However, Sunday, August 13th, should see both teams in action on the big, fast, Dungarvan pitch, and I am confident when backed by local support that this Dungarvan team will prove and justify my confidence in them. Followers of the ash should not fail to see this great challenge game for a set of hurleys kindly presented by Rev. T. Draper, C.C., Stradbally. Dungarvan have no reason to be down-hearted after Sunday's failure and with plenty young material available they should come to the forefront in a very short time. Sunday, August 13th promises to be a great Gaelic day in Dungarvan. The Cork Co. senior formal champions travel to meet Stradbally, the

This game is arousing great interest and it is expected that a record crowd will attend to witness football played by two of its leading club exponents. Rev. P. D. This ful silver cup which will be presented to the winners after the match. This game will give followers of football an opportunity of seeing the Cork champions in action and their visit to Dungarvan may help in the revival of football in the County. What the public need is first-class competition, what the players need is how to perfect their game and I anticipate a first-class exhibition on the 13th when Gaelic football of a high order should be witnessed. Followers of the big ball code have another treat in store and the County. another treat in store and the Coun An investigation of the St. Mollerans v. WAKE UP YOUR

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks punk.

Lazatives help a fittle, but a mere bowel movement doesn't get at the cause. It takes those good old Carters Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carters Little Liver Pills. Stubbornly refuse anything else, 1/3 and 3/-.

Camphire v. Lismore.—The meeting of the above two teams at the local Sportsfield on Sunday next has aroused much interest in the town, and indeed, throughout all parts of West Waterford. Both teams have big reputations in the hurling world and will be all out to enhance those reputations on Sunday. Having trained hard and diligently for the occasion, a thrilling game is assured. The fact that both teams are from the same neighbourhood and that some of the Campbire players have previously played for Lismore, helps to make rivalry more keen Lismore. to make rivalry more keen. WEST DIV. G.A.A. MEETING. WEST DIVISION G.A.A. NOTES Board Meetings.—We had a spate of Board meetings during the week. On Tuesday at Portlaw the Co. Board Mr. M. O'Connor, Chairman, presided at a meeting of the West Waterford G.A.A. Divisional Board, at Dungarvan on Wednesday night.
Delegates were present from the
following clubs: Ballycoe, Villierspassed sentence on offenders from the other Division. These sentence of suspension will show that in future all offenders will be dealt with. Its about time that this was done. The Kilmac' appeal against the West Div. decision was again ruled out. This has now held up the Division about three weeks. The decision to play the game on Sunday next is a direct result. At the Divisional Board meeting held for the first time on a Wednesday night a great attendance of delegates was a feature. The Board did great work in 2½ hours. Finnisk Rovers lost their objection against Sliabh gCua. Fourmilewater were unable to get a re-fixture of their game Sliabh gCua. Fourmilewater were unable to get a re-fixture of their game against Cappoquin unless the latter club committee agrees. Perhaps this will work out all right as it would be a pity if Fourmilewater did not get a chance of playing out the championship. I am sure Cappoquin Club will agree to meet them.

At Cappoquin.—A novel fixture at the Cappoquin venue on Sunday will be the curtain raiser provided by the Camogie challenge game, Ballyduff v. Dungarvan. This should be a great attraction and I would like to see more of these games with our fixtures.

with Cappoquin, and that the Club was withdrawing from the chammore of these games with our fixtures.

The meeting of Camphire and Lismore in junior hurling is going to draw a record crowd I understand A delegate from the Club stated the decision of the Board to play the match in Dungarvan was contrary to the previous decisions of the Board. He pointed out that the Board had from the Cappoquin Secretary who's club will be in charge that no one but the teams and officials will be allowed

divided the Western area into group areas in order to facilitate travelling, and that the fixture in question had been transferred from the Cappoquin Group area to the Dungarvan area to the Dungarvan that have had for many that have had for many

The Chairman said to his mind Cappoquin had the match. He would agree that the venue was unfair for Four-Mile-Water, but it was not contrary to a rule because there was no rule to that effect.

A Cappoquin delegate of that the failure of Four-Mile-Water to travel was due to the re-play of the Munster Final at Thusles. He was informed—he might be wrong—that some of the players in the Club wanted to go to the match. He thought that this appeal from Four-Mile-Water was only a dodge. If the application were listened to it would make a bad precedent, life

point is that it is ridiculous and un chances. Modeligo Club are a steady lot who never fail to be a danger. They are one club that always can be counted on to be ready to meet all comers. Dec.
