THE LATE LORD CHARLES CAVENDISH.

Few there are throughout the county who did not learn with deep and sincere regret of the death of Lord Charles Cavendish, which took

place early on Thursday morning, March 2nd, at his residence, Lismore

Castle following a long illness and at the early age of 39 years. The

second son of the late Duke of Devon-

shire and brother of the present Duke, Lord Cavendish was born in 1905, and was educated at Eton and

Mr. T. McCarthy, Chairman, presided at the meeting of the Dungarvan U.D.C. on last Friday night. Also present were Messrs. T. Kyne, P. Dwyer, L. A. Veale, and M. Morrissey, T.D.

Playground for Children.-Arising from the minutes, Mr. O'Dwyer asked about a playground for the children of the town at Boreenatraw. Acting Clerk-Mr. Veale asked for a report on it.

Mr. Morrissey said that two play-

grounds would be better. The largest portion of the population of the town was in the western part, that is, Loughmore, Cathal Brugha Place, itzgerald Terrace, and other streets up there, and it would be unfair to expect the children there to go t there was a chance of getting a playground it should be in close prexmity to these housing schemes. No needed to keep the children off the public roads. They were safe enough at present because there was very itle traffic on the roads; but later on the children for playing on the roads. They had to play somewhere. Mr. O'Dwyer- That was the reason that Willams' Marsh was bought by

without Calomel—and you'll jump out of bed in the morning full of vim and vigour The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks punk.

Lazatives help a little, but a mere bowel movement doesn't get at the cause. It takes those good old Carters Little Liver Fills to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carters Little Liver Pills. Stabbornly refuse anything cise, 1/3 and 3/~

MOOREHILL NOTES.

Deep Regret.—Expressions of deep regret have been heard all over the parish at the announcement of the death of Mrs. Mary Murray, Cappo-quin. Deceased was a member of a very old and highly respected family from this parish (the Ryans of Dunmoon), and with all classes was held in the highest esteem for her kind and gentle manner, which made her a favourite wherever she went. To her bereaved husband and family, as well as to the many other relatives of this widely connected family, sympathy is universally extended.
Successful Athlete.—We offer our

hearty congratulations to Mr. Sonny Murray, our well known local athlete, on winning the L.D.F. marathon race at Lismore on St. Patrick's Day, from a big field. We join with his many riends in congratulating him, and hope it is only the forerunner of many

more events during the coming sea-Enjoyable Dance.—A very enjoy-able dance was held at Knockanore Hall on St. Patrick's night, under the auspices of the L.S.F., and was very successful, for despite many counter attractions a large crowd attended, and one and all had a very enjoyable night. Delightful music was supplied by a talented orchestra, and to the National Anthem came all too soon.

The Secretary said there were four existing scholarships at presentthree tenable at the provincial agricultural colleges and one at the Albert Mr. O'Ryan asked would it be ad-

colleges first. Mr. Harty said that in Cork University there was a faculty of dairying science. A boy in order to qualify had only to pass matriculation or the leaving certificate. There was no faculty of agriculture there as far as he knew. The knowledge that a boy would get there would be as good as any ordinary experience he would ge.

Mr. Harty—I agree. Chairman-There may be an openng for creamery managers on the ines suggested by Mr. Harty.

After further discussion the meeting decided that it was their opinion that a scholarship be provided in either the faculty of agriculture or Demonstration Schools. - Mr. M.

Mr. Heskin said that it would be a good thing if there were, even if they were only on a small scale. Chairman—But what about the question of funds?

Mr. O'Ryan—the cost to y the central fund. A proposition on these lines was then passed, the proposer being Mr. O'Ryan and the seconder Mr. Mc-Correspondence.—A letter in con-

nection with the regulation of salaries of officers of committees of agriculture was read and approved.

The Department wrote that with a view to increasing the production of eggs in the county it would be necessary to appoint a temporary instrucsary to appoint a temporary instruc-tor in poultry-keeping.

The Committee decided to appoint

an instructress for six months. In connection with a scheme forwarded by the Department for distri-bution of pure-bred cockerels the provement scheme, said that this Committee agreed to supply twenty scheme should be extended to build-

reported on the arrangements for Easter, and drew attention to the reports appearing in the local press of the "noting" of the Committee's request to fly the National Flag on Easter Sunday by the Vocational Education Committee at their last meeting. The tone of the discussion on the request at the Voca-tional meeting was to be deplored. Several members voiced the opinion that the remarks during the discussion and the mere "Noting" of the request by the Vocational Committee was an insult to the flag and all Old Comrades of the I.R.A., particularly out that a boy's parents must derive at the present time when our their livelihood wholly or substannational position was being challenged.
