WESTERN DIVISIONAL BOARD, C.A.A.

At a meeting of the above held at Egan's Hotel on Tuesday night last Mr. J. Moloney, N.T., presided. Also present were Messrs. T. A. Kyne, Secretary; J. Mason, Vice-Chairman; M. Regan and M. Foley, Co. Board Representatives; J. Alena and E. Brady, Cappoquin; C. Curran and T. O'Connell, Clashmore; P. McCarthy and J. Hackett, Seena-Cahill; M. Conery, Kinsalebeg-Aglis; T. Morrissey, Villierstown; T. Sheridan and J. Hayes, Dungarvan; D. O'Sullivan, St. Augustine's; P. Landers and M. Devine, Kilgobnet; P. Lynch, Kilrossanty-Pike; P. Moloney, Colligan; J. Griffin and Martin Curran, Brickey Rangers; P. Fitzgerald, Finisk Rovers; J. F. O'Donnell and J. Vaughan, Lismore; T. O'Brien, Aglish.

CAPPOQUIN GET MATCH.

In a match billed for Cappoquin on July 13th, Lismore failed to turn up owing to a number of their players being injured, and they notified the Secretary to that effect, adding that these men had been hurt in a recent match versus Tourin.

FIXTURES.

August 10th, at Cappoquin-Ballyduff v. Moorehill (replay), Junior Hurling. Referee, E. Brady. Winners v. Lismore on August 17th. July 27th, at Modeligo, Fourmillewater v. Cappoquin. Referee, D. O'Sullivan or W. Sheehan, Junior Hurling.

August 3rd, at Dungarvan, junior hurling-Dungarvan v. Brickey Rangers. Referee, J. Moloney.

August 24th, at Cappoquin, minor hurling, Divisional final-Dungarvan v. St. Carthages.

August 10th, at Cappoquin, minor football-Cathal Brugha v. St. Carthages. Clashmore or Ardmore v. Cappoquin, at Whitechurch, on a date to be arranged.

REFEREES' REPORTS.

The referees' reports of the following match were adopted: J.F.-Kilrossanty-Pike v. Kilgobnet, Lismore v. Tourin.

J.H.-Dungarvan v. Kilrossanty-Pike. M.F.-St. Augustine's v. Dungarvan. M.H.-Moorehill v. St. Carthages.

KILGOBNET OBJECTION.

The Kilgobnet Club objected to St. Carthages being awarded the recent junior football championship match played at Dungarvan on the grounds:-(1) That the name of David Power and Michael Flynn, which were included in the list of names received by their captain were not included on the register held by the divisional secretary, rule 10, page 37 O.G., also rule 10 page 35 O.G., 1938.

(2) That David Power, M. Flynn and Richard Fitzgerald, who played against Kilgobnet on the said date were not eligible to do so having played senior football against Erin's Own on May 12th, 1940, in Stradbally, thereby violating Rule 21, page 75, O.G., 1938.

(3) That the application of David Power, Michael Flynn and William

O'Meara for regrading to junior status was recommended by the Western Board on 13-6-41. No meeting of the Co. Board has been called since. Therefore in our opinion the above players are still seniors and were not eligible to take part in the junior football championship match versus Kilgobnet, rule 22, page 75, O.G., 1938.

Mr. T. Flynn (Stradbally) speaking on the first part of the objection said it makes no mention of any special register. It just states the name must be registered with the County Secretary. The names are registered with the county secretary.

Chairman-I'm inclined to go by our register.

Mr. T. Kyne then quoted the bye-law as follows: - All players must be registered at least twelve days before taking part in a county championship match.

Chairman-I looks strange that all the names were put on our list except two.

A delegate then volunteered to go and get the register from the county secretary and returned after a lapse of some ten minutes with it.

After some discussion the Chairman ruled that point one was in order.

With regard to point two, when Mr. R. Landers (Kilgobnet) was asked to prove those men, played in the senior championship, he handed in a list of names which he said was not the official list but a copy of the official list.

Mr. Flynn contended that the list was as useless as the paper it was written on.

Mr. M. Devine (Kilgobnet) said he saw those men play senior football in Stradbally on 12th May, 1940.

After some discussion it was decided by a majority vote that the official list be got.

At first Stradbally dissented to this procedure, but then consented.

When the Kilgobnet delegate returned with the list in his possession the Stradbally delegates still dissented and withdrew, and on the order of the Chairman they were suspended for one month and the match awarded to Kilgobnet.

Sports at Rockfield.

The Sports programme presented by the Ballinacoola Section of the L.D.F., at Rockfield, on Sunday evening last, was immensely enjoyed by the big crowd present.

Arrangements were perfect and reflects great credit on the organising committee, and especially on the hardworking, energetic Hon. Sec. (Mr. J. J. Phelan) on whose shoulders fell the most of the organising work.

In addition to officers of the 21st Batt. (who acted as judges of the various drill events) the following L.D.F. officers (District Staff) were in attendance: Mr. J. Mansfield, O.C.; Mr. M. Shalloe, Assistant O.C.; Mr. Power, O.C.; Observations and Intelligence: E. J. Keyes, Adj. and Mr. P. Crowley, District Administrative officer.

The programme embraced foot and rifle drill for L.D.F. Squads; 22 rifle shooting competition for L.D.F. and L.S.F.; tag-of-war; 100 and 220 yds. confined to members of the L.D.F. to be run in uniform; sack race, etc. Results: foot and arms drill-Cappoquin Squad 1st, Modeligo 2nd; sack race-Joe Reynolds, Knocknaskahe 1st; 220 yds.-P. With a view to securing the adoption of improved methods of marketing home-grown apples, the Minister for Agriculture has secured the registration in his name, under the Industrial and Commercial Property (Protection) Act, 1927, of an official mark under which produce that conforms to specific approved standards in regard to packing, grading and other matters may be offered for sale.

Persons or bodies engaged in the growing or marketing of apples who undertake to observe certain conditions laid down by the Minister for Agriculture and who are considered acceptable in all respects may be granted licences to use the mark for home-grown apples of the 1941 crop marketed by them.

Official labels bearing the mark will be distributed to licensees and the mark cannot be used apart from such labels. Further particulars and forms of application for licences can be obtained from the Secretary Department of Agriculture, Upper Merion Street, Dublin. Kerry Defeat Waterford.

FOOTBALL FINAL AT BUTTEVAULT.

At Buttevaunt on Sunday last Waterford and Kerry met in the final of the Munster minor football championship. Waterford playing with the aid of a slight breeze had the best of the exchanges in the first half and turned west with a lead of four points at the interval.

On resuming Waterford were defending and a very strong breeze was now blowing into the Deise goal. The Waterford back line held out well for 12 minutes, before Kerry, from some fine passing movements got through for a goal. Kerry showed fine combination and their hand passing was superb. Following some wiser exchanges Kerry were away to level the scoring with a point. Waterford made a desperate raid from the kick out, and were only held up when the Kerry goalkeeper kicked the ball inside the penalty area. A penalty to Waterford was taken by J. Harrington from the 14 yards line, but the ball went wide. For the remainder of the game Kerry took over control and piled up a big score. Final scores-Kerry, 7-5; Waterford, 2-1.

EAST CORK GAELIC DAY

Close on two thousand people were present at the Ballymacoda annual Feis and the organising committee under the guidance of their beloved President, An t-Athair D. O'Eastigheirn, C.C., have every reason to be proud of the great success which attended their efforts.

On this occasion the proceeds will be devoted to help in relieving the hardships of the necessitous poor of the parish. The whole-hearted co-operation of the local Group of L.D.F. and the hurling club is to be appreciated.

At the appointed hour the large numbers who had arrived in the village, consisting of members of the Army, C. Company, L.D.F. Groups, hurling teams, competitors and the general public, marched in procession order to the field to the strains of the splendid brass and reed bands of the 19th Army Battalion, kindly placed at the disposal of the organisers by the popular commanding officer, Comdt. J. J. Lewis.

An t-Athair D. O'Eastigheirn, C.C., opened the Feis with a spirited oration in Irish. Speaking at length he contrasted the Feis that day with another which was held in the parish twenty three years ago. Then a force of English military appeared and sought to prevent the holding of the Feis and to suppress the speaking of our National language. They failed. That display of antagonism was the means of having Irish more extensively spoken on that occasion than it would, perhaps, otherwise have been. Time marches on, to-day we have with us members of our own National Army lending all possible aid to a movement which centuries of foreign persecution failed to suppress. He appealed to all who could speak the language to do so on all possible occasions, laying special emphasis on its use in the homes. The schools and the Irish classes are doing splendid work but without close co-operation in the homes that work would be minimised to a great extent. Our native language, games, music, songs and dances we should always feel proud of, and it is our National duty to be ever vigilant and have the spirit to oppose and destroy every standardising element.

Eamonn Pleiminn, the popular and courteous Secretary of the East Cork Divisional Committee, G.A.A., next addressed the audience. Eamonn was chiefly instrumental in securing the date specially for the East Cork annual Feis, and at great personal inconvenience attended meetings of the Feis Committee and tendered very sound advice regarding organisation, which was much appreciated.

The singing, dancing and musical items rendered by pupils of the local schools, members of the Irish classes conducted by Muiris O'Foghu at Kileredan, Ballinskibole and Carrigrohilly, and other noted performers, were a pleasing feature of the programme and were followed intently by an admiring audience. R. O'Driscoll had charge of this section. T. O'Seagha contributed the music for dancing.

Michael O'Cuill's report revealed the keenness of the competitors in the juvenile section. The teachers in the Ballymacoda and Kileredan schools deserve a special word of praise for the high standard attained by the pupils presented by them. The examinations continued up to a late hour and several competitions were unavoidably postponed. Results:—Conversion tender stately (best) Sean O'Yoghla; first, Slobhax Ni Flinn, Nora Ni Sheagha (tie), second; Mairin Ni Fhogha, S. O'Eastigheirn (tie), third.

Story-telling:—Slobhax Ni Flinn, first; Pionnias MacCarthaigh, second. Dialogue:—Mairin Ni Fhogha, Mairin Ni Mhurchada.

The L.D.F. inter-group miniature rifle competition organised by Group Leader M. Shanahan with the assistance of his group officers and officers of the nineteenth Battalion proved most interesting. The prizes, a silver cup for best group and silver medal for best marksman, were presented by Ballymacoda (Group). Cloynne Group won the cup, and J. McCarthy of the same Group, the silver medal.

Both hurling matches proved most exciting throughout, in a friendly bout during which both teams gave their best in a scientific display. O'Neill Crowleys and C.S. Parnells finished with an even score. The eagerly awaited match, Cloynne v. Castlemary, proved a thriller from line-out to long whistle. Not a crucial moment. Science, speed and long driving characterized the play of both teams. Castlemary, playing with great dash, were in the lead a few minutes from the end, but the boys from Cloynne, hurling with confidence, drew ahead to win by three points thereby becoming possessors of the Feis medals.

During intervals in the course of the proceedings the Army Band under the direction of Sgt. Hennessy played some appropriate pieces which drew forth well-merited applause from the audience.

The following committee were responsible for the arrangements:—Uachtaran—An t-Athair D. O'Eastigheirn; M. O'Foghu, M.A., F. O'Lacainin, M. O'Gleasant, S. O'Eastigheirn, Y. Ponnert, T. Breatnach, P. MacGairteain; S. O'Driscoll, D. O'Eastigheirn, M. O'Dubhaig, T. Pompreit, R. O'Driscoll, S. MacCuirteain; S. Caisil, O.S., T. O'Seagha, S. O'Donoghue.

Defendant, who did not appear, was fined 7/6.

KNOCKED DOWN BY VAN.

Inspector O'Shaughnessy, acting for Supt. Walsh, charged John Foley, Kilmacshomus under the Road Traffic Act. The case was a sequel to an accident at the top of May Street on 3rd April last, whereby the defendant, when reversing the van he was driving, knocked down a young woman named Mrs. Mary Singleton, Keating St., Dungarvan.

Replying to Inspector O'Shaughnessy, Mrs. Singleton said when crossing at the top of May Street she was struck by the van and knocked down. The driver came out and said his helper should have been looking out but that he had gone with a letter.

To Mr. Farrell, who appeared for the defendant, witness said she did not see or hear the van. She had not her head down; she was looking towards the fish and chip shop. She had a can of milk in her hand, which was not spilled.

Guard Gillin said that there were no marks on the road, only where portion of the milk was spilled. He took a statement from the driver (which he then read).

To Mr. Farrell—About half the can of milk was spilled. Foley, from his observation of him when on point duty, is a very careful driver.

The Justice imposed a fine of £1 under the section of the Road Traffic Act for driving in a careless manner. He dismissed the charge of driving without a driver's licence, as the licence was expired only two days.

COLLISION AT BALLINROAD.

Inspector O'Shaughnessy charged Mr. James Holloway, Carrick-on-Suir, (1) with driving a motor lorry in a manner dangerous to the public, (2) with failing to give right-of-way to main road traffic. The same complainant charged Michael Donnelly, driver of a Dunstons Co-operative lorry with driving without a licence.

Mr. Kenny, solicitor (Messrs. E. A. Ryan and Co.) appeared for Holloway; Mr. Farrell, solicitor (Messrs. Farrell and Morris) appeared for Michael Donnelly.

Josephine Weldon, in reply to the Inspector, said she remembered the 28th June. On that day she got a drive in the lorry from Michael Donnelly. When approaching the Clones cross the lorry was travelling slowly on the right side. She saw the other lorry come from the by-road on to the main road. This lorry was travelling fast. The collision occurred about the centre of the road. The front of their lorry struck the side of the lorry that came from the by-road.

To Mr. Kenny—There is a cottage on the right hand side near the cross. Donnelly's lorry did not stop at the cottage. Their lorry hit the side of the lorry that came from the by-road.

Guard O'Dea gave evidence of measurements taken by him immediately after the

Ballinacray. Down the wood road, by the ever flowing river. Hand clasped in hand, sure we wandered on, arm; And on each side sweet warbling softly trailing. Sweet as a dream that fades, aist too soon. Trees overhead and little birds make music, Plaintive the cry of the seagulls o'er the bay. And here and there a little homestead nestling— Honey-suckle-woodbine and peaceful Ballinacray. Soft shadows fall from the branches o'er us waving. One last sad look over peaceful hill and dale. We will return when the sweet woodbine is blooming. Down the wood road in the dear land of the Gael. Drowsy and faint the sleepy birds are calling. Soft on the breeze comes a little tang of brine. As afar off the little waves make music. And all around us entrancing fair wood-bine. Now our good ship is sailing o'er the ocean. Landon ahead, and the roar of strife and fray. Waterford and Tipperary divided the Munster Championship games at Waterford on Sunday, Tipperary winning by a point in football and Waterford ending a thrilling hurling struggle a point in front.

There was plenty of excitement and good football in the first of the games and Waterford may be considered unlucky not to have got on even terms in a late rally. As it was they frittered away chances in the first-half when attacking strongly against the wind but they were well held by a strong Tipperary defence in which Bradshaw and the goalie Condon started. In the second half they attacked with vigour in an effort to reduce the leeway, but Tipperary held them off and in a couple of strong rushes were successful. Noonan, after some twenty minutes opened their account with a point and shortly after Tipperary swarmed in for the ball to be taken out of the goal, but the referee awarded the goal to Tipperary. On resuming it looked as if Tipperary would quickly get on terms, but Tipperary defended strongly. Connell gave them a goal, but Tipperary took command in a series of stern attacks that brought them a goal. Waterford attacked strongly for the remainder of the half and had a couple of points but missed chances in over-eagerness for a winning goal. They ended up a point in arrears.

The hurling was all Waterford in the first half and after a couple of goals had given Waterford a flying start they dominated the exchanges. At half time they had a comfortable margin of 2 goals 2 points to nil. On resuming, Waterford forged further ahead but a typical Tipperary rally almost took the game out of the first half as they by the barest margin that Waterford held on to their lead of a point. Tipperary were almost through in these last attacks and the defence, which had lost the services of Hayes, was given a busy time. It was a thrilling finish and Waterford just lasted out.

THE FOOTBALL.

Waterford were attacking early on, but Tipperary's custodian held them at bay. He saved a couple of dangerous attacks that looked like getting through. In a couple of raids Tipperary forwards showed nice combination and were unlucky but were kept at bay. Waterford continued to have the better of the play but failed to pierce a sound defence. After some twenty minutes Noonan gave Tipperary their first score with a neat point and a couple of dangerous rushes were stopped by Casey and Cotter. Tipperary's custodian saved a great effort by Keane and Bradshaw was the highlight in the Tipperary defence at this stage. Tipperary staged a series of raids that were well held until a free by Molloy was driven into the goalmouth. Cotter retrieved the ball and ended with a goal to the visitors and the half-time stood Tipperary 1-1 to nil.

On resuming Waterford attacked quickly, and play was not long in being when Connell sent a grand ball to the net. Bradshaw cleared smartly another Waterford attack and a free to Veale was sent in low and ended in a wide. Following a free, Maher sent in a ball to the net, and Keane was narrowly wide in a Waterford effort. Tipperary attacked strongly but Baldwin stopped at the last moment. Hetherington set his side moving for a point from Cotter and Connell reduced arrears with a stylish point. A nice run by Molloy was stopped by the backs and after a struggle the ball went over. Noonan sent a free to Molloy, who finished over the bar. Hetherington set Waterford attacking once more and Keane sent to Hickey, who sent over the bar. Waterford redoubled their efforts to get on terms and Keane initiated a strong attack that caused plenty of excitement.

THE HURLING.

Waterford opened strongly and had a couple of early goals for Foran and Ryan. Foran drove a ball all the way from centre field through the backs. The second goal came when Ryan receiving from a touch puck drove a fast shot past Walsh. Hayes was the best of a sound defence that stopped many rushes by Tipperary, as Higgins and Dawney were strong in support. Waters gave his side many changes and kept play well down. A Tipperary player received attention and on resuming Ryan sent between the uprights. Waters sent in and Ryan secured after Walsh had saved and sent over the bar. At the interval Waterford led 2-2 to nil.

On resuming, Waterford continued to press and a Flynn effort was stopped by Devine. Dawney secured the clearance and sent through for a fast goal. Tipperary launched a swift attack but Bannan sent over. On resuming, Madder drove back the delivery and Tipperary forces a 70. Cra-Block placed nicely but the shot was driven over. Hayes stopped a dangerous rush and Bannan sent over. Casey sent Tipperary attacking again but the ball was returned. acks were repulsed by Craddock, who was playing a grand game. Devine cleared from Baston and Waters sent forward when a free stopped play. Vaughan's shot was saved by Walsh. Doolley sent in a great shot which Doolley saved. Tipperary fought hard at this stage and exerted great pressure and from a free Bannan secured and flashed to the net. Rieordan sent over the bar for Waterford, but following another Tipperary free, but Doolley saved. Bannan found the net, it was a hard hurling and Tipperary pressed strongly. Bannan again sent in and Delahunty beat Doyle to the ball to tap to the net.

Tipperary lost a chance of driving the game when Bannan sent a free wide. Tipperary fought strongly in the closing stages but were held off and a free to Waterford relieved the pressure just before the end.

Final score:—Waterford, 4-4; Tipperary, 5-0.

Sheep Dipping Order, 1937

County Waterford Sheep Dipping Regulations, 1940.

WE, the Executive Committee of the Waterford County Council acting as the local authority under the Diseases of Animals Acts, at our meeting held on the 26th day of April, 1941, by virtue and in exercise of the powers vested in us under the Diseases of Animals (Ireland) Acts, 1894 to 1938, the orders made hereunder, and of every other power enabling us in this behalf, hereby order as follows:—

1. All sheep in the Administrative Area of County Waterford required to be dipped under the Sheep Dipping Order, 1937, shall be caused to be dipped by the owner or person in charge thereof at such times and at such Dipping Stations as may be specified in a Notice signed by an Inspector of the Local Authority, and served by post or otherwise on the owner or person in charge of the sheep referred to in the Notice. It shall not be a compliance with these Regulations to dip sheep at any other times or places save those as prescribed in the Notice above referred to.

2. All sheep in the Administrative Area of County Waterford shall be dipped, under the supervision of a Dipping Inspector appointed by us under the Sheep Dipping Order, 1937 twice yearly (with an interval of not less than seven or more than fourteen days) in the period between the 1st day of August and the 31st day of October, provided that in any case in which inclement weather renders dipping impossible on the date appointed, the dipping shall be carried out on the next day that the weather is suitable therefor without any further Notice being given by the Inspector.

3. A fee of one penny per sheep in respect of sheep dipped in the Comeragh and Knockmealdown Mountain Areas, and a fee of twopenny per sheep in respect of sheep dipped in the Lowland Area—shall be paid to the Inspector of the Local Authority, in all cases by the owner or person in charge at the time of the dipping of the sheep, save as provided in Article 4 (d).

4. (a) Where the Local Authority or their Veterinary Inspector concerned is satisfied that an owner or person in charge of sheep in the Area to which these Regulations apply has in his possession or under his charge a proper swim tank, the Local Authority or the District may, subject to such conditions as may be deemed fit, allow the sheep of such owner to be dipped in such swim tank on such dates within the prescribed dipping period as may be approved by the Inspector of the Local Authority, and such dipping shall be deemed to satisfy the requirements of these Regulations, provided (1) the dip used is a dip approved by the Minister for Agriculture, and (2) the dipping has been supervised by and carried out to the satisfaction of the aforesaid Inspector.

(b) Any exemption given under this Article may at any time be withdrawn by the Local Authority or their Veterinary Inspector concerned.

(c) Applications for such exemption should be addressed to the Local Authority's Veterinary Inspector for the District and must be made on or before the first day of August.

(d) Where, with the permission of the Local Authority or their Veterinary Inspector concerned, an owner uses his own tank and an approved dip, no fee shall be payable for the supervision of the dipping by an Inspector of the local Authority.

5. Dip approved by the Minister for Agriculture shall be used in all cases and except where exemption is granted under Article 4 (a), shall be supplied by the Local Authority.

6. Whenever required by an Inspector of the Local Authority, an owner or person in charge of sheep in the area to which these Regulations apply shall accompany the Inspector to the mountain or place where such sheep graze, at such time as required by the Inspector, and shall collect all the sheep off such mountain or place.

7. An owner or person in charge of sheep in the Area to which these Regulations apply shall comply with all reasonable requirements of an Inspector of the Local Authority as to the collection and penning and dipping of all sheep in his possession or under his charge, or on lands in his occupation, and shall afford all reasonable assistance and facilities that may be required for the dipping of all such sheep.

8. No sheep in the Area to which these Regulations apply shall be moved into or exposed for sale in any fair, market or saleyard in the Area between the 1st day of September and the 31st day of October unless they have been twice dipped in accordance with these regulations after the 31st July previous, and are accompanied by a Certificate of Dipping signed by an Inspector acting for the Local Authority, which Certificate shall be produced by the person in charge of the sheep on demand to any member of the Garda Síochána or an Inspector of the Minister for Agriculture or of the Local Authority, who may record on such Certificate of Dipping particulars of the sale of any such sheep at such fair or market or saleyard.

LAST SUNDAY.

Last Sunday our junior teams divided the honours. Our footballers were winners. Our hurlers were lucky. Our grumblers. Our minor down to the "Kingdom" made the pace for 40 minutes down before a great goal in as many minutes. Munster final.

AND NEXT.

Our minor hurlers are home the honours on Sunday. Selection is a good one. Justify themselves and Hurling in minor ranks. Our seniors can win if they all pull all-Ireland going is a soft together. I say have heard quite a lot of week of different players can't say if there is any talk but even if there is no man on the selection before his county and about it being absolutely inept to field out. I look forward to the County Waterford in Croke Park, in both minor and senior.

HOLIDAY TIME.

The holidays are here. Every household has its plan, in the very making of which there has been a great foretaste of enjoyment. In shop and office, factory and kitchen, the joyous hour of release is being eagerly awaited. In a few days the children will be home from school. August and the annual rush will soon be in full swing.

great deal to be said, and said often, for the quiet joys and charming scenes of our Irish coasts and countryside. Here in our own fair and fertile Deise country can be found an ideal place to suit every temperament and please every taste. What could be jollier than Tammore, more restful than the valleys of the Suir and Blackwater, more delightful than Dungarvan, Clonea, Ring, Ardmore, Stradbally, Bonmahon, Annes-town, Dunmore East, or more invigorating—for those who can climb mountains—than the Knockmealdowns and the Comeraghs?

The main thing is to get a complete change of scene and climate, and there are scores of climates in the Emerald Isle. For example, the holiday in which the housewife takes with her her housekeeping is no holiday at all. All such duties should for the nonce and as far as possible be laid on fresh shoulders. Next year's health, remember, depends largely on this year's holiday. It must be happy and restful if we are to accumulate reserves of resistance for winter months and come fit and keen to our work.

Ireland is a land that lends itself to perpetual discovery and re-discovery; its endless variety will transform any eager holiday-maker into a Columbus; it never stales.

Our minor hurlers are home the honours on Sunday. Selection is a good one. Justify themselves and Hurling in minor ranks. Our seniors can win if they all pull all-Ireland going is a soft together. I say have heard quite a lot of week of different players can't say if there is any talk but even if there is no man on the selection before his county and about it being absolutely inept to field out. I look forward to the County Waterford in Croke Park, in both minor and senior.

WEST WATERFORD DIV. G.A.A. NOTES.

By AN RUNAIDHE.

LAST SUNDAY.

Last Sunday our junior inter-county teams divided the honours with Tipperary. Our footballers were unlucky to lose but our hurlers were lucky to win so we can't grumble. Our minor footballers went down to the "Kingdom" lads but they made the pace for 40 minutes before they went down before a great Kerry dash. Five goals in as many minutes put us out of a Munster final.

AND NEXT.

Our minor hurlers are going to bring home the honours on Sunday next. The selection is a good one and they will justify themselves and the selectors. Hurling in minor ranks is on the up grade. Our seniors can win if they want to. There is a soft all-Ireland going this year if we all pull together. I say this because I have heard quite a lot of talk during the week of different players "crying off." I can't say if there is any truth in all this talk but even if there is I am confident that the selection will put himself before his county and absent himself without it being absolutely impossible for him to field out. I look forward to seeing Waterford in Croke Park in the 1941 final in both minor and senior grades.

DIVISIONAL BOARD MEETING.

"And what happened at the Board meeting?" I was asked this question the morning following. I set about telling and I found that I was not quite clear about most of the decisions. One objection was unheard, another undecided and a match claimed under unusual conditions. To round off this lot of provisional fixtures were made which may or may not come off. I hear there will be at least two appeals to the County Board following the meeting. Even the Press could not follow the different changes of the meeting which had to have two adjournments for the production of documents.

MINOR HURLING CAPTAIN.

I hear that Dungarvan minor hurlers have elected Joe Harrington as captain of the inter-county team on Sunday. Dungarvan as champion club have the selection of captain, and as Jackie Goode is unable to lead out the Waterford team, due to his illness, Joe is selected to take his place.

CAFFOQUIN v. FOURMILEWATER.

On Sunday the Gaels in the West will have some compensation for not being able to get transport to Thurles. Modeligo will have a record crowd; come and see the contenders for junior honours in action. Jamie will see to it that the Fourmilewater men will be fit and ready, while the Cornerstone boys are waiting for this struggle for weeks. Don't miss it if you can't get to Thurles. It's going to be a hard game, and neither side is favourite.

THE COUNTY HURLING FINAL VENUE.

I hear that Mount Sion have sent a letter to the Munster Council in connection with the venue selected by the Board for the County final. I will not make any remark on this beyond what one of the Dungarvan Club Committee said when I asked his views—"The County Board are the supreme body in the running of the competitions in County Waterford; provided they do not break any of the rules of the Association." That's that or is it? Sunday next may tell as it is possible that a Munster Council meeting will be held in Thurles after the matches.

THE WILD GESE AGAIN.

Clubs are losing their players in West Waterford due to our young lads failing to get a living wage at home. During the past week large numbers of Gaels have left to try and get a living away from their homes and friends. Some may have gone from a spirit of adventure but in most cases these young lads would be only too willing to remain in our country to live our simple Gaelic lives and play our Gaelic games if they could do so. I cannot understand why we have not room for all our young men and enough and plenty for all in this country. We have it but those who have most will not try to help out those who have little or none. The small pay for a fair week game is over and done with. A fair wage for a fair day would be better for everyone concerned.

VILLIERS-TOWN FIELD.

Villiers-Town Gaels are making a stand to hold the playing ditch given to the Club

COAST TO COMERAGH CHIPS.

GAELIC GARNERINGS.

Our junior hurling and football inter-county combinations almost collared the double at the city venue last Sunday. However, to have trounced Tipperary in the ashen-blade bout marks a fine feat. Sterling son of Mr. and Mrs. Jack Foley, of Portlaw, is Master Frank Foley, who has just reached his 17th birthday milestone, and who was the star turn in the Portlaw defence against Dungarvan in this year's County Waterford senior hurling championship semi-final. Clever and fast, and a sure and strong striker, he now rightly ranks amongst the most formidable half-backs in the game in the Deeties to-day. His father was a lovely exponent of the purely Celtic code; he was on our inter-county first string for a number of years, during which he filled a half-back berth always with credit and renown. And Master Foley is nephew of a one-time noted Tipperary inter-county senior hurler, in the person of Mr. James Murphy, who is now domiciled in New York City. Hence, of this plucky Portlaw hurler it might well be said that "This is his blood."

STRADBALLY v. KILROSSANTY-PIKE.

The eagerly looked forward to senior football clash between Stradbally (County Champions, 1940) and Kilrossanty-Pike—in aid of the Weldon Memorial Fund—takes place at Leamybrien (in a fine field kindly lent by Mr. Tennyson Boyle) on tomorrow (Sunday) evening, starting at 8 o'clock, with Mr. P. J. O'Sullivan, N.T., Clonsilla-Power, in charge of the whistle, assisted by umpires drawn from the Clonsilla-Power Club. The respective fixtures are familiar to our readers; they are set on giving of their very best, so that the mix will be worth travelling a long way to witness. Bonmahon Fife and Drum Band (under the baton of and Drum Band (under the baton of gallant veteran Gael Lar Weldon) is booked to attend—to "music" the major mixers of the day on the mid-mould mark. Peeltess Paddy McGrath and Co., of Leamybrien, will have the arena in apple pie order, and the energetic promoting body confidently anticipate a record attendance. Here's honestly hoping that Mr. Weatherman will be in his most propitious mood and that the occasion will pan out an unforgettably happy one in its every phase for winners and losers and on-lookers, alike! Be there with the rest!

WELDON MEMORIAL FUND.

The final list of subscribers to the above will be published after August 15th next. It is intended to have the monument erected by the end of the coming month, and to hold a Fête in conjunction with the unveiling ceremony.

PILLAR-BOX INVADED.

On opening the pillar-box at Leamybrien one evening this week, Thomas McCarthy, postman, Kilmacothomas, discovered a swarm of bees in occupation. With the assistance of two of the local Gardai, the "invaders" were ejected and the letters left in the box secured by the postman.

Unless the youths have their games and playing pitches they will not remain on the land. The Western Board are I am glad to see taking up the case on behalf of the Villiers-Town Club. The public should show they are behind the Club in their stand to retain their ground.

LOCAL HAPPENINGS

RURAL WEEK ABANDONED.

It is announced that the 1941 Rural Week, which was arranged to be held in Tipperary next month, has been abandoned in order to avoid any risk of spreading foot and mouth disease and in view of other special difficulties which exist this year.

POSTMASTER TRANSFERRED.

Mr. Sean Cannon, the popular and efficient Postmaster at Dungarvan during the past 34 years left on Monday last to take up a similar post near his native County. He is transferred to Ballinrobe, County Mayo. During his term in Dungarvan, Mr. Cannon was extremely popular with all sections of the community. A sterling Irishman, Mr. Cannon gave much of his time, from the inception of the L.D.F. Force in the training of a special signalling section whose recognised efficiency is a great tribute to him. Before his departure from Dungarvan he was the recipient of a handsome presentation from the Post Office staff here. We join with their many friends in wishing Mr. and Mrs. Cannon health and happiness in their new home.

DEATH OF MRS. CATHERINE FRANKLIN.

The death occurred on Saturday last, July 19th, of Mrs. Katherine Franklin, Loughmore, Dungarvan. The deceased lady who reached a fine old age, reared a large and respected family to whom deep sympathy is now extended in their bereavement. There was a large and representative cortege at the removal of the remains to the Parish Church, Dungarvan, on Sunday evening where they were received by Rev. T. B. Walsh, C.C., who recited the prayers for the dead. On Monday the burial took place in the adjoining cemetery in the presence of another large gathering of mourners and friends. Rev. R. Keane read the burial service.—R.I.P.

RELIGIOUS PROFESSIONS.

At the Good Shepherd Convent, Limerick, on July 12th, the profession took place of Miss Mary Hickey (Sister Mary St. Rock) and on the same date her sister, Miss Bridget Hickey (Sister Mary Collette) made her final vows. Both ladies are daughters of Mrs. Bridget and the late Mr. John Hickey, Barretre. The ceremony was performed by the Most Rev. Dr. Keane, Bishop of Limerick. Mrs. Hickey and many relatives of the newly professed nuns attended the happy ceremonies.

GOLF NEWS.

Scotch Foursome played on Sunday last ended in a tie between Supt. M. Walsh (Captain) and N. C. Egan (5) and M. Fitzgerald and D. Pielan (14), the score being 2 up. The Lady Captain's Prize (Miss C. Flynn) will be played on Sunday next 27th inst. On Sunday, August 3rd, there will be an Open Mixed Foursome and Social to follow.

LICENSING OF BULLS.

A notice appearing in our advertising columns to-day removes any doubt that may have arisen regarding the suspension of the licensing of bulls under the Live Stock Breeding Act. The Act is still in force and applications for licences for bulls cauled in the period, 1st July to 31st December, 1940 (both dates inclusive) should be lodged with the Department of Agriculture before the 31st July, 1941. Applicants lodged after that date are subject to extra fees. Forms of application for licences are obtainable at all Post Offices and Garda Stations or from the Department.

HIGHLY SUCCESSFUL LECTURE ON FOOD PRODUCTION.

The large commerce room at the Technical School, Dungarvan, was packed to capacity on Wednesday night last, 23rd inst., when a total of 115 ladies from the town, the village, and the surrounding district attended to hear a special lecture given by Miss E. Flynn, Domestic Economy Instructress, on food conservation for the coming winter, and on the use of substitutes for wheaten flour. Samples were distributed of various food items, such as oatcakes, potato bread, preserved fruit, jams, and vegetables, and many recipes were noted down by the audience for future reference. At the conclusion of the proceedings, after many copies of the special free leaflet containing a summary of those present, when leaving the premises, warmly expressed their individual appreciation of Miss Flynn's very useful and interesting lecture.

A series of similar lectures have also been carried out by the Domestic Economy Vocational Education Committee throughout the county. This was in reply to a special appeal by the Department for instruction to be given to the public on such an urgent matter as the conservation of supplies, and the use of substitutes for foodstuffs, etc., as would not be available. We learn that this series of lectures has been a pronounced success.

DEATH IN EXILE.

Deep sympathy is extended to Mrs. Richard Goode, Main St., Dungarvan, on the death of her sister, which occurred in San Francisco, on June 7th last. The deceased lady was daughter of the late Declan and Mary French, and before emigrating to the U.S.A., resided in Mary St., Dungarvan. Her death at an early age will be deeply regretted by her many friends in these parts, with whom we join in tendering our sympathy to her family, her brother, sisters and her nephews Messrs. Jas. Declan, Richard and Jackie Goode and her niece Mrs. P. Quarry Kilrush.

In connection with the above a parade of competitors will take place from the Square to the Carnival grounds, on Sunday next, at 2.30 p.m. Competitors will please assemble at the Square at 2.15 p.m.

HOMING PIGEON.

A pigeon with silver ring on one leg bearing the markings 41-154 I.N.G., alighted on the residence of Mr. Pat McGrath, Drumslig, Grange, Youghal last week. Mrs. McGrath would like to hear from the owner with a view to returning the bird.

BEEF GROWERS MEET MINISTER.

Representatives of the Beef Growers' Association met the Minister for Agriculture, on the 22nd inst., and discussed the prices announced for this year's grain crops. It was pointed out to the Minister that the prices offered were not sufficient to encourage production in 1942 commensurate with the requirements of the country. The prices of oats, wheat, and barley, were discussed in detail, and various suggestions were made which the Minister promised to consider. Fuel for harvesting, threshing, and haulage, was also discussed. It was learned that the supply of binder twine was sufficient for the current season. The Minister held out the hope that the Cork Port would be opened at an early date for the shipment of fat steaks for immediate slaughter, on the other side. He also pointed out that the quota of fat cattle to be shipped remained the same, i.e. 2,500 per week. There is no likelihood, however, that this quota will be increased. There is no restriction on the quantity of dressed meat that may be exported. The artificial manure situation was discussed, and it was stressed by the Minister that no supplies whenever and wherever they could be obtained. The B.G.A. was represented by the following:—Mr. Wm. Mullins (Chairman); Senator Wm. O'Callaghan (Mallow Area); Mr. John Seymour (Thurles Area); Mr. John Donohoe (Carrow Area); Mr. James Hartney (Tuam Area); A. M. Fife, Secretary.

BALLYMACARREBY SPORTS.

The above fixture on Sunday last proved a great success. A very large attendance enjoyed a great day's sport. The nine-a-side football tournament was won out by Stradbally. Four teams competed. Stradbally defeated Clonsilla (Co. Tipperary) in the first round and Woodriff (Co. Tipp.) beat the Nire. Stradbally defeated Woodriff easily in the final. N. Connors played a major part in the Stradbally victory. The winners received a valuable set of medals. The local dance hall was packed on Sunday night when the usual dance was held.

PIKE HALL DANCE.

Another popular dance will be held in the Pike Hall on Sunday night next, 8-2. All arrangements in the hands of a capable committee will see the usual dance on Sunday night next at 19.45 hours. The usual weekly parade of the Group will take place in the Garda Barracks on Wednesday evening next, 30th inst., at 20.30 hours, all ranks are requested to attend.—(advt.)

NOTICE.

Members of the L.D.F. who intend to leave their Group areas, are notified that they must return all equipment to their Group Q.M. Failure to do so may result in their being prevented from leaving the area.—(advt.)

WEDDING BELLS.

A very pretty wedding was solemnised in the Parish Church, Dungarvan, on Sunday morning last by Very Rev. T. Canon O'Brien, P.P., V.F. The contracting parties were Mr. James Waters, son of Mrs. and the late Mr. Waters, and Mary (May) McCarthy, daughter of Mr. P.K. and Mrs. McCarthy, Lower Main Street, Dungarvan. Mr. Thomas Waters, brother of the bridegroom, was best man and the bride was attended by her sister, Miss Margaret (Pearl) McCarthy. Included amongst the many friends of the happy couple who attended the ceremony were several members of the Dungarvan hurling and football clubs of which the groom is a valued and active member, playing in the full-back berth in senior hurling and full-forward in football. Both the bride and bridegroom were the recipients of numerous and costly presents. We wish them both many years of happiness.

TALLOW NOTES

DEATH MR. W. McDONNELL.

We regret to announce the death of Mr. W. McDonnell, which sad event took place rather unexpectedly on last Sunday evening at his residence, Janeville, Tallow, to the inexpressible grief of his widow and children. Deceased farmed extensively and successfully until very recently at Curraheen, when he went to reside at a newly acquired farm at Janeville, where his progressive methods were soon in evidence by the appearance of the growing crops. For a long number of years he ceased was a member of the Liamore Rural Council, where he exercised his rural judgement, at all times, but particularly in the interests of the farming community when their interests were concerned. To his widow and children, the deepest sympathy of their many relatives and friends is extended. The remains of deceased were laid out in the Church of the Immaculate Conception, on Sunday evening, accompanied by one of the largest and most representative concourses of mourners and sympathisers, clearly indicating

the popularity of deceased and the sorrow felt at his passing. Requiem High Mass for the repose of his soul, was offered up on Wednesday and interment followed.

LECTURES.

Under the auspices of the Irish Red Cross Society a series of lectures on Home Nursing are to be given over a period of six weeks, beginning on Wednesday of this week. The lectures are being given at the Carnegie Free Library.

FORTNIGHTLY PIG MARKET.

The supply of fat pigs at Thursday's market fell far short of the usual numbers, and the prices paid were by no means remunerative to producers.

LOCAL MARKET PRICES.

The following are the prices which ruled at last week's market: farmers' butter, 1s. per lb.; creamery 1s. 7d. per lb.; eggs, 1s. 9d. per dozen; old fowl, 1s. 1d. per lb.; chickens, 1s. 6d. per lb.; potatoes, old, 1s. 3d. per st.; new, 2s. per st.; rhubarb, 6d. per dozen; onions 6d. to 10d. per lb.; shallots, 6d. per lb.; cabbage, 1d. to 2d. per head.

YOUGHAL URBAN COUNCIL

Present: Messrs. M. D. Broderick, chairman; P. J. O'Gorman, P.C.; E. P. Lynch, J. Daly, B.E.; R. Savage, P.C.; W. J. Broderick, T.D.

POTATOES. Some discussion took place on the digging and exporting of the main crop of potatoes before maturity in the neighbourhood. It being pointed out that it might lead to very serious consequences in the near future.

Mr. Lynch said the people had a right to sell their potatoes if they liked.

The Chairman said that might be well enough in ordinary times, but in a time of national emergency the ordinary citizen could not be allowed to do as he liked.

In this connection Mr. Daly handed in a copy of a letter received by Mr. P. J. Little, T.D., from the Minister of Agriculture regarding the question of the export of seed potatoes by the Gurtroe Agricultural Society. He (Mr. Little) regretted that there appeared to be no possibility of securing permission for the Society to export seed potatoes to your minute of the 21st. re an application made by the Gurtroe Agricultural Society, Ltd., Youghal, for a licence to export early potatoes to Great Britain.

The quarterly meeting of above was held in Egan's Hotel on Saturday, 19th inst. Mr. T. Walsh presided, and the following were present: Dr. T. J. O'Connell, General Secretary of the I.N.T.O.; county committee members—Messrs. T. Cashman, M. Creagh, F. O'Leary, T. Lineen, J. Murphy; branch members—Messrs. S. Connery, M. Brennock, T. O'Faolain, D. Cullen, T. Cashin, P. Foley, S. Delaney, L. Whelan, W. Cullinan (sec.), Mrs. Walsh, Mrs. Connery, Mrs. Cashin, Mrs. O'Leary, Mrs. Condon, Mrs. Browne, Mrs. Hayes, Misses E. Murphy, M. Walsh, N. Whelan, Gough, Tobin, K. Brennock, N. Fitzgerald, M. Fitzgerald.

The minutes were signed and correspondence read and dealt with. A claim from the illness fund, paid to the secretary, was acknowledged. A claim from Mrs. T. J. Walsh, Coolnasmea, was examined by the claims committee and passed. Miss O. O'Connell was admitted a member of the branch. An E2 subscription to the Bob Weldon memorial was agreed to. The financial report was adopted and was considered very satisfactory. The necessity of paying subscriptions to the secretary on or before August 1st was stressed. Members who have allowed themselves to become lapsed are earnestly requested to become interested to pay all arrears immediately.

Dr. T. J. O'Connell was welcomed to the branch meeting by the Chairman. The General Secretary of the organisation invited questions on any and every subject of interest to teachers. The invitation was accepted, and the following points were discussed in detail—(1) Unassociated; (2) Teachers Union Bill; (3) heating and cleaning of schools; (4) proposed conference with inspectors; (5) primary conference; (6) service quarters and panel; (7) Killeen case.

A vote of thanks to the General Secretary for his painstaking explanation of all matters raised was proposed by Mr. S. Connery and seconded by the Chairman.

It was the unanimous feeling of the branch that the C.E.C., on behalf of the associated teachers of Ireland, mark the occasion of Dr. O'Connell's silver jubilee as general secretary in some suitable manner. Dr. O'Connell replied to the vote of thanks, and expressed his satisfaction at being present.

This concluded the meeting, and a considerable number of those present remained to lunch.

POTATO BLIGHT. The present unsettled weather conditions favour the spread of potato blight. Reports of its occurrence have been received from a number of districts, and all growers are urged to spray at once if they have not already done so.

KEROSENE FOR FERRYBOAT. The Clerk said he had written the Department of Supplies regarding a supply of kerosene for the ferryboat, and had received a reply that owing to the limited supply available it was impossible to give any.

The Chairman said it was a public highway—an essential service. Mr. Daly said it was more essential than the bus service where there was an alternative rail service.

VACCINATION. A letter was read from the Local Government Department re vaccination defaulters, which there were 23.

The Clerk said that there were only five remaining, and it was decided to notify them.

LOUD SPEAKERS. Complaints were received from visitors and residents regarding the noise of local speakers on the Strand. There were 20 of them, each trying to shout down the other. (Laughter.) One had since ceased.

The Clerk said that this music was a public offence and could be stopped. It was decided to take the necessary steps to have the complaint remedied.

The Chairman said he had received several complaints on the subject.

NEW MILK REGULATIONS. The Clerk proceeded to read a new list of milk regulations.

Mr. O'Gorman—We have enough of them. Get on with the business. Mr. Lynch insisted that the Clerk read them.

The Clerk then read them. Mr. Lynch said the trouble with those and other regulations was that some persons were compelled to comply at considerable expense while others were allowed to go free. He proposed that they take no notice of them.

Dungarvan Branch I.N.T.O. TECHNICAL LECTURES AT YOUGHAL.

On Wednesday, July 9th and Friday July 11th, Miss M. M. Shorten, D.Sc., gave the concluding lectures of the advertised course. On both occasions the attendance was very large. The subject matter on Wednesday evening was the preservation of fruit and vegetables. Both are very valuable items of food and should be used regularly. Besides containing nourishment they purify the blood and keep the body in a healthy condition.

Certain vegetables are plentiful only for a short time each year but good housekeepers can ensure a regular supply by preserving surplus vegetables when in season. There are three methods of preserving—1—pickling, 2—bottling and 3—drying.

Here are some of the items given by Miss Shorten. Pickled Onions: Required, some small round onions, 1 teaspoon of salt, 1 cup of sugar, 1 tablespoon allspice, and 1 quart white vinegar. Sprinkle the peeled onions with salt and allow to stand overnight. Rinse well next day. Boil whole ingredients for five minutes, then add onions and boil. Pack onions into wide-necked jars when cold and pour spiced vinegar over them. Seal with mutton fat.

Green Tomato Chutney: Required, 2 lbs. unripe tomatoes, 3 pints of vinegar, 2 lbs. cooking apples, 2 lbs. onions, 1 lb. raisins, 1 lb. brown sugar, 1 1/2 oz. mustard seeds, 2 oz. lump sugar, 3 or 4 teaspoonfuls of salt and 1/2 lb. mutton fat. Stalk and wipe the tomatoes and cut them in slices. Put them into a pan with about half the vinegar and cook them until tender, then rub them through a sieve. Wash, stone, and mince the raisins. Peel and quarter the apples and remove the cores and seeds from the fruit. Put all the prepared ingredients into a pan. Add the mustard seeds, vinegar, sugar, and mutton fat and tie up also. Add them to the pan. Season the chutney with salt and cayenne and bring to the boil. Then boil it gently for half an hour or until it is of good consistency.

Green Toppings: Collect as many mushrooms as possible. Remove stalks and cover with salt. Leave for a few days stirring occasionally, then pack into jam tins, leaving flavoured in muslin bag and putting one into each jar. Cover, stand in a saucepan of boiling water and allow to simmer for 2 or 3 hours. Strain and put into air-tight bottles. Flavoured using allspice, peppercorns and cloves.

Dried Herbs: Parsley—Wash a large bunch of parsley, shake well and place in a hot oven or in boiling water for two minutes. This preserves the colour. Leave in a warm, dry place to dry. Crush with a rolling pin or between the palms of the hands. Bottle and celery may be dried in the same way.

FRUIT. There are three methods of preserving fruit, viz.—1, Jam-making; 2, Jelly-making; 3, Bottling. Such articles as rhubarb, blackberries, gooseberries, crab-apples, blackcurrants, etc., can be preserved very simply for instance. Blackberry Jam: Required, 12 lb. blackberries, 2 cooking apples, and 12 to 14 oz. of sugar.

Cook the apples with very little water to thick pulp. Put the blackberries into a grasse pan. Stir until the juice begins to ooze. Then add heated sugar. When sugar is melted, add apple pulp. Boil quickly until a little will set when tested on a cold plate. Put into warm, dry jars and seal.

Crab Apple Jelly: Wash the apples. Cover with cold water and boil to a pulp. Strain through a clean flour bag and allow to drip overnight. Measure juice and allow 1 lb. sugar to each pint of juice. Flavour with cloves and cinnamon. Boil the juice. Add the heated sugar and flavoured. Boil quickly, removing scum. When a little sets on a plate pour into warm jars. Cover immediately.

Dealing with the conservation of fuel. Miss Shorten displayed how a four course dinner could be prepared in one pot on an ordinary fire, in the one operation.

WATERFORD COUNTY COUNCIL QUARTERLY MEETING.

At a meeting of the above, held in the Secretary's Office, Dungarvan, Mr. S. J. Moynihan, Commissioner, presided. The officials were:—Messrs. J. Bowen, B.E., Co. Surveyor; J. H. O'Sullivan, Secretary; and M. A. Foley.

CO. SURVEYOR'S REPORT. The County Surveyor's report was read as follows:—

The roads of the county have been generally for the past quarter. On main roads the usual darning and leveling has been done. Side piecing has been done on a few miles of road, and a considerable improvement has been effected. Some corners have been improved on the Clonmel-Youghal trunk road. It is intended to carry out some further works of this nature if circumstances permit, after the turf drives are over.

County roads have had the usual summer repairs. Sections rolled with the aid of relief grants last winter have now been tarred, and form a good useful work. No notification has been received this year as to the 40% maintenance grant for main roads. It would be well to have an assurance from the Minister for Local Government and Public Health that this grant will be forthcoming, as our road finances and expenditure have been based on the assumption that this grant will be paid as usual.

The Improvement Grant for last year was not allocated to us, and no work was carried out. No summer relief grants have been made in the current year. The annual cleaning of the Brickey Drainage Scheme is in progress. The money allowed for this work is small, and it is not possible to do as much work as could be desired. The repayment of capital charges will be completed this year, and I suggest that an increased amount should in future be levied for maintenance.

There are several streets in Dunmore East which are not repairable by the Council. These streets are of considerable local importance and should be taken over where possible by us, and properly maintained. There are several streets of similar condition. The principal work of the past quarter was the development of turf production. We are in occupation of six turf bogs, of which four are high up in the mountains.

The work has progressed as well as could be expected under the circumstances prevailing here. The quantity cut to date would represent some 9,000 to 10,000 tons of dry turf. The cost to date is £5,942 15s. Work on roads leading to bogs is now in progress under grants. The number of men employed is 480. The work is well advanced. The transport of the dried turf and arrangements to be put in hands early by the Institutions receiving the turf.

With regard to the maintenance grant, Mr. Bowen said it would be a very serious matter if the money was not forthcoming.

TURF CUTTING. Mr. Moynihan said the report of the County Surveyor re the great progress in the cutting and saving of turf, reflected great credit on him and his staff. This initial outlay shows that turf can be won by a local body if properly organised.

Mr. Bowen said he regarded the production of turf quite an important project at the present time. They could produce it with their own labour and machinery, petrol being the only imported commodity. The whole work has given a vast amount of employment, up to forty or fifty thousand men. If a factory was set up, it would be considered a great boon to the county when it would give employment to about 100 men. A factory couldn't be compared with this useful work that gives employment and produces fuel for the people. Next year they intended to do increased work and if anybody knew any likely place for getting turf in a reasonable position they should get in touch with him. He was still prepared to go on examining with a view to getting more turf. Concluding Mr. Bowen said that they would now employ their own people instead of the foreigner.

The Chairman added that the fact that they could produce turf this year was a good augury for the future. When this scheme is well under way it will be a great achievement, saving the nation a great amount of expense, and putting thousands of people into useful employment. In answer to a plea by the Chairman to continue cutting turf, Mr. Bowen retorted that in that respect, unless there was a change in the weather he was afraid the work would have to cease on the place of high elevation. At such a height, fog, frost and rain, which came from now on would be disastrous to their work. They have to be very careful from now on, on the high levels. To continue at the high level would be courting disaster.

Mr. Bowen remarked that at present he was investigating the possibility of cutting turf earlier in the year, and half saving it and then completely saving it in early summer. Their output could then be doubled if this scheme was a success and they would have turf as early as May.

A letter from the Parliamentary Secretary to the Department of Finance asked that turf be cut until the 9th August and added that owing to the considerable risk that would be involved in saving turf

An Old Ballad.

THE DUNGOURNEY HURLING BOYS.

Come all ye jolly people, I hope ye will draw near. And just a few short verses I mean to tell you here. Its about a gallant hurling team I am now going to compose. They belong to old Dungourney where the blooming shamrock grows.

And now kind friends a few brief lines is all I can give you. For if I gave you full details I never would get through. They were Cork County Champions in that little Isle of Green. When beyond in Carrigrohilly they beat the Redmond team.

It was in the town of Tipperary when all was bright and fair. They beat the boys from Tulla who came from County Clare. And then a short time after the Kerry boys did meet. They once more came home victorious from a town they call Millstreet.

It was in the month of October, and the weather it was dry. They marched down to Tipperary, their fortune for to try. It was there again they won the day and very well 'tis known. That they beat the brave Young Irishers who came from Garryowen.

They rested for a little while until the coming spring. And on again to Tipperary town good tidings for to bring. To meet the boys from Dublin but it ended in a draw. And just in two weeks after Dungourney gave them law.

When they beat the London-Irish they played with right good will. For while they scored in goals and points the Lonsers got nil. Then they met the boys from Galway, what we did them betide. The day they beat them hollow down by the Shannon side.

When the next match it was played men went in bikes and cars. It was down in Riverstown where they beat the famous "Barrs." And when they won another we cheered them o'er and o'er. When they beat the boys from Galway on the road to Templemore.

There was Captain Kelleher and Ronayne and Desmond so true. The brothers Daly and O'Brien I cannot well subdue. Ahern, Lynch and Hennessy with lads all around. Not forgetting Paddy Healy, his equal can't be found.

THE END.

WE CAN CLEARLY UNDERSTAND

that the present season has not been one of profit for the average farmer. As we believe that the life of the country depends on the prosperity of the farmer, we intend to make a very strenuous effort to meet him half way. For that reason alone, we have decided to cut down our profits to the lowest possible margin. We still have pre-war stocks of Agricultural Machinery of almost every variety. We still have huge stocks of everything a farmer requires and we hope to have early next week a very large consignment of Blue Jay Binder and which we consider the best Binder Twine in the world. As long as our present stocks hold we will offer this at the lowest price possible. Offering at a price considerably under to-day's value. No matter what you want inquire our price before purchasing.—HARPUR BROS. WATERFORD.

after the 19th July, any loss incurred would be recouped.

INFIRMARY. The outgoing Infirmary Board members were re-appointed.

OVERDRAFT. The following resolution was adopted:—That the treasurer of the Co. Council of Waterford (Munster and Leinster Bank Limited) be requested to extend to the 31st December, 1941, the present overdraft limited to £80,000 subject to sanction of the Minister for Local Government and Public Health.

CINEMATOGRAF LICENSE. The request of Harold Moane, for a Cinematograph license was granted.

Mr. Bowen said there was no use in inspecting his building as he had to knock it twice a week and build it up again.

UNIVERSITY SCHOLARSHIPS. The report from University College, Cork, on holders of six Co. Council Scholarships was read. The recommendation of 5 for renewal was approved.

The Secretary was directed to write to the other for an explanation.

TALLOW COURT

(Before Mr. G. P. Farrell, D.J.)

MILK CASE. Guard F. Rice, Tallow, charged Patrick O'Flynn, Condon Street, with selling milk 15 per cent. deficient in fat.

Formal evidence having been given, complainant said that defendant was a farmer. He used sell 4 or 5 gallons a day. The sample was taken on his premises. He had eight cows. There was no previous conviction.

Defendant was fined 5/- and 15/2 costs.

NO LIGHTS. Guard J. Kehoe, Tallow, charged Thomas McCarthy, West Street, with cycling without a light. He was fined 3/6.

John McCarthy, Kilmore, was fined a like sum for the same offence.

At the suit of the same complainant, Jas. Crowley was fined 3/6 for a like offence, and John Tobin, Tallow Hill, 3/6 and 1/6 for having no reflector.

INSURANCE PROSECUTION. The Minister for Local Government charged Thomas Leahy, Ballybride, in two cases, with not stamping insurance cards.

Mr. E. Carroll, solicitor, Permoy, said that the cases had been mentioned at Lismore Court. The defendant had met all the liability except in the matter of one broken week, which was in dispute. Mr. Casey, State Solicitor, left the matter in his Worship's hands. The total amount involved was 19/6 with 8/- costs.

Defendant was fined 10/- in one and 4/6 in the other, costs included.

ASSAULT. John O'Brien, Chapel Street, charged Elizabeth Hurley, Ballybride, in two cases, with not stamping insurance cards.

Mr. E. Carroll, solicitor for plaintiff, and Mr. T. Hurley, solicitor, Middleton, for defendant.

Mr. Carroll said there had been some trouble and litigation between the parties, and not content with a legal arrangement came to the lady persisted in annoying and abusing his client. On one occasion she attacked an agent of the defendant. The danger was that defendant might lose his temper and strike her. He (Mr. Carroll) suggested that she should be put under a rule of bail.

John O'Brien stated that while overhauling a motor car on 20th June defendant came alone, abused him, called him a "hangman," and struck him in the face. On Easter Sunday she also attacked him.

Mr. Carroll here handed in legal documents in connection with the settlement of the dispute.

The Justice—Have the terms of those been carried out? Mr. Carroll said they had, up to a certain point.

Cross-examined by Mr. Hutch—You know she has good reason for her complaint against you?—She has no reason to hit me. Mr. Hutch said the matter had been settled previously by letter between Mr. Carroll and himself.

Mr. Hutch said there was one point still unsettled. The Justice said that was a matter for further legal proceedings; she can't come along and use physical force.

Mr. Hutch—She will give an undertaking not to attack him again. Mr. Carroll said he had there a sheaf of scurrilous and threatening postcards and letters received by his client from the defendant.

The Justice—What do you want me to do? Mr. Carroll—She ought to be bound to the peace. Elizabeth Hurley, the defendant, said she went to O'Brien's on 20th June and asked him to do something about the matter in dispute. He pushed her away and she struck him a slight blow on the face. He had wronged her grievously.

Replying to the Court, defendant said that she had received £100 under the settlement and there was still £120 due to her. Mr. Carroll said there had been three assaults recently.

The Justice (to defendant)—The matter is in your solicitor's hands and you ought to be guided by him. I am not anxious to bind you to the peace, but I fear I must. Sergeant O'Shea and Guard Rice having given evidence. Defendant was bound to the peace in her own recognisance in the sum of £5, the Justice remarking that that didn't affect any proceedings she might wish to take.

LICENCES. A number of local victuaries applied for a renewal of wholesale beer dealers' licences. Supt. Quinlan, Lismore, said there was no objection, and they were accordingly granted.

ADJOURNMENTS. A number of cases were adjourned owing to the absence of Mr. D. Casey, State Solicitor, Mitchelstown, and necessary witnesses.
