GAELIC NOTES : SENIOR CLUBS

By "TAOBHLINE."

I have during the past years enjoyed going to matches and places, but pride of place in all my travels where I am concerned goes to the pretty town of Lismore, on the Blackwater, where on Sunday next two great teams, Tallow and Dungar-van meet in the Waterford Senior Hurling County Championships. I was my lot, somehow or other I was inclined to forget amongst the Gaels and pleasant surroundings of Lismore, so once again I intend to make the journey to Lismore, this time to see the stalwarts of Dungarvan and Tallow battle for Western Senior Hurling supremacy.

The Castle Farm pitch, Lis lapse of several years house the most talked of game ever to be played Henley, D. Doyle, Bill Ryan and the very much improved Ballyduff pair, Charles Daly and Mick Beecher. The display in goal given by Percy Butler on Tuesday night last against the Army sets the Dungarvan selectors a problem, but it would not surprise me to see faces absent from the Dun-garvan team on Sunday next, but a recent sway in favour of youth is a good sign, and the locals, backed by strong support, are making the journey in confident mark. W. Barron, C. Moylan, J. Mountain and Paddy Daly, all players of note, are included in a strong Dungarvan selection, and others included who have worn the blue jersey with distinction are Paul Lannon, Jackie Good, John Kiely, Tom Sheridan, Paddy Stack, P. Lannon, Jackie Good, John Kiely,
Tom Sheridan, Paddy Stack, P.
Dillon, P. Moloney, P. Neville, Jim
Lyons, and the sharp shooter, Tommy
Curran. They can be depended upon
to uphold the grand tradition of the
"Old Boro," especially at the Lismore venue, where the Blues have played many a hard-won game. Sun that made the journey took the judges' eye. In the Hunter Class, 5 years and over, ridden, Mr. R. de Vere Hunt, Rockmount, Kilmacin championship competition. Tallow are well prepared for Sunday's encounter, and challenge and tournament matches have been availed of in preparation, and the Blues will face a very fit team. Dungarvan now have two victories in succession, and it will be interesting on Sunday next to see them go all out for the treble. The Lismore Club, due, no doubt, to the ability and earnestness of their Rev. President, have completed all arrangements, and the pitch, I understand, will be railed in anticip Committee will want to have the field well stewarded. I am glad to note the County Board are beginning to take stern action against clubs, players and supporters who invade on the playing field. This little re-minder may help the stewards to maintain order on Sunday next. p.m (S.T.). WEST DIVISION G.A.A. NOTES DEATH OF MRS. NANO VEALE, LOCAL HAPPENINGS RURAL WEEK IN WATERFORD

It is with feelings of the deepest regret we chronicle the death of the above esteemed and highly respected lady, which sad event occurred at her residence on Tuesday

night, August 7th.

The deceased, relict of the late Patrick Veale, was mother of Very Rev. P. Veale, O.S.A., Burnley, Lancashire; Mr. Thoms Veale, Clonea; Mr. Michael Veale, Carrigmorna; Mrs. J. Connors, Furraleigh, and Mrs. N. Hughes, Kilkenny, to whom we join with their legion of friends in extending our deepest sympathy in their sad bereavement.

Deceased, who was in her 86th year, was extremely popular among a very wide circle of friends and was held in the very highest esteem by all who knew her, due to her kindly and ever cheerful disposition.

Deeply religious and charitable throughout her long life, this exemplary Catholic lady passed hence to her Maker fully fortified by the Rites of Holy Church of which she was such a shining example in life.

Officials are being paid who are watching these poor people and trying to point out what they earned in the previous twelve months. I quite agree that the means test should be abolished. When a man comes to 70 years he is fluished. The pension years he is finished. The pension should be at least 25/- or 30/- weekly. Mr. Hurley—I have great pleasure in seconding Mr. Lynch. The concert programme had its full quota of vocalists, which included Mr. Frank Ryan, one of our leading tenors, whose beautiful voice brought prolonged rounds of applause. Miss Myra (daughter of Mr. Frank Ryan), although still in her teens, delighted the audience with a number of songs, as did also the splendid singing of the well-known radio artist, Mr. McGovern. The well-known Fermoy comedian, Mr. John Devine, kept the audience in roars, and had to return time and in roars, and had to return time and again. Entering the third quarter they further increased their lead by a goal and annexed a similar score before the long whistle sounded. Result—Stradbally, 3-2; Kilrossanty, 0-2. Mr. Larry Veale (Newtown F.C.) discharged the duties of arbitar with prenamed duties of arbiter with pronounced ability. However, there is much disappointment in these parts that the Board has permitted the game to be played ing many enthusiasts of an opportunity of seeing the game. Both teams are leaving nothing undone to win the contest and there is op-timism in each camp. Public opinion favours a victory for the group champions but the contenders have shown improved form recently and they are capable of winning. Whoever wins a great struggle for supremacy is assured

WAKE UP YOUR LIVER BILE

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest, it just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks punk.

Laxatives help a little, but a mere bowel movement doesn't get at the cause. It taken those good old Carters Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely.
