FOUNDER OF IRISH CHRISTIAN BROTHERS HONOURED.

DUNGARVAN'S TRIBUTE TO BROTHER RICE

Impressive Centenary Celebrations.

WITH appropriate ceremony, the people of Dungarvan celebrated the Centenary of the death of Rev. Brother Edmund Ignatius Rice, Founder of the Irish Christian Brothers, on Sunday last.

The ceremonies commenced with the celebration of Solemn High Mass at St. Mary's in the morning, at which a special sermon on the life and work of Brother Rice was preached by Rev. M. O'Meara, C.C., Kilgobnet. In the afternoon a public procession of the Blessed Sacrament took place to Shandon, where the old school established by Brother Rice still stands.

WONDERFUL DEMONSTRATION OF FAITH.

It is with feeling of joy that we chronicle the events, commemorating the centenary of the death of Rev. Brother Edmund Ignatius Rice, which took place in our town on Sunday last.

Historian, states that these Charter schools "offered a people thirsty for knowledge a cup which they believed to be pure and sought, under the guise of the most seductive of all charities, to rob the children of the birthright of their faith. The "hedge" schools were at this time fairly common throughout the land. Many great scholars—men who became eminent in Church government—received their education in these schools.

AN ELOQUENT SERMON.

After the Gospel, a very touching and eloquent sermon on the life and work of Rev. Bro. Rice was preached by Rev. M. O'Meara, C.C., Kilgobnet, a past pupil of the Dungarvan C.E.S.

Good Harvesting means Good Team-work and Good Team-work means Guinness and Power's.

day when there is such a tendency towards complete materialism, when nations are inclined to place God altogether outside their affairs, it is of paramount importance that Catholic youth should receive a Catholic education, so that they may not be blinded by the false principles and false pleasures set before them.

THE PROCESSION.

In the afternoon a procession of the Blessed Sacrament took place to Shandon, where the school established by Bro. Rice still stands.

LECTURE IN TOWN HALL.

There was a crowded "house" at the Town Hall on Sunday last for the lecture on the life of Brother Edmund Ignatius Rice, which was given by Brother J. D. Fitzpatrick, Waterpark College, Waterford.

YOUTH'S DEBATE TO THE BROTHERS.

"To-day," said the Rev. preacher, "there are hundreds of Christian Brothers' schools and thousands of past pupils who gladly admit that they owe practically all they have to the training given them by the Brothers. They remember their unselfish interest and devotion to their pupils' welfare and advancement. They are not unmindful of the incalculable of those principles handed down by Bro. Rice and which the Brothers sought to implant in their pupils, namely, that their boys in the years ahead might be 'devout laymen living in the world'."

HIS FIRST SCHOOLS.

In 1806 schools were established in Waterford, Carrick-on-Suir, and in Dungarvan at Shandon, where the school remained for 26 years before the present schools were opened, the site being given by Dr. Foran, who was parish priest of Dungarvan at the time, and who was later Bishop of Waterford. Dr. Foran built the schools and later when he became Bishop he did everything he could to help them. Schools were opened in Cork, Dublin, Limerick and elsewhere. Messages came pouring from abroad—in the Eternal City

WEDDING BELLS

A very pretty wedding was solemnised at the Parish Church, on Tuesday morning last, when, with Nuptial Mass and Papal Blessing, Very Rev. J. Roche, P.P., presided in the holy bonds of matrimony. Mr. Diarmuid O'Driscoll, Timihire Gaedhige (under the Co. Waterford Vocational Education Committee) and Miss Mary Catherine Josephine McManus, eldest daughter of Mr. Hugh and Mrs. McManus, Custom House, Abbeyville, Dungarvan, were united in matrimony.

BOARD OF ASSISTANCE.

Mr. D. Coghlan, Chairman, presided at the monthly meeting of the Board of Assistance, held at the Court House, Dungarvan, on Monday last. Mr. P. Caulfield and Senator J. Butler were the other members present.

COUNTY BOARD G.A.A.

WEST DIVISION G.A.A. NOTES

By "AN RUMALDIE."

A Puzzle.—The Co. Board's hearing of the Tallow appeal resulted in a decision which caused an unusual position. Tallow defeated Knockanore who were later awarded the game on an objection by Knockanore. Tallow played a player who was not registered as per rule. Knockanore were eight minutes after appointed hour in lining out. They claimed this was due to Tallow players asking them to agree to wait until the broadcast was over. Anyhow the game did not start until 12 minutes after Knockanore were ready to play due to the fact that umpires, flags, etc. were not available. Tallow's Board Chairman held Knockanore were on time under these circumstances. Tallow appealed this decision and the Co. Board Chairman upheld this and deprived Knockanore of the match. So the Western Sec. was left with Tallow out for playing non-registered player and Knockanore out of being late on the field. He took the only decision open to him by deciding that both teams had lost and the championships had to go on. It looks simple but like this but each team had 101 reasons why it was wronged.

At Cappoquin.—Due to the Co. Board fixing 15th, 22nd and 29th of October as the dates for the county finals in minor and junior grades, the championships had to get a speed up. At Cappoquin.—Dungarvan minor hurlers have very sportingly agreed to travel to the home venue of the finals in the semi-final of the Div. The Co. Board Chairman has been asked to refer. Slabach & Blackwater Rovers have also agreed to be sports and meet at Cappoquin on Sunday. Declan O'Sullivan will be in charge. This double attraction will be a great day at this little town on the Irish River. Cappoquin and Dungarvan should show a hurling of a standard that will be wondered at but the locals have a big lot to do to defeat those lads in Blue who will line out with three county finals to their credit. Dungarvan are out to make it a four in a row record like Cork. In football Slabach & Blackwater Rovers are the first grade teams and a determined fast game can be expected. The Rovers have something in hand in the matter of Blackwater Rovers. Slabach & Cua will offset this by their own efforts.

Ballyoe v. Stradbally Perhaps.—Not to be outdone by their comrades Ballyoe and Stradbally agreed to meet on next Sunday at Dungarvan so as to have the way all clear for the football Div. final. Fresh from their victory over Mahon Rovers, Stradbally are ready to give Ballyoe the game of their lives. Ballyoe, headed by their defeat by Dungarvan are hard at it training for the game. But now something unforeseen has happened. Mahon Rovers have been examined by the Stradbally register have a claim that Stradbally played a non-registered player. The case may be heard on next Friday at 8.30 a.m. at Egan's Hotel, Dungarvan. What will happen I can't foresee but believe that one or other of the teams will play Ballyoe on Sunday.

Div. Board Meeting.—An important Div. Board meeting will be held at Egan's Hotel on Friday evening, Sept. 22nd, at 8.30. The agenda will include objections: Stradbally Rovers v. Dungarvan, M.F.; Lismore v. Cappoquin, M.F.; Mahon Rovers v. Stradbally, J.F. Fixtures: All games up to and including Div. final. All clubs are requested to attend. T. A. O'Caslain, Rumaldie.

"Something New."—We are putting two new Turf Ranges on the market at considerably reduced prices. No. 1, Turf Range without hot water attachment, £3 15s. In addition to the above range a brilliant new one they will also burn coke, wood or coal without further adjustment. Owing to the new patent device attached, the range is lighted by electricity. This advantage is not offered by other manufacturers. We can recommend both of the above ranges with complete confidence. —Haggar Bros., 48, The Quay, Waterford.

CAMOGUIDHEACHT

GREAT MATCH AT CAPOQUIN.

Dungarvan, 2-3; Cappoquin, 0-4.

On Sunday last at the Cappoquin Sportsfield, before a good crowd, the Dungarvan camogie team earned the right to contest the semi-final of the county by defeating the Cappoquin team. It was a hard, clean and fast game from start to finish, and on the run of play, particularly in the second half, the Cappoquin team were worthy of a score or two. That they were frustrated in their gallant attempts to raise a flag is a great tribute to the Dungarvan goalkeeper, the backs and centre field players. On the other hand, had the Dungarvan forwards played with their usual cohesion their score, particularly in the first moiety, would have been much bigger. That they were unable to do so is, however, a further tribute to the Cappoquin defender who rarely gave an opening to their opponents.

In the absence of Mr. M. Hennessy, the well-known Co. Clare referee, who is also Clere on the Central Camogie Council, the game was impartially refereed by Mr. Dyanan, general organiser.

The teams were—Dungarvan—Cait Flynn, Philomena Condon, Peggy McGrath, Nan Veale, Bridie Kirwan, Maureen Curran, Eileen McGrath (capt.), Eileen Curran, Edie O'Hara, Nellie Phelan, Annie McGrath, Nuala Dalton. Cappoquin—Biddy McCarthy (capt.), Eileen McCarthy, Mary Omond, Judy Brown, Carmel Myles, Eileen Walsh, Mary Lacey, Angela Mason, Judy Hill, Patricia Sargent, Peggy Ormond, Margaret Colbert.

FORMATION OF MUNSTER CAMOGIE COUNCIL.

Miss McHugh (Belfast), General Secretary of the Central Council of Camogie, presided at a meeting held at Conway's Hotel, Cappoquin, on Sunday last for the purpose of forming a Munster Camogie Council.

Delegates were in attendance from the following affiliated counties—Clare, Mid Cork, Tipperary, and Waterford. In addition to the above, Mr. O'Shea, Cork, represented Kerry, while Mrs. O'Shea and other ladies attended as representing a recently formed Munster Cork and Cork County Board. Mr. Dyanan, general organiser, was also present.

The necessity of this meeting was lucidly explained by Mr. Gleeson, Cloughen, Tipperary (who had been Chairman of the Munster Camogie Board for a number of years), and who with the other officials resigned in a body at the recent Central Council meeting, which was to the effect that when three or more of the Munster counties are affiliated to the Central Council, a meeting would be called to form a new Council in Munster. Pending this taking place, the Central Council was to be conducted by Miss McHugh, General Secretary.

Mr. O'Shea, who said he was representing Kerry, questioned the necessity of the meeting, as neither the Central Council Chairman, Miss A. O'Farrell, who was to preside, nor Mr. Duffly, who was to deputise in the event of her absence, were present.

Miss McHugh questioned the right of Mr. O'Shea to attend the meeting, stating that as Secretary of the Central Council for ten years, she was aware that Kerry were not affiliated during that period. She appreciated all present to support the establishment of a sound Board, she said, can only be achieved by strict adherence to the rules of the Association as published. She appealed to Mr. O'Shea, representing Kerry, and Mrs. O'Shea and other ladies representing Cork City, to hand in their affiliation fees, and to sign the right to remain and have a voice in the appointment of the Council.

Appeals were also made by Very Rev. Fr. Morrissey, P.P., Knockanore, to the Kerry and Cork delegates to affiliate, but without avail, and after some further discussion, the meeting closed. Mr. O'Shea and party left the meeting.

ELECTION OF OFFICERS.

The business of the meeting, i.e., the election of officers, was then proceeded with and Mr. Dyanan proposed that Mr. Gleeson, Tipperary, occupy the chair, this being carried unanimously.

Chairman.—On the proposal of Mr. Duly (Clare), seconded by Miss Montayne (Waterford), Mr. F. Gleeson, Cloughen, Tipperary, was unanimously elected.

Hon. Secretary.—On the proposal of Miss Montayne (Waterford), seconded by Mr. Boylan (Tipperary), Miss Sheila Horan (Clare) was elected unanimously as Hon. Secretary.

Hon. Treasurer.—On the proposal of Very Rev. Fr. Morrissey, Cloughen, Tipperary, seconded by Miss C. Flynn (Waterford), Miss Mary Montayne (Waterford), was elected Hon. Treasurer.

Delegates to Central Council.—Mr. M. Hennessy (Clare); Miss M. Montayne (Waterford).

Hon. President.—Very Rev. Father Morrissey, Cloughen, Tipperary.

Hon. Vice-Presidents.—Very Rev. W. Flynn, P.P.; Very Rev. Fr. Hamilton, Clare; and Mr. A. French, Cork School of Commerce, were unanimously elected to the position of Hon. Vice-Presidents.

All the elected representatives returned thanks for the honour bestowed.

Financial Position.—Mr. Dyanan, as a result of the financial position at present, which showed a small deficit.

The Chairman said that, granted good weather, this would be turned to a credit by one good match.

Munster Final.—The fixing of the date and venue for the Munster final, Clere v. Waterford, was the next business.

Very Rev. Fr. Flynn said he had been discussing the question with the Clere delegates, who have very sportingly agreed to Cappoquin as the venue. This arrangement was approved by the Council and the date fixed for October 1st at 3.30 p.m. summer time, the Chairman (Mr. Gleeson) to act as referee.

On the question of trophies for the winners, Very Rev. Fr. Morrissey, it was announced, had already presented a challenge cup.

The meeting voted to thank to

GAELIC NOTES: SENIOR CLUBS

By 'TAOBHLINE.'

Sunday last was an ideal day for the senior hurling county final played at the Sportsfield, Waterford, between Portlaw and the Army. As anticipated all receipts were smashed and new figures were set up in receipts and attendance. Receipts of £157 are the largest takings to date in the Waterford final but this figure may go by the Board for the replay which takes place at Waterford on October 1st. The game was by no means brilliant but the spectators were kept on edge up to the final whistle and when Referee Barron sounded the last call a tremendous burst of cheering went up for the two teams who had finished up honours even after a tough hour's hard hurling. With time running out it looked like an Army victory but when Davy Power was pulled down going through, Mickie made no mistake when he lashed the free through a forest of hurleys to the Army net. Taken all in all, the Army were the winners and the replay should be a game of thrills, which followers of our national games should not fail to miss. In my opinion W. Barron handled the game very well but I was more than surprised to hear the replay will be handled by the Co. Chairman, M. O'Donoghue.

Followers of Deise hurling are, I am sure, like myself, indignant at the treatment meted out to our county players by the Emergency Committee of the Gen. Council who considered Waterford not clean enough to participate in the Ignatius Rice tournament. That Waterford should be excluded from the competition is a bit high-handed and the Waterford Co. Board at its meeting on Sunday proposed that they should be excluded from the competition. We were unluckily beaten last year by the All-Ireland champions and surely our display in Clonmel in June last was not so bad that we should be relegated to second class. However, the coffers of the Provincial Council are not so deep as to be able to take part in the Ignatius Rice Hurling tournament may be not good enough either for the Ignatius Rice Memorial.

I was glad to hear the Clonea crux was satisfactorily settled up and the Club should now flourish under the chairmanship of Rev. Fr. McKelvey, C.C.

I met John Keane on Sunday last at the Co. final. He is looking and feeling extremely well and his admirers will be glad to hear that John expects to take his usual place in next year's county team.

It is a pity that the County Board are hard in preparation for their great football county clash at Dungarvan, Carlow, on Friday. For the past three or four years both teams have been our greatest drawing card and this year more than ever the rivalry which exists in the county is attracting a record attendance. Dungarvan and the Carlow teams are eagerly awaiting this great programme billed for Shandon Grounds.

There is no senior fixture for Sunday next so I expect, like a good many of our readers, to be watching the Ireland final between Roscommon and Kerry. All Munster will be backing the Kingdom, but I have my doubts.

Seen, Heard, Noted—Cross-Chance "Gael." 80 Barrack St., Waterford, will find John Keane, Bill Sheehan, staunch Tallow Gael, was an interested spectator at Sunday's County Final. An interesting hurling match is expected to be played in the near future between the Dickens Leather Factory team and a Glue Factory eleven. Joe Harrington, who is expected to play, is now stationed at Pucknall, convenient to the famous hurling parish of Toomevara.

Matches at Leamybrien.—Two matches are being arranged for Leamybrien on Sunday next, Killrossary play Mahon Ramlers (if their objection against Stradbally is not heard to-night, Friday, 23rd, 3 p.m. (S.T.) in football and at 4.15 Erin's Hope will hurl Kilmachomas.

Fr. Morrissey, etc.—It was decided to call the trophy 'An tAthair Murgheasa Cup.'

Referees' Reports.—The referees' reports of the Waterford Tipperary and Clare-Cork games having been read, same were adopted.

Miss Horgan, on behalf of the Cork team, thanked the Clere Board and very Rev. Fr. Flynn for their generous entertainment of the Cork team on their visit to Ennis.

Very Rev. Father Morrissey, Tipperary, paid a similar tribute to the Waterford Board on behalf of Tipperary on the occasion of their visit to Lisore.

Thanks to Miss McHugh.—Very Rev. Fr. Flynn, P.P., proposed a vote of thanks to Miss McHugh (Belfast) for the splendid decorum displayed by her in the conduct of the meeting.

Very Rev. Fr. Morrissey, seconding, suggested that before parting they should all sing "South of the Border."

Mr. Gleeson said they in Camogie do not recognise any border. He wanted he said to offer sincere thanks to Very Rev. Fathers Morrissey and Flynn for their help and advice at the meeting, and he hoped that their joint appeal to the Cork delegates will bear fruit. He referred to the part they in the Camogie Association can do in the promotion of the Irish language. He said he also wished to thank all those who work so hard and unselfishly in the interest of the game but who never appear before the public view. Finally, he said he wanted to thank the gentlemen of the Press. He said he was very agreeably surprised to see the support, particularly for their game, in the "Dungarvan Observer," also the "Leader" and some other provincial papers. Closing the meeting Mr. Gleeson complimented the Waterford Board for the efficient and business-like manner in which they conducted the last meeting at which he was present, particularly for their interest in the growth of the Association in that county.

A pleasant social evening was spent in late songs and recitations being given by many of the delegates which was brought to a close by the singing of the National Anthem.

This is the second year in succession that Mr. Keeler has got first prize, getting second the two previous years. It can safely be said that our local station certainly deserves first prize, as one could not imagine anything more beautiful than the vivid picture it presents through the window of its profusion of multi-coloured flowers, and various shrubs, all so artistically and carefully laid out. Visitors coming here each year have never failed to admire and praise it. THOROUGH EXAMINATION.

Every person, old and young, who is suffering from any form of eye trouble, such as difficulty in reading, or sewing, tiredness, dizziness and headaches is cordially invited to have his or her eyes examined by an expert opinion will be given.

TO THOSE WEARING GLASSES.

Should you have worn glasses for a number of years without having your eyes re-examined, changes are bound to have taken place which may impair your vision. Every person who wears glasses should have their eyes examined and care that they are supplied at the very moderate price for which they are famous. Should you not need glasses you will be told so without charge or fee of any sort.

WHY SUFFER ON WITH BAD SIGHT?

The lives of men, women and children to-day are made miserable by weak sight. It may not be generally known that after the age of 45 years, a nice out of every ten people need glasses. To go on from day to day overstraining eyes that have already grown weak is unwise, and even dangerous, when for a few pounds spent on good glasses perfect sight will be restored. Neglect is the greatest enemy of good sight.

THIS MAY BE YOUR LAST OPPORTUNITY.

Owing to travel difficulties that occur daily, Prescotts' visit to this district. It is therefore important that you arrange to visit the town nearest your home when our Representative comes. Remember that ten minutes spent in having your eyes examined will set your mind at rest. If your troubles are not caused by your eyes, you will be freely told so, and advised to seek medical attention. Prescotts aim to help all eye-sufferers—this has been proven by over 250,000 people in Eire who wear Prescotts' glasses to-day.
