the matter and was requested to have one of the Board's Waterkeepers available.

The Chairman said he understood the inspection had been carried out. A letter was read from the Department of Defence conveying to the Board an expression of the Minister's warm appreciation of their offer to make their Patrol Launch available for use by the Marine Service. The Minister had had the matter examined, but as the vessel was not quite suitable for the requirements of the Marine Service it was not practicable to avail of the kind offer made by the Board.

The Department wrote stating that in the special circumstances they would endeavour to have a special free grant of salmon ova allocated to the Mallow and Banteer Hatchery this year. While it was too early yet to conjecture what supplies of salmon ova might be available for distribution ex-Glenies Hatchery, it was unlikely, however, that the amount of any grant it might be found possible to make to the Mallow and Banteer Hatchery would exceed 50,000 ova.

Mr. Sheehan said that was a very small quantity.

A letter was read from the Department approving of the appointment of Mr. J. Power as clerk and Mr. J. Kenny as inspector. Mr. Kent said he wished to draw the attention of the Board to a matter he had brought before them at the last meeting at Tallow, in reference to two parties processed at the Circuit Court at Cork for fishery rate. These men had approached him and requested him to have the Board the cases transferred to either Fermoy, Lismore, or Tallow, which would only be a distance of 3 or 4 miles, and at which they could appear. He told the men that he would do so, and had the matter brought before the Board. They believed that nothing had been done to remedy the grievance, and he asked if the Clerk could enlighten him as to what had transpired.

The Clerk said he had read that in the minutes. Mr. Kent asked what steps had been taken. He understood that the Board had unanimously agreed to have the cases transferred from Cork Circuit Court for the sake of convenience and saving of unnecessary expense.

The Clerk said that what happened was that the Board had asked him to write to Mr. Riordan, solicitor, and get an explanation. Mr. Kent said he would like to get an explanation for many reasons. There were a lot of nasty rumours in the air of the

tyrannical way in which these men were treated. Mr. Sheehan asked the Clerk if he could not send a copy of the letter from the solicitor to Mr. Kent. The Clerk said he could. Mr. Kent said he did not want any copy letter. There was more than that at issue. Subsequent to that there was no notification to the men, and he told one man to get a solicitor. The solicitor informed him he could have the case transferred, but that he should lodge £15. One man paid, and in the other instance the sheriff's men came and took a pony, which they dispatched by rail from Ballyduff to Cork. That was a Thursday, and on the following Saturday the pony was returned. They had no information, nor did they know from what source the pony was brought back. These men had a great deal of sympathy, as they were not able to let their fishing for several years.

Mr. Sheehan asked the Clerk if he had not given the solicitor instructions to recover the arrears.

The Clerk said that all he did was to give instructions to collect the amounts.

The Chairman said that they difficulty was that they had to collect the rates, and the Department had written to that effect. After some further discussion the Clerk was again instructed to communicate with the solicitor on the matter.

The Inspector reported that several high floods had facilitated the ascent of spawning salmon to the upper reaches. There was, however, a great shortage of fish in the small tributaries, especially in the Mill-stream-Ballydesmond areas. Approximately 80,000 ova had been laid down at Mallow Hatchery. Owing to the wholesale destruction this year of trout by the effluent from the Mallow Beet Factory, local angling clubs had applied to reserve all the fry hatched out at Mallow at 5/- per 1,000. A further inspection was made of the Lismore weir by Department officials on the 13th and 14th insts., and he was present on both days. On Monday, 13th inst., he visited the Mallow Beet Factory and took two samples of the effluent flowing from the Factory into the river, and sent them to the Fishery Department for analysis. The result would be made known to the Clerk in due course. If the river subsided he would collect samples of the fungus which was growing on the bed of the river extending from the Beet Factory to Mallow Town Bridge, as he was of opinion that this was harmful to salmon which spawn in the vicinity of the Factory. Portion of a dead salmon which had been found in the Banteer trap had also been sent to the Department on the instructions which he had received from Mr. A. E. J. Went. He attached reports from keepers Fanning, Ahern and Terrant, concerning recent cases of poaching. Water-keeper J. Forde reported that while on fishery duty on the upper reaches of the River Cyda he was held up by a man armed with a revolver and ordered off the river. The matter had been handed to the Civil Guards at Mallow. During the past week a report was received from the Civil Guards, Kiltworth, of the finding of a piece of net about thirty yards long in the Kilmurray district. A boat was also found nearby. He was of opinion that this had no connection with the net, as it showed no signs of having been used for a considerable time, as it was covered with gorse and briars. He understood the Guards had taken possession of the boat and that application for confiscation of the net would be made. The marksman at Youghal reported on the killing of four seals for the month.

The Chairman and Senator W. O'Callaghan were appointed as delegates to the annual conference of the Fisheries Association to be held in Dublin on the 11th December.

After transacting a great deal of routine business, the proceedings terminated.
