DUNGARVAN U.D.C.

Mr. T. McCarthy, Chairman, presided at the meeting of the Dungarvan Urban Council, also present—Messrs. L. A. Veale, T. Kyne, and M. Morrissey, T.D.

Trespass Complaint.—Mrs. Hackett, 79, Loughmore, wrote complaining that the boundary fence between her land and the Council's houses was broken down and her field had become a commonage with animals and children trespassing on it. It was two years since the fence had been repaired. She asked the Council to do something about it.

It was referred to the B.S.

Deelish Waterworks.—Mr. Michael O'Meara (Acting Town Clerk) said that the Department had written asking for a report on the exploratory works at Deelish. He wrote to Messrs. Delap & Waller, who replied stating that when the work was replaced in the filters, starting up of dosing and final grouting of tunnel had been completed, they would be in a position to forward a full report. The engineers added that they expected the contractors would have the work finished before the middle of the month.

Managerial Act.—The Acting Clerk said that a long circular in connection with the Managerial Act had been received from the Department.

On the suggestion of the Chairman, it was decided that the letter be circulated to each of the members for the next meeting. The same decision was made regarding a copy of a report of the meeting of the Association of Municipal Authorities.

Potatoe Prices.—The Chairman said that in other parts of Ireland potatoes were being sold at 1/3 per stone. He could not see why they could not be sold in Dungarvan at that price. The poor people were being fleeced, left, right and centre. He thought that their T.D.s should do something about it. He hoped that Mr. Morrissey would do his best about it. The price of potatoes in Dungarvan was a shame.

Mr. Kyne—They are only 10d. in Kerry.

Mr. Veale—They are being sold at 2/6 in some houses in town. I remember some time ago the Minister made a statement that he would see that urban areas would have sufficient potatoes at certain prices.

Mr. Kyne—He made the statement all right, but I don't know about the price.

Chairman—I don't know who is to blame, but I think it is up to us to see who it is at fault.

Mr. Kyne said he understood that they could be got at 1/6 a stone, but then there was the question of bringing them in. Of course there was no petrol available for transport, and besides, they have to be bought in big quantities. If potatoes can be bought at 1/6 and sold at 2/6, it shows that someone is making a huge profit.

Mr. Morrissey—What is the price on the market?

Mr. Veale—1/8.

Mr. Morrissey said he would do his best about the matter.

"Epidemic of Eviction Notices."—The Chairman said he had another complaint to make. For the past week or so an epidemic of notices to quit had been served on tenants of the Council. This was no time for such notices. The unfortunate people were trying hard to live and buy food for the next meeting. Those responsible is it?

The matter was referred to the B.S.

Sympathy.—Mr. Morrissey said that a few weeks ago it was his painful duty to propose a vote of sympathy to the relatives of Mrs. Fitzgerald, when she died some time ago. Now it was his painful duty again to propose a vote of sympathy to the wife and relatives of Patrick Fitzgerald, brother of Sean, who died during the week. He would also like to propose a vote of sympathy to the relatives of the late Geo. Plunkett, who was well known to the Waterford Brigade during the "troubled days" and who was in the company of Sean Fitzgerald when he met his death in the Burgery Ambush.

Votes of sympathy were also passed to Mr. T. C. Williams, son, on the death of his brother, and to the wife and relatives of Wm. Begley, South Terrace.

Dungarvan Blasers meet on Sunday next at Kieley's Cross at 12 o'clock noon.

that these people would not be fired out on the roads.

Mr. Morrissey said they were all aware that some time ago, when the tenants went into these houses, a resolution was passed by the Council asking the Department for sanction to reduce the rents. When that resolution was before the Department, a number of the tenants did not pay any rent in fact, a lot of them did not pay for a considerable period. This resolution encouraged them not to pay. If that were done, it would mean that the arrears would be mounting up and would become a burden on the tenants later on, for which they (the tenants) would not be very grateful in the end, when they would realise that they would have to pay off the arrears. He was sure that the County Manager, whom he knew was a Christian man, would not have any objections.

Chairman—I don't agree that the tenants were encouraged not to pay. Mr. Morrissey—I don't say that they were encouraged not to pay, but the resolution encouraged them not to pay.

The Chairman said the people thought that an additional rent was being put on them. He was not referring to people in the new houses at all.

Mr. Kyne said he could not for the life of him see how people living on 7/6 a week were able to pay their rents. It was impossible for them to pay it.

Mr. Veale said that men on the "blue book" at the Exchange, who got 32/8 a week, got only 23/4 when they worked for four days in a quarry near the town. There were men who wanted to work, and when they got it they got less money than they would get in unemployment assistance. He could not understand the mentality of that system at all—men getting considerably more when they did not work than when they did work—doing something good. There was something rotten in a system that allowed that to happen. It was a disgrace.

Replying to Mr. Kyne, the Acting Clerk said that the interest being paid to the banks on housing loans was 5 1/2 per cent.

Mr. Kyne—If the sum total of all the money paid to the banks were totted up, it would astound the town. The banks are crippling the country. It is evident that people who are paying rents of 6/- and 8/- a week are really paying 5/- to the banks. Why could not the Council or the town take up a loan? I always favoured that idea.

Mr. Morrissey suggested that the Clerk write to the Manager. He was sure that he would not allow any evictions to take place. He was sure that the collectors would take any evictions to the Council or the town. It was unfair on the tenants to let the arrears run up. He was confident that the Manager would not refuse their appeal to stop the evictions.

The meeting agreed to Mr. Morrissey's suggestion, and the Clerk was directed to write the Manager asking him not to enforce the notices to quit.

Sewerage Complaint.—Mr. Kyne drew the attention of the meeting to a sewerage complaint at South Terrace.

Chairman—That is going on for a long time.

Mr. Kyne—The position now is that every day—even on Sundays—it must be cleaned out. I'd like to get a report for the next meeting. Whose responsibility is it?

The matter was referred to the B.S.

Sympathy.—Mr. Morrissey said that a few weeks ago it was his painful duty to propose a vote of sympathy to the relatives of Mrs. Fitzgerald, when she died some time ago. Now it was his painful duty again to propose a vote of sympathy to the wife and relatives of Patrick Fitzgerald, brother of Sean, who died during the week. He would also like to propose a vote of sympathy to the relatives of the late Geo. Plunkett, who was well known to the Waterford Brigade during the "troubled days" and who was in the company of Sean Fitzgerald when he met his death in the Burgery Ambush.

Votes of sympathy were also passed to Mr. T. C. Williams, son, on the death of his brother, and to the wife and relatives of Wm. Begley, South Terrace.

CAPPOQUIN NOTES.

Death of Miss Margaret Whelan.—The death took place of above at the Hospital, Dungarvan, on Saturday last, 11th inst., after a comparatively short illness. Deceased was a well-known and respected lady and belonged to one of the old stocks of the district. Quiet and inoffensive, she deceased made many friends during her long and useful life, and her death has now removed a popular member of Cappoquin's old stock (niece); Richard McCarthy, (nephew); Patrick McCarthy (brother-in-law); John and Mrs. Driscoll, Thomas and Mrs. McCarthy, Cappoquin (relatives). Mass cards were sent by the following: Pat, Richard and Kathleen; Moss; Thomas and Nellie McCarthy and family; Michl. and Mrs. O'Connor; Bud and Mrs. Sargent; the Meaney family. All funeral arrangements were carried out most efficiently by Mr. P. Walsh, Cappoquin.

Last Sunday Night's Dance.—The last dance of the season held in the Boathouse, Cappoquin, on Sunday night under the auspices of the Rowing Club had only a fair attendance. A high-class programme of music was provided by the Starlight Serenaders' Band, Lismore, and the floor was in perfect condition.

Coming Event.—Next Monday night we shall have the pleasure of a visit from Vic Loving's popular Flash Parade. This Company is well known in Cappoquin.

Old Age Pensions Meeting.—A meeting of the Committee of Old Age Pensions was held in Lismore on Feb. 14th. Messrs. D. Heskin, T.D.; M. F. Walsh, P.C.; C. O'Gorman, T. Duggan, and J. Murphy, Secretary, attended. Minutes of the last meeting were read and confirmed. Several applications were received and most while they were adjourned to future meetings.

MOOREHILL NOTES.

Wedding Bells.—A very pretty and interesting wedding was recently solemnized at Inch Catholic Church, when two well-known members of the farming community of West Waterford and East Cork were united in the holy bonds of matrimony. The contracting parties were Mr. Wm. Browne, eldest son of Michael and the late Mrs. Browne, Browne's Cross, Glendine, and Miss Maisie Coughlan, daughter of Mr. Coughlan and the late Mr. Jas. Coughlan, Breesah, Inch, Co. Cork. The bride was given away by her brother, Mr. John Coughlan, and was attended by her cousin, Miss Wm. Griffin, cousin of the bridegroom was best man. The bride who looked charming was dressed in a saxe blue frock and picture hat with shoes and accessories to match. The bridesmaid wore a lovely frock of shell pink, with hat, shoes, etc. to match. The ceremony was performed by Very Rev. Wm. Carey, P.P., Killeagh. The bridegroom is a very popular member of the farming community, who has made hosts of friends. He was also a member of the Knockanore Hurling and Football Club, whose colours he helped to bring to victory on many a hard fought field. The bride is also a very young lady with all classes, and her bright and cheery disposition has made her a number of friends. After the wedding a reception was held at the home of the bride's mother, and was attended by many friends, after which the happy couple left on their honeymoon which was spent in Dublin, carrying with them the best wishes of their many friends. Many valuable and serviceable presents were received by both bride and bridegroom to mark the auspicious occasion. We join with their many friends in wishing Mr. and Mrs. Browne health, happiness and prosperity.

Successful Dance.—On Sunday night week a very enjoyable dance was held at Camphire School and was attended by a large crowd from all the surrounding districts, who one and all had a very enjoyable night. A novel feature was the waltzing competition, which attracted a very large entry and after a severe test the ultimate winners were Mr. L. McGrath, Moorehill, and Mrs. C. Crowley, Lismore.

WEST DIVISION G.A.A. NOTES
By "AN RUNADHEE."

The Season Opens.—The official G.A.A. season opens on Sunday with the meeting of the Divisional Board known as Draws and Fixtures Meeting. This will be held in the G.M.S. Hall, Cappoquin, at 3 p.m. (G.M.T.). The first business will be affiliations and entries of teams. Next will come regradings, transfers and reinstatements. All clubs anxious to secure transfers, regradings or reinstatements are advised to have them in for Sunday as all these will have to go to the Co. Board for sanction and if delayed they may miss the Co. Board meeting which follows the Div. meeting by a few weeks. Next come draws and fixtures for Green Cross, S.H. and S.F. tournaments. This is a heavy agenda and Mickey Connors will have to be very determined to allow no cross talk and to finish in anything like reasonable time. Well, here's hoping that the usual first of the season spirit of good comradeship will again make the meeting a pleasant one. I nearly forgot to add that the Club's percentages will be given out by the Div. Treas. at the conclusion of the meeting. Tommy will be the popular man on Sunday.

Silabh gCua Gaele Meet.—A very satisfactory meeting of Silabh gCua F.C. was held in Touransena Boys' H.S. on Friday, Feb. 17th. Over thirty members attended. Much greater interest in the Club was shown than in previous years, and it was evident that this year's team would be stronger than for many years past. The presence of Dr. Mulvaney, Mr. W. Ryan, and Garda Meade gave great encouragement to the members. The following officers and committee were elected: President, Dr. Mulvaney; Chairman, Mr. E. Lonergan; Vice-pres., Mr. J. O'Keefe; hon. treas., Mr. J. Power; hon. sec., Mr. J. Conroy; committee, Messrs. J. Burke, P. Ahearne, W. Ryan, M. Murray, W. Cotter, J. Power, M. Gleeson, and Garda Meade. It was decided to hold a Church Gate collection on Sunday February 27th—Great work Silabh gCua and I hope your section will be a big success.

Sympathy.—The Affane-Modelligo Club, at a special meeting passed a vote of sympathy with Mr. Michael Foley, Graignavurra, on the death of his mother.

Green Cross Match Postponed.—Last Sunday's Green Cross game, Tourin v. Cappoquin, fixed for Cappoquin, was postponed owing to the death of a sister of the Chairman of the Tallow G.A.A. Club.

At Tallow before a small attendance on Sunday last Ballyduff hurlers defeated the local team in the Green Cross game. The hurling was not quite up to championship form but Ballyduff team shows promise of big things to come.

WAKE UP YOUR LIVER BILE

without delay—and you'll keep out of bed in the morning full of vim and vigor

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just sits in the bowels. Gas builds up, your stomach, you get constipated. Your whole system is poisoned and you feel sore, weak, and the world looks pink.

Don't think a little bile, but a mere bowel movement doesn't get at the cause. It takes these good old Carter's Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet Carter's Little Liver Pills. BIRTH. BYRNE—February 17th, 1944, at St. Anthony's Nursing Home, O'Connell St., Dungarvan, to Margaret, wife of John Byrne, Coolnasmeary—a son (Laurence Anthony).

ACKNOWLEDGMENTS. TWOMEY (Cappoquin).—The Twomey family, Clonkerdan House, Cappoquin, wish to return their sincere thanks to all those who so kindly sent Mass cards, telegrams and letters of sympathy in their recent sad bereavement, and particularly those who called personally, and also attended the funeral and burial, and they trust that all will now kindly accept this public expression of grateful acknowledgement.

Death of Mr. John Twomey, Clonkerdan, Cappoquin.—The death took place on Wednesday, February 22nd, of Mr. John Twomey, deceased, who had reached a fine old age, was father of Rev. Fr. M. Twomey (English Mission), Dr. Mary Twomey (England); Mr. Jas. Twomey, Clonkerdan, and Mrs. Kelleher, Tallow. There was a large and representative attendance of relatives and the general public present at the removal of the remains to the Parish Church, Ballinacorney, on Thursday evening. Requiem Office and High Mass were offered up for the happy repose of his soul on Saturday morning after which interment took place in the adjoining cemetery. The chief mourners were, Rev. Fr. Twomey, Mr. J. Twomey (Cappoquin), Dr. M. Twomey, Mrs. Kelleher (daughters), numerous Mass cards, telegrams and letters of sympathy were received by the family.

Very Rev. John Roche, P.P., Abbeyside, performed the ceremony. The best man was Mr. Dick Jackson, Kilkenny (uncle of the bride) the bride being attended by Miss B. Moloney, and Miss Marie Jackson (cousin) as bridesmaids. The bride looked chic and attractive in a dark blue, two-piece with heres to tone and navy accessories. A reception and breakfast was subsequently held at the home of the bride, the marriage being attended by a large number of friends and guests. Both bride and bridegroom are exceedingly popular as was evident from the large number of costly presents received. The happy couple were seen off on the first stage of their honeymoon, which is being spent in Dublin and Kilkenny by a big party of friends.

Dungarvan Fair on Wednesday last saw only a very small supply of all classes of stock on offer and demand was rather slow unless for best quality stock for which good prices were received. Best yearlings made up to £13; two-year-olds, £16 to £18; 3-year-olds, £28 to £33; fat cows, £60 to £75; and 2½ to 3½ year olds for canning made up to £20. Bonhams 50/- to £3 10s. according to age and quality.

Slipped Off Jetty.—Some excitement was caused on Tuesday night about 9 p.m. when it was learned that a man had fallen over the Quay. A crowd quickly gathered and a life-buoy was thrown to the man in the water, but apart from hitting the man on the head, this proved useless. After being in the water nearly five minutes, Mr. P. Nagle, Plumber, O'Connell Street, arrived and diving himself of his coat and lying full length on the jetty, having his legs pinioned by some men he succeeded while holding on to one sleeve in throwing the tail of the coat within reach of the man who grasped it and was pulled ashore at the steps. It is understood that the man walked out to the end of the jetty, the surface of which was extremely slippery, slipped and fell into the sea. Brickey Rangers H. and F. Clubs. The annual general meeting of the above Clubs will be held at Glenbeg on Tuesday (Friday) at 8 p.m. (S.T.). Kilgobnet Football Club.—Despite most unfavourable climatic conditions, there was a big crowd present at Coolnasmeary on Sunday night last for the semi-final and final rounds of the 45 drive in aid of the Kilgobnet Football Club. Dungarvan Man's Death in East Africa.—The many friends of the Williams family, Touraneane, Dungarvan, heard with much regret of the death recently in British East Africa of Mr. Samuel E. Williams. The deceased gentleman was son of the late Mr. John Williams, solr., and Mrs. Julia Williams, Touraneane and brother of our well-known and popular solicitor, Mr. T. C. Williams. The late Mr. Williams was also a well-known solicitor in the land of his adoption. He served as an officer in the 1914/18 war and was also a keen and well-known yachtsman. To his bereaved brothers, sisters and other relatives, we join with their many friends in tendering sympathy.

Of Interest to Horse Breeders.—All interested in the great industry of horse breeding will accept our hearty congratulations to Mr. Terence Donnelly, Glenmore Stud, Dungarvan, on his initiative and enterprise in purchasing another high-class sire for the benefit of horse breeders. This purchase, an Irish Draught, is an outstanding grey 3 year old, with great bone and action, purchased from the Department of Agriculture at a big figure. For particulars regarding see preliminary advertisements in this issue.

Next Sunday Night's Dance.—Elaborate preparations have been made by an energetic committee for an outstanding dance under the auspices of the popular Dungarvan Communications Company, L.D.F. We understand that heavy bookings of tickets have already been made with the hon. secretary and an enthusiastic ladies committee are leaving for training purposes and the weekly class catering for all patrons. It seems a foregone conclusion then that the dance, which will be held on Tuesday night, will be a very successful one. The wedding with Nuptial Mass and special blessing, of Mr. Henry Glanville and Miss Eileen Glanville, will be performed by Rev. W. Weead, P.P., at St. Hugh's R.C. Church, Wavertree, Liverpool, on Wednesday, 2nd inst. The groom, Mr. H. G. Glanville, is the second eldest son of Mr. J. and Mrs. Glanville, Bridget's Terrace, Dungarvan, and Miss Eileen is the only daughter of the late Mr. H. G. and Mrs. Lea, Wavertree, Liverpool. The bride, who was given away by her brother, Mr. J. Lea, wore navy blue pin stripe suit and silver fox cape with spray of pink carnations and navy and pink accessories. Miss Kathleen Glanville, Chelmsford, sister of the groom, who was bridesmaid, was similarly attired. The best man was Mr. G. A. Lea, Wavertree, brother of the bride. Following the reception which was attended by a large number of friends, the happy couple left on their honeymoon which was spent in Cheshire.

Lynch, and passed in silence, all members standing:—"That we, the members of the Old I.R.A., 1st Battalion, Waterford Brigade, tender our sincere sympathy to Mrs. White and Mrs. Tobin, Ballylennon, and to the other relatives of the late Thomas White in their recent bereavement."

With the Blazers.—The Blazers met at the Square, Dungarvan, on Sunday last and there was a big turnout. Gravinfa and Carriages Coverters were tried but proved blank. A fast fox was found in the glens at Kilnafarna and gave a good run across country. Amongst those out were Mr. T. Kieley (master); Messrs, S. Quealy, R. Hayes (whites); Mrs. P. J. Morrissey, Misses P. Barnes, E. McConville, Ita Flynn, C. Norris, Gay Morrissey; Messrs, J. F. Kenn, J. A. Power, T. J. Fleming, J. Flynn, Jack Lynch, M. P. Pines, L. Wade, P. LISMORE NOTES

Late Mr. Wm. Hale, Ballysaggart.—It is with regret we record the death which took place at his residence, Ballysaggart, Lismore, on Wednesday, February 9th, of Mr. W. Hale. The deceased, who had reached a fine age, was throughout his long and honourable life most industrious and practical. He reared a most respected family, the members of which are now the recipients of much sympathy in their loss. There was a very large attendance at the removal of the remains which took place from his late residence to St. Mary's Church, Ballysaggart, on Thursday evening. On Saturday the interment was made in the adjoining cemetery after the celebration of Requiem Mass for the eternal repose of the departed soul. The immediate relatives were: John, Patrick, Marlin and Thomas Hale (sons).

Religious Inspection.—The Diocesan Inspector, Rev. Fr. Lawn, paid his annual visit to Lismore, when on Monday and Tuesday last, he held a religious inspection of all the schools in the Parish. Fr. Lawn expressed himself well pleased with the general standard of religious knowledge displayed by the children and complimented their teachers, parents and all concerned in their preparation.

Sale of Farm.—An important sale of land took place recently when a residential farm of about 50 acres, the property of Miss B. Heelan, Lisimore, was sold by private treaty to Mr. Gerald Fitzgerald, Castletree, for £1,500. With slated residence and out-offices, an situated about 11 miles from the town, this farm, well fenced and sheltered, contains some of the choicest tillage and grazing land in the county.

L.D.F. and V.A.D.—Officers of the Lismore District Staff, L.D.F., and Dr. M. O'Farrell, Co. M.O.H., who was representing the Red Cross Society, addressed a large gathering at Bennett's Hall, Ballysaggart, on Tuesday night, February 8th, when they visited the district for the purpose of recruiting members for the L.D.F. and the V.A.D. division of the Red Cross. Great enthusiasm was shown by those present and many came forward to enrol in both services. Quite a large number of young men from this locality are now members of the L.D.F. and it is hoped soon to have there a full platoon. Bennett's Hall has been rented for training purposes and the weekly parade will be held there every Tuesday night when instructors from Lismore will attend. Arrangements are also being made by Dr. O'Farrell for lectures to be given at the hall to the Red Cross members as the journey to Lismore would be too far for most of them.

At a meeting of the above on Wednesday last, Mr. A. Hunt, President, presided. Present were Messrs. N. Connors, P. J. Moloney, S. J. Power, Jas. Hayes, N. Morrissey, C. Dempsey, J. O'Dwyer, Jack Lynch, J. J. Crotty, and Patk. J. Lynch, hon. sec. Premiums to Mares.—The usual letter was read from the Royal Dublin Society agreeing to the continuation of the scheme for 4 premiums for mares, each value £12, to farmers who present a suitable mare not thoroughly bred, seven years old or under, before a judge approved by the Society, who certifies that the mare is likely to breed a high class hunter. The Society also proposes to offer two prizes £2 each, one for the best colt foal and the other for the best filly foal, the progeny of a mare which was awarded a premium at any show last year. This scheme was unanimously adopted.

Sympathy.—The Chairman said that since last meeting they had lost one of their oldest members in the late Mr. P. A. Walsh. He had been one of the original committee of the Show and they will all sadly miss this hardworking and energetic member, whose courtesy and kindness at all times, they can never forget, and who worked so indefatigably year after year in the interests of the Show.

Mr. P. J. Moloney in proposing the vote of sympathy to one of their oldest, most loyal and energetic members said he was very sorry such an occasion should arise. Mr. S. J. Power seconded, and the other members having associated themselves with the vote which was passed in respectful silence, the meeting adjourned as a mark of respect.

Early Spring.—Successful gardeners plan ahead; that is one reason why they are successful. An early Spring does not catch them unprepared. They have settled beforehand the seeds, plants and bulbs that they intend to grow. They have decided the number and kind of garden tools that are required. Some garden experts have predicted an early Spring, so, like good campaigners, they have purchased their simple tools needs already, and the assurance of July weather in March would not flurry them a bit. They are prepared. You, too, may need a spade, a rake, a digging fork or a trowel. A spade saves so much work when anything more than a bucketful of earth has to be moved; a rake saves so many back-aches and so many minutes that can be turned to productive work; a digging fork is indispensable, for it saves you literally from cutting away the roots of your horticultural hopes; a trowel is the inseparable companion of the digging fork and the necessary small-brother of the spade. Why not get one or more of these tools now at Harpur Brothers, and be prepared? Harpurs have everything for the garden at all prices.—Harpur Brothers, 48, Quay, Waterford.

Speedy Retribution.—Due to the keen alertness of Sgt. Lyons and Garda McIntyre, G.S., Tallow, and the alertness of the Force as a whole, speedy retribution followed the stealing of a gent's overcoat value £5 and a pair of pig-skin gloves value 2/6, from the dance hall at Tallow on Race night, Feb. 9th, or on the morning of the 10th, when John O'Mahony, 1 Cove Street, Cork, who was charged before District Justice Troy 14th, with the larceny of the said articles, was sentenced to one month's imprisonment, with hard labour. Patrick O'Mahony, accused's brother, 4 Connelly's Avenue, Mallow, was charged with receiving the overcoat and gloves, knowing them to have been stolen. Having heard the evidence the Justice dismissed the charge. Supt. P. Doyle, Lismore, prosecuted. The stolen articles were the property of Mr. Andrew Drohan, a native of Lismore.

It is an undoubted fact that high-class seeds will always prove their worth. We have hundreds of unsolicited testimonials from clients all over the county testifying to the unequalled excellence of our now famous Mangold Seeds. We can now prove beyond possible doubt that the crops from our seeds last year were at least five tons per acre heavier than any other mangold seeds sown in the district. We cannot impress you too strongly on the folly of not paying every care and attention to the purchasing of your seeds. The cost of the seeds themselves is very small in comparison with the labour, and the results afterwards. We would ask you, if you have not already tried our seeds, to buy a small quantity of them, and put them into competition with other seeds, and you will be astounded with the results. Most address: Harpur Bros., Seedmen, Waterford.

Pretty Wedding in New Ross.—Felicitation are very cordially extended to Mr. Michael O'Flynn, N.T., second son of Mr. and Mrs. Thomas O'Flynn, The Square, Stradbally, Co. Waterford, and Miss Margaret Murphy, eldest daughter of Mr. John Murphy, ex-N.T., and the late Mrs. Murphy, Bridge Quay, New Ross, Co. Wexford (and Sweetmount, Rathgarogue, do.), on their marriage. The joyous event took place on Wednesday morning last at St. Mary's Parish Church, New Ross, the ceremony (with Nuptial Mass and Papal Blessing) being performed by the Rev. Fr. Levenus, O.F.M., Galway (brother of the bride), assisted by the Right Rev. Monsignor Cleary, Dean of Ferns, Rev. R. Kavanagh, C.C. Rathgarogue, Rev. T. O'Flynn, C.M. Castleknock College, Dublin, and Rev. Fr. Murphy, C.C. New Ross. The bride, who was given away by her father, was attended by her sister, Miss Nell Murphy, Bridge Quay, New Ross, as bridesmaid. Mr. T. O'Flynn, M.A., Dublin, acted as best man. The sacred edifice was beautifully decorated and the wedding proved one of the most fashionable seen in New Ross for some time, and a large gathering of people waited outside the Church to catch a glimpse of the winsome bride as she entered and left. Following the ceremony a reception was held in a Waterford City hotel, where a large number of guests were entertained—including, in addition to the happy couple and the clergy already named and the best man, the groomsmen and bridesmaid, Rev. Bro. Malachi, C.B., Belfast (brother of the bride); Master Leo Murphy, student, Maynooth College, (do.), the groom's parents; Cadet J. O'Flynn, Military College, Curragh (brother of the groom); Mr. Thos. Lincoln, N.T., Stradbally; Mr. and Mrs. Harney, Ballyduff, Kilmeehan (cousins of both bride and groom). Glowing tributes were paid to the newly joined pair, to which the bridegroom suitably replied, and the bride's father also uttered a prettily-phrased acknowledgment. A few very enjoyable hours ensued, vocal items being contributed by several members of the party, which were greatly appreciated. Mr. and Mrs. O'Flynn later left on their honeymoon (which is being spent in the north of Ireland) and were given a rousing send-off. Worthy member of a family that has made a niche in Irish-ireland circles, the bridegroom, who occupies the Principality of Rathgarogue N.S. since 1936, is quietly spoken and unassuming, he has a keen, energetic brain, possesses tolerance and understanding of his fellow man to a marked degree. The bride is a refined and intelligent young lady, with a bright and cheerful disposition and a rare charm of manner which has made her one of the most respected and popular young ladies in her historical natal town of New Ross. The happy couple received numerous and beautiful presents, together with sheaves of congratulatory messages to mark the auspicious occasion of their wedding. May Mr. and Mrs. O'Flynn gain length of years in full enjoyment of the graces and blessings of conjugal bliss.

At Ferns N.S. on Sunday night last, the final rounds of the 25 card drive under the aegis and in aid of the Erin's Hope Hurling Club were decided. Every table in the spacious building was filled and keen play was the order of every board. Mr. M. B. Power, Graignish, discharged the duties of master of ceremonies with commendable tact and ability, and the drive was an unqualified success from every standpoint. The prizes were divided between the following partners: Messrs. John Phean, Cummeen, and M. Cleary, Kilmacstrange; Wm. Hassett, Kilmacdohey, and Nicholas Butler, Knockaturney; and Cornelius O'Connor, Fews, and David Walsh, Ashdown. A special prize for owner of house wherein most cards were played went to Mrs. Wail, Kilmacstrange.

Waterford Hounds.—Hounds had a very good hunt from the Sporthouse meet on 29th January. Finding in Filtonan, they ran the Duke of Leck, across the Sporthouse road, and leaving the creamery on the right, ran fast by Cullen Castle, through Ballinacorney, right-handed over Pembrokestown, through Loughdehen towards Hall's Mills, pointing for Whiffield, before which they swung right-handed, and still running fast, hunted across Lisnackill, Shangan Bog, and past Butlerstown, running through Ballycassidy by Knockeen House, they raced through Duagh and out by Toragar. Here the fox, close in front of the hounds, did a ring towards Knockeen, crossed the

Tramore Railway line, and saved his brush by getting to ground in Gracedieu. This was a fine hunt of two hours, the point being 4 1/2 miles. From Kilmacthomas on the 31st inst., hounds found in Carrabaha, went away parallel to the Railway towards Kilragh, but turning right handed, crossed the Kilmac-Dungarvan road. Here hounds checked, but being put right, hunted on more slowly across the main road, over the Mahon, skirted Kilmoylin, recrossed the river and ran very fast through Ballynanogue to Ballylameer where he got to ground, a nice hunt of 30 minutes. Next found in a gorse near Brenan Cross, and went at a flying pace through John Power's bogs, into Seafield covert, and turning back over Brenan Hill, hounds ran fast through Garranurton bog to ground on the hill, from which he bolted but was quickly killed.

The Rainbow Cinema.—Thanks to the Management, the popularly established Kilrossanty Dramatic Society will be before the footlights here on to-morrow (Sunday) night, when they will present the three-act comedy titled "Troubled Bachelors," which will be augmented by a grand variety concert. The play is a real "fifth-rib tickler," and the cream of Kilrossanty's vocal, instrumental and stage dancing performers will contribute to the programme.

R.I.P.—The death of Mrs. Mary Casey in the fullness of her years removes a familiar figure from the Kill district. A lady of many kindly attributes, her demise is much regretted by the large circle of friends. Accompanied by a very large cortege the remains were removed from the residence of Friday evening of last week to the Parish Church, Kill, where they were received by the Rev. M. Power, C.C., who recited the prayers for the dead. Subsequent to the celebration of Requiem Mass on the following morning, the burial took place in the adjoining cemetery, the presence of innumerable mourners and sympathisers. Father Power officiated at the graveside. A number of Mass cards and floral tributes were placed on the grave.—(American papers will please copy).

Club's Condoleance.—At a specially convened meeting of the members of the Kilrossanty Gaelic Football Club a vote of condolence was passed with the relatives of the late Mr. Patrick Fitzgerald, Faha (on the occasion of whose burial in Kilrossanty a wreath was laid on the grave on behalf of the Club).

Leopardstown Races are "on" today (Saturday). Back your "fancies" with Mr. Paddy Kirwan, the Prompt Payer, Turf Commission Agent, Main Street, Kilmacthomas.

Mid-Waterford Weddings.—Dunphy-Cummins.—The Parish Church, Stradbally, was the scene of a very pretty and interesting wedding on Wednesday last, when Mr. James Dunphy, son of Mr. and Mrs. M. Dunphy, Grawn, Kilmacthomas, was married to Miss Catherine (Kitty) Cummins, only daughter of Mr. and Mrs. Edmond Cummins, Brenan, Bonmahon. The contracting parties belong to two of the oldest and most respectable farming families in the Decies. The bridegroom—a sporting, generous and esteemed neighbour—has been actively associated with the popularly established Kilrossanty Dramatic Society from its inception. The bride is a young lady of most attractive appearance and refinement, and rare charm of manner. And, like the groom, she is a warm favourite with all classes of the public. The ceremony (with Nuptial Mass) was performed by Rev. J. P. Walsh, C.C., Kilrossanty (cousin of the groom), assisted by Very Rev. E. English, P.P., Stradbally, the best man being Mr. Richard Dunphy, Grawn (brother of the groom), while the bridesmaid was Miss E. Cummins, Durtow, Stradbally (cousin of the bride). At the conclusion of the Church ceremonies, the entire party motored to the residence of the bridegroom's parents, where the wedding breakfast was held, and where a select party of the relatives and friends of the happy couple were entertained. After a pleasant and enjoyable few hours, the newly-weds left for Cork on their honeymoon, amidst the congratulations and best wishes of all for a long, prosperous and untroubled life of conjugal bliss in the years to come. Mr. and Mrs. Dunphy received a big array of serviceable and costly wedding presents, while many telegrams and messages of felicitation reached them on the auspicious occasion.

Lenihan-Dunphy.—On Wednesday morning last a pretty wedding was solemnised at the Parish Church, Newtown, between Miss Mary (Ma) Dunphy, only daughter of Mr. and

Lecture at Clashmore.—In Clashmore N.S. Professor McLean gave an interesting lecture on "Potato Growers" to an appreciative audience of farmers and cottiers. The Professor dealt with his subject in a masterly manner.

TALLOW NOTES.

Races.—On all sides, even by the severest critic, it has been conceded that this year's race meeting was one of the most successful ever held at this venue and all associated with its promotion have every reason to be proud of the success achieved and are to be complimented on the efficiency displayed in handling all the problems associated with the staging of such an important racing fixture. The extra large programme was put through without a single hitch, and on time, the last race being run to actual schedule. Despite somewhat unfavourable weather conditions and lack of transport facilities, the attendance was practically up to the level of pre-war standard, which, of itself goes to prove the popularity of this well laid-out course on which racing of a high order is always to be found, and equalling that to be seen on Park courses. Local owners, notably Messrs. D. Heskin, J.D., J. Murphy, P. Curley, and D. Mulcahy, provided the winners of the Confined Hunt, Open Maiden, Open Heavy-weight and Open Farmers' races, with "Green Minstrel," "Springvale," "Springfield Boy," and "Heat Wave," respectively, while Mr. Ray O'Brien's "Highland Luck" and J. O'Keeffe's "Midnight Sun" were narrowly beaten in very close finishes by "The Green Minstrel" and "Springfield Boy." Needless to say, all these owners received hearty ovations from all their friends, associates of racing circles and the general public, who showed their appreciation vocally in the closing stages of each race. In the Open Light-weight, which was won by Mr. J. Barry's "John D'O.", the second berth was filled by Mr. Wm. Treacy's "Will Fitz," the latter owner being a brother of the well-known local trainer, John Treacy. It is also interesting to record, that the winners were ridden in their respective races by the well known local riders, viz. Mr. J. Mills, Mr. T. Murphy, Mr. D. Kennelly, and Mr. E. Flynn. The Conna Hunt Cup for Maidens proved one of the most interesting races on the programme, seven runners taking part. The eventual winner was Mr. P. Barry's "Ballinahina Pet," ridden by Mr. N. Fitzgibbon; Major E. P. Maxwell's "Squire III," being ridden by Mr. J. Mills, 2nd; and Mr. M. Leahy's "Maytime," ridden by Mr. J. Cotter, 3rd. It is interesting to note that Mr. J. Mills, who rode the winner of the Confined Hunt Race, viz., "Green Minstrel," and was second with "Squire III" in the Conna Hunt Cup, made his second public appearance as a jockey on this auspicious occasion, and it is hoped that further successes will be achieved by him during the present season. Expressions of much regret were very general when it was learned that "Tell-me-more," the property of Mr. D. Noonan, which fell in the Open Light-weight Race was grievously injured and had to be destroyed.

G.A.A. (Graec Cross Tournament).—The local fifteen were at home to Ballyduff in the first round of the above tournament on Sunday last. It is to be regretted that the attendance was by no means as representative as was hoped for, considering the worthy object for which the tournament has been arranged. The game opened rather slowly but later some lively exchanges made it more interesting and Ballyduff led at half time by 1-0 to 0-1. In the second half some good hurling was witnessed when Tallow took the lead. Ballyduff, however, rallied and came again and levelled the scoring. Then they put all they knew into it and took the lead to win on the final score of 6-3 to 4-1. Mr. Jas. Ahearne, Cappoquin, proved an impartial referee.

Gaelic League Branch Formed.—On Monday night a very large and representative meeting of Gaelis, was held at the Courthouse, for the purpose of establishing a Gaelic League branch for the town and district. The following officers were elected: Chairman, Mr. P. J. Lyons; Hon. Sec., Mr. D. Collins; Treas., Mr. A. P. Cooney; committee, Miss E. Lynch, Miss B. Tobin, Mr. P. Malone, Mr. S. Prendergast.

Race Dance.—The popularity of the cinderella dance sponsored by the Point-to-Point Race Committee, which was held on race night, at the Cinema Hall, was fully demonstrated by the capacity and representative company which was present at this annual function. The delightful programme of specially selected dance items, served up by the Brideside Serenaders' Band was fully appreciated, as more than the usual demands for repeats was very evident during the hours devoted to this most enjoyable social event. Despite lack of transport facilities, the attendance included patrons from Malow, Middleton, Mitchelstown, Kilmoylan, Farmoy, Carrigtwohill, Youngsall, Lismore, Cahir, Clonmel, Cappoquin, Dungarvan and all the other local centres.

Whist Drive.—Under the auspices of the committee of the local Hurling Club, a most enjoyable whist drive was held last Sunday night at the Carnegie Library. Quite a large company were present and some intriguing games were witnessed. Gent's prizes were won by Mr. Jas. McCarthy, 1; Mr. J. O'Neill, 2; and Mr. Wm. Beecher, 3. Ladies' do. Mrs. Walsh, Glenaboy, 3; Mrs. Prendergast, 2; Mrs. P. Sheehan, 3. Half-time prizes were won by Miss M. Hartigan and Mr. Jas. McCarthy. Half-time lowest score, Mrs. O'Shea and Mr. M. Gallagher.

Market Prices.—At last week's market the following prices were paid: farmers' butter (improved supply) 2/- per lb.; eggs 2/2 doz.; chickens, 1/3 per lb.; old fowl 1/3 lb.; turkeys, 2/- per lb.; potatoes, 2/8 and 2/9 per weight.
