**WHISKEY SUPPLIES FOR 1947.**

OWING to the exhaustion of pre-war stocks and the curtailment in the distilling industry since 1938, Whiskey supplies will be at their lowest this year. Already most of the Wholesale houses have reduced their customers' quotas, in some cases by as much as 50 per cent.

While we hope to maintain our customers' quotas as far as possible, we must ask the patient indulgence of our many customers if we cannot give them as much Whiskey this year as we would like to.

We hope the position will be very much improved early in next year.

**Death of Mr. James Foley, BALLYMARKET, DUNGARVAN.**

The news of the death of the above highly-respected young man, which occurred at the Hospital, Dungarvan, on Thursday, January 23rd, after a very brief illness, came as a great shock not only to the members of his widely-connected family, but to all who had the pleasure of knowing him. His unassuming manner and the sincerity of his every word and action were but some of the outstanding traits of the deceased's character, which endeared him to all with whom he came in contact during his life. He was brother of Mrs. M. Elsted, Ballymacourty; Mrs. Michl. McGrath, 10 Mitchell Terrace, Dungarvan; Miss J. Foley, Ballymarket; Mrs. McGuire and Mrs. L. Powers, Bronx, New York; and uncle of Rev. Francis McGuire, D.D., O.S.A., Villanova College, Pittsburgh, and Sister M. Josephine Morrell, Dominican Convent, Pennsylvania. A large and representative attendance were present at the removal of the remains to Glasranbane Church on Friday, 24th, where on arrival the coffin was blessed by the Rev. Fr. Power, C.C., who recited the prayers for the dead. On Saturday morning following the celebration of Masses of Requiem for the repose of his soul, interment was made in the adjoining cemetery in the presence of another representative attendance of mourners and friends. Rev. Fr. Power, C.C., assisted by Rev. R. Keane, officiated at the graveside.

The number of persons registered at the Employment Exchanges on January 18th was 69,515, an increase of 126 on the previous week. The number registered at the corresponding period last year was 76,914.

**Malicious Damage Alleged.**

Supt. O'Mahony charged Nicholas Beresford, Castleguard, and James Beresford, do, with, as alleged, maliciously damaging property at the Model Farm, Lisarow.

Supt. O'Mahony said that he understood from Nicholas Beresford that he was expecting a solicitor from Tramore to come to defend him.

Justice—Hadn't he Mr. Halley here the last day?

Supt. O'Mahony—He says he has changed him.

Mr. P. J. Morrissey, solr., Dungarvan, said he would phone the solicitor (Mr. Morrissey) in Tramore.

Later Mr. P. Morrissey said he had spoken to Mr. Morrissey, Tramore, and he told him that he was not coming up to defend Nicholas Beresford, as he got no instructions from him, and that he had already informed Mr. Beresford that he was not coming up.

The Justice, addressing Mr. Beresford, said: Mr. Morrissey has been talking with the solicitor in Tramore and he says that he received no instructions from you and was not coming up.

Mr. Beresford said he met Mr. Morrissey (Tramore) on the day of the Cappoquin Court and gave him instructions.

Justice—Did Mr. Morrissey say he would appear for you?

Mr. Beresford—He said he would come about the appeal and he would appear for me.

Asked by the Justice if he (Mr. Beresford) had made it clear to Mr. Morrissey that he wanted to defend him Mr. Beresford said he did.

Justice—Did he say he would come?

Mr. Beresford—He said he would and also that he would take the Lisarow case.

Justice—Do you want the case adjourned?

Mr. Beresford—I do.

Supt. O'Mahony objected to an adjournment and said he had a witness from West Clare who would be losing three days' expenses. He understood that the case would be taken to-day. He would agree to an adjournment if Mr. Beresford lodged £5, the cost of this witness's expenses.

Justice—Yes, I agreed the last day to hear it to-day.

Questioned again by the Justice if he had instructed a solicitor, Mr. Beresford said he did instruct Mr. Morrissey. He met him on the day of the Cappoquin Court and gave him the details.

Justice—You should have made arrangements to have a solicitor here to-day. I will adjourn it on condition that the expenses of this witness are paid.

Mr. Beresford said he was not prepared to pay them.

The Justice then adjourned until after the lunch interval.

When the court resumed, Supt. O'Mahony informed the court that Mr. Morrissey (Tramore) was not appearing for Mr. Beresford.

Justice (to Mr. Beresford)—Are you still asking for an adjournment?

Mr. Beresford—I am.

Are you agreeable to pay the £5 expenses? I have no alternative.

That is a matter for you. Are you prepared to pay them? I will adjourn the other case to the next court.

Mr. Beresford (to Supt. O'Mahony)—Will you take a cheque?

Supt. O'Mahony—I will.

Mr. Beresford then took a cheque book from his pocket, wrote out the amount stated, and handed it to Supt. O'Mahony.

The Justice said that Mr. Beresford was bound over at the last court to enter into recognisances to be of good behaviour for three years. He (Justice) understood that Mr. Beresford had not entered into these recognisances and asked if that were so.

Mr. Beresford—No, I didn't.

Justice—Have you any explanation to offer?

Mr. Beresford—I was going to appeal the case. I was going to appeal a matter entirely for yourself, but you have no right of appeal until you enter into these recognisances first. You cannot appeal from my order to bind you over until you have entered them. In order to give you an opportunity to find the necessary sureties I allowed you two weeks to obtain them. I find now that you have not entered into the recognisances.

**Distributive Workers and Clerks. ANNUAL MEETING.**

The fourth annual general meeting of the Dungarvan Branch of the Irish Union of Distributive Workers and Clerks was held in the National and Commercial Club Rooms, Mary Street, on Tuesday night, 28th inst. Mr. James Mountain (Branch Chairman) presiding. The area organiser, Mr. Reid (Waterford) and a very large gathering of members attended.

The Chairman, opening the proceedings, welcomed all present. He was very pleased to see such a large number present. It showed that the members were beginning to take an active interest in the Union, as well as in the administration of the branch affairs. The progress and general work of the branch for the year 1946 had been most satisfactory. The town, with the exception of a very few, was most thoroughly organised. The membership on their register showed a substantial increase from the previous general meeting, and they had the record number of 101 members. He hoped that in the very near future the few non-members still in the town would join their ranks.

The Secretary read the minutes of the previous annual general meeting, which being in order, were duly signed. The report and statement of accounts having been read, both were adopted unanimously.

The election of branch officers and committee then took place and resulted as follows—Chairman, Mr. Jack Murphy (Mr. James Mountain did not go forward); Vice-chairman, Mr. Thomas D. Smyth (outgoing); Treasurer, Mr. Martin Ryan; Secretary, Mr. John J. Meany (outgoing); Committee, Mr. Jas. Mountain, Mr. Albert Lee, Messrs. Michl. Cochrane, James Grant, Oliver Walsh, Tim Allen, Wm. Slack, and Mrs. M. Glanville.

The new Chairman, Mr. Jack Murphy, in a brief address, thanked the members for electing him their Chairman for 1947. He assured them that during his term as Chairman he would do his best to follow the good headline set by Mr. Mountain during the past few years.

At the meeting concluded, the Chairman, Treasurer and Secretary were appointed as delegates to the Dungarvan Trades Council.

**Dungarvan District Court.**

The Dungarvan District Court was held on Tuesday before District Justice E. O'Riain.

**DECREED FOR POSSESSION.**

The Dungarvan U.D.C. were given a decree for possession in respect of a house at 11 Western Terrace, occupied by Mr. P. Curran.

Mr. T. C. Williams (J. F. Williams and Son) for the Dungarvan U.D.C. under the Road Traffic Act, against Mr. P. Curran.

Supt. P. O'Mahony, Dungarvan, charged Philip Loneragan, Curragh, Clonmel, and Jas. Kirwan, Clonmel, under the Road Traffic Act. Loneragan was charged, as alleged, with the dangerous driving of a motor car on the Dungarvan-Clonmel road on November 10, 1946, and the other defendant was charged under the general by-laws that he failed to give way to traffic on a main road when coming off a by-road.

The case was a sequel to a collision between the motor car and a pony and trap driven by Mr. Kirwan.

Mr. Shannon, Solr., Clonmel, for Mr. Loneragan, and Mr. J. F. Kenny (E. A. Ryan and Co.) for Mr. Kirwan.

Inspector McGonagle prosecuted for Supt. O'Mahony.

Mr. James Kirwan said he was driving the pony and trap from a bungalow adjacent to the Clonmel road on Sunday, November 10. Witness's wife was in the trap with him. The bungalow was about 70 yards from the road, with an avenue leading to the gate. As witness was coming to the gate of the avenue to the main road and had come to the gate as the car approached. Witness's wife saw the car coming and told witness. It was about 30 yards away and witness had just time to swing the pony to the left and hold him stationary. The car struck the pony on the shoulder.

Inspector McGonagle—What part of the road was the pony on; was he far out?

Witness—He was about 3 1/2 feet out. The trap was in the gateway.

Continuing, witness said that the car was travelling pretty fast at the time. Witness thought that it was travelling at about 25 m.p.h. and went 50 or 60 yards at least after it had hit the pony. A shaft of the trap was broken.

Mr. Kirwan, witness said that at the time the car hit the pony the trap was stationary.

Mr. Kenny—Why was it stationary?

Witness—Because the car was coming.

Witness agreed with Mr. Shannon that there was a fall in the avenue and approaching the gate it was sunken.

Mr. Shannon—You would have no view of traffic on the main road until you came out of the gate?

Witness—That is so.

And where you were sitting you had your back to the direction from which the motor car was coming?

Yes.

I put it to you that this pony was not walking but was coming out fast, in a kind of a trot? That is not so.

To further cross-examination, witness said it was the pony's shoulder that was hit and not his head. About four inches of the shaft was broken off.

Mr. Shannon—And that was the only damage that this motor car alleged to be travelling at an excessive speed did?

Witness—I injured the pony.

To further questions, witness said that his wife and a little girl were in the trap. Witness was not speaking at all. Witness agreed that for about ten yards it was a blind exit.

To the Justice, witness said that the rate was open.

Mrs. Christina Kirwan, wife of previous witness, said she was sitting on the opposite side to her husband in the trap. When they were coming to the gate witness shouted to her husband that a car was coming and he pulled up the pony. The pony was facing in the Clonmel direction and was about a length out when the car came on them. Witness thought that it was the door handle that hit the pony. The car stopped about 60 yards away from the place the accident occurred. Witness pointed out to the Guards where it stopped.

To Mr. Kenny, witness said her husband stopped the pony immediately when she told him that a car was coming. There was plenty of room for the car to pass. The car was coming very fast. Witness saw no injury to the pony's head. Witness saw the door handle of the motor car and he had got a far better view of the scene of the accident than the other defendant in which he admitted the offence.

The Justice said it was very refreshing to find two defendants like these so honest as both had freely admitted to something that they should not have done. The driver of the ass and cart was mainly responsible by swinging in front of the motor car and he had got a far better view of the scene than any fine he (Justice) could impose. He applied the P.O.A. in both cases.

**ALLEGED ASSAULT.**

Miss Maureen Kirby, Mitchel St., Dungarvan, summoned Mrs. Eileen Mahony, Lougmore, for alleged assault.

Mr. J. F. Kenny (for the complainant) said he would oppose an adjournment unless an undertaking were given in open court until such time as the case came on again that defendant would not interfere with his client.

Mr. Morrissey gave the undertaking and the case was adjourned.

**CLONMEL MAN'S ALLEGED OFFENCE.**

Philip Dillon, 17 College Street, Clonmel, was, at the suit of the Attorney-General, charged, as alleged, that he did take, steal or carry away on Jan. 24, a postal packet containing approximately £10, the property of Wm. McGuire.

Supt. McNamara, Cahir, in a deposition, said that the defendant was arrested and charged with the offence on January 24th. In reply to the charge, defendant said: "I did, sir." Witness said that he was still making inquiries into the case and asked for a remand in custody to the Tipperary Court on February 4th.

Defendant, who was not professionally represented, was remanded as requested.

BEETHOVEN'S FIFTH SYMPHONY

By Edmond Fleming.

IT IS SAID that genius is its own reward, and that the possessor finds ample compensation (in view of the oppressive forces of nature and the opposition from the social economy of man) in as much as he succeeds in reaching his goal or objective by his own direct efforts.

Beethoven realizes this, and in the second part, all afflictions cease. The opening melody given out on the violas and cellos is of a beautiful and inward reflection. In these moments a really satisfactory should they supply all that is longed for, then the struggle for existence must cease for a little while.

self. Sometimes, however, and to some extent, momentary true peace, accompanied by interior reflection and meditation. This peace is now very seldom found, as the demands of modern life are far too great and pressing. Then, to withdraw and think means so much loss. No matter how great a taskmaster and slave-driver civilization may become, the interior soul will crave occasionally for at least a few moments of peace and inward reflection. In these moments a really satisfactory should they supply all that is longed for, then the struggle for existence must cease for a little while.

DON'T RATION WHEAT SOWINGS

To ensure our bread supplies for the next eighteen months every farmer should grow more wheat this year than he did in 1946.

Ploughing has been delayed by bad weather and no opportunity should now be lost to overtake the arrears of work.

Winter wheat seed is plentiful.

Sow as large an area as possible and as early as possible in February.

Order your fertilisers and seed wheat immediately: otherwise your requirements may not be delivered in time.

Dress your seed wheat with a mercurial seed dressing.

LOCAL HAPPENINGS

(Continued from page five).

PREMIUM VALUE INCREASED. The Council of the Royal Dublin Society has agreed to continue the scheme for the award of premiums to farmers for mares (not thoroughbred) 7 years or under likely to breed a high-class hunter, and in addition has agreed to increase the value of the premiums from £12 to £24.

DANCE. Dance fans are keenly looking forward to the grand all-night dance under the auspices of the Dungarvan Co-op. Creameries Benevolent Society coming off in the Town Hall on Wednesday night next, February 6th.

CONGRATULATIONS. To Mickey Connors and Declan O'Connell for their successful return to their old positions on the Board. It is well to see some of the old stalwarts remain active in the service of the County G.A.A. through the year in a manner worthy of the county and the Association.

REGISTRATION OF PLAYERS. The suggestion of one of the delegates at the convention, that each club should complete two registers at the start of the year, showing at their registered players, one copy to be kept by the divisional secretary and one signed by him after comparing with his own copy to be returned to the club secretary, is a good one and should be the subject of a direction from the first Board meeting. Additional names, when being registered, should be given in duplicate lists and the divisional secretary sign the one to be returned to the club secretary. This would make certain that any team fielding an unregistered player would not have the excuse that it was sent in but did not arrive or, as has been suggested, that the divisional secretary did not register the names he got. The question of how long a player should be registered is subject to a ruling from the new County Board. All registrations will be dated if the Board decides that Bylaw 27 should stand.

NEW CLUBS AND TEAMS. Ballinacorney are said to be entering a team in the championships. Slahbeg will enter, as well as junior football, a minor football team and a junior hurling team. I trust the hurling team is not at the expense of non-allocation of Touraine hurling team. Ring, I am surprised to hear, may not affiliate this season. This is certainly bad news. I hope it is not true. St. Patrick's, as mentioned last week, are definitely affixing a junior hurling team.

IMPORTANT NEWS

TO EYE SUFFERERS

LEADING OPTICIANS COMING HERE NEXT WEEK.

READERS of this paper will be glad to hear that Messrs. George Prescott & Son, the well-known Opticians, of 18, Upper O'Connell Street, Dublin, will be paying a special visit to this district during the coming week. This visit has been arranged in response to the request of hundreds of people living in the country, who, owing to the difficulties of travel, find it impossible to attend at the Head Office in Dublin. Messrs. Prescotts have, therefore, arranged for their Representative to be in attendance in the following towns:

TEMPLEMORE—Tues. 4th Feb. at Hickey's Hotel, 5-7.

THURLES—Wed. 4th Feb. at Musters Hotel, 12.30-1.30.

CASHEL—Thurs. 4th Feb. at Carew's Hotel, 5-7.

TIPPERARY—Wed. 5th Feb. at Royal Hotel, Bridge Street, 9-11.

CARRICK-ON-SUIR—Thurs. 6th Feb. at Bessboro' Arms Hotel, 12-1.30.

DUNGARVAN—Thurs. 6th Feb. at Mrs. Spratt's, 9 O'Connell Street, 3-5.

WATERFORD—Fri. 7th Feb. at Granville Hotel, Quay, 10-11. Thorough Examination.

Every person, old and young, who is suffering from any form of eye trouble, such as difficulty in reading or sewing, tiredness, dizziness and headaches, is cordially invited to have his or her eyes examined when an expert opinion will be given.

To those wearing Glasses. Show us how you wear glasses for a number of years without having your eyes re-examined, changes are found to have taken place which may impair your vision.

Who Suffer With Bad Sight? If your troubles are not relieved by your eyes, you will be freely told so, and advised to seek medical attention. Prescotts will help all eye sufferers—this has been proven by over 250,000 people who wear Prescotts glasses to-day.

The lives of men, women and children to-day are made miserable by weak sight. It may be a small thing, but after the age of 40 years, nine out of every ten people need glasses. To go on straining eyes which have already grown weak is unwise. NEGLECT IS THE GREATEST ENEMY OF GOOD SIGHT.

West Waterford News. CLASHMORE G.F.C. The annual general meeting of the Clashmore Gaelic football club will be held at 8 o'clock (Saturday, 2nd Feb.) at 8 o'clock. All members and friends are invited to attend.

CLASHMORE CONCERT. A grand concert and dramatic entertainment will be held in Clashmore on Sunday evening next, Feb. 2nd, at 8 o'clock. The programme will include that popular play, "Paid in Full" by J. M. Synge, and other attractive items. A splendid will follow. It promises to be a great night and a record attendance is expected.

NEW CO. BOARD CHAIRMAN. Congratulations are extended to Alderman W. Keenlyde, Waterford, on his election as Chairman of the Waterford County G.A.A. Board. A native of this area, he is a sterling Irishman who has a long and successful career in public life. His able leadership of the Waterford G.A.A. will be a great success and prosper.

YOUGHAL BRIDGE. Due to the omission of a line, our paragraph on Youghal Bridge last week was inaccurate. It should have read: "It is expected that preliminaries will be complete in about a year and that the new structure will be finished in about 1948."

DEATH OF PROMINENT IRISHMAN. The news of the death (received here on Friday, 2nd of February) of Mr. James Larkin (deceased) will be learned of with much regret throughout the whole country and far outside it. As a result of his death it was known throughout the world that his family and relatives were assured our deep sympathy in their bereavement. We append herewith a copy of a telegram sent by the Dungarvan Amalgamated Transport Union—deputy Larkin, Leashel House, Dublin—Accept, sincere sympathy on death of your father, Don Dungarvan works.—Thos. A. Kynne, Union Secretary.

change of minor hurling and football competitions in West Waterford will be set up by the Western Board on Sunday next at Cappoquin C.Y.M.S. Hall at 2.30 p.m. Teachers and others interested in the promoting of Gaelic games amongst the boys who are willing to help should either attend in person or send their names to the divisional secretary, Western Board, Dungarvan.
