DUNGARVAN COURT.

190 SUMMONSES ON BOOKS

Many Cases Adjourned.

Licensing Cases Under New Act.

A total of 190 summonses had been issued for the sitting of the District Court held at Dungarvan on Tuesday last before Mr. J. T. O'Connell, Special Magistrate. Mr. O'Connell, on behalf of Mr. M. Egan, Hotel, made a special application for the night of June 7th, 14th, and 21st from 12 midnight to 3.30 a.m. on the nights of the 7th and 21st, and from 12 to 3.30 a.m. on the night of the 14th (Whit Sunday).

Inspector J. Croke, representing Supt. O'Mahony, said there was no objection to the exemptions but he understood that under the new act a special order should be got for each separate date. The Justice granted the exemptions as according to the Act. Mr. Williams, solicitor, on behalf of Mrs. M. Egan, Hotel, made a similar application for the night of the 28th May, on the occasion of the Boxing Tournament under the auspices of the L.D.F. This application was also granted.

School Attendance.—Guard L. Farrell, School Attendance Officer, had the following proceedings under the School Attendance Act: John O'Brien, Loughmore (P.O.A.); Johanna O'Brien, Ballymore Place, fined 1/-; John Hoare, Colinsgar (P.O.A.).

Drunk.—Guard Farrell v. John Roche, 31, Loughmore, drunk, fined 2/6. Guard Begley v. Thos. Flynn, Fitzgerald, Tce., fined 2/6. Guard McGowan v. John Delaney, 10, Canal Brugha Place, and Private M. Duggan, fined 2/6 each. Guard Begley v. Margaret Conboy, Canal Brugha Place (P.O.A.).

Unlicensed Dogs.—Guard Tangney, Ballinacilly, charged John Kelly, Kilbride Upper, with an unlicensed dog. A fine of 40/- mitigated to 10/- was imposed.

Licence Act.—Mr. Whelan, Craigue, Stradbally; Thos. Kirwan, Ballinacilly, Old Parish, Arfrey Lyons, Cappagh, Jas. J. O'Connell, John Quigley, Abbeyside, Thos. Burke, Kilmannan; P. Flynn, Bally Kennedy, Cappagh; M. Curran, Kilmannan; Thos. Carroll, Ballylennon; E. O'Brien, Kilmannan; P. Fitzgerald, Ballinacilly; J. Walsh, do.; J. Early, Cappagh; P. Barron, Ballinacilly; C. Coughlin, Knockboy; M. Barron, Kilmannan; M. Dalton, do.; Alice Sheedy, Abbey, do.; M. Whelan, Stradbally; John Murphy, Abbeyside; P. Tobin, Kilmannan; C. Cleary, Ballinacilly; Thos. Carroll, Knockboy; M. Hays, Ballinacilly; Jas. Dunphy, Stradbally, were all charged under the new act. Fines ranging from 2/6 to 5/- were imposed. Sergt. Teehan and Guards McGowan, Enright, Giblin and Begley, Dungarvan, were complainants.

Obstruction.—Guard Giblin prosecuted Pk. Wright (car), Pk. Wright (car), Joseph Wright, and M. Power, Kilmannan, with causing an obstruction in the roadway at the Quay with timber. Defendants: Mr. Farrell, solicitor, represented the defendants.

Complainant said that in the evening of the 27th April he found the defendants unloading timber on to the Quay and gave measurements showing the space covered by the timber at the narrowest point and the space allowed for traffic.

Answering Mr. Farrell, complainant agreed it was about 6 p.m. he found them unloading. It was the narrowest part of the Quay and since the issue of the summons there has been no obstruction.

Mr. Farrell said his clients are carters who start out at Ballylennon they have to sling their loads out of the woods and don't get into town until about 5 p.m. and by that time they are tired and hungry to stack the loads until the following morning. Mr. Farrell, through his agent, Mr. Curran, has now agreed to pile the timber the following morning, and the Supt. has agreed with that. Guard Giblin referred to the recent fire and the difficulty the brigade had to get to the hydrants due to the timber.

Mr. P. C. Williams, solicitor, for the Urban Council said he had written to Mr. Curran (Mr. Dalton's agent) on the question of piling timber on the Quay.

Mr. Curran, 45/-, gave an undertaking that special orders for the hydrants would be left in future.

The Justice dealt with the case under the P.O. Act. **Tying Bicycle Without Owner's Consent.**—Imposing a fine of 20/- on a 14-day imprisonment on a

WATERFORD CO. COUNCIL

Senator John Butler presided at the quarterly meeting of the Co. Council at Dungarvan on Tuesday. Present were: Messrs. S. J. Moynihan, Co. Manager; M. F. Walsh, D. Heskin, G. Torpey, L. A. Veale, M. McGrath, D. Coughlin, M. O'Ryan, M. Hartly, Thos. Power, N. Sheehan, P. R. Power, W. Terry, W. Dower, Jas. Quirk, D. Foran, M. Halley, solicitor; Mr. J. Bowen, Co. Surveyor; Messrs. Dunne and Jephson, Assist. Co. Surveyors; Mr. P. B. Boyle, Acting Secretary, and Mr. M. A. Foley, were also in attendance.

Fixation of Date of Annual Meeting.—The foregoing was adjourned to the next meeting of the Council. **Rate Collection.**—The Secretary reported that on a general average 93 per cent. of the rate was collected as against 89 last year.

The Chairman said this was very satisfactory. He was sure their position in Ireland would be very near the top.

Turf.—Mr. O'Ryan said they were pleased the only Co. Council that has made turf profitable.

Mr. Coughlin-Turf left in the bag over the winter is unburnable. Mr. O'Ryan—Turf destroys turf. Mr. O'Ryan then referred to the possibility of getting turf in Kilmannan bog and said if turf were not there would save transport.

Mr. Bowen stated that a new road was made here about ten years ago at a cost of £200. The engineers wanted to make it one way and the people the other. The people would not do it. The making of a main drain road was a difficult task; it was more difficult to come down than go up. The road should be always longer now to get to the turf. During the present emergency this could not be done.

Co. Libraries Committee.—Mrs. Campbell, The Rectory, Abbeyside, was appointed to fill the vacancy caused by the departure of Mrs. Geing, on the above.

Flooding At Coolin.—A letter was read from the Land Commission relative to the flooding caused by a breach in the Clodagh River at Coolin. The estimated cost of the work is £2,500 and the Council was asked to contribute £500 towards the work.

Mr. Foran suggested the granting of £500. Mr. O'Ryan said it would be hard to distinguish between Coolin and other places.

The Co. Manager said he did not think this would create a precedent. Messrs. Walsh, Terry and Quirk then referred to breaches in the Blackwater which needed repairs.

Mr. Power suggested a report from the Co. Surveyor what the future maintenance charges, which the Council were asked to bear, would be.

The Co. Surveyor said he didn't think that the Council should be asked to maintain this embankment. The land should be able to bear the full maintenance. The Council shouldn't take a plunge in the dark. They had gone quite a long way in paying £500. A precedent he said, disappears when road flooding is considered. If the Council decides to give maintenance, further figures as to the amounts in the present and the future should be ascertained.

The matter was adjourned to next meeting and in the meantime the letter from the Land Commission will be circulated. Mr. Hartly asked if the Council's engineers had any say in this £500.

Co. Manager.—No. Mr. Hartly said the Council should insist that the Co. Surveyor and his engineers should have a say in the matter.

New Road.—The following notice of motion from Mr. Heskin was in the agenda: "I beg to give notice that I will move at the next meeting of the Co. Council that a new road be made on the existing old road from Cool through the lands of M. Deyne and M. Tanners to the main road at Glenmore."

Mr. Heskin, speaking on the motion, emphasised very emphatically the necessity of this road. There was no question of compensation. Some farmers had to travel 1 1/2 miles to get to Ballyduff due to the absence of this road. It was very necessary to connect the whole area.

Mr. Quirk said all that Mr. Tanners wanted was a tunnel under the new road to allow his cattle go for water. He (Mr. Tanners) was prepared to let the road go any way the Co. Surveyor wished. The Co. Surveyor reported very

WATERFORD CO. COUNCIL

labourer was being driven from the land. People were coming out from the towns to tenant the agricultural labourers' cottages.

The Co. Manager said he was always more than anxious to let cottages to the agricultural labourers.

Mr. Heskin said in his area cottages had always been at suitable persons.

The Co. Manager said any representation made to him from Co. Council members would be considered by him. The local rent collector certified the applications as correct.

Mr. Terry referred to a recent letter in the Press under the non-renting of Cottages Tenants' attacking Mr. Hartly, and he asked if this tenant held that cottage under the conditions of the Act.

Mr. Hartly said he didn't suggest that tenants should be made liable for repairs. When an amount of glass breaking, malicious damage, in the Clonmel area was mentioned, he did not see why this should be at the expense of the ratepayers. It was wrong to see some cottages needing repairs and others not. He had also to repair those maliciously damaged. He then went on to the attack made on the foreman and Council's employees in the letter and said these men had their characters to uphold too.

Mr. Quirk—ignore it. The Co. Manager said he would investigate any tenancies that were thought to be wrong.

The deputation then came before the meeting and the spokesman said that for a cottage at Kilmannan there were five applications from farm labourers and one from a dock worker and the dock worker got it.

The Co. Manager said he should refer the matter to the next meeting. If an injustice had been done it would be rectified.

Mr. O'Ryan said the agricultural worker should be encouraged to get the land and the cottages should be let to agricultural workers only, where they are qualified.

The Co. Manager said he had always taken these points into consideration.

Co. Libraries Committee.—Mrs. Campbell, The Rectory, Abbeyside, was appointed to fill the vacancy caused by the departure of Mrs. Geing, on the above.

Flooding At Coolin.—A letter was read from the Land Commission relative to the flooding caused by a breach in the Clodagh River at Coolin. The estimated cost of the work is £2,500 and the Council was asked to contribute £500 towards the work.

Mr. Foran suggested the granting of £500. Mr. O'Ryan said it would be hard to distinguish between Coolin and other places.

The Co. Manager said he did not think this would create a precedent. Messrs. Walsh, Terry and Quirk then referred to breaches in the Blackwater which needed repairs.

Mr. Power suggested a report from the Co. Surveyor what the future maintenance charges, which the Council were asked to bear, would be.

The Co. Surveyor said he didn't think that the Council should be asked to maintain this embankment. The land should be able to bear the full maintenance. The Council shouldn't take a plunge in the dark. They had gone quite a long way in paying £500. A precedent he said, disappears when road flooding is considered. If the Council decides to give maintenance, further figures as to the amounts in the present and the future should be ascertained.

The matter was adjourned to next meeting and in the meantime the letter from the Land Commission will be circulated. Mr. Hartly asked if the Council's engineers had any say in this £500.

Co. Manager.—No. Mr. Hartly said the Council should insist that the Co. Surveyor and his engineers should have a say in the matter.

New Road.—The following notice of motion from Mr. Heskin was in the agenda: "I beg to give notice that I will move at the next meeting of the Co. Council that a new road be made on the existing old road from Cool through the lands of M. Deyne and M. Tanners to the main road at Glenmore."

Mr. Heskin, speaking on the motion, emphasised very emphatically the necessity of this road. There was no question of compensation. Some farmers had to travel 1 1/2 miles to get to Ballyduff due to the absence of this road. It was very necessary to connect the whole area.

Mr. Quirk said all that Mr. Tanners wanted was a tunnel under the new road to allow his cattle go for water. He (Mr. Tanners) was prepared to let the road go any way the Co. Surveyor wished. The Co. Surveyor reported very

favouredly on the matter and said it was of very great convenience to them that Mr. Tanners let the road follow his avenue. He had no objection to having the work done.

A resolution was accordingly passed that the work be carried out and the lands be acquired in accordance with the Co. Surveyor's recommendation.

Acknowledgment.—Waterford Jail Wall Disaster Committee wrote acknowledging the resolution of sympathy passed by the Council.

Dungarvan Branch I.M.T.O. sent a resolution relative to their disagreement with the manufacture of scheme which allowed pupils on rolls of secondary schools to sit for the Council's primary schools scholarship examination.

The matter was adjourned.

Ballinacilly.—A resolution was read from the Dungarvan Urban Council protesting against the ration of 4 lb. butter per person per week and against the manufacture for export of milk products until the requirements of the community are first adequately provided for.

Mr. O'Ryan said a time of barter had come now when milk products had to be exported to get other necessary commodities.

Mr. Veale did not agree with Mr. O'Ryan's theory.

Mr. Heskin said the whole trouble was that the price given to the farmer for his milk did not cover the cost of production and leave him a fair margin of profit.

Mr. Hartly said dairy cows and heifers would not be exported in such large numbers had a more remunerative price been got for milk.

Mr. Terry—More store cattle are kept now owing to the uneconomic price of milk.

The Chairman said the rationing system was the only way whereby butter could be evenly distributed. They should not protest against the system but against the amount.

Mr. Heskin drew attention to the difficulty in getting people to milk cows and suggested a decent price for milk. "Butter at a price," he added, "was better than no butter."

The first part of the Urban Council's resolution was adopted and a resolution proposed by Mr. P. R. Power and seconded by Mr. W. Terry to the effect that the members of the Council should be asked to pay for milk in the summer period and 1/1 per gal. from October to March, was also adopted.

Afforestation.—Mr. Veale proposed the following resolution: "That we urge the Government to make immediate provision for full scale afforestation. In our opinion this work which is of vital national importance will prove a sound enterprise, provide considerable employment and be a fruitful source of wealth production."

Mr. Veale, speaking on the above referred to the importation of timber and the importance of the timber industry in Norway and Sweden. People on Public Boards should concentrate on this matter. Until the public are sufficiently interested nothing can be done. A lot of preliminary work can be done at present.

Mr. Hartly suggested a drainage scheme as there was a possibility that land might be planted which was good land.

The Chairman agreed with afforestation.

Mr. Power referred to the scheme adopted by the Co. Committee of Agriculture in relation to above.

Mr. Veale suggested the County Council should take charge of the scheme as it had great organisation.

Mr. Bowen said a Government department had charge of it and was doing good work at present. The job was sufficiently big for an organisation of its own.

The resolution was adopted.

Slippery Roads.—The Chairman referred to certain steep, slippery inclines and asked the Co. Surveyor to make a survey with a view to rectifying the matter.

The Co. Surveyor said he had attended to quite a number of these complaints from a number of members. There might be some things difficult or impossible but they would do their best to meet any request.

Hospitalisation Scheme.—Mr. Hartly asked had any grants for the hospitalisation scheme been received from the Hospitals' Trust.

The Co. Manager said there had been grants made but not regarding the local hospital.

Helwick Harbour.—Mr. Hartly drew attention to the necessity of dredging in Helwick Harbour.

Mr. Bowen pointed out that dredging had been carried out here some years ago but funds gave out before the work was completed. It ought to be sufficient to carry them on for a while. The cost of dredging was very high.

The Chairman asked that the cost of dredging be ascertained.

Diseases of Animals Committee.—In reply to a query by Mr. Coughlin, Mr. Halley, solicitor, said he thought the power to make appointments under the above were reserved to the Co. Manager. The Local Government Department had also some doubt about this which they are considering at the moment.

Mrs. O'Brien said that on 28th of April when returning from the Pictures as she passed defendant's house, defendant ran out and caught her from the back and pulled her down and sat on her while she hit her on the face. Witness went to the Barracks where she saw Guard Begley and reported the matter. Witness cannot pass through the street with defendant who uses the foullest of language. Witness is afraid as defendant said she would attack her again.

Guard Begley said that Mrs. O'Brien when she came to the barracks had a very bad wound over the right eye, which in his opinion could not be infected by a fist, a stone must have been used. Complainant's face was bad when he saw her 12 days later.

Elizabeth Keohar said she was in company with Mrs. O'Brien coming from the pictures when she was attacked, the attack lasted nearly 10 minutes.

Nora Duggan, Cathal Brugha Place (sister of Mrs. O'Brien) also gave evidence. Mrs. O'Brien said she was afraid of defendant who threatened to blacken her eyes and hit her through her brother would be gone away.

Mrs. Duggan in evidence said that her husband was a brother of Mrs. O'Brien and when her husband is home Mrs. O'Brien keeps him from going back and witness is left without his money.

To Mr. Farrell who examined witness, she denied that her husband left her through her association with a man named Costigan while the husband was away.

The Justice adjourned the case for 3 months.

Area Exception Order.—Inspector Croke applied for an area exception order for Sunday, June 13th, for the hurling match, Tipperary v. Waterford. The application was granted.

Larceny of Coat.—A young girl named Kelly was charged with the larceny of a schoolbag coat in January last.

Mr. Williams, Solr., for accused said that her father had secured a job for her away.

Sergeant Liddane replying to the Justice said that the coat was not much value now it was taken in January and not recovered until April.

The Justice dealt with the case under the P.O. Act on Mr. Williams' undertaking to pay £1 as compensation to the owner.

Larceny of Timber.—Inspector Croke charged 4 young lads, Joseph and Paul, (brothers), and Patrick and Christopher Dunn, (brothers), with the larceny of timber from Clonacran.

The Justice applying the P.O. Act told the defendant's that if they are up before him again they will go under the Town for a term.

Playing Skittles.—4 young lads named Hamilton, Hickey, Sullivan, and Lynch were charged with playing skittles on the public street to the annoyance of the neighbours.

The Justice said if it did not stop the parents would only be paying fines.

Guard Straine had another young boy named Dunne prosecuted for playing skittles in Thomas Terrace. Complainant said that the residents are complaining.

Guard Burke had 3 further youths charged with playing hurling on the public street at Michel St. Two of the boys appeared and were dealt with under the P.O. Act and the youth who did not appear was fined 2/6.

KILMACHTHOMAS NOTES.

Death in Exile.—At both the 9.30 and 11 o'clock Masses at St. Anne's Church, Ballylennan, on Sunday last, prayers were requested for the repose of the soul of Mr. Thomas Condon, a former parishioner, who died recently in America, and for whom Masses were said during the week. The late Mr. Condon was brother of Mr. James Condon, farmer, Broomahon, a most respectable and respected neighbour.

The May Fair.—Kilmachthomas' monthly fair was held on Tuesday last, and was well stocked in all departments. The usual buyers were in attendance and an appreciably large volume of business was transacted. Quotations: Cattle—yearlings, £10 to £14; two-year-olds, £18 to £22; 2½ to 3 year olds, £25 to £28; springers, £25 to £35; dropped calves averaged £3 10s. each. Swine: Bonhams, £2 to £3 10s.; 2½ to 3 year olds, £25 to £28; springers, £18 to £25. Sheep ranged from 80/- to 100/- and lambs, 50/- to 60/- each.

Death of Mr. M. Hennessy.—The death of Mr. Michael Hennessy, farmer, Carrigreen, Kill, took place at St. Patrick's Hospital, Waterford, on Thursday of last week, and was regretted throughout East and mid-Waterford, where he and his family have many wide connections and are very popular. Deceased, who had not been well for some time, bore his affliction with exemplary christian fortitude, and his joviality made him a favourite with all who knew him. With his bereaved wife, sons and daughters, and the other relatives, sympathy is universal. A large and representative cortege accompanied the removal of the remains to Kesh Church on Friday evening. After Requiem Mass, at 10 o'clock next morning, interment was made in the adjoining cemetery, in the presence of innumerable mourners and sympathisers. Father M. Power, C.C. Kill, pronounced the final absolution at the graveside.—R.I.P.

Death of Mr. E. Thompson.—By the death of Mr. Edmund (Ned) Thompson, Old Road, Kilmachthomas, a deep glow has been cast over our Mahon-vetted town and surrounding districts, where the deceased was worthily held in great popular esteem. He was a man of straightforward and upright convictions, and was very highly respected by everyone that knew him. Having received the last rites of Holy Church with sentiments of the liveliest faith, he passed away after a comparatively short illness and at a moderately advanced age. His sympathy is felt with his bereaved wife and sons (Paddy and Eddie) and the other proximate ties. The funeral took place on Tuesday evening from the residence to the old cemetery at Ballylennan, and the large number of mourners and sympathisers who attended formed one of the largest corteges seen locally for a long time. The most impressive manifestation of popular respect by all classes and creeds to the memory, and of respect and sympathy with his widow and children. Father Halley, C.C., headed the funeral out of the town. The remains were received at the cemetery and the burial service read by Rev. F. Walsh, C.C., Stradbally. A number of beautiful floral wreaths were laid on the grave and numerous Mass cards and messages of condolence were received. Masses for the repose of the soul of the late Mr. Thompson were offered up during the week.—May he rest in peace.

Death of Mr. P. Keane.—A familiar figure up and down the Decies was Mr. Patrick Keane, who died on a recent date at the District Hospital, Dungarvan. A native of Kilmacdonagh, Patsy (as he was more popularly recognised) was a musician and vocalist of considerable merit, and a lifelong ardent supporter of the games and pastimes of the Gael. He was also a notably fine swimmer. His demise has removed one of the good and true sports of the past. All that was mortal of him was reverently laid to rest on Wednesday week in the cemetery adjoining Ballyduff-Kilmacdonagh Parish Church.—Peace to his gentle soul.

The Annual May Procession will be held at Stradbally on to-morrow (Sunday) evening and will be followed by an enrolment of new members in the Children of Mary Sodality. In Memoriam.—Anniversary Office and High Mass were offered up at the Parish Church, Stradbally, on Monday morning of this week for the repose of the souls of the Very Rev. John Lennon, P.P., Stradbally, and his deceased parents, brothers and sisters and relatives. Rev. J. Lavan, C.C., Stradbally, was celebrant of the Mass, and the clergy assisting in the choir were: Very Rev. E. English, P.P., do.; Very Rev. J. Crothy, P.P., Kilmacrossanty; Rev. F. Walsh, C.C., Stradbally; Rev. J. Walsh, C.C., Kilmacrossanty; and Rev. J. Halley, C.C., Kilmacrossanty (cousin of the late Father Lennon). Amongst the large congregation present were: Messrs. Wm. LISMORE NOTES.

Confirmation at Lismore.—At St. Carthage's Church, Lismore, on Sunday last, His Lordship, Most Rev. Dr. Cohanlan, Bishop of Waterford and Lismore, administered the Sacrament of Confirmation to the children of the Lismore, Ballysaggart, Ballinvelva and Glangarra Schools. The Bishop arrived in Lismore on Friday evening and stayed at the Parochial House with Very Rev. M. Canon Walsh, P.P., V.F., As his Lordship entered the Church on Sunday morning a guard of honour of the L.D.F. under G/L James Ormond, presented arms, while the Salute was sounded by a military bugler. The Rev. T. Murphy, C.C., Lismore, was the celebrant of the Mass preceding the Confirmation ceremony. His Lordship was assisted by Very Rev. M. Canon Walsh, P.P., V.F.; Very Rev. Fr. Dooley, P.P., Ballyduff; Rev. Fr. Murphy, C.C., Lismore; Rev. Fr. Dunphy, C.C., Cappoquin; and Rev. Fr. Hendon, Lismore. In his address to the large congregation, His Lordship said he was pleased to witness the welcome and hospitality extended to him by Canon Walsh, the clergy, and the parishioners, and that he would forever remember with pleasure the occasion of his first visit to Lismore. He expressed his joy at having the privilege of preaching in the Church of a parish so rich in historical associations, and said he felt sure that the lively traditions of faith handed down by St. Carthage were still firmly enshrined in the hearts of the people. His Lordship then went on to say that he would like to impress on the teachers the importance of a sound religious education and the necessity of availing of every opportunity of providing such for the children at school, and to keep up the high standard. He then went on to deal with the good example which should be received by parents in the home. Good example, he said, produces a lasting effect and has far more influence when practised by those whom we love and respect. Continuing, Dr. Cohanlan stressed the importance of supervision over children from 14 to 16 years of age. He advised parents to teach boys and girls of this age received the Sacraments of Penance and Holy Communion frequently, and recommended the parish confraternities as a powerful means of achieving this end. Speaking to the children on Confirmation, His Lordship impressed on them the importance of the Sacrament they had just received. It could be received only once, and it made them strong and perfect Christians and soldiers of Jesus Christ, ready to profess their faith openly. They may meet those who would sneer and scoff at their faith, but through the graces they received from Confirmation they would defend their faith, and be prepared to die rather than deny it. His Lordship then administered the pledge against intoxicating drink to the children until the completion of their 21st year. Benediction of the Most Blessed Sacrament was then given by His Lordship, assisted by Very Rev. M. Canon Walsh, P.P., V.F., Lismore; Very Rev. Fr. Dooley, P.P., Ballyduff; Rev. Fr. Murphy, C.C., Lismore; Rev. Fr. Dunphy, C.C., Cappoquin; and Rev. Fr. Hendon, Lismore. Mrs. E. Cavanagh, N.T., Principal of Glangarra School, acted as sponsor for the girls, and Mr. George Armstrong, N.T., Principal of Ballysaggart School, acted as sponsor for the boys. The choir was under the capable charge of Mrs. K. O'Connell, Lismore. Following the ceremony, large numbers of the parishioners approached the altar rails to kiss his Lordship's ring.

Well-known Hurler's Departure.—The exodus from the town to Great Britain of our unemployed continues, and almost every day sees the departure of some of our young men in search of work. Among the latest emigrants was Joe Duggan, captain and mainstay of our senior hurling team. Joe's loss will be keenly felt by the club, and we venture to say that with his departure has faded Lismore's last hope of fielding a senior team this year. One of the greatest wielders of the camán in the county, Joe's appearance on the playing field was an event almost always looked forward to, and he could be relied upon to give a first-class display even under the most difficult conditions. His performance in the county final of last year against Erin's Own will long be remembered. Though suffering from severe head and facial injuries, and bleeding profusely, he refused to retire, and with that indomitable spirit which has characterised his every game he went on to give a brilliant exhibition of hurling. A great favourite with all, Joe carries with him the sincere good wishes of his hosts of friends throughout the county for his success and prosperity.

CAPPOQUIN NOTES.

McDermott's Master Cappoquin.—At the Sportsfield on Sunday last, McDermott's (Army) defeated the locals in a junior hurling challenge game. The weather conditions were ideal but the number of spectators was rather small. The local team was minus the services of most of the prominent players, but nevertheless they put up a very sticky fight and were only narrowly beaten. Despite the fact that Cappoquin had wind and sun in their favour in the first half, they failed to register a score. This young light and inexperienced team was no match for the parivier and craftier army lads. After the resumption, however, the locals took up the offensive and attacked repeatedly. They met with stubborn resistance from a strong McDermott defence, but managed to get a few scores. Splendid hurling was witnessed at this stage as Cappoquin strove desperately to overhaul their opponents. Despite all their efforts, however, they were still in arrears when the long whistle sounded leaving the army boys soundly winners on the score, 2-3, to 4 points.

Quarant Ore Devotions.—The Quarant Ore Devotions were carried out in St. Mary's Catholic Church this week. The Devotions commenced after second Mass on Sunday when the Blessed Sacrament was carried in Procession through the Church grounds and back again to the High Altar where it was exposed till the Holy Eucharist was closed at eight o'clock that evening. Adoration was continued again all day on Monday and concluded after 8.30 Mass on Tuesday morning. It was a most edifying spectacle to witness the large crowd approach the Altar to receive Holy Communion on both mornings. Great numbers of the faithful flocked to the Church both days to pay their respects to the Blessed Sacrament. Scenes of the greatest reverence and devotion were witnessed throughout, which reflected the highest credit on the people of the entire parish.

Bishop's Visitation.—His Lordship Most Rev. Dr. Cohanlan will visit this parish on Sunday next to administer the Sacrament of Confirmation to the school-children. As the teachers have already had in part a sound religious knowledge to their students we feel sure we may depend on them to make a very good impression on his Lordship on this, his first visit to the parish.

Labour Meeting at Cappoquin.—On Sunday evening a very successful public meeting was held in the Square on behalf of the Irish Labour Party. A very fine, enthusiastic crowd was present, and Mr. J. Collins, Chairman of the local Labour Branch presided and introduced the speakers. Apart from some interruptions, the speakers were accorded a very patient and attentive hearing. Mr. J. Ryan, U.D.C. and Mr. Thos. Nagle, Dublin, having dealt with all outstanding problems, unemployment, de-rating, etc., the speakers tried to impress on their hearers the necessity of having a Labour Government in this country and urged them to elect the party by voting strongly for the Labour Candidates at the coming General Election.

N.A.A. Club.—All preparations have now been made for the Novice Sports Meeting to be held on Sunday next, May 30th. A splendid grass track has been prepared in the Sportsfield so that some really first-class cycling ought to be witnessed. Large entries have been received for the numerous events and splendid prizes will be provided. The attractive programme features some novel events. The most exciting championship of Co. Waterford will bring into opposition all the leading "fliers," including our local Irish champion, Jimmy Foley. Jimmy won this event at Lismore in 1941, but was unable, owing to an injury, to defend his title in 1941, when it was won by J. Ryan, Waterford. The race was not held last year, so that the title is still held by Ryan. With Jimmy in such fine form as at present we hope to see him win back the title on Sunday next. In addition to our peerless Jimmy, we have a few other very brilliant athletes in the local club. Dan McGrath and his brother J. J. (Sonny) rank among the nations best sprinters. J. Power holds the high jump title of Munster, while in M. J. Sargent (jun.) we have a very promising young cyclist who should in time to come, equal the brilliant achievements of his clubmate, Jimmy Foley. Very few clubs in Ireland can boast of such splendid talent as this, so that Sunday next will see added lustre shed on the town of the "Old Cornerstone". A grand all-night dance in aid of the club will be held in the Boathouse on Sunday night and we hope to see it well patronised. May we mark that weather conditions will prove favourable to make the sports a success and so make Sunday next a red letter day for sport in Cappoquin.

The Ball Election.—Tuesday, June 22nd, is fixed as polling day for the General Election, and Wednesday, June 9th, is nomination day. A general election for the Seanad must follow inside 90 days, and it is expected it will be held about the end of July. The total number of candidates nominated at the last general election, held in 1938, was 214 for 138 seats. The first preference votes cast amounted to 1,235,985, and were distributed as follows: Fianna Fail received 667,732; Fine Gael, 428,615; Labour, 128,945; and Independents, 60,693. The following was the position of the parties following the contest: Fianna Fail, 77; Fine Gael, 45; Labour, 9; Independents, 7.

WEST WATERFORD NOTES.

Ma'ish At Aghlish.—At Aghlish on Sunday last, before a good attendance and under ideal weather conditions the two new combinations, Geesh Emmets and Blackwater Rovers met in the junior football championship. The game opened in spirited fashion and in the first five minutes the Rovers were a goal and a point up and this seemed to have a discouraging effect on their opponents. The first half was keenly contested with the river side team somewhat superior in all departments. The second half was also spiritedly fought out and the final score was 3-4 to 0-1 in favour of Blackwater Rovers. Although defeated Geesh Emmets put up a great fight against their stronger and more experienced opponents who should give a good account of themselves in the championship. Mr. John O'Rourke, Clashmore F.C., was an impartial and capable referee.

Great Replay.—The second replay of the Clashmore v. Old Parish junior football championship is sure to prove a super attraction and will draw a record crowd in anticipation of a great game. Both teams are training hard for the contest and at their next meeting will be "all out" to gain supremacy. Whichever team wins is sure to go a long way in the championship. The Clashmore Club desire a change of venue for the next game and that the Holy matter be discussed at the next meeting of the Divisional Board.

Confirmation At Clashmore.—On Thursday, 20th inst., His Lordship Most Rev. Dr. D. Cohanlan, D.D., Bishop of Waterford and Lismore, and his illustrious episcopal visit to the joint parishes of Clashmore and Kinsalebeg, and in the Parish Church of St. Mary's, Clashmore, administered the Sacrament of Confirmation to forty-nine children from Clashmore, Kinsalebeg, Ballycurane and Ikenock schools. At the Church Gates His Lordship was received by a guard of honour of L.D.F. At the confirmation ceremony the assisting priests were Very Rev. Fr. Murphy, P.P., Clashmore; Very Rev. Fr. Power, C.C., Clashmore; and Rev. Fr. Skehan, C.C., Ardmore. A huge congregation of well-wishers accompanied the children. His Lordship exhorted them to be good and faithful Christians and soldiers of Jesus Christ, ready to profess their faith openly. He urged them to be diligent in their duties and lead clean and upright lives. Speaking to the congregation, His Lordship said that he was pleased to see the good work being done in Clashmore and Kinsalebeg, and that he was glad to see the people of the parish had not let the occasion pass without showing their appreciation of Father Murphy's work in a practical manner. His Lordship concluded by paying a tribute to the teachers and parents for the excellent manner in which the children had been instructed in the Catholic doctrine. He thanked the teachers who acted as sponsors were Messrs. W. Supple, Clashmore and E. O'Brien, Kinsalebeg; Mrs. D. Kennedy, Do.; J. Fendergill, Clashmore; and Miss Hurley, Ballycurane, N.S., following the Confirmation Ceremony, Solemn Benediction of the Most Blessed Sacrament was held and subsequently a huge number of people kissed the Bishop's ring.

Bishop Visits Aghlish.—On Friday His Lordship the Bishop, continuing his episcopal visit, administered the Sacrament of Confirmation in Aghlish Parish Church to the children of Aghlish, Villierstown, Ballinacree, and Mountstuart National School. At the Church Gates His Lordship was met by a Guard of Honour of the L.D.F. under Group Leader T. Osborne. As the Bishop entered the guard presented arms. A very great congregation attended the solemn ceremonies. The assisting clergy included Very Rev. Fr. Gleeson, G.C., Aghlish; Very Rev. Fr. Fitzgerald, Aghlish; Very Rev. Fr. Fitzgerald, Cappoquin; Rev. Fr. Power, C.C., Aghlish; Rev. Fr. Murphy, C.C., Ballinacree; Rev. Fr. Murphy, C.C., Modeligo.

Clashmore Priests' Jubilee.—On June 4th next the Very Rev. Fr. Murphy, P.P., Clashmore, will celebrate the golden jubilee of his ordination to the priesthood. To mark the occasion and appreciation of the Very Rev. Pastor's great work, the people of the Parish have presented him with a beautiful cope, veil, set of vestments and alb, to be used in the local Parish Church. The people of Kinsalebeg have made a similar presentation.

Boxing Tournament.—Thirteen first-class bouts are on the bill for the great boxing tournament under the auspices of the Dungarvan L.D.F. Boxing Club to be staged in the Town Hall to-night (Friday). Doors open at 7 p.m. First bout at 8 p.m.

WANTED.—Farm Labourer, single or married. Good Milkier, etc. Free House, etc. Box 285 "Observer" D.O.R.

WEST DIVISION G.A.A. NOTES.

By "AN RUADHIDHE."

Poor Display.—The senior hurling trial at Dungarvan and the S.F. Co. championship game were very different games. The Eastern pick although short at least 5 of its best players had no difficulty in defeating the Western selection in a patchy game. The football also disappointed as the Army team was short a large number of its regular players due to injuries and other causes and they failed to extend Kilmacrossanty.

Objection Against Glen Rovers.—Touria junior hurlers have objected to Glen Rovers on the grounds that the Glen played (1) a player who was a member of another club, (2) a non-resident player. The case will be dealt with at the next Board meeting.

Dungarvan Meet Kilgobinet at the home venue of Dungarvan on Sunday Kilgobinet will meet them to try for the right of entry to the third round of the championship. The winners meet Ballycoe at Dungarvan on a later date. Great interest is centred on the game as it is believed the team that can earn the right to contest against Ballycoe will go far if they defeat the newcomers. J. Moloney, N.T., will be referee. Ballycoe meet Ring in a junior challenge prior to the championship game.

On Sunday last Senator Sean Goulding and Mr. M. O'Byrne attended a meeting at Kilmacrossanty, after Mass, on behalf of the Fianna Fail party. Senator Goulding, who is a native of the county, is a very successful and what a good thing it was that Senator Goulding took over the party. He saved us from the horrors of war. He then compared our lot as regards rationing to certain countries which were better off than we are. He concluded by asking the people to re-elect the Government who have given us the blessings of peace. Mr. O'Byrne then addressed the meeting and pointed out to the farmers what the present Government had done for them. They had halved the land annuities, given subsidies on milk, etc. He urged the farmers to vote for the Fianna Fail party.
