DUNGARVAN HAD AN EASY

WIN.—On Sunday last Dungarvan had a rather casy win over the St. Augustines (Abbeyside) in the first round of the minor football Co.

Championships. A strong wind in Dungaryan's fayour in the first half kept the play in the St. Augustines' goal mouth for most of the thirty minutes. Bad shooting on the part of the home forward gave Abbeyside lads a chance of trying to get level on the turn over. In the second half the Village boys showed up much better but met a stone wall defence. Dungaryan took advantage of the Dungarvan took gdvantage of the few charces got in the second fialf to add to their half time score. The standard of football was not great but Dungar an showed promise of arrangement of the forwards would help. Goode, Lyons and Donnelly were outstanding for the winners while O'Brien, Beatty and Barron gave a good display for the losers. BALLTDUFF JUNIORS VISIT LISMORE Sunday next at Lis-more ground Ballyduff junior foot-ballers meet the local team in the first round game. Lismore have been hard at it for the past two weeks getting a good sound team together and they should be in good shape by and they ounday. They are always able to ount on about six real good footllers but up to this had some difficulty in getting the rest of the team interested. This year I hear that they have got some new players who are keenly interested in football only and they took as if the should have a majeless invited the should have a real class junior to Bally-duff will have a young ; st un-tried team out but from w. I hear

they have no small hopes getting into the second round. For pall was the big game in Ballydus in former years and a little would give the lads there encouragement to come again. I would count on a very close game MINOR HURLING AT TOURAwill be out for the first time against Dungarvan on Sunday. It is a big thing to undertake to get fifteen under 18 years' lads together in a country parish and all of them with some knowledge of hurling. This first year will be the hardest as once a start is made things come easier a start is made things come easier after that. Fourmilewater are meeting a good even, great team in Dungarvan but I remember a few years ago the junior hurlets out there took on a Dungarvan team against which it was said they did not have a ghost of a chance. Dungarvan went home sadder and wiser men that evening and it could happen again. Dungarvan are certainly favourites for Sunday but favourites don't always win and that's the time to be there to see a good same.

here to see a good game.

KEEF AN EYE ON "MOSS" ings are moving. Friendly games are being arranged and new men tested in the most approved hush-hush style. So with the men and the means our old friend from Kinsalebeg will be heard
