#### Lismore Notes.

Last Sunday's Senior Hurling Match.—Dungarvan created a surprise by decisively beating Cappoquin in their senior hurling clash at Lismore Gaelic Field, on Sunday last on the score, 7-2 to 3-2. The weather was very favourable and there was a large crowd present. Comments were being passed on all sides on the excellent way in which the local Club had the pitch prepared and also on the efficient manner i which the stewards performed their duties. All concerned certainly deserve the highest praise for the attainment of such perfection in arrangements. Cappoquin gave a rather disappointing display in view of the splendid form shown earlier in the season, but supporters say that it was just an "off day" and that they can reverse the decision when the teams meet at Lismore on Sunday next. The game commenced well and when Cappoquin opened the scoring with a goal in the first few minutes it looked as if they were going to do all that was expected of them. But when Dungarvan got into their stride the game became a very one sided affair and Cappoquin never shaped like winners. Despite this. however, the match had its patches of good play and Cappoquin coninued to fight up to the final whistle. Dungarvan had the advantage of sun and wind in the first moiety but Cappoquin were away from the throw-in to get a major score in the first few minutes. Dungarvan retaliated and had a similar score per Barron. An other Dungarvan attack was well cleared by Cunningham in goal. A free to Cappoquin about 30 yards from their own goal sent the ball well into the Dungarvan lines but M. Landers was playing a great game in defence and cleared up the field. A sideline cut to Dungarvan was sent

wide but from the short puck out Stack got possession and raised the green flag again. There was a free to Cappoquin but owing to the strong breeze the ball dropped short and a Dungarvan attack was once more foiled by Cunningham. Another short puck out went to Dungaryan but the attempt failed and the ball went wide. Sargent had Cappoquin on the offensive but Neville was on the alert and saved well what promised to be a dangerous situation. The ball was returned and Curley in goal saved a rasping shot with his hand after a tussle and a wide resulted. From a cut in Cappoquin had a wide. A free to Dungaryan taken by Landers was wide. At this stage the Dungarvan forwards seemed to be losing some good oppor tunities and several wides followed in quick succession. Cunningham blocked-down a dangerous shot and cleared well but the Dungarvan forwards were determined to make the most of this opportunity and were rewarded with a goal. Cappoquin next had a wide after a passing Dungarvan was showing that he had free from mid-field and Landers by Cunningham Cashin succeeded in

Alan Bestic, IRISH PRESS Staff reporter, whose series of despatches to THE IRISH PRESS from Paris, Berlin, Prague, Warsaw, Vienna and other European centres, published during the past four months, aroused such widespread interest, has returned to Ireland.

He will now tell the background story of his four months' trip in war-ravaged Europe and describe experiences not dealt with in his previous articles. His contributions will also give intimate pictures of life and conditions in Occupied Germany and Austria, in Poland, Czechoslovakia and Switzerland.

Mr. Bestic's first article, which will appear on Monday next, will convey his impressions of France as it was when he visited it in April last and as it is to-day.

Jim Sargent was easily the best Cappoquin player on view; his speed and ball control were delightful and he tried time and again to rally his team mates, especially in the closing stages. The prevailing weather is all against the farmer in his efforts to save the harvest. With one day fine and the next wet, very little progress can be made. The appeal for volun-teers to help save the harvest, inaugurated by the County Manager, Mr. S. J. Moynihan, did not receive any appreciable support in the Dungar-van area. On inquiry from Mr. D. THE DEMAND FOR SPARE PARTS for Harvesting Machinery still far exceeds supply, so it may be difficult for Farmers to obtain everything they require this season.

The fact that our present stocks of Spares are equal if not superior to those of other traders, coupled with the knowledge that we will do all we possibly can to cater for all needs, will, we are sure. tend to allay uneasiness in the ininds of our many customers.
