DUNGARVAN URBAN COUNCIL

Mr. T. McCarthy, chairman, presided at the meeting of the Dungarvan Urban District Council on last Friday. Also present—Messrs. T. A. Kyne, L. A. Veale, M. Clancy, N. Kelly, Senator J. Butler, and E. O. Deirige, Clerk.

"WET TIME" ON RELIEF

Mr. Kyne raised the question of the stamping of cards in respect of "wet time" on the relief scheme at Abbeyside and to question by Mr. Kyne relating to this matter, the Clerk said that he understood that "wet time" stamps were never given by the Council on relief schemes.

Mr. Kyne said he thought that local Councils were exempt. He would like the Clerk to make inquiries in the matter.

SCHEMES NOT SUITABLE IN WINTER

Arising from above, the Chairman said it was ridiculous to start work at the Look-Out in winter time. Last year the men were not able to work there with the cold. He thought that the schemes at the Promenade and at Abbeyside should take place in the summer months. The men here would remember the cold of last winter when the men were working; it was so cold that they were not able to handle the stones, and they were only able to get two days or three days' work in the winter. Mr. Veale said that if they were given the work in the summer the men would earn more money. He thought they were given the work in the winter to prevent the men from earning money.

Mr. Kyne—That's why I brought up the question of "wet time" if the men had "wet time" it would recoup them in some little way.

Mr. Clancy—I apply only to the building trade, it is best to write to get the views and intentions of the Council.

The Clerk stated that the Manager had referred the matter to the Council, with the suggestion that the March might be suitable for the purpose.

Mr. Kyne said that this was a pretty "hot" question in the town. He personally would favour a fair green for the town. The shopkeepers' suggestion of foot-paths by live stock and the damage which must occur to the exterior of the houses coupled with the aftermath of dirt, are all matters which occur to one and which would be remedied by the provision and use of a Fair Green.

Before communicating with my own authorities with a view to having representation made to the G.P.O., I thought it best to write to get the views and intentions of the Council.

The Clerk stated that the Manager had referred the matter to the Council, with the suggestion that the March might be suitable for the purpose.

Mr. Kyne said that this was a pretty "hot" question in the town. He personally would favour a fair green for the town. The shopkeepers' suggestion of foot-paths by live stock and the damage which must occur to the exterior of the houses coupled with the aftermath of dirt, are all matters which occur to one and which would be remedied by the provision and use of a Fair Green.

Mr. Clancy said that this was a difficult question and there would be the shopkeepers and farmers. It was not very pleasant to have the fairs in the streets of the town and it was not good for cattle either. Personally he did not believe that the shopkeepers would lose any business by having a Fair Green.

Mr. Clancy agreed with the views expressed in favour of a Fair Green, but he feared that the securing of a Fair Green was a difficult one. The manager's suggestion about the March, he thought, was a good one. It was proposed to build a bridge across the river, and the land on the west side of the town would be able to get to the Marsh. In its present condition, it would take a long time to develop it.

The Chairman said he opposed the suggestion because he knew that the views of the business people of the town were against it. In wet weather the farmers could get into the town and the shopkeepers' man, "it was many a good deal that was made in a public-house." He asked the Clerk if the Chief Superintendent had suggested any place.

Clerk—No. He is only raising the matter to get the views of the Council.

The Chairman, continuing, said that years ago an attempt was made to get a Fair Green for the town. If he thought that the business people of the town had no objection he would not be against it, but he held that it would do harm to them if there was a Fair Green.

Mr. Clancy said that in a Fair Green there would be places for the town and there would be a means of revenue to the Council also. He thought that if it were a Fair Green, he'd it would be the right thing to do.

Senator Butler said that as long as he remembered, and farther back than that, the fairs were held in the streets. He was of opinion that if there was a Fair Green it would alter the business of the town from one area to another and land in that area would go up, while the land in the other part of the town would depreciate. He did not think that there should be a change at all. He did not think that the land in the town should be altered unless legislation were passed to make them compulsory in every town in Ireland. Mr. Clancy had objections to a Fair Green, but he (Senator Butler) wondered what would be the expenditure for one. He doubted if the Council would have a profit out of it.

Mr. Veale—How would it be if you took a plot of the business people of the town?

Mr. Clancy—I expect the money for it could be got by loan. I see a difficulty about acquiring a plot.

creameries was much less than the milk sold to the people of the town.

Mr. Clancy said that as regards the getting of the milk from the registered dairies, he was told that they were not getting the milk from these people; that they were only getting 100 gallons from the registered dairies out of 500 gallons, and had to find the rest of it. If his information was correct it would be very hard to maintain herds and would probably drive them out altogether.

Following further discussion, the matter was dropped.

BEES AND "BACCY" PRICES.

A resolution from the Fermoy Urban District Council protesting against the increased prices in beer and tobacco was unanimously adopted by the Council on last Friday, seconded by Mr. E. Kelly.

GARDA AUTHORITIES ASK FOR A FAIR GREEN.

A letter was read from Chief Supt. O'Connell, Waterford, in connection with the provision of a Fair Green for the town. The letter stated—"It is an anxiety to know from you whether your Council have any intention with regard to the provision of a Fair Green in Dungarvan. As your Council are well aware, the present practice of holding the fair in the centre of the town straddling the main thoroughfares is objectionable in many ways. It is quite impossible for Gardaí to maintain a free passage-way for traffic, and it must be very difficult for farmers attending the fair to maintain the positions of their stock when traffic which has no connection with the fair is continuously edging its way through the throngs. The obstruction of foot-paths by live stock and the damage which must occur to the exterior of the houses coupled with the aftermath of dirt, are all matters which occur to one and which would be remedied by the provision and use of a Fair Green.

Before communicating with my own authorities with a view to having representation made to the G.P.O., I thought it best to write to get the views and intentions of the Council.

The Clerk stated that the Manager had referred the matter to the Council, with the suggestion that the March might be suitable for the purpose.

Mr. Kyne said that this was a pretty "hot" question in the town. He personally would favour a fair green for the town. The shopkeepers' suggestion of foot-paths by live stock and the damage which must occur to the exterior of the houses coupled with the aftermath of dirt, are all matters which occur to one and which would be remedied by the provision and use of a Fair Green.

Mr. Clancy said that this was a difficult question and there would be the shopkeepers and farmers. It was not very pleasant to have the fairs in the streets of the town and it was not good for cattle either. Personally he did not believe that the shopkeepers would lose any business by having a Fair Green.

Mr. Clancy agreed with the views expressed in favour of a Fair Green, but he feared that the securing of a Fair Green was a difficult one. The manager's suggestion about the March, he thought, was a good one. It was proposed to build a bridge across the river, and the land on the west side of the town would be able to get to the Marsh. In its present condition, it would take a long time to develop it.

The Chairman said he opposed the suggestion because he knew that the views of the business people of the town were against it. In wet weather the farmers could get into the town and the shopkeepers' man, "it was many a good deal that was made in a public-house." He asked the Clerk if the Chief Superintendent had suggested any place.

Clerk—No. He is only raising the matter to get the views of the Council.

The Chairman, continuing, said that years ago an attempt was made to get a Fair Green for the town. If he thought that the business people of the town had no objection he would not be against it, but he held that it would do harm to them if there was a Fair Green.

Mr. Clancy said that in a Fair Green there would be places for the town and there would be a means of revenue to the Council also. He thought that if it were a Fair Green, he'd it would be the right thing to do.

Senator Butler said that as long as he remembered, and farther back than that, the fairs were held in the streets. He was of opinion that if there was a Fair Green it would alter the business of the town from one area to another and land in that area would go up, while the land in the other part of the town would depreciate. He did not think that there should be a change at all. He did not think that the land in the town should be altered unless legislation were passed to make them compulsory in every town in Ireland. Mr. Clancy had objections to a Fair Green, but he (Senator Butler) wondered what would be the expenditure for one. He doubted if the Council would have a profit out of it.

Mr. Veale—How would it be if you took a plot of the business people of the town?

Mr. Clancy—I expect the money for it could be got by loan. I see a difficulty about acquiring a plot.

HADDEN'S OF COURSE!
W. & G. HADDEN, LTD. DUNGARVAN.

It was agreed that the Clerk inform Chief Superintendent O'Reilly that the Council were not contemplating any change in the immediate future.

PARKING OF CARS ON SQUARE.

In connection with the request of the local Garda Authorities made at the last meeting of the Council re parking of cars on the Square during dances in the Town Hall, Supt. O'Mahony, Dungarvan, wrote stating that the Gardaí had no authority to stop the parking of cars on the Square.

Senator Butler said they did not ask them for their views. The condition of the licence that they were parked on the Square?

Clerk—It is. Mr. Kelly said that cars could come into town and the people in them would not know anything about a dance in the Hall. Why, asked Mr. Kelly, should cars like that be stopped from parking.

Mr. Veale said that the complaint from residents on the Square was the blowing of the hooter and the causing of annoyance.

The Chairman said that an objection to the parking of cars near the Hall was made at the court and a change was made ordering that the cars be parked on the Square. The people on the Square could go to the court and ask to change that.

Senator Butler—The only way to remedy it is to shift the Town Hall away from everybody where cars could be parked around it.

Mr. Kelly said that as they all knew after the dance of a court, they went on and the hooter were being blown and that was causing all the trouble.

Mr. Kyne—Yes, that's the cause of all the trouble—some fellows left rather joyous.

Mr. Clancy said that the Gardaí could prevent the blowing of hooters and the banging of doors of the motor cars. What he wanted was to minimize the nuisance.

It was agreed that the Gardaí be asked to prevent the nuisance caused by the blowing of hooters and the banging of motor car doors.

NO TENDERS FOR ABBEYSIDE HOUSES.

The Clerk told the Chairman that no tenders for the Abbeyside housing scheme had been received.

SUNDAY OPENING SUGGESTION.

Mr. Kelly said that as they were all aware of the fact that Dungarvan was the next in importance in the county to Waterford City. As they were all aware also, in Waterford City there were extension hours on Sunday from 10 to 3 and from 5 to 7 in the licensing business. He had been approached by several people in the town who were asking that the same should apply to Dungarvan also.

Mr. Kyne—It is the law of the land. There would be a lot of people against altering that.

Chairman—I imagine so too. Mr. Kyne—The only thing is to ask the new T.D.s to take it up.

Mr. Kelly—It is no harm asking the Superintendent to do something. Senator Butler said it would be ridiculous to ask the Superintendent to do it as there was special legislation dealing with this question. Mr. Kelly said that the only time there would be a change would be when the Legislature decided to put towns on the same footing as boroughs.

LISMORE NOTES

Death of Mrs. Bridget Fitzgerald.—The death took place at Dungarvan County Hospital on Monday morning, 4th inst. of Mrs. Bridget Fitzgerald, nee Mrs. Fitzgibbon, of New Street, Lismore, following an illness of long duration and at an advanced age.

Belonging to a well-known local family, she was a lady of long and distinguished character which endeared her to all. Her friendly disposition and neighbourly qualities earned her a place in the hearts of her innumerable friends, who sincerely regret her demise. The remains arrived in Lismore on Monday evening and were met outside the town by a huge concourse and accompanied to St. Carthage's Church. On Tuesday following Requiem Mass for the departed soul an interment was made in the County Council Cemetery. The chief mourners were—Mrs. Alice Morrissey (daughter); Miss Pamela Morrissey (grand-daughter); Miss Mary Keyes (niece); Mr. Frank Keyes (nephew); Mr. J. Morrissey (son-in-law).

Wedding Bells.—St. Carthage's Church, Lismore, was the scene of a very pretty wedding on Thursday when Miss Bridget Ahearn, daughter of the late Mr. and Mrs. Ahearn, Ballyanchor, became the wife of Mr. Frank Moloney, son of Daniel and Mrs. Moloney, Bishoptown, Lismore. The ceremony was performed by Very Rev. M. Canon Walsh, P.P., V.F., Lismore. The bride, who was most charmingly attired, was attended by her sister, Mrs. Mary Canning, as matron of honour, and the best man was Mr. Frank Geoghegan, New Street, Lismore. A reception was subsequently held at the home of the bride's sister, Mrs. M. Canning, where a large number of guests were entertained, and the young couple afterwards left on their honeymoon. Mr. and Mrs. Moloney are both held in high esteem throughout the district, and with their many friends we join in wishing them length of years of happiness and prosperity.

Xmas Whist.—On Tuesday, 10th December, a big Xmas Whist Drive will be held at the Town Hall in aid of the local School Repair Fund. This promises to be one of the biggest attractions ever and a record attendance is anticipated. The same committee that organized the highly successful one in aid of this worthy object will again be in charge, so we can all look forward to a great night's enjoyment.

West Waterford News.

Villiersstown G.A.A.—The revival of Villiersstown G.A.A. Club is well-come by the Gaelic Club of West Waterford. For many years this club had a first-class team and secured county honours. All join in wishing them luck in 1948.

Cashmore Dance.—A successful and very enjoyable dance, under the auspices of the local G.A.A., was held at Cashmore on Sunday night last. Despite unpleasant conditions, there was a good attendance. First-class music was supplied by the Bohemian Dance Band (Youghal).

Cashmore 45 Drive.—Cards for the Cashmore Parochial 45 Drive are now being issued and may be obtained from Very Rev. Fr. W. Flynn, P.P.; Rev. Fr. D. Slattery, C.C.; Mr. W. Dwyer, M.C.C.; Mr. C. Curran or any member of the committee. First rounds may be played in Cashmore N.S. on Sunday, 28th January, 1948.

Cashmore G.A.A. Collection.—A public collection, in aid of the local G.A.A. Club, will be held in Cashmore on Sunday, 14th December. It is hoped that supporters of the red and green will contribute generously and thus help the football revival in this historic centre.

Cashmore G.A.A. Club Meeting.—An important general meeting of the Cashmore G.A.A. Club will be held on to-morrow (Saturday) night. All members, especially players, are asked to attend.

On Holidays.—Parades will be held on to-morrow (Friday) and on Wednesday and Friday nights of next week. On Friday night next the "Star Test" will be held by the area officer.

SLIABH gCUA NEWS

Skill Rewarded.—We warmly congratulate Jerry Crotty, Ballinakill, on his success in the Sunday Independent Crossword; also Mr. Todd Flynn, well-known Crossword fan, who has won a prize in an English crossword competition.

On Holidays.—Miss Mary Power, Hotel Manageress, second daughter of the late Mr. Michael and Mrs. Michael Power, Gennane, is at present spending a holiday at her parental home, and is looking a picture of health.

Celtiche.—The Celtiche in the National School, Touransena, on Sunday night last proved successful from every point of view, and no doubt, it helps to promote a healthy spirit of rivalry in cultural achievements amongst the youth of those districts.

Lackanarrara Lady in the News.—A play, "I came from Ireland," produced recently in Maryland, U.S.A. was written by Mrs. B. Bratton (nee Julia Hallahan), a native of Lackanarrara, Ballinacorney. Miss Hallahan qualified for nursing in London in 1932. She served with the Royal Navy during the war and later went to America where she is now married. We wish this young playwright many more successes in the land of her adoption.

CO. COMMITTEE OF AGRICULTURE

Mr. P. R. Power, Chairman, presided at the monthly meeting of the Waterford Co. Committee of Agriculture...

Replying to a question by Mr. T. Morrissey, the Acting Secretary said that £230 had been expended on Shows during the last twelve months.

A letter from the Department in reply to the Committee's resolution asking to extend the subsidy to fertilisers stated that the prices were subsidised to the maximum and an extension was not possible in present circumstances.

Mr. Heskin, T.D., referred to the lime scheme which the Minister was submitting to the Dail and said that they had asked him to include fertilisers. It would be no harm if the Committee asked him to subsidise fertilisers.

Mr. Hartly said that the price of fertilisers in this country at the moment was £10 a ton while in England it was £3 15s. where the price was subsidised. It was a penalty on farmers with the high price to produce food.

It was agreed to ask the Minister to include the subsidisation of fertilisers in his scheme.

LIME TENDERS. The following tenders under the Lime Subsidy Scheme were received: Killeen Lime Works, 5/4 per barrel (5/9 on rail) (increase of 6d.); Dromana Lime Works, same price and conditions; Cross Roads, 5/4 per barrel (5/6 on rail) (same as last year); Dungarvan (Ballinacorney) Lime Works, 5s. per barrel, same as last year; Howard Bros., 5s. per barrel (same as last year); Dungarvan Lime Works (Co. Kilkenny), 5/- per barrel (not on last year's list); Ground Lime, tenders - Clongrenna - Lime Works, £2 8s. 8d. per ton on rail, and Ballyveelin (Goresbridge), £1 13s. 4d. a ton.

Replying to a member, the Acting Secretary said that about one ton of ground lime was equivalent to about 1 1/2 cwt. of burned lime.

Mr. Hartly suggested that the people tending at 5/6 be asked to sell at 5/.

Mr. Heskin suggested that the Co. Council get equipment to grind the lime. This would save employment.

Chairman - The people who are burning the lime, would they combine and grind it.

The Chairman said that when Dr. Ryan was Minister for Agriculture, this point was put before him and he said that the cost of the equipment was prohibitive and would not justify it.

Mr. O'Ryan - The present Minister might take a different view.

Replying to a question by Mr. Heskin if tests had been carried out regarding lime in this locality, the Acting Secretary said tests had been carried out in Cappoquin, Dromana and Dungarvan, which showed 94 per cent content of lime.

Mr. O'Ryan favoured one big company to carry out the work of grinding lime, if it was cheaper. He asked if a Co-Op. movement for the purpose could be created.

Mr. Heskin, T.D., said that if the lime was better, it might be sufficient if there was storage.

Following further discussion a suggestion by the Acting Secretary inquired from the Department if a grant would be given towards such equipment was agreed to.

It was also agreed to accept tenders for lime, both burned and ground.

The Secretary pointed out that no tender had been received from the Mount Congreve works in East Waterford and it was agreed that the Acting Secretary inquire from them about it.

WEANLING CALVES. Mr. O'Ryan raised the matter of a subsidy for weanling calves. He said that the increased price of cattle should be reflected in an increased price for weanling calves. It was on the people who reared the calves that the production of cattle depended. The all knew that the small farmer - the man who lived in the mountain - must rear them in October, after weaning them, and he only got a small price, while the bigger farmers could hold them back. He thought that a subsidy should be given for the rearing of calves.

Mr. Fives - It would help to increase the number of cows in the country. The Chairman said if farmers are to rear cows they should get some encouragement. He favoured a subsidy of £2 for every calf reared.

Mr. Hartly said he would favour a demand of £4 subsidy. Two pounds would not cover the cost of the milk. If the Government wanted to increase milk production they should give a subsidy of £4 a calf. The subsidy could be paid on statistics made by the Gardaí in May and June on the number found on the lands.

The Chairman thought it would be impossible to supervise this. A resolution asking the Government to give a subsidy of £3 per calf in order to encourage dairy and export production was passed.

FOX DESTRUCTION SCHEME. COMPLAINT. Letters were read from Messrs. Russell and Hunt, East Waterford Hunt, in connection with the Fox Destruction Scheme in which it was alleged cubs were taken from coverts in Gadenmorris and other places, destroyed and produced as having been killed in mountain areas. The letters went on to say that if this continued there would be no hunting and it would affect the hunter horse industry.

Mr. Coghlan, speaking in support of the views expressed in the letters, said that his information was that this was happening. It seemed that young fellows were digging them out of the coverts and bringing them to mountain areas. When the Committee gave the subsidy the idea was that only foxes in the mountain areas were to get it. Now it seemed as if they were being killed wholesale all over.

Replying to Mr. Coghlan as to how much had been paid for the killing of foxes, the Acting Secretary said that £22 5s. had been paid to the end of the year. He added that in the Kil-

JAMES COFFEY MAIN STREET - DUNGARVAN

BALLINAMULT SHOW JUMPING SOCIETY

To Hold Our Night in Dungarvan. Our old friends, the Ballinamult Show Jumping Society, are on their toes again. They made their debut on July 25th with their jumping trials, and that is a day that will be long remembered not only in Ballinamult but in all the surrounding countryside. Next year, we understand, they hope to run their jumping trials on a much bigger scale, and to do this they will obviously have to have a fairly strong bank balance behind them. In order to attain this much desired financial stability so necessary to the running of any Show, they have already run two outstanding concerts at the Halfway Hall, Ballinamult, bringing there such famous artists as Frank Ryan. Now they have travelled further afield and have taken the Town Hall, Dungarvan, for their first annual dance to be held on Sunday night, December 14th.

LOCAL HAPPENINGS

BIRTH. ORGAN - November 10th, 1947. At St. Jude's Nursing Home, Dungarvan, a daughter, Miss E. F. O'Connell, wife of Stephen Organ, Davis St., Dungarvan - a daughter.

ACKNOWLEDGMENTS. HOGAN - The family of the late Miss Margaret O'Hagan, Island, Stradbally, desire to return their grateful thanks to all the kind friends who sympathised with them in their recent sad bereavement, all who sent Mass cards, telegrams and letters of sympathy and all who attended the funeral, Requiem Masses and interment. They trust all will accept this in grateful acknowledgment.

KENNEDY - The wife and family of the late John Kennedy, Ballyquin, Ardmore, wish on this very sincere all those kind friends who sympathised with them in their recent sad bereavement, all who sent Mass cards, telegrams and letters of sympathy and all who attended the obsequies, and in an especial manner the Sisters of the Nursing Staff of the District Hospital, Dungarvan, for their unremitting care during his illness. They trust all will accept this in very grateful acknowledgment.

IN MEMORIAM. BRODERICK (Second Anniversary) - In loving memory of Thomas Broderick, Magdalen, Dungarvan, who died on December 2nd, 1945, Inmaculate Heart of Mary, interceded for him. Inserted by his loving family.

CROTTY (Sixth Anniversary) - In loving memory of my dear husband, John Crotty, Michel Street, who died December 8th, 1941. Mass offered.

Will those who think of him to-day, A prayer for his soul kindly say. Inserted by his loving wife and children.

MILLS (First Anniversary) - In sad and loving memory of my dear wife, Mrs. Catherine Mills, Coolbeg, Knockanore, who died on December 4th, 1946. On her soul, Sweet Jesus, have mercy. Not a day do we forget you, In our hearts you are always near. We who loved you, sadly miss you. As we did a year ago to-day. Inserted by her loving husband and daughter.

MORRISSEY (Fourth Anniversary) - In loving memory of John J. Morrissey, 88 O'Connell Street, who died 10th December, 1943. Will the kind friends who remember him please say one Hall Mary for him to-day. Inserted by his loving wife and sons.

MORRISSEY - Will the friends of Gerald Morrissey, late of the Hermitage, kindly remember him at the Scouts' Den, Abbeyside, on December 8th, the tenth anniversary of his death.

Sympathy - At a specially convened meeting of the Dungarvan Harriers Club a sincere vote of sympathy was passed to Mr. James Hayes on the death of his wife, Mrs. Hayes, on December 11th, at 8.15 p.m. the Christian Brothers' Past Pupils' Union will hold a Question Time before their next meeting on December 14th at 8.15 p.m. at the Sair. Our sincere condolences to the family. This will be followed by a short concert.

By a Co-Op. A four month old pointer pup, sold by Mr. Nicholas Casey, Square, Dungarvan, was bought from Rinegan recently en route to Ceylon. The pup was chased on behalf of Col. Gordon.

Western Junior Football CORRESPONDENCE

Valley Rovers, 4-3; Cashmore, 4-1. Despite the piercing cold, with a freezing north-westerly breeze sweeping the pitch which was followed by a drifting fog making it difficult to distinguish the players or see the ball towards the close of the game, there was a very good attendance of spectators present at the Gaelic Field on Sunday to witness the Western Final between the above teams.

They were treated to a good, hard, if not over scientific display, with the issue in doubt up to the final whistle. The games were capably handled by Mr. Dec Sullivan. The match, scheduled to commence at 3 p.m., did not however, begin until nearly 3.30 p.m., this being in no way due to the teams who were on the field to time, but it added considerably to the discomfort of the spectators who were kept waiting a half hour longer in the bitter weather.

Play opened on a lively note with the Clashmore boys showing superior speed and after about three minutes play O'Donnell in the Rovers' goal brought off a marvellous save. Valley Rovers took the kick-out all the way but Quinlan waded a good effort. After both ends were visited without result, Valley Rovers took a free 40 yards out taken by Bill Ryan (who played an outstanding game) but it was wide. The mark was a further free to Rovers taken by "Galligan" Byrne was also wide. Clashmore in a determined raid at the other end were penalised but they returned to the Rovers' goal was visited to the net to open the scoring. Clashmore were again on the attack but they were wide. The goal-kick was fielded by Billie O'Connell (who was the mainstay of the side) and his long high drive deceived the Rovers' defence and entered the net by the side of the upright without being touched by a defender. Following a further wide by Clashmore, a free 40 yards out from 50 yards out was visited to the net by the Clashmore full-forward to leave them in a 2-1 lead. At this period (twenty minutes from) it looked as if the boys from the Blackwater were in for a comfortable win, but the Rovers' wing sent over the bar but the whistle had gone for a foul. Clashmore saved the resulting free and the Rovers' wing sent over the bar but the whistle had gone for a foul. Clashmore saved the resulting free and the Rovers' wing sent over the bar but the whistle had gone for a foul.

Valley Rovers opened the second half with a determined attack but were held up. Again they pressed but a free relieved for Clashmore. It was only temporary as the Rovers again came on. Quinlan getting possession sent to Bill Ryan who pointed, narrowing the deficit to one point. A free to Rovers, 40 yards out, was pointed by T. O'Grady for the equaliser amidst great excitement. Rovers kept up the pressure. The Clashmore goalie saved a rasper; the ball was again driven in and again saved but the Rovers' forward swarmed in and the ball was visited to the net. Again the Rovers attacked and found the net but this score was disallowed because of an infringement. Rovers were wide with the next try and Clashmore broke through to level again with a grand goal. After two frees to Clashmore had been cleared Billie O'Connell again put them in the lead with a point from a free amid intense excitement. Rovers were not to be denied and breaking away as time was running out, Bill Ryan, getting possession centred a grand ball for Galligan to send to the net giving them a two point lead. This they held to the end despite the all-out efforts of Clashmore to break through. A special word of praise goes to the captain of the winners, John Walsh, who played throughout with a badly cut and bandaged hand received some days previously.

Valley Rovers - J. O'Donnell, M. Fahy, S. Whelan, J. Fogarty, T. McNessy, J. Walsh, M. Power, J. McGrath, T. O'Grady, D. Clear, W. Ryan - Byrne, D. Quinlan, Clashmore - R. Russell, P. Pengar, R. Rahayne, P. Ronayne, R. Digney, T. Lennane, C. Egan, W. O'Connell, W. Pengar, M. Merlin, P. Cunningham, S. Ronayne, T. Bagee, P. O'Rourke, T. O'Connell.

RE SUSPENSION OF KILL PLAYERS AT C. BOARD MEETING

The Editor, "Dungarvan Observer." Dear Sir - In your issue of to-day's date giving a report of the Waterford Co. Board meeting held in Dungarvan on Sunday last, I am reported as having proposed the suspension of a number of Kill players. I am also reported as stating that a certain player knew what he was doing. I desire to inform you that I was not even present at the meeting on Sunday last, my name being on the Labour Convention in Waterford at the time the meeting was held. I do not wish to have any actions attributed to me that I am not responsible for and which perhaps I would not favour. It is difficult and to understand why my name appears when I was not even present at the meeting, and I think you should in all justice publish this letter and explain to your readers how the report came to my name in it. Normally, I would accept the report as an error, but not being even present at the meeting makes this explanation most unlikely. I will be awaiting your next issue with interest. - Yours sincerely, Secretary West Divisional Board, Abbeyside, Dungarvan, 29th November, 1947.

Note - The matter above referred to, which was also brought to our notice by the County Secretary (Mr. D. Good) was caused by the fact that our reporter, who would have attended the meeting, did not do so. He later got a short minute of the business transacted and in transcribing these notes the name of Mr. Kyne (O Cadhain) was inserted in lieu of Mr. T. O'Keefe (O Coimhin). We regret very much such an error was made, and express our regret to Mr. Kyne for any inconvenience caused him by the report. - Ed. D.O.
