THE BALLYCOE TEAM.

the praties grow." Have you heard the news that's going around; the truth I'll let you know; There's a team affiliated and they come from Ballycoe. 'Tis up and down the country, they

are playing both night and day, And when the championship comes 'round they mean to hold full sway. Now in this Ballycoe team there are some stalwart men, They are heavy and light and fit to fight, and tall and fat and thin; And when they go to play a game,

they will be to the fore; They will burst the ball or burst themselves to try to get a score. In the G.A.A. and the N.A.C.A., and every "A" thats there, With the champions of this Ballycoe team their athletes can't compare. They will run and jump and hit a thump and kick both high and low;

"Tis'nt everywhere men can compare with the men from Ballycoe. They are challenging all and sundry. they don't care who they meet, And when they go to play a match, to watch them is a treat. Where e're they play the people say "to see them we will go, And we will get our money worth

from the men from Ballycoe."

There is another team in Durrow and I hear them say they're good; They are beating every team they meet when they are in the mood; But when they strip and don their togs and out the field they go, 'Tis then the'll meet their Waterloo at the hands of Ballycoe.

You all know Jackey Bumster, an old Gael of great renown,
I went to interview him when he I asked him what he thought of them. he said he would let me know, When he'd see them out in action.

And when again the new year comes they'll be ready for the fray, have a say;

You must go and read the posters to know just where to go And give three hearty cheers my boys for the men from Ballycoe.
