DAIL EIREANN.

MR. MORRISSEY'S ADDRESS.

Widespread sympathy was evoked in Cappoquin and in many other dis-tricts when it became known that the death of Mrs. R. J. (Ellie) Collender Pensions (Amendment) Bill, 1945, in Dail Eireann, on Thursday, 15th February:—

It is extraordinary to find the number of Deputies who have now great sympathy for the Old LRA and to see the resolutions that appear in the public Press voicing. speech by Mr. Ml. Morrissey, T.D., on

beloved husband and relatives.

Deceased was a fady of unimpeachable character, and an exemplary Catholic. Never, during her long and active life did she miss daily Mass and Communion, and her many frequent walks to Mount Melleray Abbey, which, up to the time of her illness, she never failed to visit each week, often made us, young people, feel ashamed, for, such faith as her's had the power to do so. She was also well-known for her charity to the poor and, was always one of the first to visit and console in the time of illness or distress of other. Indeed it would be very difficult to express our full praise and feelings for such a beloved character, but those who had the pleasure of knowing her only know too well, and now, to her sorrowing husband, her beloved nephews, Michael and Jamie, and to her other relatives heartfelt sympathy is extended. the public Press voicing sympathy for the Old I.R.A. arising out of this Bill. I listened to a Deputy say yesterday that the 1934 Pensions' Act was in-troduced by this Government as a some public bodies that his speech and their actions are certainly of the vote-catching type. Their object appears to be to cause discontent amongst the Old I.R.A. People so engaged had neither sympathy nor respect for the Old I.R.A. in the past, I do not know that they have very much sympathy or respect for them even at the present time. There can be no doubt but that amending legislation is necessary to legalise the lation is necessary to legalise the claims that have been met under the 1934 Pensions' Act. That is necessary

Acknowledgments.—Letters thanking the Council for resolutions of smpathy passed by them were read from Mrs. Bowen, Bellinaparka, and Mrs. Hynes, Lismore.

Insult to Dean Byrne Resented.—Mr. M. O'Ryan read for the Council a letter, a copy of which, he stated, he had forwarded to Judge Sealy, Circuit Court Judge. Mr. O'Ryan said that in the Waterford Courthouse, at the last Circuit Court, a taunt and sneer was fing at Dean Byrne simply because the Dean, in a letter to Dr. Couninan, State Solicitor, before any court proceedings were instituted, wrote in the interests of peace and from a charitable viewpoint, in the case of five or six young men from the Nire district who were to be to count Mr. O'Ryan here read the Dean's letter, already published in this paper, and, continuing, asked what was Judge Sealy's it is necessary to smend the Act in that respect.

Mr. M. O'Ryan read for the Council a letter, already to the Minister could see some way of re-hearing these cases, he would be creating goodwill amongst those men who fought for the country in most difficult times. They are not crying out for an award as they should cry or as they might be expected to cry, who were to be brought before the court. Mr. O'Ryan here read the Dean's letter, already published in this paper, and, continuing the case here for this small number of men who, we believe, are entitled to some award, we hope the Minister will take this point seriously; and if it is impossible to get additional evidence. If the Minister that nobody in my brigade committee would stand over claim-and here read the Dean's letter, already published in this paper, and, continuing the case here for this small number of men who, we believe, are entitled to some award, we hope the Minister will take this point seriously; and if it is incorporated to the Minister that nobody in my brigade to the Case of five or six young men from the Nire district who were to be done the court. Telephone to Chaplain's House.—
Arising out of the resolution passed at the previous meeting asking the sanction of the Department for the installation of a telephone connecting the Chaplain's House to the County Home, a letter was read from Dr. Wari, Parliamentary Secretary, stating that the Minister sees no adequate reason to alter his decision, already given in this matter.

Senator Butler—It is not right or proper to be relying on an inmate to do this or any other job, especially at night time. It is a most unreasonable letter from the Parliamentary Secretary. He (Senator Butler) thought the Manager should take the matter up with the Department again.

Late Mrs. M. Landers, Bridane.

Sincere regret has been occasioned by the death of Mrs. Mary Landers, Bridane, which took place at her residence on Monday morning, Feb. 12, after all illness of a few months duration and at a comparatively early age. A native of Ballynoe, Co. Council Cemetery on Wednesday morning after Requiem Mass for the departed soul. The Rev. Fr. Murphy, C.C., officiated, Chief mourners were: Mr. John Landers (widower) Martin and Win Landers (widower), Martin and Win Mc. (Meade, N.T. (cousins).

Late Miss M. Crotty, Shrough.

The death of Miss Mary Crotty,
Shrough, which took place on Wednesday, the 14th inst., at an advanced age is much regretted over a wide area. The deceased, who came of well-known local stock was a lady of a quiet and unassumnig disposition and leaves many friends to mourn her loss. The remains were removed to St. Carthage's Church from her late residence on Thursday accompanied by a large gathering of the general public. After Requiem Office and High Mass on Friday, the interment was made in Friday, the interment was made in the Cia Graveyard. Rev. Fr. Murphy, C.C., officiated at the graveside Chief mourners were: Mr. John Crotty (tyrother); John, Andrew and Thiomas Crotty (cousins).

Chairman—If the advice tendered in the letter was accepted in the spirit in which it was given there would be better feelings in the area to-day. I understand that since this case concluded there is a further happening which will involve the ratepayers in more expense.
Mr. Harty—The Monsignor's letter

He was in agreement with Mr O'Ryan
that a strong protest should go from
this Council for the withdrawal of the
insult offered to Dean Byrne.

Mr. Morrissey, T.D., said it was unfortunate that the Judge did not take
into account the spirit which promp,

agreed that the remarks of the trial

adge amounted to an insult to Dean

Mr. O'Ryan said that Judge Sealy was wrong also in stating that the incident took place outside Dean Byrne's church. It did not happen in the Dean's parish. Mr. O'Ryan also read a letter from Very Rev. Father Phelan, P.P., of the parishes of Touraneena and the Nire, which was also sent to Dr. Counihan before the court

Chairman—It is the unanimous wish of the members of the Council to protest. What form will the protest take and to whom will it be sent?

The following resolution, to be sent to the Minister for Justice, was proposed by Mr. W. Dower and seconded by Mr. M. Harty, and passed unani-mously: "That we, the chairman and members of the Waterford County Circuit Court held in Waterford on the 5th inst, against the Ven. Dean Byrne, insinuating that he, Dean Byrne, hoped and expected that the court would exonerate crime committed outside his church: We hold that the Dean's charitable letter for leniency leading to the peace of the district did not lend itself to the interpretation put on it by the Judge erpretation put on it by the Judge and we ask the Minister for Jusof the court cannot with impunity asperse a minister of the Catholic Church: We think a full withdrawal of the remarks in question, together with a suitable apology, is strongly called for."

Roads, Pumps, etc.—When Messra Kirwan and Butler spoke on the condition of a road at Carrigavantry not under the jurisdiction of the Council, it was suggested to them that the local people make application to the Board of Works in connection with

Lyre-Crowhill Road.—Mr. Heskin asked about the possibility of having this road repaired. Nothing can travel over it at present. The people living there are completely isolated. He could give evidence that the farmers up there are unable to get lime, at the lorry owner refused to allow the lorry over the road. The people, he understood, were asked to put up money (25 per cent.) under the roads improvement scheme, but were unable to do so. The trouble with those schemes is that an engineer comes down from Dublin and gives an esti-mate of hundreds of pounds to make a new road. The local residents have a new road. The local resident, have to pay 25 per cent, of that, which in nearly all cases they are unable to do. His (Mr. Heskin) view was that a small repair costing £50 or £50 would make most of those roads passable for the next 12 or 15 years. They did not require a race track.

Mr. Quirke agreed and cited the case of three farmers who were asked to put up £400 between them, which they could not do.
