## DUNGARVAN U.D.C.

Mr. T. McCarthy, Chairman, presided at the meeting of the Dungarvan U.D.C. on last Friday night. Also present: Messrs. L. A. Veale and T. Kyne.

**R.B. Cases.**—In regard to the inquiry made by Mr. Kyne at the last meeting, if a fund was in existence for the dependents of men who got T.B. during their work, the Acting Clerk said that the County Medical Officer of Health (Dr. O'Farrell) had informed him that he understood that there was a fund available, provided by the late Mr. McGuire, of Clonea. Further inquiries were being made from Mr. O'Flynn, Secretary to the Board of Assistants, in the matter and the Council would be informed of them later.

Mr. Kyne—I am glad to know that there may be something about it.

**Church Holidays.**—Regarding the Council's inquiry if employees of the Council worked on church holidays, the Acting Clerk said that the County Surveyor's office had sent him a letter on the matter.

The Chairman said there was an order on the books relating to the working of the Council's employees on church holidays, and he remembered that, if the occasion arose that the men had to work on church holidays, they got double time.

The B.S., writing in regard to this matter, said: The Act provides the following to be public holidays with pay—Christmas Day, St. Stephen's Day, St. Patrick's Day, Easter Monday, Whit Monday, and the first Monday in August. It also provides that certain church holidays may be substituted for some of the above, and the following will be the holidays in force in this county until further notice: For Easter Monday, substitute Ascension Thursday; for Whit Monday, substitute Corpus Christi; and for first Monday in August, substitute the 15th August. The 29th June and all other church holidays from now on will be holidays without work and without pay. When any of the holidays fall on a Sunday, the following working day will be substituted.

The meeting agreed to bring the matter to the Manager's attention.

**Emergency Order.**—A letter from the Department was read by the Acting Clerk, which stated that the Government had made an Emergency Powers Order whereby a voting authority which had made a vote which was or was likely to be insufficient to meet any expenses which in the opinion of the Minister for L.G. and P.H. should be incurred in the interest of the public or the preservation of the State, could determine a new rate in the £ or make an additional rate for that purpose, and make and collect such rates.

A copy of the order accompanied the letter.

Sympathy was expressed with Mr. Wm. Burke and family on the death of his daughter; with the family of the late Mr. John O'Brien, St. Garvan's Terrace, and with the family of the late Mr. Thomas Roche (killed in Burma).

**Council Employees' Bonus.**—Regarding the bonus to employees of the Council, the Acting Clerk stated that, speaking to the Manager on the matter, the latter stated that at the Estimates meeting, the estimate was cut by 4d., the result being that enough money was not kept. He (the Manager) would, however, go into the matter further.

Mr. Kyne said that if the occasion arose that the Manager should come to the Council for an additional estimate, he was sure that the Council would not refuse him.

**Williams' Marsh.**—The Chairman raised the question of Williams' Marsh and said that as far as he knew this marsh was bought by the Council for the purpose of providing a playground for the children of the town. It was better to see the young boys playing there than on the streets of the town. Of course there was not so much traffic on the streets these days, but that did not get away from the fact that the streets were not the proper place for children to be playing on. He thought they should try and get the marsh for a playground. He thought it would be a very suitable place for them if they could get it for that purpose.

Mr. Kyne said he understood that 90 per cent. of the money spent on

## CAPPOQUIN NOTES.

**A Grand All-Night Dance** in aid of the local L.S.F. was held in the Boat-house Hall on Sunday night last. Very large crowds of dancing fans from all parts of Waterford patronised the event which was a splendid success from every point of view. All arrangements for this most enjoyable function were carried out by the capable and energetic group leader, Mr. P. Morrissey and Mr. T. Stapleton, adjt., who deserve the greatest credit for the pains they took to ensure a grand night's entertainment for all. The floor was in splendid order which was deeply appreciated by the large crowds present. Sparkling music was provided by the popular Brideside Serenaders' Dance Band, Tallow. During an interval in the dance a raffle took place and the winner was Miss Kingston, Killanish. Mr. S. Bell, on behalf of the L.S.F. briefly thanked those present for their kind attendance. Following this, dancing was resumed and continued till the playing of the National Anthem brought to an end one of the most sociable and enjoyable functions held here for some time.

**Polling Day in Cappoquin.**—Polling day passed off very quietly in Cappoquin. No outward signs of enthusiasm were evident. The great excitement and displays of party feeling which were a marked feature of previous elections were not witnessed. People just exercised their rights and went about their business as if it were an ordinary day. Little would a person believe on passing through Cappoquin that, on that day the fate of the country was in the melting pot. A poll estimated at 85 per cent. was cast in the town but the percentage was decidedly lower in most of the outlying polling stations.

**Death of Mrs. Glavin.**—We regret to announce the death of Mrs. Glavin, which sad event occurred at her son's residence, Allen Street, Cappoquin, on Thursday, 26th May. Of a kindly and homely disposition, and with a gentle and unassuming manner, she was genuinely liked by all. On Friday evening the remains were removed to St. Mary's Catholic Church, and the funeral took place on Saturday to St. Declan's cemetery, Dromore, when large numbers representative of all classes were present. Rev. T. Dunphy, C.C., headed the cortege and also officiated at the graveside. Large numbers of Mass cards and wreaths were laid on the grave. The chief mourners were Messrs. Michael, Tom and Willie Glavin (sons); Mrs. M. Glavin (daughter-in-law); Mrs. B. Williams (grandchild); Mr. M. Glavin (grandson); Mrs. W. Glavin (daughter-in-law); Mrs. P. Driscoll, Mrs. J. Driscoll, Mrs. Lawlor, Mrs. J. Moore, Mrs. W. Grath, Mrs. T. McCarthy, Mrs. Ellie Lynch, Lyrattan; Mrs. J. Fitzgerald (relatives). Mass cards were received from Mrs. T. Moore, Mrs. W. Glavin, Mrs. T. Fitzgerald, Mrs. P. Driscoll, Mrs. M. Glavin, etc.

**Next Sunday Night's Dance.**—A grand all-night dance, in aid of the Rowing Club, will be held in the Boat-house Hall on next Sunday night, 4th June, and all will be glad to know that the Brideside Serenaders' Band has again been specially engaged for this dance, which should prove one of the most successful functions of the year, being followed by the scratch races. Catering arrangements will be in the capable hands of Miss B. Colbert, Knockalara.

**Scratch Races.**—The annual scratch races will take place here on the next, 4th June. The races commence at 6.30 p.m. Many valuable prizes are to be won—the C.R.C. challenge shield and other presentation prizes. A special race will be the challenge between C.R.C. and the Army. The weather conditions being favourable, this should prove a most enjoyable and interesting day.

playgrounds was recoverable from the Government.

The Acting Clerk said that in connection with this the Department had notified the Manager that a grant of £750 would be available, and the Manager was using it towards the completion of the swimming pool.

Mr. Kyne—The swimming pool is a bit of an eye-sore at the moment and it would be better to finish it. Later, perhaps, other money could be diverted towards the making of a playground.

## THE GENERAL ELECTION.

### HOW WATERFORD VOTERS

**FOLDED.**  
Polling for membership of the Twelfth Dail took place on Tuesday last, May 30th, throughout the country. The poll on the whole was not as heavy as last June. In Waterford the best of good order prevailed during the day. At the close of the poll the ballot boxes for West Waterford and East Cork were conveyed to Dungarvan Courthouse, and from thence to Waterford city, where the checking and counting took place. There were seven candidates for the four seats, made up as follows:—Fianna Fail, Messrs. Goulding, Little, and Morrissey; Fine Gael, Mrs. Redmond; Farmers, Mr. D. Heskin; Labour, Mr. D. Hanley; Ailtiri Na h-Aiseirge, Mr. Liam Walsh.

Mr. T. A. Colbert supervised the checking of the boxes, which commenced at 9 a.m. on Wednesday, and the count was completed before midnight.

**The First Count.**  
Electorate, 46,871. Total valid poll, 37,308. Spoiled votes, 343. Quota, 7,462.

D. Hanley (Lab.)	3,634
L. Walsh (A. na h-A.)	739

**Second Count.**  
The second count consisted of the distribution of Mrs. Redmond's surplus of 599 votes. This resulted—  
Walsh (8) ..... 747  
Goulding (14) ..... 4,939  
Hanley (194) ..... 3,828  
Heskin (346) ..... 5,961  
Morrissey (37) ..... 6,800  
Walsh Eliminated.

No candidate having reached the quota, the Returning Officer proceeded to the third count—the elimination of Liam Walsh. This left the state of the parties—  
Goulding (202) ..... 5,141  
Hanley (171) ..... 3,999  
Heskin (118) ..... 6,075  
Morrissey (154) ..... 6,963  
**Final Count.**  
Mr. Colbert next eliminated Hanley, the lowest on the list, and this, the fourth and final count, resulted in the election of Morrissey and Heskin, the transfer of the Labour nominee's votes being—  
Goulding (397) ..... 5,538  
Heskin (1,079) ..... 7,751  
Morrissey (1,073) ..... 8,036

**Final Election Results**  
**POSITION OF THE PARTIES.**  
**NEW DAIL.**  
Fianna Fail, 76; Fine Gael, 30; Labour, 8; Nat. Labour, 4; Clann na Talmain and Farmers, 13; Independents, 7.  
**OLD DAIL:**  
Fianna Fail, 67; Fine Gael, 32; Independents, 12; Labour, 17; Clann na Talmain and Farmers, 10.

**DEATH OF MRS. MCGRATH.**  
The death took place on Thursday morning of Mrs. McGrath, wife of Mr. John McGrath, Harness Maker, St. Mary Street, Dungarvan. The deceased, a native of the Nire, Ballymacabrey area, was a general favourite with all who had the pleasure of knowing her, due to her never-failing bright and cheery disposition. To her respected husband and family the deepest sympathy is extended in their very sad bereavement. The remains were removed to the Parish Church, Dungarvan, on Thursday evening when a very large and representative attendance were present.

The interment takes place to-day (Friday).

**Carrick-on-Suir Fair.**—Notwithstanding that Carrick fair was changed from Monday to Tuesday this month, there was a very large supply of cattle, sheep and pigs. A demand for young pigs and roan yearling cattle was a feature of the fair. 10 to 12 weeks old pigs fetched from £3 to £3 5s.; 3 months old from £3 10s. to £4 5s.; 4 months old from £4 15s. to £5 5s.

## WEST WATERFORD NEWS

**The Election Campaign.**—There was a good deal of election activity in these parts over the week-end, representatives of all parties being busy seeking support. Following first Mass on Sunday morning, Mrs. B. M. Redmond, Fine Gael candidate, addressed a large meeting at Clashmore, while later in the day she spoke at meetings at Kinsalebeg and Ardmore. On Monday night a well attended meeting in support of the Aiseirge candidate, Mr. Liam Walsh, was held at Clashmore. On coming forward to speak Mr. Walsh was loudly applauded. In his opening remarks Mr. Walsh said he was glad to have an opportunity of visiting Clashmore, where he had many friends in the Gaelic movement. He had always stood for an Ireland free, Gaelic and christian, but had been disillusioned by party politics. He appealed to his listeners to rally to the standard of Aiseirge, which was the only hope for Ireland. Messrs. Eamon O'Riain, Waterford, and Padraig Ceitann also spoke and were enthusiastically applauded. A meeting under the same auspices was also held at Aglish.

**Dance at Ardmore.**—A most successful and enjoyable dance was held in St. Declan's Hall, Ardmore, on last Sunday night. First class music was supplied by Nancy Crowley's Dance Band (Youghal), and the organising committee had all arrangements perfect.

**Clashmore G.A.A. Tournament.**—Arrangements for the Clashmore J.F. medal tournament are already well advanced and the first match will be played in the near future. As soon as the necessary permission has been secured the draw will take place. The tournament will be confined to four or five teams, so that the final can be played before the winter. We hope to be able to give full details in these columns next week.

**Polling Day** passed off quietly in these parts, and the outward displays of enthusiasm evidenced at previous elections were absent. From an early hour there was a steady stream of voters, and there was a fairly exhaustive poll at all centres. The representatives of the different parties were busy during the day, and some of the candidates paid visits to the polling centres.

**Kinsalebeg v. Geesh Emmets.**—The meeting of Kinsalebeg and Geesh Emmets in the initial round of the current year's M.H. championship at Clashmore is expected to provide a good game. Incidentally it is the first hurling match ever played at this exclusively Gaelic centre and it is sure to attract a big crowd. Both teams have trained hard for the contest and each side is confident of victory.

**Grange L.D.F.**—This very efficient L.D.F. unit has secured a big number of new recruits recently. Great credit is due to these young men who have come forward to serve their country in the present difficult times. Their good example should be followed by those still outside the ranks. Other L.D.F. units in this district have also secured numbers of new recruits recently, and it is hoped that many more will join in the near future.

**Election Oratory.**—Tallow, like most other towns in the country and throughout the Eire, had its share of Election oratory from the various candidates and other speakers during the Election campaign. Except for two minor attempts at interruption exceptionally good order prevailed and the attendance at all the meetings was good and representative of all shades of opinion.

WEST DIVISION G.A.A. NOTES By "AN RUALIDHE."

Defeat.—The defeat of our senior hurlers at Clonmel has been a severe blow to Gaelic enthusiasts of the County. There is no question of hard luck as we were beaten fairly and squarely. Well, that's how it goes and I see no use in trying to find a victim to put the blame on.

John Keane Well Again.—The latest news, that John Keane is back in Waterford from Dublin after a medical examination and that he has been found fit again has been received with delight throughout the county.

Carry On the Championships.—The delay and upset in the championships, due to the inter-county alteration of date and some senior county games was overcome on Thursday evening. The Western Board made full plans for the carrying out of all outstanding fixtures. The games will now have an added interest as our inter-county hopes have gone.

Inter-School Games.—A Gaelic follower has suggested to me that if the schools of the West could be got to have an inter-school competition in hurling and football with trophies supplied by the I.G.A.A. it would produce plenty material for the junior and senior clubs. I quite agree with this but the trouble is to get the schools to carry out the competition.

CHILDREN'S CEILIDHE WILL BE HELD IN THE TOWN HALL ON SUNDAY, JUNE 4th. From 3 p.m. to 6 p.m. ADMISSION: Children, 6d.; Adults, 1/- CEAD MILE FAILLTE.

LOCAL HAPPENINGS

ACKNOWLEDGMENT. CULLINAN.—The widow, family and relatives of the late John Cullinan, Ballyville, Stradbally, wish to return their sincere thanks to those who sympathised with them in their recent sad bereavement, those who sent Mass cards, letters and messages of sympathy, and those who attended the funeral and Requiem Mass. They trust all will accept this in grateful acknowledgment.

The Mission.—The fortnight's Mission conducted in the Parish Church, Dungarvan, by the two eloquent Redemptorists, Fathers Walsh and Morgan, will conclude on Sunday night next, when the men's week will terminate. On Sunday last at 3 p.m. the women's week was closed by Rev. Fr. Morgan, and it is safe to say that the attendances each morning and night of the week broke all previous records for mission attendances by the ladies of the parish. On Sunday night at 8 p.m. Rev. Fr. Walsh opened the vision for the men, when again the sacred edifice was crowded, and very large congregations continue to attend both the morning and evening devotions. Confessions are being heard every day, and the nuns which approach the Holy Table each morning must be a source of joy not only to the missionaries but to Very Rev. Canon O'Brien and his zealous curate.

DEISE HURLING HOPES VANISH

Tipperary, 3-5; Waterford, 1-7. Waterford senior hurling team succumbed to a very fair Tipperary side at Clonmel on Sunday last in the first round of the Munster Senior Hurling Championship and thus, our hopes of a All-Ireland honours for the Deise hurlers in 1944 have vanished. The absence of John Keane at centre half-back was sorely felt though Paddy Dowling was a brilliant substitute in that position. The forwards lacked that fire and dash to pull the game out of the fire. Time and again in the second moiety Jim Ware sent the ball right down to the Waterford forwards but they made little use of it. Had Christy Moylan, a player of fire and dash, been included on the team, we are certain the game would have a different result.

The game was productive of flashes of typical Munster hurling and at times the large attendance was treated to some thrilling exchanges. At the interval Tipperary led by 2-1 to 1-3. Joyce and Leahy (1-1) scored for Tipperary. Hickey, who excelled at midfield (0-2) and Barron (0-1), and Wade (1-0) scored for Waterford. In the second half Leahy (1-1), Leary (0-1), O'Donnell (0-1), and Burke (0-1) scored for Tipperary while Hickey (0-1), Goode (0-1), Power (0-1), Barrin (0-1), registered for Waterford. The Waterford line out was:— J. Ware (goal). A. Fleming, C. Curley, M. Hayes (capt.), M. Creed, P. Dowling, Sgt. Fitzgerald, M. Hickey and V. Bastin. W. Barron, M. Daly, D. Power, P. Wade, M. Feeney, J. Goode. Sub.—F. O'Meara.

YOUGHAL URBAN COUNCIL

At a meeting of Youghal Urban Council, Mr. Sean P. Daly, B.E., vice-chairman, presiding, a letter was received from the County Manager stating that the Minister for Local Government has provisionally fixed an allocation of £1,020 under the Employment and Emergency Schemes Vote, 1944/45 for the provision of additional employment for recipients of unemployment assistance resident in the urban district of Youghal, subject to a local contribution of £125. Apart from road works, the Minister will be prepared to consider proposals for the carrying out of works of a high labour content such as schemes for the provision of public parks and playgrounds, clearance of derelict sites and other works of local amenity. Waterworks or sewerage schemes will not be accepted.

Mr. Lynch.—When are we going to get this grant?

Mr. M. D. Broderick.—Probably when the weather will get bad. I think these works should be done in the summer months and it would be far better for all concerned.

Mr. Ahern.—I think these grants should be allocated for sewers and waterworks, why always allocate them to roads and footpaths. It was finally decided to accept the grant and provide the local contribution. The works to be carried out to be MacCurtainstown, Cork Hill, Ashes Street and the Fair Field. A letter was received from the Department of Supplies stating that it has been found necessary to require all gas undertakings to reduce their monthly output of gas, until further notice, to not more than 53 per cent of the normal value of the output for the corresponding month in the year 1941.

The matter was referred to the Manager to make the necessary arrangements for the carrying out of the Department's order.

Waterford Pen Leading.—A pen of Rhode Island Reds, owned by Miss M. O'Donovan, Dromore, Cappoquin, leads in the current egg-laying test at the Munster Institute, Cork.

Don't Forget to support the Dungarvan Hurling and Football Clubs by patronising Piper's Amusement at the Gaelic Field. Make sure you purchase a ticket for the draw for a suit length with trimmings on Sunday night, June 11th. See advt. in this issue.

Interesting to Note.—That Anthony Power (U.C.C.) of the Nire Club is on the Cork senior football selection to meet Kerry in Tralee on Sunday next. By the way we understand that in two recent football matches Anthony scored 6 goals and four points in all. Strangely however the Waterford S.F. selectors did not consider him. W. Sloney, of the Dungarvan Club, registered 1-3 against Kildare when he assisted Carlow in the Leinster senior football championship replay on Sunday last which Carlow won well.

CO. WATERFORD COMMITTEE OF AGRICULTURE.

Mr. M. F. Walsh, vice-chairman, presided at the monthly meeting of the Co. Waterford Committee of Agriculture at the Courthouse, Dungarvan on last Saturday. Also present: Messrs. D. Coughlan, W. Dower, M. Harty, M. McGrath. The following instructors were present: Miss M. M. Mullins and Mr. D. Hurley. The Secretary, Mr. J. O'Dwyer, was also in attendance.

Lime Subsidy Scheme.—A letter from the Department of Agriculture was read approving of the Committee's grant of £75 for the repair of disused lime kilns. The giving of the grants to applicants was conditional on their undertaking to use the kilns for a period of five years. The Secretary said that three applications had been received from Tallow, Ballydeane and Clashmore, respectively.

Appointment.—The Committee approved of the temporary appointment of Miss M. E. Haaganey, Co. Cavan, as instructor in Poultry-keeping and butter-making.

Reapers and Binders.—A letter was read from the Department regarding the allocation of reapers and binders.

Replying to Mr. Dower, the Secretary said that he expected that the Department would send on further particulars and conditions regarding the allocation of reapers and binders later on.

The Chairman referring to the special committee appointed for the purpose of making recommendations regarding the allocation of the reapers and binders said that he thought that the Committee of Agriculture should have had a say in the matter, as, after all, who knew the needs of the Agriculturalists of the county better than that committee.

Following a short discussion, a resolution that those who receive reapers and binders be requested to finish all essential work in the districts in which the machinery is located, and in no case that they go outside the county until the work in their own county is completed, was passed.

Potato Spraying.—A circular from the Department was read on the importance of potato spraying this season and that orders for supplies of potato spray should be arranged as soon as possible. The circular added that publicity should be given to the matter by way of suitable articles in the local press.

KILMACHTHOMAS NOTES.

Turf-Cutting—Great progress is being made with the Waterford County turf production campaign in the expansive bog at Comeragh, Kilmachthomas, which by the way, is the property of Mr. Michael Keating, P.C., M.C.C., one of the most popular farmers in these parts. Large numbers of local farmers and cottagers are harvesting turf from the bogs at Lyre, Leamybrien, Glen, Garranurton and Graigue, respectively. The "strippings" of "commercial" trees are being bought for fuel from the agent of Messrs. McAlinsh and Co., Ltd. (Dublin) on the Fairholme Estate, Comeragh.

Irish Countrywomen's Association.—This organisation aims at bringing all countrywomen together in a spirit of fellowship and co-operation, to promote the interest of rural home-making, and of our principal industry—agriculture—and (most important) to brighten country life. Kilmachthomas boasts a flourishing Guild of the Association, as also does Stradbally. At their respective centres the members meet together for instruction and recreation and for community work and handicrafts. We understand that a guild may be formed in any country district or town, providing the population is not more than 3,000, and that membership is open to all women and girls over school-leaving age.

Commissioned.—James Flynn of highly respected Mr. and Mrs. Thos. Flynn, the Square, Stradbally, was one of the twenty cadets who received their commissions as Second Lieutenants (Regular Army) from Mr. Oscar Traynor, Minister for Defence, at the Curragh on Thursday of last week. The entire ceremony, held in the open air, was conducted in Irish, and with full military ritual. Before taking the Oath the new officers assisted at Holy Mass in St. Bridget's (Garrison) Church, Second Lieut. Flynn is brother of Thomas Uas. O'Flaherty, Primary School Inspector, Dublin, and of Mr. Michael Flynn, N.T., principal of a school situated near New Ross, Co. Wexford.

At the May Fair of Kilmachthomas, held on Tuesday last, supplies were considerably below average and trade generally was quiet. Good quality cattle were again in demand, and sheep and lambs also cleared well. Pigs were scarce, the number on offer being far short of the demand. Prices closed firm at prevailing rates.

Splendid Jobs of work are being wrought by a band of County Council roadmenders in the way of eliminating perilous angles and fencing the land-side fringes of the newly widened stretches on the Kilmachthomas-Dungarvan road, via Ballylancean. Mr. Bowen, B.E., Co. Surveyor, and Mr. Dunne, Assistant, do can well feel paradisaically proud of these improvements, which are certainly a credit to their workers concerned, who are in charge of Mr. John Murphy, area overseer, and Mr. Thomas Vesle, ganger.

Death of Mr. W. Power.—The death of Mr. William Power, Kilmachthomas, Kilmachthomas, took place at Waterford on Thursday of last week, following an illness of eight weeks' duration and at a moderately advanced age, and the sad event evoked feelings of general regret amongst the people of these parts. A native of Old Garrage, Carrick-on-Suir, the deceased for a number of years past was a valued member of the staff of Mr. P. Kiersey, general merchant, Kilmachthomas, and being chery and bright of disposition, he made lasting friendships with those with whom he came into contact either during business or leisure hours. In fact it is no exaggeration to state that the late Mr. Power was persona grata with all sections of the community, and the news of his demise was keenly felt by the extremely expansive friendship circle which it was his privilege to enjoy. He is survived by his good wife and daughter (aged 8 years). Deceased was brother of deservingly popular Father Michael Power, C.C., Kill, Mr. Thomas Power, Johnstown, Waterford, and Mr. Geoffrey Power, Old Garrage; and he was uncle of the Rev. G. Power, C.C., of the English Mission. We join with the neighbours in general in expressing heartfelt sympathy to the bereaved ones. The Light of Heaven to the gentle soul departed. A cortege of imposing dimensions and representative of all classes and sections of the whole wide community accompanied the removal on this (Friday) evening week to the Parish Church, Clonca-Rathgormack, where they were received by the Rev. M. Power, C.C., Kill (brother), and the Rev. F. Kelleher, C.C., Rathgormack, who recited the prayers for the dead. Next

morning the spacious sacred edifice was filled to its doors, when Solemn Requiem Office and High Mass were offered up, at which the Very Rev. Nugent, P.P., Clonca-Rathgormack, presided. Father Power, C.C. (brother) was celebrant of the Mass; deacon, Rev. J. Walsh, C.C., sub-deacon, Rev. L. Vereker, C.C., Portlaw; master of ceremonies, Very Rev. M. F. Hezard, P.P., Ballyduff-Portlaw. In the choir were: Very Rev. T. Galvin, P.P., Newtown-Kill; Very Rev. D. Power, P.P., Kilmachthomas; Rev. J. P. Walsh, C.C., do.; Rev. T. Power, C.C., Portlaw; Rev. D. O'Byrne, C.C., Rathgormack; Rev. Fr. Kelleher, C.C., do.; Rev. J. Walsh, C.C., Carrickbeg; and Rev. Fr. Ephrem, O.F.M., do. Interment was made immediately afterwards in the adjoining cemetery, in the presence of innumerable relatives, friends and sympathisers and amid every manifestation of profound sorrow. All of the clergy already named again officiated at the graveside, a number of beautiful floral wreaths were laid on the grave and many Mass cards and messages of condolence were received.

Death of Mr. J. Cullinan.—The death, which took place on Friday of last week, at his residence, Ballyvulle, Stradbally, of Mr. John Cullinan, farmer, occasioned deep and widespread sorrow. He came from good old family stock of the Decies; was a progressive and highly successful dairy and tillage farmer, and always took a very active interest in local and national affairs. Any movement for the betterment of his fellow-man met with his whole-hearted support, as did any charitable cause. The funeral, on Sunday evening, to the cemetery adjoining the Parish Church, Stradbally, was one of the largest seen in the district for a long time and was a fine tribute of public respect to the memory of departed worth. Very Rev. E. English, P.P., do., officiated at the graveside, assisted by Rev. P. Walsh, C.C., do., and Rev. Fr. Draper, C.C., do. Sympathy with the deceased widow and family, and other immediate relatives is universal. Masses for his soul were celebrated during the week.—May he rest in peace. Chief mourners were—Mrs. E. Cullinan (wife); Katie, Nellie (daughters); Walter (son); Mr. W. Cullinan, Dungarvan, and Mr. J. W. Cullinan, Blemis (brothers); Mrs. B. Bell, Dungarvan, and Mrs. E. Dunford, Glendalligan (sisters); W. J. Cullinan, N.T.; P. Cullinan, N. Bell; J. Dunford, J. Fennell, M. Fennell and W. Cullinan (nephews); Mrs. E. J. Keyes, Mrs. W. Power, Mrs. Harney and Mrs. Fraber (nieces). Mass cards were received from the following: wife and family; Walker Cullinan and family; Mrs. M. Callinan and family; Mrs. Bell and family; George Cummins; Rita and Jack Cummins; Miss Paddy and Kit Croddy; Mice and Nan Casey; the Mullane family; T. Keaver and family; Davie Kiely, Ballyvulle; Mrs. Power and family.

Mr. P. J. Little, T.D., Minister for Posts and Telegraphs, paid a courtesy call on the Very Rev. T. Galvin, P.P., at the Parochial House, Newtown, on Sunday last.

L.D.E.—Captains Sean O'Meara and G. Fitzgerald (Army) were present in the capacity of examining officers at the final of the Inter-Parish Area Competition held at Ballylancean on Sunday last (28th inst.). The groups engaged gave a splendid account of themselves—all having been trained by the able and well-liked Army Drill Instructor, Sgt. J. O'Dowd, who, by the way, is a native of Donegal and is now fourteen months operating in the Kilmachthomas district.

The Whit Sunday Night Dance at Spring Valley Hall, Bannahugh, attracted a bumper assembly and was an unforgettably enjoyable social function, an excellent programme of music being rendered by the Waterford Swing Aces' Band, under the personal direction of Mr. Martin ("Busty") Griffin. Catering, cloakroom and cycle park arrangements left nothing to be desired.

TALLOW NEWS.

Obituary.—Expressions of regret were general all through the parish when the announcement was made that the death of Mr. James O'Connell had taken place at his residence at Kibbeg, Upper Tallow, following a rather prolonged illness and to his bereaved widow, daughter and other relatives the sincere sympathy of their many friends is extended.—R.I.P. Deceased was an extensive farmer and cattle-trader and was a well-known figure in the latter trading circles throughout East Cork and West Waterford. At the removal of the regret felt at deceased's passing. Requiem Masses having been offered for the repose of deceased's soul by Rev. Fr. Sheehan, C.C. Tallow, the subsequent interment took place in the new cemetery adjoining the church in the presence of an even larger and more impressive cortege of mourners, sympathisers and the general public. Rev. Fr. Sheehan officiated at the graveside. The chief mourners were Mrs. E. O'Connell (widow); Miss M. O'Connell (daughter).

Death of Mr. J. O'Keefe, Templevally.—We regret to announce the death of Mr. Jeremiah O'Keefe of Templevally, Tallow, which sad event occurred on Saturday last at Fermoyle Hospital; after a somewhat brief illness occasioned by an accident which occurred in the farmyard of his employer. To his bereaved parents, sister and other relatives the sincere sympathy of their many friends is extended. The funeral cortege, which accompanied deceased's remains on their removal to Ballyvulle Church Saturday evening was representative of almost every household in the joint parishes of Glengourra, Ballyvulle, Conna, Ballyvulle and Tallow where deceased was well known and representative gathering of sympathisers and the general public. The interment took place in the family burial plot. Rev. Canon M. Ahern, P.P., assisted by Rev. Fr. O'Dwyer, C.C., Rev. Fr. O'Donnell, C.C. officiated at the graveside. Chief mourners present were: Mr. D. O'Keefe (father); Mrs. D. O'Keefe (mother); Mrs. E. Hogan (sister); Mrs. Corcoran (aunt); Messrs. John, Edward and Daniel Corcoran (cousins); Mr. T. Hogan (brother-in-law); Mrs. Carey, Glencolumbkille; Mrs. J. O'Keefe, Conna (relatives). A particularly sad feature of this bereavement is that just two months ago in these columns was published the tragic death of deceased's sister, in religion Sister Mary St. Agne, who was one of the 19 members of the Little Sisters of the poor killed in the air raid on Marino, Rome.—R.I.P.

Late Mrs. Elizabeth Lane, Monagow.—The announcement of the above much esteemed resident of the Conna Parish occasioned expressions of widespread regret throughout the joint parishes of Conna, Ballyvulle, Glengourra and Tallow where deceased and her family are well-known members of the farming community. Relict of the late Michael Lane, she was much beloved of all who knew her intimately, and her passing has created a void not easily filled. To her bereaved family and relatives the sincere and deepest sympathy of their many friends is extended. The funeral cortege which accompanied deceased's remains from Conna Parish Church to Kilmurphy Cemetery where the interment took place was representative of almost every household in the joint parishes and was a fitting tribute to the memory of deceased. Very Rev. Canon Ahern, P.P., Conna, assisted by Rev. Fr. O'Dwyer, C.C., Rev. Fr. O'Donnell, C.C., officiated at the graveside. Chief mourners present were Messrs. John and James Lane (sons).—R.I.P.

WAKE UP YOUR LIVER BILE without Calomel—and you'll jump up of bed in the morning full of vim and vigour. The liver should pour out two pints of liquid bile into your bowels daily. If this liquid is not flowing freely, your food doesn't digest. It just clogs in the bowels. One takes up your stomach. You get constipated. Your whole system is poisoned—and you feel so—until, and the world looks black. Laxatives don't get at the cause. It takes these good old Carter's Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up." Harpur, gentle yet powerful, is a mild, safe, and healthy way to get Carter's Little Liver Pills. Substitutes reduce anything else, 1/3 and 3/-. WATERFORD.

Deceased was well known in this district where he owned a large farm and with all classes of the community he was very popularly known and his demise is much regretted and it is his bereaved family sympathisers who sympathise in their sorrow and loss.

Successful Concert.—A very enjoyable concert was given by the Kilmurphy Players, at St. Mary's School on Sunday night last and was much appreciated by the large audience. A two-act comedy opened the evening and kept the audience in roars from beginning to end and they received a wonderful ovation at the end. The players taking part were: J. Condon, J. Condon and E. CORRESPONDENCE.

LABOUR PARTY. On behalf of Dave Hanley, Labour Candidate in the Election, I desire to return sincere thanks to all who voted for him and who helped as agents, canvassers and collectors. The result has been disappointing but thank God we still have almost 4,000 workers who see that the workers need a worker representative in the Dail. The fight must go on and I appeal to all our clubs to remain loyal to their pledges and continue to forward the interests of the movement in anticipation of the day, which must come, when we will elect a Labour Government for Ireland.—Yours fraternally, T. A. KYNE, County Organiser.

Clonca-Rathgormack Dramatic Society.—It is understood that an entertainment under the auspices of the above will be given at Green View Hotel in the very near future. A dance will follow. Full particulars next issue.

LISMORE NOTES.

Late Miss E. Murphy.—It is with the very deepest regret we record the death of Miss Eileen Murphy, Ballysaggart, which sad event occurred on Monday morning last at the District Hospital, Lismore. Miss Murphy, Ballysaggart, deceased had only been ill for a comparatively short time, and, until, seized recently with this fatal illness she had always enjoyed perfect health and the news of her untimely demise at the early age of 25 years is sadly deplored by all. One of the most popular young ladies in the locality, her friendliness and cheerful manner won her countless friends in every grade of the social scale and her passing has evoked expressions of regret throughout the entire district. Profound sympathy is extended to her bereaved father and sisters. On Monday evening proof of the deceased young lady's popularity was demonstrated by the very large and representative attendance of the general public at the removal of the remains to St. Mary's Church, Ballysaggart. The interment took place in the adjoining cemetery on the day following the celebration of Requiem Mass for the eternal repose of the departed soul. Chief mourners were: Mr. M. Murphy (father), Mrs. Kitty, Maureen and Margaret (sisters); Mr. Daly (grandfather); Mrs. O'Donovan (aunt) and Mr. J. Murphy (uncle).

Whitsun.—The Whitsun holidays passed off quietly around Lismore. The glorious summer sunshine which prevailed over the week-end enticed many people out of doors and numbers of cyclists could be seen setting off to pay their first visit of the year to the seaside. A large number also went to Clonmel and among them was a certain local enthusiast of about 73 summers who seems to thrive on those long spins. We congratulate this veteran on his performance and wish him the health and energy to undertake many more such trips. On Sunday night a very enjoyable dance was held at the Happy-drome Hall. Due to the fact that so many were away from home on Sunday there was not a very large attendance, but despite this, those present thoroughly enjoyed every moment dancing to the excellent music supplied by the Starlight Serenaders.

Polling Day.—The avasth which was displayed during the recent Election campaign was again evidenced by the matter-of-fact way in which the townspeople went to the Polling booths on Tuesday last and at any time during the day the town did not present an unusually busy appearance. This time, as on the occasion of the last election, owing to the petrol rationing, the representatives of the various parties could be seen bringing the aged and infirm supporters to the booths in vehicles of every description. Red Cross Public Meeting.—In connection with the Red Cross Society's drive for funds in the Anti-Tubercular campaign, a public meeting will be held at the Court-house, on Sunday next, June 4th. The speakers will be Mr. S. J. Moynihan, Co. Manager, Senator Sean Goulding, Mr. Ronald J. Gallagher, Hon. Co. Secretary, and Mr. Denis Heskin. The urgent need for funds to carry on this great work must be obvious to all and we earnestly hope that the people of Lismore and district will turn up in large numbers and give whole-hearted support to this deserving cause.

Next Sunday at Tallow.—On Sunday next at Tallow the Eire Oge XV meet Ballyduff in the current championship and the game is arousing much interest locally. The local boys have gone all out in preparation for this game and their supporters are not a little confident of carrying off the honours.
