- Wish to thank all their customers for their increasing support during the past year.
- They regret not being able to meet in full the unprecedented demand at Xmas for "Power's Stout," which was due to the shortage of bottles. They feel satisfied, however, that all regular customers were supplied in full; and they wish to thank customers who sent in their orders early, for their co-operation.
- As long as supplies of sugar continue to be restricted, "Power's Mineral Waters" will be scarce, but, like all good things, well worth seeking out.
- Whiskey Supplies.-There is no likelihood of an early improvement, and customers are asked to understand that every effort is being made to see that each customer receives as fair a distribution as possible.
- Warning.—The shortage of beer bottles may continue for some time, and customers are now warned that supplies of "Power's Stout" will depend on the quantity of empties returned to the Brewery by each customer. :: Customers who supplied farmers during the harvest are asked to collect these empties and return them to the Brewery as soon as possible.
- Would customers kindly address all letters, especially orders, to the firm; only letters of a personal nature should be addressed to Mr. Power.

RATS AND MICE DESTRUCTION SUGGESTED MEASURES TO BE ADOPTED FOR THE Destruction of Rats

A PPLICATIONS are invited from suitable persons for appointment as (1) Cottage Rent Collector for the Kilmacthomas and Carrick-on-Suir No. 2 Rural Districts, and (2) times it may be the only practicable method. Where poisoning is resorted to, it must be carefully practised, the baits being so laid that they will not be accessible to fowl or domestic animals, and notices being exhibited in places where the baits are laid warning people to keep dogs and other animals away. These places should be carefully recorded and visited regularly and the baits destroyed if not successful within a short period. The poisons recomposition rents collected and lodged. mended for use in preparing the baits are generally red squill and barium carbonate. Red Squill should be fresh, as it loses its potency after some time. It is understood that it is difficult at present to obtain sup-

plies. Barium Carbonate powder can be obtained, but orders therefor should be given at an early date, as stocks of this commodity are not usually held by Chemists. The foleasy to prepare and effective in use : Parts by Weight

When using these baits it is well to distribute them liberally at the first application, and to lay at least ten times as many baits as the number of rats estimated to be present. It will be well to vary the form and appearance of the bait at intervals. It is not recommended that strong poisons such as Thallium Sulphate, Arsenic, or Phosphorus should be used, in view of the danger to domestic animals or poultry. tic animals or poultry.

It is desirable that farmers should

co-operate to the fullest extent possible in exterminating rats. Regretted Demise.—It is with feelings of very deep regret we record the death of Mrs. D. Kenneally,

cord the death of Mrs. D. Kenneally, which sad event occurred at her residence, Marston, Ballyduff, after a brief illness and at a moderately advanced age. The deceased was relict of the late Mr. D. Kenneally, formerly steward on the Orpin Estate, Ballyduff, and mother of Mr. Dan Kenneally, the popular master of the Ballyduff Hunt and a well known figure in Point-to-point circles. The late Mrs. Kenneally was a member of an old and highly respected family and was beloved by all who had the plcasure of knowing her. Of a quiet disposition, she was one of the parish's most esteemed residents and the annuanceteemed residents and the announcement of her death was received on ment of her death was received on all sides with feelings of deep regret. Kindly and extremely charitable she is mourned by young and old alike and a great wave of public sympathy is extended to her bereaved relatives in their sorrow and loss. The deceised was a member of an old established and highly respected family and her demise is deeply and deservedly regretted, and to her bereaved husband, brothers and sister the deep sympathy of the entire community is tendered in their sorrow and loss. A funeral contege of very imposing dimensions which bore eloquent testimony to the esteem in which deceased lady was held accompanied the remains from St. Patrick's H9spital to St. Catherine's Church, Conna, assisted by Rev. Fr. O'Dwyer, C.C., do., Who recited the prayers for the dead. On Saturday morning Requiem Masses were offered up for the happy repose of her soul and the funeral took place to the family plot in Aghern Cemetery, where all that was mortal of deceased wis reverently consigned to mother earth, in the presence of another very large attendance of relatives and Paul Henreid star. Ballyduff, Knockanore, CHAMPIONS OF THE ATHLETIC ARENA

(By W. DOOLEY).

Considering the many world champions that Ireland has produced it is a rather amazing fact that a comprehersive history of Irish athletics has never yet appeared before the sportings public in any area. Realising this, William Pooley has devoted much time and patience towards the his intention or such work, and it is his intention owing to the prohibitive cost of a complete history of so unique a character, to have it published in parts, so that it can be the more readily obtained by sportsmen in all walks of life the first issue (Book I) being due to reach the bookstands by Easter 1946.

As the author has proadcast from Radio Eireann no fewer than 26 times during the past couple of years on the achievements of Irish athletes of renown, at home and in foreign lands, and has also peen a member of the Nations Athletic and Cycling Association (Ireland) Council, and a judge of championships athletics for many years, this should prove ample testimony of his ability to cope with a production of such magnitude. sorrow and loss. A very practical tribute to the esteer and respect in which deceased was held was amply forthcoming by the large and representative cortege which accompanied the removal of the remains from their late residence to St. Michael Church, Ballyduff, where they rested overnight. The interment took place in the adjacent cemetery after last Mass on New Year's Day, in the presence of one of the largest gatherings ever seen in Ballyduff. Very Rev. Fr.
