LATE MRS. W. MANSFIELD, GRANGE.—We regret to announce the death of Mrs. W. Mansfield. Glenwilliam, Grange. A member of a well-known and popular family the deceased was a general favourite well-known for her many estimable qualities, and her demise has occasioned deep. sineere and widespread regret. Her husband. Mr. William Mansfield is one of the best known farmers in West Water-ford and is Employers' Representative on the Agricultura! Wages Board, while her sons, Messrs, E. and J. Mansfield, are also well

known in the agreultural and social spheres. To these and her other relatives deep sympathy is extended in their bereavement. At the removal of the remains to Grange Church and at the subsequent interment in the adjoining cemetery there was a very large and representative attendance of the general public, amply testifying to the popularity of de-ceased and indicating the measure of sympathy extended to her husband, sons and relatives. Very Rev. Fr. Byrne. P.P., and Rev. Fr. Baldwin, C.C., officiated.—R.I.P.

LATE MR. JOHN FLYNN, CLASH-MORE.—The death of Mr. John Flynn, Cladagh, Clashmore, A member of a most respected family, the deceased was most popular in all deceased was most popular in all circles and deep sympathy is extendal on Sunday. Wednesday and Saturday nights.

Ware if at Waterford City. If P. J. O'Sullivan was not available, Mr. M. V. O'Donoghue was appointed. The appointing of umpires and linesmen. ORJECTIONS. ETC.—It appears

as if this season will create a record for objections, counter-objections and appeals and it looks that, as a result, the championships will be unduly delayed. Stern and fair action by the Divisional Board should remedy this evil which, each year grows worse. Objections and appeals are essential if the affairs of the G.A.A. are to be conducted properly but it is a ridiculous state of affairs that objections are being lodged for the most trivial and frivolous reasons, thus leading to undue delay and often disruption. If on the one hand, clubs refraintd from lodging objections for very trivial and technical illegality and on the other hand clubs did not play illegal men matters should improve and the affairs of the Association

should run more smoothly with the "SCENES" ON THE FIELD OF PLAY.—"Scenes" on the field of play are becoming quite a regular occur-rence, with resultant ill-effect on the prestige of the G.A.A. Divisional and County Boards should take immediate action to ensure that such conduct ceases at once. otherwise the results will be disastrous and the future of the G.A.A. in this division will be none too secure. The Rules are there and should be enforced not only by the referees but by the Boards. Clubs should be held responsible for the conduct of their supporters. While isolated "incidents" are unavoidable arry thing in the nature of general mis-conduct on the fields of play should

be stopped at once. CLASHMORE L.D.F. DANCE.—If present arrangements materialise, a grand dance under the ausp the Clashmore L.D.F. will be held on Sunday night. September 21st. This should be the dance of the season and should attract a big attendance to this ever popular centre. Full particulars will appear in these

columns next week.

THE BRICKEY RANGERS' WIN. -Congratulations are extended to the Brickey Rangers on their success in the current year's junior football championship. unique but historic. Early exchanges were in favour of Clonakilty, and a free 25 yards from the Dromtarriffe goal gave J. Regan an opportunity, and he pointed successfully. Close marking and fast play marked the exchanges that followed, and Harnedy kicked a nice point from a free to equalise, while Tagney put Dromtarriffe in the lead with a point. Clonakilty then the goal mouth and Regan fisted over for a point to equalise again. Burke for Clonakilty centered well in front of the Dromtarriffe goal and Smyth completed the movement by crashing a ball to the net through Murphy's hands. Clonakilty followers were wild with excitement. Soon after O'Keeffe went off and was replaced on the Dromtarriffe side by Costelloe, who gave an excellent account of himself, and reduced the odds by a point in his early effort.
