WEST WATERFORD NEWS

Transfer of Popular Garda.—Garda Denis Baker, Clashmore, has been transferred on promotion to the Depot. A member of a well-known Co. Clare family, Garda Baker was a leading Gaelic footballer and played as full-back for Clashmore team. He was a most popular figure in Clashmore and the surrounding districts being one of nature's own gentlemen ever ready to help a good cause. Of outstanding ability, he is voted an authority on the Irish language and an enthusiastic supporter of everything Gaelic. Possessed of a splendid knowledge of First Aid he gave many lectures on this useful subject to the Clashmore Voluntary Services. An all-round sportsman, he is a keen angler and first-class shot. As a peace officer he proved the soul of courtesy and won esteem on all sides. In appreciation of his services the members of the Clashmore Football Club made him a presentation of a wallet and fountain pen. On all sides are heard expressions of regret at his departure and good wishes for his future. His departure from Clashmore is a severe loss and his numerous friends join in wishing him many years of health and happiness in his new sphere of duty.

Cappoquin Defeat Ardmore.—At Clashmore on Sunday last Cappoquin met Ardmore in the junior hurling championship and following a fairly good game the former proved worthy winners. In the initial round Cappoquin defeated Modeligo while Ardmore disposed of Villierstown. On the throw-in Ardmore attacked but Cappoquin returned to score a point. Ardmore, who were playing a great game so far, secured a goal and continued to press. Settling down Cappoquin pressed repeatedly to get further scores and at the interval led on the score 4-3 to 1-1. On the resumption Cappoquin improved further to secure several scores. The winners proved to be a first-class well-balanced team with M. Morrissey and M. Connors outstanding at centrefield. Individuals on the losing side were very good but several weak links made for a disjointed team, which, however, gave a good display against a superior side. The final scores were: Cappoquin, 8-4; Ardmore, 2-2. Cappoquin—P. English (capt.), W. Rea (goal); J. Brackett, J. Cahill, W. Sargent, J. Sullivan, M. Connors, M. Morrissey, W. Lee, B. Curran, J. Sargent, R. Connors, D. Daly, T. Loneragan, J. Ahearn.

Ardmore—J. Rooney (capt.), M. Hart, T. Hallahan, W. Hallahan, S. Shine, P. Power, P. Foley, J. Keane, M. Keane, J. Clancy, S. Hennessy, J. Cullen, T. Cullen, M. McGrath, R. Norris, Mr. P. Ryan, Co. Board Rep. Dungarvan, retired in his usual capable manner and the local junior football club had all arrangements perfect, descending arrangements being particularly good. Late Mrs. B. Haanon, Clashmore.—We regret to announce the death of Mrs. Bridget Hannon (nee Power), Clashmore. A large and representative gathering attended the subsequent interment in the adjoining cemetery. Rev. Fr. M. Power, C.C., Clashmore, officiated at the interment.—R.I.P.

Glenlickey Rangers v. Blackwater Rovers.—All roads lead to Villierstown on Sunday next for the long awaited and much discussed clash between the above teams. Both combinations have been preparing hard for the contest and there is the greatest optimism in each camp with each side confident of victory. The Rovers side have disposed of tough opposition in Ring and Old Parish while the Rangers have ousted English and Villierstown. The men from the Blackwater Valley have been the more impressive and rank as favourites, but their opponents are a useful determined XV and may spring a surprise. Whoever wins a great struggle for supremacy is assured. Before the big match St. Mochudhas will play Tourin Rammers in the M.I.F. championship but as both teams are in the category of unknown quantities it is hard to forecast the result. The general opinion is that the "Saints" should prove the better combination.

Cycling Accidents.—While cycling down a steep incline to Mass at Clashmore on Sunday last a well-known and popular young lady met with a cycling accident and received rather severe injuries. She was removed to Dungarvan Hospital where she is progressing satisfactorily and her many friends wish her a speedy recovery and hope to see her about again in the course of a few weeks. Camogie at Knockanore.—Clashmore and Knockanore met in a challenge camogie match at the latter place on Sunday last and a very closely contested game ensued. Both teams were all out for a win and the greatest enthusiasm prevailed. The issue was in doubt until the final whistle which left Clashmore winners on the score 3 goals to 2. Clashmore—E. Connell, M. Curran, J. Mansfield, P. Curran, W. Healy, M. Connell, J. Cotter (capt.), B. Cunningham, K. Cunningham, M. Ryan, M. Hayes.

Ardmore Races.—The race meeting at Ardmore on Tuesday proved a great success from every point of view and the organising committee are to be congratulated on the success of their efforts. There were big entries for each of the five events and close and exciting finishes were the order. Conditions were ideal and there was a large attendance. The grand dance held in the local hall on Tuesday night was a most enjoyable function, splendid music being supplied by the Brideside Serenaders (Tallow).

ACCIDENT AT COUNTY HOME

SAD DEATH OF PATIENT.
Mr. T. C. Williams, Acting Coroner, held an inquest on Monday last into the circumstances surrounding the death of Margaret Power (60), unmarried, of Knockbrack, Pillown, Kinsale, that morning.

Supt. O'Mahony and Sgt. Liddane represented the authorities. Mr. P. J. Morrissey, solicitor, representing Mr. R. J. Farrell, the Board's solicitor, was present on behalf of the Board of Assistance.

The following jury were sworn—Messrs. David Power (foreman), Maurice Treacy, N.T., Thos. Connors, John Carroll, Matthew Cummins, Ml. Cleary, Ml. Walsh, and Thomas McCrory, M.P.

Miss N. Power, sister of deceased, gave evidence of identification and the fact that the remains were those of her sister, Margaret, aged 60 years. She was unmarried.

To Mr. Morrissey, solicitor, the witness said her sister never did any work except about the house. Her health was generally poor, but not too bad until about a week ago. Her sight and hearing were affected.

Maurice Fitzgerald, wardmaid, County Home Hospital, said that on this morning, about 8.5 a.m., she heard a noise in the room where the deceased slept and rushed to the door of the room. She saw some ceiling had fallen and some falling on the deceased, who was in bed. Witnesses called for help and went to the assistance of deceased and removed the mortal. Nurse McGrath and another wardmaid came. The deceased was conscious but appeared to be stunned. She did not speak to witnesses.

Nurse B. McGrath stated that she was called to the bedside of deceased shortly after 8 a.m. She found the patient in a shocked condition, covered with dust and mortar, with a wound on the right side of the forehead. She was partly sitting up in bed at the time, but fainter later. Witness gave her a stimulant and asked her to have more, but she replied "I'm all right." She was subsequently attended by Dr. McCarthy. Deceased was admitted to the County Home Hospital on last Wednesday evening. She was in a rather poor physical condition and was about 60 years of age. Witness was present when she died and identified the body now as the person admitted as Margaret Power.

To Mr. Morrissey, witness said she never saw a big man coming with the ceiling of the ward.

Dr. D. F. McCarthy said he examined the deceased Margaret Power subsequent to her death in the County Home Hospital, from the Cottage Hospital, Youghal, where she had previously been a patient. She suffered from chronic inflammation of the heart and bloodlessness. He examined her again that morning at 8.45. She was then dying. There was a jagged wound on the right side of the forehead one inch in length and 1 1/2 inches above the centre of the right eyebrow. There was no other wound. The cause of the death was cardiac failure, accelerated by the shock due to her accident.

To Mr. P. J. Morrissey, solicitor, the witness said that he visits this ward regularly and never noticed anything wrong with the ceiling, and he might add that all defects are immediately reported by the matron and are promptly dealt with by the engineer.

Mr. J. Ormonde, B.E., said he was engineer to the County Home under the Board. On the matter being reported to him that morning he inspected the scene of the accident. He found a section of ceiling plaster, about 3ft. by 2ft. had been dislodged and was on the floor. The height from floor to ceiling would be about 11 feet and the weight of plaster dislodged was about 200 lbs. The plaster was in small pieces on the floor. Part of witness's duties is to make periodical inspections of the institution. He inspected this particular ward four or five weeks ago. There was no apparent flaw in the ceiling at that time. In addition to the inspections, any defects of any kind which may appear from time to time are reported to him for attention. There was no report about this. Any defect reported was always quickly dealt with, and he actually have a carpenter and plasterer almost permanently engaged.

A verdict that the deceased died of cardiac failure, accelerated by shock due to ceiling plaster falling on her. They added a rider that in their opinion no blame could attach to anyone.

Sympathy was voted to the relatives by the Coroner, and was joined in by Supt. O'Mahony, the foreman on behalf of the jury, and Mr. P. J. Morrissey on behalf of the staff of the institution.

Gold Notes.—The fourball v. bogey played on Thursday, 10th instant, was won by Messrs. H. G. M. O'Neill and N. C. Eager with score of 4 up. Messrs. J. Wilkinson and J. Hazel were runners-up. President's Day—Sunday, 27th instant. 18 holes stroke competition for President's prize (presented by Mr. S. J. Moyrhan). Social from 9 p.m. to 3 a.m. with Dick Cronin's Band (Waterford). Full details next week.

WEST DIVISION NOTES

By "AN ROMANDE"

Presentation to Departing Gaelic Player.—Clashmore G.A.A. Club made a valuable presentation of a fountain pen and wallet on last Wednesday evening to Guard Baker to mark their appreciation of his services to the Club during his stay in Clashmore. Guard Baker played inter-county football with County Wick and is a fluent Irish speaker. The presentation takes with it the best wishes of the Gael on his transfer to the Depot. Clashes Money—Jas. Dwyer, Hon. Sec. Dungarvan G.A.A. Club wishes to acknowledge receipt of P.O. value 6/- refund of amount due to the Club.

At Villierstown on Sunday next St. Mochudhas meet Tourin Rammers in the minor football championships. Tourin have a string of young players that will take some beating. St. Mochudhas believe they can win out this year and are very confident of victory on Sunday. Blackwater Rovers meet Glenlickey Rangers in junior football at the same venue. Glenlickey had appealed against this venue to the Co. Board but the appeal was ruled out of order on several points the venue and date remain unaltered. The Glenlickey Rangers can rest assured that a fair field and no favours will be given to both teams. Villierstown Club will provide plenty of refreshment and P. Ryan will see to it as referee that the pitch will be kept cleared. Clubs are reminded that they can and will be held responsible for the actions of their supporters. Sunday will be a great day in Villierstown.

Board Meeting on Sunday.—A meeting of the Board of Assistance was held at 8.15 p.m. (S.T.) in the C.Y.M.S., Cappoquin, on Sunday next. The Lismore v. Camphire objection and counter objection, if lodged, will be taken. All clubs are to accept this notice as official.

Co. Board Meeting.—A Co. Board meeting will be held in Dungarvan during the week following so as to clear up all outstanding business.

At Dungarvan.—On Sunday Dungarvan met Ballycove in junior hurling and Eire Oge meet Kilmochmas in the same code. Ballycove will rely on the selection that defeated Kilmochmas but Dungarvan will be trying a complete new team. Most of the Dungarvan juniors have gone into senior ranks and the Blues will have to rely on a big number of recruits. Kilmochmas will at last meet Fitzie's Eire Oge team and the winner will be found. This game has been postponed for many weeks from date to date but Sunday sees the finish of it. Under no circumstances can a postponement from Sunday be accepted.

Army S.E. Final for Dublin.—During the week high hopes were held in Dungarvan that the Army Hurling Board would present the County Board with a challenge for many reasons. The Board officials agreed to give a clear date to the Army to help but at the last moment it was found impossible to arrange the game for Dungarvan and Croke Park has been selected as the venue.

Presentation of Medals to Army Teams.—Arrangements are under way to present the junior football County championship 1943 medals to "McDermott's" J.F. team and the Green Cross Tournament medals to the winners of the team before their departure from Dungarvan. It was hoped to stage this in Cappoquin but certain things make that venue impossible to arrange and it is likely that it is suggested to have an Army selection meet a Western football selection in Dungarvan on that day with a certificate to follow that night at which the medals would be presented by the County Board Chairman.

Things that I have heard.—That certain minor teams will have to be careful of the age limit rule. Investigation of over age players will be very serious for the players and officials who play them. That Ballycove meet the Army in a replay on Wednesday evening and they expect to win this time. That the County Board and Western Board will impose heavy suspensions at their next meetings.

Ring Tournament.—The following fixtures have been made—August 27th, Ring v. Old Parish; September 10th, Dungarvan v. Ballycove. All teams are warned that if they fail to play a certificate may be issued to the Board.

Wait for John Duffy and Sons' big Circus.—Patrons of John Duffy's ever popular Circus will welcome the announcement that Mr. John Duffy and Sons will pay visits to all towns of Waterford in the near future to stage, perhaps, one of the best programmes ever witnessed in the circus ring in this country. The name and fame of Duffy's Circus is recognised throughout the Thirty-two Counties, where "John" has established and maintained a high reputation for the first-class and Western standard he makes available to all who patronise his shows.

ACCIDENT AT COUNTY HOME

SAD DEATH OF PATIENT.

Mr. T. C. Williams, Acting Coroner, held an inquest on Monday last into the circumstances surrounding the death of Margaret Power (90), unmarried, of Knockbrack, Piltown, Kinsalebeg, that morning.

Supt. O'Mahony and Sergt. Liddane represented the authorities. Mr. P. J. Morrissey, solr., representing Mr. R. J. Farrell, the house solicitor, was present on behalf of the Board of Assistance.

Miss N. Power, sister of deceased, gave evidence of identification and said the remains were those of her sister, Margaret, aged 90 years. She was unmarried.

To Mr. Morrissey, solr., the witness said her sister never did any work except about the house. Her health was generally poor, but not too bad until about a week ago. Her sight and hearing were affected.

Presentation to Departing Gaelic Player—Clashmore G.A.A. Club made a valuable presentation of a fountain pen and wallet on last Wednesday evening to Guard Baker to mark their appreciation of his services to the Club during his stay in Clashmore. Guard Baker played in the County football with Clonsilla and is a fluent Irish speaker. The presentation takes with it the best wishes of the Gael on his transfer to the Depot.

Consensus Money—Jas Dwyer, Hon Sec., Dungarvan G.A.A. Club wishes to acknowledge receipt of P.O. value 6/- refund of amount due to the Club.

At Villierstown on Sunday next St. Mochudhas meet Tourin Ramblers in the minor football championships. Tourin have a string of young players that will take some beating. St. Mochudhas believe they can win out this year and are very confident of victory on Sunday. Blackwater Rovers meet Glenlickey Rangers in junior football at the same venue. Glenlickey had a bye on this venue to the Co. Board but as the appeal was ruled out on several points the venue and date remain unaltered.

Board Meeting on Sunday—A meeting of the Div. Board will be held at 8.15 p.m. (S.T.) in the C.Y.M.S. Cappoquin, on Sunday next. The Liamon v. Camphire objection and counter objection, if judged, will be taken. All clubs are to accept this notice as official.

Co. Board Meeting—A Co. Board meeting will be held in Dungarvan during the week following so as to clear up all outstanding business.

At Dungarvan—On Sunday Dungarvan meet Ballycoo in junior hurling and Eire Oge meet Kilmachthomas in the same code. Ballycoo will rely on the selection that defeated Kilmachthomas but Dungarvan will be trying a complete new team. Most of the Dungarvan juniors have gone into senior ranks and will have to rely on a big number of minors.

Kilmachthomas will at last meet Fitz's Eire Oge team and the winner will be found. This game has been postponed for many reasons from date to date but Sunday sees the finish of it. Under no circumstances can a postponement from Sunday be granted.

Army S.E. Final for Dublin—During the week high hopes were held in Dungarvan that the Army Hurling All-Ireland would be played there. The Board officials agreed to give a clear date to the Army to help but at the last moment it was found impossible to arrange the game for Dungarvan and Croke Park has been selected as the venue.

Presentation of Medals to Army Teams—Arrangements are under way to present the junior football County championship 1943 medals to "McDermotts" J.F. team and the Green Cross Tournament medals to the winners of the Army team before their departure from Dungarvan. It was hoped to stage this in Cappoquin but certain things make that venue impossible to arrange at this time. Sunday, 27th is a likely date and it is suggested to have an Army selection meet a Western football selection in Dungarvan on that day with a ceiling mor to follow that night at which the medals would be presented by the County Board Chairman.

Things that I have heard—That certain minor teams will have to be careful of the age limit rule. Investigation of over age players will be very serious for the players and officials who play them. That Ballycoo meet the Army in a replay on Wednesday evening and they expect to win this time. That the County Board and Western Board will impose heavy suspensions at their next meetings.

Progressing Favourably.—The many friends of Mr. Jas. Begley, Glenkilley, are pleased to advise that he is progressing favourably under the care of Dr. D. T. McCarthy, in the District Hospital, Mr. Begley having been discharged on Saturday last, when, on arrival of the coffin was received by the Very Rev. Fr. Byrne, P.P. Ardmore, who recited the prayers for the soul of the deceased.

Deaths of Great Farmer.—By the death of Mr. William Hayes, Moying, Little Grange, which occurred at his residence on Friday, August 11th, after a rather prolonged illness, the Parish of Grange has lost one of its most highly respected residents.

THE GAMES. The Clonakilty forwards got clean away from the throw-in. Ahearn, who was in possession was fouled in the forty yards mark and from the ensuing free opened the scoring with a point. Stradbally returned to the other end where Phegan had the equalizing. A dickey added a point to the same player but his side a point ahead. Stradbally pressed and a number of frees from good positions were sent wide, a long drive by Finn was transferred to the other end by Donovan where Ahearn had the Clonakilty equaliser. N. Connors was prominent in the Stradbally back line before Ahearn got possession near centre field. He sided stepped a number of Stradbally players and took the ball from 1944 to toe into the Stradbally goal mouth to send in a spectacular goal.

Junior Football at Gaelic Field.—On Wednesday night last a very interesting junior football game took place at the Gaelic Field, Dungarvan, when a team of Army players defeated the Ballycoe team by two goals to one. The match, which did not start for three-quarters of an hour after the scheduled time, through unavoidable circumstances, would be described as a first half of missed opportunities by the Ballycoe forwards in establishing an unassailable lead. In the second half the Army boys combined to much greater advantage and were continually on the offensive and on the run of play should have won by a more comfortable margin, but the grand defence put up by the Ballycoe back line in which Lindsey was outstanding nullified the best efforts of their forward division. The half-time score was Ballycoe, 1-4, Army, 1-0. Full-time, Army, 3-0; Ballycoe, 1-4.

Dungarvan Fair held on Wednesday saw the supply of stock in all departments for the first time since demand slow all-round. Good conditioned stock, however, was in fair demand, at prices slightly under the prevailing at the July Fair. Best 14-year-olds made up to £11 10s; other from £7 10s; 24-year-olds, £15 to £20; ewes and up-wash, £22 to £28 for outstanding animals. Fat cows (young) made from £20 to £25; others from £9 up to £12. Best 12-month-old calves, £10 to £12; best 18-month-old calves, £12 to £14; best 24-month-old calves, £14 to £16; best 30-month-old calves, £16 to £18; best 36-month-old calves, £18 to £20; best 42-month-old calves, £20 to £22; best 48-month-old calves, £22 to £24. Some strong, heavy stores made up to £8 10s.

CORK CHAMPIONS STILL ON TOP. STRADBALLY'S GALLANT BID. Clonakilty, 3-8; Stradbally, 2-5. At the Gaelic Field, Dungarvan on Sunday, two interesting matches were played when Dungarvan met Portlaw in a senior hurling challenge and the Waterford football champions (Stradbally) met the Cork football champions (Clonakilty). Speculation was very keen regarding the football match as Stradbally were not satisfied with the result of their previous meeting at Cork on Easter Monday when Clonakilty won by 4-8 to 2-2. For this match the Stradbally boys had trained very strenuously and at the end of a hard hour on Sunday they were still fresh. Some of their players, however, on Sunday did not strike their usual form although the display of the majority of the team was excellent. The Clonakilty men inform us that they were short of their usual team in Jack Calahane (full-back), Paddy Healy (who was on the Cork S.H. selection) and Jim Ahearn. The average age of the Clonakilty side was 22 years while that of the Stradbally men would be much higher. In the initial quarter both halves Clonakilty set a standard of football that Stradbally failed to reach and in the first quarter scored 1-4 and in the second quarter scored 1-4. However, in the second quarter, both halves Stradbally went all out and the Clon boys had very little to spare.

The Stradbally forward line on Sunday lacked that cohesion which has already won so many matches for them. This was probably due to the fact that they were up against a first-class back-line. The Clonakilty forward line showed excellent combination, their half-backing lines, consisting of Deezle Cullinan, Jim Ahearn and S. O'Donovan, having the reputation of being one of the best half-backing lines in the game. Stradbally had a goal and a point, but the Clon boys had a point from a free which close the scoring, leaving Clonakilty winners by 3-8 to 2-5. During this half Sean Crotty sustained a foot injury and was replaced by J. O'Meara.

Senior Hurling.—Though Portlaw were without a number of their regular players the game was very evenly contested with hurling of a reasonable standard. Some young Dungarvan boys shooed up very well and Dungarvan were deserving winners at the final whistle.

Dungarvan attacked for Cashin to open the scoring with 5 great goals. A free to Portlaw by Hickey was saved by Percy Butler in the Dungarvan goal. Dungarvan returned to the other end per Paddy Nagle for Cashin to add a minor goal. In the final quarter, Cashin had a brilliant clearance. A great effort by Kieley (Dungarvan) was cleared by Ahearn before the Leathur City and Barron had another point from an acute angle for Dungarvan. Galvin was prominent in the Portlaw attack before the Leathur City had a goal leaving the half-time score, Dungarvan, 1-2; Portlaw, 1-0.

Both sides had wide on the re-summation. Hickey added a point to Portlaw's total from a free. M. Daly (Dungarvan) retired injured and James (Kieley) Dwyer replaced him, going between the posts while Butler took up position in the forward line. Dungarvan kept up the pressure and Butler and Cashin had goals. Kieley had a point from a free. Cashin had another goal and Kieley closed the scoring with a minor goal leaving Dungarvan worthy winners.

Fuel for Threshing.—The Minister for Agriculture directs the attention of farmers to the desirability of assembling their requirements for threshing at once instead of waiting until immediately before they expect to thresh their grain. This is particularly necessary where timber is being used as fuel, as freshly-cut green timber does not burn well and makes it difficult for the threshing set owner to thresh the grain satisfactorily. Farmers should, therefore, make no delay about providing timber for this purpose. Owners and drivers of threshing sets are reminded of the necessity for economy in the use of lubricating oil, wasteful usage of which may result in local shortages of supplies during the season and consequent delays in threshing operations.
