An improvement was expected in the second half, but instead Na Risig attacked with even more vigour and held Sarsfields to one point. Best

By a good victory over Fenor in the Senior Football Final at Water-ford on Sunday, Jungarvan won the

Senior Football Championship for the fourth successive year.

In the Minor Hurling Final, Na Risig (Mount Sion) had an easy victory over the Dungarvan side, Na Sairsealaig. Playing with the wind in the first half the Waterford side ran up a big score. In the second half it was thought the Dungarvan lads would do much better, but instead the city boys were superior, especially in the forward department, and added 1-2 to their half time score, while the locals could only notch a point. A MONG the communities of all civilised countries newspapers of repute and integrity occupy a high and esteemed position. And because of this position they hold it is customary to afford them certain privileges and rights which they are entitled to receive. Apparently, however, as far as this newspaper is concerned certain sections of the local community consider this custom something honoured more in the breach than the observance. The latest offence in this respect occurred on last Monday.
