On Sunday evening last a very representative conference of Clann na Pobhlachta supporters was held at the Adelphi Hotel, The Mall, Water ford. Mr. Con Lehane, solr., representing the Central Executive, Duty and Jimmy. Mennie and the boys talking to some of the members it seemed to be an ideal place for a sanatorium. "There is one thing," he said, "that I am very pleased about, and that is that the County Council made up their minds not to take portion of the County Home (Dungarvan) as a tuberculosis unit. I think it would be very bad business for the County Council to try and convert the building at the County Home for that purpose. I knew the place, and that day I was out there I got the impression that it would not be suitable at all. It had a jail-like appearance, and I thought it most unsuitable. The chief business of the conference was to select a candidate for the vacaucy occasioned by the lamented death of the late Michael Morrissey.

Clann na Poblachta meetings were held at Carrickbeg, Clonea and Rathgormack after Mass and were addressed by Messrs. Con Lehane, Joe Barron, Sean Feeney and Fursa Bresthwach lieved the County Council were right in not accepting the County Home building as a T.B. unit, because (1) they had got from the authorities it was absolutely essential that a mid-wifery hospital be established in the County Home, and that provision be made for accommodation of the staff. There was also a growing need for a radiologist in the County Home. He had been told that by the authorities there. Of course the medical gentlemen at this meeting might not agree with him on that. He did not know if they did or not, but he believe if they did or not, but he believed there was a growing need for this. He hoped that the County Council would do everything they could to get a 100 per cent. grant to carry out the work at Ardkeen House. Possibly another public body would be glad to join in with the County Council, and that would relieve the ratepayers of the county. He thought that the Co. WEST WATERFORD NEWS.

Late Mr. Thomas Keevers, Clashmore.—We regret to announce the death of Mr. Thomas Keevers, Coolbagh, Clashmore. A member of a well-known and very popular family, deceased was a general favourite, noted for his many amiable characteristics, and his demise, at an early age, has caused deep and widespread regret, while much sympathy is extended to his bereaved brothers, sister and other relatives. The funeral from Youghal Hospital to Clashmore Parish Church was of immense proportions, being one of the largest and most representative ever seen in the district. Following the celebration of Requiem Masses for the eternal repose of his soul, the interment took place in the adjoining cemetery in the presence of a large concourse of mourners. R.I.P. Very Rev. He also thought that it could accommodate the nursing staff and attendants, who were living in very primitive conditions there. He hoped that the County Council would recommend to the Board of Assistance that they would like the nurses and attendants to get better accommodation, and that this building in the County Home was ideally suited for this and not for tuberculosis patients.
