while he was in the resolution of the committee.

As one of the production, he stated that three gallons would amount to 10d. per gallon, but in New Zealand the production of butter is used.

and because of the production per acre, the industry in resolution were to kill the butter.

Why not to reduce the production of the butter? What they are doing is to reduce the production of the butter.

Mr. O'Gorman would industry was the production of butter.

They were being to do so. The farmer admitted that the butter was not good.

He urged the production of butter to do so. The fact is, in some cases, the butter has been produced.

Production of butter and would be the butter on the farm and his slaves, and at a very bad way.

Confirmation at Abbeyside.

His Lordship, Most Rev. Dr. Kinane, Bishop of Waterford and Lismore, administered the Sacrament of Confirmation to upwards of 50 children from the united parishes of Abbeyside, Ballinroad and Garanhane on Monday last.

His Lordship was assisted by Very Rev. T. Canon O'Brien, P.P., V.F., Dungarvan; Very Rev. N. Dunphy, P.P., Abbeyside; Very Rev. P. F. McGrath, P.P., Ring and Old Parish; Rev. M. Power, C.C., Abbeyside; Rev. T. B. Walsh, C.C., Dungarvan; Rev. P. Farrell, C.C., and Rev. D. Power, C.C., do.

His Lordship, addressing the congregation, said that he had received excellent reports of the parish as regards the high standard of the ecclesiastical buildings and the proficiency of the children in religious knowledge. He was very sorry that he was unable to examine the children whom he was to confirm, but the reports received from the parish priest, Father Dunphy, and the diocesan inspector, Father Lane, clearly showed the excellent religious instruction they had received.

He wished to congratulate the children themselves, and their teachers, on their success. He would like to impress on the teachers the importance of a sound, religious education, and the necessity of availing of every opportunity to provide such for the children at school, and to keep up the high standard. He also congratulated the parents, who can do so much for their children, especially by means of example in the home. Good example produces a lasting effect and has far more influence when practised by those whom we love and respect.

Continuing, His Lordship said that the world is now passing through days of stress and misery, unprecedented in history. Death and destruction seem to reign supreme; anti-Christian forces have been let loose, but we must remember that all suffering is temporary. Christ's suffering was a prelude to the Resurrection; the sorrowful gloom of Good Friday was followed by the glorious joy of Easter. No matter what pain or misery we must endure on earth, it will cease forever when we rise in triumph on the Last Day.

Thank God, this country has been preserved from the horrors of war. This may be due to the heartfelt prayers recited by the Irish people, and the Holy Father has asked us to continue our prayers for a just and lasting peace. As you know, Sunday, May 11th, was appointed a day of special prayer, and I have heard with deep appreciation of your wonderful and impressive attendance at Holy Communion, Exposition, and the Holy Hour. I exhort you to continue in this spirit, and to cultivate a fervent devotion to Our Lord in the Blessed Sacrament, and to His Holy Mother during the month of May. Mary has always been our secure refuge. During the penal days, the poor, persecuted Irish turned to her, and they did not turn to her in vain.

Speaking to the children, after Confirmation, His Lordship impressed on them the importance of the Sacrament they had just received. It could be received only once, and it made them strong and perfect Christians, and soldiers of Jesus Christ, ready always to profess their faith openly. They may meet companions who would sneer and scoff at their faith, but through the graces they received from Confirmation they would defend their Faith and be prepared and willing to die rather than ever deny it. This is one of the most wonderful graces of the Sacrament—you are made soldiers of Jesus Christ, ready to fight for Him, and necessary, to die for Him also.

His Lordship then administered the pledge against intoxicating drink to the children until the completion of their 21st year, and granted an indulgence of 50 days. The ceremony concluded with Benediction of the Most Blessed Sacrament.

The boys were in charge of Messrs. M. Foley and P. O'Neill, Abbeyside N.S.; Mr. M. Brennan, Ballinacourty N.S.; and Mr. T. Muleahy, Garanhane N.S., and the girls were in charge of Mrs. Christopher and Mrs. McCarthy, Abbeyside N.S., and Miss Murphy, Garanhane N.S.

His Lordship then left for Kilgobinet and Kilmartin Parish, where the children were examined, and returned later to the Parish Church, Dungarvan, where in the evening he examined 200 children from the Christian Brothers, Mercy, and Presentation Convent Schools.

GOLF CLUB-HOUSE FORCIBLY ENTERED.

The Civic Guards are investigating the case of forcible entrance effected at the Clubhouse, Ballinacourty, in the early hours of Monday morning last. A dance was held on Sunday night which terminated at 12 mid-night. When the premises were visited on Monday morning it was seen that an entrance had been made and that a small quantity of goods, the property of the Club had been removed. Up to the time of going to press no arrest has been made.

CO. WATERFORD BOARD OF HEALTH

At a meeting of the Board of Health on Wednesday last, Mr. S. J. Moynihan (Commissioner) presided. A communication was received from the E.S.B. calling the attention of the Board to the necessity for the exercise under present circumstances of the maximum economy in the consumption of electricity.

The letter concluded by adding that the E.S.B. will credit to the Board a reduction in the account for the public lighting in accordance with an attached schedule, and any alterations in public lighting carried out as a result of instructions from the Board on the letter will be made by the Board on the definite understanding that the credit would be on the schedule.

The Board approved of the reduction, the question of utilising 100 kilo. bulbs to be reported on. Another letter added that assuming that the reductions will remain in force during the balance of the current financial year ending 31st. March, next the following allowance will be made to the Board in the matter:—Cappoquin £25-0-3; Portlaoise £23 4s. 6d.; Tramore £107 11s. 9d.; Dungarvan East £15 5s. 10d.; Passage East £5 16s. 8d.

RAISING OF LOAN.

A letter from the Minister informed the Board that he has sanctioned the raising of £6,636 to defray the cost of completing a scheme for the acquisition of land and erection of 171 cottages under the Labourers Acts and the Minister for Finance has authorised the issue of the loan out of the Local Loans Fund. The loan is to be repaid on the annuity system within the unexpired period of the original loan of £67,180.

INCREASE IN ARREARS.

Following a communication from the Minister pointing out that the rent arrears had increased by £911 as compared with the 1st of September last, notwithstanding the order made by Commissioner Moynihan on the 12th February last that the Rent Collectors be written to, to make a special effort to effect a substantial reduction by March 31st, when the position would be reviewed, it was decided by the Board to write to the Collectors for explanations as to the increases.

A letter from Mr. J. F. Keogh, Sec. Tramore, Public Health Committee, said a special meeting was held on May 8th, in connection with the Tramore water supply. Members of the Parish Council drew attention to the Co. Surveyor's report on the state of the water mains in the town. The position from the point of view of fire fighting and water supplies to the lower end of the town was considered to be very serious.

It was decided to have the Co. Surveyor carry out the necessary work of cleaning the water mains, as soon as possible. The Secretary went on to state that the stock of fuel oil at the pumping station was only sufficient for a few days. A permit to purchase 80 gallons per month had been obtained but 200 gallons were needed.

It was also proposed and seconded that a number of wells and pumps in suitable positions be cleaned and put in order. The Board finally decided that the Department of Supplies be asked to supply coupons for 200 gallons per month, and the Engineer was asked to report as to the wells.

The Dungarvan East Public Health Committee stated that they had considered what street lights could be dispensed with, as a saving of electric current was necessary. The matter having been fully discussed, the committee recommended that six lights be cut off and the remaining lights be extinguished at 11 p.m. instead of 12 p.m. The matter was left for the Engineer's recommendation.

PERMISSION REFUSED.

Mr. J. Bowen, Co. Surveyor stated that permission to take a connection off another person's service pipe cannot be allowed. He may have a connection, from our main only and on the usual conditions.

MONATREA PUMP.

Mr. Dunne, E.E. reported that the work at Monatrea Pump is being carried out and will be completed in a few days. The matter was approved.

TWIG BOG WELL.

Dr. M. O'Farrell, Co. M. O. H. stated that he inspected the well at Twig bog and found it very difficult to discover the original source of the supply. However, since the well is contaminated and there is a public supply in the town of Cappoquin he considered the town supply should be used by the people in this district when they require water for domestic purposes. Their attention should be drawn to this fact.

PERMISSION REFUSED.

Mr. J. Bowen, Co. Surveyor stated that permission to take a connection off another person's service pipe cannot be allowed. He may have a connection, from our main only and on the usual conditions.

MONATREA PUMP.

Mr. Dunne, E.E. reported that the work at Monatrea Pump is being carried out and will be completed in a few days. The matter was approved.

TWIG BOG WELL.

Dr. M. O'Farrell, Co. M. O. H. stated that he inspected the well at Twig bog and found it very difficult to discover the original source of the supply. However, since the well is contaminated and there is a public supply in the town of Cappoquin he considered the town supply should be used by the people in this district when they require water for domestic purposes. Their attention should be drawn to this fact.

CAPPOQUIN PARISH COUNCIL.

Important Meeting.

At a meeting of the above body, held on Sunday night in the C.Y.M.S. Hall, Father Fitzgerald, P.P. (Chairman), presided.

The Rev. Chairman said he had called the meeting primarily for the purpose of asking the Council to give careful consideration to a very important matter, namely, the provision of fuel for the coming winter. As they were all aware, there was a great scarcity of coal, the importation of which had now practically ceased, and so it behooved the Council, particularly in the interests of the poor, to consider the question of laying in stocks of substitute fuel which could be made available during the coming winter. Turf, he had read in the local papers, would not be available in any large quantities in the County Waterford, and so they would have to adopt some means of securing a stock of timber. In connection with this he referred to the generous gift of some hundreds of tons of timber made by Lord Charles Cavendish at Lismore, which timber was being distributed through the medium of the Lismore Parish Council. He hoped that, considering the large quantities of timber in this district, some of the landowners would follow the generous example set by Lord Charles and help the council in this vital matter.

Following a long discussion the Council decided to ask Sir John Keane's help in the matter and, if timber were secured arrangements would be made for its storage and distribution. The Rev. Chairman pointed out that if a thinning of the trees growing near the boundary wall on the north side of the town were made it would be beneficial to residents whose gardens and property are bounded by this wall.

The Secretary was instructed to convey the Rev. Chairman's suggestion to Sir John Keane.

The question of securing turf was also discussed and it was decided to write to the County Commissioner to ask if it could be procured under the Co. Council scheme.

UNEMPLOYED MEN'S GRIEVANCE. An unemployed member of the Council (Mr. P. O'Driscoll) said that it was a grave hardship to unemployed men that there was no means of conveyance for them to the bog on the Knockmadow mountains or alternatively no provision for billeting the workers, as was done in other places, near the work. Men would have to cycle from Cappoquin, a distance of ten miles and then walk two miles and have to reach work at eight o'clock. Even if they had bicycles the cost of which was beyond their resources, they were not, for reasons he gave, able to avail of this work and it was a hardship on them. The Secretary was directed to convey the protest to the Co. Surveyor.

TWIG BOG WELL.

Mr. G. Holy pointed out that the water in the well at Twig Bog had been declared unfit for use by the Public Health Authorities. As it was the only alternative supply in the event of the supply in the mains being interrupted for any reason or other he thought it a matter of urgency to have the cause of contamination removed and suggested that the Board of Health be requested to have the necessary cleaning done.

It was decided to communicate with the Board of Health with a view to having the work done immediately.

ALLOTMENTS.

The Secretary reported that all the plots (thirty-seven) had been taken and were well filled. The plot-holders were very enthusiastic and the scheme promised to be most successful.

LISMORE NOTES

G.A.A. Everything is in readiness in the Gaelic Field for the big senior hurling clash, Lismore v. Tallow, on Sunday next. Particular attention will be paid to the fences around the pitch, so that those who have acquired the bad habit of gale-crashing will find that this will be impossible next Sunday, so we appeal to them as sportsmen to come to the main gate and pay up. Patrons are also requested to note that the only people allowed on the side line are players and officials. We earnestly ask the public to obey the stewards and so help to make sure that there will be no disorderly conduct—Obey the stewards. The winners of Sunday's game will meet Dungarvan in the second round, Lismore's war-cry: "Come on the black and amber."

CRUSADE OF PRAYER.

The Crusade of Prayer for Peace commenced in St. Carthage's Cathedral on Sunday last with the singing of last Mass and the procession of the Most Blessed Sacrament, thus began forty-hours' adoration. Throughout Sunday evening the Church was thronged with the faithful who came to pay homage to their Lord and Master. The Men's Confraternity of the Sacred Heart kept watch on Sunday. On Monday the Church was again the scene of fervent devotion. The Women's Confraternity with the girls of the Convent Schools visited in their various guilds from 12 noon to 6 p.m. The Crusade of prayer was brought to a close with Benediction on Monday evening.

ST. CARTHAGES' G.A.A. CLUB.

Congratulations to the three St. Carthage's minors who took part in the inter-county minor football match against Tipperary in Dungarvan on Sunday last. All three playing in the Waterford forward line, helped in no small way to gain their victory. Each of them played excellent football. "Congrats, Boys!"

FEAST DAY OF PATRON SAINT.

Wednesday last, May 14, being the feast day of the Patron Saint of Lismore, his Holy Well (the waters of which are reputed to have many cures) was left open to the general public who came in great numbers to carry away this holy water in various vessels.

The plot-holders were very enthusiastic and the scheme promised to be most successful.

TALLOW NOTES

FOR PEACE.

In compliance with the request of our Holy Father the Pope, and the wishes of the Irish Hierarchy, Sunday was observed in Tallow as a special day of abstinence and petition, and the response of the parishioners to the special appeal addressed to them by his Lordship, Most Rev. Dr. Kinane, clearly proved their loyalty and fidelity to their Holy Mother the Church. At the 8 o'clock Mass, which was celebrated by the Rev. Wm. Kehoe, F.F., one of the largest congregations ever seen attended, and practically every member of it approached the altar rails to receive Holy Communion. Addressing the congregation, Father Kehoe made a special appeal for prayer and intercession to Our Blessed Lord through His Blessed Mother, that our beloved country should be spared from the horrors of war, which was devastating Europe and the closeness of which to our own shores brought home more forcibly to every God-fearing Irishman the necessity for trustful prayer to the Almighty; that He in His goodness and mercy may protect our beloved country and its people. At the close of the 11 o'clock Mass, which was celebrated by Rev. Father Corbett, C.C.—the spacious church being again filled—Exposition of the Blessed Sacrament took place, and all during the day parishioners were present in the church until evening, when with the Holy Hour devotions the sacred ceremonies were brought to a close. Father Kehoe officiating, the attendance of the parishioners being again of striking dimensions.

WELCOME RAIN.

After one of the longest spells of harsh and dry weather conditions ever experienced (in the memory of some of the oldest fillers of the soil), rain made its appearance throughout the parish and adjoining districts on Saturday afternoon and again on Sunday, but, unfortunately, the fall was confined to practically a few showers, while a copious rainfall is required most urgently for all tillage and grass lands, as otherwise grave danger exists that full returns will not be forthcoming at harvest time. Winter sown wheat is holding its own despite the drought, but all spring and later sowings show a very backward growth. Beets and cabbages are similar, while early beet and mangolds are suffering severely. Early potatoes are making moderate progress, but later varieties are fearfully slow. Garden seeds are in a pitiable condition, and consequently if a break doesn't come soon, the earnestly looked-for results will prove a doubtful quantity.

G.A.A.

Local Gaels and supporters were terribly disappointed on learning that the senior team had suffered defeat at Mallow on Sunday afternoon at the hands of Mallow selected, with whom they played a friendly (as a pipe-opener) to Sunday's encounter in the county championship. Having defeated Middleton selected at Glenbowee on the previous Sunday, high hopes of success at Mallow were entertained. However, better luck next time out will attend their efforts. An experienced observer attributed Sunday's defeat to the results of over-training.

CORRESPONDENCE.

TYPHOID AND PERIWINKLES.

To the Editor, "Dungarvan Observer." Sir,—Please permit me space in your valuable journal to comment on a matter of vital importance, namely, the recent outbreak of typhoid fever in the town. It has been stated that the outbreak is due to the picking by some of the people concerned of periwinkles in a certain area of Dungarvan Harbour. It is a well-known fact that people have been picking winkles in the area mentioned for the past forty years, and it is also well known that not one of those persons ever contracted disease of any kind, though coming in contact with periwinkles picked in that area. The area is now closed to persons desirous of picking winkles, who make a living thereby. Could not this disease be attributed to various causes, such as poisoned water daily coming from some source through sewerage pipes and decaying all sorts of filth in the harbour. Again, the water supply is a matter of very grave concern for the citizens of the town. I often take a perfectly clean glass and hold it under the water tap, and to my dismay the water is of a dark colour. Another likely cause is malnutrition; in other words, lack of sufficient food and clothing. I earnestly hope that our highly respected M.O.H. will be successful in tracing the cause of the existing malady.—Sincerely yours, "ANXIOUS CITIZEN."

MATCH POSTPONED.

Owing to the senior hurling championship at Lismore on Sunday, the junior hurling championship billed for Borehill, between Knockmore and Tourin, is postponed to Sunday May 23rd, 1941.

Notice of Charitable Bequests.

DECLAN KIELY and MICHAEL KIELY, both late of Crobally Lower, Old Parish, in the County of Waterford, Farmers, Deceased.

NOTICE is hereby given, pursuant to the Statute in that behalf, that the two above named deceased, who respectively died on 2nd February, 1935, and 17th November, 1940, by their joint last Will and testament dated 25th January, 1934, made the charitable bequests firstly and secondly hereinafter mentioned which were to be paid and satisfied as hereinafter stated, that is to say:—

FIRSTLY, on the death of one of them first dying (he was the said Declan Kiely):—  
To the Parish Priest and Catholic Curate respectively of the Old Parish aforesaid TWENTY-FIVE POUNDS for Masses for repose of the souls of both Testators, their parents, brothers, sisters, relatives and friends.

To the Reverend Ed. Mansfield TWENTY-FIVE POUNDS for Masses for the same intentions.  
To the Most Reverend Dr. Kinane, Lord Bishop of Waterford and Lismore, and the Parish Priest of the Old Parish aforesaid ONE HUNDRED POUNDS or such sum more or less, sufficient for the purpose, in the Lord Bishop's determination, upon trust to invest the same and cause the annual income to be applied in having One Week's Masses in each year celebrated in the Parish Church, Old Parish, for the intentions with regard to Masses hereinbefore expressed, the prayers of the Faithful to be requested at the celebration of each such Mass for the said intentions.

To the Parish Priest of the Old Parish FIFTY POUNDS in trust in his absolute discretion for the deserving poor of that Parish.  
SECONDLY, on the death of the survivor of them, who was the said Michael Kiely, the following:—  
To the Parish Priest, Old Parish aforesaid, FIFTY POUNDS for the deserving Poor of said Parish in his discretion.

To the Lord Abbot of Mount Mellary Abbey, Cappoquin, ONE HUNDRED POUNDS for Masses to be celebrated in said Abbey for the intentions with regard to Masses as hereinbefore declared.  
To the Trustees the residue to be held and applied by the Trustees in their discretion as to one-half thereof for Masses for the repose of all the souls hereinbefore mentioned, and as to the other half for the deserving Poor of the Old Parish, in the absolute discretion of the Trustees.

The survivor of the said Testators, the said Michael Kiely, by a Codicil to the said joint Will made the following additional charitable gifts:—  
To His Lordship the Most Reverend Dr. Kinane ONE HUNDRED POUNDS or such sum (more or less) sufficient for the purpose of having One Week's Masses celebrated annually in the Parish Church, Old Parish, for the intentions in Testator's said Will mentioned, and to be in all respects similar to the gifts for the same purpose hereinbefore in the joint Will contained, the Masses under this gift to be celebrated after an interval of six months from those in the prior gift.

To the Reverend Fr. McGrath, P.P., the Reverend Fr. Baldwin, C.C., and the said Reverend Ed. Mansfield, THIRTY POUNDS each for Masses for the intentions aforesaid.  
Probate of the joint Will of the said Declan Kiely and Probate of the said joint Will (with two Codicils thereto) of the said Michael Kiely were granted to Patrick Kiely of Crobally, Old Parish aforesaid, Farmer, forth of the Waterford District Probate Registry, the latter on the 25th of April, 1941, and the former on the 8th May, 1941.

Dated this 8th day of May, 1941.  
HENRY D. KEANE, Solicitor, 21, O'Connell St., Waterford.

MOOREHILL NOTES

PARISH COUNCIL MEETING.

The usual weekly meeting of the above was held at the L.D.F. Hall on Thursday night last, Mr. J. J. Roche, Chairman, presiding. Also present were—Mr. D. Cody, Hon. Sec., and the following members—J. Acres, B. Murray, J. O'Neill, W. O'Sullivan, C. Donovan, J. Baldwin, J. Ryan and J. Donovan. A discussion took place on turf cutting, and it was decided to start cutting same immediately, now that the bog has been drained and weather conditions ideal. It is hoped that enough turf will be available to supply all local applicants. Council members would consider it a favour if applications for turf would be handed in as soon as possible. Full particulars re sale of turf can be obtained from the Chairman or Hon. Sec. The parishioners of Kilwatermoy are very fortunate to have a turf bog so convenient and we sincerely hope that one and all will co-operate with the Parish Council and so make the turf cutting scheme a success.

RELIGIOUS EXAMINATION.  
On Monday last Rev. Fr. Lane, Religious Inspector, examined the children of Kilwatermoy, Knockanore and Glendine Schools. In all schools, the children showed an excellent knowledge of Religious doctrine. Great credit is due to teachers and children alike.

THE CROPS.  
Work on the land is well advanced in Moorehill, farmers are now very busy preparing for root crops. A large acreage is under wheat, but it is progressing badly, due to the very dry weather, and frosts at night. An early fall of rain is very necessary.

G.A.A.  
A very interesting game was staged at the Moorehill venue on Sunday last, ended between Tourin and Moorehill, and between a win for the visitors, who fielding out at full strength, and judging from their display, they are a team that will take some beating in the championship. Moorehill were short some of their regular players, due to several being on the injured list, but the team gave a good display. The match was a "benefit" for a player injured in a recent minor championship game, and for such a worthy cause a larger crowd would be expected, but nevertheless the attendance was fairly good. Just before the start of the game, heavy rain began to fall, it cleared up later and during the match it held fire, but the ground was very greasy and so made ball control very difficult. The game opened with a Tourin attack but an over rested, Moorehill attacked but were foiled by a good defence, on the part of their opponents. Tourin opened the score with a goal and a point in quick succession per Murray and Phelan. Off a Moorehill free the Tourin goalie, was severely tested, but cleared well. From this to half-time it was any side's game, and the short whistle found Tourin leading.

Both teams scored after resuming, and closely contested play was the order, during the last quarter Tourin forged ahead, and were worthy winners at the end.

Tourin—J. Fives, T. Fives, J. Carthy, M. Murray, J. O'Donnell, W. Griffin, M. Landers, D. Landers, J. O'Keefe, J. O'Donoghue, J. Barry, T. Barry, T. Phelan and T. Casey.

Moorehill—T. Roche, G. Mills, J. Morrison, P. Hogan, J. Ryan, J. Mills, T. Connerly, W. Kelly, M. Murray, J. Baldwin, W. Curran, J. Murray, C. Murphy, J. Donovan and W. Neville.

Mr. E. Condon, Tallow, was a capable referee.

union with his Holiness the Father of Christendom in his unceasing efforts to restore the world to sanity and prevent the further shedding of blood and loss of life.

Even in parts of our own beloved country we have had experiences of some of the frightfulness and sorrow that war brings in its wake, while all of us have felt, and are feeling, its indirect consequences. And after almost two years of conflict there is still no sign of any return to reason. On the contrary, the struggle becomes more cruel, and the gap that separates the antagonists grows wider. But the utter and complete failure of all endeavours on the purely political plane to bring the war to an end should, and does, only emphasise the greater need for spiritual and supernatural effort. Truly the Irish people on Sunday last magnificently evidenced their faith and confidence in the power of the Almighty to effect what, unaided, man has failed to do. And, in common with the faithful of other lands, the sons and daughters of Banba are redoubting their prayers daily during the present month (as desired by the Pope) to secure the ending of hostilities and the benefits of a just peace.

LOCAL HAPPENINGS

CONFIRMATION IN DUNGARVAN.

His Lordship, Most Rev. Dr. Kinane, will administer the Sacrament of Confirmation to the children of the Dungarvan Parish on Saturday morning 17th inst. The ceremonies begin with Mass at 9.30 a.m.

PRAYERS FOR PEACE.

Large numbers knelt round the confessionals in the Dungarvan and Abbeyside Churches on Saturday night, in preparation for Sunday's special prayers for peace, as requested by the Bishops of Ireland. On Sunday morning the altar rails in all churches were thronged with communicants and during the day thousands flocked to the various churches where there was Exposition of the Blessed Sacrament throughout the day. In the evening Holy Hosts devotions followed by Benediction of the Most Blessed Sacrament took place in all churches, which were again all filled to capacity. The altars in all the churches were beautifully arranged. In the outlying districts also, the same devotional exercises were performed. The pretty little Church at Ballinroad, where Exposition of the Blessed Sacrament was held was the very embodiment of what the devout congregation was praying for. Here a peaceful, restful atmosphere prevailed the sacred edifice, the altar of which was most artistic and a tribute to the ladies responsible, of which they might justly feel proud.

NUPTIALS.

In common with their legion of friends in the town and country and throughout Munster, where both are well-known and extremely popular, we extend to Mr. Anthony ("Tony") Moloney and his charming bride, hearty congratulations on their marriage which was solemnised in the Parish Church, Cahir, on Thursday, May 8th. The bridegroom is eldest son of Mr. M. Moloney and the late Mrs. Moloney, The Square and Bridge Street, Dungarvan, and the bride, Miss Philomena ("Phil") Fogarty is daughter of Mr. and Mrs. Fogarty, Caheravilliar, Golden, Co. Tipperary. The happy ceremony, was performed by Rev. Fr. English. The bride, who was given away by her father, looked charming in a coat and frock of dusky pink with brown accessories and coat revers trimmed with fur, with a spray of orchids. She was attended by her sister, Miss Maura Fogarty as bridesmaid, who wore a lime green frock with a spray of pink carnations. Mr. Kevin Moloney, B.E., brother of the bridegroom was best man. After the ceremony a large number of friends of the happy couple attended at the Cahir House Hotel, where a reception was held, after which they left for an extended honeymoon. Mr. and Mrs. Moloney received numerous, costly and serviceable presents from their wide circle of friends.

CONGRATULATIONS TO BROTHER OFFICER.

At a parade of the officers of the Dungarvan No. 1, Group A, L.D.F., congratulations were extended to Mr. A. ("Tony") Moloney, on his marriage. A similar resolution was passed by No. 3 Section of which "Tony" is the popular Assistant Leader.

BALLYMACARBERY L.D.F.

At a parade of the Ballymacarbery L.D.F. a vote of sympathy was passed to Mr. Wm. Kennedy, Group Leader, and relatives, on the death of his father, James Kennedy.

DUNGARVAN RED CROSS.

Cut out haversacks have now arrived for making up by the ladies of the Branch and may be obtained from the Hon. Secretary of the Branch at the Home Nursing Class, which will be held as usual at 8.15 p.m., in the Technical School to-night, or at the Courthouse any day during the week.

RED CROSS NOTES

MALE VOLUNTEERS REQUIRED FOR FIELD AMBULANCE UNIT.

One of the primary duties of the Red Cross Society, and a duty many of us here in Ireland have so far tended to overlook owing to the fact that we have not until recently been asked to implement it, is to act as an auxiliary to the Army Medical Service when called upon. Up to the present we here in Dungarvan have been concentrating solely on catering for the civilian population, in co-operation with the First Aid Section of the County A.R.P. Service, and naturally have thereby become imbued with the idea that it is our sole function as far as first aid is concerned. On the contrary, however, it should be clearly understood that our primary duty is to cater for military casualties if and when that service is required of us. This, of course, does not mean that if our services are required in the military sphere we have no responsibility for civilian casualties. Rather does it mean that the Society then assumes a dual responsibility (1) to act as an auxiliary to the A.M.S. (2) to adequately cater for the civilian population, which in modern warfare is as much in the front line as the fighting force.

Up to the present, as all are aware, the Irish Red Cross Society has been mainly engaged in the civilian sphere and the Dungarvan Branch, with its complement of thirty-one qualified first aid workers twenty ladies and eleven gentlemen who have been allocated duties at the A.R.P. post at the Technical School and the Dressing Station at Abbeyside—has not been behindhand at its activities. Now, however, the military authorities have requested the Society to come forward and act as an auxiliary to their medical service for the purpose of making adequate first aid provisions, on lines indicated by them for the civilian section of the army, namely the L.D.F. We trust the Dungarvan Branch will not be found wanting in this work.

The A.M.S. naturally provides for its regular army a complete system of first aid treatment and ambulance evacuation of its wounded to base hospitals. The L.D.F., however, is not happily catered for in this respect. Like the regular army it has its own stretcher bearers to render first aid on the field and bring its wounded back to an advanced collecting station, situate one-third to one mile behind the fighting line, but there the parallel ends. It has no evacuating agency equivalent to the field ambulance unit of the regular army, consequently, under the existing arrangement there is an unbridged gap between its advanced collecting post and the base hospital, a gap which, if left unbridged, may mean untimely death to many of our courageous local men. The Irish Red Cross Society has been asked to fill this gap and to provide a field ambulance unit for the L.D.F., which it has expressed itself as only too ready and willing to do. The scheme of organisation aims to provide the L.D.F. in each district with a separate ambulance unit. Accordingly we in Dungarvan are now faced with the task of providing such a unit for our L.D.F., a task we are indeed proud to undertake but unfortunately at the very outset we encounter a momentary difficulty through lack of sufficient male personnel.

This ambulance unit, which is to be entirely composed of men, we require at least forty additional volunteers and we therefore confidently appeal to the men of the town who owe allegiance to no other organisation to come forward and man this vital life-saving link. Think for a moment what the L.D.F. are doing for their country. Think for a moment the sacrifice of time and pleasure they willingly make week after week in the interests of National preparedness. Think at the end of the supreme sacrifice they

CORRESPONDENCE

OLD I.R.A. PENSIONS.

To the Editor, "Dungarvan Observer."  
Sir,—Is it too much to ask at this critical period what the Military Pensions Board is doing in regard to deserving cases before them long since from "A" Company, Waterford Brigade Area? This Kilrossanty company, formed in 1916, consisting of 12 gun men at the outset, under the captaincy (later commandant) of Patrick Keating (killed in Burgery ambush, March 21st, 1921), proved the best fighting unit in the whole brigade. There were at least 9 or 10 left of the original dozen (pioneers, surely) who figured in all major engagements during the Anglo-Irish war; yet it is but fair to state that men with shorter service and less engagements are in receipt of pensions almost six years back (good luck to them). Who is to blame? Is it the Old I.R.A. Association at home that is slow in putting genuine cases forward, or is there a hold-up at headquarters? This waiting in patience, silence and misery must end, and the sooner the better, because brave men are not to be forgotten. Thanking you for space, (Card enclosed.)  
"OLD I.R.A. MAN."

Some there are who may tend to scoff at local efforts and activities such as this, saying "There is no need for all this, this Country will not be involved in war." We all confidently hope and pray this Country will be spared the horrors of war but let us not make that hope an excuse for failure to lend a hand in the National preparedness.

DUNGARVAN URBAN COUNCIL

Mr. M. Morrissey, Chairman, presided at the weekly meeting of the Dungarvan Urban District Council.

TO TEST DEELISH MAIN.

Referring to the Council's decision to have the Deelish main tested for leakages, the Chairman said that Mr. Heaphy, who was presently engaged in cleaning the branch mains in town, was present to tell the members about this work.

The acting B.S. reported that 10,000 gallons of water was leaving Deelish every hour, and it was, therefore, going somewhere else.

Mr. Heaphy told the meeting that the main would be examined yard by yard. He then repeated the offer outlined by the acting B.S.

Chairman—The Council are of opinion that there is leakage somewhere in the main. I think Mr. Heaphy has made a very generous offer.

Mr. Byrne—He has no doubt. It would be a very good thing for the town if the defects were remedied.

WATERFORD COUNTY COUNCIL

Mr. S. J. Moynihan, Commissioner, presided at a quarterly meeting of the above, held in the Secretary's Office, on Tuesday 13th inst. Messrs. J. Bowen, B.E., County Surveyor; T. B. Boyle, Acting Secretary, and M. A. Foley, were also present.

CHIEF SURVEYOR'S REPORT.

The County Surveyor's report was as follows:— Sir,—In the past quarter the work on road maintenance was very light, and only a very small number of men were employed.

Relief grants have been expended, totalling with local contribution, £4,750, on county roads. Some useful jobs have been done, and comparatively good value for money was obtained.

The production of turf is now in our hands, to meet our own requirements, and the Public Institutions. It is also intended to produce as much as possible for other uses.

YOUGHAL COURT

(Before Mr. G. P. Farrell, D.J.)

Messrs. T. K. Keane and J. N. R. Macnamara, solrs., appeared for plaintiffs in a number of civil bill cases, in which decrees or adjournments were granted.

CONDON v. MURPHY. This was a civil bill by Michael Condon, Rousledge, against John and Helena Murphy for £10 5s. 0d. paid by plaintiff on foot of a promissory note signed by him and the late E. Ryan.

Mr. Macnamara, for plaintiff, said the difficulty in the case was whether Helena Murphy was a principal or surety. He asked for a joint decree.

Evidence having been given by plaintiff, a joint decree was granted.

Mr. J. C. Condon, rate and rent collector, had a large number of persons summoned for arrears of poor rates and of rents of cottages under the South Cork Board of Public Health.

Some of the cases had been settled out of court, and decrees were granted in the others.

Guard Melody, Killeagh, charged Stephen Hogan, Youghal, with skinning a dead horse on the public road.

Mr. Keane, for the defence, said there were a number of cases against the defendant and his brothers Michael and Patrick, and he asked that they all heard together.

Cross-examined by Mr. Keane, Guard Melody stated that the defendant said they were going to bury the horse. They were actually digging the grave.

Defendants were also charged with trespass.

Sergeant Edgic, Killeagh, stated that defendants had opened the gate of a field belonging to Mrs. Neville G'Brien at Aghavine and put animals into the field. It was only a technical breach of the Act.

Cross-examined by Mr. Keane, witness said that the gate was locked. They only removed the bolt.

Replying to the Court, witness said that there had been no actual damage done. It was merely a case of trespass.

The Justice—Where is the owner? Mr. Keane—She has made no complaint. The animal fell into a drain and his clients saw no harm in skinning it and burying the carcass.

Stephen Hogan, examined, said the horse fell in to a drain. It was a value for about £4. They got 8/- for the skin.

To the Court—They buried it on the side of the road.

Defendants were also charged with having two licensed dogs.

Guard Linnane having given evidence, the Justice asked—Have they means to pay?

Witness—I think they are pretty well able to pay. (Laughter.)

A fine of 5/- for each dog was imposed, and the other charges were dismissed with a caution.

Supt. Kelly said that the authorities complained that the number of dog licences taken out was much less than those for the corresponding period.

The Justice—Does that mean that there is a corresponding reduction in the number of dogs? In certain cases involving liability he had asked to have the charges withdrawn.

Guard Linnane—in this case defendants denied that the dogs were theirs.

Mr. Joseph Power, clerk to the Lismore Board of Fishery Conservators, applied for the forfeiture of several nets, seized illegally fishing.

John Boland, water keeper, said that on 28th April he seized a net moored at both ends.

John Conway, water keeper, said he seized three nets at Coolbagg, Clashmore. They were fixed to the bank and moored to heavy stones.

Sergeant Kennedy, Ballycotton, said that on 17th May he seized a fixed net at Ballycotton with three anchors, ropes, etc.

Orders were made for the forfeiture of all the nets seized.

In the case of Maurice Sheehan against Redmond Treacy and Patrick Fleming, Creggs, Clashmore, for malicious damage, adjourned from Ardmore Court, Mr. Macnamara appeared for plaintiff.

Defendants were each fined 1/- and ordered to pay half-and-half, £3 4s. 6d. in compensation, and £3 4s. 0d. costs and expenses.

CONGRATULATIONS are extended to the inter-county minor football team of Tipperary, who have just won the first-round championship title of the county.

Subsequently all that was left of the late Mr. Murphy was buried in the family burying ground, in the presence of relatives, friends, and a large number of the community.

Indications are not that the late Mr. Murphy was another bid for the again this year. With the object of keeping their names they are now commencing

KILMACTHOMAS NOTES

DAY OF PRAYER.

Young and old of the faithful of mid-Waterford in very large numbers received Holy Communion at the early Masses in their respective Parish Churches on Sunday last, the day set apart by the Hierarchy as a day of special atonement for sin and intercession for peace.

All the Masses the faithful were exhorting to pray for the Pope's intention—the establishment of a just and lasting peace for the souls of those who have died in the war, and for those who are suffering as a result of the war.

All the churches were crowded to overflowing for the evening devotions, when the Rosary, Benediction of the Most Blessed Sacrament the Pope's Prayer for Peace, and the Act of Reparation to the Sacred Heart were the inspiring closing ceremonies of the day of prayer.

MAY PROCESSION.

A devotional and beautiful ceremony was witnessed at Kilmacthomas on Sunday evening—the annual May procession in honor of Our Blessed Lady. The Convent Church was crowded, and the adjoining admirably laid out grounds were thronged. The Rosary was recited in the church, and the appropriate hymns were rendered by the choir during the progress of the procession. The large number of children, all in white, who joined in this great act of supplication was evidence of their eagerness to raise their voices in an appeal for peace and concord among the nations. On the return of the procession to the sacred edifice, the prescribed prayers were recited for the intentions of the Father of Christianity, and the august proceedings terminated with Solemn Benediction of the Most Blessed Sacrament, given by the Very Rev. T. Galvin, P.P., Newtown, assisted by the Rev. J. Hally, C.C., Kilmacthomas. The local Sodality of the Sacred Heart, and the Confraternity of the Immaculate Conception were present at full strength.

tourney (confined to the parish) on the league system, and the winners-out of the competition will receive a set of medals. The first-round draw resulted in the following ties—Ballybrack v Ballydurn; Newtown v Kill; Carroll's Cross, a bye.

The Senior Hurling Co. Championship first-round clash, between Clona-Power and Portlaw, will be staged at Portlaw's splendidly prepared venue on to-morrow (Sunday) evening. Granted propitious conditions climatic, a big crowd should see a truly terrific tussle for supremacy. The teams are trained to the proverbial ounce and neither will hear of defeat. May victory with the better fifteen!

Two encounters in the initial round of the West Waterford Junior Hurling Championship competition, 1941, are down for decision at Faha on to-morrow evening. Kilrossant-Pike will oppose Stradbally at 3.15 (S.T.), with Mr. M. Downey, Kilmacthomas, in charge of the whistle. At 4.30 the newly formed Faha team will try conclusions with Dungarvan, under the squireship of Mr. P. (Plus) Dalton, Kilrossant. Mr. J. Harris and his colleagues of the home club have the arena in topping trim for the tests, both of which are expected to be of a "needletic" order.

L.D.F. FLASHES. Kilrossant, Stradbally, Kill, and Portlaw groups will assemble at the well-laid-out range at Sarahan, Kilmacthomas, on to-morrow (Sunday) evening, for the purpose of rifle shooting with ball ammunition.

The officers of the Clona-Power Unit are: C/L—Mr. P. J. O'Sullivan, N.T., Asst. C/L—Mr. Declan Nagle, Adj.—Mr. Patrick Brett; Q/M—Mr. George Moore; S/Ls—Messrs. Thomas Rockett and Andrew Coghlan; Squad/Ls—Messrs. John Murray, Edmund Power, Pierce Power and Christopher Power. The Unit is being trained under the supervision of Sergeant Clarke, Kilmacthomas, who is the military training officer for the mid-Waterford area.

SUCCESSFUL DANCES. A happy-humoured hosting thoroughly enjoyed the cinderella dance held at the New Hall, Kilmacthomas, on Sunday night last. Dancing commenced at 9 p.m. and continued up to 2 a.m. to the strains of the Waterford Swing Band (at full strength and conducted by Mr. M. Griffin) Mr. Paddy Barron, Kilmacthomas, functioned as M.C. with wonted ability, and the usual catering by the Hall management left absolutely nothing to be desired.

Gaiety was the keynote of last Sunday night's dances at the Pike Hall, Leamy-brien Hall, and Baldwin's Hall, Kill, respectively, and there was a very large attendance at each of these popularly-established centres.

DEATH OF MR. M. DOWNEY. Mr. Maurice Downey, who died at his residence at Dunbrattin, Amestown, on Friday of last week, following a somewhat protracted illness and at a comparatively young age, was a widely-known and esteemed figure in the locality, where his passing evoked feelings of sincere regret, in the wake of the bier conveying the remains on Saturday evening to the Parish Church, Kill, where they were received by the Rev. M. Power, C.C., do., who recited the prayers for the dead. After the 11 o'clock Mass on Sunday (which was offered up for the eternal welfare of the deceased's soul), the burial took place in the adjoining cemetery. Father Power pronounced the final absolution at the graveside.

With the relatives of the late Mr. Downey sympathy is universal.

SYMPATHY. Much sympathy goes out to estimable Miss Hannah Dermody, District Nurse, c/o Mrs. K. O'Donoghue, Main Street, Kilmacthomas, in her recent sad bereavement occasioned by the death of her mother, Mrs. Margaret Dermody, which sad event happened at her home Crobally, in the

COAST TO COMERAGH CHIPS.

TURF-CUTTING.

Turf-cutting operations are proceeding apace in all mid-Waterford bogs, and a very large output of the precious fuel is already noticeable. Big numbers of workers are employed at the job, which is being favoured by the prevailing weather, G.A.A.

The following are asked to be in Faha on Sunday next with hurlers and togs at 2.30 p.m. (S.T.). Members of team must help to clear the field and keep order on side lines and goal circles—M. Downey (Capt.), B. M. Power, P. Butler, J. Walsh, "Buff" Walsh, N. Flynn, P. Coleman, A. Wall, D. Wall, M. Keating, Foley Bros. (2), Troy Bros. (2), N. Casey, L. McCarthy, Burke Bros. (2), P. Daly and Billy Power.

L.D.F. MEMBERS. Players, Stradbally and Kilrossant are to report at Kilmacthomas Work House grounds after matches at Faha on Sunday next.—By order, Adjutant.

MARK KNEW! When Mark Twain was editing a local weekly newspaper, an "Old Subscriber" wrote and said he had found a spider in his paper. Was this good or bad luck? Mark replied to him under "Answers to Correspondents" as follows:—

"Old Subscriber.—The finding of a spider in your copy of our paper was neither good luck nor bad. The spider was merely looking over our pages to find out what merchant was not advertising, so that it could spin its web across his door and live a free and undisturbed existence forever after."

EN-PASSANT. Kilmeehan Man.—My razor doesn't cut at all!

His Mrs.—That's funny, your whiskers, surely, aren't any more tough than the razor blade, is it, with it this afternoon?"

RECUPERATING. Mr. Thomas Francis Maher, who has been serving with the Royal Artillery since the outbreak of the war and who was wounded in action a few weeks ago, was allowed out of hospital to come to his native Kilmacthomas to recuperate and he arrived in the Mahon-vined pile on Monday. Eldest son of exceedingly well-liked Mr. J. J. Maher, licensed vintner, Main Street, "T. F." (as he is familiarly known) was for several years prior and up to his joining the British Army first jockey to the powerful Epsom trainer, Mr. W. Payne. He served his apprenticeship at Maddoxton, Parkinson's establishment at Maddoxton, riding Lodge, The Curragh, and has many riding successes to his credit at both sides of the Channel. He is keen on returning to the saddle when the war is over.

Waterford County Library Committee.

The monthly meeting of the County Waterford Libraries Committee, held in the Courthouse, Dungarvan, on Tuesday, 6th May, 1941, at 3.30 p.m. Present—Mrs. R. Goig (Chairman), Mrs. Maher, Mrs. Moloney, Messrs. M. O'Hara, M. J. McCarthy, J. F. Moloney, Sean Uí Guáirdie, Scannadach.

The minutes of the previous meeting were read and signed correct.

Arising out of the minutes a letter received from Mr. M. Foley, N.T., was read.

Mr. Foley thanked the Committee for their kind remarks, but reiterated his intention of resigning from the Committee and hoped that the Committee would see their way to accept his resignation. After some discussion it was decided to postpone the filling of the vacancy for a month.

The payment of salaries and accounts was duly sanctioned.

CONFIRMATION.

As already announced His Lordship, the Bishop of Waterford and Lismore, Most Rev. Dr. J. Kinane, D.D., will administer the Sacrament of confirmation to the children of Clonmore Parish on Ascension Thursday. His Lordship will be received at the Church gates by a Guard of Honour of the L.D.F.

EAST COEK JOTTINGS

MOUNTAIN FIRE.

On Thursday, May 16th, in the afternoon a fire was discovered that an extensive fire was raging on the Ballyvolman mountain in the Inch district, and adjacent to the young plantation on the Ballyvolman mountain. Members of the Garda from Killeagh, some members of the Inch Unit L.S.F. and many other young men from the district—a thinly populated one, were quickly on the scene, and devoted all their efforts and energy to saving the plantation which was in considerable jeopardy. The wind which, blew from the east and north-east fanned the flames, which actually reached the fringe of the young trees before being checked. Much credit is due to the Gardai, the Local Security Force and the other workers for their very valuable help. Had they failed to hold the fire in check, hundreds of pounds worth of damage would have resulted. People causing those fires incur a heavy responsibility and should be very severely dealt with if caught.

L.D.F. KILLEAGH GROUP.

Military officers from Youghal attended a parade of the Killeagh Group and Inch Section at Killeagh recently and were much impressed with the progress made locally in the training and equipment of the men, many of whom were in uniform, and most of whom carried rifles. Mr. P. J. O'Mahony, Group Leader was in charge of the parade.

L.S.F.—INCH UNIT.

The series of lectures inaugurated here some time ago are being continued weekly, there was a full attendance last Sunday, those present including Mr. S. O'Mahony, Leader; Guard Neven, etc. A further meeting will be held to-morrow, Sunday, at 10.30.

KILLEAGH PARISH COUNCIL.

As a step towards providing fuel during the present emergency the Parish Council are negotiating with every hope of success, the opening up of a turf bog in the Inch district. In order that the bog in question may be properly worked a good deal of drainage will be essential, and this will entail a very considerable financial outlay. The money question, is of course a serious difficulty, but it is hoped that a way out may be found.—Where there's a will, there's a way," and the opening up of this bog would not only help very considerably to solve the fuel question, but would also give considerable employment in the district right up to the harvest.

CARD TOURNAMENT.

A card tournament in aid of the Parish fund is about being started in the Inch district. This was to have been played off some time ago but owing to the many other calls on the people at the time it was postponed. The finals will now be played off in the course of a month or so, and as there are £6 10s. in prizes and tickets only 4s. each, the investment is a tempting one, and should appeal to everybody. Tickets may be had from Rev. P. Mortell, Adm., Killeagh, or Mr. D. O'Callaghan, Inch, Killeagh.

INCH HURLING CLUB.

The Inch team will meet Cloyne in the first round of this year's divisional championship. Neither the date or the venue has yet been fixed but no doubt the match will take place as soon as possible. Due to several causes, but principally to L.D.F. lectures and training which has been carried on at Youghal Military Barrack, on Sundays for many weeks back, it has not been possible to do much in the way of training on the hurling field, but to-morrow, Sunday, a start is being made and every player who is free should be on the playing pitch at 2 p.m. (O.T.). Several new players have registered with the club this year, and all these are expected to be in togs to-morrow. In both of the winning teams at Killeagh on May Sunday, a player from the Inch was included and both Ryan and Ahern, the players in question, acquitted themselves most creditably. The fact that different clubs picked each of them a player for these important matches is very encouraging and is a good augury for the success of the team during the season.

KILLEAGH HURLING CLUB.

In their tie for championship honours this year Killeagh and Aghada will cross camans and the resultant game should be a good one. The Killeagh team has not done much training yet, they had one match against Castlemartyr, a friendly which they won. They are capable wielders of the ash, and have a few really good players, their goal-keeper, O'Mahony, played with Mogley minors on May Sunday against Cloyne and gave a really good exhibition. They expect to overcome Aghada in the opening round but will leave nothing to chance. They are going into training right away and are about to arrange many practice matches.

IRISH RED CROSS—KILLEAGH BRANCH.

Under the auspices of the above a grand variety entertainment, which includes at least one, and possibly two plays, as well as an exceptionally high class concert will take place very soon. Rehearsals are taking place several times a week, and when it is mentioned that the services of such experienced and successful producers as Messrs. John Cotter and Eddie Clancy, late of Youghal, have been registered, and that Rev. J. Redmond, C.C. is giving a hand, the public need no further guarantee or assurance that the entertainment will be one of the very best ever given even at Killeagh, and that is saying a good deal.

SIMPLICITY IN MILK RECORDING

When a cow-owner—most probably a producer-retailer, first decided to find out exactly how much milk each of his cows gave, all the "equipment" he needed was a measure, a piece of paper and a pencil.

In present-day recording there are two main objects which may be grouped under the heads. Those which effect only the owner of the herd, and those which effect the owner and others.

Milk records which are kept for private purposes only can be of great value in finding out how good or how bad individual cows are and thereby affording reliable guidance in deciding which cows should be maintained in the herd. They also supply the only reliable basis for feeding according to yield and they supply a valuable check on the efficiency of milking.

On the other hand, private records have a very limited and variable value in transactions between cow-owners and cannot be accepted by breed societies and other public bodies for publication as the authentic milk production of pedigree or prize animals.

It follows, therefore, that where milk records are intended to play a part in the purchase and sale of stock, or in the printed records of production of pedigree animals, or in the award of prizes to individuals or to herds, some form of independent, checking and certifying of the records is essential.

Where also the average percentage of butter fat in the milk of individual cows is wanted the necessary equipment and the trained taster can be provided much more economically for a group or society of herd owners than by each owner for himself. Two other points have a direct bearing on simplicity, namely, how frequently need weighings be made to afford a reliable basis for the calculation of an annual or lactation period yield and how much of the periodic recording should be done by the herd owner of his staff.

In the Scottish system (which is broadly similar to the Continental systems) the recorder employed by the district society visits each herd in his circuit once in 14 to 28 days, usually about 21 days, weighs the milk of each cow evening and morning, makes all the necessary entries on the record sheets and book and takes and tests samples from each cow for butter fat. The herd owner has only to provide the recorder with board and lodging.

THE RECORDER AND HIS VICIS.

In the English system each herd owner must weigh the milk of each cow at least weekly (daily if he prefers) and previous to October 1, 1938, was responsible for making all entries on the sheets and books. A recorder visited each herd at approximately 6-weekly intervals, on the occasion checked the weighings, and the calculations for the weeks since his previous visit; sampling for butter fat testing was optional and the herd owner had no responsibility for the recorder's accommodation or food. Under both systems levies are payable to the Society.

Weighing daily or at weekly intervals gives a more accurate result than weighing at a wider interval (though the error at even monthly intervals need not be serious) and in this respect the English system gives the more reliable results.

Since October 1, 1939, when the general supervision of the English scheme was taken over by the Central Council of Milk Recording Societies, it has been the duty of the recorder to make all the necessary entries into the herd register, where this work has not already been done by the herd owner; weighing daily or at weekly intervals, no doubt, means more work in the cowshed, but on two occasions in recent years, when the English scheme as a whole was being reviewed, it was unanimously agreed to make no change in this respect.

HARPUR BROS. NOW PRESENT

A new dramatically type of Pram. Never before have you seen a pram, so graceful, so pleasing to the eye. WEST WATERFORD DIV. BOARD, G.A.A.

Meeting at Cappoquin.

Mr. Seamus Moloney, N.T., Chairman, presided at a meeting of the West Waterford Divisional Board G.A.A., held in the N.S. Cappoquin, on Friday night, April 9th last.

A large amount of time was devoted to discussion of business of a routine nature. In connection with the return of gate receipts the Secretary explained that the Club in charge of a championship fixture was entitled to hold one-third of the total proceeds to cover expenses.

POSTPONEMENT OF MATCHES.

The Secretary explained his reasons for postponing the junior hurling championship matches Ardmore v. Faugh-a-Ballagh and Kinsalebeg-Aglish v. Cappoquin.

Mr. E. Brady raised the question of teams receiving more than one bye and of some teams playing more matches than others owing to this year's system of grouping.

OBITUARY.

LATE MR. E. FLYNN, KILGUBINET. The death occurred at his residence Kilgubinet on Thursday last, of Mr. Edward Flynn at the age of 75 years.

LATE MISS KATHLEEN M. WALSH.

We deeply regret to announce the death of the above highly popular and esteemed young lady, which sad event took place at the Hospital, North Hampton, on Sunday last, after a brief illness.

A QUESTION OF NAME.

Kilgubinet objected to the Pike-Kilrossanty junior football team being awarded the match played at Dungarvan, on March 23rd, in the first round of the current year's championship.

VOTES OF SYMPATHY.

On the proposition of Mr. S. F. O'Donnell (Lismore), seconded by Mr. C. Curran (Clashmore), a vote of sympathy was passed to Mr. M. M. Conroy (a member of the Board) in his recent bereavement occasioned by the death of his sister.

GREEN CROSS FUND MATCHES.

The Secretary read out the receipts of the recent games in aid of the Green Cross (Prisoners' Dependents' Fund).

The Secretary read out the receipts of the recent games in aid of the Green Cross (Prisoners' Dependents' Fund).

WEST DIVISIONAL G.A.A. NOTES.

"ALL QUITE." The Board meeting on Friday evening last passed off in a most commendable spirit. Notwithstanding two objections which usually cause a little heat, the proceedings were most orderly.

WHO MEETS the "BYE."

It appears there are more than the girls anxious to meet the "bys." We heard a long discussion on the matter at the Board meeting. Rule books and coaching rules were gone into and no answer arrived at.

OUR MINORS.

The County minor footballers got through on Sunday but the selectors' job is not yet finished. They have got about ten good footballers.

OUR SENIORS.

Hard knocks were given and taken. We could have won but luckily didn't. It would be hard to improve on the selection and I think Tipperary have gone as far as they are going to go in the "McGrath Cup."

SELECTIONS.

The County selectors had a field day on Sunday when four teams were decided on. The senior and minor selectors made a fairly good job of it and seem to have included on their panels of players all the best available talent in the county.

CAPPOQUIN BIG DAY.

Sunday June 16th, next will be a big day in Cappoquin. The sports meeting, which commences at 2.30 p.m. (S.T.), will be the first of the day's events.

LATE MISS KATHLEEN M. WALSH.

We deeply regret to announce the death of the above highly popular and esteemed young lady, which sad event took place at the Hospital, North Hampton, on Sunday last, after a brief illness.

The Secretary read out the receipts of the recent games in aid of the Green Cross (Prisoners' Dependents' Fund).

L.S.F. NOTES.

At a recent meeting of the Ardmore Group, the District Staff were present and a lecture on poison gases was given.

It would be well to remind the Groups not only of Ardmore but also of every district that regular attendance at meetings is of vital importance for the efficient working of the different sections.
