L.D.F. Dance at Hotel Monatrea.—

Held under the auspices of the Dungarvan District L.D.F., the grand repening dance at Hotel Monatrea was Ireland finalists, Kilkenny, at a home venue, and so they make the journey to Dungarvan in confident mood to play Waterford, who are pointless in the League table. It will be a novelty in itself for local supporters to witness the Wexford men in action, and I am onen to correct an outstanding success from every point of view. There was a record crowd and the maximum of enjoy-ment. The beautiful new ballroom was tastily arranged for the occasion with the National and L.D.F. In re-cent years I have seen Wexford hurlers in action several times, and hurlers in action several times, and my opinion is that they are first-class as followers of the game can see for themselves on Sunday next. Wexford are sending a full selection to Dungarvan for Sunday's encounter, as they are hoping Kilkenny will beat Cork, and should they defeat Waterford a play-off would result. Between the three Wexford on Sunday next will have the services of two ham, mutton, celery, onion, lettuce, cheese, scones, brown and white bread and butter, confectionery, assorted cold sweets, tea, coffee. HEATED DISCUSSION ON man had said that the objection was only technical and frivolous. It was, and it also showed poor sportsman-ship and that was what was killing with the view. TRAVEL ARRANGEMENTS

"My ruling is that the objection is proved and as regards the awarding of the match. I rule that the point is frivolous and that the result of the match stands."

This was the decision of Mr. M. V. O Donnacadha, B.E., Chairman,

Waterford G.A.A. County Board, when the objection by the Newtown Club regarding the legality of the rickey Rangers' team in last ear's Junior Football Final replay as before the Board, at its meet-

Later at the meeting there was a heated discussion on the travelling arrangements for the Waterford Senior Football fifteen to meet Wexford at New Ross. During the course of the discussion a remark

Mr. Veale (Newtown Club) when asked if he anything to add, said that the letter containing the objection spoke for itself. The players were not registered 12 days before the match with the proper registrar. It was the intention of his club to get the match replayed; they were not intending to claim the match at all Mr. Lenihan (Newtown Club) said the players in question had not been

with the match. They were not too sure who was on the register. In a county final any ordinary player would not do. They put in six names and he could not tell vet if they were necessary as he thought some of the six were on the register before. How-ever, they registered them, but they found it impossible to know if young fitzgerald was on the register or not. Chairman—You say you registered six players. When did you register

Mr. Curran-On the following Sunday night. If we could have got young Ryan out of St. Colman's or Fitzgerald from Melleray there would be no reason for this so-called objection. If Newtown had agreed to postpone the match I wonder would they have objected to-night?

Replying to questions from the tembers, Mr. Curran said that the players in question were locals and were quite entitled to play. Mr. Veale—O'Brien is from Kilobinet and played with them... Chairman—That point does

Mr. Curran—He played with Kil-gobinet in 1944. He didn't play at all last year.

A delegate pointed out that the draws and fixtures for the Eastern Division would take place on next The delegates from both clubs then withdrew and the board discussed the Newtown Club's objection.

The Chairman said that he would take responsibility for forcing the replay on the following Sunday.

Mr. H. Foley (Ballycoe) said it would be impossible for that reason for the Brickey Club to have the players registered within 12 days as they had only six days to do it.

Mr. McCarthy (Fastern Board Secretary)—But the Newtown delegates say they had 60 players registered.

Mr. D. O'Sullivan (Dungaryan)—But a share of them have gone to England.

Wexford at New Ross and said he was surprised to see a suspended player on it. He wired the Secretary to hold a special meeting and to have this matter on the agenda. In the meantime he learned it was a mistake on the part of the Secretary and was his fault. The player in question was Kevin Phelan, who was suspended for six months, and he (Chairman) was very much surprised to see him on the selection. Mr. H. Foley (Ballycoe) said

O Murchadha (do.); E. O Foghludha (Ballvere); E de Faoithe (Portlaw); Mr. P. Ryan (Dungarvan)—There is no doubt about the legality of O'Brien. He did play with Kilgobinet, but last year he said he would only play with the Brickeys. Regarding Fitzgerald, I never saw him play until the final. He used play with the Cathal Brugha team and it is from the Cathal Brughas the Brickeys picked him up.

Mr. Foley—They were eligible all right.

Chairman) was very much surprised to see him on the selection. Another point was that the selectors of the team overlooked the definite direction given by the Board in Waterford that footballers only were to be picked on the team. That direction had not been carried out. Mr. Gallagher said that two meetings of the Board had been held since the direction had been given and it was never brought up.

Mr. Ryan said that as far as Dungarvan. Club was concerned they up and the prised to see him on the selection. Another point was that the selectors of the team overlooked the definite direction given by the Board in Waterford that footballers only were to be picked on the team. That direction had been held since the direction had been given and it was never brought up.

Mr. Foley—They were eligible all right.

Mr. P. Ryan said that he thought the omission of the names was a have regisetred him.

Mr. P. Ryan-I think the omission

Regarding the matter of a replay, Mr. M. O'Connor said that he did not think it would be in the interests of the association to have a replay.

Chairman—The point is so small and technical that I think you could not upset the result of the match on

Mr. O'Dea (Dungarvan) said that this might cause a dangerous prece-dent. He would suggest to take the middle course and have a replay. Chairman—I take it that the New-

Cahirman—I don't see any reason da Cahirman—I don't see any reason why the result of the match should be upset. If the point is frivolous the board is not bound to act on it.

The Chairman then went on to tell of a somewhat similar objection which came before Cork County before taking part in a championship match.

Mr. Curran (Brickey Rangers' was that the result of the match stand.

Mr. Duggar pointed out again that the Brickey Rangers' Club had 12 months to register the player.

Mr. O'Dea said that his club had lost a match because the name of a player was not on the list. He thought the easiest way out of the difficulty was to have a replay.

Chairman—On no account would I consider it.

Mr. Ryan agreed and said that either the result of the match stand or not. If the match was replayed they would have the public saying that the board was only out to make

Another delegate said that that could not be done. A proposition for or against should be taken.

The Chairman said he wasn't bound to take any proposition and went on 10 refer to the statement made at the Convention that at a

The spokesman said that last year a club had been registered in Kill. The members of the Board would remember that at last year's convention he addressed it and asked to have another club registered. The Eastern Board, however, registered the other club (Mr. Thorpe's). Owing to mismanagement, however, the club had been suspended. He appealed to have the club re-instated. The Chairman said that he could not hold out any hope for the reinstatement of the officers. They were

precluded by the rules of the Association of receiving any leniency.

Mr. Duggan said that last year it was a question of which club should be accepted. The Chairman of the Eastern Board decided to accept Mr. Thorpe's Club.

Chairman-I am afraid I cannot nold out any hope for the officers but the best thing you can do is to make out your case and make out a list of the members and players who are

The Chairman said the Club could be accepted provisionally.

SENIOR FOOTBALL SELECTION.

The Chairman said that he saw on the local papers the selection to meet Wexford at New Ross and said he

were not aware of this been carried out for any match. Mr. P. Duggan (Waterford)—At the same time the Brickeys should This is the last match of the league?

Chairman—Our aim in giving this Chairman—Our aim in giving this direction was to develop football; to

leave hurlers to their own field and footballers to their's. Mr. O'Dea drew attention to the fact that Jackie Good and A. Fleming were as often in the hurling as in the football fields. The point he wanted made clear was why should men picked for the football team be debarred from the hurling team. Chairman—That was the direction of the Board and that should be con-

sidered when the selection was made My attention was drawn to this when Jackie Good had to play on five successive Sundays and on the last occasion, against Cork, could not be in form. That was what forced my attention to it the first time. Mr. O'Dea—It seems to me that you are taking a lot on yourself as to whom should play hurling or foot-

that played against Cork at Dungarvan and I saw no hurler on it but Jackie Good.

Mr O'Dea—But Fleming was picked on the selection? Why is it now this is being brought up?

Mr. Duggan—I think it is gone too Mr. O'Dea (to Chairman)-Did

Chairman—I can't say that I did.
Mr. O'Dea—Why wasn't it mentioned to Stradbally the day when
they picked Fleming.
Mr. O'Connor said at the meeting method to get the war more even saw a copy of the bye-laws. He never got one. He never even saw a copy of the bye-laws.

The Chairman disagreed and said Club was entitled to appear this decision to the Munster Council.

The representatives of both clubs were then called back to the meeting and the Chairman informed them of the ruing.

Mr. Curren thanked the board for the decision and said that in 1946 they would be back as strong as ever. Their club was probably one of the oldest-stubbleted in the county, and as long at he was there the club would continue to act in the best interests of the association. The Chairman disagreed and said he had a definite recollection of what happened at the Convention. Kevin Phelan asked that the Stradbally Club be given a trial at selecting the team for that year. Mr. Kyne supported him and the Board was practically unanimous about it. But here was no question of the county champions becoming the selectors.

Mr. O'Dea said he asked that question at the Convention (1946) and he was told that the county champions had the selection. Dungarvan did was passed.

The question of the travelling arrangements for the Waterford team to New Ross was then discussed.

Replying to the Chairman, the Secretary said it was intended to hire am Chairman I say four cars are ufficient for league or tournar natches. Munster champion natches are different. I am making

it clear that only four cars are to

that five cars travel. Mr. O'Dea asked why was the Chairman harping on the Dungar-van Club. They should get the same travelling facilities as were given in every other match. They were given the selection of the team and they did not want it.

Chairman — My attention was drawn to the expenses of the Carlow match. They were entirely unnecessary. This is no time for unnecessary.

Mr. O'Dea-What action was taken Mr. O'Connor-This is only the first meeting since then.

Chairman—I only got the bills about three weeks ago. I say again that four cars are ample.

Mr. O'Dea—It's only a question of spoon-feeding one club and the iron heel for another. I believe that. I'm sorry to have to start off on a note The Chairman then referred to the

Carlow match and said that five cars

went to Carlow. One car, in which were no players, did not arrive at Carlow at all. He would not stand behind it.

Mr. O'Connor—That's true. The car arrived in Carlow late.

To-day we celebrate our 34th birthday, 1912-1946, and once again we place before our readers excerpts from the paper's initial editorial swritten by its first and primal Editor, (the late Mr Jas. A. And at the outset may we say, lest by chance misappreher sion should exist in the mind of anyone, that this newspaper is not run in the interests of any party, political or otherwise, in this Green Isle of ours; neither is it financed by any section or party in the community; but it is absolutely a private enterprise, and its aims and objects. are no less sincere and worthy on that account. We are firm believers that an inherent love exists in the minds of all Irishmen for their ancient Faith, in respect of which they suffered so much persecution and underwent so much torture in the days that are happily now no more; we, too, believe and hold that the love of country abides almost as deeply in the genuine Irish heart, and hence Faith and Fatherland will be our watchword

During the past 61 years we had many difficulties to contend with. Although the mammoth conflict that raged over the world, thaking it to its very foundation and leaving a trail of lavoc and disaster in its wake, did not, through a mercifu Providence, reacht suit shores, we did is no need to recall the privations and hardships of that period, they are all too familiar. We would like, however, to refer to the manifold difficulties that newspaper offices had to contend with. The scarcity of newsprint and the many other re-quirements needed for the publi-sation of journals became very acute. We; in common, with our conferes throughout the land were affected. The result was that our new/s solumns suffered and many items of interest, reports of public bodies, etc., had to be drastically cut, and in some cases entirely smitted But though hampered by the existencies of these years, we did not forget that we had a duty to you, our readers; and advertisers. Lismore Notes.

Late Mrs. E. O'Donnell, Ballawilling.—Expressions of deep regret have been evoked throughout the entire district by the death of Mrs. Ellen O'Donnell, Ballawilling, Lismore, which sad event occurred at her residence on the night of Wed-nesday. January 30th, after a protracted illness and at an advanced age. Coming of a well-known and respected family, the deceased lady was relict of the late Mr. J. O'Don-nell, Ballawilling. Throughout her long and honoured life she enjoyed widespread popularity and the many estimable qualities which she possessed had warmly endeared her to a large circle or friends and ac-quaintances. A good Catholic mother and kind and charitable neighbour and a sincere friend, her demise is deeply mourned and sincere sympathy is extened to her sons and daughters in their bereave-ment and loss. An extremely large and representative cortege accompanied the removal of the remains on Friday evening from the residence to St. Carthage's Church, Lismore, where they were received, by Rev. Fr. Dunphy, C.C., Cappoquin, who recited the prayers for the dead. The burial subsequently took place in the Old Churchyard Cemetery in the presence of innumerable relatives, friends and sympathisers, and amid many manfestations of profound sorrow. The Rev. Fr. Dunphy also officiated at the graveside. Chief mourners were: Paddy, John, Thos., Michael, Edward and Maurice
