DUNGARVAN COURT

The Dunganvar District Court was held on Tuesday before Mr. E. O. Rain, D.J. ADJOURNED LARCENY CASE. In the adjourned case again James Whelan, Carrigrohane, for the alleged larceny of £10 Supt. O'Mahony said that the case had been adjourned for the defendant to pay the remainder of the money amounting to £1. The money had not yet been paid. Mr. P. J. Morrissey (Messrs. Farrell and Morrissey) said that the defendant had been seriously ill and asked that the case be adjourned to the next Court. Supt. O'Mahony said that his authorities were getting very impatient about the delay in this case. What he would suggest would be to make an order in the case. Justice—I could impose a suspensory sentence. Supt. O'Mahony—That was what I was going to suggest. The Justice imposed a suspensory sentence of one month, with hard labour, not to be enforced if he paid the £10 compensation within one month.

OCASIONAL LICENSES. Mr. T. C. Williams (Messrs. J. F. Williams and Son) was granted on behalf of Mr. P. L. Power, an occasional licence for the Town Hall on June 15th, it being the location of the Dunganvar Literary Club Dance. The hours are from 10.30 to 4 a.m.

WHOLESALE LICENSES. Wholesalers' beer licences were granted to Mr. P. L. Power, in respect of St. Brigid's Brewery, and to Mr. J. Keane, Priory Street, and the application was made by Mr. J. F. Kenny & Co., Ltd., Dunganvar, Co. Wick.

ROAD TRANSPORT ACT. Sumsions. Supt. O'Mahony charged Ed. O'Donnell, 21, Treacy Park, Carrigrohane, and Messrs. Jas. Walsh, Main Street, do., with alleged offences under the Road Transport Act. O'Donnell was charged, as alleged, on March 15th at Dunganvar, he drove a motor lorry, which was being used for the purposes of Merchandise Road Transport Act, 1933, to produce a copy of the merchandise licence in respect of such vehicle, contrary to Section 123 of the Act of 1934.

Messrs. James Walsh were charged as alleged, with using a lorry for the purposes of merchandise road transport without having affixed to the lorry in the prescribed place and manner a vehicle plate issued under the Road Transport Act, 1933. Mr. Binchy, Supt. Carrigrohane, said that on March 15, to see O'Donnell driving a lorry, IP 4310 which contained a large party of guests. He asked him for his licence and he hadn't it and did not know anything about it. The Road Transport plate was not affixed to the lorry. Mr. Binchy did not cross-examine. Submitting that no offence had been proved Mr. Binchy said in the case against Messrs. Walsh, they were being prosecuted for not having affixed to the lorry a vehicle plate issued under the Road Transport Act, 1933. Going on to quote Section 34 Mr. Binchy said in order to constitute an offence it should be shown that this particular vehicle was dually licensed under the Act. No evidence had been given that a licence had been issued for this particular lorry.

Justice—Any evidence has been given that Messrs. Walsh are the owners of the lorry. Supt. O'Mahony said he did not ask Guard Deasy that because it would be making the Act practically useless. Supt. O'Mahony said that he would have to see if higher authorities about the matter as to what further course could be taken. The Justice said he had no option but to hold with Mr. Binchy, although he agreed with Supt. O'Mahony that the case was just adjourned for three months to the next Court. On both sides, agreeing to an adjournment to the next Court, the Justice ruled accordingly.

ALLEGED MALICIOUS DAMAGE. In the adjourned case again Nicholas Beresford, Glendine, and Thomas Beresford, Castlequarter, for, as alleged, maliciously damaging property at the Model Farm, Carrigrohane, Supt. O'Mahony said that he understood that the defendants were to pay £5 towards the expenses of the case, but it had not been paid yet. That was what was understood from Inspector McGonigle, who had the case at the time. The Justice said there was no reference as far as he remembered to that the case was just adjourned for three months to the next Court. Supt. O'Mahony said that if he had been there he would not have agreed to an adjournment on that condition alone.

Mr. J. F. Kenney (who represented Nicholas Beresford) said that he would put it up to him about the expenses for the next Court. It wasn't his client's fault that it was adjourned on the first occasion; it was on the request of the State. The case was adjourned to the next Court.

CORPUS CHRISTI PROCESSION

The annual Corpus Christi procession was held in Dunganvar on last Sunday and was, as on previous occasions, a striking demonstration of the great veneration and devotion that the people of the town have for the Eucharistic King. Owing to the inclement weather that prevailed in the morning, it was feared that the procession would have to be abandoned, but shortly after midday there was an improvement in conditions which continued during the afternoon. As usual, the town was bedecked with flags and bunting, especially in the route of the procession, and wayside altars and shrines were erected at many points along the streets. In nearly every house along window sills, and pictures of the Sacred Host were exposed, tastefully surrounded by flowers and garlands, testifying to the profound religious fervour of the occupants. The Papal and National flags were prominently flown from practically every Catholic home in the town. The reserved shortage of flowers and shrubs was very noticeable, but householders, with the limited amount at their disposal, did their best to overcome this deficiency and the results did not show all the characteristic lavishness of other years. They were, however, practical and spontaneous manifestations of heartfelt thanks, inspired by deep-rooted Faith, to the Eucharistic King for the privileged moment when He would pass by their homes.

Punctually at 8 o'clock the procession moved off around the western part of the town to arrive at the Square at 9 o'clock. A temporary altar on which the Sacred Host was enthroned. The processionists were the priests and people of the parish and the Benediction service was sung. The supreme moment in this great manifestation of Faith was reached when Very Rev. T. Cannon, O'Brien, P.P., raised the Sacred Host over the kneeling people, whose heads were bent in silent adoration. As the Sacred Host was raised the royal Saluts was sounded by the buglers—Messrs. V. Walsh, J. Venie and J. Reegan. Dunganvar Brass and Reed bands accompanied the procession, and proceeded along the Main Street, through Church Street, and Bennett Terrace to the gates of the Parish Church. A second altar was erected at this point, on which the Blessed Sacrament was enthroned. As on the Square, the processionists again knelt before the altar and Benediction of the Blessed Sacrament was again imparted. The royal Salute was again sounded. The ceremony was then concluded by the singing of the "Faith of Our Fathers." During the course of the procession, hymns were sung by an augmented choir under the charge of Messrs. Boyle, organist, St. Mary's, and the musical accompaniments were played by the Dunganvar Organists and Reed band, under the direction of Mr. M. Clancy, U.D.C.

In the intervals between the hymns decades of the Rosary were recited by the clergy of the town and augmented choir under the direction of Mr. M. Clancy, U.D.C. The different sections in the procession. The Monstrance was carried by Very Rev. T. Cannon, O'Brien, P.P., assisted by Very Rev. D. De P. Brignone, Australia, and Rev. Fr. Mulcahy, U.S.A. Civic Guards, under Supt. P. O'Mahony, Dunganvar, formed a Guard of Honour.

CORRESPONDENCE WATERFORD'S GOLDEN OPPORTUNITY. Luck plays a much greater part in winning an All-Ireland crown than most people realise. For years back Dame Fortune has been often cruel to the wearers of the blue and white but this year she seems to smile on the hurriers of Portlaoise. All five champions hurling counties would appear to be in the same class and if there is any superiority in material it is Waterford's. However, Lady Fortune's smile and superior hurriers are not sufficient to win a Munster championship on an All-Ireland. Co. Wick and goodwill friends, and the moral support of all Gaa's of the county is another requisite. A spirit of determination to win must be created throughout the length and breadth of the county—from Waterford to Youghal, from the Connemara to the sea. We had such a spirit on June 29th. For this game Clare will likely seek Thurles as venue but Waterford's Munster Council Representatives would be well advised to seriously consider the County Athletic Grounds. Should the champions survive they would be glad to meet Portlaoise in Clonmel.

DENIS HESKIN'S SCHOOL DAYS. To the Editor, Dunganvar Observer. Sir—I saw in a Dublin paper lately a long rigmarole about the wallowing Mr. Hesklin got when he was a kid at school. It put me in mind of a Cashing case some while back. A young lad got a wallowing, and the father summoned the local Justice. The Justice asked the school Guard what he had to say about the case. "In my opinion said the Guard, 'the only clouts that did that monkey any harm were the ones that mised him.' " "SPARE THE ROD."

CRUX ABOUT MATCH. An unusual situation arose about a football championship match fixed for Clashmore on Thursday 6th last week (Catholic Holiday). The local club had an arrangement posted for the game which the posters advertised would commence at 4 p.m. The Clashmore team put in an appearance at the appointed time but their opponents failed to turn out. At 7 p.m. the Droimore team arrived but only some of the opposite side arrived and no match was played. It appears that the crux occurred owing to a misunderstanding and it is expected that the game will be played at a later date. The Clashmore club were put to considerable inconvenience owing to the occurrence.

A general parade of Clashmore F.C.A. will be held on tonight (Friday) at 8 o'clock. All members are instructed to attend. TRIBUTE TO CLASHMORE PRIEST. On the occasion of his recent trip to visit the Clashmore Mission, the Bishop, paid a striking tribute to Rev. Fr. D. Slattery, C.C. He said that he had followed very closely Fr. Slattery's great work for athletics and Gaelic games. He expected that when Fr. Slattery's able and experienced guidance and direction the young men of the parish would come to the forefront in all games requiring physical prowess.

A meeting of the Youghal No. 2 (Rural) Old Age Pensioners' sub-committee was held at Clashmore. Mr. R. J. Rasse, (Chairman) presided and the members present were Messrs. W. Dwyer, M.C.C.; M. Kelly; T. Baggot; J. Power; C. Curran and M. J. Power. The minutes of the previous meeting were read and signed. A big number of claims were dealt with by Mr. Rasse from Ardmore, Clashmore, Grange and Ballycarane areas. With the exception of one, all the applications were allowed a weekly pension of 10/- per week. One claim was adjourned to the next meeting.

AGLISH MATCH. All roads lead to Aghlish on Sunday next for the long and eagerly awaited clash between Finisk Hovers and Aghlish in the first round of the West Waterford J.F. Championship. This promises to be one of the best games of the year as both teams are composed of victory and have trained hard for the contest. The local club can be relied upon to have all arrangements perfect.

AGLISH MATCH. The annual Quarant-Ore Devotions will commence in Clashmore Parish church on Sunday next after last night. The priests and people of the parish will combine to make it a great demonstration of loyalty to the faith and devotion to the Blessed Sacrament. The devotion will conclude on Tuesday morning.

ARMOIRE. With the advent of summer this popular seaside resort has already a big number of holiday-makers. The holiday season in Clashmore is well advanced. The local bill commenced on Sunday night last and will continue for the summer months.

AGLISH AT AGLISH. At Aghlish venue on Sunday last Clashmore met St. Patrick's in the West Waterford J.F. Championship. Following a mediocre game, St. Patrick's emerged winners by a substantial margin. Mr. D. O'Sullivan was a capable referee. The winners proved to be a very useful combination and they showed a good amount of themselves in 45 minutes. The clash was played in a clean, sporting manner and the local club and all arrangements perfect as usual.

HOMEWARD BOUND. Rev. Fr. James Foley, of the Mayo South Missionary Fathers and a native of Clashmore, is at present homebound from Burma, where he has laboured with zeal for the past few years. He is accompanied by Rev. Fr. McGovern, who is well known to Clashmore, and three other Fathers. Last week they reached Limerick on the first stage of their long journey. During the war Fr. Foley was in Japanese occupied territory and suffered severe hardships. He was on Monday when it was occupied by the Americans, who treated the priests with the greatest kindness.

CLASHMORE PRIEST. Rev. Fr. James Ward is at present spending a holiday in his native Clashmore. During the war Fr. Ward was in the Army Chaplain, was a prisoner of war in Japanese hands in Singapore. His many friends are pleased to see him in excellent health.

GRAINSE FEES. George Fitz was held on Sunday last. Despite inclement weather there was a good attendance. There were good entries for the different courses and the standard was high. Mr. Sean Alvan, Trearalthe, Ballycarane, is a capable and impressive address, made a strong plea for the revival of the Irish language. ON THE LAND. Crops are fair well and good yields are assured. Despite a late start crops are well advanced, due to the well-known efforts of the farmers and their workers.

NOTICE TO PERSONS CUTTING TURF.

Turf Wanted. APPEAL.

THE Waterford County Council is prepared to purchase well-saved Turf of good quality from all persons in the County who have a surplus to dispose of. The Council will arrange to take delivery at the Bogs, and will pay a remunerative price for turf accepted.

In view of the very grave shortage of every kind of fuel and the need to build up an adequate stock for the coming winter, the Council appeals to all persons engaged in producing turf for their own use to cut an extra quantity over and above their own requirements for sale to the County Council.

By responding to this appeal, producers of turf can help to alleviate the distress among all classes of the community, but especially among the poor, which will inevitably result from any shortage of fuel next winter.

Particulars as to quantities which can be offered should be sent to the County Engineer, Davitt's Quay, Duncarvan.

DAIL DEBATE.

DEPUTY REDMOND SPEAKS ON HOUSING SCARCITY

AND NECESSITY FOR RE-BUILDING YOUGHALL BRIDGE.

Speaking in the debate in the Dail on the Local Government Estimates on June 3rd, Mrs. Redmond, T.D., said—I wish to make a few remarks on the Estimate, principally about the housing situation. I fully appreciate all that the Minister and the Government have done for the housing of the poorer classes and the middle-class people in the last few years. I fully realise the difficulties they encountered owing to the shortage of materials as a result of the war. Now that the war has passed, we hope that things will be speeded up as much as possible. I am sure the Minister realises the necessity for having these various housing schemes speeded up. All of us in our constituencies are—I should not say pestered, but it just describes what we are up against, by various people of all kinds asking us to get them a house. They are all genuine cases, in their own way and something should be done to have these people saved from the suffering they are undergoing at present. In Waterford City at present there are cases of eight in a family living in two rooms. In the year 1947 that is not what any of us would wish. I am sure the Minister realises the situation as well as I do. I would ask him, however, to have the schemes that he has in mind speeded up as much as possible. Apart from the necessity for houses in the cities, we have the problem of housing in the country districts. Emigration has been taking place at a terrific rate during the past few years. There are many reasons for that but perhaps not one of the least is the shortage of houses. Many of the married people who have no hope of getting a decent house to live in. The best thing that they can see for themselves is to get out to another country where they may possibly get a good house and may get a good wage. At least they have a better prospect there than they have here. Something requires to be done speedily in that direction so far as the rural districts are concerned. The farm workers should be given every encouragement to stay on the land and the best way to do that is to provide them with decent homes to which they can go back at the end of their day's work. Many of these young men have left the country because they had not a proper house to which to bring a wife. We are told that a vast amount of money is to be spent on the main roads and I welcome that. At the same time there are many parts of the country that have been neglected. People seem to think they have been forgotten so far as certain roads and bridges are concerned. I should like to mention particularly the bridge at Youghall with which I am sure the Minister is conversant. The people there feel that their wants and necessities have been neglected and that something should be done by the Minister to have this new bridge provided. They feel that the money of spending a lot of money on the improvement of roads that people could carry on with for a number of years, as they themselves have had to do for about eight years, some money should be allocated for the carrying out of this essential work. They feel that business is being lost and that most of the traffic has been diverted to other towns. Now that we have this money in the road fund their requirements should not be forgotten so far as this bridge is concerned. I am sure the Minister will hold out some hope to these people when he is replying to this debate.

TEA

NOTICE TO WHOLESALERS AND RETAILERS.

The Minister for Industry and Commerce announces that he has made an Order in relation to the wholesale distribution of tea, which abolishes the present system of registration of wholesalers as from the 1st July, 1947, and provides that from that date no person may sell tea by wholesale unless he is the holder of a licence or permit issued under the Order. Applications for licences are invited from persons or firms carrying on from premises within the State, on their own account, the business of tea wholesalers, within the generally accepted sense of the term, e.g., the opening, blending, packing and selling of tea for resale. Where there is any doubt as to the applicant's qualification for a licence, the Minister may grant a permit enabling the trader concerned to sell tea by wholesale during a limited period or until such date as the Minister is satisfied with the applicant's qualification. Licence application forms may be obtained from The Department of Industry and Commerce, Griffith Barracks, Dublin.

The Minister further announces that he has completed arrangements for the future supply of tea to wholesale and retail traders who hitherto received quotas of tea direct from external firms. Any trader concerned who has not yet been in communication with the Department of Industry and Commerce in the matter should immediately furnish full particulars of his case to that Department at Griffith Barracks, Dublin.

JOHN LEYDON, Secretary. Department of Industry and Commerce, Dublin. 7th June, 1947.

SUGAR RATIONING

NOTICE TO DOMESTIC CONSUMERS, WHOLESALERS AND RETAILERS.

The permits in question are letter "P.P.", "S.B.G.", "R.B.", "R.S.", and "W.P."

KILMATHOMAS NOTES

Processions.—The beautiful ceremonies of the Forty Hours' Adoration, conducted at the Parish Church of the Exaltation of the Holy Cross, Stradbally, were brought to a fitting close on Sunday last, when the annual procession of the Blessed Sacrament was held, in which those who took part included the school children, altar boys, children of Mary, members of the Church choir, and of the Men's and Women's Guilds of the Sacred Heart Sodality. The route was the same as on former occasions. Very Rev. E. English, P.P., who was attended by Rev. T. Draper, C.C., carried the Monstrance. Appropriate hymns were prayerfully rendered by the processionalists as they proceeded. With stately step and slow' along the route, and with the entire body arrived back at the sacred edifice, Benediction was given by the esteemed pastor, who can feel justly proud of his parishioners, as their Catholic fervour ran to very great heights, as exemplified by the fervour and decorum with which the function was carried through to the beginning to end. The faithful of the united parishes of Newtown (centred on the town of Kilmathomas) and Kill held their annual Corpus Eucharistic procession through the village of Newtown on Sunday evening, in which young and old took part in striking dimensions. The route traversed was profusely decorated with flags and bunting, and every house had its own altar or sacred picture on view. The entire decorative effect must have taken a fund of religious enthusiasm and human energy to accomplish, and it certainly manifested the manner in which the villagers had co-operated with their respected parish priest, Very Rev. H. Smyth, B.A., who, assisted by Fr. James Hay, C.C., carried the Monstrance and imparted Solemn Benediction from a specially-erected altar. At 7 o'clock the great procession, headed by crossbearers and acolytes, moved off slowly from the parish church, and from the purely religious standpoint it was a magnificent spectacle, inspiring and in the extreme. Little girls, arrayed in wreaths and veils, strewn flower petals before the Blessed Sacrament, the Rosary was recited, and hymns were sung all along the pathway of the God of Hosts. At the conclusion of the Benediction at the picture on view, the processionalists returned to the parish church, where the final Benediction was imparted. The various groups were in charge of their spiritual directors and prefects and members of the marshalling arrangements, and all concerned to be complimentary. Requisite.—At both the 8.30 and 11 o'clock Masses in St. Anne's Church, Ballynane, always ran in top class in England, and was holder of 2 track records. She was one of the finest brood bitches ever imported to this country. During his brief career on the track, 'O'Connell Street King' registered wins out of 7 outings, and has been retired to stud, due to accident sustained on coursing field. Fee to approved Bitches, 12 Guineas. APPLY—L. MORRISSEY, 88, O'Connell Street, Dunganarvan.

CAPPOQUIN NOTES

FIRST ANNUAL CORPUS CHRISTI PROCESSION.

The spirit of Faith was truly manifested at Cappoquin on Sunday last when, in honour of the Blessed Sacrament, many hundreds of its parishioners, with its priests, walked in the first annual public procession through the principal streets of the town. There was no mistaking their fervour and enthusiasm in their desire to make this sacred occasion a worthy and fitting tribute of homage and love to the Redeemer mankind. No effort had been spared to make it a most impressive and inspiring event and that magnificent object was truly accomplished. The decorations along the processional route were extremely beautiful. Every house in the town carried not alone exterior and interior displays of floral tributes and flags, but the streets were spanned with thousands of scrolls, bunting and evergreen archways. Despite very high winds and rain, the procession commenced at 3 p.m. was favoured with brilliant sunshine. The route commenced at the principal streets of the town and the processionalists marching three deep, were headed by Cross-bearers, Stochans and altar boys. Groups participating were—the school children of the primary and secondary schools; the women's branch of the Sacred Heart Confraternity; the Sodality of the Children of Mary; the singing members of the Children of Mary and the Women's Confraternity; the Boy's Brass and Reed Band; the Church Choir; the Men's Confraternity; The Sacred Hosts were borne by Very Rev. P. F. McGrath, P.P., under a canopy borne by Messrs. J. Flanagan, M. Sweeney, S. Green and M. Walsh, a guard of honour was afforded by the Garda Síochána. During the procession hymns were sung, sacred music played by the band and decorated of the Rosary recited alternately, and the great fervour and orderly demeanour displayed by all those taking part, coupled with the quiet efficiency and guidance of the marshals and stewards was most edifying. The Procession proceeded to the Convent of Mercy Grammar School where Solemn Benediction was given by Rev. Fr. McGrath, P.P., assisted by Rev. Fr. Dunphy, C.C., the Mass for the occasion. At the conclusion of the Host, the Royal Salute was sounded. Benediction ended with the singing of 'Patris Pater' with great fervour brought to a close Corpus Christi celebrations in Cappoquin.

DEATH OF MRS. ALICE PRENDERGAST

It is with feelings of the very deepest regret we record the death of Mrs. Alice Prendergast, which occurred at her residence, Boneroyes, Cappoquin, on Tuesday, June 10th inst., after a rather prolonged illness and at a ripe old age. Deceased was one of the most and most respected members of the community, and belonged to a well-known family. Always held in the highest esteem, she was the late Prendergast had endeared herself to all who had the very great pleasure of knowing her throughout her long and honoured life, and her passing which severs yet another link in the chain of that grand type of Irish woman is deeply and adversely regretted. Her absence shall create a void which can never be filled. To her sons, Rev. Fr. Prendergast, sub-deacon, Messrs. Patrick and Sean Prendergast; her daughter, Mrs. Bowskill, and other relatives, we extend our very deepest sympathy. On Friday morning, Solemn Requiem Mass was offered for the repose of her soul and the interment took place to St. Declan's Cemetery the same afternoon, followed by a very large and representative cortege. Rev. Fr. McGrath, P.P., assisted by Rev. Fr. Dunphy, C.C., officiated at the grave. The chief mourners were Rev. Fr. Prendergast, D.D., at present home on holiday from St. Australia; Patrick, Sean, William and Gerard (sons); Mrs. Mary Bowskill (daughter); Mrs. Gertie Lynch, Ballymore; Mrs. Nora W. Mrs. Grantstown (grand-daughters); Mr. Robert Downey Woodhouse (son-in-law); Mr. M. Prendergast (grandson); Mrs. Margaret Prendergast (daughter-in-law); Mr. Ernest Bowskill (son-in-law); Messrs. WATCH OUT FOR MONSTER GYMKHANA AT CLONASE POWER ON Sunday, July 6th, '47.

FULL DETAILS LATER. ED. KENNEDY (Sec.), Rathgormack, Carrick-on-Suir.

Ballyduff, Knockanore and Moorehill News.

Successful Gymkhana.—On Sunday last a very successful gymkhana under the joint auspices of the Ballyduff Hunt Club and the Moorehill Race Committee was held at the Moorehill Show Grounds and attracted a large attendance, despite rather inclement weather conditions, especially in the afternoon. During the day various competitions the weather held up well and a very interesting and enjoyable evening was spent by all. The various events were keenly contested, and at the close very few points divided the winners and runners-up. The efficient hon. sec., Messrs. Finn and Daly, are to be congratulated on the success of their efforts as it was mainly due to those two hard-working officials that everything worked out with such clock-like regularity. At night a very enjoyable dance was held at the Happydrome, Lisamore, and was filled to capacity. Delightful music was supplied by John McMahon and his dance band, Limerick.

Camogie Club Revived.—Camogie enthusiasts all over West Waterford were delighted to hear of the re-organisation of St. Michael's Camogie Club and its participation in this year's championship. With the past few seasons the wearers of the Blue and White have taken a prominent part in the championships, but have experienced very hard luck, their legions of supporters extend a hearty "God Bless" to St. Michael's and wish them a very successful season.

The Match of the Season.—On Sunday next the most talked of match this season, Ballyduff and Tallow, in the first round of the Junior Hurling Championship, is down for decision, and all Gaelic is agog with excitement as to the result. Last year the boys from St. Michael's village lost by the smallest of margins in a replayed Western final, but this year they hope to go one better, in meeting the representatives of the Brides Valley who are encountering worthy foemen, but the wearers of the Red and White are nothing daunted and will not hear of defeat. Here's wishing them the best of luck and may the best team win.

Procession at Knockanore.—On the evening of Corpus Christi a procession in honour of the Most Blessed Sacrament was held at Knockanore and was attended by large crowds from all the surrounding districts. Owing to weather conditions the procession, it was feared the procession would have to be postponed, but before the time scheduled to start the skies brightened and not a drop fell during the procession. Punctually at 6 p.m. the procession moved off from the church grounds, headed by cross-bearer and altar boys, followed by the members of the Men's and Women's Branches of the Sacred Heart Confraternities, the Children of Mary, the school children, cross-bearers and Sacred Host, borne by Rev. Fr. Power, P.P. The procession proceeded to Knockanore Cross where it turned round and wended back to the grounds of the National School, where Benediction of the Most Blessed Sacrament was given at a temporary erected altar, which was artistically decorated. The scene presented at the elevation of the Sacred Host was most edifying, when the large assembly with bowed heads knelt in humble adoration of their King and Master. After Benediction the procession reformed and returned to the church where a touching sermon on the Blessed Sacrament was preached by Rev. Fr. Sweeney, C.M. The ceremonies concluded with Benediction of the Most Blessed Sacrament. During the procession the large crowds participating was splendidly marshalled by members of the Men's Confraternity and excellent order was maintained throughout. Along the route of the procession were flags, flowers and evergreens. Hymns for Benediction and during the procession were rendered in a very devotional and inspiring manner by the members of the Parish Choir under Miss M. Montayne.

Congratulations.—Mr. J. J. Connors, Ballyphilip, Knockanore, has been the recipient of hearty congratulations on his success at Sunday's gymkhana, where his horse won the open trotting competition from all comers. His legions of friends join in congratulating him and wishing him further successes before the close of the season.

Mission Classes.—On Sunday night last the week's mission conducted by the Vincentian Fathers was brought to a close at Knockanore Church. In his closing sermon Rev. Fr. Sweeney, C.M., asked the faithful to remain faithful to the good resolutions of the mission and to avoid temptation. The Rev. Father concluded by congratulating them on the way they attended the mission. The ceremonies concluded with the renewal of the Baptismal Vows and Benediction of the Most Blessed Sacrament.

St. Patrick's for Next Round.—In the opening round of the West Waterford Junior Hurling Championship, St. Patrick's defeated Clashmore at Aglish on Sunday last after a rather one-sided game. Except for the opening five minutes Clashmore were never in the picture, and the visitors won pulling up. The Aglish Gaels are to be congratulated on the excellent arrangements, while Mr. Dec. Sullivan as referee was both capable and efficient. The winners meet St. David's in the next round. St. Patrick's—D. Kearney (capt.); P. Abnerne, T. Moloney, P. Moloney, P. Kelly, J. Neville, M. Neville, M. Cobhan, T. Roche, J. Murray, W. Murphy, J. McGrath, J. Hallinan, B. Hallinan and M. O'Brien.

Sunday Next.—On Sunday next the long-awaited Minor Hurling Championship tie between Eire Oge (Lisamore) and John Mitchels (Knockanore) will be decided at the Lisamore venue. Both clubs have formidable line-ups, and although Eire Oge are favourites, John Mitchels will make them fight every minute of the hour. In the Eire Oge camp confidence is high, and they are confident of winning out the division as well, but down Knockanore way Jim Mara and Co. think otherwise. One thing is certain, whoever wins or loses a great game is in store.

TALLOW NEWS

CORPUS CHRISTI PROCESSION.

Notwithstanding the fact that normally high winds, prevailing and which at times blew with gale force, the annual Eucharistic Procession took place in brilliant sunshine at Tallow on Sunday afternoon. The route, over a mile long, was lavishly decorated with flags, bunting, streamers, flowers and other manifestations of honour and welcome to the King of Kings. The route comprised the four principal streets of the town and the processionists marched four deep, numbering over 1,400, men, women and children (the latter in charge of their teachers), alternately praying and singing hymns in honour of Him who was blessing His blessing on the parishioners and to whom they paid homage on the square at the beautiful altar of white and gold (the work of local craftsmen). The procession, headed by Cross-bearer and Altar-boys, moved off from the precincts of the Carmelite Convent Grounds, at four o'clock, the Sacred Host being borne in a beautiful solid gold monstrance by Very Rev. Fr. Hearne, P.P., under canopy borne by members of the Confraternity, St. Vincent de Paul Society, G.A.A. and Gardai, alternately. On reaching the Square, Benediction of the Most Blessed Sacrament was given and an Act of Consecration was recited and at its close the Procession proceeded to the Church where Benediction of the Most Holy Sacrament was again imparted. The exercises en route were conducted by Rev. Fr. Condon, C.C., assisted by Rev. Fr. Clancy. The choir which acquitted itself in highly efficient manner was led by Mr. F. Ryan (local tenor) who at the organ was Mr. M. Beecher, conductor of the choir.

SPORTS SUCCESSSES.

At Midweek Show on last Wednesday week the following local owners while not securing any of the major prizes in their classes received next best results. In the horse class Mr. D. Dooley's (Pimont) Bay was very highly commended by the judges and in the broadmaple section, Mr. N. Condon's (Tallow) Symphonie was reserved. The latter also was awarded a Royal Dublin Society's Premium. Mr. W. Dineen's (Ballyone) "Red" Vixen and Mr. James Moroney's (Conna) "Monksdown Lass" were awarded similar recognition.

Nuptial Mass.—The marriage, with Nuptial Mass was solemnized recently at the Church of the Immaculate Conception, Tallow, of Mr. James J. Caffrey, and Miss Mary G. O'Donnell, only daughter of Mr. and Mrs. E. O'Donnell, Glencarrig, near Very Rev. Fr. Sweeney, P.P., officiated. The bride, who was given away by her father, was attended by Miss Margaret Lombard and Miss E. Dooley. Mr. Joseph O'Donoghue, Glencarrig, was best man. Following the ceremony the bride and groom, accompanied by the bridesmaids and other relatives, were recipients of many wedding gifts and telegrams and other messages of congratulation.

Obituary.—The announcement of the death of Mr. Timothy O'Shea (formerly of Ballyhamlet, Tallow) which occurred recently at his brother's residence, Greenmount House, Tomvara, Co. Tipperary, occasioned widespread expressions of regret and to his circle and other relatives the sincere sympathy of their many Tallow friends is extended. The funeral took place from Grennmount Parish Church following the celebration of Requiem Mass for the repose of deceased's soul to Killings, where the Requiem was celebrated in the presence of a large and representative concourse of mourners and the general public.—R.I.P.

Dancing.—The weekly social on Wednesday night held at the Regent Ballroom are receiving a full measure of support from all the surrounding districts and much pleasurable enjoyment is provided by the promoters in pleasant surroundings.

Sympathy.—On behalf of their many Tallow friends, deepest sympathy is extended to the members and relatives of the family of the late Mr. Patrick Goddard, whose regretted demise took place recently at his son's residence at Ballymore, Tallow.—R.I.P.

Athletics.—It affords us much pleasure to record the further success of Mr. Sydney Frazier, a popular member of the local Athletic Club which he registered at the recent sports meeting at Carrigrohilly, where he won the open High Jump by clearing 5 feet 8 ins, his nearest competitor being Mr. G. Murray, U.C.C., who topped the bar at 5 ft. 8 ins.

WAKE UP YOUR LIVER BILE

without delay—And you'll jump out of bed in the morning full of vim and vigor. The liver should pour out one pint of bile into the bowels every day. If it does not, you are slow, you are sluggish, you are unwell. You get constipated. Your whole system is out of gear. You feel tired and the world looks gray. Laxatives don't help, but a more powerful movement doesn't get the cause. It takes these two points of bile having freely and made it up to you. It is the only way to get the machine to make bile flow freely. At the Carrigan Linn, 1/6. Sundry 1/6. Sundry 1/6.

DUNGARVAN URBAN COUNCIL

Mr. L. A. Veale, vice-chairman, presided at the meeting of the Dungarvan Urban District Council on Friday night. Also present—Messrs. K. Kelly, N. Kelly and E. Drilghe, clerk.

Arising from the minutes, Mr. Kelly said that in connection with the Western Terrace houses and Mr. Kelly attended on the Manager and put the case before him and the result he did not know. Mr. Kelly requested to the Manager that only tradesmen in the town be employed in the town, and asked if an order had been made.

Town Clerk—I sent a copy of the minutes to the Manager.

Mr. Kelly—And he choose to ignore it as other things have been ignored. I hold that if a request is made to the Manager he should at least answer one way or the other. He is damn well paid for it. I would like the Clerk to convey my feelings—and the other members, too—to him. If he doesn't know, let him say so. It is a paid official, and this ignoring of the Council is getting beyond all hope of tolerance. The only thing I will do if it goes on is to resign as an individual and let the Manager run the Council himself.

The Chairman agreed and said that it should have been at least answered.

Mr. Kelly—Certainly the Manager should answer it. We are not coming here for fun. I travelled from Waterford to get to this meeting tonight and then the Manager does not even think it worth his while to answer this. If this is democracy under the present Government, give me Hitler every time.

CONDITION OF HOUSES.—Arising from the Manager's orders, the Chairman said he was glad to see that something was being done for some houses but there should be some order made also to some of the houses in Shandon. Some of the houses there were in a disgraceful condition and the Council were doing nothing for them. The landlords were collecting the rents from them and if they were not prepared to put them in a sanitary condition they should be asked not to collect the rents. He thought that there should be a general report from the S.O. on the condition of all houses in Shandon street.

Mr. Kelly said that he felt that the Shandon houses were not any more exclusive than the South Terrace houses. He felt that they were very much inferior. They had made complaints about houses and there had been no reports made. He made one house in Shandon were disgraceful. The Chairman said he had been looking at them. He had made one house in Shandon were disgraceful. S.O. and had asked him to make a report on them.

WAGES.—Replying to a question by Mr. Kelly, the Clerk stated that the increase in wages to Council workers.

Mr. Kelly said he understood that certain men did not get the full increase. It was suggested that the dustman or the collector of garbage, if they liked to call him—did not get his back money.

The Clerk said that the original order was that the wages of the men getting £2 14s. was to be increased to £3; the others had yet to be covered by an order.

Mr. Kelly—I hope the Manager will make the order. Four or five shillings increase may not be much to the men, but to the workers and to me it is. I would like to suggest to the Manager that if the order is not forthcoming he may not have a dustman. The point is that the acting Borough Surveyor is getting an increase and he does not attend the meetings. I will not be a party to any increase until he does attend them.

Clerk—The Manager has put them before the Council and it is up to you to agree to them.

tubercular. I say that two out of every three animals killed are tubercular, and the people of the town are eating it. I am prepared to prove it if necessary.

Mr. Kelly—An Englishman said it to me this evening and he said it in public. He said that he did not like the look of the cattle in this area.

Mr. Kelly said he would produce people to whom were sold tubercular parts of cattle in Dungarvan. It only came to his knowledge within the past two weeks. They were going to stop in Dungarvan, and he was prepared to produce proof of this if the people who gave him the information would stand up behind him. If it was the Veterinary Inspector's duty to be present, it should be.

CRITICISM OF OFFICIALS.—Mr. Kelly asked if the S.O. had made any report in connection with No. 4 Park Terrace.

Clerk—No. Mr. Kelly said he reported it to him on June 12, the Acting Borough Surveyor, and also to Mr. Walsh's house. He (Mr. Kelly) would like to know if the people in Park Terrace were not as much affected as Mr. Walsh's services as anyone else. He suggested that this resin as well as some others there were without water for three months and had no sanitation. Nobody seemed to care damn about it. He suggested that there was no control over the officials at all. "Unless we get service from the officials," said Mr. Kelly. "We will withdraw from the Council; that party which we have the honour to represent resign, and let the Manager run the Council himself. I have no objection at all."

Mr. Kelly—And let the people suffer in their own juice by the Government they put in.

The Clerk said that as temporary measure it was proposed to clean the main and if necessary limit the supply of water to the swimming pool.

Mr. Kelly—If the service is wrong it is the responsibility of the landlords, but I suggest that some landlords seem to be immune. I reported this 12 months ago and if I had not brought it up to-night it would be another 12 months before anything would be done. I suggest that the order was made only because I am a member of the Council. I am not blaming the Clerk at all. I suggest there is too much overlapping of red tape. In the old days when Mr. McGrath was paid a pittance, he did his work.

Chairman—I think it is a year ago when a definite promise was made to the Clerk that the tenders are being invited for the work.

ABBEYSIDE HOUSING SCHEME.—In reply to Mr. Kelly, the Clerk said that the housing scheme was in the hands of the Acting Borough Surveyor at the meetings, so that they could discuss these schemes. They were being done by the members knew nothing about them.

The Clerk said that he had looked up the file and he had made the specifications were being printed and as soon as they get them they would be able to go on.

Mr. Kelly—I know that the Acting Borough Surveyor had his way we would be going on with them now. It's clear now that we will not be getting them this before the next General Election.

Chairman—I was inquiring from the Acting Borough Surveyor last week about the scheme for the improvement of the housing scheme.

Mr. Kelly—Apparently the Abbeyside people will get them three or four months before the next General Election.

Chairman—I was inquiring from the Acting Borough Surveyor last week about the scheme for the improvement of the housing scheme.

In one month otherwise it would lapse. Mr. Kelly said that as a member of the Party to which the late Deputy Morrissey belonged, he appreciated very much Mr. Kelly's and the Chairman's action.

Mr. Kelly—The proposition of Mr. Kelly, seconded by Mr. Kelly, Mr. Michael Walsh, Emmet Terrace, was co-opted to fill the vacancy.

REFUND REQUEST.—The Chairman referred to the refusal by the Manager to refund a portion of the letting money of the Glue and Gelatine Dance Committee in respect of a dance at the Town Hall on May 15th, and said that there were exceptional circumstances in this case and thought that they should get a refund.

Mr. Kelly said it wasn't fair. The Manager like this run by workers should get a fair deal. He would ask the Clerk to ask the Manager to reconsider his decision.

Mr. Kelly said that due to certain circumstances on this night in the town they were unable to carry on with the arrangements. He would like to know if the people in Park Terrace were not as much affected as Mr. Walsh's services as anyone else. He suggested that this resin as well as some others there were without water for three months and had no sanitation. Nobody seemed to care damn about it. He suggested that there was no control over the officials at all. "Unless we get service from the officials," said Mr. Kelly. "We will withdraw from the Council; that party which we have the honour to represent resign, and let the Manager run the Council himself. I have no objection at all."

Mr. Kelly—And let the people suffer in their own juice by the Government they put in.

SEEDS FOR PLOTHOLDERS.—Replying to Mr. Kelly regarding seeds for the Department noted that there was no date fixed for that; it wasn't the usual thing. The last order was given on the 26th May. Mr. Kelly said he was told that one plotholder only got his seed last week.

The Clerk said that he saw the contractor, who was getting the seed from Athone, and there had been some train delay over the delivery of the seeds in Shandon street.

Mr. Kelly asked what was the good of giving seed to a man in June. Was public money so cheap that it could be used like that?

UNEMPLOYMENT SCHEME.—Replying to a question by Mr. Kelly regarding the Council of an unemployment grant of £800.

The Chairman said that last year the grant was £1,200. The Department notified the Council of an unemployment grant of £800.

the dredger. Things were getting worse and worse in the Council. The Harbour Master said he had been in the County Council Offices about the dredger and Mr. Ormond had told him he had tried every source to get one but could not. Mr. Kelly—The point is that if we want to get any information we must drag it out. If this continues, as far as I am concerned, I will not attend any further meetings. If we do not get information when we want it I suggest that the members of my particular Party absent themselves altogether from the Council and let there be a complete dictatorship there. Chairman—There was also the question of having a public laboratory and nothing was done about it. It's up to you coming here at all.

Junior Football at Ach match between Killoshinnisk Rovers at Aglish on Sunday will attract a great crowd of spectators from both sides. It is a pity in securing a venue game has made it develop "needle" affairs. Both sides out for a win, with Killoshinnisk favourites. The Rovers hold more prove that those who make so were all wrong. I hear the hope to have the services of Power, of Sliaibh gCua back. The match is at 4 p.m. Paddy Moloney of Aglish referee. Paddy will know deal with players who forget the game as it should be played.

At Lismore.—A double feature for spectators value for their Lismore. John Mitchels' team meet Eire Oge at 7 p.m., and the long awaited Tallow and Ballyduff place at 9.15 p.m. The standard is expected in both and in the junior game a result is expected. Tallow fielding a large number of hurlers, and Ballyduff—by many the hard-luck team will be holding almost the same standard. The match will be held at 4.15 p.m. Hurling referee, P. Cunningham will referee in the minor game. Eire will meet Eire Oge at 7 p.m. Old Parish football match starts at 4 p.m. Sunday at Dungarvan.—The meeting of the Old Parish football match at Dungarvan on Sunday will be a very interesting one. CONFIRMATION AT CLASHMORE

ADDRESS BY BISHOP OF WATERFORD. His Lordship the Bishop of Waterford and Lismore (Most Rev. Dr. D. Cahalan, D.D.) paid his biennial episcopal visit to the combined parishes of Clashmore and Piltown...

Dr. Cahalan was received by a guard of honour of F.C.A. world and led by Rev. Fr. D. Slattery, C.C., Clashmore, and also present were Very Rev. William Flynn, P.P., Clashmore, and Very Rev. Fr. Michael Byrne, P.P., Ardmore. There was a big congregation present.

It was the same to-day, continued His Lordship, "the temple of God is here. The Faith and Grace were as two keys, two fundamental ideas of our religion. The Faith means the Catholic religion. We should consider our religion a privilege, a joy and an inspiration. Our Lord had Christ within us lead good lives with a sense of duty. Our very nature recoils from what is wrong—drunkenness, injustice, impurity, etc. We should bear in mind the heavenly gifts of Jesus Christ and renew our noble aspirations. We should ever be conscious of the sweet heavenly things which our Catholic religion had given us. Blessed are you who could have aimed and did not do so."

The Catholic Church was still standing erect despite centuries of changes. Its missionaries had gone to foreign lands armed only with the Cross and the Gospel and had succeeded. The roots of a tree kept it erect and solid. The roots of the Catholic religion were the Creed, the Sacraments and the Commandments. The Creed was a summary of the facts which Our Lord taught. Cardinal Newman said he would rather be an Englishman than a member of any race under heaven. We should rather be Irishmen than any race under heaven. They could be the under heaven.

Limerick Win League Semi-Final.

Limerick, 5-6; Laoighis, 4-4. Rallying in spirited fashion when they seemed booked for defeat Limerick defeated Laoighis 5-6 to 4-4 in the N.H.L. semi-final at Limerick on Sunday.

A high-pass wind, however, made things difficult for the players and resulted in the side backed by it having a monopoly of the game. Led by 3-4 to nil at the interval, Laoighis put in their best work after the change over, and ten minutes from the time were two points in front.

The Laoighis raids showed that the home defence had several weaknesses and only the reorganisation of the team in the last quarter saved the day. Mr. Day, B.E.—We had cases in Youghal where it might have been useful. After further discussion it was decided to defer further consideration at least for the present.

With regard to the transferring of the Railway site to the I.T.B., the Chairman said—We are prepared to hand over our lease as promised when the I.T.B. will proceed with their plan. Town Clerk—This is a matter that should be referred to our Solicitor. Chairman—Our Solicitor will protect our rights. It was finally decided to ask the Council's Solicitor to prepare the necessary resolution with regard to the transferring of the Council's lease on the I.T.B.

With regard to the Auditor's report, it was decided to adjourn consideration for a month. The Manager stated that the filer, by the business that came before him, he was in court business, as in a horse race, only one horse could win. The Library house had also been attended to. We have done all the roofs at Sarsfield Terrace and one defective gable that requires attention is being attended to.

Mr. L. Daly—You know the Buchan traps that are in the yards of the Council houses; well, in many cases these are broken or missing; can the tenants be held liable? I should like also to refer to the practice of dumping refuse on the streets. The practice should be prohibited. Chairman—As we are on the cleaning question it is not time we put our bye-laws into operation. It is annoying to see the rubbish dumped outside people's houses. Numerous people have told me that our town was very clean. It is most annoying after our men have passed to find another dump when they come back and this is going on all over the town. There was an excuse for that during the war, but now bins are available. He thought that a little extra advantage to the people is taken and not retained.

Mr. L. Daly—Have we a sanitary sub-office? He then asked the Town Clerk—No, not yet. Manager—If you continue dumping, legal action must be taken. Mr. Daly, B.E.—They are always dumping in Talow Street. Have you control under the bye-laws. Town Clerk—Yes. It was finally decided to serve a copy of the appropriate section of the bye-laws on each householder. Any breach of the terms of the notice will lead to a prosecution. Mr. L. Daly—I was in Green's Quay today and I saw where the rubbish is being dumped. The Manager stated that he had succeeded in procuring 68 tons of American coal at 48 1/2s per ton plus 41s freight from Cork or 63s for the coal plus freight, and the carting from the Railway Station will be extra.

Mr. L. Daly—Is this inclusive of our quota? Town Clerk—Yes. Chairman—We have no alternative but to accept, the only thing we can say is that we are thankful to get it. Continuing, the Chairman said—As we are on the question of gas, the people of the Strand are asking for a half hour on Sunday mornings. Manager—We will see what we can do for them. I would ask the Town Clerk to consult the Gas Manager in regard to the matter and ask him to give what facilities he can. With regard to Sunday trains for Youghal, the Town Clerk stated that in all probability these services would start soon. He was in touch with the Station Master in regard to the matter. The Manager stated that tenders would be invited for the erection of new houses in about two weeks' time. Mr. Daly, B.E.—What will the houses cost. Manager—About £1,000 each and if we get a grant of say, £300 per house the rent would work out at about 10/- a week exclusive of rates. Mr. L. Daly—Does Professor Walsh, M.E., give a guarantee that the filter will work properly. Manager—No, and you will have additional expense out there as the clear water basin will require overhauling. With regard to the Rinknew Road, the scene of the recent landslide, Mr. Daly, B.E., suggested that a deputation from the U.D.C. should go and see Mr. S. J. Moylhan, the County Manager. Mr. L. Daly—A young engineer recently told me, having seen the place, that the road could be restored for £700. Manager—It would cost more than that, perhaps they would get a grant for it. Chairman—If I very hard luck on this town and it has diverted business elsewhere. We should see that some action is taken on the matter. We have a barrellid bridge at one end and a collapsed road at the other end. It was finally decided to phone the Co. Manager, Mr. Moylhan, and unless some concrete promise was made to start restoring the road immediately a deputation from the Council will go before the Waterford County Council and request that the matter be attended to. Chairman—All the Cork Co. Council are in a bit of a row on the front Strand and I have received an extensively signed protest from the residents.

Youghal Urban Affairs

Present: Mr. P. J. O'Gorman, P.C., Chairman, presiding; also Messrs. L. Daly and Sean P. Daly, B.E., The Manager, Mr. T. Hayes, was also in attendance. A discussion took place on Town Planning, Mr. S. P. Daly, B.E., stating that for the welfare of the town it is only right that there should be a nice lay-out. Mr. Day—The previous Manager stated that the charge would be more than £50. Manager—It would be more than that. Chairman—The city is we did not adopt the Act 20 years ago. Manager—Once you adopt the Act by resolution, not only will plans, but alterations as well will come under direct control, and if the plan is not sanctioned it is a rather big question and it might interfere with the development of the town. Mr. Day, B.E.—We had cases in Youghal where it might have been useful. After further discussion it was decided to defer further consideration at least for the present.

On his arrival at the Courthouse, His Lordship was received by a guard of honour of Civic Guards, under Supt. Sean Hughes, B.L. On taking his seat before the bench of the court was taken up, Mr. J. L. Keane, solicitor, addressing His Lordship, said he had a very pleasing duty to perform and that was on behalf of the solicitors of that district to bid His Lordship a very hearty welcome. Mr. Keane said he had noticed with interest that His Lordship had in other places had expressed his desire for co-operation in the legal profession, and he (Mr. Keane) had great pleasure in assuring His Lordship that the solicitors in that district would co-operate with him to the fullest extent. He hoped His Lordship would be happy to see the judge in that place long be spared to adjudicate as Circuit Court Judge of the City and County of Cork.

Mr. S. MacD. Farrell, B.L., on behalf of the Bar, joined in the welcome. Supt. Sean Hughes, B.L., on behalf of the Gardaí and on his own behalf, associated himself with the remarks of the previous speakers, and added that it was his privilege to have known His Lordship a great many years ago and also other members of His Lordship's family. He had watched with pleasure and admiration His Lordship's progress down those years. His Lordship, acknowledging, said he hoped that he would be able to do the business that came before him with satisfaction to everyone. Mr. L. Daly—Is this inclusive of our quota? Town Clerk—Yes. Chairman—We have no alternative but to accept, the only thing we can say is that we are thankful to get it. Continuing, the Chairman said—As we are on the question of gas, the people of the Strand are asking for a half hour on Sunday mornings. Manager—We will see what we can do for them. I would ask the Town Clerk to consult the Gas Manager in regard to the matter and ask him to give what facilities he can. With regard to Sunday trains for Youghal, the Town Clerk stated that in all probability these services would start soon. He was in touch with the Station Master in regard to the matter. The Manager stated that tenders would be invited for the erection of new houses in about two weeks' time. Mr. Daly, B.E.—What will the houses cost. Manager—About £1,000 each and if we get a grant of say, £300 per house the rent would work out at about 10/- a week exclusive of rates. Mr. L. Daly—Does Professor Walsh, M.E., give a guarantee that the filter will work properly. Manager—No, and you will have additional expense out there as the clear water basin will require overhauling. With regard to the Rinknew Road, the scene of the recent landslide, Mr. Daly, B.E., suggested that a deputation from the U.D.C. should go and see Mr. S. J. Moylhan, the County Manager. Mr. L. Daly—A young engineer recently told me, having seen the place, that the road could be restored for £700. Manager—It would cost more than that, perhaps they would get a grant for it. Chairman—If I very hard luck on this town and it has diverted business elsewhere. We should see that some action is taken on the matter. We have a barrellid bridge at one end and a collapsed road at the other end. It was finally decided to phone the Co. Manager, Mr. Moylhan, and unless some concrete promise was made to start restoring the road immediately a deputation from the Council will go before the Waterford County Council and request that the matter be attended to. Chairman—All the Cork Co. Council are in a bit of a row on the front Strand and I have received an extensively signed protest from the residents.

LISMORE NOTES

Annual Corpus Christi Procession. Inspiring scenes of devotion were witnessed on the occasion of the annual procession of the Blessed Sacrament at Lismore on Sunday last. A record gathering of men, women and children from all parts of the parish participated to make this annual demonstration a supreme act of profound religious fervour. As usual, the town was lavishly decorated for the great event—each street along the actual processional pathway was decked with hunting, suitably inscribed banners, and evergreens, while every window was a miniature shrine. As the weather had been rather threatening over the week-end it was not until Sunday morning that the final touches were given to the preparations for the visit of Christ Our King. Although several heavy showers fell on Sunday morning, the afternoon cleared up beautifully to allow the procession to take place in brilliant sunshine. This year the route was changed a little and instead of returning to St. Carthage's Church via Station Road and Upper Chapel Street, the procession went by way of Lower New Street, West St. and Lower Chapel St. The alteration in the route was welcomed by many, particularly the residents of Lower New Street, who never until this occasion were privileged by the visit of the Sacred Host to the street. At 3.15 all those participating assembled in Chapel Street and Fervile and at 3.30 the Procession moved off via South Mall, Main Street, West St. and Lower Chapel St. to the Christian Brothers Monastery outside which on a beautiful afternoon a large number of people gathered to witness the procession. The procession was accompanied by Canon Walsh and the choir of the Sacred Host to the street.
