It was also decided to adjourn the consideration of the granting of a temporary salary increase to the resident engineer, Abbeyside housing C.I.E. to Run Excursions to Dun-

garvan.—A letter was read from C.I.E. stating that a special train would run from Mallow to Dungar-O'Shea, P. J. O'Sullivan, and Misses van on Sunday, July 31st, and on August 14th. It also stated that as much admired, and the members of Sunday excursions were at present being run from Clonmel to Tramore, they did not think that if other excursion buses were put on to Dungar-van a sufficient number would avail of the excursion.

It was decided to write to the Superinterdent and ask for an area exemption for the two dates to enable the town cater for the large numbers resting all through, and there was in a satisfactory manner. The Chairman stated that such ex-

cursions to the town would be like old times and he hoped the business people would make full arrangements to cater for them in an efficient way.

Mr. Veale referred to the proposed Turkish baths and stated that if the town had them it would have the Horses.

Keeping of Pigs Not Allowed by Council Tenants.—At a recent meet-ing of the Council a letter was received from a Council tenant complaining against the keeping of pigs by a neighbour, also a tenant of the Council. As a result of investiga-tions made the Manager made an order that the pigs be removed from the Council house in question.

Arising out of this, Mrs. Crotty.
Loughmore, keeper of the pigs, came before the Council and asked the

members if there was anything they could do for her in this matter. The Chairman said they were all very sorry this matter had arisen and they were sorry she had to suffer be-cause of it, but unfortunately there was nothing they could do about it as the order had been made by the
