DUNGARVAN URBAN RATES. Estimate for 1941-42. Mr. Michael Morrissey, T.D. (Chairman), presided at the adjourned meeting of the Dungarvan Urban Council on Monday night last.

The principal business was the striking of the rate for the service of the year 1941-1942. The Clerk submitted a statement showing the estimated expenditure, which showed an estimate of 1/11 over last year's estimate, viz. 20/9, as against 19/8 last year.

The Council then went through the various items to see where reductions could be effected, and after much discussion succeeded in reducing it by 1/11 to last year's figure of 19/8 in the £.

The figures for the various services then read:— Poor Rate, 9/6. Towns Improvement Rate, 1/11. Road Rate, 1/8. Water Rate, 2/4. Public Health, 2/9. Provision of Meals, 3d. Housing, 3d. Domestic Water, 1/-.

Mr. McCarthy raised the question of the rate of 3d. for provision of meals for necessitous school children, and said 3d. was not enough. The Clerk said that in former years this 3d. was augmented by voluntary contributions raised through carnivals, bazaars, etc.

Mr. Quann suggested that the rate be increased and so do away with this going round with the hat. Mr. Dahill—If you put on 3d., 4d. or 5d. the people would think much more of paying that than of spending 5/- a night at a carnival.

Mr. McCarthy raised the question of the rate of 3d. for provision of meals for necessitous school children, and said 3d. was not enough. The Clerk said that in former years this 3d. was augmented by voluntary contributions raised through carnivals, bazaars, etc.

Mr. McCarthy raised the question of the rate of 3d. for provision of meals for necessitous school children, and said 3d. was not enough. The Clerk said that in former years this 3d. was augmented by voluntary contributions raised through carnivals, bazaars, etc.

REVISION OF WATER RATE. The Council next dealt with the revision of water charge which will be completed at to-night's (Friday) meeting.

HURLING

LIMERICK BEAT CLARE IN FIRST ROUND. Minors Reverse Decision.

The glamour of Munster hurling was lost at Ennis on Sunday last as a result of the runaway victory of Limerick over Clare in the first round of the Munster hurling championship. The visitors, even though they were without the services of the Mackey brothers, won by 8-4 to 1-5. Gene, decision by Count Sconberg—Be Sure; Nahant by Wolf's Crag—Moll Pitcher.

The game opened rather slowly, but within five minutes Clare drew first blood as Flanagan, who pointed, Halloran from the wing did likewise, after which Roche goalied for Limerick, and Stokes also goalied with a clever overhead stroke. Power added an easy point from a free, and Butler added a goal to Limerick's swelling total. Just before half time McNamara pointed for Clare, leaving the scores: Limerick, 3-2; Clare, 0-3.

On the resumption, Limerick burst through the Clare defence and Stokes goalied after receiving from Power. This was the only stage of the match when Limerick gave a display of the skill which made them champions. Time and again they attacked and beat the Clare backs, and either scored or sent wide. McMahon and Stokes slammed into the net for Limerick's fifth and sixth goals. Clare revived and Halloran pointed, but Limerick were relentless. Again they attacked and McMahon and Stokes added two goals, one of which was disallowed. Then Clare scored their first goal per Flynn. Stokes pointed for Limerick, and Mullane, notched a point for Clare. Within five minutes of full time McMahon scored the last goal for Limerick. The closing stages of the match were uninteresting.

Limerick—J. McCarthy, P. Carroll, T. Cooke, T. Herbert, F. Kelly, M. Hickey, F. Cogan, T. Ryan, J. Cooney, M. Butler, J. Power, J. Roche, E. Chawke, P. McMahon, E. Stokes. Clare—G. Fitzgerald, J. Murphy, P. Lillis, T. Powell, J. McNamara, P. Callaghan, M. Murphy, Sean Guinane, C. Flanagan, J. Mullane, P. J. Quane, F. Flynn, M. O'Halloran, Wm. Loughman, M. Gullfoyle. Referee, W. O'Donnell, Tipperary. The minor championship match between the same counties compensated to a great extent for the senior contest. It was a fine exhibition of clean, fast and clever hurling. Excitement reached its highest pitch in the closing stages of the game when Limerick were leading by a goal, and Clare were making desperate attempts to equalize within five minutes of full time Clare secured the equaliser, and then redoubled their efforts to get in the lead. This they succeeded in doing within three minutes of full time, with a goal, and ran out winners on the score 5-3 to 4-3. Limerick were undoubtedly beaten by a better team, the back line of which was its strength.

Clare—B. Cleary, R. Frost, P. Hayes, J. McInerney, F. Carroll, V. Liddy, M. Leahy, M. Maher, J. McNamara, A. Hannan, W. McAnister, M. Minogue, C. McNamara, A. Bvnnan, M. O'Halloran. Limerick—P. Healy, Sean Carroll, J. Crotty, J. J. Kiehy, J. McInerney, F. O'Donoghue, J. O'Shea, M. Ryan, Sean Herbert, T. O'Brien, E. Neville, W. Deane, James McCarthy, S. McCarthy, D. Hartigan.

MUNSTER COUNCIL MEETING

Mr. Seamus Gardiner (Chairman) presided at a meeting of the Munster Council G.A.A., held in Limerick on Saturday. The older delegates present were Messrs. S. Murphy and J. Long (Cork); J. Leahy and P. Purcell (Tipperary); W. Gleeson and Rev. Fr. Punch (Limerick); Seamus Bourke (Clare); M. Conners and C. Ware (Waterford); M. O'Rourke (Kerry); M. L. Hough (Treasurer); Sean McCarthy (Sec.) and Mr. Sean McCarthy (Hon. President).

Referring to the difficulty of getting special trains for championship matches, Fr. Punch said the railway company was not giving the G.A.A. a fair deal. No train could be got for the championship match at Ennis, and yet special trains were arranged for race meetings at the Curleigh Mallow and Phoenix Park.

Chairman—If that is so, a great injustice is being done to the G.A.A. After a brief discussion, it was decided to communicate with the railway company on the matter. The following fixtures were made:— Senior Hurling—Tipperary v. Waterford, at Thurles or Tipperary on July 24th. Semi-final—17th August. Final—1st August. Munster Senior Football Final—Kerry v. Clare, at Limerick, on July 20th. McGrath Cup—Tipperary v. Clare, at Tipperary, on a date to be fixed. Junior Hurling and Football—Waterford v. Tipperary, at Waterford, on July 20th. Junior Hurling and Football Finals on 3rd August. Junior Football Semi-final—Limerick v. Cork or Kerry, on July 20th. Limerick v. Kerry, venue to be Limerick. It was decided that dates and venues of the minor football final and minor hurling semi-final be arranged by the secretary and chairman.

DUNGARVAN v. TALLOW

"Old Boro" Hurlers Beat Tallow in Thrilling Game.

Dungarvan, 2-10; Tallow, 2-3.

At the Gaelic Field, Lismore, on Sunday last, the Dungarvan team decisively defeated Tallow in the second round of the Waterford senior hurling Co. championship.

The game was played in a sporting spirit and before a very large crowd of spectators. The gate receipts totalled £34.

The team were led around the field by the Military Band, which rendered a selection of airs during the interval for which they were loudly applauded.

At 3.30 sharp, Mick Regan set the teams in motion to leave Barron in possession who transferred play to the Tallow end, where McCarthy cleared to centre-field.

Moylean returned the clearance and Barron snapped up to draw "first blood" for Dungarvan with a flying point from the right wing. From the puck-out Sheehan sent his forwards away and Ryan slipping through goal scored for Tallow.

From the start of the second half, Dungarvan got going and Barron missed narrowly. Lannon, Curran and Barron led another Dungarvan attack which was finished for a point by Barron.

Dungarvan have now qualified to meet Portlawn in the County semi-final at Dungarvan at a date to be fixed later.

In these days of uncertainty and doubt it is almost impossible to find an investment that will give an assured return for outlay.

The Policies of The Irish Assurance Company, Limited, provide absolute security. They are free from price fluctuations, and offer the best investment it is possible to obtain under present circumstances.

In addition, an Assurance Policy is the only investment which carries a relief from Income Tax, as a rebate is allowed on premiums paid on the life of a Policyholder or his wife.

sulted in a wide. After some lively exchanges Sheehan sent a great ball to the Dungarvan goal mouth where Mountain cleared over the line. From the side line Sheehan sent a high cut far in, where Ryan finished for a point.

From the start of the second half, Dungarvan got going and Barron missed narrowly. Lannon, Curran and Barron led another Dungarvan attack which was finished for a point by Barron.

Dungarvan have now qualified to meet Portlawn in the County semi-final at Dungarvan at a date to be fixed later.

At the Gaelic Field, Lismore, on Sunday last, the Dungarvan team decisively defeated Tallow in the second round of the Waterford senior hurling Co. championship.

Knockanore Tragedy.

A shocking tragedy occurred at Killenagh during the past week when a most respected and popular local farmer, Mr. J. Kiely lost his life as a result of being gored by a bull.

At the removal of the remains to Knockanore Parish Church and at the subsequent interment in the adjoining cemetery there was a large and representative attendance of the general public.

Kilrossanty-Pike Juniors Go Down Badly.

Kilgobinet, 4-4; Kilrossanty-Pike, 0-3.

On Sunday last at the Gaelic Field, Dungarvan, Kilgobinet junior footballers met for the third time in the first round of the current year's championship, the Kilrossanty-Pike team which they defeated by the wide margin of 13 points.

While every player on the Kilgobinet side did his bit, special mention is due to Tom Bowe, who scored 3 goals and 2 points for his side.

Kilgobinet attacked from the throw-in and had a wide. D. Flynn and Walsh returned from centre-field and following some fast exchanges in the Kilrossanty-Pike area T. Bowe scored a point.

BUS & TRAIN SERVICES FROM DUNGARVAN

Arising out of the resolution passed by the County Council relative to travel facilities from Dungarvan to Dublin, the following replies have been received by the Secretary of the County Council.

A Chara.—I am directed by the Minister for Industry and Commerce to refer to your letter of the 19th ultimo enclosing copy of a resolution passed by Mr. Commissioner Moynihan, administering the affairs of the Waterford County Council in regard to railway facilities in Waterford County area, and to say that the Great Southern Railways Company were approached in this matter and have furnished copies of their replies of the 23/5/1941 and 9th instant to your Council.

WATERFORD BUS AND RAIL FACILITIES.

With further reference to your letter of the 20th ulto, the suggestion that the 7.30 a.m. Mixed Train from Dungarvan be altered to 8 a.m., accelerated and guaranteed to connect with the 9.30 a.m. train from Waterford to Dublin, has been examined, but I am very sorry that it cannot be adopted.

In reference to the alternative suggestion that the Goods Train which at present leaves Waterford at 8.30 p.m. be re-timed to connect with the train arriving at Waterford from Dublin about 9 p.m.—the addition of carriages to the Goods train would reduce the loading capacity of the Goods train, and the conversion of ordinary Goods trains into Mixed Trains is rarely favoured by the Railway Company because of the attendant difficulties.
