Fr. Slattery, C.C.; Rev. Fr. Dower, C.C.; M. McGrath, R. J. Russell and to have them here and he was glad to have them here and he was glad to have them here the Military first. Highlight of the programme was a display by the Youghal L.D.F. Sokol Team in charge of Section Leader, J. Healy, the former Cork county hurler. Each turn by this gifted and well-trained team was much appreciated and loudly applauded. A. camogic match between Kinsalebeg wish that Youghal will be retained. well-trained team was much appreciated and loudly appleuded. A. camogie match between Kinsalebeg and Clashmore proved very intersting and was keenly contested. Following a good game the locals emerged victorious. Mr. W. Coffey, Kinsalebeg and the people of Youghal are glad to have the military with them. and always have been Them. them, and always have been. Then, again, Youghal offers every facility for training; we have a splendid ities that are not available every-where. Concluding, he said, that where. Concluding, he said, that are proud to have you here and we hope you will come again and again."

Mr. L. Clancy, U.D.C.—I have very little to add to what Mr. O'Gorman has said as he has covered the whole ground, but I can say that we are fond of the military; they are our friends; we co-operate with them and they with us. We know them by their first names and they are of

their first names and they are of the people and for those reasons we are glad to have them with us.

Mrs. S. Hurley, U.D.C.—I am pleased to join in this tribute of welcome to Col, Hannon, and as he is a county man of mine he is doubly welcome here. I would like also to pay a tribute to the 21st Battalion, because when I ran functions for the por of the town or for the boot fund, I always had their support and co-operation and I am sure, as long as they were left in Youghal, I would continue to have their generous

Mr. Sean P. Daly, B.E., U.D.C.-I would like to join with the Chairman and the other members of the Council in welcoming Col. Hannon, O/C First Brigade, to Youghal. We are fully alive to what the military mean to us here and we are delighted to

Mr. N. Ahern, U.D.C .- I, too, would like to associate myself with this welcome which is the least we can do. The military have always been pleased to come here and the best ribute they could pay us is that they love coming here and hate

THE COLONEL'S REPLY. Colonel Hannon-I have to thank you very much for your very cordial gesture in coming up here to extend this welcome to us. I can assure you that we appreciate your action very much. The people of this country before our advent, never associated much with British soldiers Youghal District Court associated much with British soldiers and when we came along they looked joined up, and the voluntary services were put on an emergency footaway with hatred and petty jealousies and cement the Irish people together than all the years us all being friendly and fellows who happened to have been in a different political camp to me and whom I met I found were nice fellows and they thought we weren't so bad our-selves. We appreciate your coming the people of Youghal and the rank and file know this and that is why they love coming here and remaining here as long as they possibly can.

Mr. O'Gorman, P.C.—I would like

at this stage to compliment Major J. Dundon, O/C 21st Infantry Batt. The Attorney General charged Mr.
P. J. Meade, Youghal, with a breach of the Licensing Laws on 26th July which was presented by An Taoiseach, for the best shooting team in the Army. Not alone is this an honour for the 21st Battalion, and for the O/C. Major Dundon, but the people of Youghal feel it is an honour for the town. Major Dundon. in his quiet unostentations way, has a knack of getting things done and done well. He is a man of very few words holding already the rank of major and I feel and hope that he will achieve high rank in the Army. I again congratulate him.

Major Dundon—I have to thank
the Chairman and members of the

of the L.D.F. who were in training Council for coming here and extending a welcome to the O/C. First Brigade, Col. Hannon. The Council and the people of Youghal have always been friendly disposed towards the Army and the Army appreciates to defendant on 21st March, 1945.
