DUNGARVAN U.D.C.

Mr. Thomas McCarthy, Chairman, presided at the fortnightly meeting of the Dungarvan Urban Council on Friday last. Also present—Messrs. L. A. Veale, J. Dahill, M. Morrissey, T.D.; J. McGrath, P. O'Dwyer, and T. A. Kyne.

Screen Walls.—John Wall, Fitzgerald Terrace, wrote requesting that a screen wall be erected at the back of his house. He stated that his house had been over-looked.

Arising from the letter, the Chairman said that the new screen walls were in his opinion, not sufficient at all. They were built only across one side. He was not asking the members to take his word. They could go and look for themselves.

Mr. Veale said that he agreed with the Chairman.

Mr. Morrissey—I heard complaints about it, too, the same as Mr. McCarthy. What I heard was that it was not wide enough. You say it is not wide enough?

Chairman—I can't say if it is a bit low, but it is certainly not long enough.

The matter was referred to the B.S. **Repairs to Door.**—Mr. Kyne said that three meetings had gone now since he asked to have the door of the house of a tenant in Loughmore repaired. Nothing had been done about it. He wished to know what was going to be done about it.

Chairman—No doubt you are entitled to an explanation.

Mr. Kyne—I proposed that as this was a special case it should be carried out at once. The man in this house has to get up at four o'clock in the morning to go to work and a tenant in the house has to be awakened, get up and close the door after him. It's ridiculous that for the sake of a half hour's work it could not be done.

The matter was referred to the Manager.

Loughmore Nuisance.—Mr. O'Dwyer complained about a right-of-way at the back of a tenant's house at Loughmore on which, he said, stuff was being dumped, blocking the passage. The matter was now twelve months hanging.

referred to Manager.

Abbeyside Level Crossing Notice.—Mr. McGrath, calling attention to the notices at the level crossing at Abbeyside, said that they should be lighted at night. He suggested that the Manager be asked to place brackets, with lights attached, over each notice. There was a light near one of the notices and the other was in complete darkness. People cycling home from dances or the pictures late at night could not see the notices. He thought it very important to have lights over the notices.

Mr. Kyne—These notices were badly wanted, and in fact there has not been a single accident since they were put up. They have been very effective.

Mr. Dahill—There needn't be any necessity to light them until the other lights are out.

The Clerk was directed to recommend the matter to the Manager.

Silubheen Night of Way.—Mr. O'Dwyer said that a right of way along by the Silubheen was being blocked. There was a right of way there always. Mr. O'Dwyer contended that people had used it to go to the Creamery or to the pictures.

The Chairman suggested that the members go and look at it.

Mr. Morrissey—Would it not be as well to have a report from the B.S. on it?

Chairman—Yes, if you like. This was agreed to.

WEST WATERFORD NEWS.

Clashmore L.D.F. Dance.—The people of Clashmore and the surrounding districts will be pleased to learn that it is proposed to hold a dance, in aid of the L.D.F., at Clashmore in the near future. The funds will be used for the welfare of the members of the Force who have pledged their lives to defend their country in the case of an emergency and it is hoped that in the circumstances the function will receive the patronage it merits. Full details will appear in our advertisement columns next week.

Clashmore Functions.—The dances and other social functions which have been held at Clashmore for the past three years have served a twofold object—they have been the source of vital financial help to the voluntary defence organisations (L.D.F., L.S.F., Red Cross and Parish Council) and they have helped to relieve the monotony of rural life. All the functions have been conducted on the most orderly and exemplary lines and not a single untoward incident occurred on any occasion.

Consequently, they have attracted increasing public patronage and on each occasion patrons had a most pleasant and enjoyable time. The manner in which the functions were conducted reflects the greatest credit on all concerned.

The L.D.F.—Recently we had the pleasure of meeting the chief-of-staff of the L.D.F., Col. S. O'Sullivan, who expressed his pleasure at the strong position of the Force throughout the country. He informed us that the Force is now numerically stronger and better trained than at any time since its formation and stated that it is only after the emergency that the people will be told what the country owes to the L.D.F.

On Holidays.—Home on holidays in his native Clashmore recently has been Lieut. B. Healy of the Defence Forces and his many friends were pleased to see him fit and well.

On the Land.—Threshing operations are now in full swing and on all sides the hum of threshing sets to be heard late and early. The yield is considered satisfactory. The digging of the potato crop and the lifting of the beet crop are also proceeding in all areas and the yields are reasonably good. There are, however, reports of large numbers of potatoes blackening.

First-Aid Lectures.—Corporal Rogers, A.M.E., is at present engaging a series of lectures on First Aid to the members of Clashmore L.D.F. and Clashmore L.S.F. and Cross Branch. An able and eloquent lecturer, Corporal Rogers is most popular amongst the members of the Force who are appreciative of his untiring efforts to improve their knowledge of First Aid.

A Remunerative Industry.—At present large numbers of people in these parts are working late and early and using every contrivance to catch rabbits for which there is a ready market at remunerative prices.

Aglish I.C.A. Dance.—Aglish branch of the Irish Country-dancers' Association held their first grand annual dance on Sunday night last and the event proved to be one of the most successful and enjoyable social functions yet held at this popular centre. There was a big attendance and first-class music was supplied by Steve Sheehan's Dance Band (Young-hall). All arrangements were perfect in the capable hands of Miss K. Cotter (President), Miss K. O'Brien (Vice-President), Miss S. Maureen Slattery (treasurer), Miss Rita Fitzgerald (hon. secretary), Misses E. Barry, G. Beston, J. Cotter, K. Foley, K. O'Donovan, M. O'Rourke and the other members of the energetic organising committee. A splendid supper was served by a special committee under the able direction of Miss K. O'Brien, Aglish House, who did herculean work. The organisers of this pleasant function are to be congratulated on the success of this, their initial venture, and dancing patrons are looking forward to a similar event under the same auspices in the near future.

Dungarvan Win M.F. Divisional Final.—At Aglish on Sunday last Dungarvan defeated St. Mochuda's in the Divisional Minor Football final following a well contested game which was played under most unfavourable conditions which adversely affected the standard of play. The winners were superior and deserved their victory. Conditions, however, affected the country XV who put up a good fight against a strong and virile combination that should ensure championship honours. The final score was 5-0 to 1-1 in favour of Dungarvan. Mr. P. Moloney, Aglish, refereed, and there was a poor attendance.

the children as comfortable as possible.

Brother Flatley—We don't deserve any credit for that.

After other members having also praised the help given by the Christian Brothers, the meeting terminated with a vote of sympathy being passed to the relatives of the late Mrs. M. J. Christopher, N.T., Abbey-side.

(Held on Tuesday, before Mr. S. J. Troy, D.J.)

Special Exemption.—Mr. T. C. Williams, solr., applied for and was granted a special exemption on behalf of Mrs. M. Monahan, Ocean View Hotel, for the night of the 18th Oct., from 12.5 a.m. to 4 a.m.

Dance Licenses.—Mr. P. J. Morrissey (Messrs. Farrell & Morrissey, solrs.) was, on behalf of the L.D.F., Red Cross, and Children's Health Committee welfare funds, granted a dance-licence for the carnival marquee for 13 days, from 9 p.m. to 12 midnight, and in some instances 9 p.m. to 2 a.m.

Lights on Vehicles.—Guard McGowan v. Michael Curran, Mweelina, Boreenatraw, Ring-light, 3/6; reflector, 2/6.

Drunk.—Guard Giblin prosecuted Thomas Conigan, 16 Catholic Brugha Place, with being drunk. Complainant said defendant was outside the cinema on the occasion and was trying to force his way in. A fine of 7/6 was imposed.

Adjournd Assault Case.—When the adjourned assault brought by Liam Kelly, St. Thomas Terrace, against Daniel and Thomas Wade, Mitchell Street, was called.

Mr. Farrell, solicitor for Liam Kelly, said that the case was settled most satisfactorily. The defendants had apologized to the complainant for the incident, and he would ask the Court to have the case struck out.

This was accordingly done.

Abusive Language.—Mrs. Kathleen Wright, 37, Loughmore, brought a summons for abusive and threatening language against Mollie Walsh, Loughmore, and sought to have her bound to the peace. Mr. Farrell (Messrs. Farrell & Morrissey, solrs.) for complainant, and Mr. J. F. Langan, solr., for defendant.

Kathleen Wright described the abusive language, which took place on 23rd August. The defendant was outside witness's house on this occasion and remained there about an hour, abusing her and using vile language. Witness had got defendant's sister bound to the peace 15 months ago. Witness never spoke to defendant in her life, and on this occasion she remained in the house and did not let the defendant see her.

To Mr. Langan, witness said that she remembered Mollie Walsh passing her in the street earlier that day, but witness passed no remark about her. She abused witness and her husband, and said that when she (defendant) would get a man, he will be a man.

Mr. Langan said that this whole thing originated in a remark passed by the complainant earlier that day. His client, who is in constant employment, is not in Court, as she did not want to ask her employer to get off. He said that nothing very serious happened, and appealed to the Justice to deal lightly with the case.

The Justice, in binding the defendant to the peace in her own surety of £5 and two other sureties of £2 each, or in default, one month, said he looked on it as a very serious case.

Larceny of Bicycle.—When the case of Supr. O'Mahony v. Philip Dunne, Fair Leme, charged with the larceny of a bicycle the property of Garda D. O. Barry, was called.

Supr. O'Mahony said that he was still pursuing inquiries, and he asked for an adjournment to the next court.

Mr. Farrell, solicitor for accused, made application to have the case adjourned to the second court in November, and this application was granted.

More Than Forty Students (ages ranging from 16 to 35 years) are now regularly attending the recently formed Irish Class at Kill, and all are evidencing the keenest interest and enthusiasm in the curriculum, which embraces all phases of language study with the painstaking and highly efficient teacher, Mr. D. O. Driscoll voices unstinted praise of the pupils and of the work that must have been done in the local National School over the past twenty years.

The majority of the students can speak and read and write Irish as easily as if they were born and reared in the Gaeltacht. The true Irish spirit of friendliness pervades the atmosphere of the classroom where Mr. O. Driscoll is an established favourite, and great credit is certainly due to him for his fruitful teaching and organising abilities. Some of the students live not less than four miles from the school, and their punctual presence in class and the splendid progress being made by all thereof bespeaks the pleasing fact that they are marching towards an Irish Ireland.

A Great Wave of Sympathy goes out to the husband, father and brothers and sister of the late Mrs. Casey, Pordaw, a lady who was the beloved of all who had the pleasure of her acquaintance.—R.I.P.

L.D.F. Dances.—The short dances in aid of the L.D.F. Welfare Fund, will be resumed at Aglish on Sunday night next, 17th inst.

KILGOBINET DEFEAT COHER RAMBLERS.

Kilgobinet, 2-0; Coher Ramblers, 0-2. At the Gaelic Field, Dungarvan, on Sunday, Kilgobinet gave us the greatest surprise of the season, when without six of their best players, they defeated the Coher Ramblers (Ballynemen) in the Western Divisional final by four points. When five of the six backs selected to play failed to turn up, the Kilgobinet officials were set a task to find substitutes. A forward was also absent.

However, Tom Bowe, Larry Boland and Co. found substitutes of a decade ago, know their men, and in a few minutes had a team lined out which defeated the winners of the Stradbally Group (Coher Ramblers, Darrow and Stradbally). If Kilgobinet win the next match they will be equal to their famous team of 1931, which included two of Sunday's players, Tom Bowe and Larry Boland.

In 1931 the Kilgobinet team had little difficulty in winning out the West and drew in a tournament at Leamybrien with the great Kilsrossney senior team of that year which fielded out no less than eleven inter-county men. Kilsrossney won the replay by two points at Boshadoon. The Kilgobinet team of those days was:

Jim Tobin (Kilbrien), J. Walsh, J. Power, S. Whelan, P. Dunford, J. Hickey, J. Moloney, Rev. P. Tobin (Coalsmeary), T. Kenneally, T. Bowe, J. Bowe, W. Ryan, M. Power, T. Quashly, Rev. P. Tobin (Coalsmeary), who is now in England, and Rev. J. Hickey (Knockree), now C.C. of Greenmuckler, helped the Kilgobinet side to win many a hard-fought game at that period.

They were unlucky to be beaten in 1931 in the county final by the O'Rourke's, Waterford City.

The Kilgobinet boys on Sunday were faster on the ball and cleverer than their opponents. At full strength they are expected to win through the division.

The Coher Ramblers came to Dungarvan for their first time on Sunday and seemed to find things rather strange. Most of the players seemed to be at sea for the greater part of the game and the overall chances go against them. In the second half when they settled down somewhat they had their opponents pinned to their posts but lack of combination in the full-forward line left them without scores. They had the better exchanges all through this half and the Kilgobinet net had several narrow escapes. Four tries from excellent positions failed to rise and nine kicks at close range went wide. Willie Curran, Tommy Coleman, P. Lannon, J. Foley and Billy Dunphy were the pick of the side. For the winners, T. Bowe (capt.), P. Flynn, D. Flynn, S. McGregor, P. Moloney and S. Walsh were best.

From the throw-in Kilgobinet were away but A. Foley cleared. The Coher attack, but Kilgobinet seemed to move more smoothly and a long drive from centre-field from D. Flynn was sent to the net by T. Bowe within five minutes. Kilgobinet continued to press for some minutes after the kick-out but failed to score. When the Coher went on to attack per Dunphy and Kiely, Larry Boland (Kilgobinet full-back 1928 to 1930) made a great save in goal. The Coher were now doing well, and when W. Curran fielded from P. Lannon they had their first point, fifteen minutes from the start.

T. Coleman followed with another point from the kick-out. Things now looked well for Bally, but keeping on the pressure several wides resulted and no score. When Kilgobinet broke away, P. Moloney and D. Flynn sent well down and McGregor broke through for Kilgobinet's second goal.

The Coher pressed on the resumption and, with the exception of a few occasional bursts, had play confined to their opponents end for this half. The forwards, however, were unable to make any use of the slippery ball, while a clever defence held out well. Several frees to the same side failed to materialise and there was no score in this half.

Mr. Dec. Sullivan was an impartial referee.

Kilgobinet—T. Bowe (capt.), S. Walsh, S. O'Brien, S. McGregor, J. Hickey, P. Flynn, D. Flynn, Mee. Connors, P. Moloney, P. Tobin, M. Curran, T. Coughlan, E. Power, J. Drummy, L. Boland. Coher—P. Lannon, W. Dunphy, N. Wall, M. Kiely, A. Foley, J. Foley, P. Dunphy, P. Organ, J. Kiely, M. Dunphy, T. Coleman, W. Curran, J. Kiely, M. Power.

MOOREHILL NOTES.

Death of Mrs. B. Connery.—It is with deep regret we announce the death of Mrs. Bridget Connery, which sad event occurred at her residence Moorehill, on Sunday last at the age of 72 years. Her death has occasioned deep and widespread regret all over West Waterford and East Cork where deceased was well and popularly known. Of a quiet and inoffensive nature, she made many firm friendships by her kindly and homely disposition, and few more genuine expressions of regret at the death of a resident have been heard than those which on every side followed the announcement of her death. She was a good friend, ever-ready to lend a helping hand to those in trouble, an ideal neighbour and an altogether kindly lady, and her passing is deeply regretted by her sons, daughters and other relatives deep sympathy is extended in their sorrow. On Tuesday funeral took place from her late residence to the family burial plot at Ballypore Cemetery, where all that was mortal of deceased was reverently laid to rest. The funeral cortege was both large and representative, many travelling long distances to pay last tribute to a friend. The chief mourners included: John, Wm., Michael, Bartholomew, (sons); Mrs. M. Murray (daughter), etc., etc. Very Rev. Fr. P. Tobin, C.C., Glendine, read the last prayers at the graveside.—11/2

Still They Go.—During the week, Mr. John Kelly, Ballyphilip, Knockanore, left for his position across-Channel. His departure is much regretted, as he was very popular with all classes. He was a prominent member of the Knockanore hurling and football Club and helped his team to win many a hard fought game. We join with his many friends in wishing him every success in the land of his adoption. On the Farm.—For some weeks past threshing operations have been in progress in this area and from reports the returns have been very favourable. In some areas the yield of wheat is not as good as on former occasions, but in the Janeville area this year has been a record. That is reflected in the number and quality of crops shown in our Prepaid Advertisements on page two of this and other issues of this journal. These advertisements speak for themselves—and much better than any boasting we can do. Note their number and compare same with ANY Irish weekly newspaper.

CAPPOQUIN NOTES.

A Distinguished Visitor.—For the past month we have had in our midst a distinguished visitor, the Rev. Mr. Foley, a native of Affane, Cappoquin. Fr. Foley is second son of Mr. Jack and Mrs. Foley, Affane, and nephew of Messrs. Declan Foley, Cappoquin, and M. Foley, Lismore; he is brother of the late Mr. John Foley whose tragic death at sea some months ago caused severe shock to all his acquaintances. For the past two years since his ordination, Fr. Foley has been C.C. in Chippenham in the Diocese of Bristol, to where he has now returned after his well-earned and most enjoyable holiday. Tennis Dance.—Last Sunday night a very successful cinderella dance was held in the Beahouse, Cappoquin, in aid of the Lawn Tennis Club. Despite the inclemency of the weather and other counter attractions elsewhere there was a very large attendance. A very pleasant night was enjoyed by all present. The Bridesmaids' Serenaders' Band treated all to a very fine programme of music.

McDermott's Defeat Cappoquin.—The junior football game last Sunday was a brilliant and well-fought match despite the bad weather conditions and slippery sod. The spectators were few, most people remaining indoors owing to the rain and cold to hear the commentary on the Cavan-Roscommon All-Ireland Final replay. The enthusiasts who turned out were not disappointed for they were treated to the brilliant display of fine clean football. Great rivalry existed between the teams as the majority on both sides were military. From the throw-in both sides went all out for victory so that a very fast and exciting game ensued being ably refereed by Jas. Ahearne, Cappoquin. The score at half-time was McDermott's 2-1, Cappoquin, 2-3. In the second half both sides redoubled their energy, victory being well within the grasp of either team. Eventually the McDermott's side won by a goal, though the Cappoquin side were in hard luck. McDermott's have yet to meet Blackwater Rovers here on Sunday next, 17th October. Tourin v. Four-Mile-Water also meet here on Sunday in junior hurling.

Breach of Coal Purchasing Regulations.—At the District Court on Tuesday, Irish Tanners Ltd., Portlaoise, were fined £5 for a breach of the coal purchasing regulations. Dr. Counihan, State Solicitor, prosecuted. Mr. G. A. Nolan, solicitor, who defended, said the defendants got a permit for the purchase of 100 tons of coal during each of the three months, July, August and September. In July they only received 88 tons 16 cwt., in August, 76 tons 4 cwt., and in September they purchased 122 tons 13 cwt. The Company thought they were entitled to purchase coal which would mean an average of 100 tons a month and they only received 294 tons 18 cwt. in these months for which permits entitled them to 300 tons.

WEST DIVISION G.A.A. NOTES

By "AN RUNAIDHE"

Co-Operation Wanted.—The Western Championships are drawing to a close, in spite of a lot of postponements and upsets the competitions will be finished before November. Out of about twenty available dates the Board got through about sixty games. This average of almost three games each Sunday is something that has never before been carried out in the county. I do not agree with the Co. Board's action in fixing dates for junior finals without doing the same for senior games at the start of the year. Both divisions have suffered by the Co. Board snapping up dates which had already been selected by them and they must, as a result, have delays that are not their making. It is well known that Western fixtures were simply ignored by the senior Board this year. It is true that all we want to end well but a better spirit of co-operation would help the object both Boards exist. Let us hope that a lesson can be learned, in that case it would be worth the trouble.

A Correction.—While I am dealing with the County Board, I would like to correct a writer to a weekly paper who in last week's issue suggested that the Board were not agreeable to allow McDermotts and Cappoquin J.F. and Fourmilewater v. Tourin to be played on 3rd October. That is not correct. The truth is that McDermotts v. Cappoquin game was postponed only because both teams sent notices they could not play on 3rd October. The Board had no option in the case. As regards Fourmilewater v. Tourin, these two teams at a properly convened meeting decided with the consent of the Board that 17th October was the most suitable date available. No offer to play on 3rd October was made by Tourin or Fourmilewater either then or later. The information secured by the writer was incorrect as far as can be learned by consulting with the officials of all the clubs concerned. I might mention that the Board did actually select the 3rd October for the McDermotts v. Cappoquin game but the clubs were, through no fault of theirs, unable to play on that date.

At Cappoquin.—On Sunday next the Sportsfield at Cappoquin will provide a most attractive programme of fixtures. The semi-final of junior football between McDermotts and Blackwater Rovers alone would draw a record crowd but taken with the Divisional hurling final between Tourin and Mourmlewater a record attendance can be expected. W. Barron of Dungarvan will referee both games.

McDermotts v. Blackwater Rovers.—The Army team are very confident of victory. Their victory over Cappoquin on Sunday gives them high hopes of a championship. Should they win they are ready to meet Kilgobnet in Dungarvan. These Army men are perfectly trained and some of the troopers like Whelan and Harpur would not be adverse to visit to Dungarvan. All the more reason why they will be all out on Sunday next. Paddy Morrissey of the Blackwater Rovers knows he has a hard game before him but he is in no way dismayed. His team is new to the competition but are none the less hard honest footballers. Having put out Old Parish in their last match they have been hard at it getting ready for this game. They will, I hear, have a few changes on Sunday.

TALLOW NOTES.

Obituary.—The announcement of the death of Mrs. John Curley, of Consent Street, which took place recently following rather a brief illness, caused a great shock to her many relatives and friends, and widespread expressions of regret were to be heard throughout the parish at her early demise, and to her bereaved husband and sons the deepest sympathy is extended in the great loss that has befallen them. The respectful attendance at the removal of the remains to the Parish Church, and at the interment which took place in the cemetery adjoining the church, fully illustrated the regret felt at her passing and the popularity of her bereaved husband and family. Very Rev. Fr. Kehoe, P.P., officiated at the graveside, having previously offered Masses for the repose of the deceased's soul. The chief mourners were: John Curley (husband); Wm., Michael, and Joe (sons); Mrs. T. French and Mrs. Walsh, Lismore (sisters); Patrick and John Coleman (brothers); Mrs. J. Cunningham, Mrs. M. McGrath, Miss K. Curley (sisters-in-law); Messrs. Michl. Curley, Wm. Curley, Michl. Walsh, Thos. French (brothers-in-law); Wm. French and Mary French (nephews and nieces). Numerous floral tributes were laid on the grave, and Mass cards were sent from: Her loving husband and family; her loving brother, John Coleman; Bridget and Michl. Walsh, Lismore; Margaret French; Thomas and family; Madge Moss and family; Mollie, Jimmie and family; Cornelius, Mollie and family; Michael and Josie; Kathleen, Jerome and Brenda; John and Mrs. Murphy; Willie and family; Bridie, Jack and family.

Car Drive.—The attendance on Sunday night last at the 43rd of the Temperance Hall more than realised the anticipations of the promoters who are to be congratulated on the popularity of the drive and the success attending their efforts to provide interesting entertainment. As usual, spirited card-playing was the order of the night and enthusiasm rose to a high peak during the closing games. The eventual winners were Messrs Wm. Cronin and Wm. Curley, second prize going to Messrs D. McCarthy and Pat McCarthy, and third prize to Messrs T. Kelleher and Neil Curley.

Mrs. Mary Clarke, who died recently in the U.S.A., was sister of Messrs. Francis Cashin, sen., KilmacThomas and Richard Cashin, Ballygarry, do., to whom much sympathy is extended.

Heves Tourin will be senior again next year. Nothing but bad luck can deprive them of victory, he claims. The defeat of Ballyduff will be repeated and so on to the final is the opinion of the Tourin boys. That they have a first-class team that improved with every game is a well-known fact but Sunday will be a big test. See what Paddy Halpin can and will win.

Fourmilewater Can and Will Win.—Those boys from Ballymac have no doubt. They are all out on Sunday and it is going to be hard to stop them. Paddy Halpin says: "Nothing but a senior team will beat us this year. Tourin are good but not good enough." Hello! Hello! Hello! What about it, Mr. Conway? This will be a great night in the village if Paddy is right. Bill Ryan also foretells victory for Fourmilewater and Bill is a sound judge. So let us hope for a fine day on Sunday to see those teams in action.
