OUESTION TIME AND VARIETY ENTERTAINMENT AT LISMORE

On Sunday night last, despite the gererity of the weather, one of the largest audiences the town has ever seen was present at the Happydrome, Lismore, for the "Question Time" broadcast and variety concert under the aegis of the Lismore District Staff L.D.F. This novel programme had for long been almost the sole topic of attracting such great interest that for weeks beforehand almost all the reserved seats had been booked out by parties from Lismore, Tallow, Cappoquin, Ballyduff, Villierstown, Knockanore, Ballinamult and other places. With the arrangements in the hands of a very capable organising comdone to ensure the comfort of patrons, and a special word of praise is due to the stewards and other helpers for their efficiency in handling the huge throng, having everyone comfortably seated when the broadcast commenced at 8.15 p.m. The compere, the inimitable Mr. Joe Linnane, received a tremendous ovation when he appeared on the stage a few minutes before the broadcast to explain the procedure to the competitors and au-dience, and he must indeed have been favourably impressed on this his first

visit to Lismore at having such a large and appreciative gathering. lowed by one of the largest and mose representative and impressive corteges seen here for many years. Rev. Fr. T. Dunphy, C.C., and Rev. S. Brennan, headed the cortege. The coffin was draped with the Tricolor and headed by the Pipers' Band, while a guard of honour of the Old I.R.A. was formed by the sides of the coffin by Messrs. T. Kelleher, M. Purcell, J. Murphy, N. Lonergan, J. Lynch, J. Brien and D. Cullinan. Rev. T. Dunphy, C.C., assisted by Rev. Fr. Joyce emerged winners from the first team, both, with full marks. The winner from the second team was Mr J. E. Crowe, Cappoquin, also with full marks, and this left three competitors in the final. After two rounds of two-mark, four-mark and six-mark questions to each, Mr. M. Joyce was unlucky to be elimin-

CROWHILL, CAPPOQUIN It is with very deep and sincere regret we announce the death of Mr. Wm. Deceased, who was a member of an old and respected family was a old and respected family, was a well-known figure in the farming community, but probably better known for the active and prominent part he took in the War of Independence. A member of the old I.R.A., he suffered much for the cause of independence and his home was always open to the "Boys" where they found a welcome. Possessed of a natural gift of a cheery and lkindly disposition, he commanded lish, complimented the Board's offithe esteem and confidence of many cials, especially the Secretary and friends to the end, and now his un-

SECRETARY'S REPORT. The Secretary's report was as follows:—The affiliations and entries were: clubs, 52; teams, 66, as compared with last year's 57 cluss with 74 teams. A number of cluss failed to fulfill their engagements and this led to some confusion and this led to some confusion in the carrying out of the champion-ships. The year can be considered a successful one from the point of propagation of our Gaelic games as almost every district in Weak Water ford has its football or hurling cumann. The number of objections lodged during the year was very high. Clubs are perfectly right to object to illegal teams, in fact, it is their duty to do so, but I feel that many clubs try to get any excuse to object to the winring team with the hope of getting a replay. The courteous and efficient Secretary, Mr. Declan Good, submits an exhaustive report, which, unfortunately, space does not permit our giving in full. The year 1944, he says, was a most successful one for the Gaels of the Tacies and may favourably be compared with our record year of 1942. A new record favourably be compared with our record year of 1942. A new record was made in the senior hurling competition and the attendance and gate returns for our county final were the largest in the history of Decis Gaeldom. He wishes to congratulate the Army team, who, on their first appearance in our S.H. championthe Army team, who, on their first appearance in our S.H. championships, won out without the loss of a single game. Our record takings may be attributed to the popularity of the Army players who proved themselves sportsmen and Gaels on the playing fields of the historic Decies. Football in the county was never at such a low ebb and the renever at such a low ebb and the re-vival of same demands the immedia vival of same demands the immediate attention of the Board. To bring about a successful footbay revival needs the whole-hearted support of the Boards and Clubs.

He refers to the record gate of £218 at the county S.H. final but states the gate returns for the S.F. championship in 1944 acre disappointing He congratulates the wilners in their respective grades, thanks all those who helped him in any way diving the year and offers any way during the year, and offers his own and he Boards sympathy to those Gaels who suffered family bereavements during the year.
