Waterford Drop the Points at Fermoy.

The Cork County football team, represented by Fermoy, St. Nicholas, the Army, Commercials, Beara, Mitchelstown and Clonakilty, defeated Waterford at Fermoy on Sunday last in the second round of the National Football League on the score 3—9 to 1—4. Half-time score: 1—4 to 1—2 in favour of Cork.

Waterford, who were short J. Goode and J. Baily, put up a game display, but lacked the combination of their opponents.

It is with very deep regret we record the death of Mr. Thomas Kenneally, which sad event occurred at his residence, Bew'ey, Cappoquin, on Saturday, Nov. 30th, after a rather brief illness.

A member of a well-known farming family and possessing a quiet and unassuming disposition, the late Mr. Kenneally was extremely popular throughout the district and his many fine traits of character had endeared him to all. His untimely passing, indeed may be re-

When the boat had been unloaded and the men engaged at unloading the boat were being paid the four plaintiffs went to get paid but they were informed by Mr. Maher that he was not prepared to pay them any-thing and, according to the men, told them to go to h-l. Mr. Kenny added that the men were sueing at the old rate of 16/- a day for a day

Mr. Kenny—What happened on the first day you were working?
Witness—On the first day we went witness—On the first day we went up to the creamery and Paddy Whelan said to Mr. Conway that we got £1 a day before and wanted £1 a day again. Mr. Conway said he would see the boss and ask him and to work away as he supposed it would be all right. We went back to work. On the next day at 11 o'clock we went up again and Paddy Whelan asked Mr. Conway about the £1 a day and Mr. Conway said that Mr. Maher would not give it. Paddy Whelan then said that we would not work with P. Whelan, witness said that the distance between the "slip berth" and Moloney's berth was about 100 yards. The carters never objected before and they discharged dozens of boats at this berth.

Asked why the rate of pay had been changed, witness said that during the emergency boats had to be discharged within 24 hours, and in order to do that the lorries were put on and the carters were paid per day instead of per ton.

That was up to themselves.
Justice—On the first morning you

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas blosts up your stomach. You get constipated. Your whole system is poisoned send you feel soun sunk, and the world looks punk.

Laxssives help a little, but a mere bowel movement doesn't get at the cause. It takes those good old Carters Little Liver Fills to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely.
