**Late Mr. John Lynch,  
Dungarvan.**

REFLECTIONS ON HIS PERSONALITY.

Not again will the streets of our old town echo to the slow and deliberate footsteps of one of its foremost citizens, and not again will the denizens of the Old Boro greet the good big man as they did when he daily wended his way to the House of God, preparatory to taking up his physical and material rounds, humbly asking The Master's help to enable him to do for Jesus a good day's work just for to-day.

Yes, indeed, for to-day and for every day. This did the dear deceased practically appreciate and fully realise the need for that help in the effort to achieve the goal that mattered so exceedingly.

He paid little attention to the thoughtless and flippant expression which one hears occasionally, viz. that all good things as well as bad, come to an end. He knew well that the very best, as well as the very worst, never came, and never will come to an end, and his whole life was a true reflex that he did.

He realised clearly that to earn here below the right to be received among the Elect was the be-all and end-all of life, and while, attending with scrupulous assiduity to the calls of his daily rounds, he never lost sight of, or neglected the great and true fundamentals in the fallacies and distractions of life.

He was ever a good Irishman and a true citizen. Indeed, the one connotes the other for failure in either would nullify the efficacy of the other.

He was full to overflowing of an unwavering determination to carry to effect what he believed, after mature deliberation to be in the best interests of his fellow-citizens. One example will be all-sufficient to demonstrate this admirable trait in his fine character. He took up the Secretary-

ship of the Dungarvan Agricultural Show twenty-five years ago, and for that long-sustained period of a quarter of a century despite handicapping circumstances, which would have paralysed a less determined and less persevering personality, John Lynch "stayed-put" despite everything counter, and these latter were many and formidable, in his laudable efforts to raise the standard and hence the status of the farming community, incomparably the most vital and important in every country, as to how a better and more useful product can be produced, and by assisting nature the community may be better served and a higher standard of life achieved.

It is not dazzlingly evident that the individual who to-day could increase the yield from our native soil, or who could produce even a fairly satisfactory substitute for petrol, or who could for our wheat-and-flour produce something which would avert the stalling hunger, would be regarded as a "little god", or can we imagine what our Irish wives and sisters would not do in gratitude for one who could supply them with a fairly decent substitute for the cup that cheers.

Yet, though John Lynch thought not of any vain-glorious goal of this nature, yet, in fine co-operation with his Show-Committee, he plodded and spade-worked on, despite obstacles, not alone numerous but almost insurmountable, until as the result of his strenuous and indefatigable labours, he had the pleasure of seeing the Dungarvan Show with a reputation second to none in Munster.

That surely was an achievement to be proud of, but big John Lynch wore his laurels and triumphs very modestly indeed, probably because his Creator was generous in the fine proportions vouchsafed him, not in body only but equally in mind.

He was looked up to as our philosopher and friend, as indeed he really was. He possessed vision and foresight in a marked degree, and his decisions on matters of

moment, after cool and mature deliberation could be absolutely relied on, and he failed not to exercise his great faculty in the best interests of his fellow-men.

He followed throughout his life an even tenour, for there was little that was volatile in his composition, nor did he swoon into ecstasies when his neighbours' hats, caps, and umbrellas were foreign to their natural locations. Oh! no, his hat still remained on his head.

He was a gentleman, every inch of him, and it is our loss that he has been called home.

He faced up to that last dread ordeal in the characteristic way he had faced and surmounted his problems during life, and, I believe, he solved this last, immeasurably the most vital of all, in a manner which has won for him the approbation of The Master and his Eternal Crown.

**MONTHLY REPORT OF  
DR. M. O'FARRELL, CO.  
M.O.H.**

FOR MARCH.

The following report was read and marked "Noted" —  
**Infectious Diseases.**

The following infectious diseases were notified to this office during the month of March: Scarlet fever, 3; diphtheria, 1; influenza pneumonia, 2. Influenza in Ballyduff dispensary district. One case of scarlet fever occurred in each of the dispensary districts of Admore, Ballymacarbery and Kilmacthomas, while the diphtheria case was notified from the Waterford area.

**Fever Hospitals.**  
In all there were 11 admissions to county fever hospitals during the month, and 22 discharged therefrom, leaving 13 undergoing treatment at the end of the month.

**Notification of Births.**  
Births notified during the month numbered 66.

**Maternity and Child Welfare.**  
Jubilee nurses in their districts throughout the county attended two clinics. The attendances were as follows: Mothers' 17; children, 15.

**General Sanitation.**  
The sanitary inspector reports that sanitary sub-officers carried out 284 inspections of dwelling houses.

**Shops (Conditions of Employment) Act.**  
All shops coming within the scope of Part VI. of the above Act were inspected during the month and found to comply with its provisions.

**Slaughter of Animals Act.**  
All slaughter houses in the county were inspected, and with the exception of two premises, found to be in a clean condition. The slaughter house occupied by Thomas Cummins and owned by Martin Whelan, Stradbally, was stated to be in a dilapidated condition and in danger of collapse. The inspector interviewed the owner some time ago and ordered him to carry out immediate repairs, but to date nothing had been done, and I recommend that he be written to in connection with the matter. The slaughter house occupied by Jeffrey and Nicholas Flynn, Kilmacthomas, is also reported to be in an unsanitary condition, and despite the fact that the inspector pointed out the repairs necessary, nothing was done. I recommend that the offending parties be written to, and I attach the inspector's reports.

An order was made that both parties be written to.

**School Medical Inspection.**  
The following schools were inspected during the month: Touranena (Boys and Girls), Cappoquin Convent, Lismore Convent, Ballyheaphy (Boys and Girls), Lismore C.B.S., Tallow (Boys and Girls), Rathgormuck (Boys and Girls), Mount Mellera (Boys and Girls), Tourin, Ballysaggart, Glengarra, Campphirc. Seven hundred and twelve children were inspected, and the following principal defects were found: Dental, 230; vision, 39; malnutrition, 20; tonsils and adenoids, 33. Four

dental clinics were held during the month, and four children were treated for tonsils and adenoids.

**Milk and Dairies Act.**  
Reports on the premises of 29 registered suppliers were received, and all with the exception of three, requiring minor alterations, were found to be in a satisfactory condition. The relevant reports are attached. Twenty-eight mint dirt tests were made, and in all cases the milk was found to be clean.

An order was made that those reported on as unsatisfactory be cautioned.

**Tuberculosis.**  
The tuberculosis officer made the following recommendations since last meeting:—X-ray examination in six cases, domiciliary treatment in one case, treatment in an intern institution in two cases, and in extern institutions in two cases. He also recommended that the artificial limb of patient No. 374 be sent for repair, and that the two shelters used by patients 526 and 530 be repaired. District nurses paid 123 visits to 42 patients, and made the following report: Number of contacts reported, 8; number of reports on home conditions, 2.

WESTERN DIV. BOARD G.A.A.

At a meeting of the above held on Friday night April 4th, 1941, Mr. J. Mooney N.T., presided. Also present were Messrs. J. Mason, Vice-chairman; T. A. Kyne, Secretary; M. Foley, N.T. M. O'Regan and J. Good (Co. Board representatives); J. Hayes, J. O'Dea, Dungarvan; J. Power, Stradbally; P. J. Lynch, Kilrossanty-Pike; J. F. O'Donnell, W. Lineen, Lismore; M. Morrissey, Faugh-a-Balagh; P. Ryan, St. Augustine's; Jas. Aherne, E. Brady Cappoquin; S. Willoughby, St. Carthages; J. Cotter, Sliah gCua; Jas. Rooney, Ardmore; J. McGrath, E. Walsh, Sean-a-cabhall; M. Curran, Brickey Rangers; M. V. O'Donoghue, Chairman, Co. Board.

**CAPPOQUIN'S CLAIM**  
Cappoquin Hurling Club claimed £1-17-0 expenses with regard to a league match played at Ardmore. After some discussion the matter was deferred to next meeting.

**SCHOOLBOYS' ENTRANCE FEE.**  
A letter from a club secretary asked that all schoolboys be charged 3d as entrance fee to matches. The schoolboys heretofore were admitted free.

On a poll eleven were for and nine against the motion.  
The Chairman—The Western Board in the 1940 Convention passed this motion and it was subsequently passed by the County Board. As there is not a two-thirds majority it still remains law.

Having been asked for a definition of a schoolboy, the Chairman said a schoolboy was one who was bound by the law to attend a primary or national school, i.e., up to 14 years of age.

**PITCHES COVERED**  
A letter was received from the Insurance Co. (Coyle and Co. Brokers, Waterford), stating they would cover all playing pitches for all matches in West Waterford (excluding Stand risks) at a yearly premium of £7-10-0.

The premium was accepted.  
**NEW MINOR HURLING TEAM**  
An application was received from Mount Mellary Club to affiliate a minor hurling team. It was decided to grant the request, the other minor teams in the district consenting.

**TRANSFER**  
The following were transferred—Liam O'Byrne, P. O'Brien, S. Dwyer from Cathal Brugha's to Dungarvan; W. Coffey, from Cappoquin to Kinsalebeg; M. Curry, R. Roche, from Nire to Rathgormack; C. Coleman, from Kilgobinet to Dungarvan; J. Scanlon, from Villierstown to Lismore; Peter O'Donnell from Dungarvan to Brickey Rangers, provided transfer form is given in. J. J. Healy, from St. Finbarrs to Lismore.

**RE-INSTATEMENT**  
M. Noonan applied for re-instatement, having played with Abbesside and London-Irish in 1939, which was granted.

**REFREES' REPORT**  
The referees' reports were read and adopted.

**DECLARATIONS.**  
The declaration of Carthage Healy and T. O'Donoghue both in Cork for Lismore was deferred to the Munster Council meeting.

**GREEN CROSS FUND**  
Mr. M. V. O'Donoghue, Chairman, Co. Board said that all were aware that next Sunday was Easter Sunday and that the Gaels of the Deise should not lie idle on that day. He suggested that the clubs carry out friendly matches the proceeds to go to the Green Cross Fund (Prisoners' Dependents Fund).

The Secretary said that each team could play its neighbours. The following fixtures were made—Football—Sliah gCua v Nire; Villierstown v Clashmore; Stradbally v Faha; Dungarvan v Kilrossanty-Pike; Lismore v Tourin.

Hurling—Lismore v Cappoquin; Moorehill v Knockanore; Faugh-a-balagh v Sean-a-cabhall; Finisk Rovers v, Brickey Rangers; Ardmore v. Kinsalebeg-Aglish.

**CHAMPIONSHIP FIXTURES**  
The following fixtures were made as some of the matches already fixed were on Easter Sunday and others clashed with senior fixtures, venue and referee to remain the same.

APRIL 20th—J.H. Faha v Dungarvan. M.F. Sliah gCua v Dungarvan. M.F. Clashmore v St. Carthages.

APRIL 27th—J.F. Dungarvan v Nire. MAY 4th—M.F. Stradbally v St. Augustine's, at Dungarvan.

MAY 18th—J.F. Knockanore v Tourin at Moorehill. J.H. Kilrossanty-Pike v. Stradbally, at Faha.

WESTERN DIVISIONAL G.A.A. NOTES.

**POOR MANNERS.**  
The running of the affairs of the West Divisional Board was not made easy at the meeting on Friday evening last by some delegates. The only excuse for such bad manners must be ignorance. If it was not this it must be something more serious. There are different names for such conduct, but only one remedy. The officials try to do their best but it cross-heckled from two or three sides at once it is difficult to do anything.

**ADVICE TO CHAIRMAN.**  
Delegates to Board meetings come there for two purposes or should do so. (1)—To represent their club and look after its affairs. (2)—To help in the running of the Division to the advantage of all. Those who come and do this are useful. Those who come and kick up a fuss about their own point of view and then depart are useless. I would advise the Chairman of the Board that at future meetings he would use his powers to the fullest extent. A suspension of six months for those who refuse to obey the Chairman's orders would help to remind others that someone must be in charge.

**BOARD MEETING RESULTS.**  
All Co. Championship fixtures made for Sunday next are cancelled. New dates are made for those matches as will be seen from report of the meeting published in this issue.

**A WORTHY OBJECT.**  
The Board decided to honour those men who have died for Ireland by running a series of games throughout the Division. Immediately prior to the start of the games those in charge of the fixtures are requested to arrange for a short service in memory of Ireland's dead. The funds received from the games are to be returned to the Divisional Secretary who will forward them to the "Green Cross Fund." It is left to the honour of clubs to try and make the amount sent as large as possible.

Actual expenses for rent of playing field for game if same cannot be got free will be allowed but the Division is confident that clubs who have volunteered to play on Easter Sunday throughout the Division will see to it that every penny is made available for such a worthy object.

**THE BOARD WILL DO ITS PART WILLINGLY AND FREELY. THE PLAYERS WILL DO THEIR DUTY. THE PUBLIC WILL ALWAYS CROWD TO OUR VENUES TO HELP THE CAUSE. SUNDAY'S GAMES.**

In aid of the Prisoners' Dependents Fund.

**DUNGARVAN AREA.**  
At Ballymacarbery (Football)—Sliah gCua at Dungarvan (minor football)—St. Augustine's v. Cathal Brugha's, at 2.45 p.m. (S.T.). Senior football—Dungarvan v. Kilrossanty-Pike, at 4 p.m. (S.T.). At Stradbally (football)—Stradbally v. Faha, at 4 p.m. (S.T.). At Cappagh (Hurling)—Brickey Rangers v. Finisk Rovers, at 4 p.m. (S.T.).

**LISMORE AREA.**  
At Lismore (football)—Lismore v. Tourin, at 3 p.m. (S.T.). Hurling—Cappoquin v. Lismore at 4.15 p.m. (S.T.). At Knockanore (hurling)—Moorehill v. Knockanore, at 4 p.m. (S.T.). At Mellary (Coolagorhboy)—Sean-a-cabhall v. Faugh-a-balagh (hurling), at 4 p.m. (S.T.).

**ARDMORE AREA.**  
At Kinsalebeg (hurling)—Ardmore v. Kinsalebeg-Aglish, at 4 p.m. Admission to all games 6d.

**WARNING.**  
No permits will be issued for games other than those run by Board on Easter Sunday.

Clubs who play any other games whether permits had been previously granted or otherwise will be dealt with. If your team is not engaged you are expected to attend as a spectator at some venue.

**BRICKY RANGERS HOLD OUT.**  
After a hard hour's football at Dungarvan the "Brickies" got home by a narrow margin. Faha made great efforts to level in the second half when aided by a stiff breeze they had their rivals held to the posts with only one point between them. The Faha forwards made the mistake of trying for goals when points could have been had for the taking.

A stone wall defence kept the "Brickies" in front and just as the final whistle went their forwards secured a long drive down the field and shot home a great goal. Jas. Goode who refereed the game at a minute's notice gave a most efficient exhibition of that art. Seldom have I seen a referee so ably control a hot hard game while giving the utmost fairness to both teams. The weather conditions were arctic and the attendance on the small side as a result.

**UP THE VILLAGE.**  
St. Augustine's defeated Sean-a-cabhall at Cappagh after a great game. Both teams were new to championships and deserve great credit for their display. Look out "Lupesci" hats required during the week. That would be fatal. Dungarvan next fence boys! And it can be done by training.

**ST. CARTHAGES IN SECOND ROUND.**  
The Lismore lads are again in the winning form; Tallow went down on Sunday in the postponed game. The "Saints" are another step forward.

**WITH THE TOURIN GAELS.**  
Particulars not available at time of going to press.

**SCHOOL GAME.**  
Dungarvan C.B.S. just managed to defeat Abbesside N.S. on Tuesday at the

Thrilling Hurling Game at Tourin.

**MOOREHILL MINORS' VICTORY.**  
Cappoquin and Moorehill served up a delightful display of hurling at Tourin on Sunday last, in the first round of the West Waterford minor hurling championship. It was a real hard game of hurling between two well trained sides, and for fully fifty minutes it looked anybody's game, but the superior training and skill of Moorehill asserted itself in the closing stages and they were worthy winners at the end. The weather was dry but cold and there was a large crowd present. The Tourin Gaels had the pitch in excellent condition. Referee Fives had the teams in action sharp to time and Moorehill were away from the throw-in but Cappoquin cleared. A Cappoquin raid was repelled by Aherne and Kelly and "Chausser" was inches wide of the Cappoquin posts. A free to Moorehill was returned by Mason. Rust and Kelly initiated a Moorehill raid which was finished by Murphy with a point. Murray soon followed with a goal. Play became centred-field. Cappoquin, now playing with a strong breeze were confident of victory. Moloney best off a Cappoquin raid and had a point immediately. Cappoquin next took up the running but Aherne saved. With the return of play Murray lashed the ball into the Cappoquin net. At half time the score was—Moorehill, 2-1; Cappoquin, nil.

The second half opened with Cappoquin sacking. Cappoquin, now playing with a strong breeze were confident of victory. Moloney best off a Cappoquin raid and had a point immediately. A PROGRESSIVE FIRM

Fifth Annual General Meeting of the Dickens Leather Co., Ltd.

CHAIRMAN'S ADDRESS.

The following is the address of Mr. Kennedy O'Brien, Chairman, Dickens Leather Co., Ltd., at the annual general meeting, held in Dublin on the 4th inst.—

Gentlemen,  
With your permission I shall follow the usual procedure, and take the Accounts and Report, which have been in your hands for some days as read.

Tradition conditions during the past year were most difficult. There were fluctuations in the prices of the Company's raw material and it became less easy than heretofore to obtain supplies. Having regard to these difficulties the trading profit shown by the accounts must be considered as satisfactory although it is considerably less than that earned in the previous year.

The trading profit earned last year, as you will see from the accounts, after making provision for depreciation, Directors' Fees and for taxation amounted to £5,866. To this is added Transfer Fees amounting to £1, and with the addition of the amount carried forward from the previous year £5,319 provides a total of £10,988. A further addition to Stock Reserve Account amounting to £2,098 has been made and for the first time provision has been made for a reserve for Depreciation of Premises, the amount provided being £1,028. There has also been provided the sum of £250 for Employees Sickness Benefit Fund and a sum of £2,500 has been transferred to General Reserve.

After making provision for these items there is a balance of £11,000 and profit and loss account of £5,109. The preference dividend due in respect of the half-year ended the 30th June last has been paid out of this and amounts to £273. The directors now recommend that a further dividend on the preference shares for the half-year ended 31st December last be paid which will require a sum of £263, that the dividend on the ordinary shares for the year ended the 31st December last at the rate of 10 per cent, per annum, less income tax, be also paid which will amount to £825, and that the balance of £3,748 be carried forward to the next account.

I think the position of the directors is strengthened by the Company's resources by transferring to reserve account a portion of the balance of profits available will be approved.

Turning to the balance sheet you will notice that the value shown in respect of freehold and leasehold premises has decreased by £791, representing the difference between the amount provided for depreciation and a comparatively small sum expended on the premises during the year.

The value of plant and machinery has increased by approximately £1,400—in other words, the cost of additional plant purchased exceeded the amount provided for depreciation by this sum. The value of the stocks of raw material and finished and unfinished products and sundry stores at the 31st December last, valued at cost price or market value of the day (at £36,000) was approximately £10,000 in excess of the value of this item a year ago, while the amount due to the company by debtors was approximately £2,500 less than that due a year ago.

The company's liabilities to its bankers and creditors at 31st December last exceeded its liabilities a year ago by over £2,000, due entirely to an increase in stocks of raw materials are becoming increasingly difficult to obtain the wisdom of the directors in providing, as far as it was possible to do so for the company's requirements has been fully justified in recent months supplies of raw materials coming into the country have diminished considerably, and this company, like others, will in future have to depend to a much larger extent on raw material that is available within the country. You will remember I informed you at a previous meeting that the directors had taken steps required to enable it to utilise to a larger extent Irish sheep pelts. It was fortunate that your directors made this decision at the time as at present the possibility of obtaining this plant and machinery is very remote and the necessity of having plant and machinery to deal with native sheep pelts is of the utmost importance now.

The continuance and extension of the European war has had its ill effects upon our country and it is clear that these ill effects may increase with the continuance of the war. While none of us therefore can be optimistic about the future, so far as this company is concerned your directors have taken every possible precaution to enable it to surmount the most increasingly difficult problems that have already and I am sure will continue to require to be dealt with to enable the company to continue the important industry which it is carrying on and to provide for a major raw material manufactured for the boot and shoe and other industries established in the country. In this connection it is pleasing to report that the company has a very large quantity of stocks of raw materials, and in addition the directors have taken the necessary steps to make available to the company a reasonable share of those raw materials which can be purchased in this country. Last year I mentioned to you that we were tanning a fair share of Irish sheep pelts

and during the past year we developed this end of the business still further and the home boot manufacturers and the gloving trade are using much larger quantities of leathers made from Irish sheep pelts, but as there is a surplus of those pelts available in the country over the needs of the home trade, we decided during the year to develop an export trade for leathers made from same and I am pleased to be able to tell you that we have found a very remunerative market for those leathers in England and have been exporting pretty large consignments during the past year.

The financial position of the company has been strengthened by the setting aside to reserve accounts of a substantial portion of the company's earnings, and while the company's liabilities are substantial the company's assets are also substantial, and those assets which are known as "Working Capital" exceed the liabilities by nearly fifty per cent.

Before closing I would like to pay tribute to the loyal services given to the Company by my colleagues on the Board of Directors and by the Company's Managing Director, Mr. Reginald Dickens, also to our General Manager, Mr. Strutt, and every one of the Company's employees.

I now formally move that the accounts of the Company made up to 31st December 1940, and the directors' report thereon be adopted and I will ask Mr. Moloney to second the motion.

**ESTIMATE FOR SCHEMES.**  
Messrs. Doyle and O'Connell to the recent Housing Scheme the cost of erecting a block of flats follows—Top of St. Brigid's top of Keating Street, £18, total. Consideration was adjourned.

**FIANNA FAIL REFORM.**  
Mr. N. Kelly, Hon. Sec. Cumann, forwarded the petition, passed at a meeting, 31st ult.—"That we the above desire that a loan be put into operation with the unemployed of 110/- to suggest a scheme which would give a fair amount for several months and help to make Dungarvan. Our suggestion is that known as the "Lookout" to a level with its widest access to the men's shops so suggest that the building pools be incorporated in the Chairman—Some years ago had a similar scheme but there was no money effect. The principal question was to be raised.

Mr. Clancy some years ago proposed extended area to Quann's. Mr. Dahill—There are the Ladies' Bathing place. Mr. Croty said regarding pools, when the question of deputation went to Nenagh cost, etc., of erecting a block there. He understood that and Chairman, made up. They found that it was an volunteer labour, free grant. Chairman—It is a pity it on again a few months staff was available in the.

The Council decided to on the agenda for next meeting. Mr. Dwyer—As was suggested the sea-wall down there soon it will be a big job. Mr. Dahill—That should be the Co. Council, they should wall for the protection of Mr. Croty—I remember here by some member stones were being taken. Mr. Byrne—They were responsible for repairing Quann, why are the repairing the Quay, that is a roadway.

Chairman—That is H if a serious effort was should get a grant. There is great erosion taking Mr. Byrne—Abbess

## DUNGARVAN URBAN COUNCIL

### Dance Licence to Lapse.

Mr. Michl. Clancy presided at the weekly meeting of the above held on Friday last. Other members in attendance were Messrs. P. O'Dwyer, J. Dahill, D. Foley, P. Byrne, M. Connors, J. J. Crotty and Senator J. Butler.

### WAGES, ETC.

Paysheets for £28 0s. 7d. on the general account and £23 12s. 11d. on the relief scheme account were presented and passed.

### STATE OF THE VARIOUS ACCOUNTS AT MARCH 31st, 1941.

The Clerk submitted a statement showing the state of the various accounts on March 31st as follows:—  
General Account to credit, £3,684 6s. 6d.  
Harbour Account, £17 1s. 6d.  
Poor Rate account, £695 7s. 11d.  
Housing account, £91 10s. 10d.  
The Sewerage and Water Improvement accounts showed over-expenditure to the amounts of £23 16s. 3d. and £1,912 12s. 10d. respectively.

### ESTIMATE FOR SCREEN WALLS.

Messrs. Doyle and Ormonde, Architects to the recent Housing Scheme estimated the cost of erecting screen walls as follows:—Top of St. Bridget Street, £16; top of Keating Street, £16; lower end of Keating Street, £18; total £50.

### FIANNA FAIL RESOLUTION.

Mr. N. Kelly, Hon Sec., Fianna Fail Cumann, forwarded the following resolution, passed at a meeting held on Monday, 31st ult:—"That we the members of the above desire that a local scheme should be put into operation which would relieve the unemployed of the Town. We wish to suggest a scheme which we believe would give a fair amount of employment for several months and at the same time help to make Dungarvan a seaside resort. Our suggestion is that the promenade, known as the "Lookout" be extended out to a level with its widest part and extended across to the men's bathing place. We also suggest that the building of swimming pools be incorporated in this scheme.

Chairman—Some years ago this Council had a similar scheme like that prepared but there was no money to put it into effect. The principal question is—How is the money to be raised.

Clerk—That was a scheme sponsored by Mr. Clancy some years ago, he wanted the promenade extended around the Churchyard to Quann's.

Mr. Dahill—There are no ladies using the Ladies' Bathing place now.

Mr. Crotty said regarding the swimming pools, when the question was discussed a deputation went to Nenagh regarding the cost, etc., of erecting a swimming pool there. He understood the Clerk, the B.S. and Chairman, made up the deputation. They found that it was erected with much volunteer labour, free gravel, etc.

Chairman—It is a pity it was not brought on again a few months back when so much stuff was available in the clearance area.

The Council decided to put the matter on the agenda for next meeting.

Mr. Dwyer—As we spoke of Quann's, if the sea-wall down there is not attended to soon it will be a big job later.

Mr. Dahill—That should be a matter for the Co. Council, they should repair the wall for the protection of the road.

Mr. Crotty—I remember it was stated here by some member that a lot of big stones were being taken.

Mr. Byrne—They were taken and sold. Mr. Dwyer said if the Co. Council were responsible for repairing the sea wall at Quann's, why are the Urban Council repairing the Quay, that is also to protect the roadway.

Chairman—That is Harbour, the thought if a serious effort was made the Council should get a grant. There is no doubt but there is great erosion taking place.

Mr. Byrne—Abbeyside should also be included.

After some more discussion the matter ended.

### DAVIS STREET SEWERAGE.

A memorandum signed by 29 residents in Davis Street, drew the attention of the Council to the failure of the Landlords to instal sanitary conveniences in their houses.

### Chairman—Are these houses condemned?

Clerk—I could not tell you.

Chairman—I think the landlords before they expend money on them should have a guarantee that the houses would not be condemned.

Consideration was deferred to next meeting.

### TENDER APPROVED.

The Department wrote approving of the tender of Mr. M. F. Walsh, Coolagour, to supply milk under the Free Milk Scheme, at 1/2 per gallon.

### COUNCIL'S CARPENTRY WORK.

A letter was read from Mr. John Pendergast, Mitchell Street, referring to the Council's order to give work in rotation to tradesmen and stating that although he had applied two months ago he had not yet got a turn.

The letter was referred to the B.S.

### DANCING.

Two applications for the use of the Hall, on 17th read from the Accordance Dance Band and the Shamrocks Dance Band.

### It was granted, if the Accordance, to the Shamrocks Dance Band.

### RESOLUTION ADOPTED.

Mr. L. J. Duffy, Secretary, Parliamentary Labour Party, forwarded the following resolution, adopted at a meeting held in Leinster House, Dublin, on the 28th ult. That the meeting of the Parliamentary Labour Party, the National Executive of the Trade Union Congress and the Administrative Council of the Labour Party, having reviewed the economic position in the light of present and probable future circumstances is of opinion that the problems which have arisen and will arise from the emergency situation cannot be solved by reliance on the outworn methods of the party and demand that in the interest of the people the Government should:—

- (1)—Organise the provision of employment for the unemployed on schemes of National utility to be furnished by credits issued by the State.
- (2)—Insist upon the utilisation by landowners of a greater area of land to avoid famine conditions this year and next.
- (3)—Exploit to the fullest extent the coal and natural deposits to compensate for the falling off in imports.
- (4)—Plan large scale developments of the bogs by the Turf Development Board.
- (5)—Prohibit the export of non-surplus foodstuffs and institute a scheme rationing to ensure equitable distribution of commodities.
- (6)—Establish effective control over prices and institute drastic punishment for profiteers.
- (7)—As compensation for the increase in prices to raise the scales of benefits paid under the Old Age Pensions Acts, the Widows and Orphans Pension Acts, Unemployment Assistance Acts and the National Insurance Acts.
- (8)—Impose taxation on all unreasonable profits during the emergency.

Mr. Foley—A few items mentioned there are badly required, particularly the one dealing with profiteering.

On the proposition of Mr. O'Dwyer, the resolution was adopted.

### RATE OF INTEREST ON LOANS.

A circular letter from the Department relating to the above stated that the rate of interest on every issue made out of local loans fund on or after December 1st, 1940, shall be charged at the rate of 5 per cent per annum, irrespective of the purposes of the loan, and of whether it was authorised by him before or after that date, and in pursuance of his powers under Section 5 of the Housing Act 1921, the Minister has made a general order fixing at 5 per cent, the rate of interest to be charged by local authorities on advances made or to be made under the Small Dwellings Acquisition Act by them out of monies issued on or after 31st December, 1940, on all advances made by local bodies subsequent to the 1st October, 1934, out of

monies issued from the Local Loans Fund prior to 1st December, 1940, the rate of interest will continue at 5 1/2 per cent. The new rate of 5 1/2 will apply only to advances made or to be made out of monies issued from the fund on or after 1st December, 1940.

Clerk—The recent housing loan of £4,000 will be effected.

Mr. Crotty—What was the rate?  
Clerk—4 1/2 per cent.

Mr. Crotty—And the Bank rate is down.  
Mr. Dahill—The Bank rate is 1 per cent. That is a thing that should have been included in the resolution just adopted.

Chairman—This will be a great drawback on schemes by Public bodies.

Mr. Dahill—I saw it posted up in the bank that the rate is one per cent. on sums up to £10,000.

Mr. Butler—That is a good job, people who have money will put it into something else. It is no inducement to look for loans.

The letter was marked noted.

### DERELICT SITES.

Arising out of a communication from the Department on the question of derelict sites.

The Clerk said the Department will step in now and compel the Council to clear the sites.

Chairman—There is no doubt but they are unsightly, we did not do anything to see that these sites were cleared. He thought the Council should instruct the B.S. to see that the sites are properly cleared. The closing up of open and windows will not suffice.

Mr. O'Dwyer—Did we not refer this to the Solicitor to take the necessary action.

Clerk—The Department official says the sites must be cleared to the ground.

Mr. Byrne—Have the Council a list of such sites.

Clerk—Yes, there is one here and Mr. Williams has another.

An order was made to ask the S.O. to take the necessary action to comply with the law.

### PLOUGHING FOR ALLOTMENT PLOTS.

Mr. Foley asked when Donnelly, the ploughman, is going to plough the plots in Brennock's Field, Abbeyside, and said it is a shame that it is not already ploughed.

The Clerk said he understood the plough got out of order and he had difficulty in getting a part.

Mr. Connors—I am not satisfied with that explanation. There is no difficulty in getting any part for a plough in the town. There is something else holding it up.

Mr. Dwyer—It is not at all fair to the ploughers.

The Clerk was directed to procure another ploughman if the field is not ploughed on Monday.

### ACKNOWLEDGMENTS.

Letters acknowledging resolutions of sympathy passed to them were read from Mrs. J. J. Crotty, Abbeyside, Dungarvan.

### and from Mr. John Desmond, Main Street. RATE COLLECTOR COMPLIMENTED.

The Rate Collector, Mr. M. O'Meara, reported that he had lodged in full the full amount of the rate warrant, ending March 31st, and applied for poundage in respect of same.

Senator Butler—He deserves great credit.

The other members also praised the Rate Collector for his early closing of the rate warrant.

The application for poundage was granted.

### REPORT OF B.S. STOCKTAKING.

Mr. Hassett, B.S., reported as follows:—I beg to report that I have now a properly compiled list of the tools and materials in each of the Council yards. I have also a list of scrap and useless materials, some of which may be salable.

I shall report on the possibility of the sale of this at your next meeting. From now on, it should be possible to keep a check on your property.

Mr. Crotty—That's good.

Chairman—Very timely. I'm glad we are to have some check.

### SHANDON WATER SUPPLY.

Mr. Hassett further reported:—Acting on your discussion authorising me to proceed with the scraping of the 2-inch water main from the Brewery Cross to the top of Shandon, I beg to inform you that I had this work put in hands as soon as possible. I have pleasure in informing you that this work has now been completed in a very satisfactory manner.

The following facts will clearly convey to you the vast improvement in the service. On cutting the 2-inch pipe at the top of Shandon, the ascertained rate of flow through the main was found to be 15 gals. per hour. When the cleaning of the pipes had been completed the rate of flow was found to be 1,800 gals. per hour. This reflects great credit on Mr. P. Heaphy, Contractor, Cork. The total length of main from the Brewery Cross to Kilrush is roughly 1,000 yards to complete the whole line will involve an expenditure of a further £80 to £70.

I recommend that this be done now while the plant is on the site. I am quite sure that there are other services in the town that might be usefully and economically attended to now.

Mr. Crotty—That's very satisfactory.

Mr. Dahill—I saw the work and it is certainly a credit to the men doing it.

Mr. Butler—When those people are on the job why not include Kilrush.

Chairman—It is good service for the Council. The job was done efficiently and the men who did the job should be congratulated.

Mr. Connors—And the man who recommended it also.

Chairman—Certainly—Now how can we secure the money to get on with the work?

The Clerk replying to a member said the estimate for improving the Kilrush supply under the minor relief scheme is something like £200 or £300.

Mr. Hassett said on the last night he said this work would ensure a supply for four or five years, he is now satisfied that it will do so for 10 years.

Mr. Butler proposed that the Kilrush section be done.

Mr. Crotty seconded and referred also to the Skeeharine section.

Chairman—There is a great flow of water now in Shandon and he hoped they would soon have a good flow to Kilrush, all that is off the Kildangan supply, but with regard to Skeeharine, if it is done, how will it affect other portions of the town? He is afraid the people in Mitchell Street won't have any water at all.

Mr. Connors—The few houses in Skeeharine, about 6 in all, will not interfere with the supply at all. As regards the estimate Mr. Hassett said he would require to know, the length of pipe.

Mr. Butler—You can have an estimate next meeting.

This was offered.

### TOWN HALL IMPROVEMENTS.

Mr. Hassett, B.S., still further reported:—As directed I interviewed Dr. O'Farrell, Co. M.O.H., to ascertain his maximum requirements for the Hall. I attach his letter which bears out what I submitted to you in my report of the 28th ult, in which I stated that the conditions would involve an expenditure of £1,000.

Dr. O'Farrell's letter was as follows:—Further to our conversation and communication regarding the requirements, I consider necessary for dancing in the Town Hall Dungarvan, I beg to inform you that I require the following sanitary accommodation which is sufficient for approximately 200 couples.

Ladies—6 water closets, gentlemen—2 water closets and 4 urinals. In addition to this there should be separate cloakroom accommodation for ladies and gentlemen—sufficient for 200 couples, and I recommend that the ladies water closets open off their cloakroom. Four hand basins for both ladies and gentlemen will also be required. In addition you will have to consider a fire escape from the first floor and accommodation for refreshments, including dining room, kitchen and bar.

In making these recommendations I am taking into account the fact that you intend to utilise both floors of the Town Hall. Any loss the Council may sustain as a result of the removal of the poultry business on the ground floor will be amply compensated for, by better and bigger let-

## GALVANIZED WIRE NETTING.

It is almost impossible to-day to secure a full range of good galvanized wire netting. We were lucky to secure a large cargo from America some time ago, and it would be impossible to offer at to-day's prices if we had to purchase now. Where sure protection from animals, vermin and birds is needed, depend upon galvanized wire netting. There are a thousand and one places where it is invaluable. It saves its very low cost many times over in the sure protection it gives. And that cost can be very low. At Harpur Brothers you can buy galvanized wire netting for as little as 1 1/4d. a yard. You can afford to renew old netting or replace makeshift, untidy and inefficient protection methods with neat, safe netting at this price, easily. At Harpur, too, you can choose your netting from one of the largest and most varied stocks in the South of Ireland. Only large stocks and large sales permit netting to be offered at so low a price. When you need protection from animals, vermin and birds in your garden, as you will from now on, use wire netting. When you want galvanized wire netting at a low price, get it at Harpur Brothers, 48, Quay, Waterford.

Mr. Butler—Then is it the wish of the Council not to apply for a dance licence.

Chairman—I take it, it is.

Mr. Butler—It is a great opening for someone with money to build a dance hall.

Mr. Connors agreed that £1,000 would be better spent in supplying the young children of the town with somewhere to play and not have them as at present running around the streets and hurling on the streets.

Mr. Byrne—Could we sell it and buy Cery's of Dublin (laughter)?

Mr. Crotty—Or the Gresham Hotel.

Chairman—Then we will not make application for a licence.

Mr. Byrne said he thought that would be a bit drastic.

Mr. Dwyer held that the usual application should be made, he did not approve of depriving young people of a place for dancing.

Chairman—As some member remarked, I am sure you will have some person in the town enterprising enough to build a dance hall.

Mr. Butler—There is plenty money in it.

Mr. Byrne—Will this mean that all dancing will stop? Can dancing be taught there?

Chairman—Yes.

Mr. Butler—This includes Cellidhe dancing.

Mr. Byrne was understood to say that at some Cellidhe there is very little real Irish dancing. He was only interested in the learning of Irish dances.

It was decided not to apply for a dance licence.

## OFFER OF ALLOTMENT PLOT.

The Clerk informed the members that Mr. Ballot called during the week and offered a plot to the Council at Lower Strand Street, if they require it for allotments.

Mr. Dahill—He did not say he would clean it and protect it.

Chairman—It is a good spirit to offer it, but it is not feasible.

Mr. Byrne—It would be more feasible if he offered a field at Ballinacmuck.

No action was taken.

 Jesus have mercy. Masses offered.  
 Just a year ago to-day,  
 That we remember well,  
 We sat beside your dying bed,  
 To bid you last farewell,  
 But its only good night dear mother,  
 Just as you used to say,  
 We will meet you in the morning,  
 At the dawn of a happier day,  
 Inserted by her loving sons and  
 daughters.

**Easter tide.**  
 To-morrow we will be celebrating the Festival of the Resurrection under the shadow of a great crisis. The world is at war and our little county, although it is outside the struggle, is set dangerously within the warring zone. We have had to band our peoples together as never before in a united effort to meet the perils of the time. Despite the fact that we are passionately desirous of living in a state of amity with all rulers and all peoples, we have found ourselves forced to build up the strongest organisation in our power for purposes of defence. In the economic and industrial sphere we have suffered a good deal from the effects of a conflict for which we have no responsibility, and we are likely to suffer more. Another result of the blockade is that our farmers are faced with the onerous task of providing for our people the food that we are prevented from getting elsewhere. But the picture is not one of unrelieved gloom. The people of Eire have risen splendidly to the occasion and have achieved a national unity more complete than any in our history. No matter what emerges from the present crisis, we shall meet it as a united and disciplined nation. That there are grimmer trials ahead there can be little doubt, but the spirit of our people will not quail before them. Our moral fibre has been toughened by the hardships of centuries and our power of resistance is probably stronger to-day than ever before. This Easter tide we at home will take comfort in the knowledge that the thoughts and affections of our exiles scattered throughout the world are with us. They realise the danger in which we stand, and they sympathise with us; but they also

**BRICKEY RANGERS DEFEAT FAHA**  
**In Hectic Struggle at Dungarvan.**

At the Fraher Field, Dungarvan, on Sunday last the Brickey Rangers met Faha in the opening round of the junior football championship. Both teams were very evenly matched and as the score indicates there was very little between them all the way through. Faha, however, were minus the services of five of their best players, which was a big handicap, but their places were filled by very sound reserves. The Brickets were also without a few of their regular players. Faha held their opponents to one-point in the first half against an exceptionally strong breeze but with that wind in their favour in the second half, they failed to reverse the decision, when the Brickets were actually able to register two majors to Faha's only score of the game, a goal. The forwards on both sides were very poor and several golden opportunities were lost. However, with practice the Brickets should get to the top this season, now that they have got over the first obstacle.

**THE GAME.**  
 The Brickey Rangers playing towards the Railway goal in the opening moiety had a very strong breeze in their favour. They attacked from the throw-in and had three fifties in quick succession but failed to register. For several minutes they pinned the Faha men to their own lines and had a number of fifties. The Troy and Foley brothers started in the Faha defence and the Brickets had to be content with wides. Faha broke away and Curran was inches wide of the mark. A fifty to Faha by J. Foley was well centred but Reilly and Burke sent wide. Joe Burke was seen to much advantage in the Faha back-line in the next exchanges, and play continued to be very fast. Foley, Kiely and Butler brought play to the Brickets' end, but the back-line was too sound. The Brickets went on to attack from a long drive by Power and Donnelly sent to the square where they opened the scoring with a point after twenty minutes' play. Faha again fought back and a free close up to the same side was sent wide. For some minutes Faha bombarded their opponents' goal where Curran, Power, Cotter, McGrath and McCarthy made a gallant stand. Play was at centre-field when the half-time whistle sounded, leaving the score—Brickey Rangers, 0-1; Faha, 0-0.

With a strong wind in their favour in this half it was thought that Faha would easily reduce the slender lead. On the throw-in the Brickey Rangers made a great burst and had matters all their own for the next few minutes. Troy and Burke saved magnificently for Faha, and Coleman and Foley transferred to the other end. A long drive by Cotter was landed at the goal mouth by Donnelly and Cole punched into the net. Faha made a great fight back and stormed the Brickets' posts. Stephen Curran, in goal, made a great save from a Faha forward close up. Faha continued to press hard and W. O'Brien (Brickey Rangers) retired and the veteran of many a hard fought game, Stephen Hickey, came on, amid applause. Faha fought back to pin the Brickets to their posts, and Kiely getting possession had a goal from 30 yards out. D. Reilly (Faha) retired injured and was replaced by D. Whelan. A point now divided the teams and Faha fought hard for equaliser. Play was very fast and confined mostly to the Brickey end. When Whelan (Faha) fluted in the ball Curran (Faha) made a brilliant save. Hickey cleared amidst cheers and Curran (Faha) was down injured and retired, being replaced by D. Reilly. The Brickets next attacked and over exchanges followed at centre field. Shortly before the final whistle a long drive to the Faha goal-mouth was punched into the net by Gusto Tobin.

The full time score was—Brickey Rangers, 2-1; Faha, 1-0.

**MID-DEISE MEMS.**  
 The Rev. Michael Flynn, C.C. of the English Mission, has just returned to the seat of his sacred labours after spending a short holiday at his natal home at Killerguile, in the parish of Clones-Power.  
 Messrs. John McGrath and Francis Caslin, postmen, Kilmachthomas, saw a flock of wild geese flying over the town at an early hour one morning this week. The birds were winging their way in from the neighbouring seaboard and were heading in a northerly direction.

**LATE MR. B. FITZGERALD, GEOSH. AGLISH.**  
 We regret to announce the death of Mr. B. Fitzgerald, Geosh. Aglish. A large and practical farmer, deceased, who was a member of a well known family, was a general favourite and to his bereaved family deepest sympathy is extended. The funeral in Aglish was of large and representative proportions. Rev. Fr. D. Power, C.C. officiated at the interment.

realise the magnificent spirit of unity which has sprung up amongst us, and they approve and admire. Whatever the future may bring in the way of trial or tribulation, we shall face it all the more confidently knowing that we have the whole-hearted support of the millions of our kith and kin abroad.

**LOCAL HAPPENINGS**

**HOLY WEEK CEREMONIES IN DUNGARVAN.**

Very large congregations attended the Holy Week ceremonies in the Dungarvan and Abbesside Churches during the week. At the Parish Church, Dungarvan, on Wednesday evening there was Stations of the Cross followed by Benediction of the Blessed Sacrament. On Holy Thursday morning there was Solemn High Mass celebrated by Very Rev. Canon O'Brien, assisted by Fr. Power, C.C. as deacon, and Fr. O'Farrell, sub-deacon. Rev. Fr. Walsh was master of ceremonies, after which there was a procession to the Altar of Repose. On Holy Thursday evening there was Rosary, followed by a sermon on the Blessed Sacrament by Rev. Fr. Daniel of the Passionist Order, Mount Argus. On Good Friday morning Mass of the Pre-Sanctified was celebrated at 10 a.m. The Stations of the Cross will be recited at 2.30 p.m. and at 7.30 p.m. followed by a sermon on the Passion of Our Divine Lord, by Fr. Daniel, O.P. On Holy Saturday morning the ceremonies begin at 7 a.m.

At St. Augustine's on Spy Wednesday there was Rosary and Benediction of the Blessed Sacrament. On Holy Thursday morning Solemn High Mass was celebrated by Very Rev. P. Donegan, Prior; Rev. Fr. Brennan was deacon and Rev. Fr. Madden, sub-deacon; the procession to the Altar of Repose taking place after Mass. On Holy Thursday evening there was Stations of the Cross followed by a sermon on the Blessed Sacrament by Rev. Fr. Brennan, O.S.A. On Good Friday morning Mass of the Pre-Sanctified was offered at 8 a.m. In the afternoon the Stations of the Cross were recited at 3.30 p.m. and again at 7.30 p.m., followed by a sermon on the Passion by Rev. Fr. Madden, O.S.A. On Holy Saturday morning the ceremonies begin at 7.30 a.m.

**ABBESSIDE PARISH CHURCH.**  
 In the Abbesside Parish Church, on Holy Thursday morning after the celebration of Holy Mass there was a procession to the Altar of Repose. In the evening the Stations of the Cross were recited after which a sermon on the Blessed Eucharist was preached by Rev. Fr. Mackey, S.J. On Good Friday morning there was Mass of the Pre-Sanctified at 8 a.m. In the afternoon there was Stations of the Cross at 3 p.m. and again at 7 p.m. after which a sermon on the Passion was preached by Fr. Mackey, S.J. On Easter Saturday morning the ceremonies begin at 7.30 a.m., and will conclude on Easter Sunday, with Holy Mass at 10.30 a.m. followed by Benediction of the Most Blessed Sacrament.

**RETREAT AT CO. HOME.**  
 Truly edifying scenes were witnessed in the pretty little Co. Home Chapel during the week when a retreat for the inmates was given by the Rev. Fr. Daniel, O.P. The retreat was a wonderful success culminating on Holy Thursday morning by a General Communion when every inmate attendant and nurse in the institution approached the Holy Table. The week of devotional exercises was brought to a close by the imparting of Papal Benediction. The wonderful success of the Retreat must be very gratifying to Mother Lua, Matron, and the other sisters connected with the institution, also to Very Rev. Canon O'Brien, P.P., V.F., and to Commissioner Moylan and the members of the Co. Board of Assistance who gave permission for the retreat to be held.

**BANK HOLIDAY POSTAL ARRANGEMENTS.**  
 Good Friday.—Mails. There will be one delivery of letters and parcels in the town. One despatch. Latest hour of posting, 12.45 p.m.  
 Easter Monday.—There will be no delivery. One despatch. Latest hour of posting 6.5 p.m.  
 Telegraph and Telephone service on both days will be the same as on Sunday.

**WANTON DESTRUCTION.**  
 What is sweeter than the song of the bird on the bush in a spring morning? Where do you find more vivacity or the joy of living more vividly expressed, than in the hedgerows, woods and glens, when the birds pour forth their vocal notes. And still, much as we delight in their melodious chirpings, we allow the wanton destruction of our bird life to go on. Every spring thoughtless young boys rob birds' nests for no other purpose than to break the eggs. Coupled with this you have now a whole army of youths with pop-guns, the pellets from which kill and wound anything from the robin to the thrush. We would respectfully ask teachers to impress upon their pupils the preservation of bird life and the harm done by robbing birds' nests. Our singing birds have enough of enemies to contend with without having their nests robbed by youngsters who do not understand the value of them.

**RACE COMMITTEE MEETING.**  
 A meeting of the Rockfield Race Committee will be held on Friday evening, 12th inst. at 8 p.m. (O.T.), all members of committee are requested to attend.

**WHIST DRIVE.**  
 A monster whist drive will be held in the Boy Scouts Club, Dungarvan, on Tuesday, April 15th, commencing at 8.15 p.m. 25 in cash prizes. Tickets, 2s. each.

**BANK ALPPOINTMENT.**  
 At a meeting of the court of proprietors of the Bank of Ireland, Sir John Keane,

**DUNGARVAN v. KILROSSANTY-PIKE.**

Sparkling football will be witnessed in the Gaelic Field, Dungarvan, on Sunday next, where the above teams line out in a senior football contest, the proceeds of which will go to alleviate the sufferings caused by the many families in the North of Ireland, whose breadwinners are imprisoned because they desire the removal of the hateful and harmful border. The following Dungarvan players are asked to report at the Gaelic Field at 3.30 p.m.—Sean McCarthy, P. McGrath, T. Curran, C. Moylan, J. Riordan, J. Mountain, M. Coleman, P. Dwyer, P. Caslin, T. Sheridan, W. Barron, W. McDonald, P. Lannon, J. Waters, T. Cisey, J. Harrington, Jackie Goode, V. Morrissey, P. Moloney (Pike), M. Wade, P. Daly (Ballinacourty), M. Landers, T. Carbery, Martin Noonan, W. Coleman, S. McGrath, Jas. Dwyer, R. Goode, P. Walsh, J. Murphy.

**MINOR FOOTBALLERS.**  
 The Dungarvan minor footballers are asked to get into training at once for their championship match on Sunday week, April 20th.

**L.D.F. DISTRICT COMMAND DANCE.**  
 On Sunday night next one of the season's best dances will be held. The committee in charge of arrangements are doing everything possible to provide a perfect night's entertainment for all. Tom Sheehan, leader of the Twilight Serenaders' Band, has set a special programme of popular dance tunes for the occasion, so dancing folk can be assured of perfect music. Pte. J. Downes and Mick Terry, will render popular vocal numbers. The hall will be specially decorated in the National colours. The Bar will be stocked and managed by Thos. Power and Co., while the catering is in the capable hands of Miss M. J. Butler. The Catholic Brugha Cellidhe Band will function as relief band and play a specially selected programme of old time waltzes. Patrons will note that the dance is being prolonged to 3.30 and the admission is the usual 2/6. Do not miss this big night's entertainment. Come to the Town Hall on Easter Sunday night.

**BREX CROWEYERS MEETING.**  
 The Council, Irish Sugar Beet Growers' Association, meeting in Dublin, considered the position with regard to manures, live stock and seed supplies, and decided to send deputations to the Minister for Agriculture, on the 9th inst, and to the Department of Supplies on April 16th. It was decided to hold the annual convention in Dublin. Mr. W. Mullins, Chairman, presided.

**DUNGARVAN TOWN LEAGUE.**  
 Keen determination and close, robust tackling were the chief features of the League game between the "Wasps" and Shandon Rovers in the Gaelic Field, Dungarvan, on Sunday last. While the "Wasps" secured full points, their margin of superiority over the Rovers was negligible, and had the Rovers' forwards infused a little more thrust in their attack the result might easily be reversed as they did more of the attacking during the game. Outstanding for the winners were C. Moylan, Jas. Mountain, Goode bros. (4), P. Lannon, with Paddy McGrath, full back. The losers were best served by W. Barron, P. Walsh, T. Curran, W. McDonald, S. McGrath, V. Morrissey and T. Parsons. Result—Wasps, 1-2; Rovers, 1-1.

**L.S.F. DUNGARVAN GROUP.**  
 The very interesting series of First Aid lectures held in the Technical School were concluded on last Monday night. The lectures took the form of a "Question time" and Doctor Cusack kindly consented to set the question and adjudicate the answers. The questions proved a test of skill and the answering showed that the first aiders will be able to give a good account of themselves when they are called upon to put their knowledge into practice.

The following were among those who took part. Supt. Walsh, J. Tobin, S. Delaney, F. J. Campbell, S. Whelan, J. J. Cummins, P. Walsh, J. J. Walsh.  
 At the conclusion Supt. Walsh on behalf of the L.S.F., thanked Doctor Cusack for the very great trouble he had taken to make the lectures so interesting and at the same time instructive. Supt. Walsh thanked the management of the Technical School for the use of the lecture room, he also thanked the caretaker for his time and trouble.  
 Mr. J. Fitzhugh, desired to be associated with the remarks.  
 In connection with these lectures an examination for the certificate of The Knights of Malta will be held at a date to be announced later.

Such practice in bandaging will be arranged by Mr. S. Delaney, O/C First Aid. The Wednesday night meeting at the Barracks was well attended. Members under the direction of S/P. Power delivered some fine foot drill.  
 Sergt. Linnane then outlined a course of lectures to be held in the Courthouse at 8.30 p.m. on Wednesday night, on some aspects of the Road Traffic Act as it applies to the L.S.F.

**IMPORTANT ANNOUNCEMENT.**  
 Messrs. M.J. Moloney and Co. are appointed sole agents for the famous Esse Cooker in this district. These cookers are very economical in the use of fuel and those wishing to reduce their fuel consumption during the emergency should call and interview the agents at Bridge St., Dungarvan.

**TO DRAW TURF**  
 The Government has made an Order under the Emergency Powers Act entitled Emergency Powers (No. 78) Order, 1941, suspending the operation of the Road Transport Act, 1933, in so far as it applies to the carriage of turf. The carrying of turf for reward by road in mechanically propelled vehicles will not be required to be licensed for that purpose under the Road Transport Act, 1933.  
 This will considerably increase the number of motor lorries available for the distribution of turf throughout the country.

**An Esteemed Modelgo Man's Demise.**  
 The death, which took place on the 30th ult., at his residence at Mogeilla (West Waterford), of Mr. J. Killigrew, occasioned deep sorrow, not alone in his native parish and neighbouring districts, but throughout Mid-Waterford, where many relatives of his abided. He came from good old family stock of the Bredies, and during his fine career of more than eighty years had warmly endeared himself to every member of the community who shared his acquaintance. Of an amiable disposition, cultured and refined, he devoted his life to the welfare of his children and the formation of their christian character. His fidelity to his religious duties all through life marked him out as one of the most exemplary members of the community. To the poor he was kind and considerate and his demise deprived them of a sincere friend. He died a truly happy death, fortified by the rites of the Holy Catholic Church, and the interment to take place in the ancient and historic churchyard at Modelgo, the coverage of the occasion testifying to the good-will and popularity deceased enjoyed. Peace to his soul. With his grief-stricken widow and family (including Mrs. K. Fahy, First Lodge, Capregilly) sympathy is universal. (American and Australian newspapers please copy.)

**Of Interest To Tractor Owners.**  
 It has been found necessary to restrict the supply of kerosene to most users, in order to ensure that adequate supplies will be available for tractors during the remainder of the tillage season. A communication has been issued by the Department of Supplies to all tractor owners known to the Department, inviting them to state their requirements of kerosene for the remainder of the season. If any owner of an agricultural tractor has not received such communication, he is advised, in his own interests to write at once to the Department of Supplies, 13/14 Earlsfort Terrace, Dublin.

CORRESPONDENCE.

"THE OLD BOG ROAD." To the Editor, "Dungarvan Observer." A Chara—I read with pleasure the statement of Mr. G. B. Lee, surveyor, Co. Galway, as published in the "Irish Press" of the 7th inst., that "roads would be made into bogs for the purpose of removing turf."

Permit me to add that many throughout the country await a public official ruling on this problem—transport. Unnecessary delay means reduction in production this coming season, as up to now the "powers that be" have given no attention to the essential "roads for turf producers."

It was also alleged that, if selected for inter-county engagements, some of the St. Mary's players would not be available. Such is not the case. We guarantee that if any of our fifteen of last Sunday week are selected to play for the county, they will certainly be available.

WATERFORD COUNTY COUNCIL

Deputation From Farmers of the County.

Rate Increase of 4 1/2d.

At a special meeting of the Waterford Co. Council held in the Secretary's Office, Dungarvan, on Monday 7th inst., Mr. S. J. Moynihan, Commissioner, presided. Mr. J. Bowen, E.E., Co. Surveyor, and Mr. J. H. O'Sullivan, Secretary, were also present.

FARMERS' DEPUTATION.

A deputation of Co. Waterford farmers, led by Mr. P. Kearney, was received. Mr. Kearney briefly outlining the position of the rate payers of the County said they had been deputed to appear before the Co. Council to enumerate the several causes—terrible drought, cattle losses, lighter fodder crops, foot and mouth disease—which made it impossible for the ratepayers to meet their demands.

Mr. Kearney-I remember that but the farmers of the County do not realise the food necessity. I am unaware that any lectures were given in my district.

Mr. Power-Farmers will grow food if they will get the cash.

Chairman-The Co. Committee of Agriculture have no cash either, but there is a scheme for the supply of seed on loan. Mr. Kearney said that this scheme was useless. You must have two solvent surrogates and if you have these any merchant will give you the seeds.

Mr. Bowen, Co. Surveyor, added that the roads were the only tangible thing we see from the rates.

£12 per acre. When you pay £2 to £3 for seed and £3 to £10 for superphosphate, there is no money left.

Mr. Bowen added that the fuel position would be very serious. He attended a recent conference in Dublin where it was pointed out that the position was far worse than anticipated, and from which everyone departed with the idea, i.e., to produce as much fuel as possible during the short period which still lies ahead.

Mr. Walsh said they would be grateful if the rates could be kept at a low level; Feeding stuffs were very dear.

Chairman-If any of you could indicate to me where saving can be made I would be glad to do so. The Secretary and myself have actually combed the rates. Every effort was made to cut down the rates. We had to make provision for Air Raid Precautions. I want to point out that the one big increase in the rate is in making provision for the poor and the needy, i.e., the Board of Assistance estimate of £6,000. This year the increase is confined to 4 1/2d. in the £.

Mr. Bowen, Co. Surveyor, added that the roads were the only tangible thing we see from the rates.

"Whether economically or not," concluded Commissioner Moynihan, "the position must be faced, otherwise the county will be left without sufficient fuel."

WATERFORD BOARD OF PUBLIC HEALTH.

Commissioner S. J. Moynihan sat in the Secretary's Office, Co. Home, Dungarvan, on Wednesday, to transact business arising under the Board of Health.

VACCINATION DEFAULTERS. Vaccination defaulters notified by the medical officers of the various districts were as follows: Ballyduff 22; Kilmac-thomas 23; Kilsheelan No. 2, 2; Portlaw 7; Tallow 15; Waterford No. 2, 21; Lismore, 22.

FREE MILK SUPPLY GRANT. A letter from the Department on the above relative to provision of Free Milk for necessitous children under five years, during the year ending 31st March, 1942, was read.

MONATREA WELL. Mr. Dunne, engineer, reported inspecting the well at Carty's Cove, Monatrea. Portion of the surrounding wall has collapsed and needs to be rebuilt; a certain amount of cleansing is necessary at a cost of £1.

SPRINGFIELD WELL, MONATREA. A report that the level of the overflow should be raised to prevent surface water entering the above well, was also read from Mr. Dunne, who estimated the cost of same at 30/-.

CONNECTION WITH ARDMORE SUPPLY. Arising out of an application from Mr. Pollock to take a connection off another persons service pipe, Mr. Bowen, Co. Surveyor, wrote stating this cannot be allowed.

CARETAKER APPOINTED AT KILMOLASH. Mr. M. Dee, H.A.O., reported that Wm. Colbert, caretaker of Kilmolash graveyard, died on the 13th ult. His son, Patrick has been doing the work for some time past and he would be a suitable person to be appointed in his place.

KILWATERMOY GRAVEYARD. On the recommendation of Dr. O'Mahony, M.O., Tallow, an order was made that the Department be asked to issue a closing order in respect of the old portion of the Kilwatemoy graveyard.

TRAMORE WATER SUPPLY. Mr. James F. Keogh, collector, wrote enclosing a list of persons and showing the amount of arrears of water rents.

TRAMORE WATER AND FIRE FIGHTING. Mr. Bowen, Co. Surveyor, writing in reply to the suggestion that the watermain house be connected by telephone stated, there would be no advantage whatever in connecting telephone to house.

PRACTISING MIDWIVES. Dr. O'Farrell, Co. M.O.H., reported that it has come to his notice that certain midwives are practicing in the county without having fulfilled the statutory obligation of notifying the Local Supervising Authority of their intention to practice.

TRAMORE SEWERAGE SCHEME. A letter from the Department regarding correspondence dealing with the proposal to alter the area of charge for the cost of maintenance of existing sewerage schemes at Tramore and Passage East for certain townlands fixed by previous orders to the former Waterford No. 1 Rural District, was read.

PORTLAW CLUBROOM. Arising out of an application by Ed. Walsh, hon. secretary, Portlaw Gaelic League, for the temporary use of one of the condemned houses as a clubhouse, Mr. Doyle, engineer, reported it would be suitable if available for human habitation but just as a club house for part-time occupation.

FIRE IN LISMORE. Mr. D. Lawton, Town Clerk, Lismore, wrote stating that a fire occurred in Lismore during the week (the 4th outbreak in 14 months) and great damage was caused. There was not even a length of hose to deal with it.

PERMISSION WAS REFUSED. Mr. D. Lawton, Town Clerk, Lismore, wrote stating that a fire occurred in Lismore during the week (the 4th outbreak in 14 months) and great damage was caused. There was not even a length of hose to deal with it.

At Friday's meeting of Dungarvan Urban Council.

SYMPATHY VOTED BY URBAN COUNCIL. Mr. Crotty proposed, and the Chairman seconded, that we, the members of the Dungarvan Urban Council, desire to place on record an expression of deep regret on the occasion of the death of our esteemed citizen, Mr. John Lynch. We deem that our sincere sympathy be conveyed to his relatives, and as a small tribute of respect to his memory we adjourn this meeting when the urgent business will have been transacted.

Continuing, Mr. Crotty said—Mr. Lynch.

St. Augustines v. Sean-Cabhail.

St. Augustines, 1-2; Sean-Cabhail, 0-3. At Cappagh Gaelic Field on Sunday last, St. Augustines (Abbeyside) overcame a much better Sean-Cabhail selection in the first round of the minor hurling championships. The Abbeyside boys, with a large contingent of supporters, cycled to the venue, and all voted that cycling was a much better and more man-like means of travel for short distances.

Mr. W. Fitzgerald (Finnish Rovers Club) started the game to schedule, and from then to the final whistle every inch of ground was fought, and it was anybody's game up to the end. Sean-Cabhail opened the scoring with a point, and Abbeyside scored the equaliser per Gustie McGovern. Half time saw both teams level—one point each.

On the resumption of play both teams were advised by their captains and trainers during the interval—flung themselves heart and soul into the fray, and some brilliant hurling resulted. Pressure was kept up all the time and where those young hurlers got so much stamina no one could tell. It was one of the fastest and cleanest hurling games ever witnessed, and was free from ugly fouls, which mar so many fine games. Modeligo then chalked up another point, but St. Augustines were not long in coming up level again with a minor by James Young. Soon after, Mick Young got the ball and beat the goalie all ends up with a rasper.

Sean-Cabhail subsequently scored a point, and try as they would, they could not penetrate the solid defence of the Abbeyside lads, and at the final whistle the scores were: St. Augustines, 1-2; Sean-Cabhail, 0-3. On the Sean-Cabhail selection R. Barron was much to the fore, as also were their midfield pair, while the Abbeyside boys were helped well by Sean O'Brien, James Young, B. Beatty, and the midfield pair also. St. Augustines surprised many by their glorious show against a much weightier team and with a good course of training should go far in the championships.

St. Augustines—J. Young (capt.), P. Daly, J. O'Keefe, P. Cowman, M. Young, P. Hayes, J. Regan, S. O'Brien, V. Forde, M. O'Connor, D. Barron, A. McGovern, Joe McGovern, A. Beatty and M. Forde. Sean-Cabhail—E. O'Farrell, E. O'Connor, M. Flynn, J. Norris, R. Barron, P. Foley, Ed. Kieley, L. Kieley, J. Barron, J. Power, R. Heurigan, J. Cashman, P. Farrell, Patrick Burke, J. Sullivan.

BELL'S Warble Fly Powder

As you are all aware, is a great loss to Dungarvan. He contributed in a great measure to the prosperity of the town. He was Secretary of the Show for 25 years, and was also connected with the commercial and social life of the town and a member of the Band Committee. We all deplore the passing of a gentleman who has been a popular figure and a general favourite with all classes.

SYMPATHY FROM L.D.F. DISTRICT STAFF.

A special meeting of the District Staff, L.D.F., was convened at the Garda Barracks, Dungarvan, on Monday night last, to express their sympathy with their colleague, Mr. J. Lynch, Ballymore, on the death of his uncle, the late Mr. John Lynch, South Terrace, Dungarvan. At their meeting at Killihall National School on Friday last, the Ballymore Section of the L.D.F. adjourned all training activities as a mark of respect to the memory of the late Mr. John Lynch, South Terrace, Dungarvan, whose nephew, Mr. T. Lynch was a vote of sympathy with Mr. T. Lynch was proposed by J. Dower, assistant section leader, seconded by M. Tobin, section leader, and passed, while all members stood at attention.

L.D.F. NOTES

On Sunday night next (Easter Sunday) the Dungarvan District Staff L.D.F. will hold their first Staff Dance. This is bound to be the social event of the season so everyone who wishes to have a really happy Easter should not miss this golden opportunity of enjoying a first class entertainment to the strains of that ever popular Twilight Serenaders' Dance Band which has been booked with special arrangements for the night. Tickets will be at the popular price of 2/6 each.

On Sunday last Lieut O'Shea, Military Barracks, Youghal, again supervised the 3rd in the series of lectures to L.D.F. Officers and N.C.O.s of the local groups under Group Leaders M. Morrissey, J. Tobin and P. O'Farrell. The most interesting item dealt with included compass reading and explosives by Mr. Keane, B.E. District O/C of engineering who gave some very realistic demonstrations by the explosions of land mines, etc. His previous lectures on the care, use and effectiveness of such dangerous items as explosives were explained and demonstrated in his usually thorough manner so that our local engineers have now had first class experience in this vital and effective weapon of modern warfare.

Sergts. Logan and Heffernan with the help of some military N.C.O.s put our local officers through their paces in the use of many essentials of rifle, grenade and foot drill as well as through the important manoeuvres of section stalking, etc. These N.C.O.s are to be complimented on the thorough manner in which they undertook their arduous duties. The L.D.F. N.C.O.s are also to be congratulated on their enthusiasm and intelligent endeavours to learn all that was so well taught.

As previously, the Army Cooks stood up well in the provision of first class grub stakes which were fully realised by a willing and happy family. On Tuesday night last District O/C J. Mansfield and Assistant District O/C M. Shanley visited Ballinacree where they discussed with the local section under Mr. P. Wylie. Laughran, detailed matters of organisation. This section is attached to the Cappagh Group under Group Leader O'Farrell and judging from their smart turn out nothing has apparently been spared in training the men as an effective local military unit. Of late many new recruits have joined the section and it speaks well for their intelligent training when it was noted that the old recruit has apparently nothing over the new one as regards perfection of drill etc.

Corpl. J. McCarthy requires attention with the local section at Ring this week and we have no doubt but that his training will have the same desired effect as elsewhere. We understand he is returning to his native county for Easter week-end and we hope he will enjoy his native air in the typically hospitable manner of West Cork.

Last week the nucleus of a strong and energetic section was formed at Piltown, Kinsalebeg, when District Officers J. Mansfield and E. J. Keyes and Guard P. Crowley D.A.O. attended at the local National School to enrol members of the L.D.F. It was a most successful evening with the new formed squad that Mr. V. Donovan act as temporary squad leader and the District Leader (Mr. J. Mansfield) approved of the appointment. Further recruitment is to be carried on in this area until a full section of 40 men have joined to protect the many vital points in the surrounding district which require attention. It is felt that the young men of the area will, as heretofore, be willing to give their spare time in training and preparation to take their places in the ranks of their comrades should the occasion unhappily arise to defend our Country's independence.

Young and old can give valuable assistance thus keeping alive and active the patriotic tradition of the men of Piltown in other but not so distant days. All L.D.F. Officers and N.C.O.s should note that the military authorities have sent notification that there will be no classes on Sunday next (Easter Sunday) in connection with their training courses held during the past few Sundays, but that the lectures will be resumed on the following Sunday when a full attendance is expected without fail, to complete the programme.

On Tuesday night last Mr. M. Morrissey our popular T.D. and Group Leader of Dungarvan No.1 Group resigned from the latter position in accordance with Government regulations which requires that T.D.s and Senators cannot be members of the L.D.F. but must be available to shoulder the many heavy responsibilities which their high positions demand in times of national emergency. While acting as group leader Mr. Morrissey proved a very efficient and painstaking officer, popular among all ranks and ever ready to do everything that tended to the perfection of our local defence. We trust that his official break with the organisation will not prevent his particular interest being exercised on behalf of his former brothers in arms. We trust too that his successor Mr. J. Fraher will continue the good work so well perfected by Mr. Morrissey.

And here's a final reminder for Sunday night next. Don't forget to attend the District Staff Dance at the Town Hall, Dungarvan. Everyone else will be there so let you be there without fail.

The very successful Irish classes which have been in progress in Clashmore for some months past also conclude this week. Over thirty students attended these classes which were conducted by Mr. Sean O'Halloran, P.C., O.G.

CAPPOQUIN NOTES

EASTER SUNDAY CONCERT.

All roads lead to Cappoquin on Sunday night next for the Concert and variety entertainment in the Boathouse Hall. This function promises to be one of the most attractive yet held at this popular centre, and a big attendance is assured. A first class programme has been arranged and the services of leading artists have been secured. The "star" item will be the "Roll of the Drum" by the military garrison at Lismore, who will also present "Drill as drill should be". For the past few weeks the members of the garrison concerned have been rehearsing assiduously and will be at their best on Easter Sunday night. Another outstanding attraction will be the selections of airs by the popular and talented Twilight Serenaders Band (Fethard), while everybody is eagerly looking forward to the magic performances of "Pasha", the well known oriental conjuror, who finds little difficulty in doing the seemingly impossible.

Other items of interest will be solos by Billy Kendrick (Piano accordion); Tom Sheehan (Saxophone); Denis Shine and Paddy Mackey (Vocalists), while T. Healy, champion stepdancer, Lismore, will give an exhibition that is sure to enhance his reputation. Local artists who will contribute to the evening are Miss E. Mullins, Messrs. F. X. O'Leary, N.T., Paul Tuomey, James Aherne and Joe Barron. These need no introduction to the general public and their reputations as artists of great merit are already generally known.

Seats may be reserved from Lieut. D. Loneragan, Lismore, and Mr. M. J. Sargent, P.C. Cappoquin, who are in charge of all arrangements. For further details see advt. in this issue.

ORGANISING THE L.S.F.

A meeting of the Officers of the District Staff and the leaders of the local groups was held in the C.Y.M.S. Hall, Cappoquin, on Monday night last. The members of the District Staff present included Messrs. M. J. Sargent, M. F. Walsh, T. Harris, J. O'Neill, W. J. Sargent and Dr. O'Farrell, M.O.H. Many matters of importance were discussed including that of organising the district and the securing of new recruits for the different units.

For the past few weeks Messrs. M. J. Sargent, P.C. District Leader and Mr. M.F. Walsh, P.C. District Adjt., have been busily engaged, with the other officers of the District Staff, in organising the L.S.F. in Lismore, Tallow, Ballinacree, Villiers, Kinsalebeg, etc. and their efforts have met with pronounced success. Every man who is not joined the L.D.F. should be a member of L.S.F. and thus serve his country in the present crisis.

L.D.F. AND L.S.F. CHURCH PARADE.

On Sunday next the members of Cappoquin L.D.F. and L.S.F. will parade in Villiers, Kinsalebeg, etc. All members of both groups are asked to assemble at the C.Y.M.S. Hall at 9 o'clock sharp. Members of the L.D.F. should be in full uniform and members of the L.S.F. should wear their armbands and badges.

MATCHES AT TOURIN

On Sunday last at Tourin venue, before a good assemblage of spectators and under cold, dry weather conditions, Cappoquin engaged Moorehill in the initial round of the current M.H. championship and an interesting game ensued. The teams were well matched and gave a spirited exhibition of the code. Following a closely contested game the Moorehill 15 won by a small margin. Mr. P. Pives Tourin referred in his usual efficient and impartial style.

At the same venue Cappoquin met Tourin in a J.F. challenge contest and a fairly good game ensued. The Cappoquin team was much below full strength but nevertheless, put up a good fight against their faster and heavier rivals. A good game resulted in victory for Tourin on the score 2-1 to 1-0. Mr. W. Russell, Tourin was a capable referee.

THE GREEN CROSS FUND.

On Sunday next, Cappoquin J.H. travel to Lismore to play the local combination in aid of the Green Cross (Prisoners Dependents) Fund. Both teams are already in good form and should serve up a first class exhibition of hurling. The proceeds of the "gate" will be donated to a very laudable object that merits generous public support.

CAPPOQUIN IN THE CHAMPIONSHIP.

In the first round of the current year's J.H. championship Cappoquin play Kinsalebeg and a first class game is assured. Both teams are training hard for the contest and are "all out" to win. The locals are a well balanced team that play fast and accurate hurling and even on last year's form should do well in the championship. Kinsalebeg, on the other hand are a strong, robust combination that can be relied upon to make a good show at any time. Nevertheless we expect to see Cappoquin win and thus qualify for either the second round of the championship.

Ardmore Dance.

All roads lead to Melrose Hotel, Ardmore, on Easter Sunday night for the grand all-night dance there. This promises to be one of the social events of the season, and a large and fashionable attendance is expected. The splendid ballroom is being specially prepared for the occasion, and all arrangements are in the hands of Mr. and Mrs. Collins. Miss Nancy Crowley's Dance Band has been engaged for the event, and its presence will be an added attraction. See advertisement in this issue.

DUNGARVAN RED CROSS NOTES

Interested members are asked to note that an examination for the Society's First Aid Certificate will be held at the Technical School during the week ending the 25th April. By courtesy of the medical officer in charge of the unit, this examination is being run concurrently with the examination for the Knights of Malta First Aid Certificate and Dr. M. O'Farrell, M.O.H. has very kindly consented to act as examiner. All who wish to take the examination should send their names to the honorary secretary of the branch before Wednesday, the 18th April, stating the particular course they attended. Final particulars regarding the examination will be published in these notes that the home nursing class would commence on Friday next, the 20th April, but as the Technical School does not re-open until the following Monday it has been decided to postpone the commencement of the class to Friday the 27th April at 9 p.m. Ladies make a note of this day, Friday the 27th April at 9 p.m. In all there will be six lectures, one every Friday night from 8 p.m. to 10 p.m., and the following is the syllabus of instruction:

Lecture 1—The Home Nurse. The sick room and its management. The patient's bed, position and making. Bed linen. Practical—Bandaging of the limbs with the roller bandage.

Lecture 2—The preparation of the beds for special cases, such as fractures, rheumatism or abdominal cases. Special appliances, such as bed-rests, cradles, sandbags, water-pillows. Practical—Demonstration of bed-making.

Lecture 3—General and routine care of the patient. Signs and symptoms. Baths and personal hygiene. Special baths. Prevention of bed sores. The use of the clinical thermometer. Recording of pulse and respiration rates. Bed charts, etc. Practical—Use of the clinical and bath thermometers, taking of pulse and respiration rates, charting, preparation of baths.

Lecture 4—Diet and the feeding of the patient. Simple invalid cookery. The administration of medicines. Hypodermic injections. Infectious cases and their nursing. Methods of disinfection. Practical—Roller bandaging of shoulder, hip and trunk.

Lecture 5—Surgical nursing. Asepsis and antiseptics. Inflammation. Common surgical appliances. Dressings and fomentations, disinfectants. Preparation for operation. Care of patient after operation. Practical—Roller bandaging of breast and stumps. Demonstration of application of dressings, sterilisation procedures.

Lecture 6—Artificial feeding. Inhalation bathing the eyes, springing the ears. Feeding the infant. Common diseases of children. Practical—Demonstration of use of inhalers, syringes and eye baths. Resume of roller bandaging.

As a knowledge of First Aid is an invaluable asset to any lady married or single, whatever her walk in life, we feel there is no need to further stress the desirability of availing of the opportunity afforded by this class. All are cordially invited to attend irrespective of whether they are members of the Irish Red Cross Society or not and we look forward to a "full house" at the Technical School on the 27th April.

We wish all our members and friends a very happy Easter.

L.S.F. District Notes.

The District Staff this week visited Ardmore and Clashmore. Mr. D. Power D.S.O. 1, and Mr. M. Breen D.S.O. 7, attended at Clashmore on Monday night. Some misunderstandings were smoothed out and the weekly First Aid lecture given. The following were the members of the L.S.F. who attended—T. Bagge, G.L.; R. Russell, A.G.L.; T. Morrissey, P. Flaherty, J. Fitzgerald, J. Healy, D. Drohan, W. Power, H. McGrath, P. Hurin, D. Barry, G. Kennedy, J. Morrissey, P. Bagge, T. Hurin, P. Foley, D. Scanlon.

Also present were Miss J. Foley and T. Curran, J. Tobin D. Drohan. At the same time on Monday night Mr. T. Maher, B.Sc., D.S.O. 2 and P. O'Mahony visited Ardmore. Ardmore is certainly working up to last since our first visit there some weeks ago, new members continue to come in. It was possible on Monday night to form the following squads, communication and observation squad, etc.

Mr. Lincoln the group leader is very pleased at the response to our appeal and is continuing the good work. The first aid classes are being well attended. The following L.S.F. members were present at the first lecture, P. Lincoln, G.L. M. Colbert, T. Crowley, W. Keane, F. Troy, J. Keane, P. Troy, M. Keane, M. Troy, J. McGrath. On Monday night the 21st, April, at 8.30 p.m. the first of a series of lectures on A.R.P. and fire-fighting will be given in the School Ardmore, and it is hoped that they will be availed of by all members. Cappagh was visited on Tuesday night and the work of organisation was carried a step further it is hoped to be able to arrange a series of First Aid lectures in the School house Modeligo, in the near future. In the mean time we hope that the membership of the Cappagh Group will increase.

Successful Gaelic League Meeting at Halfway Hall.

Gaelic Ireland forces from the parishes of Slisibh gCua, Modeligo, Four-mile Cross, Kiltirren, and the shire came out in force to open for the first time, when they mustered at the Halfway Hall on Thursday night to form a branch of the Gaelic League, and to prepare a plan of campaign for the Summer months, in a determined effort to create a truly Gaelic atmosphere in these parishes.

The meeting which was truly representative of the youth of the said districts must be considered a real success from all points of view. Over fifty people were present and many were unavoidably absent owing to L.D.F. training in the district. It should be a source of pleasure and satisfaction to those who came to the meeting to see present that evening young men and women who had travelled over seven miles, eager to lend a helping hand to those who are pressing forward everything Irish. That shows that Gaelic embers still smoulder in these parishes and only await a hand to fan them into a flame which will illuminate the cultural life of the district, and chase away the shadows of Shoneenism.

Mr. Seamus O Maoldhomhnaigh presided and in the course of a spirited speech in Irish and English first dealt with the objects of the League, and said that the motto of the Gaelic League could be best expressed in the words of one of its presidents Padraig Pearse, "Ireland Gaelic, Ireland Free." "Pearse had only one life to give and that life he sacrificed, that the Irish men and women might enjoy the right to be Gaelic and free," said Mr. Moloney, but as everyone knew these were not those of our nation who were still denied that right and deprived from us by "a sham border maintained by the hypocritical defender of the liberty of small nations." He then referred in satirical terms to the Cinemh, which was held, "betwixt the lives of young and old men." How regrettable it was to hear on the lips of the Irish boys and girls the song of some cowboy moving down the Western Trail instead of the fine old Gaelic songs of our land. Nor did he fail to expose those schools and colleges where Gaelic and foreign games are fostered in the cradle. In the course of his address he stressed the great importance of an early Gaelicisation of this nation if we are to become a truly great and independent people, and appealed to all present to follow the footsteps of the dead generation, by giving of their best to the great old cause of Ireland Gaelic and free.

Padraig O Flonagha then spoke on the decline of Gaelic Ireland in the fight of the Gael with the Gall, and related the circumstances which brought about the foundation of the Gaelic League in 1893. He spoke briefly on work and achievements, until the State undertook the task of Gaelicising the country, and the possibilities in their policy of vote-buying allowed the Shoneen element to come to the fore again with impunity, and dominate the cultural life of the nation to a great extent. He then stressed the great need for the revival of the League now, and then outlined the programme which their branch should endeavour to carry out during the summer and autumn months. A good amount of business was transacted at the meeting, and all present took a lively interest in the discussion of a lengthy programme for the holding of concerts, aerobics, ceilidhe, and the delivery of lectures on Gaelic Ireland, through the medium of English, during the coming months.

It was also decided to give the youth of the district a real chance of learning our ceilidhe dance, by appointing someone to give instruction in those dances in a centre in each parish, and finally it was proposed to bring the musicians of the district together to form a ceilidhe band.

The following officers are working for the Gaelic League: Ruanidhe, Padraig O Flonagha; Ruanidhe, Padraig O Flonagha; Ruanidhe, Padraig O Faolain; Leas Cathaoirleach, Michael O Muirtheadha. (subject to his consent). Coiste:—Domhnall O Lulugaigh, Seamus MacChraith, Padraig MacChraith, Michael O Muirtheadha, Seán Collier, Sean Grant, Seamus Paor, Eilbhinn Ni Croisigh, Maire Ni Faolain, Liam Cullenane, Gearoid O Croitagh, Padraig O Milleadh, Sean O Cinneide.

We hope that this Gaelic revival effort will receive its due support from the public, and if so, we venture to prophesy that when the Gaelic machine is re-erected at the Halfway Hall, it is set in motion in the near future, and rolls on through the parishes, steam-rolling anti-Gaelic influences and sowing the seeds of "Gaelicism" people will sit up and take notice, and the Gaelic League meeting held at the Halfway Hall on April 2nd '41 may yet be remembered by those who attended as a historic one.

Sad Tragedy.

Deep and widespread sympathy is extended to Mr. and Mrs. P. Hickey, Binnagee, in their recent very sad bereavement occasioned by the deaths of their two sons. These two boys, who were aged 11 and 13 years respectively, were in perfect health up to a few days before their death and this renders the tragedy of their death all the more poignant. One was a pupil of the C.B.S. Youghal, and both were great favourites with their classmates and the general public alike. The sad occurrence cast a gloom over the entire district and the great wave of public sympathy is some consolation for the bereaved parents and little solace in their great loss.

PERSONAL INQUIRY.

Mr. Molloy, B.L. (Kiersey, solicitor) for Mr. Guire, B.L. (instructed by solicitors), defended. This was a civil bill. Barry, Ballyduff Upper, minor, suing by her father personal injuries received in 1939. The defendant is a son, an employee of Messrs. Molloy, B.L., said to be a collision which took place in 1939, when defendant drove the footpath and knocked out when in the act of lifting the foot. She then described the injury, which included a dislocated elbow, etc., permanent disability to do any heavy work. The applicant in reply bore out the foregoing facts after 12 o'clock Mass she was in Ballyduff and was knocked down on the footpath by a motor car, the driver a farmer's wife. Her general housework and ironing and feeding. She had had her living "valuated her board and the first six weeks after was laid up at Scamillon home and spent a couple of months in hospital.
