BAD SHOOTING BEATS BALLINACOURTY.

Brickey Rangers, 2-4.

Ballinacourty, 1-5;

In the second round of the junior football championship at Dungarvan on Sunday, the Brickey Rangers, keeping up the club's winning sequence, beat a much fancied Ballinacourty side by 2-4 to 1-5. The game was played in an excellent sporting spirit, but the standard of football reached was only mediocre. In the first half the Ballinacourty men had a slight advantage and held a 5 point lead at the interval. The Brickeys slowly reduced the leeway in the second half. The score was even in the closing stages and when Ballinacourty attacked they sent three 21-yard frees wide and their forwards missed a number of golden opportunities through erratic shooting. The Brickeys on the other hand took advantage of every opportunity, and the closing stages at the Cunnigar.

GAELIC NOTES

The draw for the Hogan Stand tickets for the All-Ireland hurling final took place on Sunday last at Waterford, and the following were lucky in the draw D. Harte, Sion Row, Ferrybank, Waterford (1); W.
Walsh, Griffith Place, Waterford (1);
P. J. Lynch, Killingen, Dungaryan
(2); W. Sheehan, Wesi Street, Tallow
(2); J. Curran, Harbour View, Dungaryan (1); C. Ware, I College Green, Waterford (2); W. Wall, Arundel Sq., Waterford (1). All others who sent in applications will receive Cusack in applications will receive Cusack Stand tickets early next week.

I was present at Waterford on Sunday last, where I witnessed the best senior hurling championship match to date, between the champions (Erin's Own) and Mount Sion. Early on it looked like the champions were going to crash, but in the last quarter they drew level and in a thrilling inish they earned a two points victory, which leaves them strong favourites to retain the championship.
The game at times produced hurling of a high order and individual clashes of the presence of another huge control of the presence of the

of a high order and individual classes were a feature. The highlights of the game were Jim O'Meara (Mt. Sion) and Josie Murphy (Erin's Own). The former was in rare form, and it was tough luck on Mount Sion to lose him (due to a finger injury) when they seemed to have taken control, in the third quarter losie Murphy at full his return (duly completed) of the stock not later than the 7th October, 1947

I am looking forward to Sunday's clash in the Western area senior hurling semi-final at Waterford, where Dungarvan and Clonea will battle for supremacy and the right to contest the final. Clonea, reckaned the shock team of this year's competition, surprised even their most ardent supporters with two very impressive team, and Brickey Rangers. They are an enthusiastic combination, and Dungarvan will have to go all out to survive. The Blues accounted for the Brickeys in the initial street, and the widening of this turn will greatly facilitate the passage of all kinds of vehicles, not to mention the advantage it. provement. In preparation for Sun-day's clash both teams have under-when 24 milch come will be flown gone a strict course of training.
Clonea are making no secret of the fact that they expect to go places this year, and from reports to hand they are confident of winning Sunday's Clashmore G.A.A.—A general recet-

game. Dungarvan are by no means under-estimating the opposition and they will turn out at full strength and o'clock. All members are asked to taking no chances.

Well-known players expected to don the blue jersey on Sunday next are C. Moylan, W. Barron, P. Daly, M. Moloney, M. Landers, and Jackie Good. They need no introduction, as all are players of inter-county experience, and around them will be players of the younger school who are gradually making the headlines in the Gaelic world. Clones stellwarts likely to be seen in action are P. Flynn, D. Shanahan, W. Galvin, J. Cusack, A. Coughlan, and Paddy Kelly. The "Blues" have most of the big gans, but Clonea say they have ruen equally as good, with the result that

the game promises to be a rare tiass'e from start to finish. J. Vaughan will referee, and the match is timed for 4 p.m. S.T., at Waterford. Erin's Own, firesh after last Sun day's victory, take on the Meagaers in the senior hurling champor hip. Mount Sion got a rare fright from the divisional team in the first round and it could happen that Erin's Own could go down the field, which result would throw the championship in the throw the championship in the Eastern area into the melting pot, as a play off would be necessary between Mount Sion and Erin's Own.

ST. PATRICKS ADVANCE.
At the Aglish Gaelic Grounds, St Patricks (Knockanore) met St. Davids (Kereen) on Sunday last in the second round of the West Waterford hurling championship, and after a fast and closely contested game the former were victorious. From the throw-in they invaded but were repulsed and an over resulted Both goals had close shaves but the defence on both sides were sound. O'Mara sent St. Patricks attacking and from the wing O'Brien scored a neat point. From the puck out McGrath sent well in for the homesters and Kelly saved the homesters and Kelly saved a rasper which Neville cleared. Keating sent St. Patricks again into the attack and Ahearne had a goal. Frees to both sides were wided. The St. Patricks defence had some anxlous moments before an over resulted. O'Brien had a further point for the visitors, and from a free St. Davids had their first score—a point—to leave the visitors leading at half time by 1-3 to 0-1. St. Davids broke away on the resumption and some hard clashes were witnessed in the visitors goalmouth. Ahearne and Molone cleared, but St. Davids returned to the attack and scored a goal amidst much excitement. Tourin Defeat Lismore.

Tourin, 1-10; Lismore, 3-2.—By a two-point win over Lismore at Cappoquin on Sunday, Tourin qualified for the Western Junior Hurling Final. The game was most exciting right through and there were thrills in plenty, especially in the second half when Lismore were making desperate efforts to wrest victory from their efforts to wrest victory from their opponents. The game opened on a rather quiet note and there was some rather sluggish play around centrefield for the first few minutes. The play opened up, however, when John Fives placed his brother Tom for Tourin's first point. Tourin went into the attack again from the puckout and S. Ducey had their second point. Play became very robust at this stage and two players were this stage and two players were ordered to the sideline. Tourin were doing all the pressing at this stage and had some very narrow misses. Lismore then went into the attack for the first time and were rewarded with a point. It was all Tourin, how-ever, from this to the half-time and the Lismore back-line was almost continually barraged. Tourin were combining better and there was some rilliant passing movements in which ohn and Tom Fives and Edmond Sweeney figured prominently. Tom

Kilgobinet Win Replay. Kilgobinet 0-8; Finnisk Rovers, 1-2.—The above game took place immediately after the hurling match and Paddy Ryan again acted as referee. These two teams had met twice already; they had even failed to decide the issue in extra time on the previous Sunday. The first half the previous Sunday. The first half was a very tame affair, there being many stoppages owing to minor injuries and also many fouls. Kilgobinet were doing most of the attacking in this half and Tobin opened the scoring for them with a point. They had two points then from close-up frees and two more from play, while the Rovers failed to register a single score in the first half. Thus the half-time score stood: Kilgobinet, 0-5; Finnisk Rovers, 0-0. The game livened up on the resumption, and during this half there was some spots of really brilliant football and some grand combination. The Rovers were now all out tion. The Rovers were now all out to pull down that first-half lead, and F. O'Brien helped when he sent a beautiful drive right to the net. The Lismore's two points, leaving the half-time score: Tourin, 1-7; Lismore.

On the resumption play became very rough and robust and spectators would have encroached but for the able stewarding. A Tourin player was ordered to the Tourin player was ordered to the able to penetrate their opponents' defence. The Rovers, however, still kept up a fierce attack and had two more points to leave the issue very open with still 10 minutes to go. Kilgobinet now made their effort and after many repulses had a point to be followed fairly rapidly with two more. The play became very strenuous and exciting now as the Rovers made their last effort to try and will the gene out of the fire 14, but contrary to expectations they kept up the great pace they had set and had points per J. Fives, E. Sweeney and James Fives. In the last quarter Lismore went all out to level matters up. The Kilgobinet de-fence withstood the barrage and the full-time whistle left them safe win-
