ERIN'S OWN CLUB SUSPENSION

Mitigation of Sentence To Be Recommended

COUNTY BOARD DECISION.

The Chairman (Mr. K. Whelan) presided at a meeting of the Waterford G.A.A. County Board at Dungarvan last week. There was a relatively large attendance of members and delegates present.

The Secretary (Mr. D. Guid) told the meeting that he had received a letter from the Erin's Own Club which he proceeded to read (letter already published last week). The letter had been published in the Dungarvan papers.

Mr. O'Connor (County Board member)—Was it in the Waterford papers?

Mr. P. Fanning (County Board member)—It wasn't in the "Express" or the other papers.

The Secretary said he had also got a duplicate of the letter with a footnote asking him to give it publicity.

Mr. Creagh, N.T. (County Board member) asked who gave it to the Dungarvan papers?

The Chairman said that he had seen at a meeting in Dungarvan on Tuesday, 18th inst., and he got the letter from the Secretary. He gave the duplicate to Mr. "Fad" Brown and Mr. Brown gave it to the Dungarvan papers. Mr. Brown did not give the duplicate of the letter back in time to have it published in the Waterford papers. It would, he understood, be in the city papers this week.

Mr. Fanning said that the "Manster Express" and the "Standard" gave the original letter in full. A part of it was published in the "Star" and there was none published in the "News". After the Kilkenny match the Erin's Own Chairman gave an interview to the "News" reporter about the reasons the Erin's Own players did not play in that match, and that was published in the "Evening News".

Mr. Sean Ormonde, N.T. (Teas.)—Has this letter been handed up to the Waterford papers?

Chairman—Yes; so "Fad" Brown has informed me.

Mr. Ormonde—If it appears in the Waterford papers, will it meet with the conditions of the Munster Council? Will the Board be satisfied with it?

Mr. Creagh said that the letter of apology seemed to him to be a very genuine one and covered all the points. He approached this matter in the beginning with an open mind and he would say that the original letter was a bit "daff". He thought that they were making a mountain out of a molehill. He thought that they should close the business altogether now. He would ask Mr. Ormonde, who proposed the resolution, that at the last meeting, the terms of the letter complied with what he had in mind.

Mr. Ormonde said that to him it was a proper apology. If they were assured by the Chairman that the letter was handed in to the Waterford papers, and that it would appear in those papers this week, he (Mr. Ormonde) saw no reason why it should not be discussed. He would suggest that the Secretary be empowered to make recommendation to the Munster Council from that meeting, and that the sentence be mitigated.

Mr. Creagh—I saw the letter in the "Dungarvan Observer"; it was shown to me by a friend, and I wondered at not seeing it in the other papers.

Secretary—I gave the duplicate copy to the Chairman. As far as the Dungarvan papers are concerned, it is in them.

To Mr. Gallagher (Mount Eion), the Secretary said he got the letter on March 7th from Mr. Creagh.

Mr. Gallagher—If that is so, they had no intention of publishing it in the Waterford papers.

Mr. J. O'Dea (Dungarvan) asked if it should be published in every paper.

Mr. Gallagher—It was laid down that the letter of apology should get the same publicity as the original letter.

Chairman—I can tell you that it was given in too late last week for the Waterford papers, but it will be published this week.

Mr. Fanning—I am not doubting your word, but the Secretary says it has it since last Saturday week.

Secretary—I got the letter from Mr. Creagh. Last week the Chairman came to me, and as I saw that the conditions were not complied with, I gave him a copy of the letter to have it published. That's all I know about it.

Chairman—I gave the letter to "Fad" Brown, and he then sent it to get it published in the Dungarvan papers.

Mr. Creagh asked if the objection of the Munster Council was made known to the Erin's Own Club in writing.

The Secretary said that it was given to the Erin's Own representatives at the Munster Council meeting, the same as was given to the representatives from the Board.

Mr. Creagh—The Chairman has given us his word that it will be published.

Chairman—They did not know that it should be published; and when I brought it to the notice of "Fad" Brown he gave it to the Dungarvan papers, and it was then to be given to the Waterford papers. The letter did not arrive in time to have it published in the Waterford papers.

Mr. O'Connor (County Board) said that it seemed to him that one or two members of the club were trying to evade having it published. It was published in the Dungarvan papers, but that did not mean so much to the club concerned.

Mr. Creagh said the offence was committed last October, and since

then there could have been changes in the club and the thing could easily be forgotten.

Mr. Fanning—There were no changes.

Mr. Gallagher—It is the same club and the same chairman and secretary.

Mr. Creagh said Mr. O'Donoghue said at the last meeting that he was one of the victims concerned, and as far as the West was concerned this letter would apply to him and he should be satisfied. He (Mr. Creagh) was not, however, excusing them in the East. He thought that some of the members of the Board were out only for their pound of flesh.

Mr. Fanning—That's not a fair comment at all. I do say that the conditions should be complied with.

Mr. Creagh said it was unfair to be pursuing a small point like this. The Erin's Own Club had made a mistake—I wasn't a bit one.

Mr. Fanning asked if the members could say if any other club had published a letter bringing the County Board into disrepute. Was there any club on the field or in committee, in the considered opinion of the Board, that the County Board into disrepute?

Mr. O'Dea—In my opinion I say definitely yes. I can give a definite case.

Mr. Fanning—Do so.

At this stage Mr. K. Whelan (Strathely) said they should stick to the Erin's Own question and not be dragging in other things. The fact that the letter had not been published in the Waterford papers had given an assurance that it would be published in them.

Mr. O'Dea said that in his opinion it seemed very clear that no matter what Erin's Own would do, they were not going to be left back. "I am satisfied," he continued, "that an effort is being made to hound them out. I am satisfied of that. There was an occasion before when the County Board came into conflict with Erin's Own on the question of Johnny Fanning, and he took action, and as a result the County Board had to forfeit costs and a sum of money. I am certain that some members of the Board are out to hound the Erin's Own Club out of existence altogether. That's what I think."

Mr. Ormonde thought that they were staying from the point. They agreed at the last meeting, and Erin's Own complied with the conditions of the Munster Council, that the Board recommended them for reinstatement. If the letter was published in the Waterford papers this week it would settle the whole matter, and the Secretary could be asked to make recommendation to the Munster Council. He was sure that if the letter did appear they would be recommended for reinstatement.

Mr. O'Dea—I think the meeting should do that to-night.

Mr. O'Connor referred to the remark of Mr. O'Dea that members were trying to keep the Erin's Own Club out, and said that was wrong, and Mr. O'Dea should be asked to withdraw it. He was sure that if the members would like to have them back, but they had not complied with the conditions and they could not come back. They were asked to do that, and they hadn't done it.

Chairman—Let's go on my word that it will be done.

Mr. O'Dea—I'm not doubting your word at all, but I object to Mr. O'Dea saying that we are trying to keep them out.

The Secretary said that he had tried to do the best he could for the Association, and on and off the field. That was always his aim, and it would always be that. In his annual report he had made an appeal that they had a better spirit of co-operation in the county they would go much further in the Munster County Championships. This year they were expecting great things from their harkers. He believed that the letter would be published in the Waterford papers. He gave the letter to the Erin's Own representative because he felt that if he did not, they would have to wait for another meeting.

The Chairman appealed to the Board to accept the letter of apology. The year this happened was 1946, and it was gone now. In 1947 they were in the National League. They had discovered some young untalented players, and it was a pleasure to see them at Wexford.

Mr. Fanning—That was the one thing that came out of this sorry mess, the discovery of young players.

At this stage a remark by Mr. O'Dea that this was not the fault of the Selection Committee, was objected to.

THOMAS POWER & COMPANY

ST. JAMES'S GATE BREWERY, DUBLIN, 24th March, 1947.

Dear Sir or Madam—

Owing to the fuel crisis we much regret that, as from the 31st March, it will not be possible for us to supply you with more than your present weekly quota of Extra Stout and/or Porter, and, meanwhile, no arrears can be drawn. Furthermore, unless supplies of fuel become available we shall not be able to continue supplying you with even this reduced quota for more than a very short time.

When the fuel position improves we shall have pleasure in restoring your quota as far as possible. We are sorry to have to send you such bad news, but we feel sure you will realise that these fresh restrictions are caused by circumstances over which we have no control.

We are yours truly

ARTHUR GUINNESS, SON & CO., LTD.

Our customers are requested to note that, until further notice, supplies of Stout will be limited to 35 per cent of their average weekly purchases during the 12 months ended 30th September, 1946. Owing to stocks held at present, the rationing may not commence for another week, and customers should now send in their orders before we commence to ration supplies.

Late Miss A. McGrath

LEAMSBRIEN, KILROSSANY.

We regret to announce the death of Miss Alice McGrath, Leamsbrien, Killorossany, who was sister of Mr. Patrick (Paddy) McGrath, do., and aunt of Messrs. Patrick, Thomas and Michael Veale, do., Miss Mary Veale, do., and the Rev. Fr. Curtis, C.C., of the American Mission. The deceased lady had always enjoyed good health, and only became indisposed a short time previous to her demise. During her illness skilled medical men were brought to bear on her case but she passed away peacefully fully fortified by the rites of Mother Church. All during her life, the late Miss McGrath had been of a kind and generous disposition, which endeared her to all with whom she came into contact. She had many intimate friends, she was held in the highest esteem by reason of her many excellent qualities. She at all times proved herself to be a devoted and zealous member of the Catholic Church. Her home was the meeting place of the Genuis of Killorossany, who now sincerely sympathise with her nearest and dearest in their sad bereavement and in the extremely large and representative cortege accompanied the removal of the remains on Tuesday evening to St. Bridget's Parish Church, Killorossany, where the coffin was received and blessed by Very Rev. M. Hackett, P.P., do., who also said the prayers for the dead.

Requiem Mass for the happy repose of her soul was offered up on Wednesday morning, and the burial took place afterwards in the adjoining cemetery amid every manifestation of profound sorrow. The Rev. M. Hackett, P.P., pronounced the final Absolution at the graveside. Many Mass cards and messages of condolence were received.—R.I.P.

Increase in Urban Rates

5% OVER LAST YEAR.

A rate of 26/- in the £, an increase of 5% over last year, was adopted by the Dungarvan Urban Council, at the rate estimates meeting on last Friday night. The estimate submitted by the Manager was 26/-, Mr. Thomas McCarthy, Chairman, presided.

The estimated rates under the different headings, as submitted by the Manager were: Urban roads, 15,67d. in the £; health, 57,65d. in the £; housing, 27,93d. in the £; main roads, 28,54d. in the £; public assistance, 39,24d. in the £; Mental Hospital, 32,66d. in the £; health (county), 10,35d. in the £; general purposes (county), 26,67d. in the £; separate charges, 50d. in the £; and other urban purposes, 26,43d. in the £—a total of 316,000 in the £.

The Manager (Mr. S. J. Moynihan) read a prepared statement, which was at the end of the meeting supplied by him to a representative of another local paper, but was not given to the representative of the "Dungarvan Observer".

Senator J. Butler said that it was a big increase. In Dublin he thought it was 25/8, and he thought it had also gone up in the County Council, but the ratepayers in the county got certain benefits through the agricultural grant which brought the County Council rate down to a level scarcely last year's. In the urban area the ratepayers got no such benefits.

The Manager said they had to pay for the increased services and wages, and with a 1d. in the £ only providing £40, they had to have the increase.

To a query by Mr. Veale, the Clerk said that this year the rates were 26/-.

Mr. M. O'Meara (rate collector)—There is a change of basis this year; the poor rate and the town rate are included.

TOWN PLANNING.

Senator Butler referred to the £130 for town and regional planning, and asked what exactly that was for.

The Manager said that the Council had adopted the Act, and he thought it was a big improvement on the plan. He was asked to get in touch with the plan which was doing the town. He thought that the Council had a man appointed for the purpose, and he (the Manager) was thinking that they could get a touch with him. He thought it would be advisable to get a planning expert. The amount in the estimate was a token estimate. If the scheme went to go ahead with the plans for this year.

ADDITIONAL HOUSING SCHEME.

The Clerk told Senator Butler that a sum of £300 (loan charges) was included in respect of the Abbeyside scheme.

Senator Butler—I wonder if it could be left out, in view of what we heard at the beginning of the meeting. There will be no loan needed for this and October.

Mr. Veale—Couldn't the Manager get permission to raise the loan afterwards?

Manager—You will be only increasing the charges next year. You will have to push the scheme, and the Department before the transition fund will be run out.

Mr. Kyne—I think it is a good thing to budget for it and hope for the best.

Manager—You will have to make provision for it next year, you don't do it now, and it will be increasing the charges.

Senator Butler—I don't want to see the rate of 26/4 for the future, and the ratepayers. The loan charges will be getting higher with other schemes in the future.

To Senator Butler, the Clerk said the estimated amount for the Abbeyside scheme was £76,000, which would be raised by loan at 24 per cent for 50 years.

SCHOOL MEALS.

Replying to Senator Butler, the Clerk said that the increase in school meals was 2d. in the £.

Senator Butler asked if any effort would be made for voluntary contributions.

Manager—I think the Council agreed to put it on the rates.

Mr. Kyne said that he was one of the members who advocated putting the full amount on the rate. With voluntary subscriptions, and a certain section paid. Everybody should pay according to their means. They asked for increased services and they must pay for the cost.

Mr. Veale referred to the change of basis and said that in his opinion it made for an increase.

Manager—The town has not been revalued for a long time; if it were revalued the rates may go down. The increase, when compared to other towns, is just as high.

The Manager added that of the 5/4 increase the County Council demand (due to increases in public assistance, etc.) was 3/4, and the remaining 2/- increase was due to increased wages for the staff, services, etc.

Senator Butler—It's a frightening demand to make. In Dublin they are only paying 25/9 this year.

Mr. McGrath suggested that the amount of £1,000 for re-roofing the Town Hall be taken off. He thought that a good repair could be done in a year for £100. The roof was on the hall now about 75 years.

Mr. J. Ormonde (Acting B.S.) said the Manager agreed to take off £4,000 in the proposition of Mr. Kyne, seconded by Mr. Veale, a rate of 25/- for the coming year was adopted.

WAKE UP YOUR LIVER BILE

without Calomel - and you'll jump out of bed in the morning.

The liver should pour out two pints of bile daily, but if it does not, the bile is not flowing freely, your food does not digest, it just decays in your stomach. Your whole system is poisoned and you feel none of it.

Laxatives do a little, but a more beneficial medicine is needed. It takes these good old Carter's Little Liver Pills to get the bile flowing freely. You feel "up and up" up. Happiness, gaiety, and contentment in mind, and health in body. Carter's Little Liver Pills. Substantially 25 years on the market. 1/6.
