## Late Mr. Wm. O'Meara

**URBAN COUNCIL TRIBUTES.**

Tributes to the memory of the late Mr. Wm. O'Meara, former Town Clerk of Dungarvan, were paid by the members of the Urban Council at their fortnightly meeting, and after voting sympathy to the relatives, the meeting was adjourned as a mark of respect.

Proposing the motion to adjourn the meeting, Senator J. Butler said that he was connected with the council and other bodies of the county for the past 27 years and during that period he had never met a more agreeable or grander official than the late Mr. Wm. O'Meara. "He was a man," continued Senator Butler, "that always did everything possible for the public representatives like himself and the other members of the council. He never spared himself in the interests of the people of the town and we all know what a lovable Christian character he was. He was an intimate friend of his and he was a man of most unassuming manner, who was always doing good without letting anybody know that he was doing it. He was a most lovable character, and I sincerely hope that our sympathy to his relatives will relieve to some extent the grief of his family."

Seconding the resolution, Mr. J. McGrath said that Mr. O'Meara and himself were officials of the council for a good number of years. Mr. O'Meara served with the council for over 40 years, first as rate collector and then he was promoted to Town Clerk, which office he held for 22 or 23 years. "I worked with him," continued Mr. McGrath, "during that period as Borough Surveyor and a more courteous individual than Mr. O'Meara could not be found. He helped me in every possible way, and I think the best thing that could be said of him is that he carried out his duties as if the business of the council were his own. He was very courteous to the other officers of the council and to the ratepayers, and he certainly is a great loss to the town. I think that the sympathy of the council will go a long way in alleviating the grief of his death."

Associating himself with the resolution, Mr. L. V. Veale (vice-chairman) said that Mr. O'Meara was an intimate friend of his. Mr. O'Meara was a very conscientious official and had a wide knowledge of local government affairs. His advice was always available for the members of the council and was given freely, and this was very much appreciated by them. They all felt his great loss. He led a very quiet life and he (Mr. Veale) was sure that he had never received his due reward.

Mr. N. Kelly, associating himself with the resolution, said that he did not come into contact with the late Mr. O'Meara on the council because when he (Mr. Kelly) was a member of the council Mr. O'Meara's son was acting Town Clerk. He had met Mr. O'Meara in the course of business and he was an official, as Mr. McGrath had said, who did his work as if it was his own business.

Putting the resolution to the meeting, the Chairman (Mr. McCarthy) said he was very sorry to be called upon to put the resolution. It was a grand thing to see that every member of the council had nothing but good to say of the late Mr. O'Meara. Mr. O'Meara was a great friend of his and with everyone he came in contact with. He was certainly a very fine character of a man. Any member of the council that wanted his advice had only to go to him and say to him that he wanted it and it was given. He always guided the council and the members on the right way to go and the council always came out on top as a result of his advice. Again expressing his sorrow that the occasion had arisen for the resolution, the Chairman adjourning the meeting said that they were doing so because of the death of one of the greatest men of the town.

The Town Clerk (Mr. E. O'Drigho), on behalf of the Manager and the other officials of the council, associated himself with the resolution.

**LATE MR. WM. LAWLOR.**

Proposing a vote of sympathy to the relatives of the late Mr. Wm. Lawlor, Lawlor's Hotel, Senator Butler said that Mr. Lawlor was a member of the council for a good number of years a long time ago. During the period of his tenure of office the people of the town realised that he did very good work for them. He was one of the most respected people in the town and he (Senator Butler) would like to express his sympathy to the family he had left after him.

Mr. L. Veale seconded.

Resolutions of sympathy were also passed with the relatives of the late Mr. Skerue; with Mr. J. Flynn, St. Mary Street, on the death of his sister, Mrs. McGrath, Lackendurra; with Mrs. P. Crooke and Miss Christopher on the death of their brother; with Mrs. M. Casey, Main Street, on the death of her mother; with the relatives of the late Mrs. P. Kiely, Mitchell Street; with Mr. M. Greany, on the death of his wife; with the relatives of the late Palk, Biondan, Shandon; with the relatives of the late Miss Hackett, Church Street; with Mr. D. Begley, Emerald Tree, on the death of her father, Mr. Thompson, Waterford; and with Guard J. O'Dea in a recent bereavement.

The resolutions of sympathy were then put to the meeting and passed, the members standing in respectful silence.

## WHISKEY SUPPLIES FOR 1947.

OWING to the exhaustion of pre-war stocks and the curtailment in the distilling industry since 1939, Whiskey supplies will be at their lowest this year. Already most of the Wholesale houses have reduced their customers' quotas, in some cases by as much as 50 per cent.

While we hope to maintain our customers' quotas as far as possible, we must ask the patient indulgence of our many customers if we cannot give them as much Whiskey this year as we would like to.

We hope the position will be very much improved early in next year.

## Lismore Notes.

**Death of Mr. W. Allen, Late of Ballyvafrater.**—The death of Mr. Wm. Allen, late of Ballyvafrater, Lismore, which occurred at the District Hospital, Lismore, on Sunday morning, March 2nd, at a comparatively early age is deeply and widely regretted. Although deceased had been in failing health for a considerable time, the news of his passing was quite unexpected and came as a painful shock to his relatives and friends. Coming of a family which had always been highly esteemed and respected, the late Mr. Allen possessed many admirable traits of character and enjoyed popularity in full measure throughout the district. His untimely death has now occasioned widespread regret and sympathy for his two young sons. On Sunday evening the remains were removed to St. Carthage's Church accompanied by a large and representative gathering. Following Requiem Mass on Monday, he led a very quiet life and he (Mr. Veale) was sure that he had never received his due reward.

**Mr. N. **Certain Conditions Must Be Complied With First.**

**COUNTY BOARD DECISION.**

The motion for the immediate reinstatement of Erin's Own Club, referred from the County Convention, was the principal item on the agenda at the first meeting of the new G.A.A. County Board at Dungarvan on last Sunday. Ald. W. Kennedy, chairman, presided and there was a large attendance of members and delegates.

Mr. M. Creagh, N.T., said that the reason he proposed that the motion be referred to the incoming County Board was that it appeared to him that it was the feeling of the County Convention that the Erin's Own case be reconsidered.

Mr. P. O'Connell said that there was a further feeling that the motion be made in this matter and that was that one of their representatives on the Munster Council had mentioned something at the first meeting of the County Board which would bear their case. The hope was expressed at the Convention that these conditions would be present standing, Clasmore A.C. passed a similar resolution.

Any athletes who desire to be affiliated with the club should apply immediately to the Chairman or Secretary.

**Motorist's Narrow Escape.**—A local motorist, Mr. A. Attridge, Ballyvafrate, Lismore, and two members of his family had a narrow escape from serious injuries when the car in which they were returning from church on Sunday morning last mounted the canal wall about a hundred yards beyond Messrs. Sargent's garage on the Ballygallane road and overturned on to the roadway. Although the vehicle was badly damaged as a result of the impact, the occupants were lucky to escape with only a few scratches.

**Well-known Premises Changes Ownership.**—The premises of Mrs. M. Periche, Main Street, who has retired from business, has recently changed ownership, having been purchased by Mr. Thomas Savage, Main Street, Lismore. OWN CLUB comply with the conditions laid down by the Munster Council; and if the Erin's Own Club complied with these conditions the County Board would then make recommendation for reinstatement at the Munster Council.

**"IF ERIN'S OWN ARE BIG ENOUGH..."**

Mr. O'Donoghue—Erin's Own know perfectly well what is expected of them. Let them do the big thing, the best thing, by withdrawing everything expressed or implied in their letter; let them give a guarantee, if they see genuine, that it will not occur again and that they are prepared to accept the authority of the Board. It was the Board that was instigated and not me.

On Mr. Fanning withdrawing his resolution in favour of Mr. Ormonde's resolution, the letter was put to the meeting and passed unanimously.

**WITH.**

In a resume of the events leading up to the suspension of the Erin's Own Club and the subsequent appeal to the County Board, Mr. M. V. O'Donoghue (former Chairman of the Board) said that as regards this "famous" letter was made published in the Press, the County Board was unanimous in finding Erin's Own guilty of bringing the Association into disrepute. Erin's Own, in accordance with the rules, appealed against their suspension by the County Board to the Munster Council. "I would point out to you," continued Mr. O'Donoghue, "that before the Munster Council would listen to the Erin's Own appeal the Chairman told the Erin's Own representatives that first of all they should withdraw the letter published in the Press and give a guarantee that they would publish an adequate apology in the Press, giving it as much publicity as the original letter. Until they (Erin's Own) representatives agreed to do that they would not be heard. The Munster Council upheld the decision of the County Board and confirmed the suspension of six months. No matter how they looked at it there was no right of appeal from this "famous" letter was made to the Convention to have them reinstated by a motion, but the preliminary conditions laid down by the Munster Council have not been complied with. The only case that can be made for Erin's Own is a mitigation of the sentence and you must find adequate grounds for that requirement. The only adequate grounds which might—I say might and not would—justify remittance of the sentence is that they express regret at their action; that they withdraw the original letter and give the Secretary said that the letter which he had read from Erin's Own Club had not been published in the Press.

Mr. Fanning—I would not agree with that letter being published. It is not a retraction. They say that in deference to the Chairman and the Secretary they withdrew their original letter. It should not be in deference to any individual at all. It is not complying to the conditions of the Munster Council.

Mr. Lannon said that it was the feelings of 98 per cent. of the delegates at the Convention that Erin's Own be reinstated. There had been a show of hands on that.

It was pointed out to Mr. Lannon that the show of hands was for referring the motion to the incoming County Board.

**"MAJORITY WANT THEM REINSTATEMENT."**

The Chairman said that it was the feelings of the majority of the Gaels of the county that Erin's Own be reinstated. They were bound to give consideration to that.

Mr. Gallagher—I don't think it was recommended at the Convention that they be reinstated.

Mr. Creagh—I was the feeling of the Convention that it be recommended for reinstatement to the incoming County Board. That was the impression I got anyway.

Chairman—Am I the feeling of the County Board recommend it to the Munster Council?

Mr. Lannon—I remember the Secretary pointing out that the Convention could not recommend this on their own to the Munster Council; it should come from the County Board.

Mr. Fanning said that they were up against a stone wall. Erin's Own goal was the minimum suspension. They were now asking for a reduction of that. No application for a reduction of the sentence could be considered until a period of suspension had expired. "I came along here today," said Mr. Fanning, "to support a reduction of the suspension; but the conditions as far as I am concerned, have not been carried out."

Mr. Gallagher thought the Association or any Council of it had not the power, according to the rules, to make a reinstatement until the suspension period was served.

Mr. Creagh pointed out that the Waterford Board had reinstated a man who was ordered off the field during a game.

Mr. Lannon—The Central Council last year reinstated Casey of Kerry.

**PRESENT POSITION WORSE.**

Mr. O'Connell said that when this matter came from the County Board on the first occasion he made a fool of himself on behalf of the Erin's Own Club. "I appeared to Erin's Own to withdraw the letter, but C. Ware was very stubborn and would not withdraw one word of it. They then appealed to the Munster Council, but Mr. Fanning said a while ago that the position was the same as before. I think it is worse. It is the duty of our delegates to the Munster Council to say that Erin's Own had not carried out the conditions. I am afraid it is out of our hands as far as this is concerned."

Mr. O'Connell said he would like to recommend it to the Munster Council. It would be for the benefit of the G.A.A. and the Gaels of the county to hammer this thing out at the meeting.

Mr. Gallagher—If Erin's Own comply with the conditions they will be reinstated.

Mr. O'Connell—I think it is a bit late now for them to do that.

Mr. Fanning suggested deferring the matter to the next meeting of the Board.

Mr. Gallagher—They are coddling the Board long enough. It's going on for four months now.

Chairman—Let bygones be bygones and let us begin the new year well.

Secretary—I would like to point out to the Board that the question before them is this letter a retraction of the original letter or not?

**CONDITIONS NOT COMPLIED WITH.**

In a resume of the events leading up to the suspension of the Erin's Own Club and the subsequent appeal to the County Board, Mr. M. V. O'Donoghue (former Chairman of the Board) said that as regards this "famous" letter was made published in the Press, the County Board was unanimous in finding Erin's Own guilty of bringing the Association into disrepute. Erin's Own, in accordance with the rules, appealed against their suspension by the County Board to the Munster Council. OBITUARY

MRS. ANN CROTTY, BALLINAKILL, KILBRIEN.

It is with feelings of profound regret we record the death of Mrs. Ann Crotty, Ballinakill, Kilbrien, which occurred on Tuesday, February 25th, after a brief illness and at a moderately advanced age. The deceased lady, relict of the late Mr. Thomas Crotty, was a member of an old and highly-respected family and was held in high esteem by all those who knew her. An exemplary Catholic and devoted mother, her passing was in keeping with her life here below, calm and peacefully and fortified by the rites of Holy Church. To her bereaved family members we join with their hosts of friends in extending their deep sympathy in their bereavement.

Evidence of the respect and esteem entertained for the deceased lady was amply forthcoming by the very large and representative cortege which accompanied the removal of the remains to Kilbrien Church on Wednesday evening, where the coffin was received by the Very Rev. J. Conway, P.P., assisted by Rev. Morrissey, C.C. On Thursday, following the celebration of Requiem Masses for the happy repose of her soul, interment was made in the family cemetery in the presence of many relatives and a large and representative attendance of mourners and friends. The funeral was officiated at by the Very Rev. J. Conway, P.P., assisted by Rev. J. Morrissey, C.C., officiated at the graveside.

The immediate chief mourners were—Mrs. John Dunne, Mrs. M. McC. Casey, 12 Main St., Dungarvan; Miss Mary Crotty, Miss Margaret Crotty, New York (daughters); Mrs. Walter Killbrien, Poplar Hill (sister); Stephen, Danny, Tom and John and Miss Biddy Dunford, Ballinakill; Mary and John Casey, Main Street, Dungarvan (grandchildren); Maurice Casey and John Dunford (sons-in-law).

MRS. ELLEN POWER, COOLNSMEAR. The death took place on Friday last, February 28th, of Mrs. Ellen Power, a fairly advanced age. Severe Snow-Storm Hits Dungarvan.

The lovely sunny, mild weather that ushered in this week led many to believe that the winter had at last gone and spring was not far behind. Such an opinion was premature for mid-week saw a return to arctic conditions far worse than had yet been experienced this year or for many, many years. Following a bitterly cold morning on Tuesday, snow began to fall shortly after mid-day and about 3 o'clock a strong north-east wind began to rise. In a short time a veritable blizzard was blowing. The streets and roofs were soon covered with snow, and traffic was forced to travel very slowly. About 8 o'clock the blizzard was blowing. Black or White?—Voting by ballot originally meant voting by little balls (termed ballots by the French) of different colours usually black and white. The voter could place his ballot in the ballot box in such a manner as to conceal his vote. A white ball signified assent to the question at issue, a black ball dissent. Hence the origin of the term "blackballed".

Waterford Hunt Point-to-Point Races.—The popular Waterford Hunt point-to-point meeting will be held this year on Thursday, 27th March, over the splendid course at Lisniskill, which provides a natural grandstand for the spectators and is a safe course for horses to get round. This year further improvements have been made on the course, notably the 'big double' which has been remodelled. The stakes are highly attractive, as the prize money for the four open races is to be £25 for each race. The Hunt race will again be run over a special course in which riders will have to pick their own line of country. Everything is being done to make this popular event a greater success than ever, and after such a severe winter it was never so welcome.

Replies to County Council Resolutions.—Re transport of passengers across the Youghal Bridge. A character with reference to your letter (C.S. 183) of the 15th inst. I desire to say that since June, 1940, arrangements have been made to increase the convenience by motor car of all passengers and their luggage across the Youghal Bridge to connect with the buses for the terminus on each side of the bridge, and in the time schedule an adequate time allowance has been made for this service. No complaints have been received previously from passengers in connection with the matter, and as a considerable number use this route regularly and avail of the facilities provided, it is difficult to understand that there was any general protest from the public. The facilities provided by the company to overcome the difficulty created by the bridge not being safe to permit of the through passage of our buses. For the benefit of those passengers who may not be aware of the transfer arrangements, and to remove any mis-
