TRANSFER OF LICENSE.

Mr. Williams, Solicitor, on behalf of Mrs. Clancy, Main Street, Dungarvan, was granted a transfer of the license held by her late husband.

OCCASIONAL LICENCE.

Mr. Williams, Solicitor, applied on behalf of Mrs. M. C. Power, for occasional licenses on the nights of December 15-16, the occasion of the dance in aid of the L.S.F. and Red Cross and on the night of December 26th, the occasion of the Dungarvan Foot Began Dance. Both applications were granted.

EXTENSION OF HOURS.

Mr. L. F. Lanigan, Solicitor, was granted on behalf of the Dungarvan Golf Club an extension of hours from 10 p.m. to 2 a.m. for the night of December 29th.

TRESPASS CASES.

John Foley, Kilrossa, prosecuted Denis Roche and John Crotty, Loughmore, with trespass of animals on his land.

Mr. Farrell, Solicitor, who appeared for the plaintiff said there were three defendants in all, and they had paid some compensation. He asked that the cases be adjourned.

DRUNK.

Guard Begley prosecuted a man named Thomas J. Sandford who was drunk. A fine of 2/6 was imposed.

TWO MONTHS' HARD LABOUR FOR DANGEROUS DRIVING.

Superintendent Walsh, Dungarvan prosecuted a young man named M. Hallows, Greeniside, Carrick-on-Suir, under the Road Traffic Acts. There were in all 10 charges against the defendant, under the Traffic Act, who was not professionally represented, and a further charge of giving a wrong name.

Guard Enright in reply to Superintendent Walsh said that he was on duty in Bridge Street, on November 24th, about 7.30 p.m. He saw a motor car approaching without lights. Witness stood under an electric lamp and raised his right hand for the car to stop. The car did not stop but swerved towards witness and he had to jump onto the footpath to avoid it. He then telephoned the Guards at Leamybrien.

Thomas Power, Newline, Abbeyside, said he saw the Guard signal the car to stop. The car swerved towards the Guard. There were no front or rear lights on the car.

To the Justice—The Guard was plainly visible to witness.

Wm. Fraher said he was coming from his house to town on November 24th and saw Guard Enright put his hand against the car. He thought the car was travelling at about 30 miles per hour. If the Guard did not jump onto the footpath he would have been struck.

Sergt. Tierney, Leamybrien, said that as a result of a telephone message from Dungarvan, he went to the junction of the Carrick-Waterford road at Leamybrien on November 24th. He stood in the centre of the road and when there about five minutes the car came along. Witness signalled it to stop with a flash lamp. The night was very dark and he did not see the car until it was about fifteen yards away. The car was coming towards him and he stepped to the side, as it still kept coming towards him he got up on the parapet of the bridge. The car stopped a few yards after passing witness and the driver said he thought it was a cyclist had the car. Defendant gave his name as Hallows, which he spelled for witness. Witness took him to the Barracks where he gave his correct name. He told witness that he was unable to get bulbs in Dungarvan. Both the driver and the others in the car denied seeing the Guard in Dungarvan. They fitted him up at the station with cycle lamps.

Defendant in evidence said he was coming from Helvick when his lights fused. He called at a garage but was told by the lady there that he could not get bulbs. He then went away and pulled up immediately when he saw the Guard at Leamybrien.

To Superintendent Walsh—Witness said he cannot remember swearing in Bridge Street, and he saw no Guard there. The Sergt. in Leamybrien said that he was drunk, but he was not drunk. He did not stop to look for bulbs at Crotty's Garage at the Bridge. He gave the correct name to the Sergt. in Leamybrien. He spelled his name Halloran.

Sergt. Tierney—That is not his correct name.

TO THE JUSTICE—WITNESS SAID THE SERGT.

ran across the road at Leamybrien. Witness thought it was a bicycle.

Justice—He ran from you.

Sergt.—If I did not he would knock me down.

The Justice—This man is hardly a fit man to be in charge of a car.

Superintendent Walsh said defendant was before the court in Clonmel in January, 1940. In that case he reversed back into another vehicle and did not stop on that occasion either.

The Justice summing up said it was a very serious offence to try to run down a Guard on duty. I find it very hard to know what to do in this case. I think I should send him to gaol.

The Justice then went through the various summonses and imposed a fine of 10s. for not having front lights; 10s. for not having a rear light and for failing to stop £1 or 14 days hard labour. In the charge of driving in a manner dangerous to the public I cannot (continued the Justice) allow him to get over this with a fine. It has been proved that the Guard was standing in full light so that the defendant could not make a mistake. He then repeated the same performance at Leamybrien. He (Justice) is not going to see the Guards at the mercy of any blackguard so he will impose a penalty of 2 months, hard labour, in respect of the Dungarvan case and mark the Leamybrien case in his possession.

In the case of the Minister for Agriculture v. John Dunphy, Kilrossa.

Mr. Counihan, State Solicitor, appeared for the prosecution.

Mr. Farrell, Solicitor, for defendant made application and was granted an adjournment to the 1st court in January.

ADJOURNED EMBEZZLEMENT CHARGE.

In the adjourned case of the State v. Frank Gallagher, charged with embezzlement of money while acting as temporary clerk for the Great Southern Railways at Dungarvan.

Superintendent Walsh said the case was adjourned from the August to this Court to enable the accused to pay back a certain sum of money, but so far nothing has been paid.

Mr. Farrell, Solicitor, who had appeared for the accused at the August Court said he had a letter stating that he is only in receipt of Unemployment Assistance since and is unable to pay anything owing to him in his circumstances. However, he expected to get a commission in the Army very soon.

The case was allowed to stand for three months.

WORKING AN UNFIT HORSE.

Guard Giblin charged Mary Ahearne, Toor, with working a horse while suffering from a sore on its side.

Defendant who did not appear was fined 5s.

WANDERING ANIMALS.

Guard O'Dea prosecuted William Moylan, Cathal Brugha Place, with allowing two horses, his property to wander on the public road.

Defendant said the horses got away while he was having a cup of tea.

LIGHTS.

Guard O'Dea v. Wm. Fitzgerald, Ballintaylor. Fined 3/6.

Same v. Joseph Donnelly, Glenmore. Fined 3/6.

Guard Enright v. Jas. Hennessy, Ballyduff. Defendant was let off under the P.O.A.

Guard Begley v. Ml. Power, Kilmac-thomas. Fined 3/6.

WIRELESS LICENCE.

A dismissal under the P.O. Act was given in the case of the Minister for Posts and Telegraphs against Peter McGrath for using a wireless set the licence for which expired in October.

HEDGE CUTTING.

The County Council (County Surveyor's Department) prosecuted Thomas Burke, Gliddan, for failing to cut hedges on his land adjoining the roadside.

Mr. M. M. Halley, Solicitor to the County Council prosecuted.

The defendant conducted his own defence. John Murphy, Overseer, gave evidence of serving notice on October 9th, on the defendant to have the hedge cut. The hedge is about 200 yards long and between 18 and 12 feet high. The defendant had done a considerable amount of the work and there is not so much more to be done.

Mr. Ml. Hassett, Assistant County Surveyor said he saw the hedge this morning. A few days would complete it.

Defendant said this hedge is growing on

LISMORE DISTRICT COURT

A number of undefended Civil Bills in which Messrs. P. C. Williams, P. J. Morrissey (Farrell and Morrissey, solrs.), L. F. Lanigan and E. Carroll appeared for plaintiffs, were dealt with, decrees or adjournments being given.

DANCE LICENCE.

Mr. D. F. Slattery, Old Parish was granted a license to hold a dance from 10-4 in respect of the School House situated there, on December 22nd.

Supt. Quinlan said Supt. Walsh, Dungarvan had told him there was no objection.

WEIGHTS AND MEASURES.

Sergt. Kelleher, Inspector of Weights and Measures charged T. Crotty, Main St., Lismore, with having in his possession on September 24th a 7 lb. weight which was unamped.

Mr. Carroll, solr., for defendant said it was actually a mistake. Mr. Crotty had a stamped weight in his premises. He kept this unamped weight under a barrel to balance it. The children in the house interchanging the weights. Mr. Crotty did not know anything about this.

Sergt. Kelleher—We must teach these people to be more careful.

A fine of 2/6 with 2/6 costs was imposed.

Sergt. Kelleher also charged Ed. Percival Maxwell with having a spring balance contrary to the statute made and provided, in his possession.

Mr. Carroll appeared for defendant.

Sergt. Kelleher said he visited Mr. Maxwell's garden on September 24th. He met the gardener, McCauley, and asked to see the weights. He found a household spring balance in the tomato house. Mr. McCauley said he had it there for his own information. He sold the tomatoes in 12 lb boxes to firms in Waterford.

Witness to Mr. Carroll—Any private person may use a spring balance or unamped weight if not for trade. He told him he used it for his own purpose.

Mr. Carroll—Everything was sold by bulk. These scales were never used. The tomatoes were never weighed.

Mr. McCauley—I am employed by Mr. Maxwell for thirty years. On the 17th September last I remember the Sergeant coming. I am sorry for insulting him. He pointed out the spring balance. I said it belonged to my wife. I had it for weighing sprays. It was useless for any other purpose. Tomatoes are sold in a standard box exactly in accordance with the Dublin market. Soft fruit is only sold by measure. The balance was for my own private use. I did not say I sent tomatoes in boxes to Waterford this particular year. I won't agree I am the only one in the Co. who sells tomatoes in boxes. I don't sell by weight.

Mr. Carroll—He lets the shopkeeper weigh, he does not use his own scales.

Justice—His customer provides the scales.

He was let off under the P.O.A. Act with 5/- costs.

UNLICENSED VEHICLES.

Guard J. Byrne, Lismore v. Michael O'Gorman, Moonarrive, cycling with a light, fined 2/6.

Guard P. Murphy v. John Crowley, Glauntane, Lismore, fined 3/6.

UNLICENSED DOG.

Guard J. F. McLoughlin charged Thomas Moloney, Raspberry Hill, Ballyduff, with having an unlicensed dog in his possession. Defendant was fined 5/-.

FAILURE TO STAMP CARDS.

The Minister for Local Government and Public Health charged J. O'Connor, Tallow Bridge, Tallow, with failure to stamp his employee's National Health and Unemployment Insurance cards.

Mr. Carroll defended.

Dr. Counihan, State Solr., appeared for plaintiff.

Defendant was fined 20/- in each case.

his land parallel with the road and is in three yards from the water table, there is no fence there, only rubbish from the road is dumped there.

Mr. Halley, Solicitor—I don't want to be hard on the defendant and was about to continue further when he was rebuked by the defendant (amid much laughter) for interrupting him.

Defendant continuing said he was busy putting down winter wheat and said he would talk to the Minister for Agriculture about the matter.

The Justice made an order giving defendant 14 days to comply, and allowed the plaintiff 21/- costs.

WATERFORD BOARD OF PUBLIC HEALTH.

Mr. S. J. Moynihan, Commissioner, presided at a meeting of the above, held at the County Home, Dungarvan on Wednesday last. Messrs. Doyle, Jephson, and Hassett, Engineers, were also present.

LETTING OF COTTAGES.

The following cottages were let:—80 Knockadrumlea, to Thomas Morrissey, Church Lane, Stradbally.

151 Coolbeggan, to Thomas Murphy, Ballyn.

232 Kilbride South, to Matthew Butler, Kibride.

Four houses at Portlaw were let to: Michael Hearne, 2 Queen Street; Robert Barry, George's Street; Patrick O'Gorman, Brown Street; John Power, 46 George's Street.

Four cottages in Lismore were let to: John Geoghan, Ballysagarb; Timothy Kelleher, New Street, Lismore; Joseph Pease, Ballyduff S.O.; Patrick Whelan, 48 New Street, Lismore.

With regard to an application made by an English refugee for a cottage at Knockadrumlea, the Chairman said he did not think the refugees came under the Labourers' Acts, and he directed the Secretary to communicate with Mr. Gallagher, Secretary of the Red Cross Society in Waterford, calling attention to the number of applications made here for cottages from refugees who have returned from England. He (Chairman) is of opinion that the Red Cross should deal with those.

AGLISH (DUNGARVAN) WATER SUPPLY.

A report from the Co. Surveyor, in regard to the above water supply stated that generally the supply here is very bad, being merely marsh water, at low pressure in small old pipes. The water comes from a source in the lands of Mr. W. Terry at Ballycullane, about half a mile distant. The water was taken from a spring and led thence through a marsh to a screening chamber at the head of the main, by means of earthenware pipes. These pipes have become broken or dislodged with result that the marsh water now forms the source of the supply. The head works are very poor and had and the water from the spring would in any case be open to pollution by cattle. There is little or no pressure available. No maps or plans are available and no record of the rights acquired from the land owner, who claims the right for his cattle to drink from the intake, are available. The pipe line, about 1/2 mile in length comes to the end of the village only, and there is one fountain and one private connection which the owner now says is choked up. He has no knowledge of the age of the works, but he believes they are old. The size of the main is believed to be 2" diameter.

The proper course here would be to provide a new pipe line from a new source, about half mile higher up the hill from the old source, and to lay a new 3" main via the school, creamery and into the village, with fountains and valves as required. This is the scheme outlined in a report of August, 1939, and at the estimated cost of £1,411.

It is not recommended that the old supply should be overhauled as a good scheme could not be made of it.

The suggested new scheme and route for the pipe line would supply a number of families, Curate's house and school. The estimate is approximate only and should be revised when detailed plans are prepared.

It was ordered that Mr. Hallahan's connection with the water be severed and that he be charged no water rent as from 1st October, 1940. Mr. Hallahan being the only person connected with the scheme it only person connected with the scheme it

is not considered economic to proceed with the Co. Surveyor's proposition.

CORRESPONDENCE.

Following a communication from the Tramore Public Health Committee.

The Board approved of the providing of a Valor perfection stove for D. Connors, caretaker of water-works at Tramore, the price not to exceed 30/-.

A communication from the Tramore Public Health Committee stated the Department had been written to regarding an increase of D. Connors wages.

The matter was adjourned pending sanction.

The application of the Committee for two lengths of fire hose was adjourned pending Co. Board Scheme.

The application of P. Connors, waterman, for the purchase of straw to protect the water pipes at the tanks in frosty weather was approved.

PUMPS.

Mr. Doyle was instructed to employ a water diver and report as to the site for a pump and probable cost in the vicinity of Mothel.

The work on the proposed pump at Ballylaneen, was adjourned to dry season.

With reference to a letter regarding cleaning and repairs the matter was referred to the Co. Surveyor for observation.

Mr. Ormonde wrote with reference to a complaint from Cappouin Parish Council re a well at Twig Bog, recommending that repairs to walls, steps and floor be carried out, adding that the overflow from the well would require to be piped for a short distance as it passes through a dump-ground and is liable to be choked.

The cost of work would be about £12 or £14. He also suggested that the water be analysed.

The matter was referred to the Co. M.O.H. to obtain analysis.

STEADY WELL.

Following a report from Mr. Ormonde on the above matter was referred to the Co. M.O.H. to get it analysed.

Re the well at Knockgarron, it was referred to the engineer, to have a pump erected at an estimated cost of £22.

The Co. M.O.H. was asked to report on the need for a pump in the Ballymarket area.

NEWTOWN PUMP.

A letter from Mr. Doyle stated that £8 was due to John Ryan for repairs to pump occasioned by the pump being put out of order by nails and stones that were maliciously put into the bushes and worked their way down into the works at the bottom. This happened twice and the £8 was for the two jobs.

Shortly after this repair stones were maliciously put in to it and it was put out of order again. Wm. Power did this third job and that is what the third account is for.

Conduct of this kind cannot be carried on without someone knowing something about it and while such a state of affairs is allowed to continue one is inclined to wonder if the demand for the pump was at all genuine.

Commissioner—This is a disgraceful state of affairs. If it occurs again no more money will be spent there. The people ought be ashamed of themselves that nobody would come forward and report the damage. That's the sort of putting pumps near schools. Perhaps they were school children who did the damage, perhaps they were not.

PORTLAW SCAVENGER.

A letter from Portlaw Parish Council regarding the provision of a scavenger was read and the matter was adjourned pending the engineer's report as to the dump.

SURGEON DENTIST.

A letter from the Local Appointment's Commission recommended R. A. Frisby, 32 Main Street, Carrick-on-Suir, for appointment as Surgeon Dentist, Co. Waterford.

Mr. Frisby was appointed accordingly.

PUBLIC LIGHTING.

The E.S.B. wrote regarding the contract for public lighting from dusk to midnight for lighting of public lamps (excepting pilot lamps). The decision to extend the operation of summer time reduces by one hour the period from dusk to midnight. As an offset to this reduction in lighting hours the Board has decided to offer to Public Authorities an additional hour's lighting without extra charge either from 12-1 a.m. or an hour before day-break.

It was ordered that light be kept on from 12 to 1 a.m.

Dungarvan G.A.A. Notes.

The 1940 senior hurling County Final has been decided and Dungarvan had to be content as runners up. When keen interest has been taken in a fixture and when party or club sympathies have been aired, and fanned for weeks before the event, there is bound to be a reaction if the contest does not come up to expectations. That reaction has been felt from the moment the long whistle left us badly beaten in Portlaw on Sunday. Players and supporters of the Club were disgusted at our poor display and no effort was spared to place the blame on something, someone, or some place for the defeat. The training, the players and the venue each had some to place it on them. The selectors got it unusually well and it looks as if it was their best effort yet at holding a team which even after the match could not be improved on. It may have been the training—it could have been taken much more seriously by some. It may have been the venue—caused our defeat by such a big score is that we did not play the ball when we got it. Time and again we wasted valuable minutes trying to lift the ball when a quick ground stroke would have sent it to our forwards. Its easy to be wise after the match but we must profit by our failures. Cut out the fancy hurling and give it a good honest stroke when you get it is sound advice for anyone playing the game. Mount Sion did this and I am afraid we did not hence the result.

In last weeks notes I said if we lost (which of course as a good Club men I never allowed myself to dream of) we had to look forward to 1941. I know it's a bit hard to just grin and take it but we play the game or are supposed to play it to learn to be good losers. I have heard so much about the defeat breaking up the Club and that it might not be such a bad thing if it did that I have made a casual survey of those who are loudest in their blame. The result is that I am quite sure that the Club started in 1885 and continued ever since will be there as strong as ever in 1941. To those of us who had intended retiring from active part as players or officials the only ties us to our posts. "It's when you're down you know your friends" applies to clubs as well as individuals.

The annual general meeting of the Club will be held in the Green Room, Town Hall, on Wednesday evening next, December 18th at 8.30 p.m. (S.T.). The agenda will be:—Election of Chairman; Vice-Chairman; Secretary and Treasurer. The election of a Committee for 1941; Consideration of items for 1941 and the all-important business of getting Club funds to continue the good work for the coming year. Come along and get a job? Don't stand back and comment on the people who are selected? The members can only select from those who show by their presence that they are willing to take their place with the Club. Perhaps better men are in the town but it's only those who turn up at the meeting or send notice of inability to attend who will be considered. You won't have any bands there now that we lost the senior hurling medal and a lot of unpleasant jobs have to be done before we come into the lime-light again, but if you are keen and of the right type you won't consider that any drawback. If not of course, well perhaps, you should not come. To all those who have given years of service to the Club, to those who are anxious to be members of the oldest Club in the County and to any or all the Gaels of the town and especially to the minors I extend on behalf of the outgoing Committee a sincere welcome to the meeting. There is work to be done and the Club must get on with that work no matter what matches we win or lose.

The minor objection by Clonea against Dungarvan appears to have been lost sight of in the general gloom. Never mind lads as I told you some weeks ago those medals are safe. The County Board will have clear proof that only "minors" won the 1940 minor hurling championship this year anyhow. A counter objection by our Club was lodged to show that even our opponents can make small errors when making out a minor list.

I take off my hat to that ex-Club man who on Sunday evening in Portlaw assured me he was coming back to the "Blues" next year. "That's the spirit Johnny! We'll be glad to have you with us."

Someone told a friend on the bus on Sunday evening that "An Runaidhe" would be short in his notes next week. Well, I can only suggest that if he comes along on Wednesday evening next to the Town Hall, and with a little bit of luck plus the votes of the majority of the members he may find himself writing these notes himself next year. These notes are going on just as the Club is going on and long or short, good or bad, they will appear until the Committee decide otherwise.

Don't forget Wednesday next at 8.30 p.m. (S.T.) at the Town Hall. We want men to fill the various positions. There is a debt of about £12 to be cleared. A concert for St. Patrick's Night is to be arranged. Six teams are to be got together and a new set of jerseys are to be bought and paid for. You won't get pay or thanks for any job you get but there will be plenty to oppose you for the positions on our Club notwithstanding this. Its the test for the Gaels of the town.

Players who wish to take part in the competition should fill cards not later than Sunday next, 15th December.

NEW I.S.F. BRANCH

A branch of the "A" Group, I.S.F., has been formed at Cappoquin, Co. Wick, and with Messrs. Phil Doherty, Group Leader; J. J. Murphy, Ass't. do.; and J. Hennebery, D. Doherty, and M. Butler, Squad Leaders.

DEATH OF REV. DENIS L. EGAN.

The death took place on Friday last at his residence, Ballyharran House, of the Rev. Denis L. Egan. The deceased clergyman who was advanced in years at the time of his death, had retired from active clerical duties a number of years ago owing to ill-health, but he was always a well-beloved and respected character amongst the peoples of the parishes in which he ministered. His charity and kindly nature endeared him to all, and his death will be a severe loss to all sections of the community, and particularly to the poor.

The late Fr. Egan was ordained at St. John's College, Waterford. His first ministration was in Belfast, following which he performed his sacred duties in various parts of the county before becoming curate to Ballybricken, Waterford, where he was for a number of years before his retirement.

The remains were removed to the Parish Church, Dungarvan, on Saturday evening, where they rested overnight. On Sunday the funeral took place to Ballinacorney Cemetery. The large cortege that accompanied the remains was a fitting tribute to the high respect and esteem in which the deceased priest, who was the last surviving member of the Egan family of Ballyharran House, was held in his neighbourhood and in Dungarvan.

Very Rev. J. Gleeson, P.P., Ballinacorney, recited the last prayers at the graveside. The other clergy present included—Very Rev. T. Canon O'Brien, P.P., V.F., Dungarvan; Very Rev. W. Ryan, P.P., Ballyneal; Very Rev. Fr. Dooley, P.P., Ballyduff; Very Rev. Fr. Murphy, P.P., Clashmore; Rev. T. B. Walsh, B.A., C.C., Dungarvan; Rev. Fr. Barry, U.S.A.; Rev. J. Power, C.C., Kilmohin.

The chief mourners were—Batk. Egan, O'Connell Street, Dungarvan; Patrick and Michael Tobin, Whitechurch; Mrs. A. O'Flynn, Square, Dungarvan; Capt. P. Mee, and Sarah Higgins, do.; John Moloney, Burgery, do.; Patrick O'Leary, Fourmilewater; Misses Mary and Catherine Donovan, Droimore, etc.

On Monday morning Solemn Requiem Office was sung and High Mass offered for the happy repose of his soul in the Parish Church, Dungarvan. Very Rev. John Gleeson, P.P., Aglish, was celebrant; Rev. M. Hackett, C.C., Clogheen, deacon; Rev. J. J. Power, C.C., Kilmohin, sub-deacon.

Rev. T. B. Walsh, B.A., C.C., Dungarvan, was master of ceremonies. Rev. Fr. Arthur O'Connell, P.P., V.F., Ballinacorney, presided.

The chorists were Rev. J. Murphy, C.C., Ballinacorney; Rev. T. Murphy, C.C., Midleton.

In the choir were—Very Rev. T. Canon O'Brien, P.P., V.F., Dungarvan; Very Rev. N. Dunphy, P.P., Abbeyside; Very Rev. P. Donegan, Prior O.S.A., Dungarvan; Very Rev. M. Donohy, P.P., Ballyduff; Very Rev. J. Roche, P.P., Kilmohin; Very Rev. J. English, P.P., Stradbally; Very Rev. J. Tullaghan, P.P., Stradbally.

AN APPALLING SCOURGE.

The latest statistics have shown that the amount of damage done by rabbits has risen to an alarming rate. Thousands of acres of cabbage, oats, wheat, barley and every description of green crop have been destroyed, and the effect in the coming winter will be felt to an alarming extent. We have thousands of the newest type of Rabbit Traps in stock and we are offering them at a very reasonable price. In addition, we are offering guns, rifles, cartridges, nets, snare wire, and have seen that our stocks are increasing, so that nobody will short. Owing to the food shortage it is now possible to dispose of rabbits at a good price, and we understand that the price may increase very considerably in the very near future. Get in touch with us if you wish to rid yourself of this very alarming pest, and you can do so at a profit—Harpur Brothers, 48, Quay, Waterford.

INTERMENT OF SIX-COUNTY CATHOLICS

Bishop Indicts Conditions in North.

Police raids on Catholic houses and the interment of Catholic men were strongly condemned by Most Rev. Dr. Mageean, Bishop of Down and Connor, speaking at the annual meeting of the St. Vincent de Paul Society in Belfast on Sunday.

"I do not wish to state my views on the question of internees on any occasion like this, but I will say our whole Catholic community resent the way in which we have been treated for years," declared the Bishop, "and the resentment has increased within recent months."

"For years indiscriminate raiding has been constant among our Catholic people," he continued. "Officials of the law break into their houses at all hours of the night."

"It does not matter one jot whether the suspicions of those in authority are not well founded and it has been proved that they are not; it does not matter one jot whether their efforts in the past to incriminate our people have been fruitless; they continue this raiding with unabated enthusiasm."

"They resent the violation of the sanctity of our Catholic homes by these representatives of what is called law and order."

"Furthermore, men, and sometimes boys, have been arrested and thrown into prison," declared the Bishop. "No charge has been brought against them. Much less has any fault been proved against them."

"Many of these Irishmen willingly and joyfully suffer, but there are others who find it matters for their families to continue to live without their assistance."

"Many of these men have come forward

and demanded to know the charges that were brought against them.

"The charges were not produced," declared Dr. Mageean. "It was assumed that these men were guilty. They have done their best to prove that they were not guilty, even in the eyes of the law as it exists here in the Six-Counties, and have given assurances of their future good behaviour."

"It is all useless. All these men are allowed to be there and rot in the prisons of the Six-Counties. We resent that. It is tyranny. It is injustice."

Dr. Mageean added that he was sorry to intrude upon the thoughts of those present with that subject, but it had been called forth as one of the reasons why the help of the St. Vincent de Paul Society was so badly needed at the present time.

Referring to other causes of poverty in the city, Dr. Mageean mentioned the high cost of living, unemployment, and the great number of Catholic men and boys who had to go to work in England and Scotland.

"Over a year ago," he said, "conscription was defeated here, but the Government here and in England have succeeded in conscripting Irish Labour."

"It is a real conscription of Labour, because if the men do not go there to work which they dislike or which is dangerous and for which frequently they have not the aptitude they are deprived of unemployment benefit."

There was an additional grievance—when they did go it was a considerable time before their dependents got the benefit of their first week's wages, and even after that, if their employment was broken, as it frequently was, the people at home had to suffer.

He urged the members of the Society to keep in touch with Irish men and boys employed across channel to save them from moral and spiritual dangers facing them there.

DUNGARVAN FAIL IN S.H. REPLAY

Mount Sion Win Third Successive Championship

MT. SION, 6-5; DUNGARVAN, 3-2

Mount Sion won the senior hurling championship at Portlaoise on Sunday last, before a fair attendance. The standard of hurling was much below that served up in the drawn game at Lismore. The Dungarvan boys showed lack of training in every department. Hard knocks were given and taken during a very hard hour and the pace was very fast from beginning to end.

O'Meara and Morrissey had the pull at midfield. O'Meara was the best man of the thirty. Keane, Dowling and Fleming, the inter-county trio kept the Dungarvan half-forward line a bay, and repulsed many a spirited Dungarvan attack.

The Dungarvan men did not strike their Lismore form at any period of the game. The back line put up a grand fight all during the game but the speed and staying power of the city men was a telling factor. The forwards got very few chances of getting going because they were weakly supported at centrefield. Curran, Fraher and Donoghue put in some useful work in that quarter.

THE GAME.
 Dungarvan attacked from the throw in and Barron sent a long drive into the Mt. Sion full-back line. Duggan and Keane returned. Doyle and Keane failed from close in frees before Lynch had a point for Mount Sion.

Minogue had a goal for the city team before Greene added another point. Dungarvan were sent to attack by Daly, Barron and Goode. From a grand movement by Curran, Goode and Donoghue, Fraher lashed to the net. O'Meara sent to Gallagher who sent over a neat point from far out. Minogue added a major to the Mount Sion total. Nagle retired injured and was replaced by Moloney. After some spectacular clearances by Mountain, Waters, Moloney and Burke (goal) Doyle added another goal leaving the half time score—

Mount Sion, 3-3; Dungarvan, 1-0

Mount Sion attacked but Mountain, Daly and Moloney cleared. A free to the same side was well centred to be netted. In a great Dungarvan rally Barron goalied twice from two neat passes from Donoghue. Mount Sion again resumed the offensive and had points from Green and Minogue. Gallagher added a goal to the Mount Sion lead, but Dungarvan returned to the other end for Curran to notch a neat point. Landers retired injured and was replaced by "Plus" Dalton. Lynch added a goal for Mount Sion while Dungarvan failed to register any other score. P. Nagle, who retired injured in the first half came on instead of Moloney who got injured early in the second moiety.

Mount Sion, 6-5; Dungarvan, 2-3.

IMPRESSIVE SCENES.

Impressive scenes were witnessed at Ballybricken Church when the members of the Sodality of Mary Immaculate, Mount Sion, attended devotions in honour of the Feast of the Immaculate Conception. An J. Ahearne, C.C., who said that Ireland always had a great devotion to the Mother of God. He recalled that the Mount Sion branch of the Sodality was formed in 1869, and that the first meeting was held on the Feast of the Immaculate Conception, 1871.

THE SHORTAGE OF BAR IRON TO-DAY

Is appalling, and the price prohibitive, and this applies especially to Horse Shoe Iron. Anticipating this scarcity we purchased early last year a tremendous quantity of Swedish Horse Shoes in every shape and size. We need not remind you that Swedish Horse Shoes are the finest in the world, and give wonderful wear, and the price will be less than half the present-day prices. We would appeal to every farmer to purchase half a dozen sets to carry him over the winter. We cannot advise you too strongly on giving this matter your serious attention, as we know that in a very short time it will be impossible to purchase any class of horse shoes, or the iron to make them. Send us your order at once while the quality is good and the price reasonable. Remember we deliver all goods free to your door.—Harpur Brothers, Iron-mongers and House Furnishers, Waterford.

DUNGARVAN URBAN COUNCIL.

Present—Mr. Michael Clancy (in the chair), Messrs. Patrick Byrne, Jas. Mansfield, and J. Dahill.

EXPENDITURE.

Paysheets submitted by the Clerk for the week's expenditure, and passed, amounted to £22 8s. 11d. on the general account and £2 1s. on the harbour account.

KING ST., ABBEYSIDE.

Mr. Dahill said he had been informed that King Street, Abbeyside, is among those to be rolled in, in the near future, and he thought it would be a very good thing, before the rolling took place, if the people living there got notice to connect up their houses.

Mr. Walsh, Water Inspector said that there is the water main in King Street, but one is to be put in under the minor grant scheme.

Chairman—It would be well if this could be done before rolling takes place.

Mr. Byrne said it would be the proper time to do it, but it would not be fair to the unemployed if anything was done that would hold up the work until after Xmas.

Chairman—If the pipes are available, the work could be done out of revenue.

The Borough Surveyor said he would go into the matter at once.

Mr. Dahill said he understood the rolling is to start very soon.

Mr. Mansfield—Would you not think that the County Council would inform the Urban Council about such works?

Chairman—The County Council may do so yet, and it may not be too late in a week. There is no great urgency except with this street which is being done and no pipe down there.

Mr. John Curran, 8 O'Connell St., wrote applying for a reconstruction grant for his house in Mitchell Street.

The letter was referred to the Clerk.

DANCING.

Arising out of an application by the Committee of the Shamrock Dance Band for the use of the Hall on 12th December, which was granted, if available.

The Clerk said that there are various complaints by parents that young people under 18 years are admitted to the Hall, so he wrote to the various dance committees on the subject.

Mr. Mansfield—In case of a prosecution it is the Council who would be held responsible.

Clerk—It is I would be prosecuted. (Laughter.)

Chairman—Some time ago the Guards used to visit all dances. I wonder do they go there now? The onus is on the people running the dance to see that no one under 18 is admitted.

Mr. Mansfield—The onus is on the Clerk.

Mr. Dahill said he understood it is not only in the dance room, but that anyone under 18 could not be allowed in the building while a dance is in progress. They should be outside the door. He thought this Council should ask for a guarantee from the various dance clubs that they would put a man on the street door, otherwise the Council should refuse the Hall.

The matter was, after some more discussion, left to the Clerk to deal with.

STORING OF FIRE APPLIANCES.

Mr. Bowen wrote:—"Mr. Walsh informs me that we can have the store under the Town Hall for the fire-fighting equipment. Before we take it over it would be necessary to have the side doors closed up permanently. Four electric lamps would be needed in the ceiling and one plug for portable lamp in a convenient place. A heavy rough press should be built at one side, size about 8 feet long 7 feet high, and 21 inches deep, with plain doors, lock, and four shelves. The old fire engine should be removed, as it is useless. The fire engine can be allowed to remain, as it would be very useful. Our men must have the keys and change of all our equipment. If you can have these alterations carried out early, we shall be much obliged, and the equipment can be stored there at an early date."

Mr. Dahill—There is no estimate of what it will cost. That's the principal thing.

Chairman—This question is before us for the past few meetings. It would be better to decide it now. Undoubtedly it will be very necessary if an emergency arose. With regard to our improvement scheme for the Hall, I imagine this will take a very long time before the scheme is sanctioned; and it will cost a considerable amount, and it will be necessary to raise a loan.

Clerk—We have got only six months to complete the sanitary arrangements.

Chairman—We are dealing with a house that is very bad—bad roof and walls bad. This portion of the Hall would only be required for a few all-night dances in the year.

The Clerk, in reply to Mr. Dahill, said the number of all-night dances is ten.

Mr. Byrne—The District Justice gave our Chairman six months to have repairs carried out.

Chairman—Yes, but that is only a sanitary question. We must come to some decision.

Mr. Byrne suggested that the question be deferred for a town meeting, and said if the people of the town get the water supply they were led to believe they would get, we will not require any fire engine.

Mr. Mansfield—In an emergency your water mains may be blown up.

Mr. Dahill—Then the engine would be very little use.

Mr. Mansfield—Oh, yes, it would, as we have the sea water in such a case.

Further consideration was deferred.

LIGHT IN MITCHEL STREET.

Arising out of the application for a light at Mitchell Street, adjoined by the previous meeting.

Mr. Walsh, Town Inspector, said there was a light there previously, but when the E.S.B. took over they rearranged the lights and took away this. Mr. Walsh said he had already reported that this portion is very dark and is doubly so, due to the trees at the Christian Brothers' field.

The Council agreed that a light is very necessary here.

The Chairman said he thought it should be granted, but he hoped it would not be a precedent for further applications.

APPLICATION FOR HALL.

Red Cross and L.S.F.

Mr. Nicholas Kelly, hon. secretary of the above dance committee, wrote stating:—

At a finance meeting of the above, held recently, an examination of the accounts showed that both parties were in debt. The committee decided to run a series of pin-drella dances in order to raise funds, and I am accordingly directed to apply for the use of the Hall to run cinderella dances from 9.30 p.m. to 2 a.m. on the following dates: Sunday, January 12th; Sunday, Jan. 28th; Sunday, Feb. 9th; Sunday, Feb. 23rd, and Sunday, April 13th (Easter Sunday). I trust the Council will see their way to grant these dates.

Chairman—This is a departure from procedure in connection with dances. We have applications for five nights. No doubt funds are required. What order will we make?

Mr. Byrne—I suggest we give them for the first two nights asked for, but not give them a monopoly. It would look bad in the eyes of the public to give them all these dates.

Mr. Dahill—And it will look bad in the public eye if you don't give them.

Chairman—What about a compromise—give them three nights?

Mr. Byrne—I had another thing in mind regarding some of these dates—the organi-

sation of something towards a coal fund for the poor of the town.

Chairman—You have Sundays in between all those dates.

After some further discussion the Hall was granted unanimously.

REPORT OF BOROUGH SURVEYOR.

Mr. Brady, B.S., reported as follows:—

As already pointed out, in connection with the fire-fighting equipment, the following parts are required: Two 3ft. 6in. stand pipes, one special stand pipe with gauge, in connection with leaks; two 2in. nozzles for hose. The stand pipes in use are all old and defective.

I have inspected the house occupied by Mrs. Kieley, Castle Street, and consider that the damage done should be repaired by the person who demolished the houses adjoining.

Repairs are required at Miss Casey's, Congress Villas; also at No. 86 Loughmore and Quinn's, Thomas Terrace.

The Borough Surveyor said the present stand pipes are very defective, and at least two are required.

Chairman—The question is, will we need them at all, now that we are getting ones for the emergency.

The Clerk said that a farmer from the Ballymacarbery area broke one of the stand pipes by backing a car into it, and is liable for the cost of repairs.

The Chairman said if they get them, they should be left in some place where they won't be broken.

The report was approved.

SAND AT KILADANGAN RESERVOIR.

The Chairman referred to the contract recently taken to deliver 100 loads of sand at the above, and said he thought it was there since last August, and was referring to the question of having it put into the filter beds, but as Mr. Dahill had left the meeting, it was pointed out that there was not a quorum present, and the meeting terminated.

Twenty-Six Counties no home-made cards were to be had, although great numbers of others could be purchased.
It is highly pleasing, therefore, to find on sale to-day a more extensive range of our native product. Surely there is ample scope for expansion in this industry. While the assortment now available is, by comparison, restricted, nevertheless the range is sufficiently wide to meet the requirements of most people. The Christmas and New Year greeting cards manufactured in this country undoubtedly convey the "atmosphere" of Eire—a feature that must make them ever so welcome to our dear exiled kith and kin in all parts of the world.

N.B.—This is the 471st day of the most devastating war in the history of the world.
Next Wednesday week will be Christmas Day—the 1040th anniversary of the Birth of the Prince of Peace.

WATERFORD HOUNDS.
On Wednesday, 4th inst. these hounds were at Kibing Creamery and everyone was delighted to see Mr. Russell again carrying the horn, having come home for a week's leave. First found in the Knockadog and after hunting a wailing fox for about 40 minutes, towards eventually

accounted for him. Nothing much could be done with foxes in Gardemorris as scent was very poor. A fox from Whitestown Hill ran through Scarahane, right handed across the Kill road through Ballybrack, and to ground in Cheasty's Bogs, from which he was bolted and rolled over on the railway line. This was a nice hunt for 30 minutes. Hounds next found in Mansfield's Bog and hunted across the main road to Kiersey's farm, but checked here, however the fox had turned back to the Bog and hounds hunted slowly back on a bad scent. On Saturday the meet was at the Sweep and hounds had a busy day although scent was catchy. A fox in Amberhill got to ground quickly but hounds hunted another into Ballyduff Bog, right handed to Ballyduff Wood and back to the Bog where he was left. Next found in Garrickshilly, and ran towards Knockaderry Lake, right handed by the Bog, across the Kill road to Saravestown where hounds lost their fox. A fox was quickly found in Grainan Bog, and ran through Rathanny and Carrigeen, across the Kill road and into Gardemorris; this was a nice 25 minutes over a stone wall country.

DUNGARVAN DOG DIVIDES STAKE AT YOUGHAL.
The many sporting friends of Mr. Patk. Moloney, Skeeharine, Abbesside, were delighted to learn of the success of his dog at the Youghal Coursing Meeting on Wednesday, when he divided the Knockaverry Stake with Mr. W. Kirwan's "Firey King." Mr. Moloney's "Smatty the Dog" (Real Tom—Future Lass) beat Kerry Rake in the first Rambling Ration in the second, and Peach Brandy in the third round.
At the same meeting Mr. F. Troy's "Troy's Cottage" divided the Frognore Stake with Mr. M. Cregan's Gentle Lad.

MARIA LEGIONIS—THE CHRISTMAS NUMBER.
Maria Legionis, the Voice of the Legion of Mary, celebrates its fourth Christmas by appearing in a beautiful three-colour jacket depicting the gathering of the people of all nations under the standard of Mary, joyously ready to serve Her wherever She leads. The contents are if anything, more striking and thought provoking than usual. Frank Duff in a long instalment of the Legion's history, tells how in the early days of the campaign a deadly blow was struck against organised vice in Dublin. A long account of the romantic contrasts in the life of the late Mrs. Kirwan, the first President of the Legion, is given, while Father Phipley, and F. S. Mitchell contribute two unusually fine articles on the logic of the Unionist system, and on the value of faith as an instrument in winning the world for God. Andy Kenman, that genius among humorists introduces us to Annabella Snopceer and a "real live" Bolshevik, while Professor Thomas Bodkin presents another fine picture of Our Lady with a happily worded commentary. There are the usual features, Question Box, Praises of Mary page, and news of the Legions spread across the world, and the whole is profusely illustrated. Despite the extra pages, the additional pictures, and the special cover, the price remains 3d. Maria Legionis can be bought from any legionary, from book sellers, or direct from Immaculate House, 37 Lower Donohoe St., Dublin.

C.Y.M.S. (ST. MARY'S BRANCH)—SPLENDID DEBATE AND CONCERT.
It is true that the C.Y.M.S. is up and doing things! This was proved by the splendid debate and concert held in the Club Rooms on Friday night last. All the members and a fine gathering of the general public were treated to an interesting and happy night. The debate was opened by Dr. Cusack (Chairman) who introduced the motion—"That machinery has been to the benefit of mankind" in a lucid and clear manner. Views, varied and interesting were quietly and impressively expressed. Machinery was lauded and supported in most convincing language by Mr. Dan Phelan, who was ably supported by Messrs. J. Bowen and P. J. Morrissey, etc. Mr. M. Brennock, N.T., P. Murphy, S. Thomas' Tee, and T. Meagher (Scoll na Gearra), opposed the arguments in favour of machinery. The end came all too quickly and the "Public Gallery" voted in favour of machinery. This ended a very educational debate.
The concert followed. Mrs. O'Hara, A.L.C.M., did splendid work at the piano in accompanying all the artists through the various items. Mr. Ed. Phelan opened by singing "The Soldiers' Song" (M4 Chorus), with great expression. He was warmly applauded and as an encore sang "Di Provence." Mrs. R. Featherstone delighted and thrilled her audience by singing "Bless This House" and "Hail, Eireann Thy Young Days Binded." Miss Eileen Patterson (daughter of Mr. J. Patterson) played two beautiful selections on the piano—"Rustle of the Woods" and "So Deep is the Night" for which she was loudly applauded. Mr. M. Brennock, N.T., delighted all present by his rendering of two Gaelic songs including "Eamonn an Chluic." Miss M. Burke, a new-comer to the Old Boro' received wonderful applause on her singing in a beautiful clear soprano—"Just for to-day" and "Gounod's" Ave Marie." Mr. Jim O'Gorman sang in his inimitable manner "Mate O' Mine" and "Absent." The "talk" of the night was the playing by Messrs. Dick Dee (accountant) and J. Tobin (violin) of a selection of "Round the House Tunes" which literally knocked the roof off. Thus ended a happy night.

Great thanks is due to Rev. T. B. Walsh, B.A., C.C., for his help and support in organising such a happy night. Our Car-pere, Mr. J. Patterson, carried all the weight and worry of organising, and he made a "night of nights." To him and to his Committee including Messrs. E. J. Dalton, E. O'Gorman, M. Brennock, N.T., D. Phelan, P. Murphy, W. Ryan, J. Prender-gast, great credit and thanks are due. We hope that they will soon again "put their heads together" and give us another

KILMACTHOMAS NOTES

A PLEASANT FUNCTION. The grand cinderella dance held at the New Hall, Kilmacthomas, on Sunday night last, was a great success.

RECENT LOCAL DEATHS. Very deep and sincere regret has been caused by the death of Mr. James Cleary, farmer, Ballynary, Bonmahon, which sad event happened at his home on Wednesday evening of last week.

DEE.—The death occurred at his residence, Kilmagrane, Kilmacthomas, on Sunday morning last, of Mr. Thomas Dee, after an illness of some few months, and the sad event removes an old familiar figure from our midst.

IMMEDIATELY after the Mass all that was mortal of the late Mr. Dee was reverently laid to rest in the family plot in the Churchyard, amid many manifestations of profound sorrow.

HURLEY.—Fortified by the rites of the Holy Catholic Church, of which he was a most exemplary member, Mr. James M. Hurley, Lakeland House, Portlaoise, passed peacefully and resignedly away into his eternal reward last week-end at his son's residence, 22 Thomas Street, Waterford.

THE Waterford County Committee of Agriculture is giving every possible assistance in the promotion of the Department's schemes for increased cultivation of wheat.

THE Farmer who tries to live on his land without using sufficient working capital gets the worst results. Both he and his land become steadily poorer.

Special Xmas Bargains

Coffey & Beresford, DUNGARVAN.

day night, a large attendance of farmers and cottagers from the local and adjoining districts listened attentively to a most interesting lecture on "Food Production," delivered by Mr. D. Hurley, a notably brilliant instructor, under the County Committee of Agriculture.

ESTEEMED LOCAL LADY'S GUESTS. St. Margaret Mary (Cruby), of the Convent of the Holy Family, Enfield, Middlesex, is at present in Kilmacthomas, on a visit to her estimable sister, Mrs. K. O'Donoghue, and is accompanied by Mrs. Frances, of the same Order.

WELL STOCKED. To visit Kilmacthomas to-day is to see shops well-stocked with the most useful and valuable commodities of commerce in abundant variety.

KILMACTHOMAS PARISH COUNCIL. At a meeting of the above, held at the Court House, Dr. P. G. Dooly (Vice-Chairman) presiding, Mr. George Brown tendered his resignation as Hon. Secretary, owing to pressure of other business, and he thanked his colleagues, and especially Dr. Dooly, for the valuable assistance given him at all times during his term of office.

THE Kill and Dunhill Unit is also faring admirably. Conditions climatical have been exceptionally severe over the past eight or ten days—both rain and sleet and snow and violent storms having been experienced.

HYGIENE IN THE HOME. The problem of preventing infection during sleep has long occupied the attention of the scientific and medical worlds.

GOOD FARMING NEEDS CAPITAL

THE Farmer who tries to live on his land without using sufficient working capital gets the worst results. Both he and his land become steadily poorer.

DUNGARVAN L.S.F. NOTES

On Sunday night next, the 15th December, a grand Xmas cinderella dance will be held at the Town Hall, Dungarvan, for the benefit of the funds of the local Red Cross and L.S.F. and as usual the energetic Committee in charge of arrangements are leaving nothing undone to repeat the great successes of previous popular dances held under their auspices.

Every week now brings us further news of the growth of L.S.F. activities in the District. On Saturday night last District Officers J. Mansfield, M. Shalloo, M. Keane, E. J. Keves and D. Lynch visited the Pikes Amusement Hall and enrolled the first batch of the local Section, Mr. Sean Murray was put in charge of Squad No. 1 and judging from his previous military experience, Mr. Murray should prove a first rate instructor for the boys. In consequence keen competition is to be expected between the Pikes and Ballinacorney in the enrolment of their respective sections and it is going to be a tight race between the two.

And in connection with the dance every young man who has his uniform should feel proud to wear it as members in other districts do at such similar functions. Besides there must be plenty of room in the uniform to allow everyone to exhibit most brilliantly his capabilities on the dance floor. And so much for the dance.

DUNGARVAN PARISH COUNCIL

Very Rev. Canon O'Brien, P.P., V.F., presided at a meeting of the Dungarvan Parish Council held in the Town Hall on Wednesday evening, December 11th. Also present were Messrs. J. Bowen, P.B. Sheridan, J. Lanigan, M. Noonan, T. Lee, P. Tobin, M. Power.

Mr. C. J. Murphy, hon. secretary, was also in attendance.

Mr. Sheridan said that when he raised the question with a department inspector recently he was informed that all potato seed will be certified this year before it is distributed to plot holders.

Mr. Lee—We were always getting inferior seed.

Mr. Bowen—What about the varieties? Mr. Whelan—Kerr's Finks and British Queens are the best seed.

Mr. Bowen—The whole scheme should be expedited. Is this scheme for unemployed only?

Mr. Sheridan—Anybody who wish may apply. Have you secured a field yet?

Mr. Lee—It has nothing to do with us, it's up to the Urban Council.

Mr. Noonan—The majority want Ryan's field.

Chairman—Get the forms in and the land should be ploughed in January. We will put it before the Urban Council.

In answer to the Rev. Chairman, Mr. Lee said the barn land was ploughed free for the unemployed last year but they had to pay £1 an acre for the broken ground.

Chairman—You'll have a good year this year and you'll have it ploughed in time.

UNEMPLOYMENT RELIEF SCHEME

Mr. Noonan suggested that the Parish Council ask the Co. Surveyor to extend the relief scheme in order that the unemployed would get a week's work before Christmas. 13/- or 14/- was no use to a man with a big family.

Mr. Bowen said he would see the County Surveyor immediately.

The Chairman added he was sure if the Co. Surveyor could he would give a week's work before Christmas.

FIRE FIGHTING.

A letter was read from the Secretary, County Council, asking the Parish Council to submit the names of volunteers for fire fighting.

Mr. Lee said he would get a list of the unemployed volunteers.

The Secretary said he would get the names of Group B from the leader of that section.

FREE MILK SCHEME

All were unanimous in declaring the above very satisfactory.

WEST WATERFORD NEWS

CLASHMORE L.S.F. FORTY-FIVE DRIVE.

All roads lead again to Clashmore on Sunday night next for the final of the L.S.F. forty-five drive when the big sum of £12 is being awarded in prizes. Those who have not already played the first round may do so in the school during Sunday afternoon or up to nine o'clock that night.

ARMORE DANCE.

The usual dance was held in Armore Hall on Sunday night last. We understand that the annual St. Stephen's dance will be held as usual this year and is likely to prove more enjoyable and a greater success than ever. Fuller particulars will appear later.

CLASHMORE PARISH COUNCIL FUND.

It is hoped that the efforts of the Clashmore Parish Council to establish a special emergency fund will meet with the desired success. It is most necessary that each parish council should have a special fund to expend if a state of emergency was declared. Such a fund would be useful in providing for the requirements of the necessitous poor, the sick and any possible refugees. The Clashmore Council have taken the initiative and are holding a dance for the purpose. This will be held early in the New Year and full details will appear in our next column.

SIGNS OF CHRISTMAS.

Signs of Christmas are already evident on all sides. For the past week the usual turkey market has been in full swing in Clashmore when thousands of birds were disposed of at remunerative prices. All the shops in Clashmore, Armore, etc., are now displaying a large variety of seasonable presents while the shop windows are all artistically decorated for the festive season. Despite the war and the uncertainty of the times it looks as if it will be a truly happy Xmas in this country.

LATE MR. PATRICK BARRY, KNOCKANORE.

The recent death of Mr. Patrick Barry, Knockanore, occasioned deep and widespread regret, and sympathy is extended to his relatives in their bereavement. The deceased was a very practical farmer and being of a most kind and charitable nature, and of an affable and genial disposition, was most popular amongst all classes. At the removal of the remains to Knockanore Parish Church and at the subsequent interment in the adjoining cemetery there was a large and representative gathering of the general public. Very Rev. Fr. Flynn, P.P., and Rev. Fr. Tobin, C.C., officiated.—R.I.P.

FEAST OF IMMACULATE CONCEPTION.

The Feast of the Immaculate Conception was observed with due solemnity throughout West Waterford. Appropriate devotions were held in all the Churches and large and devout congregations attended.

A LULL.

For the next couple of months there will be a lull in Gaelic activities and interest will be transferred from the field to the forum. All clubs should avail of the time at their disposal to strengthen their position, financially and otherwise, and make necessary preparations for next year's championships. The success of all clubs depends on good organisation. Clubs in rural areas are under a big disadvantage early in the season because they cannot practice. It is hoped that next year the commencement of the championships will be delayed to facilitate rural clubs, upon whom the success of the G.A.A. depends.

THE PICTURES.

Large crowds from these parts travelled to Yougal last week-end to see that splendid picture "The Rains Came," featuring Myrna Loy, Tyrone Power and George Brent, at the Regal Cinema. A first class supporting programme, including "Prairie Justice," and an excellent news reel. On Monday night the Regal was again crowded for the Blossie Oliver Plunket Cantata and there were also full houses during the week. A splendid double feature programme next week-end will include Edward A. Robinson in "Blackmail" one of the greatest pictures of recent years and a splendid supporting programme and news reel. See advt. in this issue for details.

HOME ON HOLIDAYS.

During the past few weeks a number of people have come home on holidays from several parts of West Waterford from across channel. All have terrible tales to tell of the terrible conditions existing in England at present owing to aerial bombing.

RESERVE MILITARY INDUSTRY.

For the past couple of months many people have made a steady livelihood catching rabbits. The prevailing price ranges from 1/6 to 1/8 per brace. Despite the

QUARANT ORE DEVOTIONS.

The annual Quarant Ore ceremonies were begun on Saturday morning at the Church of the Immaculate Conception, Tallow, at 9.30 a.m. Mass, which was celebrated by Very Rev. Wm. Keogh, P.P., following which the Blessed Sacrament was borne in procession by the celebrant under a canopy, preceded by cross-bearer and acolytes, through the Church. On returning to the high altar the Sacred Host was enthroned, and the Litany of the Saints was then recited, the congregation joining in the responses. During the day there was a continuous stream of worshippers to and from the Church. On Sunday, the Feast of the Immaculate Conception, the Church was filled to capacity at the 6.30 and 11 o'clock Masses, and a large percentage of those present at the early Mass received Holy Communion. The attendance at the Holy Hour devotions on Sunday night was an edifying sight. On Monday the sacred ceremonies concluded with Mass and Benediction of the Blessed Sacrament, which was preceded by a procession within the Church. The high altar for the ceremonies was beautifully decorated with cut-flowers and candles by the altar society.

A CORRECTION.

Through a typographical error in the report of the funeral of the late Mr. J. Keogh, higher, The Lawn, Curragh, the interment read as having taken place at "Knockanore," whereas it should have read "Knockmore," Co. Wick. We much regret that misprint occurred in the sad circumstances.

ATTITUDE TO EIRE

Six County Premier's Statement

No Change in Policy

Northern Ireland's new Prime Minister (Mr. J. M. Andrews) stated his policy towards Eire in a speech at Belfast on Saturday night, declaring: "We in Ulster are all anxious to live on friendly terms with the people of the South of Ireland, but I must be to our neighbours, and not our partners in an all-Ireland Republic."

"Such a position we will never agree to occupy," he said. "If goodwill is to be cultivated the leaders of Eire will require to cease the continual attacks upon our constitutional position, for unless circumstances will 'Ulster' people surrender their birthright as citizens of the United Kingdom and Empire, which 'Ulster' men and women have taken a considerable part in building and maintaining."

"There will be no change in 'Ulster's' policy in this respect during the term of Prime Minister—be it short or long. With Britain we stand forth in peace and war, and as our late Prime Minister said, we are King's men."

XMAS POSTAL SERVICE

The Department of Posts and Telegraphs draws attention to the fact that there will be no postal delivery on Christmas Day or December 26th. It appeals for the co-operation of the public in its effort to effect a complete delivery of all correspondence before Christmas. This co-operation can best be given by posting well in advance of the festival. Last minute postage constitute a serious obstacle to the Department's arrangements and jeopardise timely delivery.

The latest days of posting to secure Christmas delivery are—

Correspondence and Parcels.

Great Britain—Tuesday, December 17th.

Northern Ireland—Thursday, Dec. 19th.

Eire—Saturday, December 21st.

Local Delivery—Monday Dec. 23rd.

but in view of probable delay in transit, it is hoped that the greater bulk of the Christmas postings will be made as early as possible. This is particularly important in regards correspondence for Great Britain, where restricted services are at present in operation.

As regards parcels, the Department desires to emphasize the necessity for having them properly packed and addressed, and of ensuring that, if a tie-on label is used, the address appears also on the wrapper or on a label gummed to the parcel. In the case of parcels for delivery in Eire, outside Eire, care should be taken that the regulations regarding Customs declarations, etc., are strictly complied with. Information on this point may be obtained at any Post Office.

MANY UNABLE TO GAIN ADMITTANCE

What one might term the seemingly impossible (due to the state of concerts and dances in the locality recently) was achieved at Wednesday night's concert, organised by the Committee of the Dickens Leather Company's Social Club.

The principal attraction on the bill was Della Murphy, who delighted the large audience by her choice rendering of some of her now famous songs.

The second part of the programme was a repetition of the first, and Della had again to render five encores before she was able to bow herself off the stage.

The programme was opened by Mick Delahunty and his famous Dance Band with a selection of modern tunes which proved a fitting prelude to what was undoubtedly a splendid "bill of fare."

Next came the mystery man, "Abdullah," the impersonator, who proved to be no other than Mr. M. Terry, Abbeyside, who in his impersonations of famous stage and screen stars proved himself an adept at this difficult art.

Mrs. Ryla Fetherstone, Dungarvan's most popular vocalist, got a wonderful ovation on her appearance after an absence of over a year, and the storm of applause which greeted her rendering of "Schubert's Serenade" and the encore number, "Can I Forget You?" showed clearly that her enforced absence did not detract in the least from her beautiful voice.

Next came Della Murphy, loaded with a number of requests from local admirers. The ovation she received at the end of each of her five songs was tremendous.

Present: Messrs. M. D. Broderick, Chairman, E. Lynch, R. Savage, P.C., J. Whelan, T. Beausang, R. Power, J. Daly, B.E. E. L. Condon, M. Ahern.

Mr. W. Dunne, harbour master, was also in attendance. He reported that three life lines were missing.

Mr. Power—How is that? Harbour Master—One was certainly cut off.

The Clerk said they had offered £10 reward for information as to the culprits.

Mr. Power said something should be done to put an end to such a scandal.

At the meeting of the Council a cheque for £26 1s. 9d., labour and wages for the week, was passed on the proposition of Mr. Savage seconded by Mr. Power.

UNEMPLOYED PAINTERS. A number of local painters applied for some work coming on Christmas.

On the proposition of Mr. Power seconded by Mr. Beausang, it was decided to provide the usual work for the season.

RELIEF SCHEMES. During a discussion on the working of the Relief Scheme, Messrs. Power and Lynch objected to the engagement of the Town Superintendent in this connection.

On the proposition of Mr. Lynch seconded by Mr. Power, Mr. James Hennessy was appointed ganger for the usual period.

Mr. Power said that one great trouble in the country was there were too many men who had more than one job, while many others had no job at all.

LETTERS WERE READ from Messrs. James Smiddy and M. O'Keefe, thanking the Council for their resolutions of sympathy.

Mr. Power proposed a vote of sympathy with Messrs. Maurice and Denis Smiddy, Greenocloyne, on the death of their sister.

THE FUNERAL. On Thursday evening the remains were removed from Limerick to Affane Church. They were conveyed on a military tender and escorted by a party of troops.

Mr. Power—Are we empowered to do anything in the matter? The Clerk—No, sir.

Mr. Power—It is nothing less than starvation where there is a family.

Mr. Daly said he was unavoidably absent from the last meeting, and he asked permission to join in the vote of sympathy.

Mr. Power said it was most unjust to have such men excluded from the work.

Mr. Power suggested that they leave the matter to the Town Clerk.

Tragic Death of Cpl. H. A. Myles, of the Irish Air Force.

The death, under such tragic circumstances, at Limerick on Tuesday night last of Corporal H. A. Myles, came as a great shock to the people of West Waterford, and especially to his many friends in his native Dromana, Villierstown and Cappoquin.

The late Corporal Myles joined the Irish Air Force only a couple of years ago and was such a successful pilot that, in recognition of his ability, he was promoted recently.
