NOTDLAG.

Here comes Christmas once again with its story of a Star, of wise men who looking up beyond the discomforts of a tedious journey in mid-winter, followed it and found a crude stable and the newly-born Babe Divine. What of mankind after almost two thousand years? Look at the map of the world and you will feel like covering your face with your hands but then a much abused phrase—the one bright spot—verified. "Eire stands peacefully—'Though darkness, death and frightful sound 'Are in the air and all around'."

And so, as of old, Christmas will find in the Emerald Isle a fit setting for its Bethlehem peace. At this blessed time, as we thank God for His mercy, let us not forget the millions made desolate by a war in which they had no say. Readers, advertisers, friends!—More than ever, we warmly wish you all you wish yourselves, a quiet happiness within, protection from without, and that peace which the world cannot give.

TOYS! TOYS! TOYS! MOLONEY'S are now showing Xmas Range of TOYS. Owing to the great difficulty in procuring stocks, Customers are advised to purchase as early as possible.
