

WEST WATERFORD NEWS

DOMESTIC ECONOMY CLASSES.—Classes in domestic economy under the auspices of the Waterford Co. Committee of Vocational Education will commence at Clashmore on Monday next, 9th inst. It is hoped that there will be a satisfactory attendance at both the day and night classes as it is of the utmost importance, that in these difficult times, the utmost economy and efficiency should be employed in household management. Similar classes will be held at Ardmore centre.

G.A.A.—All clubs are now busily engaged making the necessary preparations for the beginning of the championships. The transfer of some leading players has considerably strengthened several clubs who can look to the future with confidence. At this stage it is of interest to recount the past performances of the clubs in this branch. Clashmore won the S.F. championship on three occasions, 1915, 1922 and 1923. In the old days Clashmore had a great team and were S.F. titleholders in 1896 and 1891. Ballyduff Upper won the title in 1924. In junior football amongst local teams who won the championship are Villierstown (1910), Ardmore (1913), Bricey Rangers (1927 and 1941), Knockanore (1940), and Ring (1924), while a minor football title went to Villierstown in 1927. With the exception of Ring all the above-mentioned clubs are still in existence. Clashmore entered the J.F. final in 1934 and were most unlucky to be defeated by a strong Rathgormack side on a replay. Up to the final which Clashmore could do everything but score and monopolising the play throughout the second half. The result was a narrow one. This season Clashmore has two teams entered for the championships, one in junior football and the other (St. Michael's) in the J.F. Ardmore have entered a team for the J.F. championship and a Kinshilla-Ardmore team will contest the J.F. championship.

L.D.F. RECRUITING.—It is to be hoped that the efforts to obtain further recruits for the L.D.F. and other voluntary national services on St. Patrick's Day will be successful. All groups urgently require more recruits so as to perfect the scheme of national defence—a matter which is of the utmost importance at present. As An Tuaisceach has advised, all young men not in the services should join the L.D.F. and all others should attach themselves to the L.S.F. Red Cross etc.

FISHING.—Unfavourable weather conditions have adversely affected the run of salmon in the Blackwater and along the coast and during the past week the fishermen had a rather lean time, few favourable catches being recorded. An early improvement is hoped for.

OF INTEREST TO-DAY.—The following is a copy of a report of Waterford Assizes which appeared in "The Dublin Evening Post" of March 9th, 1933:—"Dungarvan Election—Mr. Scott said that at the Dungarvan Election he was, in fact, a candidate, but that it was of no ordinary character, occurred, therefore, he hoped that the case would be brought to the attention of the Court—I will call the grand jury in, and as many of them are magistrates I will expect them to be how unnecessary it is to bring these cases before the assizes.

Mr. Scott—This is an ordinary case of riot, one man died of the wounds he received on the first day. On another the house of a person was attacked, and the riot was the reverse candidate—the Riot Act was read—the military was called out and in such a riot as this, it is carried, that the soldiers at length called out—"how long are you to this?" They fired—two lives were lost during which three other houses were demolished. Your worship must see it is no ordinary case and must have indicated the parties for more but I feel satisfied with the present indictment.

The Judge (Mr. Justice Torrens) agreed to hear the case. Maurice Dower, George Meade and Mary Landers were charged with riotous assembly at Dungarvan during the last election. Dower pleaded guilty and the others not guilty.

The Court—I think as there are other persons concerned in this riot it would be better to postpone the case; I have looked over the information and cannot see anything about the fire alluded to by Mr. Scott.

Mr. Scott—We will take the verdict against Dower and postpone the others.

Court—Mary Landers, pray what had you to do with this election? Mary—My Lord, nothing at all, I was looking on.

Mr. Haggis to Mr. Scott—Oh! she's a very wicked woman.

SYMPATHY.—Deep and widespread sympathy is extended to Mr. L. D. Dunne and Mrs. Dunne, Main Street, Cappoquin, in their bereavement occasioned by the death of their infant son, which sad occurrence took place on the 2nd inst. A big cortege of sympathisers accompanied the funeral to Affane Churchyard.

NEW HON. SECRETARY.—At the annual general meeting of the Cappoquin Hurling Club Mr. Sean Bell was elected hon. secretary, in place of Mr. J. P. Daly, who retired and was appointed vice-president. Congratulations are extended to Mr. Bell on his appointment.

DEATH OF AGLISH NUN.—The death occurred during the past week of Sister Mary Clive, of the Little Sisters of the Poor, Preston, English, and a native of Curragh, Aglish. Deep sympathy is extended to her bereaved father, brothers and sisters.

LATE MR. MICHAEL FOLEY, BALLINROAD. The death took place at his residence, Ballinroad, Dungarvan, on Tuesday morning last, of Mr. M. Foley. An honest, upright, gentleman, the deceased was a general favourite with all who knew him and who will now mourn his passing.

WITH THE LIMITED QUANTITY OF COAL AVAILABLE THIS WINTER, we must ascertain what is the most economical form of cooking. When we examine carefully all the newest types of ranges we will find that there are obvious faults in most of the new ranges. One would have to put almost a week's supply of turf to light the fire, as the fireplaces are so large. If one would carefully examine the "Victor" range you will find that the fireplace is the ordinary size, and it is designed to burn coal, turf or timber, either individually or mixed together, and in addition to that can be converted into an open fire which gives a cheery warmth to the room. If you install a "Victor" range manufactured by the famous firm, Philip Pierce and Co., Waterford, you will have made a very wise choice, as you will make your fuel go twice as far, and that is a consideration, as we believe coal will be almost impossible to procure during the coming winter, and you may rest assured that we would not give our new famous guarantee unless we were convinced that this is the most economical range on the market, and you will never regret installing one of these famous ranges. Place the order with their agents in the district and you will not regret it. Sole agents: Harpur Brothers, Waterford.

KILMACTHOMAS NOTES

A FLOURISHING CLUB.—There was a full attendance of members at the first annual general meeting of the Irish Farmers Athletic Club, Portlaoine, and the proceedings were most enthusiastically conducted. The reports submitted by the Hon. Treasurer and Hon. Secretary, respectively, revealed a highly successful initial year's working, and both statements were adopted unanimously. Officers and Committee elected for the coming twelve months were as follows: Joint Hon. Presidents—Rev. L. Vereker, C.C. and Mr. Kennedy O'Brien; Chairman—Mr. E. (Ted) Wall; Hon. Secretary—Mr. L. Keelan; Committee—Messrs. M. Quirk, J. Doyle, P. Duggan, J. O'Connell, J. Carroll, P. Maher, P. McGuire, M. Hickey, J. Egan and P. Kennedy. It was decided to stage a cross-country trial for the coming early date. (We warmly wish this admirably conducted A.C. continued success.)

GONE BACK.—After spending 6 months in Kilmacthomas (her husband's birthplace), Mrs. M. Kieley, wife of Mr. Patrick Kieley, has just returned from the Maternity Hospital to rejoin her spouse in London.

GREYHOUND PUPPIES PURCHASED.—Mr. Harry O'Neill, the well-known pover, has just purchased from the Maternity Hospital two puppies from Messrs. John Kiersey, ex-T.D., Ballyhass, and Simon Kennedy.

WE LEARN that Judge Sealy's decision (in favour of the respondents) in the recent Newtowm (Kilmacthomas) National School case at the Waterford Circuit Court, is to be appealed against.

LECTURE ON FIRST AID at the Court-house, do., on Monday night to a capacity assembly, representative of the local L.D.F. and L.S.F. Groups, Parish Council, and Branches of the Red Cross Society & Irish Countrywomen's Association, respectively. Messrs. O'Grady and Gallagher, of Waterford, acted as speakers.

KILMACTHOMAS DRAUGHT SOCIETY.—A capital chosen programme of vocal, instrumental, step-dancing and novelty numbers presented by the above talented troupe, proved thoroughly pleasing in its every feature to a cultured and appreciative audience at the commodious and comfortable Pike Hall, on Sunday night last. The gifted group of artists included: Mrs. J. Maher (contralto), Mr. Paddy Kirwan (bass-baritone), Mr. Berkie Power (tenor), Mr. David Kiersey (saw-music maker), Mr. John Maher (comedian), Mr. Tom Scoury (harmonic), the Misses J. Maher, D. McGrath, H. Power and P. Gallagher (step-dancing and singing), and Messrs. Andy Joy, Michael Power, and Paddy and John Russell (in cowboy choruses). The Misses P. Vouden and M. Barrow, Shabbally, stepped down together, to the proverbial reins of nicety, being well worthy the plaudits accorded them. Mr. Maher (piano) accompanied the vocalists and Mr. Tom Russell, Englishtown, played for the step-dancers. Mr. Sam Moore (Professional Bank Kilmeane) acted as MC. With wanted ability, and at the close thanked the audience for their attendance and appreciation of the efforts of the various performers. The entertainment ended with the singing of the National Anthem.

SYMPATHY.—Universally esteemed Mr. M. Power, C.C., Kill, has the whole-hearted sympathy of his parishioners and well-wishers throughout the Decies in his bereavement occasioned by the death of his cousin, Rev. W. Hahesy, P.P., Winterville, Iowa, U.S.A. The deceased Pastor studied for the priesthood at St. John's College, Waterford, and received his ordination 22 years ago in Waterford Cathedral. He visited his natal home at Kilmacthomas, on five occasions since he took up his appointment on the American Mission.

LISMORE NOTES

DEATH OF MRS. LYONS, MONASTERRIVE.—The sad news of the death of Mrs. Lyons, Monasterrive, who took place on Friday, February 27th, came as a great shock to her numerous friends and relatives in town and country. The deceased, a lady who was the wife of Mr. Patrick Lyons, a highly respected member of the farming community, was well-known and extremely popular in the neighbourhood. She was characterised by a sympathetic nature and a kindly good humour, and endowed with these and many other fine qualities she reared her large family in a most successful and happy manner. Only a few days before her death she was seen in her usual good health and spirits, and this fact renders sadder the bereavement of her husband and family, to whom the deepest sympathy is extended. The large gathering of people which attended for the removal of the remains to Church of St. Mary's on Saturday evening was striking proof of the esteem in which she was held, and the funeral for the interment on Sunday was of no less large dimensions. The Rev. T. O'Gorman, C.C., officiated. The chief mourners were: Patrick Lyons (husband); William, John, Patrick (in America), Michael, Joe (sons); Nora (in America), Mrs. Scarsion, Bridget, Mary and Ellen (daughters).

A FINE VARIETY ENTERTAINMENT.—After a period of six years or more we have a return visit to the town of the very popular variety show, the "Parade" Club. It is a high tribute to the management that despite the many difficulties attendant on the maintenance of such a company at the present time that they have managed to preserve the high standard of entertainment which has made them so deservedly popular. The large crowds which nightly filled the spacious Palladium Cinema where the show is being held, are treated to a first-class programme of songs, music, dancing and sketches and plenty of Irish wit and humour. It is the inimitable Johnny A. special feature which has been the mixed competitions for local amateur artists. Held during the week, which provided much interest and amusement. We have been treated to fine talent from the most unexpected quarters, and prizes have been won by our budding McCormacks, Bing Criesies and Larry Adams.

CAMANS IN ACTION AGAIN.—The ball was set rolling for the 1942 season at the Tourin venue on Sunday last when the new Tourin Junior team met Affane-Modelligo in a friendly game. Hurlers of great promise were seen on both sides and the new Tourin combination proved themselves worthy successors of the late champions by winning their first match.

SEED FOR ALLOTMENTS.—The early potato seed for this year's allotments was distributed at the market yard on Saturday last. The land has already been ploughed in preparation for the big offensive, so a start is expected to be made any day.

MOOREHILL NOTES.—The annual 45 drive under the auspices of the Moorehill hurling club, was held at Moorehill hall on Sunday night and despite the inclement weather was a great success, large crowds travelling from the surrounding districts. The driving was a popular one and this was again evident on Sunday night, when the hall was filled to capacity with a thoroughly enthusiastic group of players, who one and all enjoyed the keen contests which were witnessed during the night and the last six decided to divide the prize money. The lucky ones were: Miss M. Callaghan, Moorehill, Mrs. M. O'Connor, Tircullen; Mr. M. Hogan, Ballinaha, Mr. M. Aheron, Dunson; Mr. J. Moran, Hickey, do. The club committee desire to thank very sincerely all those who attended, also all who helped in any way, by giving tables, lamps, etc.; to each and everyone they are very grateful.

ACCIDENT AT LOCAL MILLS.—On Friday evening last, Mr. W. McLennan, sawyer, Headborough, received rather serious injury at the local saw mills, during sawing operations. From details received, it appears a small stick flew off the saws and struck Mr. McLennan on the forehead, rendering him unconscious. The lecture was of a most interesting and instructive nature and there was a very large audience of both men and women from all over the surrounding districts.

FARM WORK.—With the past few weeks, during the very favourable weather, farmers were working from dawn to dusk preparing for the coming year's work. The day of imports is gone, and from this onwards we must be a self-supporting nation.

THE wakened earth to warming sun, And give all men their daily bread. G.A.A.—Follow and You are putting in some hard training for the local tournament play. Both teams are confident, so a great game is assured on March 15th.
