DUNGARVAN and WATERFORD.

YOUGHAL URBAN COUNCIL

Present—Mr. R. Savage (presiding), Messrs. E. P. Lynch, E. Power, E. Condon, P. J. O'Gorman, S. P. Daly, B.E.

Mr. Daly—Now that the salmon season is approaching, I suggest we ask the Minister for Supplies and the Minister for Fisheries should cooperate in arranging transport for the export of salmon. As salmon are held up it might mean their complete loss.

Mr. O'Gorman agreed, and suggested that the Town Clerk should have a chat with the Stationmaster and see if the trains from Youghal could be arranged to catch the Ross-lane boat.

Arising out of the reading of a letter from the Council's solicitors with regard to ground rent, Mr. R. Power said nothing in this country is gone wrong with regard to ground rents and town tenements. We had a very able man interested in this matter. Where is he now?

Chairman—He was really able.

Mr. Power—He was so able that they gave him a job to close his mouth.

Mr. O'Gorman—Does it not seem queer to have to pay ground rent on property on which no profit is made?

Mr. Power—People are paying ground rent all their lives and never get an opportunity to buy the ground rent, and they leave without owning a stick.

Chairman—We look over all the laws we are fighting against, and the worst of all is the ground rent system.

Mr. Power—Under our own laws to-day we are worse off. If one wants to buy a patch of ground on which to build a bungalow, he must also pay ground rent although he has bought the ground.

After further discussion it was decided not to reduce the ground rent referred to.

The Acting County Surveyor wrote suggesting that the railway bridge road is more important than the North road footpath and this road should be attended to.

Mr. Daly—There are a lot of people using this path and they should get some consideration, although I agree that the Strand road could do with improvement.

Mr. Lynch—We allocated some of our grant money to do the North road path and now they want to have different work done. I make out that they get grants and never spend a pound on the back roads in Youghal. I propose that we adhere to the original work.

Mr. Daly seconded.

Mr. Power—What right has the Acting County Surveyor to convert this money to the other work he suggests?

Chairman—He is suggesting, but we are adhering to our original plan.

Mr. O'Gorman—I quite agree that we should stick to our original plan, as we have allocated a certain sum of money for it, but I think at the same time the County Council should attend to the Railway Bridge road. This was unanimously agreed to.

Mr. Daly—What about Tallow Street drainage?

Clerk—A new joint report is being made out by the Deputy County Surveyor and Town Surveyor with regard to the sea wall.

Mr. O'Gorman—I think it would be just as well if that matter was drawn to the attention of Mr. W. J. Brodick, T.D. I think it is a most serious job and I would ask the Town Clerk to see that the matter is not shelved.

A long discussion took place on the method of allocating the Council's workmen, and it was finally decided that the men must be at their work

at the time appointed, instead of starting from the stables at this time, the Town Clerk to see that this order is carried out.

The hon. secretary, Parish Council, is to be informed that no coke is disposed of outside Youghal, nor has any been sold outside the town since May last.

Letters re communal kitchens were read from Mr. P. Little T.D., and the hon. secretary, Waterford Dinner Fund, Waterford. From the latter it appeared that permission to raise a loan in Waterford would not be sanctioned.

Mr. Daly—Waterford and Youghal are in the same boat.

Mr. Power—Were it not for Canon Danielsen and the voluntary lady helpers, a number of Youghal children would be hungry.

Mr. O'Gorman—I strike me as being a very bad thing in many ways. We have heard the Government described as the poor man's Government, yet in matters like communal kitchens they do not make things easy for us. The poor must rely on the help of their own people.

Mr. Power—Those in charge of the communal kitchen and the Parish Council deserve to be congratulated; they are doing great work.

Mr. O'Gorman—Thousands of pounds are being spent every day, yet they won't sanction a small loan.

Mr. Daly—It is the Civil Service mind.

Mr. Power—Why should the Government allow the Civil Service to run the country?

Mr. Daly—All Governments do such extraordinary things.

Mr. O'Gorman—Every man is being persuaded to live, and yet the people who are trying to make a living are hampered by legislation.

Mr. Power—What about the bank charges?

Mr. O'Gorman—Every morning you wake up you see some new emergency penalty.

Mr. Lynch—What about the small shops being closed at 2 each night, although from 10 onwards was the only chance they had to make a living. One would think they would not be closed in this country but so-operative stores.

Mr. Power—I would like to know how Fianna Fail or Finn Gael will answer when they come around to us again.

It was decided to thank Mr. Little and the hon. secretary, Waterford Dinner Fund, for their nice letters.

A long discussion took place on the question of the purchase of the new name now on trial, and it was finally decided to keep her as she has proved satisfactory.

With regard to Messrs. T. Murray and Son's claim under the war emergency clause for £71 in connection with the Council's last housing scheme.

Mr. Power—I think we should recommend that he gets something. It wasn't his fault that prices rose.

Chairman—As the Government brought in the clause, it should be made retrospective.

Mr. Power—I propose the contractor get a fair price—at least on account of the excessive prices.

Mr. O'Gorman seconded.

Clerk—It is the Government will pay if they are satisfied.

With regard to the old job at Tallow Street, it was decided to ask the owner to have the place closed up.

The following letter was read from Mr. John Kennedy, Tallow Street, Youghal—

Dear Mr. Walsh—Please convey my sincere thanks to the members of your Council for their kind and thoughtful vote of congratulation on the success of my son in his recent examination. I also wish to thank you for associating yourself with the vote.

DUNGARVAN U.D.C.

Mr. Michl, Morrissey, T.D. (Chairman), presided at the weekly meeting of the above, held in the Town Hall on Friday night last. Other members in attendance were Messrs. J. Dahill, M. Clancy, and P. Quinn.

REPAIRS TO HOUSES.
 Applications for repairs to houses were received and referred to the B.S. for a report thereon.

HOUSE SOUGHT.
 Mrs. Koohan wrote asking the Council for the tenancy of one of the vacant houses in Cathal Brugha Place.

The application was referred to the rent collector (Mr. Walsh).

VACANCIES ON COUNCIL.
 The Clerk notified the members that, due to absence from the Council meetings for over a period of six months, Messrs. Seamus Hayes and Patrick Byrne are now disqualified from sitting as members.

The report was marked "Noted."

FREE MEAL SCHEME.
 A letter from the Department asked that an accurate estimate of the expenditure in respect of the half year, September, 1941, to March, 1942, be forwarded.

The matter was referred to the Clerk.

GRANT FOR FREE MEALS.
 The Department also wrote regarding the second instalment of the grant for the free meals scheme, viz., £36.

HOUSING.
 A letter from the Department of Local Government and Public Health asked for a reply to their letter of the 21st ult. on the subject of the preparation of the all-in-cost of the 138-house scheme.

The matter was referred to the Clerk.

The Department further wrote relative to the position regarding the demolition of houses vested by the families re-housed by the Urban Council.

WATER IMPROVEMENT SCHEME.
 Messrs. Delap and Waller, consulting engineers, wrote stating that they will give early attention to the request by the Council for an estimate of the cost of works to be done at Deelish.

TAXED COSTS.
 Mr. T. C. Williams, the Council's solicitor, forwarded bill of costs, taxed by the taxing master, as follows:—Water scheme, £27 7s. 9d.; sewerage scheme, £1 5s. 0d.; housing scheme, £7 4s. 9d.; miscellaneous, £128 5s. 0d. Total, £171 2s. 6d.

CLERK OF WORKS.
 A letter from the Department approved of the appointment of Mr. M. Hassett, B.E., as clerk of works on the unemployment scheme at the Marsh.

LAND FOR ALLIUMEN'S.
 The following parcels of land for allotments under the unemployed allotments scheme were accepted:—Edward Curran, Ballinacra, Dungarvan, 5½ acres at £5/10/0 per acre; Messrs. Dee Bros., 4½ acres at £9 per acre; Mrs. K. Moloney, Lisfenel, 10½ acres at £5/15/0 per acre.

The Clerk stated that as the Department had refused to sanction the tender of Mr. Martin Kelly for the supply of milk under the school-meals scheme at 1/8 per gallon, he had advertised for tenders. He read the following tenders:—Mr. Martin Kelly, Kilgobnet, 1/8 per gallon; Mrs. B. Greene, Brough, 1/8 per gallon.

The tender of Mrs. Greene was accepted.

PAYMENT FOR HOLIDAYS.
 A deputation from the workers employed on the Marsh relief scheme came before the meeting with a request that they be paid for the Christmas holiday period. Mr. T. Lee acted as spokesman.

The Council, after hearing the deputation's views, decided that they would have no objection to the payment if some application on the payment of the holiday period.

SHANDON SEWERAGE SCHEME.
 The following communication from Mr. Bowen, B.S., was read:—

"Following your letter of 3rd December, 1941, I have now considered the matter referred to in the letters of your consulting engineers, Messrs. Delap and Waller, and of your contractors, Messrs. McCaffrey and O'Connell."

"At the outset I would point out that the scheme now appears to have been finished, as the engineers gave their final certificates some time ago, and the contractors have been paid the final instalment of their contract."

"These would, therefore, be the final advantage in reviewing any labour saving devices."

"To-day the modern housewife is only too anxious to avail herself of the newest and most modern labour-saving devices, particularly in the kitchen. It has always been our concern to satisfy, as far as possible, the housewife in her purchases. We are quite cognizant that our obligation does not cease with the supply of the article. We would like to ensure that the things we supply do not cause trouble or expense in providing services which may assist in the satisfaction of the housewife in the way we sell. We would direct special attention to our range department, where you will find the newest and most up-to-date ranges manufactured to-day. We also direct your attention to the "Esco" cooker, which carries almost a perpetual guarantee."

Harper Bros., 36, Quay, Waterford.

shortcomings now appearing in the scheme. Also, the kind work was drainage of portion of the town, not the drainage of the Marsh itself, do not propose to criticise the designs for your consulting engineers, which were duly approved by the Department's engineering advisers, and I can only point out any inaccuracies that appear in the letters, which may prove misleading to your Council. I have intimate acquaintance with the Marsh for a long number of years, and am fully cognizant of all requirements for its proper drainage.

In paragraph (1) of Messrs. Delap and Waller's letter, it is stated that the fill level is at the general level of the canal. While the bed has now silted up to the fill level, the original bed is some two feet lower.

Paragraph (2) is misleading and not accurate in the way it states that the year 1854, the impbankment on which the road is formed was placed to keep the tide out of the Marsh. It is an artificial embankment, well made and consolidated, and perfectly water-tight before the present works. It contains a certain number of drains, the canal pipe is not connected into the end of the old culvert, but is taken in a new cutting under the road.

In paragraph (3) it is stated that the new pipes under and around the Marsh should be laid in a trench soon after high water. The remedy is simple and obvious.

Paragraph (4)—The tank comes under pressure in wet weather, due to surface water and sewage. A large amount of rain water must reach the sewers, from roads, fields, roofs, etc., and this will cause the tank to be over full, and subject to external pressure. The pressure could be sufficient to cause the cracks referred to in paragraph (5). It is extremely unlikely that both the tidal flap valves could have been kept open at one time to cause the pressure, but in any case the tide could not cause seriously greater pressure than the sewage.

Paragraph (4)—The small hole here will make little difference, for in hot weather the storm water overflows will be sent to the surplus tank direct into the Marsh, and must continue to do so while the capacity of the tank remains as at present.

Paragraph (5)—There is little point in this, as there is a second overflow in an adjacent manhole where should be a single angle beam of escape. It should be noted that a storm water overflow does not take off storm water only, but the usual mix of storm water and sewage. I would point out that the effort should be to keep as much as possible of the contents of the sewers in them, and send them off by means of the tank and a proper outlet rather than allow them to be sent to the surplus tank, where they become offensive later on. It should be borne in mind that this scheme should operate automatically, and with an absolute minimum of attention, and that one of the fundamental reasons for this part of the drainage scheme was to keep sewage out of the Marsh, not to let it into the Marsh.

Paragraph (7)—An extremely simple and difficult to be found and applied by Mr. Hassett, at a cost of nothing.

Paragraph (8)—The automatic flap valves on mill pipes are of a very heavy type, and considerably retard the free flow of canal and tank water.

The contractor's letter calls for little comment from me, and the points raised here have been mostly dealt with above. The suggested lack of attention is largely unfounded and bears no substantial relation to the condition and working of the scheme. There is no great problem involved in keeping out the tide water, as outlined above, and the question of £/s./d. is entirely secondary to an application of common sense, which appears to have been absent when the pipes were laid.

If I am to assume that the works now pass into my charge, I assure the Council that the best effort will be made to secure proper working and to reduce the causes for complaint. Such alterations and improvements as may be desirable will be submitted to you in due course."

SYMPATHY.
 Sympathy was voted to the relatives of the late Mr. John Cashman, Abbeystee, and to Mr. J. Branfield, O'Connell Street, on the death of his son in London.

The Council decided to forward a copy of the letter to Messrs. Delap and Waller, Consulting Engineers.

CHILDREN OF MARY RE-UNION

AT MERCY CONVENT, DUNGARVAN

A very enjoyable reunion of the Mercy Convent Children of Mary took place on Sunday evening last. There was Benediction of the Blessed Sacrament at 6 p.m. by Very Rev. Canon O'Brien, P.P., V.F., Sodality Chaplain, in the Convent Chapel. It was followed by a generous tea-party.

There was a very large attendance which included many priests, nuns and Children of Mary at the concert. The first item was a March, "Sylbia" by the orchestra, and this harmonious rendering was followed by the chorus "There was Joy in Heaven" in the well-known Mercy Convent Style. Miss A. Crotty held the audience spell-bound by selections on the violin, and Mrs. R. Featherstone drew forth rounds of applause when she sang "Bless this House" and "Ben Bolt."

The quiet, Misses Patterson and O'Garra (piano), and Misses Ederson, popadison and Crotty (violins), gave a tuneful display of musical skill with "Il Baccia," Miss Maloney Murphy's rendering of Guonot's "Ave Maria" and "Be-cause" captivated the listeners.

The surprise item was a recitation "The Mercy Nuns" in honour of the centenary of the Order, given by Miss Josie Fleming, and in response to an insistent encore she sang "My Mary of the Curling Hair."

A trio, Miss Ederson (violin), Miss O'Garra (cello) and Miss Patterson (piano) received loud applause for their rendering of "The Green Shores of Erin." Miss Biddy McGrath made everyone laugh heartily by her ingenious recital of "Doctor Shallow," "Norma," a duet sung by Misses Donaldson and O'Neill was enthusiastically received, and later Miss Donaldson played a violin piece "Broken Melody" in delightful fashion.

Miss Biddy McGrath played "The Coulin" with great expression and when she suddenly changed the tempo to reels, jigs and hornpipes the audience provided the "effects" by beating time on the floor with their feet. Miss Terry Ahearne then danced "The Blackbird" in faultless style. The accompaniment of the singers was admirably played by Miss O'Hara, J.C.M.

Next came a faro, "A Day of Doctors," in which the actresses, Misses McCarthy, Fleming, O'Neill, Walsh, Ederson, Donaldson and Crowe really excelled themselves. It was a laugh from beginning to end.

Very Rev. Canon O'Brien, P.P., V.F., said that it gave him great pleasure to see so many Children of Mary present to enjoy the high standard of entertainment provided for them. He was delighted to be able to congratulate them on their loyalty and devotion to Our Lady which they showed in no uncertain manner by attending the meetings and processions and also at the General Communion on December 8th.

He said also that we often hear of the Prodigal Son, but to-night he was appealing to those who neglected attending the meetings. If a Child of Mary is faithful to the rules of the Society, Our Lady will bless her and her home. He was delighted to be able to assure it if welcome visitor and old friend. Fr. Hearne (loud applause), that the Sodality of which he had been the Spiritual Director, had grown and flourished and was no larger than the very high results obtained in all the Department of Education examinations, one of her pupils won the Earl of Cork Scholarship (applause).

He wished to thank all the performers who had worked so hard and so successfully to entertain them, and concluded by wishing everyone a very happy New Year.

Very Rev. Fr. Hearne, P.P., P.O. then spoke, and said it had given him great pleasure to be present at the reunion of a sodality with which he had had such happy associations. It was delighted to see so many old friends doing their part, and the younger members following their example. He reminded them of the privilege it was to have their Parish Priest as Spiritual Director and spoke of the time when he had acted in that capacity himself. He also congratulated Sr. Vincent and said that she was a worthy successor to Sr. Patrick who was president of the Sodality in his time. He said that the power of "The Mercy Nuns" expressed all they felt about our own Mercy Nuns from the Reverend Mother down to the youngest postulante. It was touching so

BROVNE'S

TALLOW NOTES

OPENING MARKET OF 1942.
 At last week's market the following prices were paid—eggs, 2/6 per doz., farmers butter, 1/8 per lb., creamery, 1/7 per lb., chickens, 1/4 per lb., old fowl, 1/3 per lb., rabbits, 8/- per pair.

POINT-TO-POINT RACES.
 As has been customary for many years the Point-to-Point race season will open at the local race course early next month. The course stewards have been, for a considerable time looking after the important work of lay out and reported to a recent meeting of the committee, that their work had been greatly facilitated by the practical help given by the farmers over whose lands the course has been laid out. Owners and trainers will be pleased to learn that there will be five races of a total value of £100 and entry forms can be had from the hon. secretary on application. An draw-peters in general will please note the date, February 11th, 1942.

PIG MARKET.
 The last market of the old year was very sparsely stocked although it was well-known locally that demand would be brisk. Due, no doubt, to the large clearances of stocks at the two previous markets, feeders and producers were unable to have further lots finished to meet the requirements of buyers who attended.

THE LATE MR. "TOSS" O'SULLIVAN, CORK.
 The demise of the above named sportsman, which took place recently at Cork, caused many expressions of regret among the local coursing fraternity and throughout Munster, in which circle he was particularly and affectionately well known, having been associated as steward of the Irish Coursing Club practically since its inception. For a long number of years he acted in this capacity at local meetings and his familiar figure was well known to all associated with the local meetings in the past. In late years he filled the important position of I.C.C. steward at the Cork Coursing Track. His wife, who pre-deceased him was a member of a well-known local family of Willoughby's, and to the remaining members of it, as well as the immediate relatives of deceased the sincere sympathy of their many friends in Tallow is extended in this their most recent bereavement.

TILLAGE OPERATIONS.
 Full advantage of the recent mild weather conditions was taken by the farming community of the parish to spend up the 1942 tillage campaign and on reports to hand considerable progress has been made, despite the fact that a most intensive beet-rotting campaign has been in progress all through the period.

FOURTEENTH 4S DRIVE.
 The fortnightly 4s drive was resumed at the Temperance Hall on Sunday night after a lapse of some few weeks and the attendance was well up to the previous averages of these popular entertainments. As usual the standard of play reached high water mark and it is to the credit of the most youthful players, who succeeded in outplaying their elders, not one of whom reached the finals, an unusual co-incidence being that one young player shared in all three prizes, while his partner shared in two. First prize winners were Messrs. P. Malone and T. Conroy, who also won second prize, third prize going to P. Malone, partnered by D. Dwyer.

All the affection which the Mercy Convent Children of Mary had for their former teachers and he hoped that spirit would continue. In conclusion he sincerely hoped that he would be present at the next annual reunion (loud enthusiasm). The singing of that lovely Christmas song, "Mary, Mary, Mother down to the youngers" brought a most enjoyable evening to a happy close.

MR. DE VALERA ON OUR FOOD AND FUEL NEEDS

"Our Army has been progressively trained and we are getting, bit by bit, more and more arms," said Mr. de Valera, at the general meeting in Dublin, of the Institution of Civil Engineers of Ireland.

Mr. de Valera expressed the independence of the community to the Civil Engineers' Association. He said that he had done in the past year in this production. They had sold the Co. Surveyors "Don't bother about transport" and if they had had a transport difficulty—and there had been a transport difficulty—constraining Dublin to the Co. Surveyors' way in so many ways.

For the coming year it was that transport difficulty, "transport" and perhaps a few other things practically self-sufficient.

He hoped that nothing, to a certain extent, would be done even when the war emergency was over.

It was interesting to hear that in certain areas fuel could be made available at a lower cost under present conditions than coal under ordinary conditions. If the fuel in fact could be made more concentrated, or if "rolling" possibilities could be developed, the transport difficulties would be considerably lessened. They could not now depend on having ample Munster facilities, and it was desirable to get surplus production from areas comparatively near Dublin. Under a new scheme which he thought would be put into operation there would be an endeavour to produce at Kildare, Wicklow, and East Galway, where transport difficulties were less severe, the fuel required for Dublin.

Referring to the development of their military strength, Mr. de Valera said it was intended to give one purpose only—to defend ourselves against any aggressor, no matter what the aggressor might be. He cannot say that considerable progress is not being made in that direction.

The next thing they would be secure was food. Farmers had produced a considerable quantity, but they did not get in yet. He assumed it would be about the same number of farmers had not yet threshed their corn and that there was a considerable quantity of wheat, yet it came on the market. If that wheat came on the market they would get in an emergency quantity but they were in view of the fact that the wheat they were exporting from the United States may not come. The price had been fixed, and they were being asked to be so favourable to farmers in holding on to the wheat. In regard to fuel, they had been very fortunate as the winter had so far been mild. The severe part might yet be ahead, and they wanted particularly for the poor, as much fuel as possible.

Killeagh Park

Mr. Philip O'Neill at the forthcoming meeting of the Council on the 26th inst. members present were Mr. Mortell, C.C., Dr. M.O.H., Messrs. J. Kennedy, P. Woodhouse, P.C., Hon. Secy, Mr. B.E. Middleton, who presided. It was decided to have a dance, along with the Ballymacoda Parish, constitute the departure of Cork Co. Council, 22nd, in support of the local committee, made available by the rolling of the balls. The Chairman, Mr. Mortell, Dr. O'Brien, Mr. Kennedy, it was decided to have a dance, during the past season, 20,000 tons, the district through the town, and a number of tarring were essential to road from completion. It was resolved to have a Land Commission, in reply to a letter regarding the widening of the lane-way at Killeagh Park.

Fr. Mortell said from his personal experience in this lane-way at Killeagh, the unfortunate premises it was the district.

Mr. Woods said that in a civilized country, a borough was the only means of out of a populous of them were dealing with the matter. The Chairman was paying rates, they were entitled to a decent dwelling.

Correspondence on street lighting on fair deal with it and the normal hours of lighting, which approximates after seven o'clock, suit the fair and need to go on in additional expense which of the switches, consumption of electricity would involve, Ladies United Cattle Traders dealing with the Killeagh station were on the suggestion of was resolved to petition Company to have the provided to facilitate operations on fair days.

The Chairman said that the facilities installed, on they took into consideration little expenditure that involved in providing lights.

Mr. O'Flynn, B.E., instructed by the Chairman to make enquiries in the whether any timber for storage to be used emergency. In the absence Mr. Butler referred developed.

Fr. Mortell said he was coming year.

The Secretary said it to go forth from the when the box was being people would be better built there.

The Chairman said that was mentioned, partly in their parish their Council along with don of Youghal and from Tallow who had attention on the they were not going

KINSALEBEG L.D.F.

A Grand Dance WILL BE HELD IN KINSALEBEG N.S.

On SUNDAY NIGHT, 15th JAN., '42 (Hours, 10 p.m. to 4 a.m.). MUSIC BY STEVE SHEEHAN'S DANCE BAND.

45 DRIVE

(Under the auspices of the Bricker Rangers' Football Club) WILL BE HELD IN Nat. Schools, Glenbeg, ON— Sunday Night, Feb. 1st, 1942.

£7 IN PRIZES. £1 to Householder whose winners played first round.

ENTRANCE: 1/- each player. A Valuable Hamper, including Cigarettes and Tobacco, will also be played for on night of Drive.

Killeagh Parish Council

Mr. Philip O'Neill, P.C., presided at the fortnightly meeting of the Council on the 5th inst. The other members present were: Rev. P. Mortell, C.C.; Dr. M. O'Brien, M.O.H.; Messrs. J. B. Barter; J. Kennedy; P. Woods; D. O'Callaghan, P.C., Hon. Sec. Mr. Denis O'Flynn, B.E., Middleton, was also in attendance.

EAST CORK JOYTINGS

OBITUARY.

Although not unexpected the death of Mr. John Leahy, Barrada, Killeagh, which occurred at his residence on New Year's Day is deeply and sincerely regretted by all who knew him and they were many, for in his heyday he was an athlete of repute and was a well known and popular figure at G.A.A. meetings and functions of various kinds under the auspices of the national organisation.

WEST WATERFORD NEWS

CLASHMOE CONCERT AND CELLIDHE.

On Sunday night next all roads lead to Clashmoe for the grand concert and cellidhe in aid of parochial funds. The concert promises to be one of the best ever held at this ever popular centre and the programme will include an all-Irish play by the members of Clashmoe Irish Class, vocal and instrumental items by leading artists, stop-dancing exhibitions and recitals by cellidhe band. A cellidhe and dance will follow.

KINSALEBEG L.D.F. DANCE

A grand dance under the auspices of the Kinsalebeg Section of the Clashmoe L.D.F. will be held in Kinsalebeg N.S. on Sunday night, 18th January.

ARDMORE CONCERT.

On Sunday night last a very successful concert and dramatic and variety entertainment, in aid of parochial funds, was held at Ardmore. The programme was of an unusually high artistic standard and the big audience showed their appreciation in no uncertain manner.

THE LATE FR. WALSH.

The sad and lamented death of Rev. Fr. Nicholas Walsh, late C.C. of Ardmore, evoked feelings of deepest regret throughout West Waterford, but nowhere was his demise felt so keenly as in St. Peter's Parish, where, up to the time of his illness, he laboured so zealously. Here he was loved and respected by all for his many saintly attributes, his cheerfulness and kindly disposition. His numerous friends pray most fervently that he may rest in peace.

IMOKILLY AND KILLEAGH HARRIERS.

The meet last Sunday was at Monashask Cross and a move, was made to Fr. Wm. Leahy's sport, where a very good fox was soon away with the hounds in full cry for pursuit. Crossing away for Couragh Glen at a rattling pace he went right through without a pause and along for the Mogeely and Dungourney main road and away for Ballymacoda. Right through the Glen he led us and away again on the other side. Through the open country he raced at full speed and with the pack in full cry close up. Through a farmyard he went and right into the middle of a flock of geese, snapping at one of them as he fled. Once again he crossed the Mogeely-Dungourney road and on through Ballymartin. Away again on the other side and into Sandy Hill where horsemen were completely out-jumped, but eventually he saved his brush for another day. It was a splendid hunt and was appreciated by all those who were out, amongst whom were Mr. N. Walsh, Master; Messrs. David Aherne, N. Walsh, S. Fitzgibbon, T. Donovan, J. Twomey, P. Barry, M. Kenna, W. Joyce, W. Aherne, M. Walsh, J. Twomey, T. Curtin, M. Curtin, J. Curtin, R. Hayes, B. Kennedy, J. Villers.

LOCAL HAPPENINGS.

MARRIAGE.

WARD-BOAN—Dn. 14th, at the Catholic Church, Chippwick, Lond. by the Rev. Father Roddy. Robert S., youngest son of S. C. Ward, and the late Mrs. Ward, Finabury Park, London, to Ursula, daughter of Patrick and Mrs. Egan, Egan's Hotel, Dungarvan.

IN MEMORIAM.

CASEY.—Second Anniversary. In loving memory of Mrs. Catherine Casey, Main Street, Dungarvan, who died, January 5th, 1940. R.I.P. Masses offered. On her soul sweet Jesus, have mercy.

CURRAN.—Seventh Anniversary. In loving memory of our dear father, Patrick Curran, Ballycullane, Dungarvan, who departed this life on January 6th, 1935, on whose soul sweet Jesus have mercy.

ST. VINCENT DE PAUL SOCIETY. The usual monthly collection will be held after all the Masses on Sunday next. It is hoped there will be a generous response from our good friends, to a most deserving cause—your poor and old, particularly during these stressful times.

CARS COLLIDE.

On Saturday evening, 3rd inst, an unusual car smash occurred in Sexton Street, Abbeyside, resulting in serious damage to the cars involved. The accident occurred about 3 p.m. when a V8 car owned and driven by Mr. D. Walsh crashed into a stationary Baby Ford, the property of Mr. John Moloney, Burgery, Abbeyside. The cause of the accident, which fortunately resulted in no injury being received by the driver of the V8, was it is understood due to the greasy surface of the road at the time. The Baby Ford was very badly damaged and was later removed by crane to Messrs. Crofty's Garage, The V8, the right mudguard and running board of which were badly bent, was able to proceed to its garage after some minor adjustments.

SUCCESSFUL WHIST DRIVE.

The whist drive organised by the committee of the Dungarvan Boy Scouts, in aid of the funds for the provision of meals for poor school going children which was held in the Town Hall, Dungarvan, on Thursday, January 1st, proved an unqualified success and the result of the drive and raffle held in conjunction with it, will swell this very deserving fund by £50. The success which attended this function is very largely due to the untiring and ceaseless energy of Rev. Fr. Farrell, C.C., who undoubtedly deserved the complimentary remarks in praise of his efforts made during the interval by the Very Rev. Canon O'Brien, P.P., V.F., president of the Boy's Club, and Mr. M. Morrissey, T.D., chairman of the Children's Health Committee. Loud and prolonged cheering greeted the complimentary remarks of both speakers, which was again renewed when the announcement was made that Very Rev. Canon O'Brien had further augmented the funds by a personal contribution of £10. The prize-winners were—Ladies, 1st, Mrs. Nan Casey, Main Street (180); 2nd, Miss Gretta Aherne, Youghal Road (177); Miss M. Cullen, Grange, and Mrs. Michael Dee, Church St., Stradbally. Lowest score—Ladies, Mrs. F. Ryan, Munster & Leinster Bank; gent's Mr. L. Condon, Abbeyside. Secret number prizes were won by Mr. E. Fitzgerald, N.T., Misses May Clancy and Frances Daly.

THE RAFFLE.

The drawing of prizes resulted as follows—first prize, ticket No. 2252, Michael O'Brien, Ballycullane, Dungarvan; 2nd prize, No. 838, Nicholas Power, Mr. Odell, 3rd prize, No. 2959, Mrs. K. Lynch, Ballinacorney. WHY NOT LEARN IRISH THE EASY WAY? To those of you who are laboriously struggling with the involved phrases, in an out-of-date textbook of Irish, and ask to those who think Irish is "so hard" I would strongly recommend that you visit the Technical School, Dungarvan, and learn of the Special New Class now being formed solely for beginners. This is not a class where those who have no knowledge of the National Language sit and listen to others more bleat than they are discoursing in Gaelic. Remember, the

CARS COLLIDE.

On Saturday evening, 3rd inst, an unusual car smash occurred in Sexton Street, Abbeyside, resulting in serious damage to the cars involved. The accident occurred about 3 p.m. when a V8 car owned and driven by Mr. D. Walsh crashed into a stationary Baby Ford, the property of Mr. John Moloney, Burgery, Abbeyside. The cause of the accident, which fortunately resulted in no injury being received by the driver of the V8, was it is understood due to the greasy surface of the road at the time. The Baby Ford was very badly damaged and was later removed by crane to Messrs. Crofty's Garage, The V8, the right mudguard and running board of which were badly bent, was able to proceed to its garage after some minor adjustments.

SUCCESSFUL WHIST DRIVE.

The whist drive organised by the committee of the Dungarvan Boy Scouts, in aid of the funds for the provision of meals for poor school going children which was held in the Town Hall, Dungarvan, on Thursday, January 1st, proved an unqualified success and the result of the drive and raffle held in conjunction with it, will swell this very deserving fund by £50. The success which attended this function is very largely due to the untiring and ceaseless energy of Rev. Fr. Farrell, C.C., who undoubtedly deserved the complimentary remarks in praise of his efforts made during the interval by the Very Rev. Canon O'Brien, P.P., V.F., president of the Boy's Club, and Mr. M. Morrissey, T.D., chairman of the Children's Health Committee. Loud and prolonged cheering greeted the complimentary remarks of both speakers, which was again renewed when the announcement was made that Very Rev. Canon O'Brien had further augmented the funds by a personal contribution of £10. The prize-winners were—Ladies, 1st, Mrs. Nan Casey, Main Street (180); 2nd, Miss Gretta Aherne, Youghal Road (177); Miss M. Cullen, Grange, and Mrs. Michael Dee, Church St., Stradbally. Lowest score—Ladies, Mrs. F. Ryan, Munster & Leinster Bank; gent's Mr. L. Condon, Abbeyside. Secret number prizes were won by Mr. E. Fitzgerald, N.T., Misses May Clancy and Frances Daly.

THE RAFFLE.

The drawing of prizes resulted as follows—first prize, ticket No. 2252, Michael O'Brien, Ballycullane, Dungarvan; 2nd prize, No. 838, Nicholas Power, Mr. Odell, 3rd prize, No. 2959, Mrs. K. Lynch, Ballinacorney. WHY NOT LEARN IRISH THE EASY WAY? To those of you who are laboriously struggling with the involved phrases, in an out-of-date textbook of Irish, and ask to those who think Irish is "so hard" I would strongly recommend that you visit the Technical School, Dungarvan, and learn of the Special New Class now being formed solely for beginners. This is not a class where those who have no knowledge of the National Language sit and listen to others more bleat than they are discoursing in Gaelic. Remember, the

LOCAL HAPPENINGS.
