LISMORE NOTES

OPENING OF LENT. The holy season of Lent, which opened on Wednesday, the 18th is being observed in a thoroughly fitting manner in our parish. It is most edifying to see the large numbers of the faithful who turn out on morning Mass despite the extremely cold weather, and a similar attendance there is a similar attendance. His Lordship, the Bishop, in his pastoral letters, exhorts the faithful of the diocese to make this a Lent of prayer, and his words are not being lost on the people of Lismore.

IMPROVEMENT IN FISHING.

From the latest reports to hand it seems that the salmon fishing on the Blackwater is now much better than when the season opened three weeks ago. This year's salmon is a luxury fish, not within the reach of all, for it is fetching the handsome price of over 7s. per lb. in the London market.

KEEPING THE HOME FIRES BURNING.

There is no sound so common throughout the country, at the present time as the music of the saw on the log and in particular is this true of Wooded Lismore. Our neighbouring young and old may be seen at all times making their way to the woods, armed with saw and axe, who live in the locality may account ourselves very fortunate, during the coal shortage incidental to the present war, that all kinds of trees surround us in such copious abundance, especially when we consider that, in many parts of the country, it is inconceivable and expensive to procure firewood. While hoping that the present denudation will not continue long enough to rob the district of its sylvan beauty, we think people need not always have the bad word about the trees for they have a great deal to develop their muscles as nature intended them to be developed.

Medical Association of Co. Waterford Division.

The Co. Waterford division of the Medical Association of Ireland met on Saturday afternoon on February 15th. Dr. Wm. White presided, and the following members were present: Drs. Casey, Cusack, Laffin, O'Sullivan, Foley, O'Farrell, Jennings and Dooley, hon. secretary. A special address was given by Dr. K. Kelly, Professor of Surgery, University College, Cork, on the subject of 'Acute Abdominal Emergencies in Rural Practice'. The speaker revealed such a wealth of knowledge and experience that everyone present expressed their gratitude and appreciation for the value they had gained in listening to such a distinguished exponent of the free practice of medicine.

DEATH OF TITERANT—Last Monday the dead body of a man of the tramp class was found in a field near the town.

WITH THE LIMITED QUANTITY OF COAL AVAILABLE THIS WINTER.

we must ascertain what is the most economical form of cooking. When we examine carefully all the newest types of ranges we will find that there are obvious faults in most of the new ranges. One would have to put almost a week's supply of turf to light the fire, as the fireplaces are so large. If one would carefully examine the 'Victor' range you will find that the fire is in the ordinary size, and it is designed to burn coal, turf or timber, either individually or mixed together, and in addition to that can be converted into an open fire which gives a cheery warmth to the room. If you install a 'Victor' range, manufactured as a result of our now famous guarantee unless we were convinced that this is the most economical range on the market, and you will never regret installing one of these famous ranges. Place the order with your agents in the district and you will never regret it. Sole agents: Harpur Brothers, Waterford.

CAPPOQUIN NOTES

CAPPOQUIN G.A.A.—As will have been seen from reports in the press the Cappoquin G.A.A. Club have some difficulties in the way of their own arrangements for their own championship. It is hoped, however, that these difficulties will be overcome as it would be a big loss to the G.A.A. if there were no matches held at the local venue. The local club have J.F. J.H. and M.F. teams provisionally entered for the championship and it will be a big disappointment to their numerous supporters if circumstances over which they have no control will necessitate their withdrawal. The members of the local G.A.A. are to be congratulated on their efforts to propagate Gaelic games in the district and deserve the fullest support of the general public. There is plenty of material in the area—all the teams that are an opportunity to train and thus show their prowess in the Gaelic arena.

CAPPOQUIN ROWING CLUB.

A GREAT SPORTING event took place many years ago in the Cappoquin Rowing Club quickly developed into one of the leading sporting organisations in the county. In their early days their stalwart crews won trophies at regattas through the length and breadth of Ireland. On the formation of a boathouse in their spare time they were quickly overcom and a suitable site was soon secured on the riverbank. The members of the present Rowing Club premises was, at the time, in the possession of Mr. James Daly (a keen sportsman) very kindly offered it free of charge to the newly formed club. This heartened the members lost no time in setting to work to level the rugged ground preparatory to building a boathouse. In their spare time these 'pioneers' laboured strenuously at their work and in a short time the 'boathouse' was erected. That the townspeople were taking a sympathetic interest in the project was evident from the start and the formal opening of the new building was an occasion for general jubilation. The building was a generous financial assistance from the townspeople the energetic committee soon purchased a fine out-rigger boat which was named the 'Slyph'. At a regatta held in Clonmel a well-trained Cappoquin crew, consisting of the newly acquired boat against some of the best crews in Ireland, proved victorious following a great race and thus, for the first time, a well-trained crew (dark blue) to triumph. This success encouraged the members to greater efforts and treated a livelier interest in rowing amongst the townspeople. Shortly afterwards a local sportsman, Mr. R. Chearnley, very kindly presented the club with another boat very appropriately named the 'Dark Blue'. From now onwards the club went from success to success, their crews winning many trophies at regattas in all parts. Regattas were held annually at the local centre and no year passed without further success in the hands of the club. The club was extended and several new boats purchased. As years passed by the members of the Club were not content with their success in 1910 the present spacious building was erected. A billiard room was added in 1924. During recent years invaluable work has been done for the Club by Mr. M. J. Sargent, President, and Mr. J. Sargent, Treasurer, and Mr. J. P. Daly, Hon. Sec., and the Club continues to be one of the leading sporting organisations in the county. The members of the Club are proud of its long record of success, of their splendid boathouse and of the fact that it is the largest of its kind in the South of Ireland. The numerous supporters and admirers of this splendid sporting body will be glad to see it succeed and prosper for the future.

Death of Mr. Morrison Garrynagol.

We regret to announce the death of Mr. M. Morrison Garrynagol, on Sunday week last, after a short illness and tormented by the pangs of the Holy Spirit. He was a member of an old and highly respected family, an excellent tradesman and a sincere friend, neighbour and unassuming in manner, he had warmly endeared himself to all who had the pleasure of knowing him. The deep sympathy of the entire community is extended to his bereaved widow, sisters and other members of the family. The remains were removed on Tuesday evening from his late residence to Ballyduff Church and were accompanied by a large and representative cortege. On Wednesday Requiem Masses were offered up for the happy repose of his soul and the funeral took place in the afternoon at Ballyduff Cemetery. The cortege bore eloquent testimony of the respect and esteem in which deceased was held by all who knew him. Ballyduff, assisted by Rev. J. McCarthy, C.C., read the last prayers at the graveside. The chief mourner was Mr. M. Morrison (widow). Miss N. Morrison, Cobh. Mrs. M. Morrison, Ballymote (sister). Mrs. E. Morrison, Ballymote (nephews). Mrs. M. Murphy, Cork. Mrs. N. Power, do. (nieces). Mr. P. Murphy, Cork. Mr. P. Power, do. Mrs. W. Morrison, do. Mr. P. Cashman, Coole. Mr. J. Riordan, Tallow. Mr. W. Cashman, Ballyshamphire. Mr. M. Morrison, do. Mr. J. Morrison, Cashman, Castlejones. Mr. M. Moore, do. Mr. D. Dooley, do. Mr. E. Morrison, Kilmartlett. Mr. E. Sullivan, Dunamannon (cousins and relatives).—R.I.P.

KILMATHOMAS NOTES

FIRST AID—A course of lectures in First Aid will commence in the Courthouse, Kilmathomas, on Monday evening next at seven o'clock by the own arranged lecturer, being Dr. P. G. Dooley. The lecturers are being specially arranged for the benefit of the members of the L.S.F. who have been selected to act as stretcher-bearers, while at the same time the classes will be open to ladies who will be cordially invited to attend. If circumstances permit the instructions will be given on Monday and Wednesday evenings so as to complete the course in a reasonably short time. A similar series of lectures are also being given in Bonmahon by the local M.O. Dr. Jennings.

KILMATHOMAS PARISH COUNCIL.

At the latest meeting of the above body to which intending phlothers were invited to attend and the completion of the cultivation of the Union plots was given to Mr. John Cleary, Rathmeaden, for an agreed sum of money. The applications were granted plots, leaving about three vacancies. The same terms were laid down and phlothers were requested to contribute their share as soon as possible in order to provide for current expenses. Applications for renewal of lease of ground had already been made to the Co. Board of Public Assistance. Vegetable seeds, with the exception of onion and parsnip, had already been secured from Suttons, of Cork, and applicants were requested to indicate their requirements to the Hon. Secretary (Mr. Michael Murphy, St. Anne's Terrace). Owing to uncertainty of obtaining onion supplies phlothers were advised to make their own arrangements where possible. Arising out of an informal discussion concerning a recent outbreak of fire in the town, it was decided to request the County Council to assist in securing suitable equipment for fire emergencies.

FELICITATIONS are cordially extended to Mr. John Walsh, Ballyristeen, Bonmahon, and Miss Bridget (Bridie) Nugent, Tankardstown, do., on their marriage, which was solemnized in St. Michael's Church, Bonmahon, on Saturday last.

The Kilmathomas and Durrrow junior football units, respectively, are training with right good will for their coming clash in the opening round. Affiliated with the Eastern Board are the Newtown junior and minor football teams and the Croughan and Kilmathomas 'Erie's Hope' junior hurling team, and the trio are confidently expected to make a brave show in the division during the current season.

KILMATHOMAS DRAMATIC SOCIETY.

As advertised elsewhere on this copy, the above notable talented troupe of excellent entertainers will present a grand variety concert in the admirably appointed Pike (Garranbane) Hall, on tomorrow (Sunday) night. The Society has already scored a distinct success at a number of mid-water centres, and those who intend patronising to-morrow night's show can rest assured that a truly splendid evening is in store for them. Unfailingly urbane Mr. Sam Moore (Provincial Bank) will function in the role of Musical Director, and Mr. Michael Power (yoder), Mr. T. Scully (harmonica), Messrs. Paddy and John Russell (whistlers), Mr. Andy Joy (saxophone), and the Misses Ann Mather, Maura McGrath, Delia McGrath, Hannah Power, and Peggy Gallaher (vocalists and songsters) will be the highlights of the heavily-timed programme. For fuller details please peruse the advt. and resolve to be there with the 'best'.

CLASSES.—The Irish classes which are being conducted at Kilmathomas on two nights of each week, by the ever popular Mr. Joseph Pally, M.C., Ross, Rathgormack, continue to make praiseworthy progress, a record roll of pupils being registered in regular attendance. Also taking finely are the woodwork classes at Kilmathomas, which are under the capable supervision of Mr. Thomas Murray, a likeable son of Lismore, in whom the County Vocational Educational Education Committee certainly have a capital investment in carpentry.

GAELIC GARNERINGS.—At a meeting of the Ballylennan Football Club (affiliated with the Western Anstrutur Boxing Club) will figure in last, the following officers were elected: Vice-Pres. Hon. President—Rev. P. Walsh, C.C., Chairman—Mr. Joe McGrath; Vice-Chairman—Mr. John Lannon; Hon. Sec.—Mr. Michael Keady; L.D.F. Instructor—Sergeant Clarke (Army); and Mr. Mark Keady were appointed trainers of the Club's junior team (registered as 'The Cobher Ramblers'). A vote of thanks was passed with acclamation to Mr. Patrick Dunphy, Rock View House, Ballylennan, for his kindness in giving gratis the use of his splendid lawn for the team to practise in. The meeting decided to appeal to the local public for subscriptions for the provision of a new set of jerseys for the team, and to the parish of whom belong to the parish of Ballylennan—will face Faha in their first championship contest, which is fixed for Stradbally, on Sunday, April 12th next, with Mr. Sean Ormond, N.T., Kilmathomas, in charge of the whistle. Make no mistake, it will be the 'Keatings' own' minor football fifteen will figure prominently in the Western Divisional championship competition in the coming year.

READING FOR TURE-CUTTING DRIVE.—A gang of County Council roadreaders are now putting the finishing touches to the new road leading into the expansive turf bog at Comeragh, which work was begun in the springtime of last year. This year's turf-cutting operations promise to reach a record scale in point of output in all parts of the mid-Porthlaine area, and slane-wielders will be seen in action in several bogs within the coming week.

G.A.A.—The Portlaine pitch was pit-pat for last Sunday's junior hurling mix in the Infirmity Cup competition. The Ballylennan and Ballyduff-Kilmathomas were the antagonists, and their struggle for supremacy was a stern one, the onlookers' interest in the ebb and flow of the fray never flagging. Mr. David Power, of the Portlaine Club, proved himself an admirable arbiter. Result: Clonacree Power, 4-3; Ballyduff-Kilmathomas, 3-2.

Two very attractive challenge matches have been arranged for Newtown on to-morrow (Sunday), in aid of a praiseworthy parochial purpose. The ties are—Faha v. the trio of players, the Cobher Ramblers, and junior hurling and Nick Casey and Jack Harris are the 'Keatings' and the trio of players will be well-trained for their respective initial round ties in the Western championships. One of the Stradbally teams are getting into their stride, being bent

Moorehill Notes

Annual '45.—The annual '45 drive under the auspices of the Moorehill hurling club will be held at Moorehill Hall on Sunday night next, commencing at 7 o'clock. We hope to see a record crowd attend and so help to augment the funds of the club. After all, a hurling club deserves the support of the general public, and here in the country where there is no other form of amusement in summer, what more pleasant and healthy way is there to spend the evenings than on the playing pitch. So on Sunday night we hope to see all our old friends and legions of new ones at our little social gathering, and for the modest sum of sixpence we guarantee you an enjoyable evening.

BENEFIT MATCH.

On Sunday last Tallow met Moorehill in a junior hurling friendly at Janville, and after a good game Tallow emerged winners. Knockmore were billed to meet Tallow in football at the same venue but owing to a number of their players being ill, they were unable to field a team. So on Sunday night we hope to see all our old friends and legions of new ones at our little social gathering, and for the modest sum of sixpence we guarantee you an enjoyable evening.

IRISH COUNTY YOUNG MEN'S ASSOCIATION.—The Jumble Sale held in the Temperance Hall, Kilmathomas, on Wednesday, under the recently formed branch of the above body proved an unequalled success. Of a very charmingly managed Mrs. Mary Hill (Hon. Secretary) and her equally estimable colleagues of the live-wire committee in charge can well feel pardonably proud of the appreciable result—a crowning their combined efforts on the occasion.

REMEMBERED.—At the Convent Church, Kilmathomas, Masses were celebrated for the repose of the souls of the late Mrs. Flahavan, Kilmathomas, do., and Mrs. Hassett, Kilmathomas, do., the anniversary of whose deaths occur on this date; also for the souls of Mrs. Kathleen O'Carroll (nee O'Byrne, formerly in Kilmathomas), who died recently in England.—R.I.P.

HAVE IT.—That a number of boxes of the Kilmathomas Anstrutur Boxing Club will figure in a tourney coming off shortly under the auspices of the Kilmoganny (South Kilkenny) B.C.

READING FOR TURE-CUTTING DRIVE.—A gang of County Council roadreaders are now putting the finishing touches to the new road leading into the expansive turf bog at Comeragh, which work was begun in the springtime of last year. TALLOW RACE DANCE.

Owing to a typographical error, the attendance was inaccurately represented as 250, whereas approximately 250 couples were present, which number exceeded all former records for this annual social reunion, which was so thoroughly enjoyed by all those present.

James Wall, faultlessly laid out, and granted, reasonably fine weather, a good crowd of enthusiasts should witness well-contested games. Incidentally, these will be the first clashes of the year between teams of the eastern and western divisions. We are asked to state the following hurlers are members of the Faha club: Borchmans Power, Michael Whelan, Patrick Dalton, Thomas Coleman, Patrick Butler, Thomas Walsh, Frank Troy, James Troy, Gerald Troy, Nicholas Flynn, Thomas McCarthy, Michael Keane, Richard Glavin, Dick McGuire, John Crotty, Patrick Burke, Joe Burke, Michael Downey, Patrick Duly, Nicholas Casey, Patrick Dunphy, James Walsh, William Drohan, Thomas O'Gorman, Michael Power, Thomas Scully, Patrick Walsh, Matthew Whelan, Michael Keane, John Power and Thomas Murphy.

WE ARE PREPARED TO MAKE CONTRACTS

With a number of Farmers to grow Mangold and Turnip Seed for next season. It would be necessary to plant now, as if left later it may be impossible to harvest the Seed owing to rain or inclement weather.

We are also prepared to contract for growing Peas, Beans, Onion Seed, Parsnip, Carrot and Cabbage Seed.

HARPUR BROTHERS, WATERFORD

DUNGARVAN U.D.C. Sewerage, Housing and Water.

Mr. Thom. McCarthy, vice-chairman, presided at the weekly meeting of the above on Friday last. Other members in attendance were Messrs. H. Connors, D. Foley, P. O'Dwyer and M. Clancy.

TRESPASS AT LOUGHMORE.
Mr. M. Ryan wrote stating that some time ago he had written about the bad condition of the boundary fence at above. The Council at that time were good enough to direct Mr. McGrath, the then B.S. to attend to the matter. He erected a fence of stakes and wire, the wire was cut within a fortnight and the trespass resumed. The land, over 11 acres is now ready to receive seed for a wheat crop and there is nothing to prevent the Council's tenants, their children, goats, fowl and dogs from trespassing.

The letter also complained that the Council had done nothing to rectify the grievance at Gallows Hill. The writer has repeatedly fenced there and nothing whatever was done by the Council.

The letter was referred to the Borough Surveyor.

PERFORMING RIGHTS SOCIETY.
The Council, on the advice of Mr. Williams, solicitor, passed payment for £5.5s. to the Performing Rights Society for the year commencing August last.

PERMISSION.
Mr. Bowen wrote stating there would be no objection raised to Messrs. Dec Bros. breaking out a window from their premises into St. Mary Street.

REPAIRS AND ALTERATIONS.
Arising out of an application from Mr. E. O'Mahony, 36, Canal Bridge Place for permission to carry out improvements in the house at the own expense, the Council asked to be supplied with particulars of the proposed improvements.

REQUEST TO LOWER WALL.
An application from the Dickens. Leather Company asking that the wall, by about 10 feet, of the Council's yard facing the Company's premises be lowered to the level of the ground at present.

The letter was referred to the Borough Surveyor.

TOURIST SEASON.
A letter from the Irish Tourist Association asking that provision be made from Council's funds for tourist advertising was read. No order was made thereon.

SEWERAGE, HOUSING AND WATER.
The Department of Local Government and Public Health wrote (1) asking whether the observations of the consulting engineer in regard to the matters raised in the Town Surveyor's report on the sewerage scheme have since been considered by the Council; (2) whether the estimate for the exploratory work referred to in the minutes of the Council's meeting of 19th December last has since been furnished; and (3) whether there are any special circumstances to recommend that the Department should be asked to consent to the acquisition of the 22 acres of land from Mr. J. J. Crotty for the purposes of the scheme at £6 per acre.

INQUIRY.
The Department of Local Government and Public Health wrote stating that a sum of £28 18s. 7d. is due to that Department in respect of the local inquiry relating to the housing order which was held in December, 1939, and requesting that a paying order be forwarded at an early date. Payment of the amount was ordered.

DUTIES OF CARETAKER.
The Department also wrote requesting to be furnished with a comprehensive schedule of the Kildare water caretaker.

SYMPATHY.
On the proposal of Mr. Clancy, seconded by the chairman, a vote of sympathy was passed to Mr. L. Condon, Abbeyside, on the death of his mother.

A similar vote was passed to Mrs. Oavis, Thomas Terrace, on the death of her husband.

TALLOW NOTES

MARKET PRICES.
The following prices were paid at last week's market: farmers' butter, 1 1/2 per lb.; secondary, 1 1/2 lb.; creamery, 1 1/2 per lb.; young cow, 1 1/2 per lb.; old cow, 1 1/2 per lb.; eggs, 2/-; turkeys 2/- per lb.; geese 1 1/2 per lb.; potatoes 10d. per stone; onions, 6/- to 7/6 per stone; rabbits, 4/- per pair. A further increase in the quantity of eggs and butter was noticeable.

CONGRATULATIONS AGAIN.
As indicated in these columns last week, the locally trained horses, could be expected to give a good account of themselves at future meetings. Proof of this opinion came to hand earlier than expected, as Mr. F. Quinn's "Springfield" boy won the Heavyweight with 1st. 7lbs. in good company at Kildorrery on Wednesday of last week, being ridden by Mr. W. Treacy. This combination should be heard of very soon again. All connected with the stable were the recipients of our warmest congratulations from their many friends. Three other stables which were represented at Tallow races on the 11th inst. were also successful at Kildorrery, viz.: Mr. A. J. Maguire whose good horse "Galvanizer" II, ridden by Mr. E. Whelan won the open lightweight; Mr. T. Walsh's "Caslecomer," capably ridden by the owner, won the Open Maiden Race, while the Kildorrery Plate was won by Mr. J. Whelan's "Flying Corps," this being Mr. Barry Whelan's second win at this important venue.

Dungarvan Dramatic Club.

A Deserved Tribute.

The Old Boro' boasts many and varied social features of which its inhabitants feel justly proud, but of these I venture to think that the most stimulating and entertaining is the recently formed dramatic club.

Though but in its infancy, yet great heights in attainment, success and patronage are predicted for it in the future and for its achievement. Indeed, there has been already a very pleasing and gratifying forecast of coming developments for the edification and greater enlightenment of the residents of the old town, who have been stirred to the very depths by the things which have been privileged to enjoy. These must, however, endeavour to possess their longing souls in patience until more is available. We cannot expect to enjoy such fare as these high artistic and dramatic cannot be produced either magically or by wishful thinking.

The initial progress has demonstrated itself, and we cannot get enough, that we cannot satiate ourselves, but that we feel to remember that the things which we most appreciate are now severely rationed and, therefore, we cannot expect to enjoy such fare any more than exquisite drama in full measure.

However, it can be assumed, fairly and squarely, that Dungarvan will be well served by its dramatic club, and that the residents will respond fully and generously, has already been amply demonstrated. They are, on the whole, good judges and quickly recognise a good thing when unfolded for inspection, and are ready to respond with enthusiastic and spontaneous approval.

This is all to the good, as it means mutual help and a congenial atmosphere in which to live. The club, which is popular and unostentatious.

At the inauguration of the club, some very interesting speaking was in order, and especially by the very reverend chairman. His advice must have seeped through the minds of the members and remained with them, should not deceive by telling them that it would be unqualified fun. He gave them to understand that it was a matter of duty and of an unqualified nature, but that the dramatic would be more than counterbalanced by the good and the pleasant which would be theirs by their best efforts. He knew that not only would the members get the sympathy and support of their fellow-citizens, but that the "goods" would be the most enthusiastic and spontaneous in that support and in that encouragement.

The very reverend chairman again reminded his hearers that the faculty of giving pleasure is an instinctive one and that the majority of souls and that God-given talents were vouchsafed to mankind to use and to their own benefit and to the benefit of others. It is a duty to use and to develop these gifts and graces for the edification and pleasure of their fellow-men.

It is also to be noted that the club, which is popular and unostentatious, and which is well served by its dramatic club, and that the residents will respond fully and generously, has already been amply demonstrated. They are, on the whole, good judges and quickly recognise a good thing when unfolded for inspection, and are ready to respond with enthusiastic and spontaneous approval.

COMPELSONY TILLAGE

★

WHY IT IS NECESSARY

★

WHAT IT MEANS

Object of Tillage Order

If the people are to be spared the privations resulting from a food shortage there must be a large increase in tillage this year. The object of the Tillage Order is to ensure that every holder of land makes a minimum contribution. It would not be right to allow one person to shirk his duty while another did his part.

Vital Extra Acres

Many farmers are already cultivating more than one-fourth of their arable land and are not concerned with the Tillage Order. These are the men who have the tillage tradition; they have the experience and the equipment and in this time of dire need it is confidently hoped that they will increase still further their tillage area.

What You Must Do

If you occupy 10 or more acres of arable land you are required by the Tillage Order to cultivate at least one-fourth of such land in 1942. Immediate measures are being taken to ensure strict compliance with the Order.

The Crops to Grow

Give first preference to wheat. Sow Spring Wheat when the time is past for Winter varieties. Give next preference to potatoes, the crop which will feed man and beast. Increase the area under barley and oats and plough more land for the latter crop.

DON'T MISS THE TIDE OF SPRING!

Issued by the Department of Agriculture.

FORTECOMING ARDMORE DANCE.
Alderman dancing patrons throughout West Waterford and East Cork are looking forward to the Ardmore L.D.F. L.S.F. second annual all-night dance, which has been arranged for St. Patrick's Night in St. Declan's Hall. This promises to be an outstanding attraction and a big attendance is assured. A capable organising committee will have charge of arrangements and splendid music will be supplied by band.

THE FISHING SEASON.
An earlier start has been no big run of fish just yet, the salmon fishing season on the Blackwater and along the coast has been reasonably good so far and some fairly satisfactory catches have been secured. Some boats have been more fortunate than others. The recent cold weather has, however, militated against any noteworthy improvement and it is hoped that the unhappily late start of the season will improve.

WEST WATERFORD HUNT.
On Tuesday the West Waterford met at Cashmore and had a good day's sport in the locality. Conditions were ideal for hunting although the ground was somewhat hard.

SUPPLIES AND PRODUCTION.
The scarcity of essential commodities shows little signs of improvement, in fact it appears that the position will grow gradually worse owing to the spread of the war and the consequent disruption of shipping. Who here is hoping that in some instances could imagine the position to-day when goods such as tea, coal, gas, oil, etc., are available in quantities? We have, however, a good deal to be grateful for and are, undoubtedly, one of the happiest (if not the happiest) nations in the world at present. We have a sufficiency of essentials and are, in fact, one of the happiest nations in the world at present. We have a sufficiency of essentials and are, in fact, one of the happiest nations in the world at present. EASY PAYMENTS FOR FURNITURE.
As we have now added a very extensive furniture department to our already extensive business, we are offering a scheme whereby at a price of £100 you can purchase the highest grade furniture for very reasonable terms, payments to be made over 12, 18 or 24 months. From time to time we will stock all the new patterns which are coming out every other month. Our clients may rely on us to look after their interests and to see that the quality is the highest grade on the market. We are fitting up a magnificent show-room. Our immense stock comprises of bedroom suites, drawing-room suites, ward and brass rail bedssteads, sideboards, wardrobes, gent's dressing robes, wood mantelpieces, dressing tables, bedding, spring mattresses, and kitchen furniture of every description; linoleum, floor cloths, corkoleum squares, carpets, heart rugs, rope mats, Indian mats, household utensils, cutlery and not a few, but the result rebounded to the credit of whomsoever due.

We have been given the sanction of the work already done in the club, and the verdict on the merit of that work has been given both by public and spontaneous acclamation, as well as individually and privately, and not one has had the temerity to disagree that "The Footlights" are efficiently being put forth and, if I am convinced, it will be forthcoming and in full measure.

Who in the Old Boro' ever conceived that the historic faculty was so highly developed in our midst? This trait in our rising youth, who are fully equipped with facilities for that development hitherto, has been a revelation. The cause for the playing of "The Private Secretary" was excellent in performance and in team work that the expression of pleased surprise could be read in the eyes of the packed audiences, while the enthusiastic and sustained applause attested sincere pleasure at the fare served.

The initial progress has demonstrated itself, and we cannot get enough, that we cannot satiate ourselves, but that we feel to remember that the things which we most appreciate are now severely rationed and, therefore, we cannot expect to enjoy such fare any more than exquisite drama in full measure.
